Officers for the YMCA have not yet been elected.

## It's Still A Man's World

Once again the female population has to go along with the famed saying, "It's a man's world,"—or at least according to enrollment numbers' on Eastern's campus!

The total number of students is 1411; girls claiming 556 while there are 855 males.

In all of the four classes, boys outnumber the girls, and it is only in the graduate and special divisions where the ladies can expect to "hold their own."

Three hundred and seven boys plus 157 girls, making a total of 464, are registered in the freshman class. Three hundred and forty four students compose the sophomore class. Of this number there are 141 girls and 203 boys. In the junior class there are 118 girls and 170 boys which makes the total 288 of this group. Seniors number 247 with the males having only an advantage of 19 students over the girls. In their fourth year are 114 girls and 133 boys.

A total of 163 people are enrolled as graduates, of these there are 122 girls and 41 boys. Five students are classified as "special" and of these, there are 4 girls and one male.

## Plaques On Display

Two plaques, one having the names of the outstanding actors and actresses and the second giving the debaters' names for the past several years, are now being displayed on the wall of second floor Roark.

Victor Venettozzi, debate director, announces that the plaques will be located there permanently and the names of this year's students as well as those of the future will be added to the gold plates of the acting and debating plaques respectively.

Students are requested to stop and see the display.

## 'After The Game' Dance

An "After the Game" Dance is to be sponsored next Friday night in the recreation room, SUB, by the junior class. The dance will be immediately after the Eastern vs. Youngstown Football game.

Admission price will be 75c "drag" and 50c "stag."

Juniors who are in charge of the arrangements are Jimmie Sue Bateman, Bill Hensley, Edith Ann Taylor, Chester Raker, Delores Daniels, and Ken Jones.

## Cwens Entertain Guest

Mrs. Robert DeFrost Angelo, National Extension Chairman of Cwens, will be on campus today and tomorrow meeting with the present members of Mu Chapter and alumni Cwens. "Extension Fund" will be her topic of discussion.

Campus Cwens will meet with Mrs. Angelo at various times throughout her two day stay. An informal tea will be given for Mrs. Angelo tomorrow afternoon in Walnut Hall.

Officers for this year's chapter are: Mary Helen Collins, president; Jean Walton, vice-president; Dolores Samson, secretary; and Katherine Wright, treasurer.

## Messiah Practice Monday

Messiah practice will be at 6:30 this coming Monday evening instead of the usual hour due to the Community Concert scheduled for 8 p. m. in Hiram Brock Auditorium.

This is the 22nd season the College students and Madison County residents have presented Handel's Messiah. Everyone is extended an invitation to participate in the presentation.

## Scene . . . . . and Herd

Suppose by now everyone knows that Richmond's long-awaited radio station is scheduled to begin broadcasting from downtown within the coming week. WEKY will be under the directorship of O. C. Halyard, a name familiar to all Eastern students who in the past have ever heard any sporting event, football or basketball, come over their radio. This certainly would be a golden opportunity to one or more students to work up some sort of college radio program. There are many types of ideas that could be arranged quite cleverly—interviews with the grill gang, of outstanding students, previews of coming events, or a musical presentation of many versatile themes. Why doesn't some sharp person work on this idea and really get Eastern on the air!?

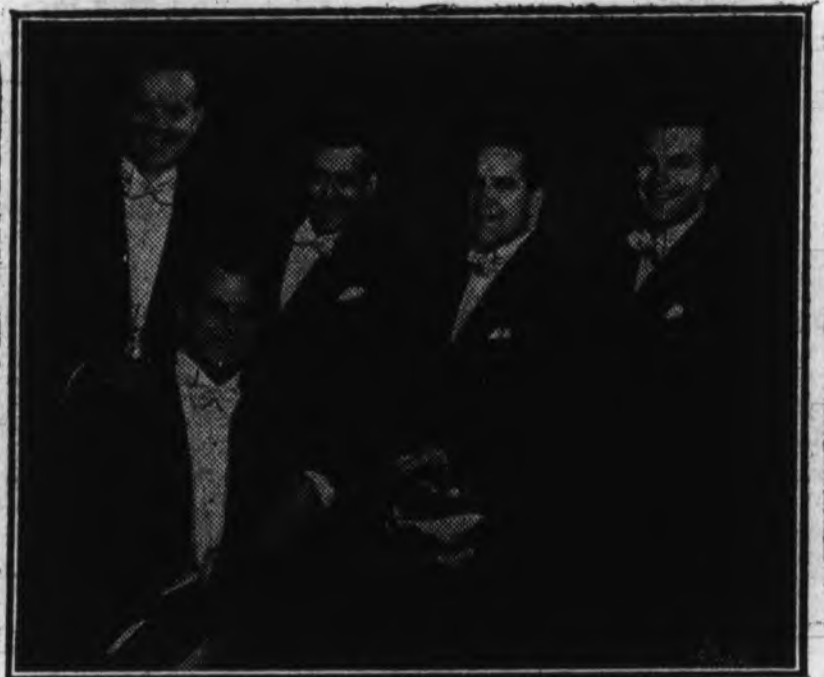

The shouts and yells ringing out from the Pep Rally held in the ravine last night showed there is still plenty of 'ol' school spirit left, but think how tremendous the rally could have been if all students had attended. If there is another cheering session before one of our remaining games, let's all be there and scream our shares of "rah, rah" for the football team.

Speaking of football, one of the best half-time programs ever performed in many, many moons was the act given at the Eastern vs. Middle Tennessee game a few Saturdays ago. The band presented the Stone-Tarwater-Wilson version of the ever popular "Saint George and the Dragonet". This was really "gone." Dialogue, which hit the nail on the head in every instance, was read by Tom Stone and Glen Wilson. The program was certainly enjoyed by all—even the opponents.

Save all your extra pennies these next seven days and for 75c you and your date can have a "ball" dancing to Ray Tingle's Orchestra at the shindig sponsored by the junior class after next Friday's football game. This could be a real "get acquainted" dance, so to speak, if all of you many males (steady ones, please don't read) would resolve to take the new gal in your English class or the one you always see at noon time. How about it?

Hoorah! Hoorah! Only 29 more days left until Homecoming.

## First Community Concert Features Men Of Songs

Pictured above are the Men of Songs which will be the first of a series of programs presented by the Community Concert Association. Their program is scheduled to be in Hiram Brock Auditorium this coming Monday evening.

Stage curtains in Hiram Brock Auditorium will rise at 8 o'clock Monday evening, October 12, where The Men of Song are scheduled to present the first Community Concert of the 1953-1954 season, announces James E. VanPeurse, talent chairman of the association.

The program will include such favorites as Romberg's "Student Prince" Medley; Chopin's "Nocturne, Op. 21, No. 1"; Schubert's "The Almighty"; and the folk song "Black is the color of my true love's hair."

Appearing in the quartet, which was rated by the National Society of Music as one of the ten best musical attractions in America, will be tenors John Campbell and Alfred Kunz, baritone Roger White, and bass Edmond Karlsrud. Charles Touchette is the pianist-arranger.

Mr. Campbell, a graduate of

Juillard and Columbia, has sung with the Kansas City Light Opera Company, the Juillard Opera, and the National Orchestra Association. Mr. Kunz has appeared on stage and radio, including "The Hit Parade," "The Voice of Firestone," "Winged Victory," and "Rosalinda."

Mr. White has been featured as soloist with the Lynn Murray singers as well as appearing on "Harvest of Stars," "Texaco Star Theatre," and "Carnegie Hall." The organizer of the group is Mr. Karlsrud who is known for his solo appearances in radio, television, and concert. A graduate of the England Conservatory of Music, Mr. Touchette has been arranger and choral director for many recording companies.

Students will be admitted free by the showing of their identification cards or their paid receipts.

## Business Teachers Convene On Campus

Business teachers of eastern Kentucky will travel to Eastern's campus Saturday, October 24, for a one-day session which will officially open at 9:45 a. m. in Little Theater.

Presiding over the session will be president John W. Tabb of Ahrens Trade High School, Louisville. Teachers of the Eastern's commerce staff are to be host to the convention.

The program will include a panel discussion directed by William Edie on "How Business Teachers and Business Can Co-operate in the Training of Office Workers" and a discussion on the short-comings of beginning office workers will be led by Louis Bosse, Managing Director of the Associated Industries of Kentucky and Ben R. Shaver, Secretary-Treasurer of the American Air Filter Company.

Luncheon for the group will be served in the Blue Room of the cafeteria at 12:30.

## Astronomy Lecture Given By Dr. Park

"Illustration on Astronomy" by Dr. Smith Park, head of the mathematics department, was the program given in assembly, Wednesday, October 30.

Dr. Park presented a selection of more than 100 slides. The speaker concluded his illustration-talk with the thought that "nowhere in nature's realm is there a more thought-awakening lesson than in the study of astronomy."

## SUPPER FOR CATHOLIC MEN

The Men's Holy Name Society of St. Mark's Church, Richmond, will give a buffet supper for all Catholic campus men student Monday evening, October 12, at 7:30 in the hall in back of St. Mark's Church.

All men students are urged to come.

The program following the dinner will be a movie of the Eastern-John Carrol football game.

# Plans Completed For New Campus Building

Plans for a new men's dormitory were completed October 2. It is hoped that a contract for construction of the dormitory, which will be a building revenue project, can be let within the next 60 days, remarks President W. F. O'Donnell.

The building which will house 176 men is to be fireproof. It is designed along the same plans as those used for the newest dormitories at Vanderbilt University.

The location for the campus newest addition is in back of Miller Hall. This will necessitate the removal of the present baseball field which is tentatively expected to be

situated in front of the Health building.

### Sullivan Hall

Another building project which will be underway soon is the reconditioning of Sullivan Hall.

The entire electric wiring and plumbing which have served the building for the past 40 years will be replaced. New shower rooms and wash rooms will be built on each floor. All broken plaster will be repaired, floors refinished, and the entire building painted.

Women students will once again live in Sullivan Hall when the new dormitory for men is completed.

### Open House Date Set For November 6, 7

Open house for the new Science building is planned for Friday evening, November 6, and Saturday morning, November 7, for the alumni, citizens of Richmond, and friends of the college.

The building, the construction of which was begun last year and completed this spring is now fully occupied for the first time.

Roark building, to which the new Science building is attached, has had the walls repainted and the floors refinished. Since the opening of the new building, Roark houses only the geography and mathematics departments plus the English department which formerly had been in the Administration building.

### D. S. F. Hikes At Pinnacle

Twenty members of the D. S. F. group of the First Christian Church went on a hayride and a hike to the top of the Pinnacle at Berea Sunday, October 4.

After vesper services on top of the Pinnacle, the group descended the mountain to roast weiners and to participate in the program.

Chaperoning the excursion were Mr. and Mrs. William Stocker and family.

### CHEERFUL THOUGHTS

Larry L. (at the football game): "See that big substitute down there on the bench? I'm sure he'll turn out to be our best man."

Pat D.: "Why you darling! Isn't this rather sudden?"

S. Kearns—"Sir, I have an attachment for your daughter."

Mr. Keene—"Young man, when my daughter needs accessories, I'll buy them for her myself."

Bob L.—"I've just been through the Tunnel of Love. I don't know why everybody raves about it. It's awful."

Ronnie S.—"What's so bad about it?"

Bob—"It's so dark and lonesome and you get your clothes all wet."

Ronnie—"You got your clothes wet? Did the boat leak?"

Bob—"Oh, there's a boat?"

"Yes," Dr. LaFuze explained, "quite a number of plants and flowers have the prefix dog. For instance, the dog rose and dog violet are well known. Can any of you name another?"

There was silence, then a happy look illuminated the face of a boy at the back of the class.

"Please, teacher," B. Gibbs, called out, proud of his knowledge, "Collie flower!"

# Murray Is Number Three For Big E

## 31-Yard Run By Jack Bond

By Dean Rumbold

Eastern's Maroons moved into Murray's Cutchin Stadium last Saturday evening and required all four quarters to notch their third straight win of the season.

The first half was marred by rather sloppy play on the part of the Maroons, particularly in pass reception, due to nervousness and overanxiety. Eastern won the toss and the Racers of Murray kicked off.

Starting from the Maroon 30, Bradford and Daly ran the ball for the first down of the game. On the next play, Bob Muller fumbled and Murray recovered on Eastern's 46. Murray lost 13 yards in their first offensive efforts and punted to the Maroon 18.

Daly, Kidd, Muller and Bradford carried the ball down to Murray's 18 but were stopped when Roy Kidd's fourth down pass fell incomplete.

Murray took over and, aided by a pass-interference ruling against the Maroons, drove to Eastern's 40. They punted to end the first quarter but another penalty for roughing the kicker gave Murray a first down. Two plays later, Holt fumbled, Ernie Rigrish recovering for Eastern.

Kidd passed for a first down to Fred Winscher but the next series of plays netted a minus five yards and the Maroons punted to the Racer 25. Murray kicked right back and get the ball on Eastern's 20 when Chuck Bell fumbled, setting up the first score of the game.

With less than six minutes remaining in the half, Johnny Bohna went over from twelve yards out and Billy Mac Bone converted.

Eastern seemingly took heart and came roaring back on two successive passes good for a total of 53 yards. The first was complete to Larry North for 23 and the second went to Sonny White for 30 yards. However, two passes fell incomplete, one dropped by Bell all alone in the end zone, and Murray took over. They held on for the remaining seconds and the first half ended with Fred Faurot's Racers leading 7-0.

Coach Samuels must have delivered quite a potent sermon during halftime because the Maroons returned to the scene of action a changed team. They kicked off to Murray to begin the second half but on the first play from scrimmage, the ball was jarred loose

from Carl Walker, Jerry Johns recovering on Murray's 26.

Chuck Bell ran to the 19, Jim Hanlon to the 14 and Bill Bradford circled left end of the score with 1:25 gone in the third quarter. Carl Oakley converted to tie the score. Eastern kicked to Murray's 41.

Murray, aided by a controversial pass completion during which the ball was actually trapped, moved to the Eastern 41 where the Maroon line stiffened and they were forced to punt out of danger.

With first and ten to go, Chuck Bell atoned for his previous miscues with a sparkling 51 yard run from scrimmage following a pitch-out from Hanlon—undoubtedly the outstanding individual play of the game. With Hanlon beautifully mixing his play, the Maroons drove to the Racer 5. But, with first and goal, Murray's line dug in and stopped the threat, Roy Kidd's fourth down pass falling incomplete in the end zone.

Following an exchange of punts, one a 59 yard quick-kick by Murray, Don Daly intercepted a Lafser pass and carried it to Murray's 18. Ed Miracle ran to the Murray 6 for a first down and, with 2:31 remaining in the third quarter, Kidd sneaked over for the T. D. Oakley's attempted conversion was blocked and the Maroons went into the lead for the first time, 13-7.

Partway into the fourth quarter, Gerald Boyd, with a clear field ahead of him, narrowly missed intercepting another of Lafser's passes but couldn't quite hold it. Several plays later, Murray scored again on a delayed pitchout from Lafser to Carl Walker for 46 yards and a touchdown. Bone converted again to regain the lead for Murray.

However, the Maroons love to win and weren't to be denied. Bradford returned Bone's kickoff to Eastern's 41. Kidd pitched to North for 12 yards and a first on Murray's 46. Bell carried for another first down on the 36. With second down and one to go, the Maroons came from behind for the second time with Jack Bond taking a handoff from Roy Kidd and running 31 yards for Eastern's third T. D. Oakley's attempted conversion went wide of the mark but it didn't matter much.

The Racers had sufficient time for one final try but through the determined efforts of Lambert, Mason and the remainder of the Maroon line, it all went for naught. Murray punted and Kidd ran out the clock with running plays, Eastern winning by the final score of 19-14, thus ending Murray's three-

## Bond Leads Maroon Scorers

Jack Bond, who tears up the turf just as he tears up the cinders in the 100 yard dash in 9 seconds plus a little, now leads the Eastern scoring. Scoring in every game up to today, Bond has to depend on his speed because what little built he has just about fills his uniform. One touch down behind Bond is that Kidd from Corbin, little Roy Kidd. Roy scored twice and pass once for a score.

## Eastern To Have First Cross Country Team

By Hugh Brooks

The Eastern Maroons, well established in most American inter-collegiate sports, and nationally known in some, will unveil the newest addition to their list of teams on October 16th. This new Maroon-clad unit is the cross country track team which will open its season against Georgetown or Berea on that date.

Coach Fred Darling and his assistant, Gordon Fleck are expecting great things from this team and look forward to a really good season.

The cross country event is a foot race of three miles and consist of seven members to a team. Many Eastern men are already working out daily. Among these are Paul Smith, Steve Massey, Glenn Morris, Charles Harris, Joe Osborne, Richard Fleck, Billy Rucker, and others whose names this reporter was not able to learn at press time.

Eastern's schedule is mostly tentative now, but definite dates will be announced later. You'll all want to watch for these dates and come out to the meets to witness another milestone in Eastern's great parade of sporting events.

### CORRECTION

In the mad rush trying to publish the first issue of the Progress on time we found ourselves thinking one thing and printing another. Last year's fine Basketball team was referred to several times as the N. I. T. team. Well Eastern never did make the N. I. T. but they did much better. The Big E did go to the N. C. A. A. tourney as an "it large" team from this section of the nation. A bigger honor for that great team. Sorry Mr. Brayer. . . .

All freshman interested in trying out for the basketball squad should come to the gym Tuesday night, Oct. 13 at 7:00 p. m. Please bring your own equipment.

### BIG DECISION

Nick: "What'll we do?"  
Gordon: "I'll spin a coin. If it's heads we'll go to the movies; if it's tails we'll go to the dance, if it stands on edge we'll study."

## Hockey Team Faces Four Game Schedule

By Bev Wilson

Tally Ho! Or rather should I use an American expression such as—Bingo? Either one should suffice when it comes to expression, because they sum up the situation in hockey pretty well, whether in England or right here in our own country.

You see the U. S. did not play this game until after the 1900's, and we thought of it until then a typical England sport. However thanks to Miss Constance Applebee it is known all over; in Colleges, high schools and private clubs. Played with skill and tactics it is one of the most stimulating activities that women engage in.

Getting to our immediate view, let us look to what our own school is doing. The W. R. A. (in short the Women's Recreation Association) has been organized to provide all students, of the female gender, an opportunity to further develop their interests and skill in sports, games or the particular activity of their interest. Therefore, we are presented with the season associated with the challenging game of hockey.

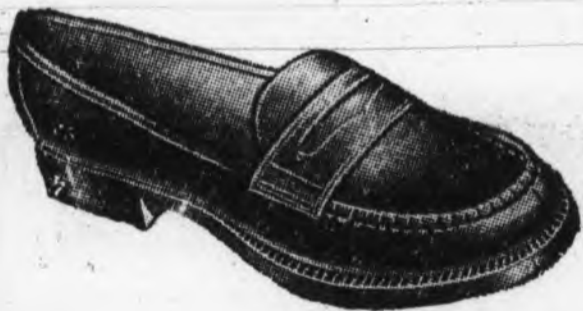

This year the W. R. A. will play four teams, two at home and two away. The competition lies in U.K., Ursuline, Cinn. U., and Berea. The girls are practicing every afternoon—Monday through Friday—so as to be ready for them. It looks easy, HUH? Well, have any of you ever tried to run an area 100 by 60 yards constantly, dribble, pass, tackle, bully and every other tactic involved without knowing the complications involved? If so you will understand, if not you cannot know.

The W. R. A. is an organization to be proud of, so support your team and back it up! For the women at Eastern who would like to join just come over any afternoon and be a part of our team. I speak for the whole club and we offer this opportunity to anyone interested.

The officers for this year are Beverly Wilson, President; Sandra Burton, Vice Pres.; Sandra Sharp, Secretary; and Dorothy Quisenberry Treasurers.

A sneak preview into next week's game shows the majorettes and band hopping around to the bunny hop at half-time. Sounds good!

# Tough One At Tennessee Tech Tomorrow

## Teams Clash For O.V.C. Lead

One of the two road blocks that stand between Eastern and an undefeated season is the good and always dangerous Golden Eagles of Tennessee Tech. The Maroons, with three big wins under their belts, seem to be improving with every game. In last weeks game at Murray many players stated that it was an off day for the Eastern squad and things just didn't go right. Well if coming from behind twice and winning in the closing minutes of the game is an off day, Eastern fans can well hope for alot of off days in the future.

T. P. I. were last year's co-champions of the O.V.C. and are noted for their fine running game but can and will be just as effective through the air. In our opinion T.P.I. will have to find another way to pick up yardage than through the Eastern's ground defense. Last year they had very little trouble in cutting up the Maroon's defense and ripping up long gains. One fellow in particular had him self a fine time, little Paul Satterfield, 170 pound fullback, was the spark in Tech's running game. But this year things are very much different and Eastern's defense just about bends under pressure and are at their best when their backs are to the wall.

For this big game Saturday Eastern will be at near full strength. There are no major injuries, but many of the players have little painful injuries that hampers their full playing potentialities. Three ends, Sonny White, Larry North and Bob Hatfield have leg injuries; Line men Karl Bays has a pulled back, Frank Nassida arm and hand bruises and Ox Oakley has an infected boil giving a great deal of trouble. Leading Scorer Jack Bond twisted his knee; Quarterbacks Roy Kidd and Bob Linderman both have shoulder injuries, Linderman is recovering but Kidd is still suffering; and Dick Lambert left part of his front tooth down at Muray.
