GRID TILT WILL FEATURE HOME COMING

Game Appears Toss Up to Progress Sports Writer

MOREHEAD CONFIDENT

By BOB MASON

The main event of home-coming will take place Friday afternoon when the Morehead Eagles will attempt to soar over the Eastern Maroons in the first home game for Coach Hughes' gridmen. These eleven, from past performances, seem to be about the most evenly matched in the state and the game should be a real battle from the opening kick-off until the final whistle.

The Maroons, scalped by the Miami Redskins, repulsed in an attempt to drive the Transylvania Pioneers from their stronghold, bitten by a fierce Union College Bulldog, and scratched and clawed by a fighting Georgetown Tiger, will nevertheless, enter the fray a slight favorite. The fans feel that the Eastern boys have a lot of potential power that will be utilized Friday. This power has been flashed several times this year but Fate has stepped in each time and prevented the Maroons from having a marker chalked up on the right side of the ledger. Against Georgetown they started off like a tornado, scoring nine points before the spectators had seated themselves comfortably, but when the game was over they had subsided to such an extent that they resembled a calm before an ocean storm. Against Miami, a much stronger club, the Maroons played a game that caused fear and uneasiness in the camps of their future opponents. If they play Friday as they played against Miami they will beat Morehead three or four touchdowns, but if they repeat some of their previous capers, we be unto the home-comers, for they shall be sorely disappointed.

Coach Downing is bringing his team here anticipating victory. The Eagles have never beaten Eastern in football and due to their record for the season, he feels that the time is ripe to break the jinx. His boys were defeated by Transylvania but the holding was not quite as bad as the one Eastern took from the same Transylvania team and from the results of these two games hinges the hopes of the Morehead supporters.

Eastern's warriors are far from disheartened and are confident that they will clip the wings of the Eagles. The line, which has shown signs of brilliance in spots, avows that "they shall not pass," and the backfield, which so far has failed to function properly, thinks it will tear the Morehead line asunder and present the alumni, former students and backers with a victory for the first time this season.

Dr. Allington Dies of Heart Attack

Dr. Harry Allington, head of the Newport public schools and father of Miss Edith Allington, Eastern student, dropped dead last Friday at his home from a heart attack. Our deepest sympathies go out to Edith and to the other members of the family.

EASTERN BAND MAKES TRIP

Rigby Elected President of Band for This Year

PLAN TO GIVE DANCE

Eastern's band left with the Chamber of Commerce of Richmond this morning on a good will tour thru the towns of Irvine, Ravenna, Beattyville, and Booneville. This trip is similar to the one taken two weeks ago by the band to Big Hill, Tyler, and Manchester.

Officers of the band were elected at rehearsal Thursday night, October 18. Mr. Harold Rigby of Berea was installed as president. Gordon Nash of Trinity, Ky., was elected as vice-president, and Richard Evans, as secretary-treasurer. Plans were also discussed for the dance which is to be given Wednesday, October 28, in the small gym.

Mr. Van Peuren states that he is well pleased with the progress the band is making in field work. For the first time in the history of the band an hour's practice is held each Friday afternoon on the field to accustom the musicians to the fine points of parading.

Those who heard the program the band presented in chapel last week and those who attended the Georgetown game, predict the biggest and best band Eastern has ever produced.

A group of Morehead's pep songs have been secured and will be used for the Morehead-Eastern game here Saturday, it has been announced by Mr. Van Peuren.

EASTERN WILL SEND SPEAKER TO BERA

Eastern will be represented by a member of the Alpha Zeta Kappa at the annual World Peace Conference which will be held at the Berea College, Berea, Kentucky, November 30. The leading colleges of the state will be represented this year.

Twelve members of the Alpha Zeta Kappa are planning to enter the local contest. At the meeting of the club Thursday evening, October 25, November 14 was decided on as the date for preliminary try-outs. At this time the three best speakers will be selected who will appear on the chapel program Monday, November 19. The delegate to Berea will be chosen from these three speakers.

HALLOWE'EN PARTY TO BE GIVEN TONITE

Progress in Affair Like Last Year is Planned

NASH TO PLAY IN GYM

A Halloween Progressive Party, which will be open to all students and to which all students are invited, will be held tonight on the campus, according to a statement given to the Progress by Miss Eliza Hughes, chairman of the social committee.

The party, which will follow the plan of the so successful affair given last year, will have the pieces on the campus as the scenes for the piece. They are the Freshman club room in Burnham where games will be held under the supervision of Miss Harlette V. Krick, faculty member of the social committee; the Recreation room of Burnham hall, where refreshments will be served; and the small gym, where there will be dancing, with music by Gordon Nash and his orchestra, the newly organized campus musical aggregation.

Miss Hughes requests that the students progress, as their cards direct, to avoid confusion in any one place. The reason for the progression idea is that there is no available place for a general party to be held that will accommodate all of the students at one time. The students are requested to bring their cards and to follow directions on the cards.

This party is sponsored by the social committee and is free to all students. This is to be regarded as one of the social events of the season, if student enthusiasm can be used as a means of prophesying.

DUDLEY WILL BE SPEAKER

Noted Sports Writer on Program at Combs Testimonial Dinner

OLD FRIEND OF COMBS

Bruce Dudley, well known sports editor of the Courier-Journal, will be the speaker at the Earle Combs testimonial dinner next Monday evening and Bob Newhall, sports announcer on WLW, Cincinnati, has phoned Frank H. Shaffer, secretary of the Chamber of Commerce, that he will devote a large part of his radio period Monday evening to the Richmond meeting honoring the veteran Yankee outfielder.

The meeting to be held in the Glyndon Hotel, beginning at 6:30, will be in charge of a committee representing the Rotary, Lions and Exchange Clubs and the Chamber of Commerce. Members of the committee are Thomas P. Bright, president of the Rotary Club, Edward Wayman, president of the Exchange Club, Hollis Matherly, president of the Lions Club, James A. Miller, sports editor of the Daily Register and Burton Roberts, president of the Chamber of Commerce.

Charles A. Keith, former pitcher with the St. Louis Browns of the American League and the Atlanta team of the Southern League, will be the toastmaster. Mr. Keith has been a student of baseball all of his life and is admirably equipped to preside at the meeting honoring Combs.

Bruce Dudley, as sports editor of the Courier-Journal, has been a staunch friend of Earle Combs since he first broke into organized baseball with the Louisville Colonels. This friendship carried through into Earle's successful career with the New York Yankees.

Reservations for the dinner to which both ladies and men are invited are now being taken at the Chamber of Commerce office. The meeting will be open to the public.

GRAGG CONVALESCENT

Miss Susan Graag, of Pineville, a student at Eastern, recently successfully underwent an operation for appendicitis and is now convalescing at her home. We wish Miss Graag a speedy return to the campus after leaving the appendix in Pineville.

Y. M. C. A. BRING GYPSIES HERE

Velma Shotwell Griffin and her accordion ensemble, pictured above, "The Accordion Gypsies" will present a meritorious musical program in Hiram Brock auditorium, Tuesday evening, November 13, at 8:00. This program is presented under the auspices of the College Y. M. C. A.

This organization brings to you a repertoire of such originality and brilliance as is seldom found in a stage program. The volume of a brass band—the tonal beauty of a brass organ—the heart throbbing strains of a master's violin—all these you hear and more as the Accordion Gypsies play for you.

One can almost imagine oneself on the hills of sunny Italy or in the patio of some old Spanish hacienda as the Gypsies play those haunting

SMOOT CHOSEN COUNCIL HEAD

Elementary Council Holds Its First Meeting of Year

5 COMMITTEES PICKED

The Elementary Council, an organization for majors and minors in Elementary Education, held its first meeting Thursday afternoon, October 18, at four o'clock in room 202 of Cammack building. The following officers were elected:

Mary Frances Smoot, president; Geneva Hardin, vice president; and Helen Kiser, secretary and treasurer.

The time of meeting for the organization is to be the second Thursday in each month at four o'clock in the afternoon. These meetings are to be either social or professional gatherings and there will be from time to time talks on topics or problems of interest to the elementary teacher.

The chief aim of the club is for professional advancement of elementary teachers. All students who are majors or minors in elementary education, taking courses in elementary education, or teaching in the training school, are eligible for membership. There are already 53 members and several new members are expected next month.

There are to be five committees within the organization—publicity committee, program committee, the refreshment committee, the membership committee, and the decoration committee. The persons who are to appear on these various committees have not yet been selected.

GIRLS COUNCIL FORMED

The Girls Student Dormitory Council, whose members are appointed through the office of the dean of women, has been selected for the year.

These places are non-compensational and the girls are chosen for merit only.

The members are: Chairman, Mildred Hancock; Council, Dorothy Selbee, Kathryn Wilkins, Jane Paynter, Mary Edwards, Georgia Hestage, Daisy Broughton, Florence Castle, Helen Kiser, Stella Cornett, Maud Linley, Janet Dudderan and Nancy Cresch.

L. T. C. WILL SPONSOR HOP

Homecoming Dance to Be Feature This Week-End

The L. T. C. will this year sponsor the annual Homecoming dance, concluding feature of the Homecoming activities. The dance is expected to be one of the most interesting and colorful of the social season. Decorations will be worked out in a theme of blue and gold, the club colors, and a fan effect will be used behind the orchestra.

Andy Anderson has been engaged to provide the music for the evening, according to Ted Keith, chairman of the music committee. Anderson is well known in collegiate dancing circles as being one of the best, and the musical success of the dance is certain.

Decorations are in charge of Kelly Wagers and Bob Rice. Members of the floor committee as well as the chaperones for the evening could not be ascertained at the time the Progress went to press.

FORMER STUDENT IS KILLED IN ACCIDENT

Carl Gilreath, 20, a former student at Eastern last year, and resident of Whitley City, Ky., was killed Monday in an automobile accident.

Gilreath, who has been teaching at Layford in McCreary county, was on his way to his home in Whitley City and was riding the fender of an automobile which was sideswiped by a truck.

Gilreath is remembered by many friends on the campus and favorably so. He took his certificate here last year and had told a member of the Progress staff that he intended to return later and work on his degree.

H. E. TAYLOR DIES FROM PNEUMONIA

Business Manager of Berea College, Succumbs in Lexington Hospital; Stricken September 30

WAS PENNSYLVANIAN

LEXINGTON, Ky., Oct. 30—Dr. Howard E. Taylor, business manager of Berea College since 1909, died early today at a Lexington hospital. He was 65 years old.

Stricken ill Sunday, September 30, while practicing on the organ at Union church in Berea, he suffered from a complication of troubles and pneumonia later developed. He had been under treatment at a local hospital for several weeks.

Mr. Taylor, who retired from private business pursuits in the east before going to Berea, viewed his work at the college in the light of a hobby and was proud of the school and the opportunities it offers young men and young women of the southern mountains.

He is credited with having been largely responsible for securing the business basis of the college, which has holdings of more than 15 million dollars.

Taylor was born near Philadelphia and was educated at Doylesboro Seminary in Bucks county, Pennsylvania. He was connected with a Philadelphia importing firm, but retired from that business in 1909 and went to Berea.

He served as organist at Temple church in Philadelphia from 1895 to 1909 and was organist at Union church in Berea since he had been connected with the college.

He was a director of personnel for the army Y. M. C. A. with the American Expeditionary Forces in France and had been a member of the Kentucky state Y. M. C. A. board since 1915.

He is survived by his wife, the former Miss Laura Beans of Warminster, Pa.

FUNERAL TODAY

Berea, Ky., Oct. 30—Funeral services for Dr. Hoard E. Taylor, business manager of Berea College, who died in Lexington this morning, will be held at the Union church here at 2 o'clock Wednesday afternoon. Dr. William J. Hutchins, president of Berea College, and Seth R. Huntington, pastor of Union church, will officiate.

Active pallbearers will be George R. Kavanaugh, George R. Bent, W. G. Blackburn, Gilbert Hibbard, Estell Meadows, and Rogers Byron. Honorary pallbearers will include Mayor J. L. Gay, A. C. Harrington, Dr. R. H. Cowley, R. D. Stafford, and C. N. Manning.

The family requests that no flowers be sent.

5 STUDENTS SUSPENDED

Charged With Promoting Alleged Communist Organization on Campus

QUARREL OVER FORUM

LOS ANGELES, Calif., Oct. 30—Five student leaders of the University of California at Los Angeles were under suspension for one year today as a result of what Provost E. C. Moore said was an attempt "to destroy the university by handing it over to an organized group of communist students."

The suspensions, Dr. Moore said, were an outgrowth of attempts by students to maintain, in the face of faculty objections, an open forum.

Those who will be forced to leave the university for a year are John Burnside, president of the student body; Sidney Zsagri, chairman of the forensic board; Thomas Lambert, chairman of the men's board; Mendel Lieberman, chairman of the scholarship committee; and Celeste Strack, former university debater.

In a formal statement the provost said the drastic action was necessary because he believed the four further the National Student League, an alleged communist organization. Miss Strack was suspended for "persistent violations of university rules."

HOMECOMING TO BE HELD HERE FRIDAY

Football Game, Dance Will Be Feature of Program

BIG CROWD EXPECTED

Friday, November 2, Eastern will have her homecoming when many former students will be present to see the football game in the afternoon between Morehead and Eastern. The day being made Friday instead of Saturday was due to the Kentucky-Alabama game to be played in Lexington Saturday and to which many of the students here want to go.

In a statement given to the Progress, Mr. R. R. Richards, head of the publicity department, said, "Homecoming is one of Eastern's most important events."

Although not a great number of the Alumni are expected to be here there will be many who will attend, so let's all be there to cheer for the Maroons when they are on the field and to show the Alumnus who are here that the student body of Eastern has as good if not better school spirit than when they were on the campus. The band will be there to give their assistance with music.

Friday evening the Little Theater Club is having a dance in the gym, to which all Alumni are invited. Music will be by Andy Anderson and his orchestra.

The students who are enrolled at Eastern will be admitted to the game for fifteen cents and the student cards.

BROADCASTS TO CONTINUE

Radio Programs Will Be A Permanent Feature Here

JONES TO SPEAK

Eastern State Teachers College, which has already broadcast three programs from radio station WHAS, Louisville, is to continue to broadcast regularly thruout the entire school year. She is to be on the air each Tuesday from 2:30 to 3:00 o'clock p. m.

It has been decided that the programs will be composed mostly of music of various types. All talent is to be obtained from within the institution, and as many students are to take part in these broadcasts, as is possible.

On each program there will be two short addresses by members of the faculty. These addresses will be of interest to both students and people of the commonwealth, and it is hoped at all times to have an entertaining as well as an instructive program.

The program for November 6 is to be made up of the Model High school girls' glee club; the college men's glee club, and a violin solo by Helen Hull Lutes. One of the addresses for this program is to be given by Dr. W. C. Jones, dean of the other address on Jones the college, on American Education Week. Dr. Noel B. Cuff will deliver the other address on "What the School is Doing for Your Child."

The week of November 11 to 17 is known as book week and the program for November 13 has been planned with this in mind. Miss Mary Floyd, librarian, will discuss "Your Personal Library; Miss Mae Hansen will discuss "Children's Literature;" and a considerable portion of this program is to be given to music.

Eastern is well pleased with the response the public has given to these previous broadcasts; several telegrams and letters complimenting these splendid programs have already arrived. They feel certain that these broadcasts will help to bring a closer relationship between home and school.

AGRICULTURE CLUB ELECTS BOYD LONG

The Agriculture club held its second meeting in the Health building Thursday, October 25, under the sponsorship of G. M. Gumbert. There were a good number of students present at this meeting and great interest was shown by all in attendance.

The following officers were elected for the year 1934: President, Boyd Long; first vice president, Carl Clifton; second vice president, George Kurts; secretary and treasurer, Christine Frisk.

The club then held a discussion and planned some events for the ensuing year. A dance will be sponsored by the club some time during the school year. Interesting and beneficial programs are being planned for future meetings.

All students who are inclined toward agricultural phases of work are invited to attend the next regular meeting which will be held on Thursday, November 8th.

PROGRESS PLATFORM

A Campus Beautiful.
A Professional Attitude among Teachers.
A Greater Eastern.

Homecoming

This week on this campus will be observed another annual Homecoming. A certain day each year has been set apart at almost every college in the country when old grads may again visit the scene of their school days.

One of the greatest needs that Eastern has is a strong, organized alumni association. As in everything else, only organization can help if the old grads are to do anything constructive for the school.

The student body should form into an unofficial welcoming committee for these students who are revisiting the campus which they used to look upon as home.

Out of days of this kind come real achievements. The students who used to be here, and the graduates get a contact with their Alma Mater that is productive of a finer and better spirit in their ranks.

National Education Week

This next week, from November 5 to 11, will see American Education Week observed on this campus. It is entirely fitting that on Eastern's campus should be observed the memorial to one of the most titanic and significant struggles for human equality and happiness—that for the education of the youth of the land.

At this time we are facing a new social order. The old methods, the old ideals are tottering, and the new attitudes are creeping into everything that we do or have.

that the education of the children of today will greatly influence the attitudes of our men of tomorrow. The student body is urged to make this week more than just a period of time—a passing event to be forgotten when it is behind us.

Democracy

The Reverend S. Parkes Cadman, who delivered such a stirring message here recently, struck a very warning note in his remarks on the struggle which democracy is having in Europe.

Democracy is wholly dependent upon the group. If it desires to be a free, self-governing body, it will be just that; if it desires to be ruled by one man, or a few men, then it will always find that there are a few who will dictate.

We often hear the phrase "Eastern is a friendly college." Perhaps we have become so familiar with it that it makes little or no impression upon us when we do hear it.

The administration has had a large part in the existence of this spirit. For one thing, the bars which have been set up against the existence of social fraternities and sororities do a great deal toward keeping alive the feeling of equality that exists here.

There is no place on this campus for the Pharisee, who considers himself above his brother. The snob is out of his element at Eastern. And as Dr. Cadman said that the salvation of world democracy seems to lie in English-speaking countries.

GLEANINGS

We wonder, after seeing the headline, "Huey Long Talks," whether the thing couldn't be turned around to read "Huey Talks Long." And that thought is naturally followed by the other arrangement of the three words, which would be "Long Talks Huey."

The cynic is a person who is affecting his attitude because he feels that he is just a little bit inferior to someone and he thinks that he can escape detection by scoffing at things he sees.

either of the other two. (I case you didn't know Gleanings is supposed to be a column of amusing comments on current happenings).

And with all the queries and remarks that certain Freshmen have indulged in during the past week, the Progress really should have a column entitled "The Cute Sayings of Freshmen," much as a leading weekly publication conducts one known as the "Cute Sayings of Little Tots."

Noticing all the activity about the campus with bug catching by members of biology classes, we would like to ask whether or not the bugs were consulted before all of this insect snatching began.

It occurs to me that a freshman may consider himself on the verge of growing up when he no longer looks through a magazine to read the questionable advertisements and then toss the thing aside.

Give us bigger and better chape programs conducted by the student body. Even if we fall to get buckets full of "culture" and "professional attitudes," we do receive much entertainment.

We, too, were held spellbound while S. Parkes Cadman poured out gems of logic, philosophy, and enlightenment. He entered for peace, understanding, tolerance. For the time when:

What Dr. Cadman said, he said beautifully and inspiringly, but that mighty English bard, Lord Tennyson, uttered in the nineteenth century what Cadman repeated last week in different language.

Your columnist has been duly criticized for writing everything under the sun but campusology. This is a grievous neglect on my part, but since there is so much competition these days from the other columnists, I have to attempt versatility to keep my place in the sun.

MEN IN RED

Nominee for Eastern's successor to Nero: "Elmer the Great" Tierny. This boy is no fiddler, nor is he an emperor; but boy, oh boy, what he can do on a football field.

This God's gift to women (and to last year's Prom Queen) was born in Ashland, Ky. He played football for the Ashland Catholic High, and, while playing basketball for the Y. M. C. A., was a member of the team that was runner-up in the Tri-State tournament.

Upon entering Eastern, "Elmer" modestly proclaimed that with his entrance Eastern was getting the best athlete in the United States.

The wonder boy of the Institution—Lewis T. Corum. Born in Corbin. March the thirteenth, nineteen hundred and fifteen, he is now a Senior in college, member of the football team, and a one-woman man.

Lewis attended Corbin graded school, and went to Corbin High three years. His last year in high school was spent at the Catholic High in Corbin.

His Freshman year at Eastern he played guard on the Little Maroon aggregation. This year, his Senior year, he is playing guard on the Varsity squad.

Although he has red hair, Lewis seems to be a very mild sort of fellow. (Is this true, Thelma?). His ideas in life are: to be well dressed at all times, become an M.D., and—I quote—"I'm crazy about Willoughby, and before I'm thru she'll be crazy about me."

SHALL THE IMMORTAL WORDS OF THOMAS JEFFERSON BE FORGOTTEN?

The IONIC Lloyd Murphy's Column of Pure Piffle

Perhaps someone could tell me the connection between a "cultural organization" and the idea of purchasing fruit from the president's back yard. Strange influence these cultural organizations have.

real motives. Rationalization seems to be the favorite sport of most of us. Things that cause me to wonder about the effectiveness of our educational system: People who out cafeteria line; people who stop in the door of the postoffice to read their mail; people who are so dead set on making the old certificate that they are blind to the idea of learning how to live at the same time.

IN TUNE WITH OUR TIMES MORE REASONS THAN RIMES

By GIB PRATHER CANTO I The witches of Endor are out on a bender Tonight, on their annual fling, They hover on brooms, and plot out the dooms Of men; and this ditty they sing.

So, all you guys can choose if you're wise Twixt witches on brooms or in paint here, Eut the broom ones are cheaper to sower and reaper For they're withus but one day a year.

CANTO II The innocent lassies we sit near in classies Are sweet, and demure, and so shy, They're surely no kin to those sisters of sin Who will hover tonight in the sky.

Oh we are the girls from the shadows, Who come from the regions below, And concoctions we mix, in our home on the Styx, That will pace men we catch in a terrible fix, Eut be sure that by morning we'll go—we'll go— Be sure that by morning we'll go."

PORTWOOD AND HIS BOYS A bunch of orchids and a few good healthy pats on the back to Coach Al Portwood and his sturdy band of freshman gridlers on their brilliant victory over our ancient nemesis, Transy, last week.

"Mudder" Everling made those Transy freshmen look silly chasing him around the field and his trio of assistin gartists, Jimmie Caudwell, Elwood Douglas and Norb. Rechtl., helped complete the riot that was called a game. Had the game been played on a dry field this bunch of junior "Four Horsemen" would have made the score so large that logarithms would have had to be used to count it.

That line, consisting of Molesburger, Von Walden, Farris, Lacey, Moore, Cummins and Lee, also played havoc with the Transy backs and records show that Transy lost far more ground during the game than they gained. The blocking on the line was also faultless and was one of the outstanding features of the tilt.

Al Portwood, the dynamic leader of these freshmen of ours, deserves as much credit for their victory as anyone does. Al is the sort of a person that a football player wants to play football for, and does. Again we say, Bravo, freshmen, keep it up as that Centre crowd will be plenty tough, and we hear that Morehead is no set-up this year f.r. once, but you can take them by just playing the consistent ball you have been demonstrating.

THE "E" CLUB The first meeting of the "E" club was held last week at which time plans for the clubs annual dance were completed. The dance is scheduled to come off on Nov. 17 and all proceeds of the affair will go to provide letters and numerals for varsity and freshman athletes.

HEAR YE! BASKETBALLERS Coach Hughes desires that any varsity man who is a candidate for the basketball team this year to report at the gym at the first Tuesday in November, which will be on the 6th day. The time is from 7:00 to 8:15 o'clock.

HERE AND THERE After the recent Eastern-Transy frosh game was barely over and the players were fling off the field, Saylor Cummins was heard to remark that "today's game was about as easy as scrimmaging the varsity, wasn't it?"... Jim Brown would be a Big Ten coach's dream of a full-back, big and fast on his feet.... Big Lee of the frosh is one of the sweetest blockers on any football field, also a good pass receiver.... Heber Tarter says that all the holes in the line are "closed open" when he gets there. You explain it, we can't.... Coaches are getting tough on delinquent footballers, another bit the dust last week.... Gold football idea smashed. Come out to the Morehead game. We are going to win, 13 to 0.

Miss Martha Reed was the guest of her parents in Newport last week-end.

OUR EDITOR made One-Timer the past week, and so did MRS. BARNHILL. Whats this school coming to?

TOMMY SCOTT is out of town. Latest on TARTER: He went into a barber shop down town; sat down on the footrest of a barber chair; and when told to get up, said: "Where in the heck is the barber going to sit?"

The Clay county students wish to know why CARL MARCUM wants to go back home every week. It is reported that he takes RICE for breakfast.

BOB MAVITY swung at PAUL FEINSTEIN the other morning—with his foot—and where did the foot land? Right on MARGARET BENTON'S unsuspecting anatomy. PAUL found it amusing, and MARGARET—

BESSIE BAUMGARDNER has been eating lunch every day with ZACK RICE, up on the Summit.

Is it true that MARION HAGAN spends her time making eyes at JOE HENNESSEY?

ZERELDA LAKE says that she has the most fascinating lips on the campus. Well, maybe.

DON DORRIS is making an extensive study of distilleries—in the interest of organic chemistry.

Is POLLY GOATLEY cutting out HELEN GARDNER with DELBERT PARTIN?

Those shaved heads are beautiful to behold.

The MARGARET HUBBARD-OTWELL RANKIN case is progressing nicely. STAMPER and DUNHAM are always together these days... NAN TERRY and BEN BINGHAM spend much time at the library studying... what?

Is THEODORE KEITH taking DYKES place in CATHERINE RETTIG'S heart? We wonder...

LOUISE BALDWIN and JACK HUGHES think October weather is beautiful.

Wonder if BOB RANKIN thinks MRS. RANKIN'S presence makes up for Eastern's lack of sophistication? Also, why do they look so much alike?

What's happened to BONNIE'S big senior?

THROCKMORTON and his NORTHERN KENTUCKIAN seem to be having trouble.

RUTH TOLBERT almost straine'd a tonsil yelling for MIKE SCHULTE at the Georgetown-Eastern game. She must not be so in love with JUNIOR as we thought.

ON GREATNESS

One of the great American past-times is that of knowing to supposed greatness. The popularity of many of our great men depends upon the fact that they are incomprehensible. This fact makes them quite original, for being incomprehensible, no one can contradict them. The more vague a thing is, the more sacred it becomes to the American public.

Official positions, or the possessions of title also adds much to the magic of this masquerade. This is most readily seen when one thinks of the platitudinous blather of politicians. Congressional messages, Fourth of July orations, and such give the poor folks many things to talk about.

The older rewards of original thinking, and the most certain indications of greatness in the realm of thought were ostracism, excommunication, crucifixion, and burning at the stake. Our modern great are free from such, however, for they can never make themselves well enough understood to be real dangerous to society. This blast world must be amused and bled.

GREETINGS TO ALL!

We understand that the campus is going "Yates"-minded. Lots of girls are "twitting" SAM—err—BOB, but he swears he only knows who one of them is—

Then theres GLENNA BEGLEY, who dates them all and tells them to like it; and RICH COLLINS who dates them all and takes it for granted they'll like it. This is a mere comparison.

LUCILLE CASE is mad at One-Timer 'cause his report wasn't correct... She's really two up on GERTRUDE WHITTINGTON—or she was at the last report we received. Then, too, she's been seen with another LUCIEN. This one is the downtown banker.

ADA JUETT and LEE POYNTER have been having their ups and downs, too. She was recently heard to say that she would go on the stage if she could sing as well as he thinks he can.

ED HILL hasn't been hanging around the office so much since CATHELEN WELCH has been ill... and we thought that he had gotten the habit.

Who's to wear the laurels—CURT BURNAM or MARTHA HAMILTON?

BILLY McLAUGHLIN and MARGUERITE WYRICK have been getting entirely too much notoriety recently.

ARNOLD, WHINKLE, COLLINS, ETC., ETC., and now the "Highwayman" GILL... L. LEWIS, you're some fast worker.

We saw ZERELDA LAKE and FLOYD CAMMAK together the other night.

For your particular benefit we are publishing a letter, in part, which will give you an idea how much BILL HENSHAW cares about a certain Eastern doll. It was sent to Bill Rains (unknown to us) of Union... "Bill, I have the sweetest little business here in school. It has black hair, eyes, and sweet as the proverbial sucrose. It's 5 feet 3 and hits the scales at 118—and by, she is every inch T.N.T. You will meet her soon, I hope. Well, Bud, I hope I can see you SAT. the 13th; if not the 13th I will see you Sat. 20. So long, and don't get hurt Sat.

Your Buddy, BILL."

P. S.—Look for me Sat. if I come.

Margaret Willoughby isn't satisfied yet. She wants to lose ten more pounds.

PAUL TIERNEY is looking like a "Symphony in Blue" these days—just thought I'd mention it.

Saw MARY DORRIS at the M. H. S. dance the other night with DOG WILLIAMS.

It seems that we are the arch-enemies of the poetic, the aesthetic and the creative. So, we turn to the great gods of the masses. All else is absurdity, and worse than that, illusion. We have yet to realize the FURE INTELLIGENCE has no opinions, no prejudices, and no passions. (Thank you Mr. DeCaseres.)

UNCLASSIFIED

I wonder why some women (and quite a few men) assume such funny positions when they dance... some bend over at a angle... others hold their arms out like wings... come close heir eyes and swing their heels, while some—but what's the use of going on... by their dandling ye shall know them... I notice that the Marshall College Parthenon is a semi-weekly disappointment now... it used to be a darn nice rews sheet... Three guesses why there is a big smile on my face... To Whom It May Concern—Its true... I am the father of a nine months old daughter... and her name is Bobble Lee.

Mildred... well cut lips... and smudges of disbelief for eyes... her voice is low-sweet... her songs are like the wind at night or the beads a young monk tells... she has a passion for fine glass and very old lace... I remember her

Upper Cumberland Club Organizes

The Upper Cumberland Club met in Roark building Wednesday, Oct. 24, for organization. The club is composed of the students from Harlan, Bell, Knox, Laurel, and Whitley counties. The Upper Cumberland has the largest enrollment here this year than it has ever had before.

An election was held in which Joe Gilly, Harlan, was chosen president, Cleo Robbins, vice president, Marie Hoard, secretary, and Rondal Sharp, treasurer. Mr. F. A. Engle was again chosen as the sponsor of the club.

Committees were appointed to have charge of the socials and programs to be sponsored by the club. An outing has been planned for this week. The club will have its regular meetings the first Tuesday of each month at 4:00 p. m. in Roark Hall.

EASTERN WILL MEET EAGLES HERE FRIDAY

Maroons to Play First Home Game of Season; Purples Host to Frankfort on Thursday

HOME COMING CONTEST

After a week's lay-off the much-defeated Eastern Maroons are winding up their preparations for their home game of the season which is also being played as the annual homecoming contest.

Having lost to Miami, Transylvania, Union and Georgetown, the Maroons hope to atone somewhat for their miserable showing by defeating the Morehead Teachers College Eagles here Friday afternoon.

The game was scheduled for Friday in order to permit fans to attend both Eastern's homecoming and the University of Kentucky homecoming game which pits the Wildcats against the University of Alabama Red Elephants. This game will be played Saturday on Stouffville in Lexington.

The week without a game has given the Maroons an opportunity to recover from the despondency which had attacked the squad as a result of the four defeats, and today as the Maroons swung into their final phase of their practice for Morehead there was a definite feeling that Friday will mark the first victory for the Maroon and White.

However, Coaches Turkey Hughes and Tom Samuels are not taking the Eagles lightly, but they believe that if the Eastern eleven plays the football of which it is capable, but which it has not exhibited since the opening game, that the Eagles can be defeated. The coaches and several of the players saw Morehead play Transy last Friday and got a good line on what to expect Friday.

Due to Eastern's game being scheduled for Friday, the Madison High Royal Purples had to set their game with the loop-leading Frankfort High Panthers back to Thursday afternoon. The Purples are given little chance against Coach "Chuck" Rice's high-stepping performers, especially since their poor showing against the weak Georgetown High Buffaloes last Friday at Georgetown.

Dr. J. H. Payne is Definitely Better

Dr. John Howard Payne, president of Morehead Teachers College, was said to be definitely improved following an operation more than a week ago at the Pattie A. Clay Infirmary here.

L. T. C. TO PRESENT A PLAY IN CHAPEL

The Neophytes of L. T. C. met Tuesday evening, October 23, for make-up demonstration. The results of four weekly instructions "back-stage" are very satisfactory on the whole.

L. T. C. proper met at 7 o'clock Tuesday evening. The active membership is indeed very "active" this year. In addition to the one act play to be presented in chapel November 2 the cast for another play, the name of which will be announced later, is being selected.

FRANKLIN IS HEARD HERE

Speaks Before World Affairs Club on Germany

STRIKES AT NAZIS

"The sooner the Nazi regime collapses the better for Germany and all Europe." Stated Dr. Harry Lee Franklin, guest speaker of the World Affairs Club, Thursday, October 18, at 4:00 p. m., in the Auditorium of the University building. Dr. Franklin spoke on the subject of "Germany and her relationship to the Situation in Europe". His talk dealt with the part that Germany has played in the Balkan situation and the new alliances of the European powers.

Dr. Franklin was formerly a member of the American Foreign Service, having served as consul in Berlin, Leipzig, and Warsaw. He received his doctor's degree from the University of Leipzig. Since his return in 1933 to the United States he has been connected with the University of Kentucky.

"The only way the outside world can strike back at the Nazis is through boycott, because Germany is dependant on raw materials from other countries. There is no chance for credit with Germany because Germany has backed out of her agreements." Stated Dr. Franklin, along with many other comparisons of how trade influences the relations of one country with another.

Dr. Franklin stated that another European war was averted when Hitler refused to allow his troops to enter Austria after the death of Dollfus. Yugoslavia is playing the German game and hopes to gain from France.

In closing Dr. Franklin said that Nazi regime is responsible for the feeling between Poland and Germany. The whole regime has antagonized the continent of Europe and England. The United States attack the Nazi regime because of its suppression of personal liberties, and the conflict between the church and state. Another main cause of conflict is that the Nazi have tried to destroy all of the finer arts of that once powerful country.

NEW SPORTS PLAN STARTS

High School, College Intramural Activities Begin

HEMBREE IS SPONSOR

"There will be no interscholastic program for the high school athletic club," said Mr. McDonough, head of the physical education department, in an interview given to the Progress Monday, October 22, 1934.

"But there will be an intramural program, with the boys divided into teams called the reds and blues. The score will be run on a point system which will be as follows: daily attendance, participation in the tournament, scholarship, health standards, Red Cross, and life saving.

The tournament will consist of the following: playground baseball, touch football, speed ball, basketball, volleyball, swimming, handball, long ball, track and field, tennis, and physical achievement standards.

There will be 32 boys in this club from the junior and senior high school. This program is to last thru the entire nine months school term.

Mr. Hembree is the sponsor of this club, with Jack Galloway as his assistant. Their aim is to give every boy an opportunity to take part in various wholesome activities.

There will be a volleyball tournament for the college men at a very soon date. Mr. McDonough requests that each class president make out a list of eight men who want to play in this tournament and have their names in his office not later than Saturday, October 10. He hopes that the class presidents will cooperate in handing those names in before the above date.

About the last week in November will start an interesting tournament for the college boys. This will be the basketball tournament played by the different counties. Following the basketball tournament will be a handball tournament for those who want to participate.

McDONOUGH IS HEARD ON SAFETY EDUCATION

"We must adjust ourselves to the rapidly changing conditions of the machine age in order to avoid accidents," said Thomas E. McDonough, head of the Physical Education Department of Eastern Teachers College, in an address last Wednesday at assembly hour.

He quoted many statistics to impress upon the audience the great number of accidents from all causes yearly in the United States.

Mr. McDonough said that we must teach the child safety education because through the children of the nation we will be able to cut down numerous accidents in the future, and that cooperation of home and school is needed to accomplish this. At the conclusion of his address he had a demonstration given by members of his class in first aid.

Anyone is expert in telling how a thing could have been avoided after it happens.

FLETCHER HENSTEP SPEAKS ON AMATURES MUST EAT

By PAUL FEINSTEIN
"I started on the road to fame and glory via the football route at the age of six, a tender age, you might say, but I was some kid". And with that pithy remark our friend Fletcher, was off. "I owe my success to all the popular brands of products on the market to-day." (They pay him lavishly for his testimonials).

"I drink only dated coffee, because I must always conserve my energy for a certain date," says Fletcher. "I smoke Buckles in the huddle to steady my team, and I wear Narrow shirts because they go straight to the point", quoth young Henstep. "I like Helena Reubenstein's Beauty Preparation because I have Communistic leanings, and how those Reds tackle!"

"I never use pink toothbrush, in fact I never use any toothbrush. I was born without teeth, so why should toothpaste manufacturers make money on me?" (Incidentally Ripana offered \$3000.39 to Fletcher to prevent his making the above statement, but Henstep is an honest youth, and in his own words "the truth must be told". Besides, he wanted \$3000.73.

Of training, the young gladiator has the following to say, "I always indulge in Ovalbeans, that famous Swiss food drink. It enables me to sleep all day, and to care for my night-owl proclivities by night. I was also made the recipient of 'How To Yodle-In 10 Easy Lessons' along with my Ovalbeans."

"While I attended Walmesley Theological and Technological Institution I got a gold football" (made from the fillings of four vitamin lacking molars). "But that was not my greatest thrill", chortled the man to whom thrills are a daily commonplace. "My greatest thrill was the event that made football history. It was in Honolulu, and being accustomed to playing in cooler climes, I was soon overcome by the tropic heat. As I lay prostrate on the grid a beautiful native lassie came rushing out and fanned me back to health and sanity with A Palm Leaf".

EASTERN ON AIR TUESDAY

Madrigal Club to Present Two Musical Numbers; Trio to Play

DORRIS TALK ON BOONE

One of the features of the October 30 broadcast from the Eastern Teachers College over WHAS from 2:30 to 3:00 will be the appearance for the first time of students on the program. The Madrigal Club, which is the most important musical organization for women on the campus, will be heard in two numbers. The first one is "Lullaby Lullaby" by Barratt. For their second selection, this group of college women will be heard in the Gypsy "Merry Zingarella" by Rockwell. The Madrigal Club comprises 46 voices and is under the direction of Miss Mary Murphy.

The Eastern Trio, which is composed of Miss Brown E. Telford at the harp, Mrs. Helen Hull Lutes, violin, and Miss Jane Campbell, cello will play that well-known composition by Mendelssohn "On Wings of Song".

Miss Brown E. Telford will be heard in three solos. The first, "La Source" meaning "The Fountain" is by Zabel, and the second, "Eude", interpreted to mean "If I were a Bird" is by Hensell. In the third selection to be played by Miss Telford, she has chosen a song of the Venetian gondoliers entitled: "Barcarolle From the Tales of Hoffman" by Offenbach.

In addition to the music, two speakers from the Eastern faculty will picture for the radio audience some of the interesting things in connection with the life of that sturdy pioneer—Daniel Boone. Dr. J. T. Dorris, of the History department, will speak on the "Daniel Boone Bicentennial," and Mrs. Mary E. Barnhill, of the English department, will picture "Daniel Boone in Literature".

The opening and closing music will be furnished by Mrs. Helen Hull Lutes with her violin.

North Ky. Club Theatre Party

At a recent meeting of the program committee of the Northern Kentucky club, plans for the next regular meeting of the club were completed. The committee consisting of North, Rechin, Bob Ruby, Bob Mavity, Eileen Fight, Louise Weaver and Miss Lucille Derrick, sponsor, decided on a club dinner to be held in the recreation room followed by a theater party at a downtown picture house on Friday night, Nov. 9. Announcement to the club members will be made at an early date next week.

District P. T. A. to Convene in Irvine

The seventh district of the Kentucky Congress of Parents and Teachers will meet in the annual fall convention to be held on Wednesday, October 31, at 10 a. m. in the Irvine High school, main street. All members of local associations and all others interested in parent-teacher work are welcome and urged to attend.

FINE ARTS BRINGS 3 ARTISTS HERE

The Fine Arts committee has to date scheduled three programs, according to Dr. J. D. Farris, chairman of the committee. The programs which have been signed to come to the campus are:

Louise Stallings, soprano, December 12; the International Trio, February 5; and Ralph Warren Soulo, baritone, April 25.

Last year the Fine Arts committee brought Ted Shawn and his dancers to the campus, and are now negotiating with other interesting singers, dancers, and players that they hope to present at later dates.

Little Maroons Show Power in Rolling Over Transy

EVERLING IS STAR

A husky, well coached, Little Maroon team handed a 20 to 0 defeat to the Transylvania yearlings last Thursday on Thomas Field to win their initial game of the season.

The first score came two minutes after the opening whistle when Douglas, Eastern fullback, intercepted a pass and ran 70 yards for a touchdown. Cummins drop kicked the extra point.

Transy's only threat came in the first quarter when Napier blocked Rechin's punt and Scott recovered on Eastern's eight yard line. But the Maroon line held and Transy's four successive attempts at scoring were futile.

A 20 yard pass from Rechin to Douglas in the second period placed the ball on the 1 yard stripe paved the way for the Little Maroons second tally.

Cummins and Molesberger blocked Lynn's punt behind his own goal line and Molesberger recovered for the third Eastern touchdown.

"Sailor Boy" Cummings at right tackle, Lacey at center, Everling at left half, and Molesberger, diminutive end, were outstanding in the line while Rechin at quarterback and Everling were prominent in the backfield.

Line-ups and summaries of the game:

Eastern (20)	(0) Transy
Molesberger .. LE	Napier
Van Walden .. LT	Tilgham
Moore .. LG	Elliott
Lacey .. C	Carr
Farris .. RG	Ewalt
Cummings .. RT	Scott
Lee .. RE	Lacey
Rechin .. QB	Green
Everling .. LH	Lynn
Caldwell .. RH	Criswell
E. Douglas .. FB	De Zonia
Touchdowns: Douglas, Everling, Molesberger.	

Points after touchdown: Cummings, Molesberger.

Substitutions: Eastern — Tucker, Wash, McConnell, Shearer, H. Douglas.

Officials: Mohny, referee; Bach, umpire; Serving, head linesman.

COUNTY BASKETBALL

Last week-end results in county basketball games, as reported by the coaches follow: Waco 7, Bobtown 11; Miller 18, Speedwell 7; Newby defeated Kirksville, score not reported; Union defeated Red House, score not given. White Hall was unscheduled.

There are 2,300,000 stones in the Great Pyramid, according to an estimate.

TIGERS TRIP EASTERN ON LONG PASSES

Maroons Bog Down After Leading Georgetown by 9 to 0

HEDGES SCORES

An intercepted pass, a blocked punt and a pass that led to another touchdown spelled defeat for the Maroons when they buckled up against the Georgetown Tigers. Defensively the Maroons played on a par with the Tigers, holding for downs several times and forcing Georgetown to punt. Again, however, Lady Luck was on the opposing side and Eastern lost her fourth game in four starts.

Coach Hughes' men were off to a flying start when "Little Joe" Hedges toted the pigskin across on an off-tackle slant in the first few minutes of play. A few plays later Greenwell, who played a superb game in the line, kicked for three more points to give Eastern a 9 to 0 lead. The Tigers, led by Capt. E. Day, began pecking away at the Maroon's lead and scored once in each of the first three quarters, each time a break in their favor paving the way for the touchdown. Meanwhile Eastern's offense was completely bottled up by Georgetown's forwards and they were unable to offer a serious scoring threat, making only one first down in the last three quarter, that on a pass from Tartar to Schulte, which placed the ball on Georgetown's 22-yard line. Here the Tigers again held and the Maroons were sent home on the short end of an 18 to 9 score.

Transy's only threat came in the first quarter when Napier blocked Rechin's punt and Scott recovered on Eastern's eight yard line. But the Maroon line held and Transy's four successive attempts at scoring were futile.

A 20 yard pass from Rechin to Douglas in the second period placed the ball on the 1 yard stripe paved the way for the Little Maroons second tally.

EDUCATION WEEK

FRANKFORT, Ky., Oct. 30 — Governor Ruby Laffoon has proclaimed the week of Nov. 5-11 as "American Education Week." Kentuckians are called on to observe the week and "do all within their power for the advancement of education in Kentucky."

"The school system of Kentucky has been one of the contributing factors to the greatness of this state and nation," the governor remarked.
