CKEA Conference Underway Today

The Honorable Terry Sanford, former governor of North Carolina, is the featured speaker at the 36th annual meeting of the Central Kentucky Education Association which is convening here today.

More than 4,000 Central Kentucky teachers and school administrators are expected to attend the meeting.

The first general session, held in Alumni Coliseum, opened at 9:30 a.m. It was

highlighted by greetings from Eastern by President Martin, from the National Education Association by T. K. Stone, superintendent of Elizabethtown City Schools, and from the Kentucky Education Association by Dr. Richard Van Hoose, president of K.E.A.

Sectional meetings followed (10:15-12), with the assembly dividing into 27 KEA groupings of administration and academic fields.

Sanford addresses the second general session in Alumni Coliseum. A contributor to public education while governor of North Carolina, he is presently a member of the Ford Foundation's program for educational improvement.

Also highlighting the afternoon session was the introduction of the officers-elect, Mrs. Verna A. Mason, Stamping Ground, assumes her duties as President at the close of the day's events.

President CKEA officers included H. Douglas House, superintendent of Madison County Schools, president; Mrs. Leslie Kitchen, Fayette County Schools; vice-president, C. R. Hager, Nicholasville; secretary-treasurer, Mr. Frances Doyle, Paris; K.E.A. planning board, and Mrs. Sara Thomas, North Middletown, K.E.A. director.

College Thanks Local Residents

Monday, President Martin issued a statement of appreciation to the townspeople of Richmond for cooperation in providing rooms for the overflow of students enrolled at Eastern.

The city responded to an appeal made by the college about a month ago by providing rooms for 257 students.

There were some other rooms listed with the Office of Student Affairs, according to Dr. Henry Martin, dean of students, but these were, for the most part, too distant from the campus. Students were given the privilege of selecting their rooms off campus.

President Martin stated, "We are extremely pleased that the people of Richmond were so generous in their support in helping us meet a very critical housing shortage."

"We sincerely appreciate the cooperative attitude of the people and express our gratitude for their help."

Additional beds have been moved into campus dormitories to house more than 5,200 students. Eastern's existing dorms were designed to accommodate 3,770.

President Martin said, "It is a strain on the college, but we felt that it was better to admit our young people who were eligible for admission even though it over-taxed our facilities, than to turn them away."

"You know, we have worked hard to strengthen public education in Kentucky. And, we certainly could not strengthen it by closing the doors on our future leaders."

Campus Movie Featured Nightly

It was announced this week that starting next week there will be a campus movie in Brock Auditorium every night of the week, except Saturday and Sunday.

A different movie will be presented each evening, with the show starting at 7:30. Admission will be 50c.

Board Of Regents Member Thomas McGregor Dies

Thomas B. McGregor, a member of Eastern's Board of Regents, died last Friday, September 17, at Frankfort after two years of illness. He was 84 years old.

McGregor was a former attorney, general and a member of the Public Service Commission of Kentucky.

A Republican, he served the state in many other positions

THOMAS B. MCGREGOR

of importance in his lifetime. He was a member of the State Board of Bar Examiners and was President of that association for several years.

McGregor was attorney for the Capital Building and Loan Association, served on its board of directors and later served as its president.

For two years he served as circuit judge of the Franklin-Scott-Bourbon-Woodford district.

Judge McGregor also served a number of years as Assistant Attorney General before becoming Attorney General.

Officials Pay Tribute Governor Edward Breathitt, Eastern President Robert E. Martin, and the General Assembly paid tribute to the late statesman.

The Senate and House alike adopted resolutions praising McGregor.

President Martin said: "We, at Eastern, are saddened by the passing of a great Kentuckian, a valued member of our Board of Regents as well as a loyal friend. Judge McGregor has served his profession and his state well in many capacities. His life was an inspiration."

McGregor Hall, the newest of the women's dormitories was named for the late Board of Regents member.

Five Years Early

Miss Susan Irish, a junior, from Louisville was the 6,000th student to register, five years earlier than many thought Eastern would have over 6,000 students. At her

right is Mr. J. C. Powell, Assistant to the President and Dr. Charles Ambrose, Registrar to her left.

Little Theatre Slates 'Look Homeward Angel'

Eastern Little Theatre will present its first production of the 1965-66 school year "Look Homeward Angel," November 15-20 at 8 p.m. in the Pearl Buchanan Theatre. The play, adapted from Thomas Wolfe's novel of the same name, concentrates on the last third of the novel, Ketti Frings, the author, has taken the essence of Wolfe's work and artfully translated it into the exacting medium of the stage. As a play, "Look Homeward Angel" has won the New York Critics' Award and the Pulitzer Prize.

Miss Frings recreates the family of Eugene Gant (Wolfe himself). There is Eliza, Eugene's mother, obsessed by her material holdings, raising her own barriers against the love of her family; W. O. Gant, the father and stonecutter imprisoned by his failures; Ben, the brother who never broke away. And the others are there: Helen, the sister and her husband, Hugh; Luke, the sailor; Eliza's brother Will; Dr. Maguire, and the numerous boarders who live at the Dixie-land Boarding House.

At tryouts held Wednesday

and Thursday evenings, the following cast was selected: Eugene — Al Allison, senior from Harrodsburg; Eliza — Suzanne Ankrum, sophomore from Mt. Sterling; Ben — Ron Stutzer, freshman from Big Stone Gap, W.Va.; W. O. Gant — Larry Measle, sophomore, Lexington; Mrs. Pert — Linda Mounts, freshman from Lexington; Helen — Connie May, sophomore from Charleston, W.Va.; Hugh — Gary May, senior from Bardonia.

Laura James — Judy Lawler, freshman from West Union, Ohio; Luke — Gordon Jennings, sophomore from Covington; Jake Clatt — Randy Nolte, freshman from Covington; Florry Mangle — Susan Couch, freshman from Covington; Miss Brown — Bonnie Goodpaster, sophomore from Mt. Sterling; Will — Frank Simmons, freshman from Cincinnati; Dr. Maguire — Alan Aubry, freshman from Cincinnati, Ohio; Madame Elizabeth — Candy

Fawcett, senior from Lewisburg, W.Va.; Mrs. Clatt — Lana Kress, freshman from Lexington; Mrs. Snowden — Sandra Schneider, freshman from Cincinnati, Ohio.

The production will be directed by Joe M. Johnson, Assistant Director is John Curran. David Bond will serve as Technical Director and Stage Manager.

Study Areas Reserved In Combs Building

Dean Smith Park has announced that there will be fifteen air-conditioned rooms available on the second floor of Combs Classroom Building to accommodate all students desiring a quiet place to study.

The following rooms have been reserved as study areas: 206, 207, 208, 213, 216, 217, 218, 221, 222, 223, 224, 225, 226, 227, 228. There is also limited study space provided on the first floor where the Reference and Periodical Rooms are located.

Beginning this Sunday evening these rooms will be open every night Sunday through Thursday inclusively from 7:00 p.m.-10:00 p.m. Dean Park indicated that if it became necessary, more could be added and the three period extended.

Each room will have a student monitor on duty to see rules of courtesy and quietness are observed. A set of rules designed ideally suited for work will be to help make these areas more posted in each of the rooms. All students using these facilities will be expected to become acquainted with the rules and to honor them. Paramount on the list, according to Dean Parks, will be request that students do not smoke, that everyone refrain from disturbing and or continued conversation, and that displays of affection be curtailed completely. The purpose is to provide an environment in which students can study without distractions.

Dean Park, in urging students to cooperate in this project, asks students to "conduct yourself in a way so that you will not interfere with anyone trying to study. The college has assumed an added expense of approximately \$200 per week to provide this service. Students are encouraged to use these facilities to their best advantage and remain patient until better conditions become available.

Majorettes Set Pace For Band

Two freshmen majorettes join the five from last year, Mary Ann Sanders, a native of Virginia, and Sharon Collins, from Wheelwright, were selected Tuesday night. The other five twirlers are: Wanda Masters, a junior from Richmond, who is the head majorette; Mary Jo Hall, a sophomore from Fairborn, Ohio who is the former National Twirling Champion and is the majorettes' featured twirler; Shirley Bryan, a senior from Grant County; Judy Abner, a junior from Richmond, and Sue Moores, a junior from Lexington. The majorettes entertain the fans at half-time at the football games and participate in most of the parades with the band.

\$54,000 Organ Ready For Music Conference

The new Baroque-style organ, being installed in Hiram Brock Auditorium, costing approximately \$54,000 is expected to be operational for its dedication at the Annual Church Music Conference to be held here October 23.

The instrument, which is the first of its kind in Kentucky and this area, will have 40-ranks of pipes, which is equivalent to 2,053 pipes. The largest pipe is 18 feet and the smallest 1 inch in length. Sections of the organ were set up in Cleveland at the manufacturing plant and shipped here ready to assemble.

Custom Built This is a custom-built organ especially made for Brock Auditorium according to its space, size, and for the needs of Eastern.

In voicing the organ, the technicians will recapture the organ of the past or the Baroque organ which it is, although having a contemporary design.

The instrument will be used primarily for teaching purposes besides for performances that will be featured here.

Mrs. Lancaster Comments Mrs. Nancy Lancaster, instructor of Music and College organist, commented concerning the organ. "Such a fine addition to our school and music studies here that I think people will be more interested in hearing it and I have high expectations of playing it."

A great deal of research was done for such an instrument for the school since such an organ must be custom made for its surroundings and its purpose. Plans began for the organ in 1963 and the contract for the organ was signed last

year. Holt Kamp Organ, Cleveland, is the designer and builder.

The Department of Music is planning to dedicate this instrument during the Annual Church Music Conference which meets here October 23.

Four New Cheerleaders Join Squad

New voices will be heard leading the cheers at the football game Saturday. Cheerleading tryouts were held at Hanger Stadium Wednesday night. Paula Fitzgerald and Peggy Mannen, freshman; Jerry Feddersen and Ann Miller, sophomores were the winning contestants.

There were 52 girls who attended the practice cheerleading sessions. Wednesday participants were limited to the top 38 girls of whom more than half were freshman. Elen Schular, a sophomore contestant said, "The competition was stiff but the spirit shown by all of the girls was really marvelous."

Judges of the event were Mr. K. Idd, Mr. Jim Baechold, Miss Dorothy Kirkpatrick, Miss Pat Allison, and the sponsors of KYMA Club.

"The regular cheerleaders and colonels will cheer along with the new cheerleaders at tomorrow afternoon's game," spoke Dianne Hendricks, the captain of the cheerleaders.

Previous Records Shattered As Enrollment Pushes 7,000

An unprecedented high in enrollment is slowly pushing toward 7,000 with two days of late registration to go. Yesterday's registrants brought the figure to 6,853.

This year's enrollment represents an increase of 24.9 percent over last year's enrollment.

Total enrollment last year was 5,433. That record has been greatly shattered. It is estimated that the Freshman Class alone will total over 3,000.

Dean Ambrose gave some comments concerning this year's registration. He said, "In my opinion this was one of the easiest registrations we've had. There were fewer questions, and more attention was paid to those students who had real problems."

He gave most credit to the Student Council, student workers, and the faculty members.

An asset to registrations was the Student Council information booths, one of which was located in the registration area, and the other outside. These booths gave directions,

assisted Dean Ambrose in answering questions, and helped new and transfer students find their way around.

The ROTC boys were also mentioned as assets. Another point made by Dean Ambrose was one of high praise for the quick adjustment of the student body and the faculty to the new class scheduling, and the breaking of the college into academic schools. He stated that he was proud of the way the student body and the faculty organized themselves and used the services of the deans of each school.

Dean Ambrose was prepared for the advance of confusion to be caused by the new scheduling arrangement. He prepared an "army" which included the deans of each school. But the confused souls were relatively few. Dean Ambrose had far more "brass" than was needed.

Also enrolling through Monday will be those interested in the W. F. O'Donnell Adult Education program. This program has proved to be popular with the senior citizens in the various offerings it has for senior citizens.

Three new courses — Home Landscaping, Creative Pattern Design, and Basic College Algebra — have been added to the Fall adult education schedule at Eastern. It was announced by Dr. Smith Park, dean of academic affairs.

Students may enroll for the courses through next Monday at the Coates Administration Building. Fees are \$7.50 per semester hour and a classroom fee of \$2.50 will also be charged.

Registration will also be held the first night the class meets, September 28.

Agriculture 262, Home Landscaping, is a one-hour course offered from 6:30 to 7:30 p.m., Tuesdays in the Fitzpatrick Arts Building.

The course is designed to teach the basic concepts of landscaping the home. The student will use a working sketch of his own house and lot and learn selection and placement of trees, shrubs and flower plantings.

Considerable attention will be given to planning the formal, informal, and service areas of the home, proportion and aesthetic values of the landscaping plan, ease of care and maintaining new plantings, and cost factors related to landscaping.

It will be taught by Dr. William A. Householder, chairman of the Department of Agriculture.

Creative Pattern Design is Home Economics 312, a two-hour course carrying undergraduate or graduate credit. Class meets at 6 p.m. Tuesdays in the Fitzpatrick Building.

The course presents principles of pattern-making based on flat pattern methods and includes studio projects. It is designed to develop versatility in the use of commercial patterns and skill in fittings.

The college algebra course, Mathematics 107, carries three hours credit. It is a comprehensive review of high school algebra. Classes will be held at 6:30 p.m. Tuesdays and Thursdays.

All three courses may be taken for college credit or may be audited without credit.

Milestone Snags All-American Honor

Eastern's 1965 Milestone has been awarded the coveted All-American honor rating by the Associated Collegiate Press, it was announced this week.

It was the second top national rating given to the yearbook this year. Last week, the National School Yearbook Association announced it had awarded the highly-decorated Milestone a second consecutive A-plus honor rating.

Last year, the Eastern annual was one of only four books in the nation to receive the honor.

Clean Sweep The "All-American" rating marked completion of a clean sweep by the Milestone, which has received the top honor from each of the three national associations.

The critique of the A.C.P., whose headquarters are at the University of Minnesota School of Journalism, stated:

"Congratulations upon the production of a bright, lively, beautiful book. The '65 Milestone reflects careful and imaginative planning as well as excellent editing. It is sound and solid in fundamentals. "It also has a generous dose of the extras that make the difference between excellence and superiority."

The judges also praised the

photography, giving special credit to 24 pages of color photographs.

"The opening pages are beautifully handled — good copy with beautiful pictures," the critique continued. "Color photos are splendid, well chosen, beautifully clear... excellent in quality."

And the student life section was called "an unusually well-planned and executed section."

Editor of the 408-page Milestone was Francis Jay Roberts, son of Mr. and Mrs. Francis Roberts, Richmond, and presently a graduate student at the University of California at Davis.

Associate editor was Miss Karen Manion, daughter of Mr. and Mrs. William K. Manion, Louisville. Michael Coers, son of Mrs. Vernice Coers, Covington, was photographic editor.

Remarkable Success President Martin called the success of Eastern's student publications "remarkable."

He said, "It's a real tribute to our college and the caliber of students who have earned such a reputation for the student publications."

"Throughout Kentucky, when people think of journalistic excellence, they immediately think of the Milestone and the Eastern Progress."

Eastern's student publications have received 22 high national awards in the past four years.

Senator Named New Regent

Governor Edward T. Breathitt has appointed state Sen. Durham Howard, Rep., Pineville, as a member of the Eastern Board of Regents.

Howard's term expires March 31, 1969. He succeeds the late Thomas B. McGregor. Howard attended Eastern and Union College.

He served in the 1960, 1962 and 1964 State Senate and was a member of the House in 1948, 1950, 1956 and 1958.

Howard was minority leader in the House in 1950 and minority leader in the Senate in 1962. He is executive vice-president and manager of the First Federal Savings and Loan Association of Pineville.

The Attorney General's office said the two offices are not incompatible, and Howard would not vacate his seat in the legislature by also serving on the Board of Regents here.

New Cheerleaders Chosen

Eastern students will hear four new cheerleaders making their first appearance when Eastern meets Marshall tomorrow.

The new cheerleaders elected are from left: Paula Fitzgerald, Jerry Feddersen, Ann Miller, and Peggy Mannen.

Stoplight Needed

Corner Proves Dangerous, Exasperating

FOR THE PAST SEVERAL YEARS the intersection of Crabbe Street and Lancaster Avenue has proved to be a dangerous and often exasperating situation for both the College Community and the townspeople. During the lunch hour and late afternoons it is quite difficult for traffic on Crabbe Street to enter Lancaster Avenue

with the continuous stream of traffic going through.

Visibility at this intersection is also difficult because of the curvature of Lancaster Avenue, not to mention the parking of commuters automobiles which must of necessity be in this area.

The traffic situation at this intersection also makes it difficult for pedestrians who must cross these streets to get to and from campus.

These people have often been forced to wait as much as ten minutes for a break in traffic so that they might cross safely. Other more hardy students who have no qualms about "tripping trucks" proceed to cross when they arrive at the intersection thus endangering their lives as well as creating an additional traffic hazard to an already difficult situation.

As the problem now stands, it can only grow worse with the increasing numbers of students and the growing population of Richmond. Although the College has tried to get a stop light at this corner nothing has been done.

The only way for traffic to proceed from Second Street is through Crabbe Street. Due to the necessity of parking spaces and the close setting of several buildings to the drive, it is impractical to attempt to widen University Drive to accommodate two-way traffic.

We suggest that a traffic light be installed at this intersection. If traffic signals were in operation only during the lunch period and late afternoons the traffic and pedestrian problem could be greatly alleviated.

Doug Anglin

'A CAMPUS HAZARD!'

Time To Start

Success Through Planning

LAST WEEK THE EDITORS of the Progress pledged themselves to uphold the traditions of the newspaper based upon the foundation of excellence, bipartisanship, accuracy, journalistic freedom, and responsibility.

The student body might benefit by adopting slightly modified versions of these same principles and pledging themselves to the success of their college career.

The time to begin studying and preparing is now — in the beginning of the semester — not waiting until the week before finals. Knowledge is acquired by building upon a foundation, not by cramming everything into the last possible moments.

Excellence in class work cannot be attained by cutting classes, shirking assignments, or cramming for tests. It is a recognized fact that in college assignments sometime pile up to a point that it is difficult to do an effective job at all. But if class participation not only orally in class, but also through day by day preparation, is met many of these problems can be avoided.

Careful attention must be paid to assignments and testing instructions for accuracy to prevail.

Every student has the responsibility to do his best, but this responsibility is greatest to himself. He must live and communicate. His future rests upon what he does with his opportunity to succeed.

The freshmen are usually the students who misjudge their opportunity. Part of it is through no fault of their own, but a matter of adjusting to academic life away from home and parental controls. But the blame cannot be placed entirely upon adjustment problems.

Despite the many cries of too many restrictions placed upon students, Eastern allows more freedom to its students than many of them receive at home. These freedoms were not designed to be abused; they are privileges. Taken too lightly, these freedoms can and do result in academic probation.

The goal then, should be success, and the time to begin working toward the goal is now if it is to be attained.

Provides Varied Life

Friends, Memories, Fun Make Dorms An Institution

(Editor's Note: The following feature written by Miss Susan Usack, was selected from College Chips Magazine, of September 10, 1965. College Chips is a bi-monthly publication of Luther College, Decorah, Iowa.)

By SUSAN USACK
College Chips Magazine

A college is a composite of varied, assorted components. Some are more important than others, some more beneficial, some inspirational. But for com-

panionship, cherished memories, fun, learning, and just plain living, nothing is more a college institution than dorm life.

The dorm achieves the magical transformation from a solemn, studious student to a noisy jam session of a rollicking wrestling match. The dorm, where hearts are eased, fires are quenched, where life-long friends are acquired, where some of the fondest college recollections are formulated, is a robust world of dripping nylons on the radiator, empty coke bottles under the desk, brush rollers upon the closet floor and pants pressed beneath the mattress.

Den of Pests

The dorm, a den of pests, a haven of heat and shelter, a stimulating atmosphere of intellectual discussions, is home nine months of the year—a home where heat, dirty laundry, weekend poker games, lights out, multiple brood mothers and needle sharp showers abound.

The dorm is a home with such cherished traditions as serenading, corridor meetings, ten o'clock Monday nights, dorian sleep-overs and mushrush watching.

Suggestions have been forwarded to the administration that the dorms be razed and rustic cabins installed in their place giving students a daily, living experience with their heritage and a nature-filled existence. But dorms bring nature inside. All her benefits are amply displayed such as silver fish lurking in dismal dresser drawers, the buzzing wasp that invades south side Larson every fall, skateboarding in the halls, frigid winter blasts that make the outward walls and windows disappear and the numerous birds, mice, rabbits, dogs, cats and other animals that are sneaked in yearly.

Where else but in a dorm can a water-fight on second seep down through walls and ceiling and showed down upon

the switchboard one floor below? Where else but in a dorm could coeds use a fire escape as a means for drying wash, shaking out rugs and cast mops, and testing the weather and tanning the epidermis?

Where else but in a dorm can a revival of Noah's flood be activated through a broken washer in a basement laundry room? Where else but in a dorm can all edible materials be annihilated under the ravished attack of hungry students? Where else but in a dorm can sorrows be shared, dates hashed over, the real meaning of existence determined and a verbal war displayed by signs of a corridor door?

Pranks in Dorm

Dorm life is when twenty coeds awake in the middle of the night, smell poisonous gas, search the floor panic-stricken and discover a bag of rotten bananas. Dorm life is when a freshmen counselor returns to her room to discover it has been moved and re-assembled in another part of the building. Dorm life is when several enterprising water-babies decide to clog up the drains with towels making the shower room into a king-sized wading pool.

Dorm life is hiding under blankets, studying by flashlight after lights out. Dorm life is tipping a water bucket against a door, and sealing the floor frame in tape to conceal the aroma of freshly made popcorn. Dorm life is living next door to the assistant head resident and not being able to make any noise.

Dorm life is watching with envy fellows ice skate on the frozen campus green on a frosty January night after hours. Dorm life is having to sit through an educational program on television when all you want to see is the roller derby championship.

Dorm life is knowing who's dating whom, who will borrow clothes, who will

lend the same, whose Mom always sends chocolate fudge on Fridays, who can proof-read a theme and who always decides to clean around on the floor above when you're trying to sleep. Dorm life is having no curtains on the window facing the men's dorm.

Dorms are Fun

Every dorm is fun, full of energy, rebellion and power. Every dorm creates a formulating impression that remains through out the college years. Every dorm is missed when one is away for extended periods of time—not for the structure but for the pulsating core within.

The dorm is all to everyone—the life it brings is adapted to the individual. Dorm life is living together, sharing one's being with others in a common bond of learning, growing and expanding oneself.

A Great Institution

Five boys gathered together to read illustrates the community spirit of dorm life. From left to right they are: Dave Dennison, Robert Morgan, Romnis Stucker, Larry Lyons, and Mike Roberts (on top bed).

son, Robert Morgan, Romnis Stucker, Larry Lyons, and Mike Roberts (on top bed).

Casing the Clubs

By NANCY PLINZEL
 Women's Editor

BSU Holds Retreat

Thirty Baptist students and adult sponsors will leave this afternoon to participate in a Fall Leadership retreat at the Boones Creek Baptist Association Assembly, located near Winchester. The retreat will continue through Sunday morning.

"Proclamation and Witness—Our Mission" will be the program theme. Discussion leaders will include Thomas H. Gatewood, Jr. and Dr. Ernest N. Perry of Richmond's First Baptist Church; Dr. J. Chester Durham, secretary of the Department of Student Work of the Kentucky Baptist Convention; and Dwight K. Lyons, local campus director for Baptist students.

Eastern students are invited to attend Vespers each Monday Tuesday and Wednesday at 6:30 p.m. at the BSU Center, 325 University Drive. Included in next week's programs will be a report by Priscilla Roberts of work during the summer in Texas under the auspices of the Home Mission Board.

Raiders Hold Orientation Meeting

The Counterguerrilla Raider Unit will hold its first meeting Monday at 9:00 p.m. in the Alumni Coliseum Projection Room. Interested students are urged to attend.

The primary objective of the program is to develop a man with above average confidence and endurance; a man who knows the techniques of scouting and patrolling; land navigation, survival and unarmed defense.

Men are wanted who have desire to improve and help themselves. Individual initiative and rugged self-discipline are necessary along with a healthy body and mind. We welcome ROTC men in our program and will provide the leadership needed to help these men help themselves. Information about the program may be obtained from members around the campus.

Home EC Club Open To Freshmen

The Home Economics Club is for all Home Economics majors. Freshmen are encouraged to join this club. It would help in getting acquainted with the other Home Economics majors as well as having a good time.

The first activity planned for the club is a picnic which will be held Tuesday. The time and place is not known but will be announced several days before the picnic. All Home Economics majors are invited to attend.

The officers for this year are: Patricia Newton, President; Linda Hansford, vice-president; Lynn Fuson, treasurer; Judy Stock, parliamentarian; Janice Jackson, historian; Alice Gruner, chaplain; Nancy DeMar, reporter.

The club meetings are held on Tuesday night, twice a month.

Kappa Delta Pi Holds Meeting

Kappa Delta Pi will have its first meeting Tuesday, at 7:00 p.m. in room 435 of the Combs Building. This meeting will be for the purposes of planning and reorganization. All members are requested to attend and all faculty members are cordially invited to affiliate with Delta Alpha Chapter.

Young Republicans

The Young Republican Club held its first meeting Wednesday night. This meeting was called to welcome new members. The club has decided to hold a wieners roast in McDowell Park on Wednesday night, October 13.

Scabbard and Blade

Company K, the 15th Regiment of the National Society of Scabbard and Blade will hold an informal meeting on Tuesday, September 28 at 7 p.m. This meeting does not require that uniforms be worn.

Wesley Open Daily

The Wesley Foundation Building will be open from 7 to 9:30 p.m. Monday through Thursday for study.

This year there will be four regular Sunday School classes; two of which will be taught at the Wesley Campus Center, and the other two at the First Methodist Church. Each of the four classes will be concerned with a different topic. On Wednesday night a Vesper service will also be held.

Jim Hutton Leads Music Club

The Music Club, which is a branch of the Music Educators National Conference, shall be headed by the following officers this year: president, Jim Hutton; vice-president, Henry Harrison; treasurer, Sally Rose.

John Landrum Pres. of CCUN

CCUN has announced its officers for this year. They are: president, John Landrum; vice-president, Sharon Zimmerman; secretary, Janie Hammel; and Student Council representative, Marvin Marcum.

KYMA Club's First Meeting

KYMA Club is beginning the year with an invitation to all new and returning students to join Eastern's pep club. The Maroons of Eastern enjoy the support and encouragement they get from the group. KYMA (which stands for KY Maroons) works on Homecoming, as Band Day guides, decorates the football field and organizes many dances during the year. All students come to the meeting Wed-

Library Given Book

Mrs. Charles Van Cleve presents "El Canal de Panama," to head librarian, Mr. Dick Allen. The book was given to her by the National Library of Panama to present to the John Crant Crabbe Library as a gift from Panama.

Book Presented By Panama

Eastern's library has received a book given as a token of friendship by the National Library of the Republic of Panama. The book, "El Canal de Panama," celebrates the 50th anniversary of the Panama Canal. It was carried home to Eastern by Dr. and Mrs. Van Cleve, who spent their vacation in Latin America.

During their vacation, the Van Cleves visited several South American countries touring the libraries of many major cities. While touring the National Library of Panama, Mrs. Van Cleve was asked to speak to a group of library trainees. Since they did not understand English, a Peace Corps volunteer acted as

interpreter as Mrs. Van Cleve gave her lectures. The trainees were especially interested in the Dewey Decimal System.

After giving the lectures, Mrs. Van Cleve was presented the book to show appreciation for her help.

"This book is not only important as a token of friendship, but it is also very useful. Although, it is written in Spanish, the illustrations are very noteworthy."

The book is now on display at the circulation desk in the basement of Case Hall. It will be added to the general collection of books.

Dr. Stratmeyer Reaps Praise For Excellence

Eastern is honored to have Dr. Florence B. Stratmeyer in its School of Education for she is one of the country's foremost educators. Dr. Stratmeyer joined Eastern's growing faculty this fall after 41 years of service to Teachers College of Columbia University.

Dr. Stratmeyer was born and raised in Detroit, Michigan and received her B.A., M.A., and Ph. D. from Teachers College of Columbia University. She has taught intermediate grades, supervised teaching at Marr Training School of Detroit Teachers College (now Wayne University) taught at Detroit Teachers College and served as an assistant principal of an elementary school for a year.

In 1924 Dr. Stratmeyer joined the faculty of Teachers College of Columbia where she served for 41 years as a research associate in curriculum and taught teacher education.

First Woman speaker

As the first woman to be asked to speak at the Charles W. Hunt lecture series in February at the opening meeting of the AACTE in Chicago on "Perspective on Action in Teacher Education," she has brought honor on herself and her profession. Beginning in February of 1924 a lecture series in her honor by the National Association for Student Teaching will begin. It will last five years.

Dr. Stratmeyer is also a participating member of the Laureate Chapter of Kappa Delta Pi.

Among the books and articles she has published Dr. Stratmeyer co-authored with Margaret Lindsey on "Working with Student Teachers." She worked with Hamden Forkner, Margaret McKim and

Harry Passow on "Developing a Curriculum for Modern Living" and is the author of five chapters dealing with curriculum of teacher education in "Teacher Education for a Free People" publication of AACTE. She wrote a M.G.T.E.P.S. report titled "New Horizons for Teaching Profession."

Chose Growing Eastern Eastern was among several schools to apply for Dr. Stratmeyer's services. She chose Eastern because she "felt it was a growing and developing institution not only in numbers but also in its professional program." She admires President Martin's dynamic personality and leadership and the priority placed on high quality teaching and the counseling of the students.

Eastern's interest in improving and moving ahead professionally attracted her interest as well as the fact that Dr. Joseph Howard, and Dean Dixon Barr received their doctor of education degrees under her. They are among her doctoral students who honored her retirement with a three-day conference at French Lick, Ind. on professional sequence June 10-13.

Dr. Stratmeyer will be in Eastern on September 20, 21, and 22. She is looking forward to working with undergraduate students because she likes their spirit and enthusiasm.

Eastern Coed's Voice Fashion Hints

By NANCY PRINZEL
 Women's Editor

The typical Eastern co-ed is the casual-sporty type with medium length hair and a complexion that's pale and on the slightly oily side.

She uses soap and water to cleanse her skin, likes pressed powder in make-up, and probably uses a little rouge. She's quite conscious of the accent on the eyes - she uses a small amount of eye shadow and mascara to emphasize them.

Hair spray and nail polish are a "must" on her cosmetic list. And to smell good for her man, she will use a dusting powder or perfume.

Glamour, Mademoiselle and Seventeen are her favorite fashion magazines, and she reads them avidly. She is not a frequent patronizer of magazines such as McCall's or Redbook.

Practically every co-ed at Eastern will agree that "a good fashion look stresses simplicity, is understated, appropriate to the occasion, and above all is neat."

The sleek, casual look is still "in" on the majority of campuses. The majority of girls said that medium cut hair is their preference. The short hair style was next most favored. The real, real, long hair is strictly on its way out.

Skin type shows the oily complexion as being the largest majority. Over half of the girls use some form of blemish treatment while many others use some form of cleanser. Soap and water is still one of the best ways to cleanse skin as shown by the large majority that use it.

For a dry skin, it is best to use a night cream and also a moisturizer under make-up, especially if you wear only powder and no foundation. Powder without moisturizer under it can look flaky because it's "sitting" on dry skin and has nothing to adhere to. It is also best to stay away from soap that is drying. It is best to use a soap substitute or a gentle cleanser for removing make-up.

For an oily skin, do not use a night cream (ablemish cream is too heavy). Pancake make-up is too heavy for an oily skin because it has an oil base. It is or an astringent foundation that best to use a medicated make-up is not heavy and will control the

excess oil on your face. Pressed powder is still preferred to other make-up devices. But the use of liquid foundation is close behind with many co-eds using this type.

Most girls said they use rouge, but prefer the popular "blushers" now on the market which feature a "blush on" effect.

And it looks as if lipstick will be around on the campuses this year while the pale look goes out. Almost every girl uses a lipstick and half of them use lip gloss.

The accent is again on the

eyes and the co-eds have taken heed. The no-eyebrow craze does not make a hit with many college girls. Most girls use mascara, eye shadow and some variety of eye liner.

A large percentage of the college students use hand lotion and hand cream. Bath oil is rarely used.

In the "sweet-smelling" category, perfume is a thing not to be caught without. And the co-eds agreed to this. Cologne is used frequently also and many co-eds like dusting powder.

RIFLE TEAM TRYOUTS
Eastern R.O.T.C. Rifle and Pistol Team will hold varsity and freshmen try-outs. All freshmen and upperclassmen are welcomed to attend a meeting Tuesday at 7 a.m. in Alumni Coliseum Room 103. At this meeting all prospective marksmen will be introduced to the present varsity team and will be scheduled for try-outs. Anyone interested in the Pershing Rifle and Pistol team is also asked to attend. Please bring your class schedule with you.

PLAYERS OF THE WEEK
The Eastern Football team received an unusual distinction as they placed two players as back and lineman of the week in Kentucky. This poll is taken from every school in the state and it is a very rare occasion that two members of the same team are awarded such an honor.
Jim Guice and Jim Ratliff are the honored players. They are also the Eastern Players of the Week.

"RENEGADE OF HEADHUNTER"
This year Coach Kidd is having an award for the outstanding offensive and defensive players of the weeks. The offensive player will be called "The Renegade of the Week;" and the defensive player will be "The Headhunter of the Week."

MARSHALL GAME CARRIED STATEWIDE
The Eastern — Marshall football game will be broadcast throughout the state this Saturday. WEKY confirmed that approximately 15 radio stations will carry the game.

BOOING, THROWING OBJECTS UNSPORTSMAN
Coach Kidd has acknowledged the support of the fans and has expressed his appreciation, but one thing that should be pointed out is the poor sportsmanship shown on certain calls. The excessive booing and throwing of articles can be done without.

It should be added that the OVC gives a sportsmanship award every year. The booing does not help our chances of winning the award.

Flag Football Begins

Intramurals will get off to a flying start this semester with flag football and tennis starting next week. The schedule of activities in getting these sports started is as follows:

1. Entries for flag football are due at 4 Wednesday, September 29. Play will begin Monday, October 4 at 4:10.
2. Organize teams from dorms, clubs or religious organizations.
3. Games will be played on the Alumni Coliseum Field near the track and the Model School Field south of Model School.
4. Entry sheets, rules and regulations are available in room 119 of the Alumni Coliseum.

Tennis Tourney Starts

1. Entries for tennis singles are due Thursday, September 30. You are required to begin play with a new can of balls. After each set the loser will take the used can of balls and the winner will get the new can of balls.
2. Play will begin Monday, October 4, on Brockton Tennis Courts, at 4 p.m.
3. Entries are taken in room 119 of the Alumni Coliseum, or phone Mr. Groves 623-7362.

Freshman Jim Guice, seeing his first varsity action, gained honors as Kentucky Back of the Week. Guice tied the school record by throwing 3 TD passes against Austin Peay.

Jim Ratliff, junior end, was cited as the Kentucky Lineman of the Week. Among his fine catches was the winning TD against Austin Peay.

Maroons Host Marshall Tomorrow

Eastern's youth-laden offense will meet a stern test Saturday afternoon as the Maroons host Mid-American Conference toughie Marshall University in Hanger Stadium.

The Maroon youth-movement got off to a good start last Saturday with a 35-30 uprising over Ohio Valley Conference foe Austin Peay, erupted for 28 points in the last quarter to erase a 24-7 Governor advantage.

Head coach Roy Kidd, pleased with the team's showing against Austin Peay, says the offense will have to retain its fine edge and the defense will have to tighten up if the Maroons are to return to OVC play with an unblemished record.

"We expected our defense to be better than our offense," Kidd said. "After all, 10 of our 18 lettermen are on our defensive platoon."

But, the offense, led by mostly freshmen and sophomores, stole the show in the opener.

Freshman James Guice, a Miami, Fla., quarterback, tied a Maroon record with three touchdown passes in one game. Freshman tailback Herman Carter scored on an 86-yard kickoff return and a five-yard sprint, and sophomore wingback Aaron Marsh caught two touchdown aeriels.

Freshman-guard Walter Murphy flawlessly kicked five for five on Maroon conversion attempts.

The only upperclassman who figured in the scoring was senior split end Jim Ratliff who caught the game-winning touchdown strike.

"We'll pass against Marshall, too," Kidd said, not backing down from his pre-season plans of playing a wide-open offense. "We'll have to, they're big and strong up front and we will have to go to the air to keep them

honest with our ground game."

Kidd had praise for his defensive unit even though it allowed 30 points to Austin Peay. "We had a good effort from everyone, he said, "It just seemed like everytime Austin Peay had the ball they took over with good field position."

Austin Peay gained only 204 total yards, 35 in the air, 169 on the ground.

Marshall, victorious over OVC member Morehead 22-12 in its opener, will bring a pounding ground game and bruising defense into Hanger Stadium.

Leading offensive threat is the Thundering Herd tailback, William Jackson, who blasted Morehead with a personal barrage of three touchdowns. Clearing a path for the shifty Jackson will be 251-pound tackle Fred Anderson.

The Marshall defense is adequately anchored by All-American candidate Thomas Good, a 224-pound linebacker who was the only unanimous All-MAC pick last year.

Kidd says the Maroons may start Guice against the Big Green at quarterback instead of co-captain Larry Marmie. Tailback Carter, wingback Ted Holcomb, and fullback Bob Wester will comprise the rest of the backfield.

In the line, the Maroons will have Ratliff and Dave Neff at end, Bob Tarvin and Bill Allen at tackle, Jim Conard and Roscoe Perkins at guard and co-captain Dennis Bradford at center.

The defensive line will have Roger Prall and Chuck Sieman at end, Roy Evans and Miller Arritt at tackle, Ron DeVingo at middle guard, and Rich Sivulich and Dennis Bradford at linebacker.

Defensive backs will be Mike Smith, Buddy Pfadt, Harry Lenz and Tom Freeman.

Maroons Upset Favored Governors

The surprising Maroons of Coach Roy Kidd upset the highly favored Austin Peay Governors by the score of 35-30 last Saturday night at Hanger Stadium before a crowd of approximately 7,000 fans.

Reserves Jim Guice and Herman Carter, both freshmen, led the come-from-behind charge. Taking over for veteran Larry Marmie, Guice passed for three second-half touchdowns. Carter scored 2 TD's, one on a 86-yard kickoff return.

The game appeared to be an Austin Peay rout after three quarters as the Governors piled up a 23-7 lead. The fourth quarter proved to be all Eastern's as Guice completed an 18-yard TD pass to tailback Aaron Marsh. Guice and Marsh again teamed up on a 12-yard pass to make the score 23-21 Austin Peay with 8:41 remaining.

After taking an outside kick, the Governors scored with only 5:25 remaining in the game, the key play being a 22-yard run by fullback John Ogles.

The Maroons quickly scored again on Carter's kickoff return. With only 5 minutes left, the Governors were assured of the win by holding onto the ball. The Maroon defense then stiffened and forced the Governors into a punting situation. Lady Luck then smiled on the Maroons as a bad snap from center left the ball on the 3-yard line and a first and goal situation. On the second play Guice spotted ace receiver Jim Ratliff. Ratliff made a fantastic leaping catch for the winning TD.

The Governors went to the air in vain, as the Maroons defense dug in to again gain the ball. The clock ticked off as Guice fell on the ball.

Another outstanding freshman made his debut Saturday night, Walter Murphy, Maroon placekicker, booted 5 of 5 PAT's.

Marsh Caught From Behind

Aaron Marsh, who caught 2 T.D. Passes, Austin Peay 45 yard line, picks up 11 yards and a first down on the

Carter Evades Tackle

Herman Carter, Freshman tailback, Cincinnati, Ohio, is pursued by the Governor's, but to no avail. This run resulted in an 86 yard kickoff return for a TD.

Cross Country Schedule Proves Challenging

This year's cross country team may prove to be the best in Eastern's history. The 1965 schedule is packed with numerous challenges including meets with Illinois and Iowa, Indiana, Notre Dame and last year's NCAA champions, Kentucky State. Incidentally, Eastern beat Kentucky State last year.

The road races will start 10 miles out from Eastern at 4 o'clock and will finish 100 yards west of the stop light at the intersection of I-75 and Highway 25.

The schedule is:

Sept. 25	Cumberland at Williamsburg	11:00 A.M.
Oct. 2	Illinois and Iowa at Champaign (Meet at Savoy Golf Course)	10:30 A.M.
Oct. 5	*10-mile road race at Eastern	3:30 P.M.
Oct. 9	Morehead at Eastern	10:30 A.M.
Oct. 12	Indiana University at Bloomington	8:30 P.M.
Oct. 15	Notre Dame Invitational at South Bend (frosch)	
Oct. 19	*10-mile road race at Eastern	3:30 P.M.
Oct. 23	University of Kentucky at Lexington	11:00 A.M.
Oct. 25	*10-mile road race at Eastern	3:30 P.M.
Oct. 30	Morehead and Cumberland at Morehead	11:00 A.M.
Nov. 6	Kentucky State at Frankfort (1964 NCAA champions)	11:00 A.M.
Nov. 13	Kentucky Federation Cross Country Finals	
Nov. 20	O.V.C. Conference at Cookeville, Tenn.	11:00 A.M.

Top Three Runners

Leading the Cross-Country team are Ben Madera, Wyandotte, Mich., John Wood, Elmhurst, Ill., and Grant Colehour, Rickford, Ill., who will run against Cumberland tomorrow.

Miss Kirkpatrick To Attend Sports Institute

Miss Dorothy Kirkpatrick, assistant professor of health and physical education, is one of three Kentucky teachers chosen to attend the Second National Institute on Girls' Sports at Michigan State University next week. Also attending the Institute, sponsored by the Women's Board of the United States Olympic Development Committee, are Miss Ann Ritsert, Louisville Durrett High School, and Mrs. Dorothy Harkins, Western Kentucky State College.

The Institute is designed to help teachers expand opportunities for girls and women in sports and to increase the depth of experience for girls and women in the sports area.

Selected teachers from every state will attend the Institute to work with national experts in various sports fields.

Miss Kirkpatrick will work in the area of diving; Miss Ritsert in gymnastics, and Mrs. Harkins in track and field. After the Institute they will conduct clinics for Kentucky teachers.

Cross Country Team Promises Best Ever

Eastern's 1965 Cross Country team promises to be the finest in the history of the school by a "country mile."

Last year Eastern finished second in the conference to Western in a very close meet. This year could find the two schools again fighting for the OVC championship. The highlight of the 1964 season was Eastern's 26-29 dual meet victory over Kentucky State, the 1964 NCAA Champions.

Returnees from last year's squad are Larry Whalen (2nd in the OVC), sophomore Bill McAnelly (3rd in OVC), and junior Jim Beasley (10th in OVC).

Newcomers to the team are frosh runners Grant Colehour (Rockford, Illinois), John Woods (Elmhurst, Illinois), Doug Cordier (Magadore, Ohio), Jimmy Nichols (White Plains, New York), Ben Madera (Wyandotte, Michigan), Harold Burke (Maine), Jim Kunkel (Kentucky) and Rickey Tackett (West Virginia). Two foreign frosh stu-

dents also out for the squad are Kent Anderson and Jan Halth, from Sweden.

Colehour, Woods and Madera have been exceptionally outstanding in early practice sessions and continually lead the squad in time trials. Coach Smith says, "Our frosh have been so tough in early sessions that it appears far fetched but there is a possibility that none of last year's veterans will make this year's traveling squad."

Eastern is gaining respect among the nation's colleges for its distance program. In track last season Eastern's 2 mile relay (with 2 frosh and 2 juniors) ranked 8th in the country and its mile relay team (with 3 frosh and 1 junior) ranked 12th in the U. S.

In an effort to move into "big time" Eastern has discontinued the scheduling of many of the area's small schools and has scheduled such large names as Kentucky, Illinois, Iowa, and Indiana. Eastern's frosh team will run against the largest schools in the country in the Notre Dame Invitational. This year's cross country team is pioneering the way, so to speak, for the future Eastern contests against larger universities.

Cross-Country Squad Promising

The Maroon cross-country team journeys to Cumberland tomorrow for the first of their twelve meets. The team members are, first row, left to right, Bill McAnelly, Larry Whalen, Jim Beasley, and Ken Nel-

son. Second row: Steve Goss, Paul Kunkel, Ben Madera, Grant Colehour, Jan Halth, and Jim Nichols. Third row: Harold Burke, Kent Anderson, Doug Cordier, John Woods, and Earl Jordan.

Twenty ROTC Sponsor Nominees To Be Selected

In the near future twenty girls will take their places as sponsors to ROTC cadet units. Major Roy Sims said the nominations will occur sometime soon.

All nominees for the honorary position will be full time good students, single, and not on academic or social probation. They may be a member of any class. The winning nominees from each unit become candidates for "Queen Athena." Election will be by majority vote of members of the Advanced Course.

Carol Fritz, voted the queen of last year's military ball is the senior Brigade sponsor and will be the commander of the Sponsor Detachment.

The sponsors are expected to attend all unit meetings and activities. In official functions they will be escorted by a member of their unit. Once a week they will wear their uniform consisting of jacket, skirt, cape, and tie. The chosen girls will be trained in the fundamentals of military drill and will assume the same cadet rank as the commanders of the organizations they represent.

Each of the three Battalion staffs will elect a sponsor. Nomination may be made by any member of the staff and election will be by majority vote of the staff.

In order to nominate a girl for a Letter Company, the member must have been previously enrolled in ROTC at Eastern. Election will be by majority vote of the Advanced Course (juniors and seniors).

The Pershing Rifle Company, Counterguerrilla Unit, ROTC Band, and Scabbard and Blade will each have a sponsor. Nominations must be made by a full member of these organizations. A majority vote by all members will determine the winner.

Coach Kidd Thanks Fans

"I would like to take this opportunity to express my appreciation to the student body for their large turnout at the game against Austin Peay. I hope that their enthusiasm continues for the remainder of the season." This Saturday we play Marshall University at 2 p.m. in Hanger Stadium.

Gratefully yours,
Roy Kidd

Debaters Confident Of Exciting Season

By FRANK LOUDEN
Staff Writer

With the return of eight varsity debaters, and the surge of twenty novice debaters, this year "promises to be the biggest and most exciting of all" according to Mrs. Aimee Alexander, the debate coach.

Returning varsity debaters are: Linda Ward, Kathy De Jarnett, Mary Jo Rudd, Eugene Gray, Brent Cornelius, Gordon Camuel, Charles Greenwell, Dennis Burrows, Dave Hill, Shirley Green, and Sue Ann Allen.

Novice Debaters are: Ann Barker, Jim Cottrell, Emily Hourigan, Nancy Evans, Sammy Ford, Charles Griffith, Darryl Lemaster, Linda Lockman, Randy Nolte, Susan Reinert, Don Smith, Mary Walker, Carolyn Webster, Misha Williams, and Donald Wolfe, a two year debater for Seneca High School. Each novice member has "great potentiality."

There are many interesting events scheduled for this year. Those who "suitcase" unnecessarily might find it profitable to stay for these events.

Debaters Enter Conferences

The first event of major importance is the Kentucky Intercollegiate Forensic Conference to be held on the first weekend in December. All Kentucky colleges will be invited to attend and participate. Students may enter the competition in debate, extemporaneous speaking, discussion, and interpretive reading.

The Invitational Debate Tournament will present Eastern in a nationwide perspective and will be held in March. All the Chapters of DSR-TKA in the United States will participate in active debate on the current intercollegiate debate topic. The topic this year is: Resolved: That all law enforcement agencies in the United States should be given greater freedom in the investigation and prosecution of crime." DSR-TKA (Delta Sigma Rho-Tau Kappa Alpha), is a national honorary speech organization.

The Eastern chapter of DSR-TKA is sponsoring both events. DSR-TKA and Alpha Zeta Kappa. There are two outstanding organizations at Eastern for Forensics-DSR-TKA and Alpha Zeta Kappa.

Dave Hill is president of the Department. Dr. King, head of five members are selected by active members, if they are in their second year of intercollegiate Forensic activity, during which they have participated in debate, public speaking, and or discussion. One must have a high academic standing.

Alpha Zeta Kappa, commonly known as the Debate Club of which Eugene Gray is president,

acts as a training ground for Novice debaters. To participate one must be able to debate the national intercollegiate debate topic, and one must be free to practice debate at least one hour a week. All persons interested should contact Mrs. Aimee Alexander in room 210, Combs Classroom Building.

Mrs. Alexander will be assisted by all members of the Speech Department. Dr. King, head of the department, Mr. Weatherly, Mr. Weldon, Mr. Phil Brooks and Mr. John Leason will give help by listening to and criticizing the debate teams.

The help and criticism offered by the faculty, and the potentialities of the debate members coupled together give Eastern one of the strongest debate squadrons in the state.

Brockton Mayor Announces Meeting

Pete Kinman, Brockton Mayor, has announced that the first council meeting will be held Monday, at 9 p.m. in University 100. All persons who have served as councilmen either elected or temporarily, are urged to attend. fate of student government in Brockton.

Students In Fishbowl

Through the eye of the camera, reflecting students in a fishbowl, can be seen the confusion of buying books in the bookstore. The unprecedented number of freshmen and other students overflowed the aisles, as can be detected by this convex mirror.

"On Your Way To Town"

If your job disappeared tomorrow what would you do?

Some jobs will simply disappear in the near future. New machines, new techniques will make them obsolete. If your job is one of them, hitting the panic button won't help much. What will help is planning ahead. Preparing for the new jobs, the new opportunities progress always brings.

You won't get tomorrow's jobs with yesterday's skills

To qualify for tomorrow's better jobs, you'll need re-training. So get the facts. Visit the local office of your State Employment Service now.

Train now for tomorrow's jobs

RICHMOND'S HEADQUARTERS FOR BETTER CLOTHING

It's Not Crowded Here

Some student finds it easier to study in such places as the front seat of his automobile because of the construction being done on the library and crowded conditions.

'Lights Out' Causes Confusion

At approximately 3:30 p.m. Wednesday, the electricity went off in three buildings due to a main line fuse failure.

According to Executive Dean, J.C. Powell, the Foster Music Building, Administration Building, and the Roark Building were without electricity until 3:45.

Several inconveniences were reported. The music class was interrupted in the middle of a record. Also, air-conditioning units were cut off to prevent their motors from being damaged. No major damages were reported.

Nurses Get Station Wagons

Eastern's Department of Nursing has just added to its facilities three new station wagons. These will be used by the department to transport nursing students to hospitals in Central Kentucky where they will receive part of their training this year.

The Department of Nursing is new to the School of Technology. There are twenty-five girls now enrolled in the nurses program this semester.

The program extends over a two-year period. Major Bertha Fanjoy, a retired army major of the nurse corps, heads this program. She is assisted by Mrs. Berge and Mrs. Pettengill.

Construction Continues

Construction on Eastern's campus continues in the all-out effort to not only beautify the campus but also to add to the convenience of the students and faculty. One of the most prominent features in the scene of construction at present is

the addition to the John Grant Crabbe Library. This addition has called for extensive relocation of surrounding features in the effort to provide the most adequate facilities possible.

Eastern Hosts Speech League

The district meeting (Central District) of the Kentucky Speech Association and the Kentucky Speech Association and the Kentucky High School Speech League will be held Friday, Sept. 24, at 11 a.m., in the Pearl Buchanan Theatre.

Presiding at the speech meeting will be Mrs. Doris Cella, District Chairman. Mrs. Cella is with Henry Clay High School of Lexington.

The hour-long meeting is a symposium titled "Speech and Drama in the C.K.E.A. Area." Participants with their titles are: Dr. Clifford Blyton, professor of speech and director of forensics; U.K., "Analysis of the High School Debate Proposition for 1965-66;" Mr. Joe M. Johnson, assistant professor of speech and dramatic arts at Eastern; "Play Selection and Theatre Materials for High School Drama;" and Dr. Denver Sloan, director of the Kentucky High School Speech League, University of Kentucky.

CHARLES E. ZOUBEK

Expert Addresses Business Teachers

Charles E. Zoubek, shorthand editor of the Gregg Division, McGraw-Hill Book Company, will be guest speaker today at the luncheon meeting of Business Education teachers during the Central Kentucky Education Association meeting.

The Thirty-sixth annual CKEA meeting will be held on the Eastern campus.

In announcing Mr. Zoubek's appearance at the luncheon in Eastern's Student Union Building, Dr. Joseph Young, dean of the School of Business, said Zoubek is the author or co-author of more than 40 books dealing with all phases of shorthand from theory to reporting.

For more than 15 years Mr. Zoubek taught the high speed shorthand courses at Hunter College, New York, and for almost 30 years he has been lecturing in colleges and universities all over the United States on methods of teaching shorthand and transcription.

Mr. Zoubek is one of the few who hold the degree of Certified Shorthand Reporter granted by the University of the State of New York. He has given many inspiring demonstrations of his skill before teachers' groups and student bodies.

Edsel Mounts, assistant professor of business, will preside at the Business Education session.

Positions Open On Publications
 Eastern's two student publications, the Progress and the Milestone, are open to all interested students.
 Applications for positions on the Milestone may be secured in the Milestone office in Room 8, Roark Building. If there is no one in the office students are urged to fill out application forms at the front of the office.
 Persons interested in working for the Progress may speak to any of the editors in the office, Roark, Room 8, every afternoon.

COURSE IN MODELING AND GROOMING
 An eight week course in modeling and grooming will begin Tuesday, Oct. 5, 3:30 p.m. at Bellairs Louise Shop. This is under the direction and supervision of Seventeen Magazine. The instructor, Mrs. Richard Bernstrom, is graduate of New York's Barbizon School of Modeling and a former model for Saks, Fifth Ave. The \$4.00 fee covers the eight lessons, an instruction book and a model's tote bag. The course will include several movies from various beauty aids.
 Bellairs Louise Shop and Seventeen Magazine have presented the course previously in Richmond and found it to be highly accepted.
 The store definitely caters to the young set as evidenced by their opening charge accounts for students and gladly cashing their checks. Also applications are now being taken for their 1965-66 College Board. Adv.

Alumni Association Greet Members

By **LORRANE FOLEY**
Alumni News Editor

Greetings to all new and continuous members of the Alumni Association. The 1965-66 school year is just beginning and you will be receiving the Eastern Progress every two weeks. If you have any news of interest to your fellow alumni that you would like published, please forward it and we will see that it is reported in this column as soon as possible.

FLORA TATE TROISI, '30, of Upperco, Md., has received her Master's degree in education from Western Maryland College, is presently teaching grade six, and is administrative assistant to the principal of the Fifth District Elementary School in Baltimore County, Md.

Dr. WILLIAM J. HAGOOD, '39, of Clover, Va., was elected vice speaker of Congress of delegates of American Academy of General Practice for the ensuing year.

MARTHA M. BLAINE, '41, of Dry Ridge, is elementary librarian of Grant County, serving six elementary schools.

ELIZABETH TRAPP MAGGARD, '41, who has been teaching school for 28 years, will be teaching the fifth grade at New Marion School in Ripley County, Ind. This fall, her home address is Route 1, Box 109, Versailles, Ind.

GENE GARY, '48, is employed by the State of Tennessee, Department of Public Welfare as a reviewer. His wife, **LOLA**, '48, is employed by the Harriman City Schools. Their mailing address is P.O. Box 166, Harriman, Tenn. 37748.

PAUL L. TRIESCHMAN, '52, is office manager at W. R. Grace and Co., Davison Chemical Division, Cincinnati. He and his wife **ELIZABETH**, **BRADIE COX**, '53, reside at

3306 Lambert Place, Cincinnati, Ohio, 45208 with their three children, David 8, Mary Ruth 4, and Daniel 2.

BILL C. VENDL, '53, has a contract for the year 1965-66 at University of Chicago as assistant professor of Physical Education, with additional duties as Director of Intramurals and Varsity Soccer Coach. Also, he was named this year as mid-west representative of the U.S. Olympic Modern Pentathlon Association, based on previous active participation in sports. His mailing address is 4221 S. Maple Ave., Stickney, Ill.

JOAN M. KNOWLAND, '54, received her M.S. degree in education from Indiana University in June, 1965. She and her husband **DONALD L.**, '53, reside at 312 Cedarwood Drive, Madison, Ind. 47251.

VINCENT GILLEY, '57, is starting his second year as high school principal at the Amelia High School, West Clermont School District, Amelia, Ohio. Mailing address: Route 2, Mt. Orab, Ohio.

DAVID A. CAYLOR, '55, Captain, U.S. Marine Corps, recently appeared on the Art Linkletter House Party Television Show. David, age 31, married Beverly Renehan, Sept. 13, 1964. He is step-father of two children, ages four and eight, has billed around the world as the Singing Jet Pilot. Dave has sung in burlesque, musical comedy, church chorus, college workshop theater, radio and TV in the U.S., Japan, Korea, Hawaii, and is still studying. His current address is 18042 Lillian Way, Tustin, Calif. and he is stationed at El Toro Marine Base, Santa Ana, Calif.

ALLYNE M. FRIESEN, '59, 119 1/2 Tate Ave., Englewood, Ohio, is currently employed as secretary to the Executive Vice-President of the Farmers State Bank of Englewood. Prior to that time, she was

working as a voluntary service worker at the Navajo Brethren in Christ Mission, Farmington, N.M.

MARY BECKER BODNER, '57, graduated from the University of Louisville June 6, with a masters degree in education. She is not working presently but is "homemaking" for husband, Tom, and her two-year-old Junior Alumna, Mary Gayle.

LESLIE DURR, '61, of Rose Hill, 40368, is teaching in the Shakertown Elementary School and is directing Physical Education.

DEWITT E. BOND, '62, Box 52, Warsaw, Ohio, attended the Institute of American Studies at Bucknell University, Lewisburg, Pa., under a grant from the Coe Foundation, this past summer.

DONALD R. WHITAKER, '62, has been selected as a participant in the 1965-66 academic year institute for Science and Mathematics teachers at the University of North Carolina in Chapel Hill. This national science foundation-sponsored program offers a year's study in graduate mathematics, leading to a master's degree. He will be on official leave of absence from his position as chairman of the mathematics department at Harrison County High School in Cynthia, Ohio. His home mailing address is Route 2, Box 16, Berry, Ky. 41003.

TOM SHARP, '63, received M.A. degree from Xavier University in January, 1965. He is married to the former Deirdre Nugent and has a son named Thomas Duff, who was one year old August 23. Tom coaches and teaches at Eastern Hills Junior High in Cincinnati, Ohio, residing at 6135 Benneville St., Cincinnati 45230.

LARRY JACKSON, '63, is in his third and final year of study at Louisville Presbyterian Theological Seminary, and his wife, the former **SANDRA NUNNELLEY**, '64, is in her second year of teaching biology at Ahrens Trade High School in Louisville. Their mailing address is 2344 Grinstead Drive, Louisville 40204.

MARY SUE TENCH, '64, is employed with Cincinnati Public Schools in the position of 3rd grade teacher and resides at 751 S. River St., Franklin, Ohio.

TUESDAY, SEPTEMBER 28:
AIR FORCE LOGISTICS COMMAND, Wright-Patterson Air Force Base, Fairborn, Ohio, will be on campus to interview seniors, from 9-4.

Welcome to Richmond Students and Faculty

WILL SUCCESS SPOIL SIMCA 1000?

What a silly question.

Chrysler invested millions, created it, guaranteed it for 5 years or 50,000 miles and a star was born. With that kind of investment and guarantee they simply could not afford for this star to become tarnished. Any more silly questions?

Capable of speeds better than 2,000 mph, the YF-12A is the hottest aircraft around. Now Maj. Walter F. Daniel, test pilot for the YF-12A, answers your questions about the world's fastest manned airplane and America's Aerospace Team.

(Maj. Daniel, a test pilot since 1954, is a member of the Society of Experimental Test Pilots. He received a B.S. degree in Aeronautical Engineering from the University of Oklahoma. In February 1962, he set world-class time-to-climb records in a T-38 jet trainer.)

Is the YF-12A the world's fastest manned aircraft?
It certainly is. On May 1 of this year the YF-12A (formerly known as the A-11) reclaimed the world absolute speed record from the USSR. It was clocked at 2,062 mph over Edwards Air Force Base.

How big is the YF-12A?
The exact dimensions of the YF-12A have not been released yet. But it's approximately 100 feet long, with about a 50-foot wingspan. That's half again as big as our present interceptors!

Is the Air Force training many men as pilots these days?
Yes, very definitely. In spite of all you hear about unmanned vehicles, the human pilot is still very much in the picture. As a matter of fact, the Air Force pilot quota is on the increase.

What other kinds of jobs does the Air Force offer?
Since it's one of the world's foremost technological organizations, the Air Force has plenty of openings for scientists and engineers. There are also many challenging and varied administrative-managerial positions.

What do I have to do to become an Air Force officer?

Air Force officer. The new two-year Air Force ROTC program makes this method available to men who have already completed a year or two of their college education. For college graduates, if you did not take advantage of ROTC, you can still get started through Air Force Officer Training School (OTS), a three-month course open to both men and women.

Can I keep up my studies while I'm in the Air Force?
The Air Force encourages its men and women to continue their educations. For instance, you may qualify to study for a graduate degree during off-duty hours, with the Air Force paying a substantial part of the tuition.

What kind of future do I have in the Air Force?
A bright one. As we move further into the Aerospace Age, the Air Force is going to grow even more important. And you can grow with it!

United States Air Force.
