EASTERN WINS BY 31-0 SCORE

Maroons Will Play University of Louisville as Feature of Day

EXCHANGE BOYS BAND

Eastern is trying something this year—Home Coming. On November 12 the Maroon football team plays the University of Louisville on the home field. Many interested students, as well as some faculty members, have expressed a desire that we make this the home coming game and invite all old grads and former students to return at this time and cheer the Maroons on to victory.

This will be the best game to be played on the home field this year. The largest and the most enthusiastic crowd of the year will be present. The Exchange Club Boy's Band will be present to play for us again. It is well worth one's time to see and hear this band. The band journeyed to Winchester with the team on October 15 and made such a big "hit" that every one wants it again.

All former students, and any others that care to, should get in touch with the Editor of the Progress for any information you desire concerning the game. Let's all make arrangements to come.

HOME EC. CLUB IS ORGANIZED

Elect Miss Elliston as President; 25 Members Join

OUTLINE ACTIVITIES

Since the beginning of the school year various clubs and organizations have been busy, each in their own way trying to accomplish some good for the club, for the school, for each individual member, and thereby for the children of the commonwealth of Kentucky.

Perhaps the last one of these clubs to be reorganized this year was the Home Economics Club which met on the evening of October 20. The major girls in home economics first organized the club last year with the hope of furthering the interests of home economics among the girls on the campus. The club last year was very successful from every viewpoint, and the girls who belonged last year can look back with pleasure to the happy times they had at the banquets, lectures, and the general get together meetings given by the club. It is hoped that the club will be as successful this year, and from the start which was made last Wednesday evening it looks as if it will.

The club was organized with twenty-five members present, and the following officers were elected: Evelyn Ellison, president; Dora Hancock, vice president; Mary Daniels, secretary-treasurer.

Dora Hancock was elected to represent the club at the annual club meeting held in Lexington October 21-22. Miss Hancock spent Saturday morning at the club, attending such parts of it as the home economics club is interested in.

Any girl who has had one semester of home economics or who is now taking a course in home economics is eligible to membership in the club, and it is hoped that every girl who is eligible will become a member. The club meets at 6:30 o'clock in the home economics department at Sullivan Hall on the first and third Wednesday of each month. You are assured both a profitable and pleasant time.

It may not be amiss to call attention to the certificates issued at Eastern. 1, The Provisional Elementary Certificate, good for two years, is issued by the State Department of Education upon the completion of eight high school units in a State Normal School. This certificate can be renewed for two more years on obtaining two more high school units. The same procedure can be continued until high school graduation. A student can obtain a high school diploma on obtaining sixteen units.

Eastern does not give free tuition to students under sixteen years of age or admit them into the dormitories. Eastern is in no sense in competition with the regular high schools of the state. No one can secure a certificate unless he is eighteen years of age; therefore, it is better to attend the high schools until the student is at least seventeen years of age. Of course, Eastern is glad to serve the state by accepting sixteen year old students who, for any reason, cannot attend the high school. Let it be understood that the Normal School is a regular high school with courses in Education to prepare teachers, and high school courses in the "common branches" to enable the student to get a high school course in the subjects he must teach.

In the Teachers College—the Normal Teachers College—the high school graduate can secure a College Elementary Certificate, good for two years, in a single semester, provided he makes sixteen hours of credit in certain subjects. In two years of thirty-six weeks each, the student can secure a Standard Certificate, good for life after three years of successful teaching. Let it be noted that the present Attorney General has ruled that the certificate must be extended at the end of the three years, that if the holder of a certificate fails, for any reason, to teach or fails to have the certificate renewed before the end of the three years, the certificate is void. All persons holding an Advanced or Standard Certificate should carefully read the same and not permit it to die on their hands. To obtain the Standard Certificate, a person must earn 64 semester hours, 39 of which are required by the School. The other 25 hours may be elected by students out of the subjects offered by the School. The subjects from which the 25 hours may be elected in obtaining the Standard Certificate are: Education, English, History or Social Science, Biology, Geography, Chemistry, Physics, Physiology, Mathematics, Agriculture, Home Economics, Manual Training, Commerce, Music, Art. Let me repeat that a student may elect 25 hours in these subjects in addition to the required subjects which are: Education, 12 hours; English, 9 hours; Mathematics, 3 hours; Social Science, 6 hours; Science, 9 hours.

Eastern also confers the Bachelor of Arts in Education or the Bachelor of Science in Education on the completion of 128 hours. To obtain either one of these degrees, 61 hours are required. They are as follows: Education, 18 hours; Social Science, 12 hours; Mathematics, 7 hours; English, 12 hours; Science, 12 hours. Resident study of thirty-six weeks is required as a minimum for a degree. For a major subject the minimum is 24 hours and the maximum is 34 hours. The minimum for the first minor is 18 hours and the second minor, 12 hours.

The Eastern-Tennessee game was not up to par as far as fighting spirit was concerned. The hard, dusty field accounted for much of the sluggishness of the game.

Children's Club Convention Held At Eastern With 78 Present

WHOLESALE ACTIVITIES

Last August Miss Schnieb, of Eastern Teachers College, spent several days in Garrard county working with the teachers in organizing their schools. All the schools visited were given a nucleus of a library in the form of health pamphlets, food pamphlets, books on games and many other subjects. In order that the students might know Miss Schnieb better and that they might have something in common, she taught one lesson in English and one in hygiene in each school visited.

One of the most beneficial things accomplished was the organization of clubs. Some sort of a club was organized in each school visited, such as, Good Citizenship Club, Audubon Club, Daily Improvement Club and "Keep Klean Klub." Each club has eight standing committees. They are as follows: Program, Social, Publicity, Health, Study, Attendance, Library and Building and Grounds.

When Miss Schnieb visited the schools she suggested that a convention be held in Richmond some time in October. This idea didn't take well at first, but as the organizations grew the convention idea spread. The outcome of the whole affair was a Children's Club Convention, the first of its kind to meet in Richmond.

On Saturday, October 1, 78 children and 68 out of 85 teachers met with Miss Schnieb in her class room in Roark Building. Each club had sent five delegates as their official representatives and as many others as cared to come.

The meeting was called to order at ten o'clock. After a song and the flag salute, the various delegates gave reports as to the activity of their club and school.

Among the many things accomplished by the various committees were such things as polishing stoves, repairing and cleaning out the gutters, cleaning yards, installing five drinking fountains, painting blackboards, bought books—one school had added 25 new books to its library—purchased tooth brushes, investigated attendance and had several news articles published.

The delegates decided that a goal—something to work toward—should be set. It was agreed that the school submitting the best program, the best minutes and the best newspaper clipping by December 1, should receive, as a reward, a year's subscription to the Hygeia Magazine.

With this the business meeting was over. Miss Hughes, assisted by Miss Callico, Miss Howe and other Eastern students, taught the children five new games, after which the students and delegates adjourned to the cafe for lunch. After about an hour at the gymnasium, where all the new plays were gone over again, the children assembled at Roark Hall to witness the presentation of a pennant to the Antioch school, a reward for having the largest delegation in attendance at the convention. Mr. Delbert Eagle, Berea College student, and Miss Mae Pendleton, Eastern student, are teachers at Antioch.

While the children were busy with their many activities the teachers were divided into four groups to hold their teachers' meeting. Miss Sue Scrivner, of the Richmond city school, was in charge of group number one. Miss Scrivner instructed the teachers in seat work. She went so far as to have each teacher make something from material supplied by her. Miss

1926-1927 EXPENSES

Library	\$2,000.00
Lyceum	1,250.00
Athletics	5,301.00
Socials	2,175.00
Trained Nurse	1,695.00
Incidentals	1,615.00
	\$14,244.00
Incidental Fees	\$10,666.00
Deficit	\$3,578.00

Eastern last year required every student to pay an incidental fee of \$4.00 per semester to take care of keeping up the Library—not new books—to defray the expenses of Lyceum Courses, Athletics, social affairs, trained nurse's salary and incidentals. The amount received by the school was \$10,666.00 and these expenses were \$14,244.00, a deficit of \$3,578.00. In addition to the sum paid for the six items mentioned above the school expended from state funds over \$4,000.00 and paid a local physician who gives free services. In order to avoid a deficit in the future the regents raised the incidental fee to \$5.00, which will be expended as follows:

Library	\$1.00
Lyceum	.50
Athletics	1.50
Socials	.50
Nurse	1.00
Incidentals	.50
Total	\$5.00

This shows the student what goes with their incidental fee. It goes to pay for things which should not be charged to the state. It is necessary to hold the expenses for these various items down within the sum of the incidental fees.

T. J. COATES, President.

McKINLEY SAYS:

A pint of corn on the hip is worth two bushels on the cob.

Be sure your'e right, then keep quiet.

Rapid combustion is the action of flaming youths upon inflammable mammals.

There's just as much idleness among the poor as the rich.

A fundamentalist is a man that won't carry an Ingersoll watch.

McKinney was in charge of group number two. This group attempted to solve some of the problems of teaching geography and map work. Miss Buchanan, in charge of group three, instructed the teachers in silent reading. She had them do silent reading as part of the demonstration. The high school teachers and principals constituted the fourth group. Mr. Keene instructed them in written and oral composition.

At an earlier meeting of the teachers, Miss Schnieb arranged for a subscription to the National Geographic Magazine for as many as care to subscribe. The possibilities of purposeful activities and where to secure material for same was discussed by Miss Schnieb.

From the remarks made by the various teachers, this meeting was the most profitable of its kind that they had ever had the privilege to attend. All were loud in their praise of Eastern and especially Miss Schnieb. The county superintendent, Mr. Skinner, was very much elated over the outcome of the convention and teachers' meeting. He was proud to have had so many of his teachers and children here and expressed the opinion that a chance to visit Miss Schnieb's class room, a model class room, was worth the trip here.

Trounce Tennessee Teachers in Game Replete With Thrills

The Eastern Teachers College crack football aggregation easily defeated the East Tennessee State Teachers College here Saturday afternoon to the tune of 31-0. The game was kept interesting by the long runs of the Eastern back who time after time broke thru the defense of their opponents for long gains.

The Tennessee eleven tried hard to penetrate the Eastern line but were not successful except on a few scattered occasions when they managed to garner good yardage off of a pass or their hidden ball play which was their mainstay.

Eastern's entire backfield played bang-up football but especially was the work of H. Moberly and Saufley outstanding. Saufley's 45 yard run in the third period for a touchdown was one of the most spectacular broken field runs seen in Kentucky this season. He received the ball on an off-tackle play and ran thru the entire Tennessee team to the goal line.

Equally as brilliant was the 80 yard run made by H. Moberly when in the latter part of the fourth quarter he took the ball on his own 20 yard line and skirted right end for a touchdown.

For the visitors Captain Painter at quarter and Hyatt at the right end position were the most outstanding. On numerous occasions Hyatt stopped an Eastern play. Painter was the main ball totter for the visitors and accounted for much of the ground gained by them.

Nard, playing right end for the local team, gave the Tennessee lads plenty of trouble and almost gave them heart failure in the second period when he hid out on the side line and grabbed a 80 yard pass from Saufley for a touchdown before the visitors or spectators knew what was happening.

The Tennesseans resorted to forward passes in a futile effort to score, using a total of 23 during the afternoon. Of this number 12 were incomplete and four were intercepted by Eastern players. However, much of their ground gaining was due to the aerial work. Eastern also broke loose with some pass work, using 14 during the game, but like the visitors they proved unsuccessful for they were able to complete only four of that number.

Besides the two long runs made by Saufley and Moberly the 45 yard gain made by Brock in the second quarter, when he intercepted a Tennessee pass, helped to keep the game exciting, to say nothing of the 12 and 15 yard runs made every few minutes thruout the game by the Teachers' backs. J. Moberly added a number of yards to the Eastern total, and Combs at left tackle played an excellent brand of ball.

Following is lineup for the game:

Eastern	Pos.	E. Tenn.
Brock	LE	Cope
Combs	LT	Bowman
Triplet	LG	Lackey
Hamilton	C	Isbel
Clifton	RG	Humphries
Clouse	RT	Galloway
Nard	RE	Hyatt
Saufley	QB	Painter
J. Moberly	LH	Kennedy
H. Moberly	RH	Treadway
Gentry	FB	Phillippi

Substitutions: Eastern, Crase, Guy, T. Shirley, Walker, Clayton, Morris, Dial, Pipes Noel, Tennessee, Nicely.

Officials: Van Winkle, Wesleyan, referee; Converse, Centre, umpire; Huguely, William and Mary, linesman.

Score by quarters:
Eastern 6 12 7 6—31
East Tenn. 0 0 0 0—0

**A CHALLENGE TO
 KENTUCKY TEACHERS**

At the National Education Association convention in Seattle in July leaders in the various states took the view that responsibility for the passage of the New Education Bill, which would establish a Department of Education with a Secretary in the President's Cabinet, is primarily a responsibility of the states.

Members of Congress are interested primarily in the opinions held by the citizens of their respective states. The Kentucky Education Association has endorsed the New Education Bill. Now it becomes our task first, to convince the citizens of Kentucky that it is a good measure, and second, to persuade our senators and representatives to vote for it when it is presented.

Let every Kentucky teacher adopt the following program as his part in promoting this great historic movement:

1. Read and become familiar with the New Education Bill, copies of which may be obtained from Members of Congress or may be read in The Journal of the National Education Association for February, 1926.

2. After becoming familiar with

the bill communicate with your representatives in Congress and urge them to support it actively when Congress convenes in December.

3. Promote debates on this question between classes and schools throughout the state.

4. Correct all misstatements about the bill heard in private conversations or public meetings or read in the newspapers.

5. Cooperate with all organizations which are in sympathy with the New Education Bill and through them make it understood by the public.

To achieve this great forward step on behalf of the children should be a matter of pride with every teacher. The organized teachers of England worked thirty years before they were able to pass a single bill of legislation through the Houses of Parliament. Many years were spent by the American Federation of Labor before Congress established the Department of Labor. The business interests of the United States conducted a long campaign before the final creation of the Department of Commerce. The organized teaching forces of the United States have worked less than ten years in an effort to secure the passage of a bill to establish a Department of Education with a Secretary in the President's Cabinet. Already millions of men and women all over the country are familiar with this movement and we are steadily approaching our final goal.—Kentucky School Journal.

Secure Noted Men

Recently Edwin Marcum, a noted poet, visited Berea and addressed the student body. Last spring Canada's minister to the United States, the first minister to come from Canada to the United States, visited Lexington and the University of Kentucky. Many noted speakers are scheduled to be at one or both of the schools before the year is over.

Eastern is fortunately located, being only fourteen miles from Berea

THE CATALOG OF 1927-28

The catalog of Eastern for 1927-28 has been in the hands of the Public Printer long enough for it to be in our hands with time to spare. but it isn't. The reason given us is that the office is overwhelmed with work getting ready for the Legislature which meets next January. We have the promise of it, however, very soon.

and twenty-six miles from Lexington. Why can't we have some of these noted people stop here? Many of them would be glad to add Eastern to their schedule if arrangements could be made with them far enough ahead of their intended visit to this section.

Either school would be glad to cooperate with Eastern in allowing her to know when these people are to come to them. Then Eastern could arrange for them to stop while they are in this section.

There might be some question about financing such an endeavor. If necessary, why not eliminate one lyceum and use the money spent for it to bring such people here that will be of interest? The money used to bring one lyceum number, if used wisely, will bring several people of note.

Y. W. C. A.

The installation services for the new Y. W. C. A. officers which took place a week ago Sunday evening in University building was one of the prettiest and most impressive services which the organization has ever held.

The candidates, dressed in pure white garments and bearing white candles, marched down either aisle of the candle lighted chapel room and took their seats near the platform.

Mrs. Fairchild, the leader of the service, read a short passage of scripture and Mrs. Ruth Sale offered prayer after which Mary Kathryn Wallman, dressed in a flowing white robe, very effectively rendered in pantomime "Rock of Ages."

Mae Kenny, the Y. W. C. A. president, lighted her candle and passed the light, symbolizing the Y. W. spirit in the hearts of the girls who are to keep that spirit glowing throughout the year, alternately to the officers at her left and right. During the process of lighting her candle each girl responded with a verse of scripture containing the word "light." The new Y. W. C. A. members marched past the officers and secured their lights after which they followed the lead out of the building to the strains of "Follow the Gleam."

The service was brought to an end when the girls, still singing "Follow mind and body, in front of Burnam Y. W. symbol representing the spirit mind and body in front of Burnam Hall.

Y. W. service last Sunday evening was held in Sullivan Hall. Susan Helm as devotional leader, read a passage of scripture and lead in prayer.

Hazel Broadbudd gave splendid talk on Plain Folks of Chinese Missionaries.

Special music of the evening was in the form of a piano solo, Variations of Sweet Bye and Bye, by Erma Ray.

Another interesting and helpful talk was made by Margaret Scott, her subject being "Is Christianity Responsible for the Woes of China"

A missionary song by all, followed by the Mizpah brought the service to a close.

LYCEUMS

Something like \$600 to \$800 will be spent on lyceum courses that Eastern expects to bring here this year. Much time, in addition to all this money, will be spent in selecting these numbers, making arrangements for them and otherwise taking care of this work.

The first number, a presentation by the National Light Opera Company, will be given November 10. Following this number, and near the end of the semester, the Spanish Orchestra will appear. Then later in the year David Dietz will give his scientific lecture. Near the end of the school year the Tyrolean Yodlers will appear.

All of these numbers are presented by people that are experts in their line. It will be very much worth your time to attend every one of them. All students are reminded, in order that you may attend these numbers free of cost, that you are to present at the doors the receipt given you at the business office.

HALLOWE'EN

For more than a week various committees have been busy in making preparations for next Monday night—Hallowe'en. Miss Gibson's classes have been making many and varied ghostly posters that have been placed at different places on the campus.

The decorating committee has been busy for some time and will continue to be busy thru Monday in decorating the gymnasium. It will be decorated to rival all the pretty stories that you have read about such. The very spirit of the old witch and her black cats will be made to prevail.

The entertainment committee has been working on various stunts and plays that will be appropriate, and the refreshment committee will have plenty "drinking" to quench the thirsty soul and enough cookies and the like to fill all.

The fireworks start at 7:30 Monday night and will continue until 11. You just can't afford to miss this entertainment. This is usually considered the biggest social of the year.

**Autumn's Beauty
 Expressed in Dainty Footwear**

Styles so lovely that they command admiration and tempt possession! Arch fitting that reveals a new standard of perfection! Smartness, Distinction—every quality in footwear that the modern co-ed demands.

PERSONALS

Miss Jennie Ramsey had as Sunday guests her mother and father, Mr. and Mrs. Ramsey, brother, Essie Ramsey, and aunt, Miss Julian Gann, of Hustonville.

Miss Garnet Talley was in Lexington Tuesday night to meet and hear her cousin, Miss Marjion Talley, who sang in Woodland Auditorium.

Miss Bessie Boone was at her home in Stanford this week end.

Mr. David McKinney, who was a student at Eastern last year, was at home last week end. David is teaching and also coaching basketball at Cropper, Kentucky.

Misses Elva Moffett and Frances Searcy spent the week end in Lawrenceburg.

Miss Mary C. Burns had as her guest this past week her mother, Mrs. Jess Burns, of Ashland.

Miss Helen McKellup enjoyed a very pleasant visit at her home in Vanceburg.

Mr. James Murphy, a former student of Eastern, who is now teaching the seventh and eighth grades in Hustonville graded and high school, is a very frequent visitor on the campus. For further information as to how he spends his time while here you might see Miss Lucy McKinley.

Miss Adelaide Benton spent the week end at her home in Irvine.

Miss Mary Hutchcraft had as a guest this past week end Mrs. Harvey Bell.

Misses Jessie Wittmer and Mary Willoughby were at home in La Grange for the week end.

Miss Fannie May Castle had recently as guest her sister, Miss Oneida Castle.

Miss May Kenney, Y. W. C. A. president, is going to attend a student volunteer convention in Louisville from October 28 to 30.

Mr. Lewis Broadus, of Lancaster, was a guest of Mr. Virgil Tarter at Stalaland this past week end. Miss Margaret Scott, however, did most of the entertaining.

Miss Elizabeth Wood was at her home in Chad during last week end.

Miss Dorothy Shawhan spent the past week end very pleasantly with Miss T. Opal Williams at her home in Mt. Vernon.

Miss Mamie Donaldson returned Sunday from a very pleasant visit with her parents in Owingsville.

Misses Dora M. Hancock and Mary Davids spent last Saturday in Lexington shopping.

Miss Evelyn Davis spent the week end at her home in Owenton. She had as guest while there Mr. Charles Alfred. Neither Evelyn nor Charles believes that "absence makes the heart grow fonder."

Miss Gladys Carson was at home in Nicholasville this past week end.

Miss Pauline Black was in Richmond during last week. It seemed natural to see her and John Noland together again.

Miss Hester Smith had as Sunday guest Mr. Fount Corey, of Berea.

Miss Sara Owens, of Danville, who is teaching at Burgin, was the week end guest of Miss Ann Kirby.

Mr. William Redwine was in Berea last week end to see his brother, he said.

Other students away from Richmond the past week end were: Myrtle Sharp at Shelbyville; Nell Pelphrey at Lancaster; Thelma Readnover at Corinth; Orpha Burgher at Ravenna; Estelle Estes at Danville; Gladys Browning at Paint Lick; Hazel Medlock at Anville; Ruth Lee at Cynthiana; Edna Minter at Red House.

CHAPEL NOTES

Chapel period Thursday, Oct. 20, was given over to the dean of the college. A representative group of students was present to hear the excellent talk Dean Cooper gave. The subject, College and Education in General, was well chosen and organized along with being highly instructive.

It is hoped that Dean Cooper will find time to talk to us often this term for when we see him on the chapel platform, preparatory to speaking, we experience the feeling of knowing we will take something worth while away with us.

On the following Friday the Progress staff had charge of chapel. The staff was introduced to the student body. After that Charles Alfred, a new student at Eastern, spoke to the students for a few minutes on his impression of the paper and the things he thought students should contribute. R. R. Richards, business manager of the paper, was next. He told the students how the paper was financed. He brought out the fact that it was thru our town friends that we were able to have a paper. This being true, it was nothing more than right that we consider our advertisers when we need something. Mr. Keen, faculty advisor, spoke for a few minutes on the purpose of a paper.

On Monday of this week Dr. Hugh McLellan, pastor of the First Christian church of Winchester, addressed the students. His talk was not of the sermon type but more on the order of an appreciation lecture. His object was to get us to see the beauty of the things around us.

The high point of the game came in the third period when a penalty placed the ball on Eastern's three-yard line, Centre's ball and four downs to carry it over. Centre hit the line four times and failed as many times. Some real football, we must say.

EASTERN LOSES GALLANT FIGHT

Trounced by Wesleyan Panthers 8 to 6 Result Touch-down in Final Period

What football fans declare the very best squad that Eastern Teachers College has ever put on the field held the famous Kentucky Wesleyan Panthers to an 8 to 6 score at Winchester Saturday afternoon. Eastern's fight against a superior eleven, outweighing them several pounds to the man and with far greater resources, experience and talent, was one of the gamest, most gallant the hundreds of fans who went over for the contest have ever witnessed. Though defeated by a scant margin of two points, Eastern was not disgraced. Up until the final four minutes of play Eastern led by a 9 to 2 score. However, the desperate drive by Wesleyan's two backfield stars, Adkins and Cunningham, could not be stopped and the Panthers were finally able to push over one measly touchdown against a team that experts did not give a chance to hold them. And even then, but for an unlucky break, Eastern might have won, for after Wesleyan had taken the lead in the final minute of play, Eastern opened up a passing attack that almost won the game.

Though almost enveloped by opponents Quarterback Saufley of Eastern shot a long forward pass right into the waiting arms of Nard, right end. It was a beauty, going at least 30 yards and there was a clear field in front of the receiver, but as luck would have it, the ball slipped thru his hands.

But Nard was one of the outstanding stars of the game and elicited the highest praise for his work. He is always in every play and roams the field with speed and skill. There are few ends anywhere that have anything on this boy. And the same as a lineman applies to Beckham Combs. His work, that of Nard, Hurst and Clouse's punting were bright features of the battle.

The fast scoring of the Eastern backs in the first five minutes of play was delightful to the Richmond rooters. A double pass, Saufley to Harold Moberly back to Saufley who raced around left end about 30 yards; then a scintillating dash by Gentry thru almost the whole Panther squad put the ball on Wesleyan's three yard line. The Panther coach rushed his heavy defense men into the game at this stage in a vain effort to prevent the touchdown, but Harold Moberly took it over on the second attempt.

The Panthers were unable to score in the first quarter. In the second quarter, a sustained drive by the Panthers and penalties put the ball on Eastern's five yard line. Tom Clouse dropped back to punt out of danger, but the Eastern forward wall failed to hold and a Panther fell on the blocked punt for a safety, or two points. The half ended with the score 6 to 2 in Eastern's favor.

The third quarter saw the Methodists fighting desperately to avoid the disgrace of defeat, but Eastern was still battling courageously though tiring from want of sufficient reserve strength, whereas the Panthers kept rushing in fresh men in their effort to avert the disaster which threatened. This told, and with Adkins and Cunningham driving dashing, the touchdown which won the game was pushed over. These two men are real stars of the game and it was no disgrace to Eastern's valiant athletes to be defeated by the veriest smallest possible score by such men and such a fine team. Neither side was able to score the extra point after touchdown.

A great delegation of Richmond fans accompanied the squad to Winchester. The Exchange Club Boys' Band made its presence felt with its music and elicited many compliments for its fine work and nifty appearance.

The fans are now looking forward to next Saturday's game which will be played at Richmond against the Teachers College of East Tennessee. This will truly be a case where Greek meets Greek, and one of the very best games of the season should be the result, as the visitors come here with a fine record.

Eastern	Pos.	Wesleyan
Clayton	LE	Strode
Combs	LT	Davis
Triplett	LG	Webb
Hurst	C	Royse
Clifton	RG	Stallard
Clouse	RT	Dudley
Nard	RE	Proctor
Saufley	QB	Buckner
H. Moberly	LH	Keene
J. Moberly	RH	Ramsey
Gentry	FB	Rickard

Score by quarters:

Eastern 6 0 0 0-6

Wesleyan 0 2 0 6-8

Touchdowns— Eastern, Gentry; Wesleyan, Cunningham. Safety—Gibson.

Substitutions— Eastern, Hamilton; Wesleyan, Gibson, Pruett, Bolche, Adkins, Strother Cunningham, Jones and Davis.

Officials— Johnson, referee; Biles, umpire; Peak, headlinesman.

SPORTS SIDELIGHTS

Brock, H. Moberly and Gentry, under the direction of Saufley, just couldn't be stopped. H. Moberly ran wild around the ends, Brock slid off tackle for gain after gain, and Gentry bent the center of the line to the cracking point every time he headed that way.

The Eastern cheering section was small in numbers, but they made up in cheering.

Centre has never asked that Eastern conform to the S. I. A. A. rules in baseball and basketball. Why so insistent in football? The injury to school standing excuse doesn't tell everything.
