Eastern Hosts 4,000 Bandsmen For Annual Band Day Events

Tomorrow the Eastern campus will overflow with more than 4,000 high school musicians for the fifth annual Band Day.

The bands will arrive in the morning and will assemble at 9:30 a. m. on University Drive for the downtown parade. The parade route will be: down Lancaster Avenue to Main Street; Madison Avenue, Water Street, North Second Street, Kit Carson Drive and terminating at Hanger Stadium. The approximately 60 bands will stay for half-time rehearsal at about 11:15.

The musicians, their directors, and sponsors will be guests of the college for a noon lunch.

All the bands will be featured at the half-time of the Eastern and Middle Tennessee football game. They will play the famous "Triumphal March" from Aida among other pieces. The 135 member "Marching Maroons" will also be featured. The combined bands will be directed by Eastern band director Nicholas J. Koenigstein.

Henry F. Pryse, director of college-school relations, and John Vickers, executive assistant to the president, are the directors of the Band Day program.

High school bands and directors scheduled to appear are: Prestonsburg High School, Franklin Honeycutt; Loyall High School, Kenneth R. Butler High School, David Stiltz; Harrison County High School, Stanley Pizar; Farlan High School, Lloyd Webb.

Assembly Hears

Robert Cooper

As Eastern students filed into Brock Auditorium Wednesday morning, they were handed pamphlets and information distributed by members of the political organizations on campus. The subject matter was the controversial bond issue which will be voted on November 2. Since 18 is a legal age for participation in Kentucky elections, the non-partisan assembly was of significant value to many freshmen.

Frances McPherson and Mary Ackright, on the piano, opened the program with two selected musical arrangements. Speaker Richard Cooper, brother of Senator John Cooper, urged the importance of the 176 million dollar bond issue. Mr. Cooper stressed that a greater part of the proposed issue will be used for the building and improving of Kentucky's roadways. This, he told the audience, would heighten the tourist attraction, making Kentucky more convenient for travelers and traders.

On hand for the program were sponsors of the political clubs here. From the Democratic organization were Dr. D. R. Howard, Donald Combs and Peggy Carter. Representing the Republicans were Fred Ingle, Jr. and Vernon Cornette.

Sigma Chi Sets Dance

Sigma Chi Delta will sponsor a dance tonight from 8 to 11:30 in the Student Union Building Cafeteria. The dress for the dance is informal, and admission is \$5.00 per person. Music is to be furnished by Danny Morgan and the Vibrations, a new combo from Cincinnati.

Scholarship Winners

Mr. J. W. Thurman congratulates old and new recipients of the Alumni Association scholarships which are given annually to deserving students desiring to attend

Eastern. From left to right are Bill Raker, Steve Holt, Mr. J. W. Thurman, Janet Phelps, Debbie Culver, and Pamela Arnett.

Pre-Law Students To Attend Meet

All Pre-law students are urged to attend a meeting at 3 p.m. Thursday, in the Cox Room, Room 203.

The meeting will be conducted by the Student Bar Association of the University of Kentucky. Mr. Henry S. Baesler, President of the Association, and Mr. James Keller will be here to speak with Pre-law students about law school studies. This is a valuable opportunity for Pre-law students to meet with senior students in law school and get their reactions to what the work in law school is like and what kind of preparation they should obtain before entering law school.

Mr. Keller is an Eastern graduate and therefore is familiar with our campus. The Student Bar Association at the University of Kentucky Law School is planning similar programs at other colleges in Kentucky and has selected Eastern as the first one to visit.

Fall Figure Hits 6,949; 27.6% Increase Over '64

Fall enrollment officially stands at 6,949, an increase of 27.9 per cent over last year's total. President Robert R. Martin announced.

The 1964 fall figure—the previous record high—was 5,433.

The new enrollment total does not include 652 students enrolled in the college's Model Laboratory School, nor does it include about 500 students enrolled in off-campus extension classes.

An additional 1,333 students are enrolled in correspondence courses by mail. Bringing the total number presently receiving instruction from Eastern to 9,331.

Largest numerical increase was again in the freshman class, which totals 3,423—an increase of 30.4 percent over last year's record of 2,624.

Sophomores jumped 46.6 per cent, from 964 to 1,408 students.

An increase of 12.4 per cent—from 806 to 905—was experienced in the junior class, while seniors increased from 788 to 915, or 16.1 per cent.

There are 298 graduate students, compared to 252 at this time last year.

The enrollment is computed under the standard method approved by the American Association of Collegiate Registrars and Admissions Officers. It includes only students doing course work on the main campus here.

Since 1960 Eastern's enrollment has increased 101 per cent. Enrollment in the fall of 1960 was 3,452.

Milestone Pictures Scheduled

Class pictures for the Milestone will continue through next week. Today juniors whose last names begin with A through E will be taken.

Monday, juniors with F through M, Tuesday, juniors N through Z.

Wednesday, senior pictures start, with those persons whose names begin with A through G. Thursday, seniors with H through P, and Q through Z on Friday.

Applications Available For Danforth Fellowships

Inquiries about the Danforth Graduate Fellowships, to be awarded in March, 1966, are invited, according to Dr. Clyde L. Orr, Dean of the Graduate School, the local campus representative.

The Fellowships, offered by the Danforth Foundation of St. Louis, Missouri, are open to men and women who are seniors or recent graduates of accredited colleges in the United States, who have serious interest in college teaching as a career, and who plan to study for a Ph. D. in a field common to the undergraduate college.

Applicants may be single or married, must be less than thirty years of age at the time of application, and may not have undertaken any graduate or professional study beyond the baccalaureate.

Vickers Speaks At Rally

There will be a Brockton campaign rally Thursday at 7 p.m. in front of the Brockton Laundromat, Mayor Leroy Kinman has announced.

Mr. John L. Vickers, executive assistant to the President, will be the guest speaker at the rally. Candidates for mayor and councilman will be introduced and each will make a brief campaign statement.

In order to run for office on the Brockton Student Council, a student must secure a petition from Ray Price, 606 Trailer Ct., or from Mrs. Rena Disney 212 Brockton.

A person running for the council must have at least six student signatures from his district. A person running for mayor must have 30 student signatures at large and at least 2 from the 9 districts.

Five Alumni Scholarships Awarded This Semester

The Eastern Alumni Office announced today the recipients of the annual Alumni Scholarships for the 1965-66 school year.

J. W. Thurman, Director of Alumni Affairs here at Eastern, said in explaining the purpose of the awards: "The Eastern Alumni Association felt that there were many students in the state deserving the opportunity to attend college, and thus it initiated this scholarship program to help provide the means of obtaining a college education to worthy and outstanding students."

He said the ever-growing association was proud to have the opportunity to extend financial aid to promising young people who possess a definite potential value for Eastern, for the state, and for the nation.

Selection of students to receive the award are made by any Eastern alumnus recommending someone who needs assistance towards a college education and who would like to attend Eastern. Once a person has been recommended, he submits an application to the Association. The applications are then reviewed by the Alumni Scholarship Committee. Scholarships are awarded to those whom the committee selects.

Awards are based primarily on the need of the student and his past scholastic achievement. The number of scholarships given each year depends on the

amount of contributions the alumni give during the annual scholarship fund drive.

Raker Gets First Scholarship
The first Alumni Scholarship was presented during the fall semester of 1963-64 to William A. Raker of Carrollton. Raker, a junior mathematics major, graduated from Carrollton High School as valedictorian of his class. Here at Eastern he is a member of O.A.K., a justice on the Student Court, and chairman of the Student Code Committee. Raker is the son of Mr. and Mrs. Harold W. Raker.

Besides Raker, who receives the scholarship for the third consecutive time this year, there are four other recipients.

Stephen Holt, a sophomore English major from Wurtland, received the award for the second time this year. A graduate of Wurtland High School, his parents are Mr. and Mrs. William M. Holt. Holt was valedictorian of his high school class and is a member of Eastern's K.I.E.

Also receiving the scholarship for the second year is Pamela Arnett from Middlesboro. A graduate of Bell County High School, she is a sophomore majoring in chemistry. Her parents are Mr. and Mrs. Ewing Arnett.

Freshmen Get Scholarship

Homecoming Festivities Schedule Outlined

Eastern's homecoming festivities are scheduled to begin on October 29. These will include a dance on Friday night, parade on Saturday morning, and a football game on Saturday afternoon.

This year's theme will be 1965 Kentucky Homecoming Year. This will include towns, counties, and any aspect of Kentucky in the past, present, or future.

All campus organizations are invited to enter a float and a queen candidate in the parade. Themes and candidates must be turned in to Larry Rees of Dupree Hall or at the Student Council office by October 15. This is to avoid conflicting themes between organizations.

On October 27, a campus-wide election will determine ten finalists for the title of Homecoming Queen. These ten finalists will be announced at the Homecoming Dance the following Friday night.

At the football game on

Saturday afternoon, one of the candidates will be crowned.

There will be a \$3.00 entry fee for all candidates. This must be paid to Shirley Richardson, Burnam Hall, 24 hours before the dance, or the candidate will not be considered. They must also have a 2.0 standing, cannot be on social or academic probation, and must never have been married.

All floats will be built in the Hi \$ Warehouse. They will be in parade position as they are being built in order to make the parade lineup less hectic.

1. No smoking inside warehouse.
2. No alcoholic beverages in or around warehouse.
3. The area surrounding your float area must be cleaned up by parade time.
4. No electrical appliances, such as, coffee pots, radios, (portable radios are acceptable.)
5. Faculty sponsors should be (Continued On Page Three)

Eastern Hosts CCUN Regional

The regional meeting of the Collegiate Council of the United Nations was held here on Saturday.

Nine Colleges were represented at the meeting, including students from Virginia, West Virginia, Tennessee, and Kentucky.

Mrs. James Sheehan, Danville, was the main speaker at the meeting. In opening comments she stated that a membership drive should extend into the high schools. "High school students are impressionable," Mrs. Sheehan emphasized.

Dr. Rex Knowles, Dean of the Chapel at Centre College, was not able to attend and speak to the group as scheduled.

Tom Coffey, an Eastern graduate, represented the national office of the C. C. U. N. which is located in New York City.

Need For Communication

Coffey explained the need for "better lines of communications." He told students that they should not hesitate to write the national office when problems arise. "We need to know what our members are

doing," inserted Coffey.

An outline of national conferences was also given by Coffey. He urged the members to attend these conferences if possible.

Coffey announced a proposed European tour to be offered to C. C. U. N. members. The trip, planned for next summer, is designed to give members traveling experience at a reasonable rate. The progress of affiliated organizations was also noted by Coffey.

In discussion by the students, various techniques which they have used to promote the C. C. U. N. on campus were described. Intra-collegiate Model Security Councils were recommended to supplement existing inter-collegiate councils.

Other items on the agenda included projects of the coming year and a summary of the year's program.

Students were expected to return to their respective campuses and explain more fully the activities and policies of the C. C. U. N.

Homecoming Committee Appointed

This year's Homecoming is being planned and organized by a committee made up of students representing different campus organizations. Students participating on this year's committee are, front row:

Larry Rees, Becky Sizer, Dianne Hendricks, Peggy Carter, and Jim Smith. Back row: Shirley Richardson, Jim Clark, Jeanie Gail Ashe, Mike Campbell, Sandra Tudor, and Jan Fisher.

Art Students Make Sketches

Although construction on the library is confusion for some, it is used by these students to make sketches for Art 117, taught by Miss Agnes Bratlee, Assistant Professor of Art.

The library addition at a cost of \$3.1 million will provide accommodations for nearly 3,000 students and more than 400,000 volumes. It is scheduled for completion by Fall, 1966.

Progress Pledges Support of Forthcoming Bond Issue

ONE OF THE BIGGEST issues Kentuckians will be called upon to accept or reject in the November 2 polling is the question of the Bond Issue.

In the July 2 issue of the Progress, we pledged our support of this Bond Issue. We would like now to reiterate our stand for the benefit of those students who did not have access to that issue of the Progress.

From the stand-point of the benefit to be derived for Kentucky through this issue, the only intelligent vote is affirmative. However, there are those who are opposed to the issue, and worse yet those who are completely indifferent.

As we are one of the few organizations on Campus who has access to information concerning this issue, we feel it our responsibility to share our information with the College Community. Therefore, we intend to run a series of articles pertaining to it. Our source materials are from the Public Information Office in Frankfort.

Eastern students, as well as students from all state institutions and those who have the progress of the Commonwealth in mind, have a definite reason to see the Bond issue passed. The sum of \$1,880,000 will be allocated to Eastern under the provisions set up in the Bond Issue. This money is to be applied to the following Campus construction projects: two men's and two women's dormitories, additional housing for married students, a science building, a student center, a home economics and nursing building and football stadium.

In submitting the issue to the voters, the members of the House and Senate took into consideration the need to develop a network of highways, the need to attract industry and tourists, need to meet the demands of higher education and vocational education, lack of facilities to meet the demands of the mental health program and county health programs. Other facilities which were written into the bond issue include those needs of small lakes, parks, livestock centers, forestry operations, correctional institutions, police barracks.

All in all, an affirmative vote for the \$176,000,000 Bond Issue will bring Kentucky \$684,775,000 in Federal matching funds and monies from other sources.

The Bond Issue includes a sum of \$139,000,000 to develop a network of highways to complement the existing system still to be completed. Approval of the Bond Issue means Kentucky will have a five-year federal aid highway development program of \$736,000,000 with the addition of \$597,000,000 in federal matching grants.

To meet responsibility to higher ed-

ucation, the Bond Issue includes \$17,110,000 for capital construction. This money will be complemented by federal grants and other courses amounting to \$87,050,000. Funds will be provided for the expansion of all nine Community Colleges, and special educational programs. Vocational Education school facilities will be aided by the Bond Issue which provides funds amounting to \$6,680,000.

Kentucky's much needed library construction program will be aided by a sum of \$1,665,000. Mental health programs will receive a capital construction program of \$8,500,000, as well as many other health projects, including TB hospital, child welfare, county health centers. Also receiving funds for improvement of facilities amounting to capital construction programs are: agriculture, \$1,000,000; small lakes, \$1,000,000; forestry facilities, \$100,000; parks, \$9,000,000; airports, \$2,000,000; corrections, \$2,000,000; state police, \$300,000; construction contingency, \$600,000.

Contrary to public opinion, the bond issue is not tied to a tax increase. The bonds are to be retired out of revenue. The bonds are to be sold only as the need arises. Bonds sold in advance to the date for payment to contractors, architects and others may be reinvested, thus reducing the cost of the bonds. This practice has been followed to advantage with the issues of 1956 and 1960.

Kentucky will lose the federal grants if the state does not provide the matching funds. Other states are issuing bonds to take advantage of the 9-to-1 federal money for interstate construction. If Kentucky is unable to pass the Bond Issue, the money now allocated would be designated for other states which are ready to proceed.

Kentucky's expanding economy is a strong indication of her ability to fund its bond issue. The Kentucky Turnpike is now paying off its bonds many years in advance of schedule. Bank deposits in Kentucky have increased about 9 per cent, and Corporate income tax returns have increased more than 11 per cent. New jobs are being developed at a greater than ever rate, and income from out-of-state visitors has jumped 41 per cent between 1956 and 1963.

A resolution calling the Bond Issue "the best means possible to meet the competition from other states in the field of education and capital construction of allied fields" has been endorsed by more than 100 organizations throughout Kentucky.

We quote from the July 2, 1965 issue of the Progress reaffirming our position: "The Eastern Progress strongly urges you to acquaint yourself with all the facts con-

cerned with the proposed bond issue and to vote accordingly to your own conscience. . . . After you have diligently studied the facts, tell others of the great need for the added revenue that would be made available through passage of the Bond Issue. Most important of all, we urge you to cast your vote for continuation of progress in Kentucky."

Eastern Welcomes

Band Day Participants

TOMORROW EASTERN WILL HOST its biggest Band Day in the five years that this event has taken place. Over 4,000 high school bandmen are expected to attend the event.

The day's festivities will begin with a parade through town lead by the Marching Maroons and will culminate in the mass band formation on the field at half-time where the bands will be conducted in several numbers directed by Nicholas Koenigstein, Eastern Director of Bands.

We at Eastern are happy to host this event, for it brings many prospective students to our campus and gives many of them an opportunity to see Eastern for the first time.

Band Day has been described by Dr. Charles Ambrose as one of the busiest days in his office with high school bandmen and parents coming in to get information about the College, and planning to make application for admission.

Mr. Henry F. Pryse, Director of College School Relations and Placement Bureau is to be commended for his efforts in organizing and planning this event, as well as all other personnel connected with it.

We the students and faculty welcome you to the biggest and best Band Day ever, and hope that your stay on Eastern's Campus is enjoyable and fruitful.

Letters To The Editor

To the Editor:

Your editorial last week on the parking problem stated that "there are cross walks provided at various places on the campus drives for students to cross the streets." I would like to know how to recognize a cross walk. There is only one crossing with lines painted that I know of on the campus and I have assumed the automobile has the right-of-way everywhere else.

It would be a splendid service if the Eastern Progress were able to help get this hazy, perplexing and frustrating anarchy into some slight semblance of order.

A COMMON HAZARD!

Made Easy To Retire

Economic Growth Predicts Fate of Issue

FRANKFORT — The Department of Finance has published a 44-page booklet in which Commissioner L. Felix Joyner declares that continued economic growth alone will enable Kentucky to retire the \$176 million bond issue proposed in the November 2 election.

Joyner said at a press conference called to announce the publication, that the bonds can be retired at the rate of \$9.5 million a year in principal and interest for the next 30 years "without any increase in either the tax rate or the tax base."

The booklet is titled "The 1965 Bond Issue: A Long Range Public Improvements Program for Kentucky," and 2,000 copies were printed for distribution to members of the Kentucky Legislature, various state departments, and news media throughout the state.

Joyner says in a foreword:

"The Bond Issue constitutes a bargain for the citizens of the Commonwealth. Approval of the issue will permit agencies and institutions in Kentucky to build highways and needed structures costing more than \$860,000,000.

"In return, the state becomes obligated to retire the bonds at the rate of about \$9.5 million annually," including both principal and interest, while the improvements are being utilized.

"The state's income from which these bonds will be retired now exceeds \$381,000,000 a year."

The new booklet is profusely illustrated with architects' drawings and sketches of what capital improvements may be expected at the various state agencies and institutions that will receive bond issue and Federal and other matching

funds. The larger portion of the issue, \$139 million, is earmarked for highway construction. When \$597 million is available Federal matching funds are added, a total of \$736 million worth of new and improved roads will be built for Kentucky.

Other sections of the book are given over to the remaining \$37 million of the issue and how it with matching funds will provide a total of more than \$124 million to be used for buildings and equipment by more than 20 state agencies.

Dr. Barr Heads Department:

School of Education Consists of Five Departments

By PAM SMITH
Campus Editor

The School of Education was formed in July with Dr. Dixon A. Barr as its dean. It consists of five departments: Education, Psychology, Professional Laboratory Experiences, Model Laboratory School and Library Science.

Dr. Barr is acting chairman of the education department. The department offers a major in elementary education as well as a masters degree in education. Among the program improvements is the establishment of the new reading clinic. Headed by Dr. Robert Byrne, this clinic is designed to prepare better specialists and teachers of reading who will go out and pass their skills along. Children in grades 2 through 6 will have primarily diagnostic and remedial work while the college students will be offered diagnostic service as well as speed reading classes later in the semester. There are now two masters

programs in reading — one in elementary levels and one in secondary levels.

The psychology department is headed by Dr. Darwin R. Newton.

Presently a psychology minor is offered with a major anticipated for the fall of 1966. The classes and faculty will be enlarged as the program develops.

Dr. J. D. Coates is the chairman of the Professional Laboratory School. He is also Associate Dean for Teacher Education and is responsible for all admission to teacher education, assignments of student teachers and the professional semester. The professional semester consists of six weeks of methods teaching and full-time student teaching for the rest of the semester. Dr. Helen Reed is planning and developing pre-student teaching laboratory experiences for students before entering student teaching.

Mr. Walter Marcum is director of

the Model Laboratory School, which has 31 full time teachers. Closed circuit television is beginning to be used between the lab school and Combs classroom building for direct observation. Mr. James Harris, who received his graduate preparation at the University of Missouri, has developed an educational television link-up between Model and Combs. Model Lab School is undergoing a million dollar major expansion program which includes six new classrooms, nursery and kindergarten facilities, and a radio and television studio.

The Library Science department currently offers a minor and a masters degree in education with emphasis on library science. As interest grows in this field it will be expanded.

The four college departments of the School of Education have 38 full and part-time members, of which 18 have doctorates and three more are nearing com-

pletion. Eastern has its first Distinguished Professor of Education in the person of Dr. Florence Stratemeyer, retired professor of education from Teachers College, Columbia University.

Eastern participates in the Head Start program as a training center and sends follow-up teams to evaluate the programs in counties of Kentucky. The School of Education has also submitted four proposals for NDEA institutes in the areas of reading, library science, disadvantaged youth and the education media. These proposed summer programs for teachers will be federally supported and will take place next summer if approved by the U.S. Office of Education.

As the Elementary and Secondary Education Act goes into effect Eastern is offering assistance to school districts in preparing proposals and requests for the various titles of this program.

Casing The Clubs

By NANCY PRINZEL
Women's Editor

Agriculture Club Picnic

The Agriculture Club will have a picnic at Mrs. J. W. Stocker's farm on October 12, at 5 p.m. The club will meet every second and fourth Tuesday in each month at 7:30 in the Fitzpatrick Arts Building, Room 14.

All students interested in joining this club, please attend the next meeting.

The Agriculture Club officers are as follows: President, Tom Canava; Vice-President, Ted Holbrook; Secretary-Treasurer, David Butcher; Reporter, Roger Rose; Student Council Representative, Dale E. Beighle and Advisor, James W. Stocker.

Christian Student Fellowship Presents Max Lyles

The Christian Student Fellowship met last Sunday evening with Max Lyles speaking on "International Living - A Great Experience." Next week at 8 p.m. the first of the series of "Three Faith and the World" will begin with Mr. Milton Pearson, former minister and now Dean of Men at Berea College, speaking on "Contribution of the Protestant Faith to the World Today."

Officers for the year are: Dottie Moberly and Barbara Owens, co-presidents; Bill Raker, vice-president; Nancy Green, secretary; Sharon Tudor, treasurer; Jo Ann Adams, study; Gene Barnes, enlistment; Kathy Arnold, Student Council representative; and Lynda Huston and Sharon Moore, reporters.

Everyone is urged to join in the fellowship every Sunday evening at 6 p.m. and also the Sunday morning discussions held at 9:30 a.m. led by Captain John R. Pipkin, military science department.

Biology Club Elects Officers

The Biology Club called a special meeting last Wednesday to elect officers. Elected were: Ray Shaaf, president; Dale Estepp, vice-president; Sharon Teague, secretary; Charlotte Johnson, treasurer; Charles Moore, Student Council Representative; and Cheryl Craft, reporter.

An outing to Adam's Cove will be held Wednesday, October 6. All upperclassmen and freshmen are invited for the picnic and meeting.

The next scheduled meeting of the Biology Club will be October 13. Everyone interested in biology, even if you are not a biology major, is welcome to attend. The club meets promptly at 6:30 p.m. every first and third Wednesday of each month.

OAKS Makes Plans

Omicron Alpha Kappa, honor society for junior-senior men, will hold a meeting with prospective members and make plans for the coming year. All junior and senior men (except transfers with less than two semesters at Eastern) with an average of 3.0 or better who are interested in becoming members are invited to attend this meeting which will be held at 8 p.m. in Room 104 of the University Building.

Many members of O.A.K. served as guides during orientation week. Several other services and social activities will be carried out during the school year.

BSU Members Will Attend Convention

Baptist students are making reservations for the annual statewide BSU Convention Collegiate Pentacle Outlines Program.

Collegiate Pentacle recognizes senior women who possess high qualities of scholarship, leadership, and citizenship. The honorarium seeks those women who have demonstrated such potentialities through extra curricular activities and active service in behalf of their fellow students and the college.

Each spring the active Collegiate Pentacle members give a "hen party" for those junior women who possess a 3.0 standing and who will have acquired 90 hours by the following fall semester.

After considering various interviews, recommendations by the faculty and administration, and the scholastic and social record of each nominee, the activities of Collegiate Pentacle select the next year's members.

This year the club has a total membership of 30 girls. Along with assisting as guides during Freshman Week, the club welcomed transfer students with an informal tea.

Other projects planned for the 1965-66 school year are the presentation of the Emma Y. Case Scholarship, food baskets at Thanksgiving and Christmas, and assisting at the Honor's Day and Commencement exercises.

Six Student Religious Organizations Active

There are six student religious organizations active this fall, giving Eastern students of almost all faiths spiritual and social outlets with people of their own beliefs.

Religiously-oriented campus clubs are Baptist Student Union, Christian Student Fellowship, Episcopal Canterbury Club, The Newman Club, The Wesley Foundation, and The Westminster Fellowship.

The Baptist Student Union is directed by Dwight K. Lyons and the pastor-advisor is Rev. E. N. Perry. Among B.S.U. activities are raising money to send summer missionaries throughout the country where needed.

Don Keeton, president of B.S.U., announced that vespers are Monday, Tuesday and Wednesday, 6:30 to 7:00 p.m. Choir practice is each Thursday from 6:30 to 7:00 p.m. CSF Open to All.

The Christian Student Fellowship is sponsored by Dr. and Mrs. Henry Martin. The C.S.F. is interested in reaching students with membership or preference with the Christian Church, but the fellowship is open to any and all students of all church groups.

Weekly activities include Sunday School at 9:30. Coffee and donuts are served and Captain Pipkin of the Military Science department will be the discussion leader this year.

The Sunday morning worship and Communion service is open every Sunday at 10:45 and the Sunday evening program begins at 6:00 with a supper followed by a variety of programs outlined and planned by students.

Bill Wobbeke, president of the Newman Club which is affiliated with the Catholic Church, invites interested students to come to the weekly meeting each Thursday in University 103.

Wesley Has New Director The new campus director for the Wesley Foundation is Rev. James Wilson. A new minister, Robert J. Scott, is also working with the fellowship. The president is David Wagoner.

A new campus center located on 401 University Drive will be dedicated October 31. The Wesley Foundation meets every Monday at 5:00 p.m. Before each meeting a meal may be purchased for fifty cents. The guest speakers include films with their programs.

The Foundation will host the Fall Conference of the Methodist Student Movement, November 18-21. Approximately

250 are expected to attend. Charles Tepp, president of the Westminster Fellowship, invites interested students to attend the weekly meetings every Sunday and Wednesday at 6:30. Every Wednesday the students may prepare a meal before the program. Discussion topics vary with the guest speakers.

SCHOOL RECORDS COULD FALL THIS YEAR
Jim Ratliff, offensive end, has pulled in 16 passes in 3 games thus far this season. The old record is held by Jim Rice who caught 29 in one full season back in 1952. The most passes completed in one season was 64 in 1961. So far this year the team of Jim Guice and Larry Marmie have completed 42. No doubt that this record should fall. The most yards passing in one season was 904 in 1952. So far this year Eastern has passed for 475 yards.

INJURIES, INJURIES, INJURIES
Injuries have plagued the Maroons throughout this season. Don Minor received a broken arm in a pre-season exhibition game, Ted Holcomb is out for the year, he has been in the hospital for the last three weeks and it is very doubtful that he will see action this year at all. Dick Dunkle, who took over the center position from Minor, received a concussion in practice and should not see action for at least a couple of weeks. Aaron Marsh will be out for the Middle Tennessee game as he pulled a leg muscle. Buddy Pfadt injured his shoulder in the Marshall game and will be used only if needed in the Middle Tennessee game. These and many other minor injuries have not helped the Maroons record this season.

CROSS-COUNTRY
BIGGEST UPSET IN HISTORY OF SCHOOL
The cross-country team took the first 4 places and 6th place to defeat two Big Ten cross-country powers, Iowa and Illinois. Eastern team scored 16 points, near a perfect 15 Iowa 48 and Illinois 69. This is one of the greatest athletic victories in the history of Eastern and it accomplished with four freshmen and one sophomore. With this young team, Eastern should be regarded as one of the top x-country teams in the country.

NO HIGH SCHOOL LETTERS
It is a policy of the school that no student is allowed to wear high school letters on either jackets or sweaters.
O.V.C. PLAYERS IN NATIONAL STATISTICS
Dick Moore of Western Kentucky is rated 9th in the country in rushing and John Ogles of Austin Peay is rated 15th.
MISSING ONLY TWO
Charlie Forrest has missed only two extra point attempts in two years and they both were against Eastern. Last year Murray tied Eastern 6-6 and he missed the winning point and this year Forrest missed the winning point as Murray and Eastern tied 17-17.

ATTENTION ALL STUDENTS
Mr. Barney Groves announced that there will be an organized gymnastics club this year. Anyone interested in this club please contact Mr. Groves in the Alumni Coliseum Auxiliary gym any afternoon at 2:30. No previous gymnastic experience is necessary.

SWIMMING TEAM TRYOUTS SCHEDULED
Coach Combs announced that tryouts for the swimming team will be held this Monday at 5:15. All men interested in trying out for the team should report to the Alumni Coliseum pool at this time. Please bring your own equipment.

INTRAMURALS
The intramural flag football league has gotten underway this week. Each team will play a total of nine games and the top teams of each of the three leagues will play a final game at the end of the season to determine the league championship.

Rifle Team Holds Banquet

Last Thursday night the varsity rifle and pistol team held its annual varsity awards banquet. Captain Coffman and Sergeant Baker handed out the awards.
Receiving varsity awards were: Dale Jackson, junior, Adirville, Captain; Delbert Fritz, graduate, Richmond; Robert Cornett, graduate, Richmond; David Spratt, senior, Hodgenville; Ralph Klaber, senior, Falmouth; William Rigby, senior, Richmond; Ed Shaffer, junior, Ashland; Larry Akers, junior, Louisa, Va.; Donald Battelle, sophomore, Sparta, N.J.; and John Elkins, sophomore, Hatfield.

Maroons Face Unbeaten Middle Tennessee Tomorrow

Down, but not out, Eastern Kentucky's Maroons take another shot at getting back in the Ohio Valley Conference race Saturday afternoon when they host undefeated Middle Tennessee.

The Maroons, winless in two league games, will take an 0-1-1 OVC record into the tilt. Eastern is 0-2-1 over-all. Middle Tennessee, winner in three starts, brings a 1-0 loop mark to Richmond, a surprising 21-0 blasting of Western its only loop test.

While the favored Blue Raiders were rolling over the Hill-toppers, Eastern lost a 17-3 third quarter lead in tying Murray 17-17.

Eastern must win against the Blue Raiders to maintain what chance they have for a shot at the OVC title, while Middle Tennessee needs a win to stay in the lead with Austin Peay.

The Blue raiders won't be taking the Maroons lightly. They still remember the 1962 clash at Murfreesboro when the Maroons had lost their league opener to Murray but bombed Middle 28-8 the next week and went on to gain a share of the crown.

Near Upset in 1963
In 1963 the Maroons almost upset the Raiders again, losing 33-28, and only last year when Middle won the league title, the Maroons scared them in a 20-13 thriller that Eastern would have won if a 100-yard kickoff return by Aaron Marsh hadn't been nullified by a penalty.

Leading rusher for the Maroons in three-game statistics is freshman tailback Herman Carter with 104 yards in only 24 carries for a 4.4 yard-per-carry average. Senior quarterback Larry Marmie is the team's second runner with 99 yards in 24 tries for a 4.1 mean.

The other half of Eastern's one-two quarterback punch, freshman Jim Guice, is the top passer with 27 completions in 45 attempts for 354 yards and five touchdowns. Marmie has hit on 15 of 21 for 121 yards, but no touchdowns.

Jim Ratliff, split end, the OVC's leading pass receiver, has caught 16 aeriels for 205 yards and two scores. He's followed by wingback Fred Malins with nine catches for 111 yards. Malins, the league's top punter last year, has lifted his average to 37.5 per kick, after a shaky start, and should be pressuring the loop leaders in a few weeks.

Eastern defeated Morehead 67-0 in 1929. This was the most points ever scored by an Eastern football team.

Eastern, Murray Tie In Frantic OVC Tilt

Winless Eastern and Murray battled to a 17-17 deadlock in the western Kentucky city Saturday night, each missing on last-minute gambles as their records fell to an identical 0-2-1.

The Maroons, who led earlier by 17-3 only to see their lead destroyed by a vicious Racer passing attack, made the last attempt to break the stalemate with only one second left to play.

After a Jim Guice to Fred Malins pass play for 21 yards put the Maroons on the 18, Mike Rigge, freshman end from Louisville, tried a 43-yard field goal from the 33.

The kick was straight, but fell short, bounding across the end zone just fast enough to prevent a Murray return.

Just a few seconds earlier the Thoroughbreds had gambled on breaking the tie with a long, first-down pass after stopping an Eastern drive on the 30.

Charlie Forrest's aerial was intercepted by Maroon defensive end Chuck Sieman, his second of the night, on the 50 and returned it to the 39, setting the stage for Eastern's last-ditch effort.

Until the fourth quarter Eastern had the game completely under control.

Freshman Walter Murphy's 30-yard field goal in the first quarter, and Larry Marmie's four-yard run in the second gave the Maroons a 10-0 lead before Forrest booted a 30-yard field goal for a 10-3 halftime score.

Kickoff Fumbled
Murray fumbled the opening kickoff in the second half on their own 23, but pushed the Maroons back to the 30 where they faced a fourth and 17 situation. Guice then fired to Jim Ratliff in the end zone for his fifth touchdown strike of the season. Murphy kicked and the Maroons led 17-3 with plenty of action left.

Then the breaks started going with Murray.
On fourth and five from his own 15 Malins dropped back to punt, the snap was low and the rushed kick traveled only 17 yards to the Eastern 32. On the first play from scrimmage, Forrest rifled a pass to Wayne Wilson in the end zone and then

Headhunter of the Week

Malins, Sieman Earn Top Player Laurels

Fred Malins, a junior from Pittsburgh, and Chuck Sieman, a sophomore from Springfield, Ohio, received top honors for their outstanding performance in the Murray game last Saturday night.

Because of a leg injury which he received in the first game, Malins was not able to do anything but punt until the Murray game. Saturday's game was the first time he was given the opportunity to play in the entire game.

Malins caught five passes for a total of 74 yards and carried the ball three times for a net gain of 24 yards. He punted five times for an average of 38.2 yards a kick. For this outstanding performance, Malins received the title of "Renegade of the Week."

Chuck Sieman, a defensive right end, played an outstanding game at his end position. He intercepted four passes and had twelve unassisted tackles. Sieman has been a steady, consistent performer in all the games so far this year, and rightfully deserves the title of "Head-Hunter of the Week."

Managers and Trainers

Keeping the Maroons ready to play both physically and materially is the responsibility of this little-heralded band of managers and trainers who issue equipment and treat injuries. They are, front row, from left: Ed Kidd, manager; Pleas Jones, manager; Mike Robinson, manager; and Skip Martin, manager. Back row: Mike Jackson, manager; David Huffstetler, head trainer, and Jon Sharp, trainer.

X-Country Does Well In Big Ten

It may be football season, but another team at Eastern is raising national eyebrows with its early-season accomplishments.

Coach Connie Smith's Maroon cross-country squad (3-0) threw themselves into prominence Saturday with near shut-

out wins over the Big Ten's Iowa, 16-48, and Illinois, 16-69, grabbing the first four places in the triangular meet. Low score wins in cross-country.

Eastern's first win was a 15-69 blanking of Cumberland, in which the Maroons captured the first eight places.

But, Smith is quick to point out that the Eastern season is far from over. "We've still got the University of Kentucky, and Kentucky State (1964 NCAA champs), to go, along with Morehead twice and Cumberland again."

He adds, however, that if the Maroons maintain their spirit and dedication, "they could go a long way."

Youth and depth are the most readily seen characteristics of the Maroon squad.

Eastern's 1-2-3-4 finishers at Champaign were all freshmen, the 6th place man was sophomore. In fact, there is only one senior and one junior on the squad.

The first place runner at Champaign, John Woods, Elmhurst, Ill., clipped off the four-mile course in 20:46, while Grant Colehour, Rockford, Ill., who won against Cumberland the week before, finished third at 20:53. He ran Cumberland's three and three-tenths mile course in 16:41, a new course record.

Running 2nd and 4th for the Maroons were Swedish runners Kent Anderson, Swedish national 1,500 meter champion, and Jan Halth, national 800 meter champion.

Finishing sixth was sophomore Bill McAnelly, Ohio Valley Conference meet two-mile winner in 1965.

Beasley, Whalen Back The team's junior is Jim Beasley, Jeffersonville, Ind., 1964 OVC two-mile champ, and the senior is Larry Whalen, Euclid, Ohio, 1964 loop 880 victor, and 1965 mile champ.

Applications Available

(Continued From Page One) The Foundation does not accept direct applications for the Fellowship for four years of financial assistance, with a maximum annual living stipend of \$1800 for single Fellows and \$2200 for married Fellows, plus tuition and fees. Dependency allowances.

Inquires about the Danforth Graduate Fellowships, to be a low-awards are available. Financial need is not a condition for consideration.

Danforth Fellows may hold other fellowships such as Ford, Fulbright, National Science, Rhodes, Woodrow Wilson, etc. concurrently, and will be Danforth Fellows without stipend until the other awards lapse.

Five Alumni Scholarships

(Continued From Page One) Debbie Culver, Miss Phelps is from Mealy, where she graduated from Meade Memorial High School as co-salutatorian of her class. The daughter of Mr. and Mrs. Edwin Phelps, she is concentrating her studies in English. Miss Culver, a physical education major from Frankfort, is a 1965 graduate of Shelbyville High School. She is the daughter of Mrs. Margaret A. Culver.

Mr. Thurman said, "We feel the Scholarship Committee has so far made excellent selections. All of the recipients have been outstanding students with exceptionally high academic records. We have high hopes of increasing the number of awards given each year. We started with one and it's now up to five."

The scholarship is renewable for each of the student's four years of undergraduate work providing he maintains a good scholastic standing and providing the association's funds remain sufficient to cover the awards.

Summer Weddings Highlight Alumni Report

By Mrs. LORRAINE FOLEY

Alumni News Editor

Summer is the time for weddings! This is true for Eastern graduates also as evidenced from reports and newspaper clippings received in the office (and clipped at home). Many are 1965 graduates and are really about all we have heard from the new grads. Let us hear from you, please, with news of your new positions, weddings, advanced education, etc.

Graham-Farra
Miss Lynn Lindsay Graham of Carrollton, and Mr. DAVID DEAN FARRA, of Dayton, Ohio, both 1965 graduates were married August 14, in the Carrollton Christian Church.

Wilson-Osboe
The wedding of Miss Sandra Wilson, of Lexington, to MICHAEL S. OSBOE, of Iowa Falls, Iowa took place at the St. Paul Catholic Church in Lexington, August 28. Sandra attended Eastern and is now employed at Kentucky Central Life Insurance Co. Mr. Osboe attended Iowa State College, and served two years in the Army before coming to Eastern to finish his requirements for bachelor's degree. Michael is now a law student at the University of Kentucky.

Jenkins-Stocker
Miss NORMA DELL JENKINS, '64, became the bride of Lloyd Douglas Stocker at the First Christian Church in Richmond on July 31st, 1965. The bride is employed by the Madison County Board of Education and the groom is associated with his father in business. The young couple reside on Sunset Avenue Richmond, Kentucky 40475.

Mills-Hobbs
Miss ELIZABETH MILLS, '65 was married to Ernie Lee Hobbs and they reside at Bright Shade.

Stratton-Baker
The marriage of Miss LEE ANNETTA STRATTON of Nicholasville, and WILLIAM RAY BAKER, of Berea, both 1965 graduates, was solemnized at 8 p.m. July 10 at the Nicholasville Presbyterian Church. The couple are residing at 100 Liberty Street, Nicholasville.

Hall-Weissinger
Two 1965 graduates, Miss JOANNE HALL, of Somerset, and DAVID LEE WEISSINGER, of Danville were married Sat-

urday, July 10. The vows were exchanged at the 1st Baptist Church of Somerset at 2 p.m. before an archway of spring flowers before the altar which was centered with a basket of white gladioli. Following a wedding trip to Kentucky Dam Village, the couple are residing at 2335 Alexander P.K. Valhalla, Apt. 33A, Southgate. David is employed by the Boy Scouts of America.

Wesley-Hickey
The marriage of Miss JEAN RAE WESLEY, '65, and Mr. Paul Myers Hickey was solemnized at the Meadowthorpe Presbyterian Church this summer. After a wedding trip to Panama City, Fla., the couple is residing at 21 Langford Court, Richmond.

Wellman-Wheeler
The marriage of Miss PATRICIA LYNN WELLMAN, '65, and Mr. ERLAN E. WHEELER, took place July 2, at the Irvine Methodist Church, Irvine, at 8 p.m. The couple will live in Cincinnati.

Dotson-Tony
Miss NANCY PRISCILLA DOTSON, '65, was married to C. Edward Tony, Jr. of Clearwater, Fla. at 7:30 p.m. June 26, at Peace Memorial Presbyterian Church in Clearwater. Following a wedding trip to Nassau and the Bahamas, the couple are residing at 2094 Camelia Street, Clearwater.
