Danforth Foundation Offers Scholarships

The Danforth Foundation of St. Louis, Missouri, invites applications for the second series (1953) of Graduate Fellowships for college seniors and recent graduates who are preparing themselves for a career of college teaching, and are planning to enter graduate school in September, 1953, for their first year of graduate study. The Foundation welcomes applicants from the fields of Natural Sciences, Social Sciences, Humanities and other fields of specialization to be found in the undergraduate college.

President O'Donnell has named Miss Mary Frances McKinney as the Liaison Officer to work with the Danforth Foundation on the selection of candidates. These appointments are primarily "a relationship of encouragement," carrying a promise of financial aid within prescribed conditions as there may be need. Students with or without financial need are invited to apply. All Danforth Fellows will participate in the annual Danforth Foundation Conference on Teaching, to be held at Camp Miniwanna in Michigan next September. The qualifications of the candidate as stated in the announcement from the Foundation are:

Evidence of superior intellectual ability in college record.

Good record of health and emotional stability.

Outgoing personality and the concern of people, essential for successful teaching.

Choice of vocation of teaching as form of Christian service. Deep religious convictions and growing religious perspectives. (The Foundation is looking for candidates who are seriously examining their own religious life and are seeking a maturing faith and a social outreach.)

Each institution is asked to limit its nominations to two, or at the most three. Any student wishing further information should get in touch with Miss Mary Frances McKinney.

Ike Wins Mock Election

"I Like Ike" proved to be the favorite saying of the majority of voters as General Dwight Eisenhower won the mock presidential campus-wide election. The Republican candidate received 55 1/2% of total votes cast, while his Democratic opponent, Governor Adlai Stevenson, ran a close second receiving 44% of total votes. One-half per cent of student voting was undecided.

An interesting fact of the election was that the Democratic party polled 420 votes; 73 more than the Republican. Fifty four votes were undecided as to party.

Vice presidential contest ran true to form as Senator Richard Nixon received 430 votes to 343 for his opponent, Senator John Sparkman.

Polls were open Friday, October 24, from 10 a. m. to 4 p. m. The mock election was sponsored by the Journalism class.

Of an enrollment of 1401 college students, 833 voted. The sophomore class had the largest representation as 204 members out of 275 went to the polls. Voting freshmen numbered 325 from the total of 530 in their class. Juniors, seniors, and graduates registered 302 of a total enrollment of 596.

CWENS Journey To Louisville

Cwens is a growing organization! The installation on Saturday, October 18, of the Nu Chapter at the University of Louisville added to the expansion of the National Honorary for Sophomore Women.

Our own Mu Chapter of Cwens, accepting the invitation from the Theta Chapter at the University of Kentucky to help in the installation ceremony, sent nine active members and two alumni to Louisville. These eleven were accompanied by Dean Emma Y. Case and Miss Cleo Stamper, co-advisor for Mu Chapter.

The active members from Eastern who attended were:

Virginia Durbin, Lexington; President Thelma Parke, Richmond; Vice President Phyllis Piper, Covington; Secretary Georgia Williams, Harlan; Treasurer Peggy Chandler, Louisville; Ritual Chairman Sue Goble, Prestonburg; Fannie Newby, Richmond; Peggy Kraus, Louisville; Dorothy McPhail, Irvine; Wanda Smyth, College Hill, and Mary Lou Jones, Louisville, members of last year's Mu Chapter, also attended.

The chapters of the three institutions were the guests of Motor Board, National Senior Women's Honorary, at the University of Louisville at a tea Saturday afternoon on Belnap Campus. The installation dinner took place at the Arts Club at the Watterson Hotel at 6:30 that evening.

THE LOOKOUT

Nov. 12—Dr. Willard Goslin, George Peabody College for Teachers, Nashville, Tenn. Subject: "Our Public School" (National Education Week).

Nov. 19—Don Bolt, World Traveler and Lecturer. Subject: "Latin America, the Powerful Unknown."

Nov. 26—No assembly.

Debaters Are Needed

Students interested in debating are asked to see Mr. Keith Brooks sometime this week in his office. Room 29 of the Administration Building. Both men and women are eligible for debating. Experience is helpful but not necessary.

The question this year is Resolved: that the Congress of the United States Should Enact a Compulsory Fair Employment Practice Law.

This year Eastern will be host to the Intercollegiate Debate Tournament, which will take place on the campus sometime next semester.

Eastern's team has debated such schools as Indiana University, West Point, Annapolis, University of Kentucky, Georgetown University at Washington, D. C., Centre, and Western.

Hallowe'en Party Is Tonight

The golden pumpkins lie ripening in the field around which the corn stalks dance in the breeze. The harvest moon watches over the busy witches overhauling their brooms. Black cats bravely stalk the streets. Laughter and merry-making join hands with mischief and mystery in this season of spooks—Hallowe'en.

The spooks of Eastern will hold their annual Halloween party, Friday, October 31. The students, faculty, and their wives and husbands will be guests of the College to see Bette Davis in "Another Man's Poison."

Immediately following the movie, there will be a witches' brew of cider and donuts in the Rec. Room of the SUB. There will be dancing and plenty of fun for all who belong to the skeleton league so be sure and help haunt the place. Two shore rattles of your chains will gain you admittance.

Kappa Delta Pi

"Kappa Delta Pi, what's that?", would probably be the reply of most every student on the campus. There are very few who even know about this organization, its aims and purpose.

The name of the society is Kappa Delta Pi, and Honor Society in Education. The purpose is to encourage high professional, intellectual, and personal standards and to recognize outstanding contributions in education.

Kappa Delta Pi is a national organization having chapters in the major towns and colleges throughout this country.

Kappa Delta Pi is very selective in its membership. It invites only such persons as exhibit commendable personal qualities, worthy educational ideals sound scholarship to be members.

Eastern's chapter of Kappa Delta Pi was organized May 5, 1935. Throughout the years Eastern's chapter has been very active, but this year, much more is planned. The president is Victor Venitzi and the advisor, Miss Teeter.

Plans—Sponsor a lecture on current day affairs.

Annual award presented to Sophomore student.

Choir Goes To Ashland

The Eastern Choir of 75 voices under the direction of Mr. J. E. Van Puersem will sing at the opening session of the E. K. E. A. at Ashland on November 6 and at the Eastern Dinner at the Christian Church, Winchester and 20th Streets, that same evening. Plates \$1.50. No tips. Mail reservations to Mrs. John M. Boggs, Jr., 823 Riverside Drive, Russell, Ky.

Reservations may be claimed in the lobby of the Henry Clay Hotel any time Thursday or at the Church after 5:30. Because of the evening program, the dinner will be served promptly on the hour.

Busy Day Is Planned By Alumni Association For Old Grads

Welcome Home

Welcome back, old grads and former students, to the campus to which you will always belong. We are glad to see you again. Eastern has missed you while you were away.

As you greet old friends and relive the welcome memories of your own student days, we hope you can feel some satisfaction, perhaps pride, in the Eastern of today and the promise of an even greater Eastern tomorrow when the present program of expansion is completed to provide new classrooms and laboratories, and more housing facilities, for our growing student body.

On behalf of the faculty, the administrative staff, and the students, I extend warm warm greetings to all our guests. Your presence makes this a happy Homecoming for all of us.

William F. O'Donnell
President

House Council Is Installed

An inspiring ceremony was presented Thursday evening, October 16, by the House Council of Burham Hall. With a background of beautiful autumn leaves, the program opened with the "Lord's Prayer" sung by Joan Scholle and Lullaby by Scott sung by Patsy Spoonamore.

The House Council entered from the corridors on the right and left as a march was played by Peggy Chandler.

The oath of office of president was administered by Connie McAuley, retiring president, to Betty Crank, incoming president. Other officers who were installed were Pat Rickey, Vice President; Jimmie Sue Bateman, Secretary; Sue Goble, Treasurer; Betty Carol Oxborne, Social Chairman. Floor Representatives were: Billie Jean Dixon, Joann Blakely, Dorothy Bishop, Georgia Williams, Frances Wilburn, Jean Turner, Ann Hardin, Louise Gullady, Doris Horn, and Jeannette Bunch.

At the conclusion of the program, the girls followed the House Council out of the lobby, singing the Alma Mater. Punch and cookies were served afterwards in the recreation room.

CWENs Attend National Meeting

On Friday, October 31, 1952, the National Society of Cwens will open their fourteenth annual convention at Allegheny College, Meadville, Pennsylvania. The president of the college, Dr. Louis Benzet, will give a message on the subject "Again the Male Animal."

The three days, Friday, Saturday, and Sunday, will be filled with business meetings, workshops feasting, and get togethers.

From Eastern's Mu Chapter three members, Virginia Durbin, President of our chapter; Peggy Chandler, Ritual Chairman; Sue Goble, and their co-advisor, Miss Cleo Stamper, will make the trip to Pennsylvania. They will leave on Thursday, October 30, and return Monday, November 3, to inspire their fellow Cwens with the enthusiasm the Allegheny ceremonies afford them.

Double K To Play

Double K, an orchestra composed of several Eastern students, is to play for the annual Homecoming Dance. The dance, which is the climax of the day's activities, will be informal and is to be held in Walnut Hall from 9:00 to 1:00 on the evening of November 1.

The orchestra, which has played for several school events this year and in years previous, was organized in 1950 and is led by Hank Romersa, a Senior from Latrobe, Pa.

Members of the orchestra are: "Chuck" Carty, saxophone; Marty Becker, saxophone; Ben Hord, saxophone; Ray Tingle, saxophone; Eli Ask, trombone; Hank Romersa, trombone; Dean Gatwood, trumpet; Wayne Pressley, trumpet; Carroll Shaver, drums; Doug Gaiter, Bass; Bob Coe, piano.

The vocalist is Shirley Tracy. Shirley is a Sophomore from Bellevue, Ky. This is her first year as vocalist with the Double K.

Double K played on the night of Oct. 18 for the dance held during the Daniel Boone Festival in Barboursville. The band also plays for high school proms and festival dances.

Homecoming, 1952, is eagerly awaited by students and alumni alike. All are hoping that November 1 will prove to be the best Homecoming yet with a pretty day, clever floats, beautiful girls, and a victory over Evansville.

Plans have been worked out to the least detail for this day. Beginning at 9:30 a.m. the Alumni Association will have a staff on duty in the lobby of the Student Union Building for registration of all alumni and guests. Those who arrive late may register in the lobby after the game and during the dance in order that a complete list of all who came back for Homecoming may be obtained. Tickets for all of the functions on that day may be purchased here.

The outstanding contribution of the students to the Homecoming program will be the parade of floats and the selection of a Homecoming queen. This activity is sponsored by KYMA, Eastern's Pep Club. The parade will leave the campus at 10:00 a. m. for a tour of the business section of Richmond and will return to the campus for the judging of the floats and queens. The queen will be crowned before the beginning of the football game.

The game is scheduled to get under way at 2:00 p. m. CST in Hanger Stadium. The crowning of queen will take place at 1:45 p.m. The Maroons will play a member of the O. V. C. Conference, Evansville, a team which should give Eastern a good hard fought battle.

The Annual Homecoming Barbecue will be served in the amphitheater on the campus from 5:00 to 6:00 p. m. If the weather should happen to be unfavorable, it will be served in the cafeteria. The men of the faculty under the chairmanship of Dr. Park will do the serving.

The dance will be held in Walnut Hall between 8:30 p. m. and 12:00 a. m. with music furnished by the "Double K."

During the dance hours, the Executive Committee will be host at an informal coffee party for all those alumni and friends who do not care to dance. Bridge, canasta, and "visiting" will be the entertainment offered. This party will be held in the Women's Lounge, entrance from the east side of the Student Union Building next to Burham Hall.

It's up to all of us to make this a good Homecoming so let's attend the parade, the judging of the floats and queens, the game, the barbecue, and the dance.

Homecoming Day

by Charlene Farris

Welcome! Alumni!
We greet you once more.
Again it's Homecoming
With lots in store.
So many things
Make up this day,
A time of color
With a mood that's gay.

Early in the morning
We watch the floats parade,
The queens sit enthroned
With dress of every shade.
In the afternoon
We gather for the game.
Loud cheers! From all the crowd,
For victory is the aim.

The ladies will be wearing flow-
ers.
While the gents with pennants
stand,
And our famous mascot "Mo"
Will be marching with the band.
It's kick off time!
The pigskin glides into the air,
The victor we know not
But the Maroons will play it fair.

The crowning of our queen
Is an added treat,
Many are so beautiful
But she has won the feat.
When the game is over
We gather for awhile
For a cup of coffee
And exchange a word or smile.

Then a tantalizing odor
Assails us where we sit,
It is the smell of barbecue
Coming from the pit.
We gather by the fire
As it brightly glows,
There is such jolly talk
And exchanging of hellos.

Then as the moon sheds her
beams
O'er glistening Walnut Hall,
Music seems to fill the air
With its beaconing call.
We hurry to the dance,
The time just flies away
In this our last event,
Of a glorious day.

All too soon the clock
On the whitened tower,
Seems to sadly shake his head
As he chimes the passing hour.
So Eastern's sons and daughters
Scatter on their way
Holding close the memories
Of this "Homecoming Day".

Is This Enough?

Happy Halloween! Tonight is our annual Halloween party, which has in the past been one of the most fun providing and well attended functions of the year. The party tonight will provide a splendid preface to the gala weekend ahead of us, for tomorrow is Homecoming. This wonderful day, Homecoming, always proves to be the busiest, most enjoyable day in the year, and on Sunday, a pleasant, tired memory will linger.

The next big event to look forward to is the Sadie Hawkins Dance, at which the girls once again gladly take the initiative with the boys. Other big dances to anticipate in are the Snow Ball, the Military Ball, and the Prom. Is Eastern as completely lacking in social functions as some like to complain? That is a question for the complainers to answer. If they attend all Eastern's large annual affairs, do they still complain?

One thing sure, no one will complain about Homecoming nor will they complain about the big Halloween party tonight. See you there.—Kay Wilson

CLUB NEWS

By EDIE TAYLOR

Hello, alumni and friends! Welcome to Homecoming.

Sigma Tau Delta, a national English fraternity, pledged three new members at their dinner-business meeting Tuesday, October 21, announced Wanda Smyth, president. Ruthie Hulker is secretary-treasurer. Students invited to become members were Bill Greynolds, Marjorie Burt, and Gwen Jones. Sigma Tau's purpose is to endeavor to advance the study of the chief literary masterpieces, encourage worthwhile reading, promote the mastery of written expression, and foster a spirit of fellowship among students specializing in the English language and literature.

Jim Burch, is this year's president of Little Theater Club. Other officers are Doug Gaither, vice president; Evelyn Rymer, secretary; and Lena Denham Smith, treasurer. New members of this group are Joan Scholle, Margaret Berryman, Evelyn Rymer, Chester Greynolds, Doug Gaither, Bruce Bates, Lena Denham Smith, Kay Wilson and Bob Elder.

The Marching Maroons elected Don Knowland as their president. Edmund Burke is the band's vice president; Peggy Chandler, secretary-treasurer; Doug Gaither, publicity chairman, and Ben Hord, social chairman.

Evening Chimes

Have you heard the chimes each evening at 5:30? Shirley Tracy desires a "thanks" for this soothing feature.

Officers of Sigma Lambda are Ruthie Hulker, president; Gwen Jones, vice president; Faye Brown, secretary; Janie Thompson, treasurer; and Lawrence Harris, business manager. All students who take either Spanish or French are automatically members of this club which meets on the second Monday evening of every month. Many movies of foreign countries are shown at the meetings.

The Methodist and Presbyterians will again be "suit-casing" come the week-end of November 6. Last year at spring conferences, these two groups voted to have a joint meeting this fall. Berea College has been chosen as the host for the occasion.

Hope all students have attended the Thursday evening Weekly entertainment Programs sponsored by Cwens in Burnam Hall lobby from 6:30 to 7 o'clock. The programs are terrific! And gaining in popularity weekly! An average of 100 girls and guests gathers to hear anything from a violin solo to a dramatic reading. One week every one got in the act when half of the program was devoted to group singing. Come once and you'll be sure to come thereafter.

What the B. S. U. lost the Army gained! Darel Winger, president of the Baptist Student Union, was recently called to the service, and even tho' the B. S. U. lost a good leader, they feel as if their newly elected president, Claude Smith, will equal Darel. All members are making plans to attend the State Convention at Georgetown College, October 31-November 1. Jeanette Bunch, Betty Carol Osborne, Pat Spoonamore, and Claude Smith will participate in the programs of the convention.

Western Style

A Round-up Party was held for Baptist students Friday, October 24, at the down-town church. All came in Western outfits. Refreshments and games were staged around the "cowboy" theme, also.

Gordon Fleck and Bill Vendl, co-captains of the swimming team, really have themselves a job! Seems as if the girls have worked up a swimming club and these two gents are their coaches. Mermaids stroking away many a trying hour are Dece Daniels, Jenny Chattin, Martha Williams, Billie Ballard, Mary Ann Ogden, Ethel Schell, Fannie Newby, Janice Treadway, Laura Ellis, Ray Davis, Mary Helen Collins, Dot McPhail, Margy Johns and Pat Ritter. Synchronized swimming is what the group is working on now. The club hopes to present a water ballet this spring.

The Cat's Meow

Well, gang, this old cat has been doing double duty since the last Progress came out. I've noticed a lot of new couples in the library and over in the grill. Some of these boys have been so busy noticing the cute girls around here that they've stepped on me two or three times and I've been limping around on the seven of my nine lives that I have left. Here's the new dirt for you.

When worlds collide!!! Bill Bales and Pat Ritter meet Gay Sells and Tommy McAnallen face to face on Burnam Hall's front porch.

Looks like Tommy Roberts has been seeing that June Ash doesn't have a free minute lately. What has Jane Smith got that the rest of the Eastern gals don't have? Maybe it's the way she chews her gum. I think I saw Larry with Ethel Schell the other night. They should install two private telephones in Beverly Newton's room, one for Roy Kidd and one for Bob Kolakowski. These Richmond people really seem to have a lot of fun together. Right, Norma and Donnie? I think Don Combs and Pauline Coyle could answer that question, too. Who is that boy that Jane Treadway keeps watching in the grill? Could his initials be Don Daly? I'm very pleased to say as an interested spectator that Eastern finally acted like they had some school spirit at the Eastern-Tennessee Tech game. Don't faint!!! Lindy has a girl. The impossible happened. The lucky gal is Charlene Kinnard. Looks like Georgetown doesn't hold all of Gerry Chandler's affections. Ernie Rig-rish seems to hold a good part of them. I wonder who the "lucky boys" will be to walk to Stateland with Janet Hibbard in the coming weeks. Next?

Homecoming is here, fellas. I hope you got a date for the dance with that special gal!!! What is the name of that little gal who has taken over Harold Fraley's affections lately? For goodness sakes, Bradford, be sanitary. Wash all make-up off your face each night before going to bed. Right, Mr. Samuels? Joan Cruce and Doris Lynn Smith seem to be content to sit in the dorm and write letters this year. Looks like Theresa Hammon and Anita Langford should enter the Olympics this year. They keep the ping pong tables in use constantly. Wonder who Ruby Holbrook will date since her flames of last spring and summer aren't here this year. Martha Sue Young doesn't seem to be interested in anything these days but that dia-

mond on her third finger, left hand. Mary and Nick are getting to be a pretty steady thing. They seem to spend all their free time in the grill together. Roger Geyer has the most profitable taxi service in town. He dates all his passengers. Mary Ann Ogden seems to have a ball and chain in the form of Huey Brooks. The newest pin-up on Eastern's campus, according to the football team, is the gal that they call "Red Hot Red."

Can't think of anything else to tell you this time. I've decided that we can add a few songs dedicated to the students at Eastern. "Maybe 'All Through the Night' we'll be 'Feudin', Fussin', and A'fightin'." "Because" of all this but maybe you'll "Forgive Me."

The Cat Dedicates

THESE HANDS ARE PRICELESS!

They protect the American way of life . . . our homes, our freedoms, our future.

These Hands, sensitively trained to respond acutely to the commands of an alert mind and courageous heart, are the hands of a United States Air Force Pilot.

The skillful touch of these hands attunes the blasting speed of modern jet aircraft to effective missions in discouraging any enemy. These hands are supremely capable of flying and fighting these machines with devastating effect.

These Hands belong to young, spirited American men (not supermen) who desire to live unmolested in a free America . . . who want to enjoy the same rights and opportunities open to all real American people.

These Hands belong to our sons—yours and mine. Youths who must decide today how they can share in defense of our nation and also better themselves. To insure greater chances of their success, today's college men should be encouraged to complete their education and then serve their country best by enlisting as Aviation Cadets in the U. S. Air Force.

Theirs is the choice of becoming either a Pilot or Aircraft Observer. After graduation as Second Lieutenants in the U. S. Air Force, they wear the silver wings of flying executives and begin earning nearly \$5300 a year.

These Hands represent a man ready to qualify for this tremendous task because he is between the ages of 19 and 26½ years, unmarried, and in excellent physical condition, especially eyes, ears, heart and teeth. He possesses at least two years of college and the inherent urge to fly.

These Hands shape the destiny of America . . . the difference between our survival and oblivion. The U. S. Air Force needs the hands, the minds and the hearts of young Americans who desire to make the American way a greater way of peace and happiness for all.

"The Man" Comes To ESC

A chill-and-shudder melodrama by a master of suspense stories has been selected by the Eastern Players as its next presentation. This is the Broadway hit called "The Man," from the pen of Mel Dinelli, author of such blood-curdling movies as "The Window" and "The Spiral Staircase."

Scheduled to open at the Hiram Brock Auditorium on November 5. The story of "The Man" centers around a kind-hearted widow who hires a stranger to help with her household chores, and then to her gradually increasing horror learns that this seemingly nice young man is a violent psychopath. Even after she has made this frightening discovery, the woman for a time believes she can help this odd and pathetic lad. But it is the lady herself who soon needs help, as she becomes imprisoned in her home, the victim of a man who unpredictably swings from harmlessness to dangerous mania.

Most of the play is a cat-and-mouse struggle between the bullying lunatic and his terror-stricken victim. During its New York run it was said to be a taunt and tense a thriller as has been seen in the theatre in many years.

Originally written by Mr. Dinelli as a half-hour playlet for the "Susense" radio program, to which he is a frequent contributor, "The Man" was expanded to a full-length play in 1950, when it was presented for a successful Broadway run, starring Dorothy Gish.

Easterner: "What's the idea of stopping in the middle of Main street?"

Taxi Driver: "Didn't I hear the young lady holler 'Stop'?"

Easterner: "Step on it she wasn't talking to you."

Float Feature

By BRUCE BATES

Not everyone enjoys Homecoming. For instance, take the case of Joe. Joe came to Eastern from an undistinguished, middle-sized Kentucky high school. He had heard that college clubs were great fun, so as soon as he could, he joined one.

When about a month before homecoming the club voted on whether to have a float, Joe cast the deciding vote, thus earning the undying hatred of the faculty sponsor, a haggard old man at forty, he had pulled the club through four homecomings, but feared the consequences of another. The club's president had hated floats ever since he fell off one and fractured his clavicle. He got revenge on Joe by making him chairman of the float committee.

The first week, the committee discussed ideas for a float. The second week Joe picked the idea he liked best. It was all his own idea, and the other members of the committee, all of whom had turned in better ideas, immediately began making plans for sabotage. The third week Joe really got to work. He bought thirty feet of chicken wire and two thousand paper napkins. By now the float was all planned and all that remained to do was put it together.

The night before the parade, everybody assembled at the sponsor's house to hammer, wire, and glue. By nine o'clock Joe was wandering around with a glassy look in his eyes. The sponsor's wife was permanently disabled after an attack of arthritis brought on by wiring two thousand napkins onto thirty feet of chicken wire. The sponsor had been caught in the bathroom trying to hang

I. A. Has New Instructor

Mr. Thomas E. Myers, Denton, Texas has accepted a position as Industrial Arts instructor at Eastern.

Mr. Myers, who graduated from North Texas State College, Denton, Texas, has recently returned to teaching after serving in the Air Force for the last nineteen months, during which time he was stationed on Guam. Previous to his recall to the service he taught at Copiah-Lincoln Junior College, Wesleyan, Mississippi.

The classes taught by him are: General Shop, Elementary Mechanical Drawing, Eighth — Grade General Shop, and Freshman Sociology.

He says of Kentucky "I'd never seen the state before coming here, but after seeing it I can say I think its beautiful."

himself from the shower nozzle.

By four in the morning (comparatively early) they were nearly done. Joe suddenly realized that his sponsor had the right idea concerning the use of the shower nozzle. He had never seen such a terrific flop. One fellow, an ex-G. I., couldn't bear to look at it. It brought back old memories of Heartbreak ridge.

But by the next morning we saw some mystic change had taken place. The float didn't win first prize, but at least none could deny that it was a float. Unfortunately, Joe was not around to witness his triumph. He was in the city hospital recovering from compound frostbite and an overdose of sleeping pills.

Sophs Have Wiener Roast

Monday, October 27, the sophomore class had a wiener-roast get-together party which started at 4:30 in front of the Student Union Building. Approximately eighty sophomores hiked to the college farm to have the wiener roast. Games and group singing were part of the program around the bon-fire.

After eating, the group went to the basement of Burnam Hall to climax the evening with dancing and games. The program committee consists of Dean Rubarts and Buddy Curry, co-chairman, Dece Daniels, Sue Hodges, and Ernie Durham.

Other committees appointed by the executive board of the sophomore class are Nancy Rickey and Jim Allender, poster chairman, Joan Becker, Don Jett, and Della Hamilton; ways and means, Jane Gregory and Roger Stephens, co-chairmen, Jim Burch, Margaret Bolin, and Julianne Wiedekamp; publicity, Don Feltner and Grace Reynolds, co-chairmen, Gene Jones, Phyllis Piper and Bobby Gibbs; program, Edie Taylor and Lowell Sallee, co-chairmen, Kenneth Durham, Chester Raker, and Martha Applegate; and fine arts and entertainment, Fannie Newby and Dave Caylor, co-chairmen, Jim Winn, Betty Ogden, and Georgia Williams.

Maroons To Meet Evansville Aces

Team Tries For Win Following Two Defeats And One Tie

NICK DE SANTIS

With seven seniors playing their last game in Hanger Stadium, the 1952 Eastern Maroons face the Evansville "Aces" tomorrow, in what might be called a revenge battle.

Last year, playing in sub freezing weather, the "Big E" bowed to Evansville. Eastern had two touchdowns called back because of penalties and were finally stopped on the one yard line in the closing minutes of the game. Also Coach Tom Samuel's gridders are eyeing their first home victory and it couldn't come at a better time.

Last year Eastern had little trouble in beating Western 31-7 and making that "long ride back to Bowling Green" a sad one. It was senior All-OVC, fullback Chuck Hertzler who was the individual star of the game. Chuck closed out his brilliant athletic career at Eastern by scoring one touchdown and passing for two more.

Tomorrow Eastern will have a new home coming hero or goat. Will it be one of the following seniors, who will be playing their last home game for the Maroon and White? Bill George, Jack Bond, Chuck Schmitt, Alex Kolakowski, Dick Wilson, Bill Adams or Carl White.

Time will tell, so come on out to Hanger Stadium and yea-h!

TENN. TECH 28-EASTERN 14
The Eastern Maroons suffered their second straight defeat of the season October 11, losing 28-14 to the Tennessee Tech Eagles. This defeat following a 10-0 loss to Murray State left Eastern's non-cheering fans with even less to cheer about.

T. P. I. added a sparkling pass attack to its typically effective running game to literally overpower the Big "E." There was a good turn out at Hanger Stadium to watch Tech power to a 14-0 half time lead and add 14 more in the last quarter to break a 14-14 tie and Eastern's spirits.

After a scoreless first period, Tech drove 52 yards to the Eastern 1 yard line but failed to score as a desperate, high-spirited Maroon line refused to budge. Eastern then gained possession of the ball and after two running plays into the center of the line, Billy George, leaning against the goal post, got off a 47 yard punt. But Eastern was soon in hot water again. Tech drove 40 yards with ease for a touchdown, Ed Scott sprinting the last 18 yards for the games first score.

Two minutes before the half, a mental error left a loose ball bouncing around the Eastern back field. Tech recovered and drove 52 yards to the Eastern 1 yard line. After two attempts, Jack Van Hoosen managed to crack the Eastern line to end the scoring in the first half. Bob Holloway

made his second conversion and Tech led 14-0.

Starting the third quarter Eastern put on an aerial attack that would have made the United States Air Force blush. Leaning strongly on the left arm of Roy Kidd, Eastern drove 86 yards to the Tech 1 yard line. Jim Hanlon sneaked over on Eastern's first running play of the period. Carl Oakley kicked the seventh point and Eastern trailed 14-7.

Tech ran Eastern's kickoff back to the Maroons 48. On the first play Paul Satterfield, 175 pounds of T. N. T., fumbled and Larry North recovered for Eastern. Two Kidd passes ate up 45 yards but Hanlon fumbled and Tech recovered on their own 5 yard line. But Eastern received another of their few breaks in the game when Satterfield fumbled again. Eastern recovered and tied the score as Jim Hanlon passed to Jim Rice. When "Ox" Oakley made the conversion and Eastern fans were up and hollering.

But Eastern's spotty defense finally weakened and T. P. I. put together two long scoring drives, one 70 yards and another 60. Tech's running game was the pay off, even though they could pass seemingly at will. Tech racked up 18 first downs and Eastern 9. Of Eastern's 180 yards total offense, 146 yards were gained through the air.

EASTERN 20-MOREHEAD 20

Eastern's hot and cold running Maroons ran hot Saturday to come from behind three times to tie Morehead 20-20. The traditional "Old Hawk Rifle" game was also the Eagles Homecoming and a more inspired ball club couldn't have been found in the state.

Eastern entered the ball game a heavy favorite, but as in all traditional games everything goes. To say that Morehead played over their heads would not be fair, but it's been a few years since the Eagles played a better game.

Eastern wasn't without their friend Mr. Fumbles as on the first play of the game Bobby Linderman lost the ball on the "Big E" 21 yard line. Morehead recovered and three plays later scored. Bob Muller, Eastern line backer, broke through and blocked the conversion attempt to hold the Eagles to a 6-0 lead.

Before you could say "Evansville tomorrow for homecoming" the score was tied. Eastern took possession of the ball on their own 46, after one of Morehead's odd on-side kicks. A 31 yard Linderman to Bradford, pass play set the ball on the 13 yard line. Bradford ran it to the 7, and off side penalty against the Eagles moved it to the three and not a hand was laid on Don Daly as he raced into the end zone to tie the score. Oakley's conversion attempt was wide and the score stood at 6-6.

Midway in the second quarter Morehead started their running game. It was highlighted by an end around play that saw the whole team, the coach and the water-boy blocking for the runner. On a series of these power plays Morehead drove to the Eastern one and Parter scored on a quarter-back sneak. Payne made the conversion and the Eagles led 13-6.

When Morehead's second attempt for an on-side kick failed, Eastern had the ball on the Morehead 40. Fullback Roy Kidd fired a long pass to Fred Wincher, who lateraled to Jack Bond on the 13. The senior halfback raced the rest of the way to score and Oakley's conversion tied the score for the second time.

At the end of the third quarter Morehead scored again when they recovered their own fumble in Eastern's end zone. Payne's kick was good and for the third time Morehead led by 7 points, 20-13.

But the final quarter was only two plays old till the score was tied for the third and last time. On a 41 yard pass play, Linderman to Rice to Winscher, Eastern had the ball on the Eagle's 7. On the net play trackster Jack Bond raced around left end to score his second touchdown and Eastern's third. Oakley kept us in the game, by making his second conversion, as time ran out.

Working from a T Morehead had the Eastern defense on the run all day. But they never once really fell apart. Bob Muller, Larry North, Charlie True, "Ox" Oakley, Ed Miracle and "Dutch" Greene all shined on defense.

This tie leaves the "Big E" still seeking their first O. V. C. win, and for that they'll have to beat Western at Bowling Green.

First row, left to right: Ben Southers, Bob Linderman, Pat Crawford, Pat Dale, Ed Miracle, Roy Kidd, Nick Tsangeos, Ernie Rigrish, Paul Greene, Alex Kolakowski; second row, left to right: Dick Lambert, Billy George, Don Daly, Bill Kesler, Sonny White, Jack Bond, Bill Bradford, Frank Nassida, Joe Balassone, Jack Stockham; third row, left to right: Mathias Williams, Fred Winscher, Charles True, Dwight Jones, Jim Rice, Bill Adams, Larry North, Dick Wilson, Karl Bays, Charles Ginn, Bob Muller; top row, left to right: Chuck Schmitt, Carl Oakley, Tommy Roberts, Tom Sammons, Steve Hazelwood, Jack Rasaga, Jerry Johns, Vernon Massingale, Jim Hanlon, Bill Palahunich, Mike Deep and Bob Hatfield.

Swim Team Shapes Up

After a week of extensive swimming tryouts, the Eastern squad found itself with a rich supply of freshman talent, but sorely lacking in experience. Of the 32 tryouts, the potential men have been reduced and divided until now there remain two squads, each consisting of 11 aquamen. Although the tryouts have been completed, the team still has need of a backstroke and two breaststrokers, and would readily welcome any additional tryouts for these events.

The squad now shaping up is composed of returning veteran aquamen Don Combs, Doug Hoffman, Gene Ray Tompkins, John Noland, Jesse Reed, Hugh Brooks, diver, and Gordon Fleck and Bill Vendl, last year's co-captains.

Among the new recruits are Charles Cronin, Jim Dailey, Bob Snavey, George Gover, Bob Kolakowski, Gene Arvin, Bill Bands, Ray Frankel, Henry Mayberry, Bob Morrison, Clifford Smith, Paul Smith and Chalmers Vineyard. This year's manager is Nick DeSantis and trainer Ron Finley.

A grim shadow, however, has been cast over the practice sessions in the form of the same trouble that hampered last year's squad—the injury jinx. Since the beginning of the year many of the swimmers have been on the injured list. Gordon Fleck has been bothered by a torn arm muscle he received during summer competition. Doug Hoffman has had trouble form a pulled abdominal muscle. Bill Vendl received his fourth fractured nose in two seasons and a pulled leg muscle. The only serious injury, however, has been the loss of Hugh Brooks, first-string diver, for at least a

W. R. A. News

On Saturday, October 18, 1952, W. R. A. took a short trip to Berea to play Berea College's team. The trip was made without their sponsor, Mrs. McGuire, who was in a Lexington hospital under observation.

The game, which started at 11:30 a. m., was played largely by freshmen on both teams. The only

month. Hugh tangled with a pool ladder and came out on the short end of the deal with two stitches in his lip, and twelve stitches in his arm to close a 4 1/2 inch gash.

With the injury list filled by so many of the veteran mermen, the question arises, can the new freshmen talent fill some of these vacancies? Since the season doesn't open until January 15 in Tennessee, the team has plenty of time to realize its expectations.

scoring done in the first half was the goal made by Pat Hoskins, Eastern's right inner. Thus the score at the end of the first half was Eastern 1—Berea 0.

In the second half Eastern again held them scoreless while adding two more goals to their own score. Bev Wilson and Sonnie Burton dribbled and passed down the field and Bev Scored on a hard drive. The other tally was made by Vi Short from directly in front of the goal cage. This made a score of 3-0 in favor of Eastern for their first game.

After the game luncheon was served in the cafeteria and immediately afterwards, the team returned home in their chartered Black Brothers' bus.

The game was the most well played of any hockey game by the Eastern girls in several years. With this victory to their credit, the girls are working even harder for the coming games with U. K. and Cincinnati.
