Ramblings by Rawlings

WHAT IS SO RARE AS A DAY IN JUNE?

Sometimes, by listening to people older than we, one can learn something valuable. A man once told me that he had hated hypocrites ever since the day he had first known what they were. He said he then spent years of his life telling everyone how they represented the lowest possible ebb of human character.

Then one day he found to his horror that he, the champion of truth, had been a hypocrite for years because he had taken the great confession when he was a youth, but without really believing that Christ was the son of the Living God. When he found that from living his life, the truth of the divinity of Christ became apparent, the years that had passed seemed wasted.

CHRISTMAS

In just twenty days, if nothing intervenes, we shall be in our respective homes celebrating the day of the birth of the one who has had so much to do with the formation of our way of life. For a few brief days we shall live and think and act as a civilized race should live and think and act.

For a number of reasons this may be the last time some of us may get to spend Christmas in the place and manner that we desire. Let us do our best to make as many people as happy as possible.

JUST ONCE A YEAR?

We all know because we have been told so many times that the spirit of Christmas is a beautiful thing to behold. The tragic thing about it is that it never lasts more than two or three weeks. It doesn't last because we are hypocrites.

Now faced by so many undesirable alternatives, people are realizing that the Christian way of life is the right way and in their frenzy to appear righteous, they will more nearly approach being good Christians than ever before.

THE REAL THING

I don't think it is beyond the realm of the possible to suppose that if we do spend our Christmas season this year closer to the true way than we ever have before, we may realize that here-to-fore we have been hypocrites.

If this is true, these days will be much rarer than the days of June, because June days come every year while days such as these come only once in the life of a civilization.

Exceptional Given To St. Catherine In L. T. C. Tourney

Boyd, Berea Secondary, Lancaster, K. F. O. S., Breathitt Superior

St. Catherine Academy of Springfield, Kentucky, was declared winner of thirteenth annual Little Theatre Club dramatic festival held in the Hiram Brock Auditorium, November 27 and 28, having been judged as the only "Exceptional" play in the contest. Their play was "A Dish of China Tea" which had an all-girl cast and was directed by Sister Hildegard.

Runners-up to St. Catherine were Boyd County, Breathitt, Lancaster, Berea Secondary School, and K. F. O. S., all of which presented their "Superior" plays in an evening performance.

Individual awards of "Exceptional" were given to William McPherson, Breathitt; Howard Bowles, Berea Secondary School; Iva-Boberg, K. F. O. S.; Mardee Skaggs, St. Catherine Academy; Mary Louis Finn, St. Catherine Academy; and Patsy Hine, Berea High School.

Each Hall To Vote on Dorm Magazines

Each of the dormitories, Burnam, Sullivan, and the Men's Dormitories, will have the privilege of voting for six different magazines to be placed in individual halls, Miss Mary Floyd, head librarian, announced.

There will be placed in the Reference Room of the Library (before Christmas) a table with various samples of magazines on it from which each hall can choose six subscriptions. Students are requested to watch for this display, make note of what they would like to have, and then give this information to representatives in the halls who will come to take them up.

The only specifications are that one current news, one arts or music, and one story and poetry magazine must be among the six. A newspaper may be included in the list instead of one magazine.

Theatre Guild Gives Play In Hiram Brock Sunday

On Sunday, December 7, the Catholic Club will sponsor the Theatre Guild of Northern Kentucky in a presentation of "Damien the Leper," to be given at 8:00 P. M. in the Hiram Brock Auditorium.

Admission to the play will be twenty-five cents. Tickets may be purchased from any member of the Catholic Club.

Football Squad To Be Honored By Kyma Banquet

Left to right, top row: Cliff Tinnell, Bill Brown (manager), Bert Smith, Bill Hickmann. Bottom row: Fred Darling, Ralph Darling, Kenneth Perry.

On Tuesday evening, December 9, the above football seniors will be guests at a dinner to be given and served by Kyma Club in the Blue Room of the Student Union Building. Frank Flanagan and Chuck Schuster, not present when the picture was taken, will also be among the guests of honor.

Those invited to attend the banquet in the main dining room of the cafeteria are all "E" Club members, past and present, the KIAC coaches, our complete football squad and coaching staff, Kyma men, townspeople of Richmond, and various others of note throughout the state.

The dinner will begin at 6:30 and there will be a cost of 65 cents per plate to all those except the honored guests. The tables will be decorated in the form of an "E" and decorations will be in maroon and white.

The members of Kyma would like to express their hopes that many of the townspeople will attend this stag dinner. This is the first time such a movement has been seen on Eastern's campus in honor of a football squad.

Jimmy James Named as Band For Annual Military Ball

January 16 Set as Date; Jayne Jones To Be Crowned

Bud Petty, chairman of the music committee for the Military Ball, announced today that he had secured Jimmy James, and his orchestra, heard over WLW daily, for the annual Ball which will be held January 16, 1942, in Walnut Hall of the Student Union Building.

LAMP DECORATIONS

The street lights down town will be decorated for Christmas with old fashioned lamp heads of holiday pattern made by Miss Fowler of the Eastern Art Department and Miss Marilyn Trautwein, art student.

The NYA Camp is making the metal frames and installing the new cello glass in them. When a different Christmas design will be drawn on each one.

Maybury Named As 1941 Editor Of Belles Lettres

Ann Thomas To Assist In Student Anthology; Conley Business Head

Vera Maybury, editor of the 1942 Belles Lettres, student publication of poetry and prose, announced today that Ann Thomas, senior from Midway, would serve as assistant editor and Bob Conley, senior from Paintsville, would be business manager on her staff.

Belles Lettres, published by Canterbury Club, is now in its eighth year of publication and is composed entirely of poetry, short stories, and essays written by Eastern students. Any student enrolled in either the first or second semester is eligible to write for the anthology. Prizes will be awarded for the best poem and the best short story submitted and these will occupy a prominent place in the book to be published in March.

Jimmy James is not new to Eastern dancers as he played for the Ball in 1939 and was very well received. Since then he has enlarged his orchestra which now numbers fourteen pieces. The staff band for WLW, Jimmy James has been in the amusement field for many years, getting his start in and near Cincinnati and has rapidly skyrocketed to the heights of the music world.

The admission to the ball will be \$1.50 plus tax, and tickets will be sold at advance sale only.

The committee for the orchestra announced several weeks ago that they had secured another orchestra for the dance but at the last minute the orchestra declined. However, they feel that Jimmy James and his group will more than pay for the delay.

In the climax of the night's festivities the queen of the Military Ball, Miss Jayne Jones battalion sponsor, will be crowned. She will be attended by the battery sponsors, Miss Pauline Snyder, Miss LeMonne Miller, and Miss Shirley Kimball.

Carnegie Player, Records Arrive

Variety of Music Included in 640 Different Recordings

The Carnegie Foundation has recently appropriated \$625 to the college for the purchase of musical records and a record player.

The college has purchased 640 records, a phonograph and speaker cabinet, an index for the records, an album cabinet, 54 record albums and one set of Grave's Dictionary of Masters and Music.

Most of the equipment has arrived and the rest is expected in the next few weeks. It will be placed in the Student Union and will be made available to the students at certain times, to be worked out later.

The purchase was made from Lyon and Healy, Inc., Chicago.

MILESTONE PICTURES

Frank Flanagan announced today that cards will be sent to each student as to when he should go to either downtown photographer. The student should take his card with him to McGaughey's or Stanifers, get his picture taken, select a final proof, and then sign that card.

Picture taking will begin immediately. Anyone that wishes to have his picture taken before Christmas please see Ann Allen immediately and she will make the necessary arrangements.

Hanging of Greens Shifted to Union

"Y's" to Hold Service In Walnut Hall, 4:00 Thursday, December 14

The twelfth annual Christmas Vesper Service of the Young Men's and Young Women's Christian Associations—"The Hanging of the Greens"—will be held on Sunday afternoon, December 14, at four o'clock in Walnut Hall.

Previously this service has been held in the lobby of Burnam Hall but since the center of the social life of the campus has moved from that hall to the Student Union Building and since it has been impossible for a number of years to admit more than fifty per cent of the people who would like to attend the service, the "Y" organizations have decided to move it this year to the more spacious quarters.

The program will be under the leadership of Nora Mason, president of the Y. W. C. A., and Harold Hall, president of the Y. M. C. A., and under the direction of Ann Estill and James Farris, co-chairmen of the Special Programs Committee.

Members of the Glee Clubs and the String Quartet and members of the Music Faculty will take part in the program.

The service will be preceded by a Chime Program and will be followed by a program of carols sung by a group of students under the sponsorship of the Student Union Music Committee, and broadcast through the tower. Guests are asked to arrive in time to be seated before four o'clock and are invited to linger on the campus for the carol broadcast.

Stage Door Scheduled For January by L.T.C.

Open Tryouts To Be Held Tuesday, Wednesday, Thursday From 7:00 to 9:00 In Union

The Little Theatre Club of Eastern, at a special meeting called on December 2 in the Student Union Building, elected to give the Kaufman-Ferber three-act play, "Stage Door," as its next major production. A definite date for the play has not been set, but it will be given sometime during the second or third week of January.

Professor Cyril Hager, director of the club, announced that the books would be sent for immediately and that open casting dates for the entire student body would be Tuesday, Wednesday, and Thursday, from 7:00 p. m. until 9:00 p. m. in the Little Theatre of the Student Union Building, December 9, 10, and 11.

Vice-Versa To Be Given

Formal Dance Slated For Next Saturday

COLLEGIANS PLAY

A pre-Christmas vice-versa, the "Holiday Hop," will be given by the Burnam and Sullivan units of the Women's Residence Hall Organization, assisted by the town unit, on Saturday, December 13. The dance will be formal and will be held in the Walnut Hall from eight-thirty to twelve.

The house council units voted early this week to donate a percentage of the proceeds to the Red Cross.

For the benefit of persons who have never before experienced a vice-versa, the dance is exactly what its name implies. The girls get their dates directly, call at the men's hall to escort aforesaid dates to the dance, arrange the no-breaks and, incidentally, foot the bill. At many of the dances held in previous years the girls sent their dates corsages consisting of everything from carrots to gum-drops. Regulations for this dance will be posted before Saturday.

George Hicks and his Collegians will furnish the music. Tickets may be purchased for seventy-five cents.

Gelatone Prints On Display Here

New Type Reproduction In Arts Building Good

The first complete series of "Gelatone" facsimiles of American paintings are now on exhibition in the Fitzpatrick Arts Building and will remain so until December 12, 1941. The pictures are on loan from the Associated American Artists, New York.

These sixteen paintings represent a specially selected cross-section of American art and include water colors, oils and gouaches.

The "Gelatone" process is a newly developed method of reproduction created in American laboratories and sponsored by the Associated American Artists. These facsimiles can scarcely be distinguished from originals.

These sixteen works, the first to utilize "Gelatone," already have been acquired by leading museums and universities such as the Metropolitan Museum of Art, the Whitney Museum of American Art, the Carnegie Foundation, and the United States Government Office of Education for their permanent collections.

The "Gelatones" are being offered for sale from the exhibition at \$7.50 each.

BLANCHE SEEVERS

MIRIAM BERG

Messiah To Be Presented on December 16

Mrs. Blanche Seevers, Mr. John MacDonald, and Miss Miriam Berg will sing the solo parts in the tenth annual joint presentation of Handel's Messiah which will be presented by the Harmonia Society of Berea and the College Glee Clubs of Eastern Tuesday, December 16, in the Hiram Brock Auditorium and Wednesday, December 17, at Berea.

Mrs. Seevers, who will sing the soprano solos, is a member of the faculty at Eastern and has sung the high recitatives since her arrival at Eastern. Mr. MacDonald has sung the past several years with the Chicago Opera Company and was here for his first time last year. Miss Berg, Cleveland, has also sung with the group before.

The chorus, which is composed of will be under the direction of Mr. James E. Van Peursem and at Berea will be under the baton of Dr. Ralph Rigby, head of the Music Department at Berea College.

Among the many choruses sung, the chorus, which is composed of three hundred men and women students, will sing the immortal "Hallelujah Chorus" and also "Lift Up Your Heads," which will be sung in place of the chorus, "All We Like Sheep."

Sung in three parts, The Prophecies, and the Fulfillment, the Shadow of the Cross, and the Life Everlasting, the Messiah is a story in music of the birth, life and death of Christ. Written in the early part of the eighteenth century, the oratorio has been sung thousands of times in countries all over the world by leading musical organizations.

Bert Smith, Chuck Schuster, Fred Darling Named Unanimously For 1941 All-KIAC Team

Eight Other Players Place On Sub Teams

Bert Smith, Chuck Schuster and Fred Darling were chosen unanimously on the 1941 All-KIAC team last Saturday by 16 writers and coaches who took part in the voting.

As is usually the case, the team was highly representative with Eastern placing three, Murray, Western, Centre two each, and Georgetown, Transylvania each one player on the first team.

Eastern having by far the biggest representation on all of the teams, placed four men on the second team, two on the third team, and two received honorable mention.

The most popular player selected, judging from comments by the selectors, was Smith. He led the state scorers with 66 points, was an elusive runner, good kicker and passer, excellent pass receiver and defensive man. Bert's choice was the choice of many fans who saw him play. As one sports writer put it, he is the best all-around halfback to play on a Kentucky college team. Bert made the second team last year and this honor is a great achievement in his brilliant athletic career at Eastern.

Schuster, making the team for the third year in a row, was unanimous choice because of his marvelous pass receiving ability, his unbeatable fine art at kicking extra points and the fact he rolled up 61 points during the season to be the state's second high ranking scorer. Chuck was the only man on the team to have made it three years in a row, which is a separate honor in itself.

Fred Darling, a repeater on the team from last year, although he was injured and did not play for three games, clinched his berth in the early part of the season. The climax of his playing came in the Murray game at which time he made such an impression on the coaches they were unable to leave him off their first team. Of Darling the coach of the Maryville (Mo.) Teachers, Eastern first opponent of the year, said: "The greatest tackle I ever saw."

Pressing closely some of the players on the first team were Eastern's four choices on the second team. Buster Maggard was chosen at end, Cliff Tinnell at guard, Francis Haas at center, and Ted Bennedett at fullback.

On the third team were Kenneth Perry, who was considerably hampered all year by a broken hand and later received a broken leg, and Joe Bill Siphers, Eastern's quarterback. Thus nine of Eastern's starting eleven placed on one of the three teams and Neal and Rasmick received honorable mention.

In most instances the voting for positions was close, except the unanimous choices of the coaches and writers. All the choices were a tribute to a brilliant Eastern team with an excellent record.

Rankin Whips Red Quintet For Big Basketball Season

Seven Lettermen Return To Vie With Strong Soph Candidates

For two weeks the 1941 edition of the Eastern Maroons basketball team has been, whipping itself into shape for the coming season under the tutelage of Coach Rankin.

The success or failure of the outcome of the season is unpredictable at this time as the team has been drilling on fundamentals for their practice periods thus far. The team this year will be built around seven returning lettermen who will possibly be pushed by some new candidates from last year's freshmen squad. The lettermen are Chuck Schuster, "Copper John" Campbell, Charles Dorna, Homer Osborne, Francis Haas, Cliff Tinnell, and Larry Lehman. Schuster, handling the pivot position, showed remarkable improvement toward the end of last season and should reach his peak in this his last year of competition.

McDonough To Organize Volley Ball Schedule For Faculty, Students

Following the plan to provide recreation for all students, the Physical Education Department is planning to form a Volley Ball League as soon as possible.

All men interested in forming this league are requested to leave their names with Mr. McDonough in his office any time during the next few days. Groups of students may form their own teams or they may be assigned to teams by Mr. McDonough. As soon as the organization is complete, schedule of the game dates will be posted and the procedure will be along the same line as the Intra-mural Basketball Tourney.

Volley ball is a recreation for all as evidenced in the fact that a team composed of faculty members may be represented in the league. If you are interested, report to Mr. McDonough in his office as soon as possible.

a very popular player, and Haas will be counted on for his excellent defensive work.

GEORGETOWN FIRST

Eastern opens its schedule on Friday, December 19, against the strong Georgetown aggregation. The schedule is one containing only KIAC teams, thus the fans will have a preview during the season of the KIAC Tournament to be held the last of February.

Freshman games will be played as a preliminary to some of the varsity games and the complete schedule of the freshman games will appear in the next paper.

Eastern Gridders Receive Professional Team Offers

Much has been said about Eastern's graduating football seniors and now some of them have attained another honor through their gridiron exploits.

The Detroit Lions, a nationally known professional football team, have recently sent offers to four of them engaging their services as players for the next season. Those receiving the offers were All-Staters Fred Darling and Chuck Schuster and Ralph Darling and Bill Hickman.

Bert Smith, All-State halfback, has received an offer from the Pittsburgh Steelers and the same team also offered Schuster a contract.

None of these boys have definitely decided upon their acceptance because of the present emergency, but are nevertheless extremely interested.
