NUMBER 13

## Frances Little Named "Miss Eastern" Ann Louise Stiglitz and Roy King Are Voted Most Popular Students

Margaret Hubbard,  
Pearl Stevenson  
Chosen Attendants  
For Mountain  
Laurel Festival

### QUEEN SOPHOMORE

By RALPH MAURER

Frances Little, sophomore, Newport, was elected Miss Eastern of 1938 by the faculty and student body in the final election conducted Monday, March 28, by the Milestone, according to an official announcement by Elmer Douglas, yearbook business manager. Selections for attendants to Miss Eastern, the institution's representative to the Mountain Laurel Festival to be held May 28-29, were Margaret Hubbard, senior, Ashland, and Pearl Stevenson, junior, Richmond.

Ann Louise Stiglitz, freshman, Louisville, was chosen "Eastern's Sweetheart" or most popular girl and Roy King, senior, Annville, was the students' choice for Mr. Popularity.

The 1938 Miss Eastern is a member of the Madrigal Club and Society Editor of the Progress. She was attendant to Nancy Covington, last year's Mountain Laurel representative and Military Ball queen. Margaret Hubbard is a member of the Little Theatre Club, Home Economic Club and Madrigal Club. She was also attendant to last year's Festival representative. Pearl Stevenson is Band Sponsor, junior class secretary and a member of the Home Economics Club.

Roy King, reigning Mr. Popularity, is a member of the Physical Education Club and "E" Club. He was captain of the Maroon football and basketball teams during the past year, being named on the All-K. I. A. C. basketball team and given honorable mention on several all-state grid teams. He has also been a mainstay of the Maroon baseball squad for the past three seasons.

Ann Stiglitz, the only freshman representative of the honored group, is an active member of several campus clubs and organizations and is secretary of the freshman class.

Five candidates each for Miss Eastern and Eastern's Sweetheart and four for Mr. Popularity were chosen from the primary returns to be voted upon in the finals—for Miss Eastern: Miss Little, Miss Hubbard, Miss Stevenson, Bonnie Applegate, Ashland, and Mildred Richardson, Science Hill; for Eastern's Sweetheart: Miss Stiglitz, Victoria Yates, Peynona, Geraldine Allen, Prestonsburg, Lucy Wallace, Irvine; Frances Comaugh, Danville; Mr. Popularity: King, Otwell Rankin, Covington, Norbert Rechin, Bellevue, and James Hart, Bellevue.

Contest winners will be featured in the Milestone, Mr. Douglas stated.

### Costumer Reveals Interesting Facts On Eastern's Venus

Eastern's 1938 Venus, known locally as "Miss Eastern," falls to come up to some of the measurements of the original Venus but statistics as released by local costumers reveal some "interesting information." Our Mountain Laurel Festival representative is 19 years young, has chestnut hair, blue eyes, and grace and poise to spare. Her form is as follows:

Height, 66 inches; weight, 121 pounds; bust, 34 inches; waist 25 inches; hip, 35 inches; thigh 21 inches; calf, 14 inches; ankle, 8 1/2 inches.

### Third Trial Staff Selected To Edit Issue Of April 22

The third and final Progress trial staff named by Ralph Maurer, editor, for the purpose of selecting competent and qualified staff members for next year are as follows: Eddie Elcher, editor; Mary Agnes Finneran, managing editor; Johnny Johnson, news editor; Billy Adams, sports editor, and Eileen Floyd, feature editor. This staff will edit the issue of Friday, April 22.

This issue was edited by Johnny Johnson, editor; Eddie Elcher, associate editor; Mary Agnes Finneran, managing editor; Eileen Floyd, feature editor; Milton Feinstein and Bill Lominac, sports editors, and Billy Adams, advertising manager. The preceding issue was edited by a trial staff headed by Billy Adams.

## PRESIDENT HONORED

PRESIDENT H. L. DONOVAN

## Donovan Chosen To Head Colleges And Secondary Schools Of Southern Association At Annual Meeting

By JOHNNY JOHNSON

Dr. H. L. Donovan, president of Eastern Kentucky College, was elected to the presidency of the Southern Association of Colleges at its annual meeting at Dallas, Tex. last week. The association includes in its membership a wide range of colleges and universities throughout the southern section of the United States.

Dr. Donovan assumed the presidency of Eastern Kentucky Teachers College in 1928, coming here from Peabody College, where he was director of elementary education. Other positions he has held are dean of Eastern Kentucky Teachers College, assistant superintendent of the Louisville Public Schools, superintendent of the Catlettsburg and Wickliffe schools, principal of the Paducah high school, member of the faculty of the University of Chicago, summer, 1930 and special lecturer at Colorado State Teachers College,

1931. His career as a teacher began in the rural schools of Kentucky.

After receiving the bachelor of arts degree from the University of Kentucky, Dr. Donovan received the master of arts degree from Columbia University and the doctor of laws degree was conferred upon him by the University of Kentucky. Honorary fraternities of which he is a member are Phi Delta Kappa, Kappa Delta Pi, and Phi Beta Kappa. In 1934, his wide fame as an educator brought him the honor of being named president of the American Association of Teachers Colleges at Cleveland, O. His election at this time was unanimous.

He is the author of "A State's Elementary Teacher Training Problem" and he is the co-author of "Supervision and Teaching of Reading." Also he has contributed many articles to the leading educational magazines in the country.

## Sixty-Seventh Convention Of K. E. A. To Be Held In Louisville April 13-16; Eastern Faculty To Participate

### Military Ball Tickets On Sale Noon Today

Limited Number  
To Be Sold To  
Student Body

### LEWIS TO PLAY

Today at noon, tickets for Eastern's Military Ball will go on sale. A limited number of one hundred tickets will be sold, so the student body is urged to buy their tickets now. The Ball is on Friday night, April 22 from 9 to 1 o'clock in the Weaver Health Building and will feature Johnny Lewis and his orchestra. Additional dancing space has been provided for and a capacity crowd is expected to hear this, the "biggest name" orchestra ever to appear on Eastern's campus. Lewis and his orchestra have the distinction of being the only attraction to ever play two successful engagements at the Netherland Plaza, Cincinnati, in one season. The band has been featured over every network in the country and every engagement played by the band has always been extended beyond its original length.

Plans are under way to broadcast the program over WHAS and a midnight lunch will be among the novel features of the Ball. Tickets may be secured from Wallace Forbes, Marshall Arbuckle, Leslie Roth, Ralph Pender, Eddie Elcher or by calling the department of military science. It has been announced that there will be a limited ticket sale and when this number has been sold, the dance will be closed. No tickets will be sold at the door.

### COUNCIL TO SPONSOR MOTHERS' DAY PROGRAM

On Sunday, May 8, the Student Relationship Council will sponsor the annual Mother's Day program. The program will convene in the Hiram Brock auditorium at 10:45. According to Mrs. Emma Y. Case, an adequate program will be offered, and "the students are cordially invited to have their parents on the campus for the day."

### WORLD AFFAIRS CLUB HAS DISCUSSION

Members of the World Affairs Club held their regular bi-monthly meeting at the home of Dr. L. G. Kennamer Thursday evening, March 31. The program consisted of a discussion by several members on present European conditions. A round-table discussion followed.

At Sectional Or  
Group Meetings

### BOOTH MAINTAINED

By AGNES EDMUNDS

The sixty-seventh annual convention of the Kentucky Education Association will be held in Louisville on April 13 to 16. The convention will begin officially with welcoming address by Dr. Zenos Scott, of the Louisville City Schools, Wednesday evening, April 13, at 8 o'clock, in the Memorial Auditorium. Immediately after this address, a pageant, "A Century of Progress in Public Education," will be presented by members of the Louisville Education Association, under the direction of Miss Eva T. Mason, of the Highland Junior High faculty. N. O. Kimbler, president of the Kentucky Education Association, will preside at the first general session of the convention.

The Honorable M. M. Logan, United States Senator, will address the Kentucky Council of Special Education and associated groups at a luncheon Wednesday, in the Ballroom of the Brown Hotel. His subject will be "Social Security for the Handicapped." Dr. A. L. Crabbe, College of Education, Peabody College, will speak on the subject, "Higher Education in Kentucky from 1838 to 1938," at 2:15 p. m., Friday, in the Louis XVI Room, Brown Hotel. Dean F. C. Grise, Western State Teachers College, will address this same group on the topic, "From State Normal Schools to State Teachers Colleges," and Dean P. P. Boyd, University of Kentucky, will speak on "Significant Movements in the Development of the University of Kentucky During the Last Twenty-five Years," at this time session.

Dr. No Yong Park, lecturer of Chicago, well-known to Eastern students for his brilliant assembly addresses delivered here in the past, will speak on "The Sino-Japanese Conflict," at 9:25 Friday, in the Memorial Auditorium. The Honorable H. W. Peters, Superintendent of Public Instruction, will preside at this meeting. The Honorable Peters is also scheduled to speak at several group meetings of the convention.

A few of the other speakers scheduled for the program of the convention are: Dr. Elsie H. Martens, Senior Specialist in the Education of Exceptional Children, Office of Education, Washington, D. C.; Miss Willie A. Lawson, Executive Secretary of the Arkansas State Association; W. P. King, Executive Secretary of the Kentucky Education Association; the Honorable John Lee, United States Senator, Oklahoma, who spoke here last fall at the Central Kentucky Education Association convention; Senator Tom V. Smith, University of Chicago; Dr. George D. Strayer, Teachers College, Columbia University, New York City, and S. D. Shankland, Executive Secretary, American Association of School Administrators, Washington, D. C.

Members of the Eastern faculty who have been scheduled to participate in sectional and associated group programs are: Dr. Harriette V. Krick, Miss Ruth Dix, Dean W. C. Jones, Dr. A. D. Hummell, Dr. L. C. Kennamer, and Dr. D. T. Ferrell.

Dr. Krick will speak on the subject, "The Biological Sciences in the Preparation of Elementary Teachers," at the session of the Teaching of Science Division of the Kentucky Academy of Science, Friday at 2:30 p. m., in Room 22H, Watterson Hotel. Miss Dix will preside at the Student Home Economics Club meeting Friday, 9 a. m., in the Dairy Council Demonstration Room, 554 S. Third street. Dean Jones will take part in a panel discussion at the meeting of the Higher Education Section at 2:15 p. m., Friday, in the Louis XVI Room, Brown Hotel. His subject will be "What Changes We May Expect in Teachers College Education Within the Next Few Years." Dr. Hummell, president of the American Association of Physics Teachers, will speak at the session of the Kentucky chapter of this association at noon Friday in the Lecture Room, Department of Physics, University of Louisville.

Dr. Kennamer will preside at the meeting of the Kentucky Council of Geography Teachers in the First Christian Church Auditorium at 2:30 Thursday. Dr. Ferrell will speak on "A Desirable Educational Program for a County School System," at the sectional meeting of the Department of County Superintendents Friday afternoon.

Music for various sessions of the convention will be furnished by the Morehead string quartette, un-

**PROGRESS PLATFORM**  
A weekly school publication.  
A modified system of student government.  
A more active alumni association.  
Continued expansion of athletic department.  
Continued thoughtfulness in regard to college property.  
A greater Eastern.

**On to K. E. A.**

April brings to the minds of the school people another annual meeting of the Kentucky Education Association to be held in Louisville next week, April 13-16.

Here are some of the reasons why you should attend the convention: 1. It is the rallying point for all the Kentucky schools; 2. It is your clear professional duty to support the greatest agency organized in your behalf; 3. Important sources will be released there for the improvement of the schools and school conditions; 4. You will learn of the "New" in Kentucky Education; 5. To help galvanize the spirit of Kentucky education into effective action; 6. The whole program of Kentucky's schools may depend on your presence; 7. It is a fine chance to visit one of the foremost school systems in the state—the Louisville school system; 8. Loyalty and unity are indispensable to success.

In our estimation there has been a mistaken attitude that the K. E. A. is a job exchange. This viewpoint has been held in mind by many teachers who plan to visit the convention. The Progress believes that if to look for a job alone is all the reason you can give for your attendance to K. E. A. this year, you would improve yourself and save your pocketbook by staying on the campus. On the other hand, if those at Eastern who expect to enter the teaching profession will congregate at the K. E. A. because of a hunger to be professionally enlightened, the representation thus obtained will considerably behoove the institution. It would be gratifying to see Eastern turn out 100 per cent.

**Democracy and Life**

Thirty-four years ago this month Eastern was founded. Since that time it has grown into one of the foremost institutions of higher learning. Under the past and present leadership it is soaring to new heights. . . Democratic principles have prevailed.

Today there is a call for more democratic principles; a wider and more wholesome type of democracy, a democracy modeled after that upon which our nation stands. Shall it be in the form of STUDENT GOVERNMENT?

Eastern students are ready for an even greater participation in the affairs of the institution. They are eager for such an opportunity and they consider it a paramount principle for the continued

growth and expansion of Eastern. Shall we have this greater participation by instituting STUDENT GOVERNMENT?

Now is the time to apply democratic principles. Now, as never before, is the time when the world must be shown that democracy is necessary for a full and abundant life. Students of Eastern see this full and abundant life. They see an opportunity to institute into their characters the principles upon which the great things of life are founded. **SHALL WE HAVE STUDENT GOVERNMENT?** (R. M.)

**Congratulations**

No greater or deserved honor was ever bestowed upon an Eastern president than that which was bestowed upon President H. L. Donovan at the recent meeting in Dallas of the Southern Association of Colleges, when he was named chief administrator of the association. The Progress and Eastern want to congratulate Dr. Donovan heartily upon the national recognition accorded him in the Texas city.

President Donovan has played no little part in putting Eastern on the map. What he has done for Eastern in the years that he has been the school's executive can never be measured in a material way. Progressive in every sense of the word, Dr. Donovan is an educator worth many times his weight in gold.

**Social Consciousness**

Do you like those contacts that are so necessary to the well rounded person in the social life on a college campus? Do you revel in being near persons of your own intellect, and in the matching of thoughts and conceptions of affairs with your fellowmen? If you consider this a part of your daily life, you are, out of necessity, going to be versed in the topics of conversation that are of interest not only to you, but to the world at large.

Social life on this campus should consist of this type of generalization. It has been written that a man must know the world in lives before he can tell about it to others. This is a Teachers College, and the people enrolled here are deeply interested in being able to tell the people whom they shall teach in the future the rudiments of being able to see the "inside" on the affairs of the world. How are there going to be good teachers who can interest the students on this subject if no interest is taken in the general conversations that drift along over the campus?

We do not advocate the bull session for the attainment of the ends, but we do believe in a more wide-awake attitude on the subjects expressed on the chapel platforms and in the speakers who are brought here to give us training in the affairs of the world.

Furthermore, it is also a good policy to be able to talk about these subjects after they have been given. This would enable you to say what you mean on the instances when you are called upon to express yourself on some subject in public.

Be social conscious and learn to express yourself.

**Barbed Wire Entanglements**

Once more the question of barbed wire arises. The matter of barbed wire entanglements here and there across the campus has been editorialized in this paper many times in the past few years. In order to protect the beauty of the campus, it is of course shameful that it must be marred by such structures as barbed wire fences.

However, an observant student has called to our mind the fact that it seems almost useless for the administration to remove the fence spanning the ravine. It is regrettable indeed that, after all

that has been said in a manner invoking the loyalty of the student body, numerous ones persist in taking the least line of resistance, and without consideration, begin the age-old practice of cutting paths thru the lawn. And then they wonder why we must have unsightly barbed wire to scorn the eye of the visitor.

We feel that, more than there being a sense of loyalty lacking, there is a sense of pride and appreciation of natural beauty in default. Obviously the two are closely associated, and to them citizenship is a reality of no mean order. But, if nothing else will do, we might say, "Give the grass a chance, you've had yours."

Eastern spends a large amount of money each year that students may enjoy the advantages of good buildings, clean grounds, and the paramount beauty that nature has to offer on a blue grass campus. In addition, Eastern also depends on the cooperation of its students to help maintain these things. If the student body does not cooperate, then an additional outlay of money becomes necessary to mend that which has been destroyed from time to time. In this event protective measures must be taken for the sake of economy.

Somehow or other it appears that sidewalks were built on this campus for their intrinsic beauty. We should not say that they are revolting, but barbed wire fences certainly are. Nevertheless, until we develop a little civic pride in the natural beauty of our campus along with a little civil conduct, we shall be drawn to such treatment and guidance as that which is administered to animals.

Likewise, whether from a sense of obligation, loyalty, duty, or what not, it is no more than right that the student body should give thought to the minor delinquencies which may assume the proportions of major problems. It is not only behooving to the administration but to you personally that there be an interest manifested which would keep Eastern in all parts gratifying to the eye.

**GLEANINGS**

Eddie Cantor defines a parasite as one who goes thru a revolving door on someone else's push. Since we have no revolving doors on the campus, it leads one to believe that there may be no parasites on this terrain. However, some people would have you to believe otherwise.

In this month's issue of the Globe, current magazine of world affairs, there is a story that states that Eastern athletics are monks. However, the article didn't state whether or not these same athletes were religious or were just secluded individuals in the world of their own surroundings in Hanger Stadium.

**ENROLLMENT REACHES 200 MARK FOR SPRING SESSION**  
According to M. E. Mattox, registrar, the figures for the spring enrollment mounted to near the 200 mark, with the possibility of the registration exceeding this mark this week. Mr. Mattox stated in an interview with the Progress, "Most of these students are teachers in the rural schools and are coming back to renew their certificates. This is a desired increase over last spring's enrollment."

**CERCLE FRANCAIS MEMBERS HOLD BI-MONTHLY MEETING**  
Le Cercle Francais held its regular meeting Tuesday evening, March 29, at the home of Mary Ann Collins. After a very short business meeting, over which Agnes Edmunds, president, presided, a French play entitled "Les Deux Sourds" was presented to the club members. Those who took part were Bob Ruby, Minnie Harrison, Mary Ann Collins, and Dorothy White.

**FRESHMAN CLASS PLANS OUTING IN EARLY MAY**  
At the regular meeting of the Freshman class held in Hiram Brock Auditorium Monday, April 4, it was decided to present a varied musical program at the remaining semester meetings. Chief topic of discussion was the spring outing to be held some time in early May. A committee was appointed to select the best date for the affair and the place in which it is to be held. Final arrangements will be made at the next class meeting.

**Men's Dormitory Council Voices New Dorm Plans**

**Suggests Game Or Recreation Room For Dorm**

**INDIRECT LIGHTING**

On March 23, 1938 the Memorial Hall Dormitory Council met and voiced the following suggestions for the new dormitory to be erected in the near future:

1. That the rooms be furnished with single beds because: (a) The rooms cannot be arranged as neatly as with single beds. (b) Single beds can be used to sit on at times. (c) Single beds are more conducive to good sound sleep. (d) It is more healthful to have beds that are well separated.
  2. That they desire to have the school furnish the bed linens and be responsible for having them laundered, and each boy be assessed a fee for this service.
  3. That each room should have a picture moulding.
  4. That each room have a built-in drawer or two for shirts. These drawers to be built in the press.
  5. That each room should have window shades or curtains.
  6. That each room should have floor plugs, three or four to each room.
  7. That each room should have proper facilities for bathing and shaving.
  8. That the new hall have a recreation room or game room for entertainment.
  9. That the rooms be equipped with indirect lighting.
  10. That each clothes closet be equipped with a light.
  11. That there be a telephone connected with the other halls on the campus.
  12. That the present system of housing athletes in the basement be abandoned and that the athletes be quartered as the rest of the students are, in private rooms.
  13. That as nearly as possible, private lavatories or semi-private lavatories be furnished.
- All of these suggestions were unanimously consented to except the single bed question which was voted on as follows:
- |           | Single beds | Double beds |
|-----------|-------------|-------------|
| Freshmen  | 1           | 2           |
| Sophomore | 2           | 1           |
| Junior    | 2           | 1           |
| Senior    | 2           | 1           |
- These suggestions represent the vote of a council of twelve men, elected by the men living in Memorial Hall.

**Eastern Debates Western, Murray On Road Trip**

**Defeats Western; In Non-Decision At Murray**

**REGENT'S CONTEST**

On a two-day tour of Western Kentucky, April 1-2, Eastern debaters, coached by Dr. Saul Houchell, took one decision from Western at Bowling Green, and participated in a non-decision affray at Murray. The affirmative team that took the decision at Western was composed of Elmore Ryle and Doniphan Burrus. While the negative team at Murray was made up of Elmore Ryle and-Burgin Benton.

In a Round Robin tournament at Transylvania, Eastern was represented by two teams. They debated the current national Pi Kappa Delta question. Each debater was judged by his opponents, individually, and out of 63 debaters, Eastern received a ranking of 4-7-11-12 for the four representatives who participated. Each team, composed of two individuals, took part in two debates.

The greater part of Eastern debates so far this season have been non-decision affairs. However, they debate Georgetown in two decision debates this week and will meet a team from Illinois on April 11.

According to Dr. Houchell, the annual preliminary contests for the Regents' Medal will be held on Saturday afternoon, April 23, at 1:30 o'clock in the Hiram Brock auditorium. The finals will be presented in chapel on April 29. The three best speakers will be chosen to participate in the finals. Anyone interested in this contest should see Dr. Houchell at once to decide on subject material.

Last year, the Regents' Medal was won by William Steele.

**Alumni News**

By SAM BECKLEY  
Alumni Secretary

**ALUMNI DAY**

Saturday May 28, the day before baccalaureate services, has been set as alumni day, which is held annually in connection with the June commencement. Prior to last year the alumni banquet was held on the Tuesday evening of commencement week. Since a large number of alumni were working in communities so far from Richmond that they were unable to make the trip in one evening, many of them found it impossible to attend the banquet. Finding it impossible to attend the banquet, they certainly could not be present at any of the other alumni activities held during the day before the banquet. In order that more of the alumni might attend the banquet, and other activities, the executive committee voted last year to have the alumni business meeting, the banquet, and other activities on Saturday before the baccalaureate services. This proved to be a wise move; consequently, the committee decided to set the Saturday before baccalaureate services as alumni day.

Detailed plans for the day's activities have not been made, but the general plans may be announced. Saturday morning will be devoted to visiting with faculty and other friends. The business meeting will be held in the auditorium of the University Building at 2:30 p. m. At this meeting new officers of the association will be elected, a report will be made by the secretary-treasurer, and ways and means of improving the association will be discussed. This will be the first business meeting that the association has had this year. If you are interested in making the association a vital force, put this date in your date book in red letters.

The annual banquet will be held in Burnam Hall at 8:30 on the evening of the 28th. Every effort is being made to provide for the banquet a program which will be interesting to members of all classes from 1907 to 1938. Let's have the largest gathering of grads ever held at Eastern. Tickets may be

purchased from your alumni secretary at any time from now on. Write for yours soon.

**ALUMNI ON KEA PROGRAM**

A number of Eastern alumni are scheduled to participate in the program of the Kentucky Education Association convention to be held in Louisville from April 13 to 16. C. W. MARSHALL (class of '29), president of the County Superintendents' Organization, Columbia, will preside at the meeting of County Superintendents Friday at 2 o'clock in the ballroom of Columbia Hall. A. B. CRAWFORD (class of '15), Bryan Station High School, Lexington, will speak at the meeting of the Kentucky Association of Secondary School Principals at 3 p. m. Friday in the ballroom of Kentucky Hotel. His subject will be "Discussion Groups in Kentucky."

ROBERT K. SALYERS (class of '29), state NYA director, will deliver the introductory address at the "Guidance" session Thursday afternoon at 3 o'clock in the Roof Garden of the Brown Hotel. W. GAYLE STARNES (class of '32), University of Kentucky, will preside at the Visual Education session at 4 p. m. Thursday in the ballroom of the Brown Hotel.

**EASTERN BREAKFAST**

The Eastern breakfast, in keeping with a custom established during the first years of Dr. Donovan's presidency, will be held on Friday morning at 7:30 o'clock in the Roof Garden of the Brown Hotel. Tickets for this breakfast may be obtained at the Eastern booth in the lobby of the Brown Hotel for fifty cents each.

**EASTERN BOOTH**

Eastern headquarters will be maintained at the Eastern booth in the lobby of the Brown Hotel. All alumni, former students, faculty and other friends of the college are urged to go to the booth and register. This booth is maintained for the convenience of Easternites, and is successful only when all Easternites register.

**EASTER FOOTWEAR**

Designed with a touch of individuality so prized by smartly dressed women. Of beautiful rayon crepes and spring prints!  
Sizes 12 to 44.

**PENNEY'S**

**By EDDIE EICHER**  
 Being in an "I told you so" frame of mind, I wish to begin my column by reminding you that by looking on the front page of this issue of the Progress and then in my last column you will see that I named Miss Eastern, Mr. Popularity and Campus Sweetheart a week before the election was held. The student body of Eastern should be congratulated on such an excellent choice of their campus representatives.

I never thought I'd see it in my time but actually, a huge amount of work was accomplished the other night and of all places—in the Milestone office. From my vantage point on one side of the room where I was engaged in cutting up and pasting together snapshots of the friendly institution, I watched with awe as I beheld a yearbook in the making. Four huge tables were spread about the room and each one of them filled. Tutin Billerman, advertising manager, was busily engaged in getting his section ready for publication; Hunky Brock and Owen Gribbon were busy pasting pictures on mounting board, and fourteen other boys and girls were at work drawing, cutting and naming pictures so that they might be sent to Louisville the first of the week. One very seldom sees anyone working in the Milestone office (its different in the Progress office) and so the sight of about 20 youngsters working at full speed until two o'clock in the morning is one that I shall not forget.

Then there is that old adage: When Prexy is away, the faculty misses chapel—alas, only too true. And congratulations of the highest order to our president for being elected president of the Southern Association of Teachers Colleges. Eastern is fortunate indeed to have such an excellent leader, and on behalf of the student body, we want to say we are proud of him. Our president.

And in the midst of this salubrious weather, a colleague of ours at the University of Kentucky claims that he is suffering from a severe case of "spring fever and academic illness." The two do go hand in hand, so take heed and remember: Business before pleasure—when it isn't inconvenient.

Before very long, we will be busy with plans for the graduating season. . . . May I urge the student to seriously consider the problem of Student Government now and pass judgment on it before they become too busy with other things. . . . If you really want self-government at Eastern, now is the time to express yourself.

With tickets going on sale today, I predict that the Military Ball this year will have a complete ticket sellout. A "big name" orchestra makes this seem extremely possible so get your ducats now—the big dance of the year.

Having picked the winners of the Milestone contest, it now behooves us to try our luck at picking the Prom queen. . . . there is really nothing difficult about this for the queen will be the lovely Miss Pearl Stephenson and her attendants will be Miss Mildred Richardson and Miss Lois Eich and I'll bet my pet golden soup-bone that the elections will come out in just that way.

And remember, there is many a slip between the hip and the lip. **Pre-Easter Special—One lot of early hats, values to \$3.95, reduced to \$1.95. Louise Hat Shop in McKee's Store.**

### Full House Views Romeo And Juliet; Annual Shakespearean Performance Surpasses Former Achievements

**By MARY AGNES FINNERAN**  
 The fourth annual Shakespearean production, "Romeo and Juliet," by the members of the Little Theater Club was undoubtedly the best of their many successes. The Hiram Brock Auditorium on Tuesday evening, April 5, was filled to capacity with an audience of nearly 1,800 people.

The entire cast, and especially those portraying leading roles, is to be complimented on their fine performance. The play was excellently cast with Norbert Rechin as the romantic and appealing Romeo, and Margaret Hubbard as the young and lovely Juliet. Sue Toadvine as the motherly old nurse of Juliet could scarcely have been better, and an outstanding performance by one of the new members of the club—Owen Gribbin as Mercutio, marks him as an actor to be watched for in future dramatic presentations. Appreciation for a fine performance is to be extended to the other members of the cast of twenty-four, including: Charles Waner, Edmund Barnes, Russell Childs, Hiram Brock, James Hart, Leonard Stafford, Frank Wilcox, Ernest Harris, John T. Hughes, Walter Mayer, Oswald Headley, James Brock, John Kalb, Dorothy Dorris, Helen Schorle, Mary Gadberry, Joyce Hermann, Lois Eich, Bonnie Jean Applegate, Nelva Richardson, Ann Osbourne, and Nita Creager.

### Palm Sunday Services To Be Held April 10 In Brock Auditorium

The combined Women and Men's Glee Clubs will present the ninth annual Palm Sunday services in Hiram Brock auditorium, Sunday, April 10 at 7:30 o'clock. At this service the clubs will sing the "Seven Last Words of Christ" by Dubois. The words contain the story of Christ's death on the cross. From the Bible, Dubois took the following statements from Christ's Last Utterances: First Word, "Father, forgive them, for they know not what they do;" Second Word, "Today thou shalt be with Me in Paradise;" Third Word, "Woman, behold thy son;" Fourth Word, "My God, My God, why hast thou forsaken me?;" Fifth Word, "I thirst;" Sixth Word, "Father, into thy hands I commend my spirits;" and the Seventh Word, "It is finished."

The chorus of seventy-eight voices, under the direction of Mr. James E. Van Peursem, will be accompanied by Miss Brown E. Telford on the organ. Solo parts will be given by Dorothy Dorris, contralto; Betty Sturm, soprano; Norbert Rechin, tenor, and Edwin Barnes, baritone.

### Nine New Members Initiated To Pi Omega Pi

Nine commerce students were initiated into Pi Omega Pi, national commercial teachers' honorary fraternity, at a dinner Thursday evening, March 31, in Burnam Hall. Those initiated were Anne Margittay, Helen Beckner, Ralph Pendery, Otwell Rankin, Charlie and Clayton Lucas, John M. Preston, Ivel Black, and Bertel Spark.

filiation here she has sponsored and directed numerous plays and is the inaugurator of the annual Shakespearean production at this institution. A great deal of the success of the play was due to the untiring work of the members in carrying out the original interpretation of the play in regard to details of dress and ornament. The costumes for the entire performance were designed by Miss Pearl Buchanan, the director, the stage design being under the supervision of the Art and Manual Training Departments of the college.

### SHORTS ROUND-UP

**By JOHNSON**  
 The guest speaker for the Mother's Day Program to be sponsored by the Student Relationship Council under the auspices of Mrs. Emma Y. Case, dean of women, May 8, will be Dr. Noel B. Cuff of the Educational department here at Eastern. His subject will be "Our Mothers."

The annual Northern Kentucky Moon "lite" is an occasion when all good fellows come to the aid of their party. The moon is always in rare form for the episode (except that it usually rains on this night) and everyone meets old friends (Northern Kentuckians). The affair is supposed to come off this year on the night of April 16.

The Perry-Leslie County Club held its regular meeting March 28 as an informal dinner at the College Grill with Mr. and Mrs. Virgil E. Burns as guests. After the dinner, a short business session followed. The club will meet again Monday evening, April 11, at 6 p. m. at the home of Mr. Burns, club sponsor.

Mrs. Emma Y. Case spoke to the Business Women's Club of Mt. Sterling, Ky., on Tuesday, April 5. Her subject was "Women in Public Affairs Today."

Eastern's lovely Amphitheatre is getting all dressed up for the coming seasons when it shall reign as king of the Chapel Classes. New lamp posts are being installed and the globes fitted, but it hasn't been explained just how they are going to keep the things that fly at night out of the singing mouths. . . . Anyway it is really lovely.

The high school children that practically spoiled the LTC Production, "Romeo and Juliet," were displaying picture show manners and not very good ones at that, but it just goes to show what a few privileges will do for a horse when you lead him to water.

Remember the Sophomore Class reception at Burnam Hall Saturday Afternoon, and don't be afraid to attend. No one is going to bite you.

Ralph Pendery, commerce major, has just received a fellowship to Boston College.

Professor F. A. Engle earned his doctor's degree last year at the University of Kentucky, and we would like to take this moment to congratulate the man who in many instances has gone back into the very foothills of those unexplored lands in some of our counties to ring out some mighty fine talent to grace Eastern's campus.

Mr. Charles A. Keith caught a noon train for Ashland in a hurry last week-end to be there for the Masonic meeting in honor of the State Officers of the organization. Mr. Keith later laid a cornerstone for a new postoffice in Greenup county. He is Junior Grand Warden of the Masons.

The Social Science Club will hold its monthly meeting Tuesday afternoon at 4 p. m. in Room No. 25. All members and spring term students that should belong to the club are urged to be present.

Now that she is chosen, we think that "Miss Eastern" has the prettiest dimples that we ever saw and that she is not sophisticated at all but that "Dimples" should really be her sobriquet.

According to Chester Durham, there will be a E. S. U. installation banquet Friday, April 28. He is endeavoring to secure the services of Norman Price as guest speaker. This will be held in the Baptist Church.

There is going to be a track meet at Centre, April 23. Few men have reported for practice and unless more do, the meet will have to be canceled.

The Pulaski County Club has reorganized its thirty-four members to elect new officers and to try to make the club a success on this campus. The next meeting will be held April 12 in the Library.

All is quiescent on the Eastern Front. . . . We hope. . . . Hope.

### Social Calender Presented For Next Month

Saturday, April 9, 3-6—Open House, Burnam Hall, women of Sophomore class. Katie Baggs orchestra.  
 Tuesday, April 12, 8-10—Reception, women of the senior class. For senior men and faculty. Burnam Hall.  
 April 22, 9-12:30—Military Ball, Weaver Health Building.  
 May 16, 7 p. m.—Women of the Senior class dinner in honor of the Richmond Branch of the American Association of University Women. Glyndon Hotel.  
 May 4, 7:30-10:30—Tea. Dr. and Mrs. Donovan and the junior class joint hosts for juniors and seniors. Donovan home.  
 May 8—Mother's Day Program.  
 May 13, 9-12—Junior Prom. Weaver Health Building.

### Eight New Members Initiated By Sigma Tau Pi March 24

Eight new members were initiated into the Sigma Tau Pi, commercial organization of the department of commerce here at Eastern, March 24. New members who survived the fish pool, wall paper cleaner and what not were: Lucille Borders, Agnes Edmunds, Lily Jewell Barkley, Nita Creager, Virginia Marz, Charles Lucas, Clifford Pitman, and Charles Billerman. The new members will secure certificates of membership within the next few days, R. R. Richards, sponsor, announced. Elmer Douglas, president, made an announcement concerning the club's Milestone picture and then dismissed the club until the next regular meeting.

**STAFF MEETING TODAY**  
 There will be an important Progress staff meeting this afternoon at four o'clock. All members of the staff are requested to be present for this short but important meeting.

# Sports INSIGHT

by RAYMOND STIVERS

According to Coach Rome Rankin, the prospects for one of the best football teams in the history of the college have budged from the spring drills that were closed this week.

Rankin was so impressed with the fine showing of the squad that the practice was cut short two weeks earlier than previously scheduled.

The 1938 edition of Maroons will not have the "beef" that last year's eleven had but with speed and skill displayed in the past three weeks, we unhesitatingly predict "an elaborate display of the 'hawk rifle' before the next season is closed."

"Bob" Hatton, Eastern's contribution to the All-KIAC team last season and also named on the Little All-America, has decided to continue his football career by signing a contract with the Detroit Lions professional club. As far as we can find out, Bob is the first Eastern football man to ever sign a contract to play professional ball. We sincerely hope that Hatton will make a showing that will make Eastern and everyone proud of him and also give Eastern more prestige in the football circles.

For a long time on the campus there has been movements to further the intra-mural program by organizing a softball league. Sunday you will be able to see the first exhibition when the Progress Staff Headliners meet the Memorial Hall Basementites. You will have the privilege of seeing such stars as "Dizzy Dean" Adams, who will be hurling for the Headliners, in action. Editor "Zitt" Maurer holding down the shortstop position, Johnny "Mussolini" Johnson behind the bat, Eicher, Yours Truly, and others will be filling in the places that are left (including the bench). For the Basementites there will be "Hog" Fulton on the mound, "Sad" John Sadd at first, "Schnozz" Voshell at shortstop, "Peck" Perry all over the field and others too numerous to mention. The game will be called at 2 p. m.

It has been rumored around the campus that the campus Ph.D.'s are seriously considering challenging the winner of the Progress-Basement game. A tentative lineup for the Ph.D.'s is as follows: "Shorty" Keith in the box, "Canterbury" Clark in the sunfield, "Controller" Rumbold in center field, "Chatterbox" Houchell at short-stop, "Dewdrop" Jenkins at the key-stone, "Sluggo" Adams, (no relation to Progress pitcher) at first base, "D. Boone" Dorris to hold down the hot corner, "Holdout" Ferrell in right field, "Brain Trust" Kennamer behind the bat and "Speedy" Engle roving outfielder. (Note: Contributed by the staff).

### BRIEFS

KIAC swimming tournament to held here this evening... Hesser's men to repeat... "Pinchy" King declared eligible after missing the first game... Eastern to take a victory this afternoon... Bob Hatton flashing \$50 of the Detroit Lions' money... Bray, heavy hitter of the Eastern nine, returning to the Maroon lineup... Carl Yeager to be on mound this afternoon against Oberlin... Roy King probable captain of the baseball team... "Stagehand" Harrell and "Scenesifter" Phillips getting in to training for the Derby.

## Eastern Host To State Tank Meet

Eastern will be host to the Third Annual Intercollegiate Swimming meet to be held here Saturday afternoon and night in the tank at Weaver Health building.

The University of Kentucky's "dry land" swimming team, which last year defeated Eastern by a two-point margin in the finals of the state meet, although not a member of the K. I. A. C., has been invited to participate.

Ed Hesser, coach of the Maroon team, will use the following tank men in the meet: Marshall Arbuckle, James Hennessey, Bobby Dickman, Bill Byar, Steve Edwards, Edgar McConnell, Guy Whitehead, Leslie Roth and Jack Weaver.

Preliminary events will be run off Saturday afternoon with the finals to be held at 8:00 o'clock the same night.

## Maroons Lose First Tilt To Michigan State

### King Hits Double to Score Only Run

### BROKE STREAK

Inability to get the ball past the infield was the downfall of the Eastern Maroon baseball team in the first game of the season with Michigan State Teachers College here last week. Eastern's big first sacker, Roy King, with a double and Les Voshell with a scratch single, were the only Eastern men to solve the slants of the two Spartan hurlers, Rankin and Nuznov.

Michigan State scored first in the second inning by virtue of an error and two singles and an infield out. In the fourth the Maroons knotted the score on King's double and a fast play at home. The Maroons had several other chances to score, but failed to come through in the pinches. Michigan scored the winning run in the eighth. With two men down, the bases loaded, and the count three and two on the batter, Rice Maroon hurler was slow in his delivery and allowed the run to come in.

This defeat broke Eastern's winning streak for consecutive victories at thirteen.

## Seventy-Seventh Convention of K. E. A.

(Continued from Page 1) der the direction of Keith Davis; the Western State Teachers College glee club; Mrs. Marth Graham Hill, and Miss Marly Louise McKenna, University of Kentucky, soloists; the All-State Orchestra, directed by Lynn Thayer; and the Apollo Singers.

The Eastern breakfast, in keeping with a custom established during the first years of Dr. Donovan's presidency, will be held on Friday morning at 7:30 o'clock in the Roof Garden of the Brown Hotel. Tickets for this breakfast may be obtained at the Eastern booth for fifty cents each.

The Eastern booth will be maintained, as usual, in the lobby of the Brown Hotel. This booth is for the convenience of Easternites, alumni, former students, faculty, and other friends. They are urged to register at the booth so that it will be possible to locate all Easternites attending the convention.

## Success Depends on These Three

LESLIE VOSHELL

Much of the success of this year's baseball nine depends on these three veterans who form the nucleus of the Hembree outfit. King, who performed as an infielder until last year when Coach Hembree needed more pitching strength, recently became eligible and will be on the firing line Saturday afternoon against Indiana.

LESTER KING

King is famous for his control and uncanny curves. Receiving King's slants tomorrow will be Jimmy Caldwell, fiery backstop, who served as field general of the 1937 Champion Maroons. Caldwell has a three-year batting average of well above .300.

JIM CALDWELL

Carvoting in centerfield will be Leslie Voshell, who became a nemesis to opposing pitchers his freshman year when he patted the horsehide for a neat .500 average. His average last year was well above the .300 mark. Voshell is fast and has an "Irish Meusel Arm."

## Eastern Plays Oberlin College Here Today

Game Called At 2:30; Play Hoosiers Saturday and Monday

### YEAGER TO START

The Eastern Maroon baseball team will meet the sluggers of Oberlin College here this afternoon at 2:30 in the second game of the season, and they will meet Indiana University here Saturday and Monday, April 9 and 11.

The Maroons have been going through extensive drills this week in an effort to break into the winning column and erase the loss suffered at the hands of Michigan State last week. The prospects were brightened this week by the return to eligibility of Lester King, star hurler of last season who turned in a record of eight wins and no losses, and the presence of Aaron Bray who was a mainstay in the Maroon outfield in 1935 on the practice field. Bray enrolled for the spring session and is eligible to participate in the varsity games this year.

According to Coach George Hembree, the starting pitcher for this afternoon's tilt with Oberlin will be Carl Yeager. Advance reports state that Yeager has his control and will be in fine form for the fray. In the games with Indiana University L. King will probably start in the first tilt with Rice hurling in the final game. Jim Caldwell will do the receiving.

The Maroons will leave Thursday morning, April 14 for Harrogate, Tenn., to continue their schedule with Lincoln Memorial University on that same afternoon. From there they will proceed to Maryville, Tenn., for a game with Maryville College, April 15. From Maryville they will retrace their footsteps for a return game with Lincoln Memorial there. After returning from this trip, they will engage Illinois State Teachers College here on Monday, April 18.

The probable starting lineup for today's game will be Voshell, centerfield; L. King second; Bray or Williams, right field; R. King, first base; Hill, left field; Bryant or Luman, third base; Merlino, shortstop; Caldwell, catcher, and Yeager on the mound.

From all indications Eastern is going to have a track team after all. This report came to us from a notice on the Bulletin Board in the Postoffice. The candidates were to report yesterday to Coach Samuels.

## Signs With Pros

BOB HATTON

Robert J. "Bob" Hatton, star Maroon football end for the past two seasons, signed a contract with the Detroit Lions, professional football team early last week. The former Maroon ace will report to the Lions August 14 at Birmingham, Michigan, for initial practice. Hatton's contract, calling for "near the three grand mark," was the outcome of two years of stellar playing with St. Joseph junior college and a pair of seasons with Eastern's Big Red.

Last season Hatton was honored on several "all" teams including All K. I. A. C. and All-Little America. He was considered one of the best defensive ends in the south last season and was named by Bruce Dudley, Courier-Journal sports editor, as one of the outstanding ends in the nation. He is 21 years old, weighs 216 pounds and stands six feet, three inches. He is a native of Renessaler, Ind.

## Spring Football Drills Concluded

Fourteen Vets Take Part In Spring Warm-Up

### SCRAP SHOWN

By MILTON FEINSTEIN  
Thirty-four men participated in the spring football practice which ended Tuesday, March 29. Included in the thirty-four men were fourteen veterans, namely, Elder, Feinstein, Hagood, Hennessey, Hill, Kemp, Linn, Luman, Loch, name, Lyday, Weaver, Merlino, Morgan, and Yeager. Also nine members of the 1937 edition of Baby Maroons, Gott, Hilton, Harrell, Lewis, Mayer, Ordlich, Saad, Scott, Thurman, and Tussey. Several newcomers graced the field, among them Bryant, Mowatt, Combs, Kelley, Gordon, Truit, and Swindler look like potential varsity material.

Coach Rome Rankin decided to conclude practice at an earlier date than scheduled because of the fine showing and the finesse that the group attained in the few weeks of threatening weather. The pep and spirit manifested through the spring drill bodes well for the fighting team the Maroons will present next year. From all appearances the 1938 edition of the Big Red will be lighter than last year's team, but the scrap and fine showing, if continued, will atone for any disadvantage in weight.

## Pistol Team Ends Season With Loss

Won Three; Lost Six; Tied One For 300 Percent

### BROWN SECOND

The Eastern R. O. T. C. pistol squad wound up the present competitive season by dropping their last match to a stronger Xavier University team. This last match, fired on the Xavier range in Cincinnati on March 26, ended with the Xavier squad ahead by a score of 1383 to 1226. This was the second time this season that the Xavier boys triumphed over Eastern. In a previous match fired on the Eastern range on March 12 the Xavier team won by a large score.

Despite the loss suffered by the team, individual Eastern shooters managed to capture some of the laurels. Richard Brown scored second high in the match with 258, the high scorer being Beckman of Xavier with 261. Walter Henry, the Eastern captain, tied for third place with Reese of Xavier at 251. In the slow fire stage,

Barnette of Eastern was high with 83. In the time fire stage, three Eastern shooters, Brown, Henry, and Preece, tied for first place with 91 points each. In the rapid fire stage, Beckman of Xavier took first place with 91.

While the individual performance of the Eastern shooters was brilliant at certain stages, consistent shooting by the Xavier team at all stages tilted the scales of victory for the wearers of the Blue and White.

During the season, the Maroon squad chalked up three victories, tied one match and lost 6 matches. This gave them a percentage of .300 which is very good considering that this is the team's first year of competition.

Captain Ford, pistol coach, said, "Considering the fact that our inexperienced team fired most of their matches against schools who have had pistol teams for a number of years, the military department is highly pleased with the showing made by our team."
