Vol. 39, No. 2

Governor To Deliver ROTC Cadet Corps Names Sponsors; Dedication Address Evelyn Craft Is Brigade Sponsor

Program Scheduled For 2:45 In Lab's Edwards Auditorium

Governor Bert Combs will deliver the address at dedication ceremonies of the \$2 million H. L. Donovan Building, Sunday at Eastern. The program will begin at 2:45 p.m. in the Edwards Auditorium, located in the new plant.

H. L. DONOVAN

This is the completed H. L. Donovan Building which is now housing 425 students, ranging from kindergarten through the twelfth grade.

The building is named in honor of Herman Lee Donovan, president emeritus of the University of Kentucky, who served as president of Eastern from 1925 until 1941.

Coeds Chosen; Officers Elected

The Cadet Corps of Eastern's R.O.T.C. Department began the year's activities at their first meeting by choosing Evelyn Craft and ten other coeds to be the company sponsors for the 1961-62 school year and electing company officers.

MILITARY ROYALTY—Col. Joe M. Sanders, Professor of Military Science, obligingly poses with newly elected sponsors of the ROTC Corps.

Eastern's Total Hits All Time High

The final unofficial enrollment total at Eastern Kentucky State College has risen to 4,193. This is an all-time high and it surpasses by 400 President Martin's estimate of 3,800 which was earlier predicted.

The plant contains 12 class rooms, two science rooms, a kindergarten room, two special observation rooms, study halls, laboratories, a music room, library, auditorium, cafeteria, gymnasium, faculty offices, and four college classrooms.

Postal Service Nears Completion

Plans to make dormitory accommodations more convenient were boosted this week by the announcement by Dr. Robert S. Synovitz that Keith Hall will soon have new post office boxes.

This figure does not include approximately 500 students enrolled in 13 off-campus extension centers located throughout central and eastern Kentucky. It also does not include the 425 students enrolled in Eastern's Model training school on campus.

CKEA Holds 32nd Session At Eastern

With "Better Schools for a Better Democracy" as the theme, the 32nd session of the Central Kentucky Education Association is being held on the campus of Eastern Kentucky State College, Dr. Morris Cleary, University of Kentucky, president of CKEA, presided at the first general session which began at 9:15 this morning in Brock Auditorium.

Seven Senior Cadets Receive ROTC Honors

The Military Science Department of Eastern has announced seven senior cadets of the ROTC program who are Distinguished Military Students. This is the highest honor a ROTC cadet can receive. This very coveted award is given on the basis of scholarship, leadership, aptitude, and military bearing and ability.

Eastern President, Robert R. Martin, welcomed the group to the campus. Tilton Stone, state director of the National Educational Association, and C. R. Hager, Nicholasville, K.E.A. President, gave reports of their respective organizations.

Eastern Orchestra Seeks New Members

The Eastern Symphony Orchestra extends an open invitation to any person who plays a string instrument to join the orchestra. Rehearsals are held every Tuesday and Thursday from 4 p.m. to 5:30 p.m. in the bandroom of the Music Building.

Hospital Campaign To Begin With Dinner

A campaign to raise \$500,000 north of Brockton on the Eastern Campus. If this location is approved, future hopes for a nursing curriculum at Eastern may become an immediate reality.

The Patten A. Clay Infirmary will be operated as a non-profit corporation under the laws of the commonwealth. Canvassing for the funds will be a major part of the fund raising campaign. All contributions will go toward construction only.

Nearly 2,000 delegates arrived on the Eastern campus early Thursday evening for registration at the Keen Johnson Student Union Building. A dinner for the delegates was held at 6 o'clock in the cafeteria, and a business session convened at 7 p.m.

Sectional meetings were scheduled to begin at 10:30 this morning. These groups will meet: classroom teachers, elementary principals, secondary principals, supervisors, pupil personnel, librarians, and TEPS (Teacher Educational and Professional Standards).

Dr. Roy Walters, Berea College, president-elect of CKEA, presided at the afternoon meeting, which began at 1:30, and Dr. L. G. Dertick, assistant executive secretary for Educational Services in the NEA, will be the principal speaker at the afternoon program.

Under graduation a Distinguished Military Student can be recommended to be a Distinguished Military Graduate by the Professor of Military Science. The President of the college must then approve this recommendation for it to be final. A DMG may then apply for a Regular Army Commission if he so desires. Otherwise he will be commissioned in the Army Reserve.

Dr. Cleary, president; Walters, president-elect; Mrs. Kenneth V. O'Neil, Lexington Public Schools, vice-president; and Hager, secretary-treasurer.

Among these conditions, the site of the hospital is most important. According to the provisions of the Act, the facility must be erected on a new site, away from any existing hospital or infirmary.

Trailers Moved To Area Near Brockton

Ralph Conlee, head of the Maintenance Department, has announced that twenty-two trailers have been moved from their old location on South Second Street to a new park across from Brockton.

Under the provisions of the Hill-Burton Act, the Federal Government will match the amount raised by Richmond and Madison County citizens, if certain conditions are met.

Several sites are being considered, including a location just

Eastern Profs Come To Light

Dr. Richard E. Jaggars, Associate Dean of Instruction for Graduate Study, at Eastern Kentucky State College, and Dr. Walter Crosby Ellis, of the American Council on Education, are co-authors of a Defense Department publication, "Teaching A Second Career."

Administration To Meet With Honorary Societies

The Collegiate Pentacle has made arrangements for a meeting of the college administration and the other three honorary societies, Omicron Alpha Kappa, and Omicron Alpha Kappa, to discuss how these organizations may be of greater service to Eastern. The meeting will be held at 7 p.m. next Tuesday, in the Blue Room.

Clifton A. Basye, Physics professor at Eastern participated in a conference on "Curricula for Undergraduate Majors in Physics" held at the University of Denver in August.

If you plan to suitcase next week, forget it. Over 2,000 high school musicians are coming to Eastern's campus. See Progress next week for more details.

Band Unveils 'Marching 99'

"The Marching 99"—This was the "New Look" unveiled by Eastern's band at the football opener Friday night. The biggest and best of Eastern's history, the 1961-62 band features 11 twirlers and majorettes.

Led by David Goodridge, drum major, the band performed an eleven-minute show entitled "An Adventure in Hi-Fi." Eighty-six playing members were highlighted by five high-stepping majorettes and six feature twirlers.

STRUT YOUR STUFF—Mr. Nicholas Koenigstein, seated, discusses formations with part of the "Big E" band's twirling team.

Majorettes are again a part of the band after a one-year lapse. This year's group consists of Jo Ann Conley, Paintsville; Shirley Combs, Whitesburg; Jackie Overly, Somerset; Glenda Holbrook, Louisiana; and Dora Shields, Richmond.

The band will play again at the Middle Tennessee game on October 7, which is Band Day. Three concerts are planned for the coming year. During basketball season the band will be split in half, alternatingly playing at all

WITH A TUG AND A PULL there suddenly became a new trailer park location for the Eastern trailer dwellers. Actively engaged in the activity of the day, moving 22 trailers at the expense of the school, this giant of the campus ways gently eased trailer into position near Brockton.

D. F. HAYRIDE TONIGHT

Campus Clubs Announce Activities

Melva Groot—Clubs Editor

Meetings of clubs on Eastern's campus have been cropping up almost faster than members can attend them. Elections are being held, plans for the year made, and homecoming discussed.

The Disciple Student Fellowship of the First Christian Church will sponsor a hayride tonight at 7 o'clock. Everyone interested should meet in front of the S.U.B. by 7 o'clock tonight. All college students are urged to attend.

DSF also sponsors noonday devotions once a week. The next devotional will be Oct. 3, at 12:40 p. m. in the Little Theatre. This month's subject is "How to Worship."

A Sunday night supper will also be held at the Christian Church at 6 o'clock, October 1.

A picnic in early October, a float in the homecoming parade and money making projects and elections were the leading orders of business at the Photo Club meeting September 21.

New officers elected at the meeting were: Charles Hensley, President; Lee Wright, Vice-pres-

The first meeting of Pi Omega Pi will be Tuesday, October 3, 6:30, room C in the administration building. Officers for Pi Omega Pi, honor fraternity for teachers of commerce, are: President, Hugh Bradford; Vice-president, Bob Becker; Secretary, Dotie Matthews; Treasurer, Barbara Sowders; and Publicity, Brenda Skelton. Mr. Alex McIlvaine is sponsor.

How to promote honor and scholarship among Eastern's students was the program topic of Omicron Alpha Kappa Honorary Society's meeting.

A service committee, Kenneth Kearns, Bill Blount, and John Baldwin, was appointed. Don Stivers will act as social committee chairman for the club, and Jim Showalter will serve as parliamentarian during the business meetings.

Homecoming was discussed but no plans were made.

Progress is not our most important product, it is our only product.

Among the projects that have been completed and are now in use for the large student body include more parking areas, a new steam distribution system, and a new lighting system on the campus.

CAMPUS CALENDAR

OCTOBER 2-7

MONDAY, OCTOBER 2 —
 7:00 p.m. P.A.C. Hospital Committees Cafeteria

TUESDAY, OCTOBER 3 —
 12:40 p.m. D.S.F. and Westminster Fellowship Little Theater
 4:30 p.m. Faculty Wives Tea Blanton House
 6:00 p.m. Milestone Staff Room 5, Admin. Bldg.
 6:30 p.m. Pi Omega Pi Room "C" Coates Admin.
 7:00 p.m. Collegiate Pentacle Blue Room

WEDNESDAY, OCTOBER 4 —
 5:00 p.m. Owens Room 202, S.U.B.
 6:00 p.m. Student N.E.A. Little Theater and Walnut Hall
 6:30 p.m. Collegiate Pentacle Room 201, S.U.B.

THURSDAY, OCTOBER 5 —
 12:40 p.m. D.S.F. and Westminster Fellowship Little Theater
 5:00 p.m. D.S.F. Blue Room
 6:00 p.m. Y.W.C.A. Room 103, S.U.B.
 8:00 p.m. O.A.K.S. Room 111, Science Hall

 7:00 Young Republicans Little Theater

FRIDAY, OCTOBER 6 —
 2:00 p.m. Football Game — Hangar Stadium
 Eastern and Middle Tennessee
 7:30 p.m. Senior Class Dance Recreation Room, S.U.B.
 Club officers are urged to report all meetings scheduled for their organization to Mrs. Helen Perry, Personnel Office. All meetings must be scheduled through that office.

Peace Corp Exams Set For Oct. 7

Peace Corps examinations, the third round of these tests, will be held October 7, 1961, at testing centers throughout the nation.

There are two types of the six hour examinations. One is for men and women who want to be considered for positions as secondary or college teachers. To qualify for this test one must have a bachelor's degree, but does not necessarily have to be an accredited teacher.

The second test is for all others who want to serve in the Peace Corps. Test results, background, special skills and character references are all considered in the evaluation of the applicant.

For the October tests, the Peace Corps hopes to attract a number of Americans in the agricultural and industrial fields because prospective host countries have requested workers in these areas.

Civil Service Commission testing centers in Kentucky are located in Bowling Green, in the main Post Office; in Frankfort, in the Federal Building; in Lexington, in Room 433 of the Federal Building; in Louisville, in the main Post Office; and in Richmond, in the main Post Office.

Persons interested in taking the October seventh examinations should see the person in charge of the Civil Service Commission testing centers on the morning of October seventh.

Here it is fellows. The Bold Stripe "Canadian" by Jantzen. This sweater is the first in the country for three straight years. You just can't beat a Jantzen on looks, and all. So come on down, let us show you this great sweater. We have all colors, and sizes. Also if you see Hugh Robbins or Fred Francis tell them to come on to work so that they will be here to show you the sweater when you get here.

P. U. B. To Give Performance In Hiram Brock Auditorium

The Pantomime University Band will give a performance in Hiram Brock Auditorium at 8 p.m., Friday, Oct. 6, under the auspices of the Richmond Rotary Club.

The local service club will use the proceeds for local charities and community projects.

The P.U. Band program consists of well known "pop" and humorous recordings, some featuring the band itself, most featuring individuals or groups from within the company.

One metropolitan movie and stage critic writing about the band says "True, record pantomimists are a dime a dozen—even good ones—but when 14 of the best and most polished get together and pantomime a full band, complete with leader, vocalists and novelty acts—that's something brand new in entertainment.

And here is the payoff: This unique company consists of seven Owensboro, Ky., business and professional men and their wives whose polished showmanlike performance is no less than astonishing, considering that they began their social group in the Settle Memorial Methodist Church in Owensboro. None of them has ever had professional training or experience in show business, and only two of them can actually play a musical instrument! The Pantomime University Band is a must-see for everyone—unqualifiedly recommended for sheer enjoyment value."

The musical group has made a howling success in the Big Time. Their first appearance at Coconut Grove, Miami, Fla., was such a success they were invited back for a return engagement. The band made its original appearance at a Methodist young adult meeting and found itself launched on the road to success.

The band members do their own costuming and make their own props, with the exception of the standard musical instruments. The band is in big demand throughout the state. Every member is an animation personified.

Rotarians and several youth groups are selling tickets and tickets may also be purchased at Bob's Men's Shop and at all local drug stores.

Students Enjoy Breakfast In Grill Now

The Grill in the Student Union Building has added temporarily a cafeteria style serving counter for students desiring a quick breakfast. The new breakfast counter has been open between 7:30 a.m. and 1:00 p.m. and has been offering a limited but attractive menu.

Donuts, sandwiches, cokes, coffee, and milk are available at a reasonable price. Convenience, availability, and speed are but three attractive features of the new unit soon to be removed in the expansion of the College Book Store.

One can hear nothing but praise from the students. Freshmen, tired of standing in lines, acclaim it as the greatest addition since co-eds. Instead of waiting indefinitely, students can now be served with a minimum of delay and effort during the early morning rush.

Scholarship Available For Pulaski Students

Pulaski County students are now able to compete for an annual scholarship to Eastern set up under the provisions in the will of the late Miss Mary Floyd, who served as librarian for 28 years at the college.

Five thousand dollars has been set aside to be deposited in a savings account, with the interest providing the annual scholarship.

A native of Pulaski County, Miss Floyd served at Eastern from 1929 until her retirement in 1957. She passed away October 16, 1960. A graduate of Eastern, the University of Chicago, and Columbia University, she was also associate professor of history at Eastern.

Eligible for the scholarship are only those students from Pulaski County.

Rules Expounded To Keith Residents

The men in Keith Hall were given the rules and regulations that were to be followed during the school year on Monday, September 25. Dr. Synovitz outlined these rules and commented on each one. No drinking in the dormitory, no gambling and no electrical appliances were some of the major rules that were discussed.

Following the discussion of the rules, Dr. Synovitz presented each room with an inventory list. The list was to be filled out by the residents of each room so that they could not be charged for any loss or damages at the end of the semester. In concluding the three-hour session, Dr. Synovitz stated that each boy should be considerate of those around him if Keith Hall is to become a desirable place to live and study.

Auto Stickers Proposed In City

May Affect Eastern Students

First reading of an ordinance which would make it mandatory for a tax sticker to be bought for each car and motor vehicle was passed on first reading before the city council Monday night.

The \$10 sticker would be required of Richmond residents who own vehicles and of non-resident owners who conduct businesses here or have occupations here. If the measure passes second reading at the Oct. 9 session of the council, it will go into effect on Jan. 1. A third of the \$10 would be charged until the next city license year begins on April 1. After that, the full payment would be required for a 12-month period.

The measure was proposed as a means of getting more revenue for the city which is currently in need of more money for operational expenses. Councilman Chester Laxon motioned that the ordinance be read and Councilman Tommy M. Smith seconded it.

Mayor Ed Wayman stated today the ordinance should not be introduced until next spring, thereby eliminating the expense of just collecting a fraction of the tax.

Cites Georgetown Case

Wayman, when asked if Eastern State College students would be required to buy car stickers, said he does not know the answer. He cited the Georgetown case in which a ruling on a similar situation is pending.

The vote was seven to three. (Councilmen Charles Terrill and Paul Minch were absent due to illness). Voting against the measure were Councilmen Willie Green, James Asbell and Preston Lanter. During the discussion, Terrill Green stated it was his opinion that the measure should not be adopted now as the expense of setting up the machinery for collection of the sticker tax would be too great. He proposed that the council which will take office in December should act on the matter if it deems the sticker tax necessary. Asbell was in agreement with Green.

Smith showed his approval for the ordinance by stating that money is badly needed immediately to develop Waller Drive for the benefit of children attending Bellevue School. This street would eliminate much use of heavily traveled West Main Street by the students.

The council gave approval to first reading of an ordinance which would annex a large section of the Eastern State College campus. This area contains a number of new buildings and a married students' housing development.

Women Sports Special

By Sheila Glibreath
Another year, another class, and for those gallant few women, another hockey season.
For as long as I can remember, the sight of shin guards and red penny clad girls with monstrous sticks in their hands has left a vivid impression on several of the football players.
Field hockey is thought to be one of the oldest games played today. Hockey sticks appeared in the early Greek art and Egyptian hieroglyphics.
Field hockey was brought to the United States in 1901 by Constance Applebee, an Englishwoman. I believe that it was only four years ago that Miss Applebee and a team of touring field hockey players visited our campus. They said it was a sight to see those

gray-haired elderly women racing up and down the field at a tremendous pace. She used that ugly hooked stick as if it were a fine instrument for weaving.
Field hockey is mainly a woman's sport, and if someone's feeling brave and fat and needs a delightful, constructive, creative pastime, why doesn't she come over and join the Women's Recreation Association. They've got a little bit of Constance Applebee for everyone!
Ed. Note: The WRA begins practice this Monday from 4 o'clock to 5 o'clock and will be held Monday through Thursday for the remainder of the year.

IN PERFECT FORM! Pert and pretty, these six coeds will catch the glances while the "Marching Maroons" play. Majorettes from front to rear: Dora Shields, Richmond; Jo Ann Conley, Paintsville; Glenda Holbrook, Louisa; Shirley Ruth Combs, Whitesburg; Jackie Ann Overly, Somerset; and Joyee Olexio, the featured twirler from Dayton, Ohio.

P. R. Rifle Team Boasts Potential

Four returning lettermen make the picture look bright for Eastern's Pershing Rifle team as the P.R.'s face another season of shooting.
The P.R.'s last year copped first place in the First Regimental Postal Matches, second in the National Postal Matches, and first in the shoulder-to-shoulder matches at the Regiment Drill Meet at Columbus, Ohio.
The returning lettermen are: Bobby Cornett, Wade Evan, Neil Ray and Don Estes. These four will provide the foundation for this year's rifle team.
New coach, William Loveall, said that his firers have their sights set on the National P. R. Championship.
He issued a call for all freshmen interested in trying out to contact him at the Pershing Rifle House.

AN OPEN INVITATION

Freshmen are invited to join the "Progress" staff. Attend the staff meeting Monday, 4 p.m., in the "Progress" office, Administration Building.

S. S. University Offers 122 Day Tour Of Globe

The University of the Seven Seas, a new concept in education, is being readied for its first round-the-world voyage, and will depart from an East Coast port in October of 1962 with 500 students and thirty-five faculty members.
The brainchild of William T. Hughes, California industrialist, the University was originally sponsored by the Rotary Club of Whittier, California. Since then it has become a not-for-profit corporation devoted to education and chartered in the state of California.
Home of the University will be the S. S. Jerusalem, of the Zim-Israeli Company, a recently constructed ship with comfortable accommodations, ample space for classrooms and study areas, plus the elimination of roll make the ship an ideal educational headquarters.
The first semester trip, October 1962, will be from an East Coast port around the world to a West Coast port. It will include stops in many countries including: Liberia, Ghana, Nigeria, Union of South Africa, Japan, Hawaii, and, finally a port on the West Coast of the United States. Here the students will leave the floating campus and return to their various colleges and universities throughout the world.
At the end of each semester, the work of the student body will be evaluated by an impartial committee of educators selected from the faculty of colleges and universities throughout the United States and Canada.
Competition for admission to the University of the Seven Seas will be keen. Each applicant, therefore, will be carefully screened, and will be expected to have high academic standings, and to demonstrate seriousness of purpose, good character, and reasonably mature conduct.
Cost of the one semester trip, lasting 122 days, will range from \$2,500.00 to \$3,500.00, depending on the kind of accommodations selected. This includes room, board, and tuition, as well as all trips arranged in foreign ports by the faculty.
Further information and application blanks may be obtained by writing to Dr. E. Ray Nicholas, Jr., Executive Director, University of the Seven Seas, P. O. Box 71, Whittier, California.

NEWBERRY'S—Downtown Richmond

Welcome ROTC

A warm, sincere WELCOME is extended to all Eastern Students enrolled in the R.O.T.C. program. We are happy to see our "old" cadets back on campus. I am sure they join with me in welcoming our "new" cadets.

Although the primary purpose of the Army ROTC program at Eastern is to produce commissioned officers for the United States Army Reserve and the Regular Army, the course of study is designed to prepare young collegians morally for aims of peace as well as for duties as officers in the defense forces of our nation in time of emergency. The development of character, leadership, good citizenship, co-operation with others, and respect for lawfully or properly constituted authority are necessary in personal and civil life as well as in the military profession. These personal attributes are essential in our present struggle against the foes of democracy and freedom.

We, the Active Army members of the Military Science Department of Eastern, welcome you as Eastern students and ROTC cadets. We are pleased to have the opportunity to contribute to your college life and personal development. We are fully confident that our program will be of benefit to you in your preparation for your profession or future employment, whatever it may be.

Again, WELCOME! Let's become friends.

Joe M. Sanders
 Colonel, Infantry
 Professor of Military Science

Donovan Lab School Faculty Increased To 26 This Year

Eastern Kentucky State College's Model Laboratory School, now housed in the new \$2 million Donovan Building, consists of 22 full-time persons and four part-time instructors. Kindergarten through the twelfth grade are housed in the new plant.

New grades added this year for the first time are an additional first grade and two classes of kindergarten. The kindergarten program at the school is the only such program offered by a college-sponsored laboratory school in the state. Each of the two kindergarten classes will consist of twenty students.

The elementary faculty will include: Mrs. Mabel W. Jennings and Mrs. Anna K. Kadir, first grade; Miss Virginia F. Story, second grade; Miss Janet L. Breeze, third grade; Mrs. Alene K. Carroll, fourth grade; Mrs. Mamie W. Scott, fifth grade; Miss Annie Alvis, sixth grade; and Miss Lynell Bristler, kindergarten.

Secondary teachers will be: Arthur L. Wickersham, mathematics; Miss Alma Regenstein, home economics; Miss Ruby Rush, Latin; Jack E. Creech, social studies; Mrs. Norma T. Robinson, English and social studies; Harold Rigby, instrumental music; Mrs. Willa F. Harmon, English; Mrs. Thelma V. Whitlock, science; and Miss Mary Katherine Ingles, French and Spanish.

Other full-time members of the faculty include Mrs. Louise B. Lyons, librarian; Miss Jane Trinkle, vocal music; and Jack A. Lawson, guidance counselor.

Dixon A. Barr is director of the school, a new position. Previously, both the elementary and secondary laboratory schools had individual directors.

Part-time teachers at the new plant will include Edsel R. Mountz, commerce; J. Homer Davis and Willard E. Swinford, industrial arts; and Dwight Dean Gatwood, art. These teachers are regular members of the Eastern faculty.

A full-time secretary for the Model School will be Mrs. Faye Davis Adams.

Approximately 425 students will be enrolled at the school this year.

Peace Corps Projects Centered in Vermont

The first of two Peace Corps projects for Pakistan entered the training stage August 21 at the headquarters of The Experiment in International Living in Putney, Vermont.

The project—in East Pakistan—calls for 30 specialized men and women in the fields of irrigation, farm production, town planning, medicine, sanitation, engineering, carpentry, bricklaying, youth work, university teaching, library administration, and communication.

A second project—for West Pakistan—is expected to be announced soon.

Both developed as a result of conversations in early May between President Ayub Khan of Pakistan and Sargent Shriver, Director of the Peace Corps.

In Pakistan, each volunteer will spend approximately three weeks living with a Pakistani family and will also receive additional instruction in the Bengali language at the Pakistan Academy for Village Development in Comilla.

In December, the volunteers will move on to their assignments, for which they will be split up among five communities: Dacca, Comilla, Mirpur, Rajshahi, and Thakurgaon.

In Pakistan a great increase in technical skills and industrial development is needed for the country's current requirements. The greatest amount of improvement could probably be made by wider and more efficient use of irrigation water, fertilizers, and insect control, and by modernization of processing, storage, and marketing facilities.

Milestone Offers Campus Groups Added Space

Selling pages in the Milestone to campus organizations was the order of business at a meeting of organization presidents Sept. 19, 1961.

Options for pages in the book are:

1. Full pages shall be sold to organizations for \$30.00. The maximum number of pages to be sold to one organization shall not exceed one. An organization must have at least twenty members before it will be permitted to purchase a full page.
2. One half page shall be sold for \$20.00. An organization must have fifteen members or more before it shall be permitted to purchase one half page.
3. One third page shall be sold for \$15.00. An organization with fifteen members or less will be permitted to purchase one third page.

Organizations having less than fifteen members who do not have the money to pay will be placed in the organization section, but we cannot guarantee the size of the picture and the attractive layout that will be given those who purchase space in the Milestone.

The policy of selling pages to organizations is new at Eastern; therefore, the advisor and editors of the Milestone decided that the price per page could be lowered to less than actual cost. It is understood, however, that this is merely an introductory offer.

If selling pages to organizations does not raise enough money to financially support the Milestone, there will be two alternatives: (1) to raise the price of the Milestone accordingly with prices at other colleges and universities, or, (2) to raise the price of the pages in the organization section.

Sponsors Chosen
 (Continued from Page 1)

Company Queeny, the new company advisor, was introduced to the cadets.

The R.O.T.C. program at Eastern was expanded this year with 2 years of Military Science being required. Nearly one-third of the student body is in some way connected with R.O.T.C. and its operation.

New Faculty Added For Fall Semester

Joining the faculty and administrative staff of Eastern Kentucky State college are 31 teachers and 2 administrators. This does not include the new faculty at the laboratory school or added staff members in the military science department.

The new teachers and administrators are: Mrs. Almee Alexander, English; Dr. Charles Ambrose, Ed; Dr. Margaret Ankeney, Ed; Mr. William H. Berge, History; Mr. John W. Cooke, History; Mr. David R. Counts, History; Mr. Owen James Cullivan, P. Ed.; Mr. Ben Fiers, Jr., Math; Mr. Gus L. Franklin, III, Math; Mr. Paul E. Frazier, English; Mr. Richard Dale Givens, Anthropology.

Mr. Clarence D. Harmon, Dir. Alumni Affairs; Mr. Thomas A. Hutto, Biology; Miss Mary K. Ingels, Fr., Span., Lab. Sch.; Mr. Paul F. Janz, English; Dr. Sanford L. Jones, Biology; Mr. John W. Leeson, English; Mr. Bruce McWhorter, English; Mr. Gerald W. Miller, Art; Dr. Frederic D. Ogden, Head, Fol. Sci.; Dr. Clyde L. Orr, Assoc. Dean, Grad. Studies; Mr. Bennie A. Padilla, Spanish; Miss Carolyn Schottland, Biology; Mr. Daniel Shindebower, Art.

Dr. William Snedegar, Physics; Mr. Alan Staples, Music; Mr. Jess R. White, Hlth. & P. Ed.; Mr. John L. Wilson, Commerce; Mr. Carl N. Woods, Soc. Sci.; Mrs. Mary C. Yundt, Lib. Sci.; Mr. Charles Pack, Cafe, Dir.; Mrs. Mary B. Hill, Supervisor.

Class Meeting Yields Elections, New Plans

Elections and announcements were the order of business at the sophomore class meeting last Wednesday afternoon. Student Council representatives and a candidate for Homecoming Queen were chosen.

Student Council representatives are Beverly Skaggs, Mildred Taylor, Ron Elliott, Bob Sellars, and Bobby Lugh. Following this election, Connie Mullins was chosen to represent the freshman class as their candidate for Homecoming Queen.

Other business included the appointment of George Procter as head of the Float Committee and the class dues were set at \$1.

Eastern's junior class held its second meeting of the fall semester on Wednesday at which five students were chosen for Student Council Representatives. Those elected were Betty Gorley, Gladys Woods, Joyce McKechnie, Steve Kibler, and Ray Scarton.

Jeanne Gayle Sanders was chosen to represent the class as its candidate for Homecoming Queen.

President Don Shear urged all juniors to help in the preparations for homecoming, for a variety show that is planned, and for the prom which is to be held later.

The next junior class meeting will be held on Wednesday, October 4th, at 5:30 p.m.

Discussion Group Plans Meeting

The Eastern Student Discussion Group will hold its first meeting of the year in the Little Theatre at 7 p.m. next Wednesday. All interested persons are cordially invited to attend.

The purpose of this organization is to stimulate interest in and to encourage students to become better informed on public issues and to increase independent thinking, develop objective attitudes, and to encourage participation in the democratic process.

An Eastern student who demonstrates a genuine interest in and willingness to work for these objectives is eligible for membership. An interesting year of programs is being planned.
