PROGRESS PLATFORM

- A weekly school publication.
- A modified system of student government.
- A more active alumni association.
- Continued expansion of athletic department.
- Continued thoughtfulness in regard to college property.
- A greater Eastern.

Editorially Speaking

In an effort to get more of the student body to read editorials, we are trying an experiment which we hope will meet with your approval. In the following paragraphs we have briefly outlined the contents of each of our editorials. Read these "briefs," select the ones which appeal to you and then read the editorial.

"A Step Forward" tells of the latest developments in Student Government on the campus.

"Apple Polishing vs. Friendship" is the title of an editorial which tries to promote better understanding between the faculty and student body.

"Assembly Manners" presents a plea by Agnes Edmunds for better attention at chapel.

Our "Gleanings" this week are concerned with High School Day, Campus Tidiness and Editorial Matter.

Apple Polishing vs. Friendship

One of the most important things to be gained from a college education is the associations you make while in school. Books and studies are important, but the persons who teach them are far more important. These teachers have back of them years of practical experience which is available to anyone for the asking.

If each student at Eastern would cultivate two or three close friends on the faculty, they would gain more from their associations with these friends than they would from many of the books in our library. If the student would go to a faculty member who he likes and trusts to discuss the questions and problems of grades and college life, he would find a sympathetic and understanding individual who would do all in his power to help the student. The student would find that his faculty friend has a wealth of knowledge which he will be glad to give the student.

Do not misunderstand us; apple polishing, or trying to get a good grade in class by being over-friendly outside of class should be frowned on by the faculty and student body alike, but good honest friendship and understanding should be fostered and encouraged.

At the present time, there is a general coolness between the faculty and student body because of an unjust campus tradition to the effect that anyone who discusses problems with a faculty member and becomes friendly with him is trying to "polish the apple." In an institution of higher learning, such as Eastern, it is an insult to the intelligence of the student for anyone to think he is trying to get a grade by making friends with the faculty. Likewise, it is an insult to the intelligence of the faculty members to believe that a person can get a grade in their classes by being over-friendly.

We are not trying to advocate apple-polishing, but one thing that this campus needs more than anything else is a closer friendship and understanding between faculty and students. If Student Government or any other worth while plan is ever to succeed at Eastern, it must have the support and backing of the faculty and students alike.

Let each student and faculty member do away with this apple polishing bugaboo and make a conscientious effort to let down the bars in order to cultivate real friendship, and we will have the first essential of a greater Eastern.

Assembly Manners

Presumably, we, the students of Eastern, are cultured persons who have come to college for the purpose of securing an education. Our assembly programs are planned for the purpose of helping us secure this education. If we really desire an education, we will listen to the assembly speakers, who, as a rule, know more about their subjects than the majority of the students, instead of talking while they are lecturing.

Of what value is a lecture to one if one talks

continually during the lecture, repeats phrases after the speaker, criticizes the grammar, content of the speech, the enunciation and posture of the speaker, etc. If a student's opinion is more important to those who sit near him than what the speaker is saying, then he should be making the speech instead of the speaker. The truth is that the person who does all this talking during the assembly programs, thus making a nuisance of himself, usually is the person who really needs to listen to at least one good lecture, a lecture on courtesy. The speakers, whether visiting or faculty, expect the attention of the audience, an audience which they think is composed of intelligent, well-bred college men and women. But what is their impression when they are confronted with the student who talks continually to his neighbor, laughs, and considers himself "tops," his ideas the only important ideas in the world?

The three hours devoted to assembly programs each week are not to be used as conversational periods, courting periods, or sleeping periods. If we, as education-seeking students, cannot sit for fifty minutes three times a week and listen courteously to the programs arranged for us, then we should not be in college. If we feel that we must criticize the speaker, we should at least wait until we have been dismissed to begin this criticism. If we feel that we must sleep, or get in a little courting, then it would be far better if we did not go to chapel, rather than go and embarrass Dr. Donovan, the faculty, the speaker, and our fellow students by our flagrant display of bad manners.

—A. E.

A Step Forward

By his recent actions, our president has proven that he is not only a great educator but also that he has the interest of the student body at heart.

In a chapel period recently, he asked for a motion to be made concerning student government. As a result of his invitation, a member of the Progress staff made the motion that the possibilities of Student Government be investigated by a special committee appointed by the president.

Dr. Donovan has announced the names of the students and faculty who will act upon this committee, and his choice is a most wise one. It will be the purpose of this committee to thoroughly investigate Student Government as it works at other schools and then to submit a plan or form of government which will work at Eastern.

Of course, we must realize that no complete plan or constitution will come to Eastern overnight. In order for it to be successful, the policies of the group should grow gradually over a period of years until it finally really becomes a government by and for the students. From a humble beginning, Student Government would undoubtedly grow to be as prominent on this campus as the student council is on many other camps. It must have a start and we, the student body, are the ones to start it.

After the committee has made its research, a vote will be taken as to whether or not the student body wants self-government. It is extremely possible that this plan may fail if there is lack of interest from the student body. In order for it to be a complete success, let us have over two-thirds of the student body vote in favor of it when the issue is put to a vote.

It has taken over fifteen weeks of intensive campaigning on the part of the Progress and other campus groups to arouse the students to realize the students to realize the benefits of student government. It has been the major plank in the Progress platform . . . and now we are upon the threshold of self-government. All that we have to do is to register our approval when we have a chance to vote on this issue.

Now that we have gone this far toward Student Government, let us not lose this opportunity of securing it on our campus. We will have a vote before the present school term is up to see if we want self-government. If we vote for it now, it can begin operation next September. NOW IS THE TIME TO SECURE STUDENT GOVERNMENT.

GLEANINGS

Eastern's tidy and attractive campus has always been a source of pride to those affiliated with the school. From now until the end of the school year, there will be thousands of visitors on Eastern's campus. They will judge Eastern and Eastern students by what they can see. Even a dozen pieces of paper strewn about the campus may give an untidy appearance.

It takes but very little more time and energy to throw your candy wrappers and scrap paper in a receptacle instead of on the ground, so let us watch and train ourselves to help keep the campus clean and tidy.

Write now to some friend you have who will shortly graduate from high school and invite him to attend High School Day which will be held on the campus May 7. There will be a special program arranged for all visitors and by your interest you may be instrumental in bringing new students to Eastern. We have a great institution here and we can share it with others by telling them about it and asking them to come and see it. Let us do our part for a Greater Eastern.

Committee Named To Study Student Government

Otwell Rankin to Head Group of Students and Faculty In Study

ACTION PROMISED

The first meeting of the committee to decide whether a further study of Student Government should be made or whether a constitution should be drafted met yesterday afternoon at four. They decided that the constitution should be simple and workable to begin with and then powers added as time progresses. It should be a constitution which can be easily amended, they decided.

This committee which was appointed by Dr. Donovan on Monday, April 18, is composed of Geraldine Allen, Prestonsburg; Lucille Nunnally, Danville; Mary Agnes Bohn, Shelbyville; Mildred Coley, Louisville; Donovan Cooper, Portsmouth, O.; Marjorie Sears, Somerset; James Squires, Whitesburg; Bill Hagood, Corbin, and Otwell Rankin of Covington, who will act as chairman of the committee. Faculty members appointed to serve on the committee are Mrs. Case, Dr. W. J. Moore, and Dr. Smith Parks.

By intensive study, the committee hopes to present a plan to the student body for a vote before school is out. "It is possible that this plan may be presented within three weeks," said Mr. Rankin.

Dramatic Tourney Draws Many High School Entries

Ninth Annual Contest Held Thursday and Friday, May 5 and 6

FIFTEEN SCHOOLS

The ninth annual high school dramatic tournament will be held on Thursday and Friday, May 5 and 6, in Hiram Brock auditorium.

High schools which will participate in this tournament are: Picadome High School, Lexington; Short Creek High School; Athens High School, and Leslie County High School, Hyden, on Thursday afternoon. Hall High, Gray's Knob, Louisville Male, Madison, London and Dayton on Thursday night. Friday morning, Benham High, Berea, Shelbyville, Highlands (Fort Thomas), and Knott County, Pippapass. No plays will be presented Friday afternoon because of high school day demonstration.

The high schools are divided into A and B divisions. Those in division A will present tragedies, and those in division B, comedies. From these two divisions judges will select the four best casts and these casts will present the finals Friday night. At this time awards will be made to the winning cast in both tragedy and comedy, and individual awards will be presented to the best girl and best boy player in each of the two divisions of the tourney.

Former Student Now Pilot In Texas

A telegram from Theodore Keith to his father, Dr. Chas. A. Keith, says that he is employed as copilot on the Braniff Airway Co. and that he was to begin flying Tuesday, April 19, from Dallas to San Antonio on regular runs.

Alumni News

By SAM BECKLEY
Alumni Secretary

FOUR HUNDRED AT EASTERN BREAKFAST

Approximately four hundred alumni, students, friends, and faculty members attended the Eastern breakfast which was held during the K. E. A. convention last Friday morning, April 15, at 7:30 o'clock in the Roof Garden of the Brown Hotel.

The program consisted of short talks by Dr. H. L. Donovan, George Evans, president of the Alumni Association, and Coach Rome Rankin, and transcribed musical selections and solos by the college glee clubs and band.

TUDOR ELECTED PRESIDENT

HERBERT TUDOR (class of 1933), a member of the faculty of Holmes High School, Covington, was elected president of the Kentucky Council of Geography Teachers at the Council's annual meeting held in Louisville in connection with the K. E. A. convention last week. Congratulations, "HERB."

ALUMNI BUSINESS MEETING

Following the Eastern breakfast last Friday, the alumni held a short business session, at which PRESIDENT GEORGE EVANS presided. About one hundred alumni were present for this meeting, the purpose of which was to give proper reading to a proposed amendment to the Alumni constitution, so that the amendment might be presented for a final vote at the annual business meeting. This meeting will be held on the campus Saturday, May 28, at 2:30 p. m.

The proposed amendment is relative to membership. At present only those persons who have received the bachelor's degree from Eastern or who were two-year graduates prior to 1925 are eligible for membership. The amendment proposes to admit into the Association as associate members those persons who have spent as much as one semester on the campus but are not residing on the campus at the time that said membership is applied for. Associate members would have the rights or privileges of active members, except the rights to vote and hold office. Dues for associate

members would be the same as for active members.

"WHO WOULDN'T BE CRAZY"

On my way to the Alumni Council Convention at Columbus, Ohio, I dropped in on "play practice" at Holmes High School in Covington. The play, on which the work was progressing nicely, was being produced by the faculty of the high school.

I believe you will be interested in some facts about this production. JOSEPHINE DUNN, former Eastern student, GEORGE MARTIN (class of 1937), and HERBERT TUDOR (class of 1933) were in the cast. MORTON SHEARER (class of 1923) was directing the presentation. JOSEPHINE DUNN was cast as a negro lady not too richly endowed with mental faculties. "HERB" TUDOR was her male counterpart, favorite pastime was rolling a wheelbarrow around upside down and, of course, empty. GEORGE was a "sissy" young fellow, whose mental ability rose very little above that of his "colored" friends. Of course MR. SHEARER was not supposed to be a crazy man, but you imagine he was before the drop of the final curtain? Who wouldn't have been crazy? And, by the way, the title of the play was "Who Wouldn't Be Crazy?"

This play was presented to a packed house on Friday evening, April 1—they were all April fools. I think the audience was made up largely of students who were curious to see their beloved teachers on the stage. You know they must have enjoyed it.

PENNEY'S

By RALPH MAURER

After dishing out assignments on a college newspaper for almost a year and a half, it is a real pleasure to have someone else to assign a column. (One in which the Trial Ed says to use as you please). It has been a genuine pleasure, though, working with a bunch of boys and girls who take their writing seriously and cooperate as the regular commercial staffs do.

In the spring a young man's fancy lightly turns to thoughts, et cetera. George Kerler, past Sports Editor and feature writer of the Kentucky Kerner, passes this on as his definition of spring. "Spring—it comes like a whiff of smelling salts walking the earth long knocked cold by winter. . . Ice tea appears on menus; butter spreads easily on your bread; you sweat when you make love; profs escape early for a round of golf; townspeople wander around and stare at straining gardens; the lawyers loll around their backdoor and yearn at passing legs; the sports pages are loaded with three-base hits. . .

"Spring—ginger ale is diluted by the more timely catalyst, lime rickety. It opens the season for rumble seat cannibals. The vernal months—nature's craftiest trick, a weather hypodermic causing restlessness in storks and worms, cows and co-eds. . ."

I have never had the pleasure of filling out an income tax report, in fact I've never seen one, but if they call for any more information than do the Placement Bureau Reports, I'll forever be content with a small salaried position.

Americans and their leisure time . . . and what is a better way to use it than to nurse your hobbies. Every time I see James Muncy and his "snap-shot apparatus," Dr. Farris and an arm full of botanical specimens, Dr. Dorris bargaining for an old Civil War relic, and Molly Coley with a bit of history on some famous musical, I firmly resolve to start a collection of something. A short talk with any of the above hobby addicts will convince you that it is a fascinating activity.

Speaking of pleasures and activities, I have done nothing in my college career that has given me any more real enjoyment than spending every other Thursday evening in Dr. Kennamer's home as a member of the World Affairs Club. What do we do? Well, first we feel at home. We discuss international problems and try to keep abreast current news happenings. We do it INFORMALLY. You know, relax, sip tea, smoke and join in. For enlightenment and educational value the evenings are worth more than many regular scheduled classes.

Suggested project for the WPA: Conduct a survey to ascertain how many campuses have pet rattlesnakes.

Many people cannot connect football and philosophy, but we

Wins Fellowship

A teaching fellowship at University of Tennessee has been awarded to Willis Throckmorton, Mount Olivet, Kentucky, a senior at Eastern, it was announced here today.

Mr. Throckmorton has been active in the Science Club, World Affairs Club, Limestone Club, Y. M. C. A., and many other campus organizations.

He is the son of Mr. and Mrs. C. H. Throckmorton, and is a graduate of Deming High School, Mount Olivet.

have found few individuals who possess a philosophy of life comparable to that of Coach Rome Rankin. Having spent several evenings in Coach Rankin's company during the past few weeks, I have a revamped outlook on life and have a new view of the so-called "gridiron toughies."

Here is a tip to some energetic sports writer for a real human interest story. We refer to Roy King, who four years ago came to Eastern as a big, unknown Hill-billy. Since that time he has developed into a polished and cultured young gentleman with the greatest of all assets, personality. He has been a star in every undertaking. Athletically, King has been to Eastern what Babe Ruth was to the Yankees. This, his senior year, he reached a Zenith for small college athletes. . . He captained the football and basketball teams . . . selected all-K. I. A. C. hardwood performer . . . given honorable mention on several "all" football teams . . . stars for the third straight year on the baseball team . . . selected President of the "E" Club . . . voted (overwhelmingly) Mr. Popularity. This is our definition of GROWTH.

This weather is inviting to the "Seemore" clothing, referring of course to women's bathing suits. What I mean is that you can "see more" of the women than of the clothing.

Additional: Personally I thought Charles Warner stole the show in Romeo and Juliet . . . and just where did Warner get that "down-in-the-well" voice. . . Every time I see a copy of the Baltimore Sun, I think of Don Michelson and his editorials. . . Someone invite me to a banquet sometime when the menu doesn't include peas. . . When the annual spring carnival comes to Richmond go see a duplicate of what I rode 3,000 miles to see, the Texas Centennial.

After Easter sale on all early spring hats. Real bargains. Louise Hat Shop, located in McKee's Store.

B. S. U. Installation Given Fellowship Of Officers To Be Held Here April 29

Outstanding Speakers To Address Group At Annual Banquet

GARDEN THEME

By CHESTER DURHAM

The annual installation banquet of the Baptist Student Union will be held at 6:30, April 29, at the First Baptist church. At this time, the following officers of the Baptist Student Council for 1938-39 will be formally installed: Atlanta Cox, James Standlee, Virginia Root, Marie Hall, Vena Carmen, Rebekah Vallandingham, Georgia Bates, Kathleen Clark, Evelyn Marshall, Walter Henry, Anna Frances Todd, Fayette Wellman, Nellie Bailey, Dorothy Dunaway, and Willa Sue Richards. The theme for this impressive service will be a "Garden of Memories."

A very interesting program has been arranged for the event. Pete Gillespie will be the guest speaker of the evening. Mr. Gillespie, who is a student at the Southern Baptist Theological Seminary, has recently accepted a position as State Secretary of Baptist Student work. He is very popular with Eastern students. The subject of his address will be "Christ Liveth in the Garden of My Heart."

R. H. Falwell, Jr., who is state president of the B. S. U., will be present and students from Morehead, Georgetown, Berea and the University of Kentucky are planning to attend. The music, which is in charge of Ed Hesser, will feature the B. S. U. quartet. Chester Durham, president of the local B. S. U., will act as toastmaster.

Tickets for the banquet will cost thirty-five cents, and may be purchased from any member of the Baptist Student Council or at the office of Dr. F. A. Engle.

Lucy Wallace Elected Secretary of State Home Ec. Association

According to Miss Margaret Hubbard, president of the Home Economics Club, Miss Lucy Wallace, junior, has been made secretary of the State Home Economics Association for the coming year. Miss Wallace, a member of the local Home Ec. Club was elected in the college division.

Miss Wallace was also elected to represent Eastern at the association's meeting held in Louisville on April 15 and 16.

Given Fellowship

RALPH PENDRY

Ralph Pendry, a senior at Eastern State Teachers College, of 25 Elmwood Avenue, Ft. Thomas, has been granted a teaching fellowship at the College of Business Administration, Boston University, Boston, Mass., in the department of accounting. He will assume his duties and begin his courses in September.

Mr. Pendry was one of the 34 honor students at Eastern last semester. He was recently elected president of the Alpha Beta chapter of the Pi Omega Pi, national commercial teachers' honorary fraternity. He is also vice-president of the Northern Kentucky Club, a member of the men's glee club, the Little Theatre Club, and the Sigma Tau Pi, organization of commerce students.

Pulaski Club Sponsors Old Fashioned Dance

A real old fashion square dance will be featured tomorrow night, April 23, in the small gym from 7:30 to 10:30, under the sponsorship of the Pulaski County Club.

Miss Floyd, faculty sponsor, said that there would be prizes for the best men and women dancers and Mrs. Case, Mr. Keith, and Dr. Kennamer would act as judges.

Because square dancing is becoming more and more prominent today, said Miss Floyd, we are going to give a dance with all the old traditions attached. Music will be furnished by a fiddle and two guitars and Mike "Mountain Dew" Cornette will be the caller.

Admission is 15 cents apiece or two for 25 cents. Every one is invited and everyone is assured a good time.

MAROONS BREAK EVEN IN EIGHT GAMES

Defeat Illinois But Bow To Indiana Team

Loose Fielding and Light Hitting Cause Maroons Trouble

TIP OBERLIN

Finding it difficult to hit in the pinches and fielding loosely with men on bases, Eastern's defending state champion baseball team has been able to take only two of their last four home games. After losing to Michigan State in their opening encounter by a 2-1 score, the Hembree men evened their year's standing by slugging out a 15 to 1 victory over Oberlin College.

Carl Yeager, lanky junior, starting his first game, gave up only two hits and fanned seven. In an abbreviated doubleheader with Indiana University Monday afternoon, April 11, the Maroons emerged on the short end both times. In the opener "Pinchy" King gave only four hits but two of these came in the fifth when Clark, Hoosier catcher, tripled and scored on Cromer's scratch single. Indiana added four more in the sixth on two walks, a fielder's choice, an error, and two singles.

Eastern made a last inning effort in their half of the seventh. After L. King had gone out short to first, Bray singled, R. King fanned, Hill singled, sending Bray to third, Bryant scored the third run a minute later on Caldwell's hit thru the infield.

In the second game Indiana opened on Rice for five runs in the first inning on two walks, three singles and a double. They added another in the second on two singles and a fielder's choice. They counted four times in the fourth on five singles and an error and then pushed over three more in the fifth on two free passes, an error and two more singles.

Eastern scored in the third after Yeager was safe on Heldt's error and Voshell doubled to deep left. They added another tally when Bray singled Voshell across the plate. Errors by Gwin and Clark placed Luman and L. King on first and third to start the fifth. L. King then stole second and both runners scored on Bray's third straight single.

The Hembree men pushed across three more in the seventh on a walk to Davidson, an error, and doubles by Luman, Voshell, and Hill.

In a game interrupted by rain the Easterners defeated Northern Illinois Monday afternoon, April

Defending State Champions

Eastern's defending state champion baseball nine which lost only five games during the two preceding seasons will open their Kentucky Intercollegiate season today with the University of Louisville Cardinals on Belknap Field, Louisville. Their record this season with out-of-state competition stands at four wins and four losses.

Members of the team are as follows: Front row, left to right—

Rice, pitcher; Merlino, short; Ramsey, infield; Voshell, center field; Kemp, outfield. Second row, left to right—Shetler, manager; Luman, third base; Hill, left field; Davidson, infield; Park, catcher; Wallace, outfield; Williams, second base. Third row, left to right—R. King, first base; Cole, infield; Fritts, outfield; Hinkle, first base; Caldwell, catcher; Porter, ass't. manager, and Hembree, coach.

18, by a score of 10 to 8. The contest was loosely played from beginning to end, with each team committing 5 errors.

Rice, Eastern's moundsman, permitted only four hits, all coming in the last two innings, but he was in trouble all the way by being too liberal with free tickets to first, fourteen DeKalbites being given bases on balls.

Eastern scored twice in the second on two errors, a walk, and a single by Caldwell. They picked up three more in the third on two errors, a walk, and a single by Williams. Passes to Merlino and Rice, a double by Voshell and another single by Williams brought in two more in the fourth. Bryant opened the fifth by grounding out, pitcher to first, Merlino singled, Rice sacrificed Merlino to second and Voshell singled to bring across another tally.

The Maroons added another in the seventh, a walk, an error, and a single by Merlino.

Eastern's final run came in the eighth after King walked, went to second on Singer's error, and scored on Bryant's single thru the infield.

Maroons, Cards Tangle Today; Wesleyan Sat.

Contests To Be Eastern's First Inter-State Fray

PANTHERS HERE

George Hembree and his Eastern baseball team left early this morning for Louisville where they will play the University of Louisville Cardinals on Belknap Field this afternoon. The contest will be Eastern's first of the season with Kentucky opposition.

According to team records for the season the Cardinals appear to have the edge. Zimney, Cardinal southpaw ace, will oppose the Hembree batsmen. L. King, who until the start of this season, had never lost a college game, will start for Eastern.

Saturday afternoon the Maroons will be hosts to Kentucky Wesleyan College who have placed a team on the field this year for the first time in several seasons. Carl Yeager will probably get the mound assignment against the Methodists. The game will be called at 2:30 o'clock.

Those who made the trip to Louisville today were: Voshell, L. King, Bray, R. King, Hill, Caldwell, Bryant, Merlino, Luman, Davidson, Williams, Rice, Cole, Yeager, McWhorter, Kemp and Wallace.

ATTENTION SENIORS:

Earnings distinctly above average and start immediately. Not house-to-house. Interview by appointment. Address H. E. Ebert, Dist. Mgr., 962 Hanna Bldg., Cleveland, O.

Eastern Mermen Retain K. I. A. C. Championship

Berea, Morehead, and Kentucky Represented

DICKMAN STARS

With history repeating itself the Eastern merman swam thru the state meet to again second U. K. and to take the K. I. A. C. championship, thus earning their second trophy which will soon take its place along with the one won last year in the trophy case in the corridor of the Administration building. Berea and Morehead also garnered points, with Morris of Morehead being high man for the meet with a total of eleven points. Every Eastern entrant snagged points, with Bob Dickman taking our only first by his stellar performance on the springboard. The Eastern relay teams again were second only to U. K.

In the seven swimming events every previous record in the state was broken and new ones established which will probably last for several years. Predominating are the new records of 24.5 seconds in the 50 yard freestyle by Morris, Morehead, and Scott's time in the 150 yard backstroke of 1:58.5 seconds.

Four senior natators concluded their college careers in the pool with the state meet: Bill Byar, dashing dashman and latest addition to the team; Ed McConnell, dolphin distance man, who has done his best swimming this year; Steve Edwards, basking back-stroker since Model High school; and Ed Hesser, for the last four years who has coached, captained, and displayed versatility by filling in whenever there was a shortage in any events and taken points.

The remaining team which completed the season consists of: Leslie Roth, Marshall Arbuckle, Jack Weaver, Jim Hennessey, and Guy Whitehead.

Sports INSIGHT

by RAYMOND STIVERS

Sofar, the Eastern Baseballers have not seemed to have hit their stride this season. Up to date they have chalked up 4 victories and suffered as many defeats. There is no particular alibi why they have not hit their stride yet, other than every team they have lost to have been among the larger colleges of the country, namely Michigan State, University of Indiana and Maryville. With twelve games left to be played, and the boys getting more accustomed to the other's playing habits, we predict the season to end with Eastern again as the K. I. A. C. champs with fourteen wins and six losses.

At a recent meeting of the entire baseball squad Lester "Pinchy" King was chosen as captain of the '38 nine, succeeding Jim Caldwell. "Pinchy" has been a regular on the Maroon diamond for the past three years and has been one of the most serviceable and dependable men that has ever led the Easterners. With "Pinchy" controlling his curves and leadership the Maroons should GO.

An amusing incident occurred during the Maroon baseball trip over the Easter holidays. The story is told that Coach Hembree took along Lefty Shetler as a manager to look after the club's equipment, and when it was necessary for the redoubtable Lefty to appear on the scene, he was not to be found. After a considerable search by the entire squad, he was found out back of L. M. U.'s club house playing marbles with a group of tiny children. The story ends with Lefty keeping a pretty close watch on the bats and balls for the remainder of the trip.

According to Charles "Turkey" Hughes, the Maroon tennis team this season will be under the tutelage of Marshall Arbuckle. "Marsh" will be one of the few playing coaches in the state.

The Chicago Cubs certainly must think that "Dizzy" Dean is a very valuable man. Any ball player that is worth \$185,000, and three players must have "TT." It looks as though the Cards got the best end of the deal. While in the National league, here would be my pick for the finish line: the New York Giants to be first, the Chicago Cubs second, Pittsburgh Pirates third and the Cincinnati Reds and the St. Louis Cards battling to the wire for fourth place.

Closing Advice: Don't ever attend K. E. A. in the hopes of having a vacation or finding a \$10,000 job.

TEACHERS WANTED: IF YOU are well qualified and seeking a position write Florida Teachers' Service, Suite 406, Postal Bldg., Miami, Florida. This organization is operated by a former student of Eastern.
