## HOME COMING GAME NOV. 12

Maroons Meet University of  
Louisville on Eastern  
Gridiron

### BOYS BAND TO PLAY

Eastern is alive and kicking, folks—and there is a big time brewing for Friday and Saturday.

This is the first year for Eastern to have a homecoming. Saturday will be the big day! Invitations have been sent out all over the state and many acceptances have been received. Any number of alumni from fifty to one hundred are expected.

The affair is sponsored by the Alumni Association, of which Mr. T. W. Skinner, from Lancaster, is president, and Mrs. A. B. Carter, of Richmond, is secretary and treasurer.

Saturday night at six o'clock there is to be an alumni banquet in Burnam Hall. The members of the Eastern football squad and the members of the University of Louisville squad will be honor guests.

President Coates is toastmaster. Immediately after the banquet there will be an alumni dance in the gymnasium, from seven thirty until eleven thirty.

Tickets will be on sale Friday and Saturday at the business office. The price is seventy-five cents (75c) a plate. You are getting it a cost. Only a limited number of tickets are on sale. Sale of tickets closes at four o'clock Saturday afternoon.

Friday night there is to be the largest and best pep meeting we have ever had, followed by a big school parade. All of the faculty as well as all students are expected to be present and join the fun.

Roll up your sleeves and get into it! Don't be a stiff collared piece of dignity! Show your spirit!

### SCHOOL ORCHESTRA

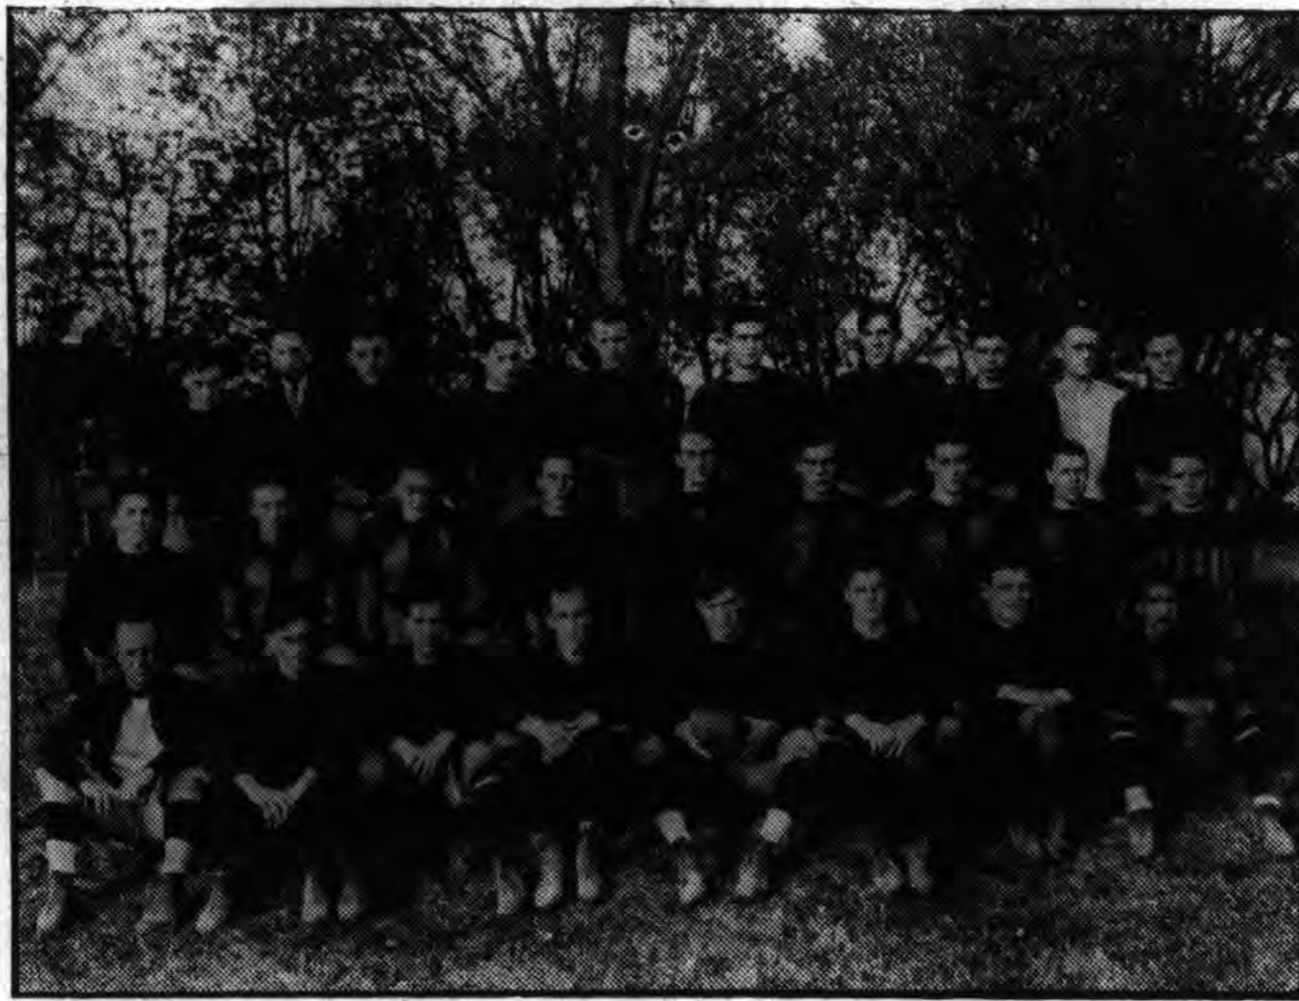

Eastern's School Orchestra of twenty pieces gave a very pleasing program at the chapel period November 2 under direction of Miss Jane Campbell. This was the first public appearance of the entire orchestra this year and the quality of the music and the splendid way in which it was performed means that we are to have some very fine musical treats in store for the year. In addition to numbers by the orchestra, Miss Lillian Smith, violinist, Miss Emily Land, flutist, and Halden Durr, saxophonist, contributed some very entertaining solos. The department of music is planning to organize a school band at the opening of the second semester and to increase the number of players in the school orchestra.

### EXCHANGE BOYS' BAND

The Richmond Exchange Club Boys' Band will furnish the music for the Eastern-U. of L. football game here Saturday, November 12. They will meet the parade of students at the corner of Second and Main streets and march to the athletic field. This splendid organization is under direction of Mr. Sidney R. Griffith, of Lexington; Mr. John Orr Stewart, Jr., and Mr. G. M. Brock, of the Teachers College, together with Mr. G. T. Fawkes, district manager of the Kentucky Utilities Company, Richmond, compose the boys band committee and these men have been largely responsible for the development of this organization. The band has played numerous out of town engagements at Lexington, Winchester, Wilmore, Irvine, Harrodsburg, and Beattyville.

They accompanied the Eastern squad to Winchester and played for the Eastern-Wesleyan football game.

### More Suggestions About Registration

In the last issue of the Eastern Progress I noticed an article about registration. Now I am certainly in favor of something being written about it and I am even willing to read such articles if it will help matters along any. For some reason I hate very much to read articles about registration. When I am reminded of "the long and slowly moving line of individuals" I get faint of heart and dizzy as if I were standing on the edge of a high precipice looking at the surging muddy waters below.

Instead of a lot of writing about registration this semester I hope something will be done about it. I hate to think that there is a possibility of my having to stand in "that line" again.

In the article referred to above it was suggested that old students on the grounds should have a chance to register in advance of the arrival of the new ones for the second semester. This strikes me as being a splendid idea. I believe much time could be saved for all concerned if some method of early registration could be worked out. This would eliminate such a wholesale change of schedules after the semester starts. Students are in the habit of signing up for anything in order to get thru. Later they bother the Dean wanting their schedules changed.

I have one suggestion regarding registration which I feel sure will receive the hearty approval of every student eating in the cafeteria. I believe the last thing connected with registration should be to give each student a large salt shake completely filled with the contents for which it was originally intended. This will serve a number of purposes. First, it will supply every student with salt in his or her room from the start. Second, it will enable us to find salt shakes on the tables in the cafeteria after the first few days of school. Third, it would be cheaper for the institution to furnish a large one to each student rather than for him or her to carry several small ones out of the cafeteria during the year. Fourth and last, if a scheme like this should be inaugurated it would not be necessary for us to eat our baked potatoes without salt.

### Why Attend Assembly

At Eastern the half hour from 9:30 to 10:00 is devoted to General Assembly or Chapel. Why attend it? The beginning of every chapel hour is devoted to short devotional exercises. Every teacher and would be teacher should attend these exercises because it is certainly as little as we can do to recognize daily the God who gives us life and every other good thing. In these exercises a section of the Bible is read. The Bible is the book of books. While we do not teach it in formal classes at Eastern, we recognize it as the book that contains more wisdom than all other books put together. Every teacher should try to become conversant with the Bible for his own good even selfishly considered. The Bible teaches us how to live, and this is the most important thing that anyone can learn. Jesus was the greatest teacher that ever lived and we can learn more about teaching by studying Him of all men.

At the General Assembly there is an opportunity to hear addresses upon general topics. This is a great opportunity. It is certainly better to spend the half hour in this way than in loafing and gossiping. Students are spending their time and money to get information. They should, therefore, lose no opportunity to gather the best information—information not in the text-books. To miss these chances is to waste money. During the present year we are going to give the students a chance to hear our best teachers on a variety of subjects not connected necessarily with their ordinary lessons. I want to urge all the students not to miss these chances for learning. There is no doubt that students who attend Assembly and pay attention to the speakers will learn more, stand higher, and ultimately get better salaries than those who do not.

Another thing, the great difference between schools lies in school spirit. School spirit is developed more in the chapel exercises than in all other exercises put together. I do not think there can be any doubt about this. We all love Eastern; let us show it by attending these exercises where we can all get together, sing together and have a big time.

The exercises will be somewhat along these lines. We shall probably vary the program from time to time.

Monday: General business.  
Tuesday: Addresses of various kinds.

Wednesday: Music, songs and in-

### Commerce Club Has Been Re-organized

The Commerce Club of Eastern Teachers College met for reorganization on October 19.

Mr. Hollis Matherly, president of last year, presided. Before the matter of organization was taken up, Mr. Matherly told something of the nature, history, and work of the club; Miss Mildred Redding spoke of the future of the club; and Mr. R. R. Richards addressed the club on "Why I Study Commerce."

Mr. Matherly was re-elected president; Mr. Richards was chosen vice-president, and Miss Redding, secretary.

Miss Edith Ford, a new teacher in the Commerce department, was introduced. She expressed her pleasure in being a part of an organization that was going to do real things; and she showed some of the ways in which the club might be of help to the Commerce students and all the students.

The possibility of luncheon meetings was discussed and plans made for such meetings. A committee will take care of the planning of the programs for the time being; later, there will be corporations which will do this work.

The Commerce Club meets bi-weekly on Wednesday nights at 6:30 o'clock in the basement of the library. Students who are taking, or have taken one or more commercial subjects, are eligible for membership.

Mr. A. J. Lawrence and Miss Ford are the faculty members and advisors.

struments.

Thursday: Educational, with the Dean.

Friday: Students in charge.

All students and teachers are expected to be present on Monday. No students or teachers are expected to be on the campus during the Chapel hour on any day. Women who live on the Campus are not expected to leave the Campus without permission from the President, the Dean, the Principal of the Normal School, or the Dean of Women, at the Chapel hour.

All students will be furnished with a card which will be punched at the door of the Chapel. This is done in order that the school may learn who is attending the Chapel.

T. J. COATES.

## EASTERN WINS AT MOREHEAD

Defeat "Ringer" Team 12 to 6  
in Bitterly Contested  
Game

PLAY LOUISVILLE NEXT

As a result of the football game at Morehead Saturday, when Eastern Teachers College defeated Morehead Normal 12 to 6, Eastern's coach, George Hembree, the Eastern players and practically all Richmond fans who saw the game are unanimous in favor of Eastern severing athletic relations with the Morehead Normal as long as present methods are in vogue and countenanced and encouraged by the school authorities there.

On a par with the disgraceful and rowdy conduct of a large number of the fans was the action of the authorities of the Morehead school in permitting participation in the contest of seven men from Ashland, who were generally admitted by citizens throughout the town to have been brought to the Morehead school solely for the purpose of playing football. Some of these men are former State University players and several of them are alleged to have been playing professional football at Ashland on Sundays. Robert Walker, Jr., former Madison high school star, and who recently went to Ashland to work, came to Morehead to the game. He said that he had played at Ashland against a number of the "ringers" used by Morehead. Further, and what Eastern authorities say is conclusive evidence of the unsportsmanlike and unethical conduct exhibited, was the fact that when Coach Hembree of the Eastern team requested Dean Chambers of Morehead Normal to show him attendance and scholastic records of the questioned young men, Chambers emphatically refused to do so. With his men on the ground and confident that they could win over an entire team of "ringers" if need be, Coach Hembree went on with the game, reserving his protests against such conduct till afterwards. After the game he declared that Eastern will sever athletic relations with the Morehead Normal.

With the addition of these seven imported players, Morehead put a real football squad on the field and it required the best that Eastern possessed to win. Just what those "ringers" meant to the home team may be seen when it is noted that a few weeks before, without their services, the Nicholasville high school team had defeated the Morehead Normal by a heavy score.

As it was, not until the final whistle blew was it certain that Eastern would emerge victorious. The game was a thriller from start to finish, with every variety of football employed by each team. Eastern started off in the first quarter as if the game was going to be one-sided, scoring in the first few minutes of play on line bucks by Harold Moberly, Jesse Moberly and Brock, the ball being taken over by Harold. Clouse failed at the extra point.

Morehead came right back, however, with an attack that tore thru the Eastern line time and again. Tom Phipps, former State star, was hard to stop. His line plunging was one of the features of the game, and assisted by a passing attack, he went over for a touchdown in the second quarter—the third that has been scored on Eastern this season. Morehead also failed to secure the extra point. Both teams fought desperately but the score was tied at the half.

The last half was almost a battle royal. So evenly were the two elevens matched, on nearly all points that many were predicting a tie score. Brock and Saufley were rolling up most of Eastern's yardage. Eastern

**HORACE MANN ATTENDS NATIONAL FOX HUNT**

Early Monday morning, October 31, the occupants of the front part of Memorial Hall were awakened by a thunderbolt of yells. Some one yawned and asked what it was all about. This was to be let known soon when the Horace Mann proclaimed their name three times in the yells.

After the Horace Mann group had aroused quite a few they skipped off to the front of Roark and nervously awaited the delayed truck which was to take them to the Fox Hunt. The group was little discouraged on the way there but after all they did not miss anything. They saw the large crowd as well as the many dogs start off after the fox. The yelping faded away soon after the dogs were turned loose, but this was not to be the end of the long looked for morning. One of the most beautiful sun rises was seen that morning. It was really one that is read about in poetry.

After strolling about for quite a while and enjoying the freshness of the country, they decided it was time to start back. There was never such a peppy bunch going back. Songs, led by Ira Bell, were sung all the way back to the school and to top it all off they gave yells when they at last reached the campus, which was about seven thirty.

**Roark Literary Society**

There's more than one Literary Society at Eastern and if you don't believe it ask the girls who wore the black and white hose or the boy whom we thought was rushed to the cafe for hash and forgot to dress.

Well, while we are on the outside we're wondering. They politely informed us we were missing one of the most interesting campus affairs by not belonging to Roark Society, which is coming into more prominence each year in the normal school.

This here society met on Oct 6 and went to work to elect some one to get up front and take charge of its meetings. This lucky guy is known as Chas. Alfred what is in love with Owen county. As he needed assistance to keep up in all social affairs, that Delmar Dalton, who takes life more seriously, became his proud assistant. I believe they call him vice president. Now when it comes to writing up the minutes to the minute and spending that good money, Mary Hutchcraft is always on the job, so she became secretary and treasurer; Cloyd Wilson is chief flunky and Herbert Holbrook gets up and exercises his lungs by being yell leader. John Bailey, Ralph Powers and Madge Pinson have assumed the task of going out and fetching in the new people to ride the billy goat.

Last but not least comes our efficient faculty advisor who takes the place of Mr. Keene, our advisor last year, but as he advanced a step higher, we have chosen Mr. Walker.

Each member is pledged to give his services whole heartedly for Roark, and we cordially welcome all homesick and pleasure seeking normal students to join this lively gang.

The height of supesalesmanship would be for a Jew to buy a second-hand car from a Scotchman and sell it back to him for a profit.

**NEW WORKERS AT EASTERN THIS YEAR**

Miss Kathleen Brand, of Mayfield, Ky., has accepted the position as secretary to the dean, which was made vacant by the resignation of Miss Madge Taylor.

Miss Brand received her B. S. in Home Economics from the University of Kentucky, but received her business training at Bowling Green Business University. For two years Miss Brand was head of the Typewriting Department, Richard J. Reynolds High School, Winston-Salem, N. C., and for the past school year was secretary of North Carolina High School Typewriting Contest as well as secretary of the North Carolina Commercial Teachers Association. She is a member of Alpha Xi Delta.

Miss Frances Hoover, of Livermore, McLean county, Ky., has been selected as the new secretary to Mr. W. C. Jones, acting principal of the Normal School.

Miss Hoover completed the two year college course offered by Western Teachers College in June 1926. In November 1926 she enrolled in the Shorthand and Stenographic course at Bowling Green Business University. After completing this course she worked in the office of Mr. Hill, president of Bowling Green Business University, before accepting a position with Eastern.

Miss Hoover says that she likes the school, her position and the people very, very much.

Miss Isabel Speaks, of Morganfield, Union county, Kentucky, is now secretary to Mr. M. E. Mattox, registrar. Miss Speaks secured her business training at Bowling Green Business University. She has taken rooms with Mrs. C. F. Higgins on Oak street.

Miss Edna E. White, of Louisville, Kentucky, has accepted the position as school nurse of Eastern.

Miss White was in training in the City Hospital of Louisville. During the time that elapsed between her graduation and her coming to Eastern Miss White has done private nursing.

Correct this sentence: Elva Mof-fett says: "I'm letting my hair grow out so I won't look so young."

**ALUMNI NOTES**

Miss Virginia Routt and her sister, Elizabeth Routt, visited friends here last week end. Miss Virginia Routt was graduated here in 1925. She was one of our finest all-around students while here, although her chief interest was in chemistry and science.

Upon graduating she accepted a position in the Harrodsburg High School as chemistry and biology teacher, which position she holds at present.

She has been highly complimented by Eastern students as having a strong personality and being very interesting.

Elizabeth Routt, who is teaching in an elementary school near Hustonville, will be a sophomore in college upon her return here.

**EARL COMBS DAY**

November 18 will be known as Earl Combs day. It is planned to have Earl, former Eastern student and at present star Yankee outfielder, appear in chapel on that day to take part in a short but interesting program. In the afternoon he will attend the Eastern-St. Mary's football game as guest of the student body.

It will be worth every student's time to attend chapel and hear the student, the man and the ball player. Every student will do well to honor the former student by their presence at this assembly and then attend the ball game in the afternoon.

The members of the Little Theatre Club met October 13 immediately after the "try-outs" given for prospective members. It was decided that initiation for those who would be admitted would be held on or about November 2. A dinner party to be given at Du Clymbe Inn October 21 was planned for the old members who are:

Miss Pearl Buchanan, Mary Arnold, Henry Arnold, Mrs. Case, Henry Coates, Josh Cosby, Mr. N. G. Deniston, Harold Douds, Miss Mary Folyd, Glenn Faulconer, Dora Morton Hancock, Jessie Kennedy, Elma Moffett, Margaret McMurry, Mr. and Mrs. Batson Mills, Frances Mason, Hollas Matherly, James Noel, Charles Ray, Frances Srearcy, Marion Terrill Wells, Marion Weber, Exta Williams.

**NEON KRYPTON**

The Neon Krypton Literary Society is growing very rapidly. It now has about fifty members of the best students in school and some wonderful talent has been displayed.

The Neon decided that some more knowledge of parliamentary law was sadly needed at Eastern. At each meeting Mr. Keene conducts a parliamentary drill. We find these drills very entertaining as well as beneficial. We think some of our members will soon be perfectly qualified for the United States Senate.

We find that we have quite a bit of musical talent and some in dramatic arts. We also have quite a taste for contests of different kinds. All these things put together make up good programs and provide a good time for all.

## BAPTIST CONFERENCE

"THE BEECHES," Louisville, Ky., Oct. 27—Thirteen Kentucky Baptist, state and other denominational schools have already definitely signified that they will be represented at the Kentucky Baptist Student Conference in Louisville November 11-13. A number of other schools are hoping to be represented, raising the prospective total of schools to twenty and the total of students in attendance to approximately four hundred.

Eight eminent Baptist speakers, Dr. Edgar Y. Mullins, president of Southern Baptist Theological Seminary and Baptist World Alliance; Dr. M. B. Adams, president of Georgetown College; Dr. George Leavell, medical missionary; Dr. W. J. McGlothlin, president of Furman University; Dr. J. W. Beagle, Atlanta, Ga.; Frank H. Leavell, Memphis, Tenn.; Dr. Charles L. Graham, Louisville; and Dr. Carter Helm Jones, Atlanta, Ga., have been given places on the program. The committee headed by W. K. McGee, student at the local seminary, is now awaiting more definite information from several schools before placing the twenty-two student speakers required by the program. It is planned to have each school represented with delegates on the program.

Schools that have indicated that they will have representatives at the conference are University of Kentucky, Cumberland College, Berea College, Bowling Green Business University, Barbourville Baptist Institute, Western Kentucky State Normal School, Georgetown College, Bethel Woman's College, University of Louisville, Bethel College for Men, The W. M. U. Training School, the Kentucky Baptist Hospital Nurses, and the Southern Baptist Theological Seminary.

## MID-SEMESTER

November 19th is mid-semester reporting date. Students whose standing in a class section is "D" or lower are reported to the Dean's office at the middle of the semester and as a result interviews are sometimes requested and in other cases reports go to the parents.

Students who are back in any of their work should make it a point to get their deficiencies out of the way by the week of November 14-19. In fact, they should not get behind with their work because the latter half of the semester seems to be a time in which requirements pile up, even though the student uses all the ingenuity he has to prevent a rush at the end. It is advisable to keep the work well in hand in the whole first part of the semester.

(CONTINUED FROM PAGE ONE) broke the tie and won the game towards the end of the third quarter, however. On Eastern's 18 yard line, Saufley took the ball on a sweeping dash around left end. He gave a beautiful example of weaving thru his opponents and once on his way, Eastern's interference worked to perfection for him. He side stepped and stiff armed anyone it missed, and with Beckham Combs spilling Morehead's safety man, with a beautiful block, went on over the goal line for the winning touchdown. The run was for about 82 yards and was a real thriller and quite a comfort to the Richmond players and fans. Saufley got away a little later for 50 yards on a similar play thru a broken field but the safety man stopped him on Morehead's 20 yard line. In the final quarter the Morehead team opened up a desperate passing attack, seeking to tie the score or win the game as Eastern, for the second time, had failed to secure the elusive and oftentimes necessary extra point. But Eastern's defense always stiffened when danger really threatened and the game ended with the ball in midfield.

Throughout the game and afterwards a number of Morehead spectators constantly hurley insulting epithets at the Eastern players. Twice during the game Morehead players cursed the Eastern boys and a free-for-all seemed imminent at several times. Afterwards the spectators continued their rowdy tactics and attacked several of the visitors. Members of the Morehead faculty looking on made no effort to prevent the disorder; in fact, one of the leading professors remarked: "Well, you'd better bring some militia with you next time you come up here." The home rooters were deeply chagrined at loss of the game which they felt certain of winning with their imported players. The whole town turned out for the game, with a parade and band.

Eastern is now preparing for the hardest game of her schedule this week when the University of Louisville comes to Richmond. Louisville defeated Centre decisively, but East-

## CASEY COUNTY

During the past few years Casey County has been sending many students to Eastern. The second semester last year there were more Casey County students here than at any previous time in the history of the school. This host of former and prospective teachers was headed by County Superintendent Watkins himself.

Information has just been received as to what Superintendent Watkins and his teachers are doing this year. The following article will give some idea of the work being done by many former Eastern students who are now teaching in Casey County.

### Casey County School Notes

The schools of Casey County show a marked improvement this year over last. The teaching body has about 1,200 unites of high school to its credit, an average of about 14.6 unites per teacher against 1,065 unites last year. This year we have 1,170 hours of college, an average of about 14.5 semester hours per teacher. Last year 360 was the total number of semester hours. This year we are paying on 1,008 weeks of school attendance since the first of the year, mostly college, last year we paid for 807 weeks of attendance, mostly high school. Last year we had 23 new teachers, this year only 14.

Last year about 65 libraries were placed in the schools of the county, this year the county was made a 100 per cent county.

During the two-day conference the teachers voted to join the K. E. A. 100 per cent.

At the suggestion of Superintendent Watkins the teachers subscribed for the Normal Instructor and Primary Plans, and the Southern School Journal at the net price to agents and thus saved a nice sum.

Strictly fair examinations were conducted in May and July. Many failures were resulted. This is one of the steps to eliminate the weak teachers. The salary schedule is worked out with the idea of encouraging the teachers who are growing.

A low basal salary of \$45.00 was made in order that 75 cents per unit could be paid for high school, 30 cents per hour for work above high school, to 70 hours, 50 cents per week attendance the first of the year; \$1.00 for each year of experience up to three years if the teacher had less than 25 semester hours, and \$2.00 per year up to three years if 25 hours or more; \$42.00 per annum is allowed on superior service and professional cooperation based on the work done by the teacher in raising \$3.00 per month for school purposes. The poorest paid teacher gets \$54.00 per month while the best prepared teacher receives around \$100.00. The teachers agreed to put the county paper into every home where there were children and try to carry the message into the homes.

The County Board instituted a program this year to paint many of the houses that are in need of paint, to build well houses to protect the pumps to screen the windows in order to protect the glass, and to build toilets where they are needed. Casey is a poor county with many houses, and a large debt on hand, yet with such a loyal and progressive teaching force, and a board who are putting some system into practice regarding better preparation of teachers, and a close tab on the financial problems of the schools, the county will soon forge to the front.

ern is determined and may fool 'em all. No gamer, hard playing and courageous squad of boys has ever worn the maroon of Eastern and the fans are going to see a real football game here this week.

## EASTERN WINS GRID CONTEST

### Maroons Triumph Over Tennesseans 13 to 0 in Stubborn Contest

Eastern Teachers College football team invaded strange and hostile territory Saturday and defeated Tusculum College, at Greenville, Tenn., in the first contest in which the two schools have engaged, trouncing the Tennesseans 13 to 0 in a stubbornly-contested encounter. Eastern made 23 first downs to Tusculum's 12.

After an exchange of punts, Saufley, Easterns quarterback, opened up with passes to carry the ball to Tusculum's five-yard line only to lose the ball on downs. Tusculum fumbled and Nard recovered it for the first touchdown near the end of the first quarter.

The second touchdown came in the second quarter when Guy went off tackle for 20 yards. Clouse place kicked for the extra point.

Eastern was slow in getting started but after about ten minutes of play opened up to outplay Tusculum for the rest of the game. Within the last three minutes of play Tusculum recovered a fumble on Easterns 40-yard line and made a desperate forward pass attack that failed to carry the ball over.

The game was fairly clean, Eastern suffering only 50 yards and Tusculum 25 yards from penalties. The outstanding points of the game were Clouse's punting, he averaging 44 yards, Saufley's passing and Brock's line bucks. Mareno played best for Tusculum, making most of their first downs.
