Number 14

SCHOLARSHIP AWARDS MADE

Honors Conferred on Outstanding Students By Dial of Open Forum

NAMES GO ON A SHIELD

On Thursday of last week scholarship awards were made by Fred Dial, chairman of the Open Forum, to the students ranking first and second in both College and Normal.

Last year the student body, thru the Open Forum committee, inaugurated the idea of scholarship awards. Those students standing first were awarded twenty-five dollars each, while those standing second were awarded fifteen dollars each.

It was thought advisable to change the system of awards this year since there isn't any assurance of a permanent scholarship fund. This year a nineteen-inch silver shield, on a mahogany base, was provided for the College and a fifteen-inch silver shield, on a mahogany base, was presented to the Normal School. The names of those standing first and second have been engraved on the shields. The shields are to be placed in the library. The students standing first in both schools will be awarded a specially designed scholarship pin.

Miss Susan Helm was first in College, with a perfect standing of three, while Miss Bertha Broadus was second with a standing of 2.81. In order to make a standing of three it is necessary to make a grade of A in all subjects carried by the student. Mrs. Elmer Calico ranked first in Normal. She carried two and one half units of work and made A's in all class work. Messrs. Loyd Wilder, Charles Pettitt, Chester Cross and Ralph Powers tied for second honors. They carried two units of work, making three A's and one B.

Mr. Keen Johnson, editor of The Richmond Daily Register, delivered a short address on scholarship.

The Prowler Looks Activities Over

I have been pestered more or less with the spring fever here of late and just when I thought maybe I would get a chance to do some good hard loafing, along comes that infernal editor and says ye got to work if ye stay around this dump.

You know—sure you do—between that old boy and this here on and off weather I have been havin a terrible time. Mark Twain didn't know anything about weather when he talked about New England weather. Its a fact. You can go out here in your palm beach suit some days and before you get back from class its snowin.

Been seen some of the funniest things this week. No, my eyes are not bad, we just got some funny things on the campus. I saw a perfectly dignified young man goin around here with his lip all plastered with some sort of shoe blackin, one breeches leg rolled up and I don't know what else. Then there was another with a big sign over his back sayin "I am the L. T. C. goat." Like I couldn't tell that without all that signboard. But the funniest thing—you know how cold it was last Saturday morning?—well, one little girl was over on the library steps fishin. She didn't actually catch a sucker, but I did see a lot of them standin around. About the same time another young lady was paddlin a boat along right in front of the library, or she thot she was. I don't know where she was goin unless she was tryin to rescue the little fishermaid—from, from the suckers. I thought I heard a chicken outside my class room the other day and went out to chase it out of the buildin. Sure enough there was a chicken—but, you know,

Several Eastern Teachers Initiated

Within the past few days several members of Eastern's faculty have been initiated into honorary sororities or fraternities at the University of Kentucky.

Just recently Misses Mable Pollit, head of Eastern's foreign language department, and Ruby Rush, teacher in the training school, were initiated into Tan chapter of Eta Sigma Phi, honorary Greek and Latin sorority.

A chapter of Phi Delta Kappa, national honorary fraternity for graduate men in education, will be installed at the University of Kentucky about April 14. Phi Delta Kappa is one of the oldest educational fraternities in America and the College of Education at the university has desired to have a chapter established for several years, but awaited the development of the graduate school before offering the petition for a chapter.

Among the charter members that are on Eastern's faculty are: G. O. Bryant and W. J. Moore. The alumni members on Eastern's faculty are Dean Homer E. Cooper, M. J. Coe, R. A. Edwards, and M. E. Mattox.

GRID PRACTICE IS FINISHED

Conclude Spring Football With Game Which Varsity Wins 13 to 7

GOOD MATERIAL SEEN

The Maroon football warriors finished four weeks spring football practice last Thursday in a game between the upper classmen and the freshmen. The Varsity won by a 13 to 7 count.

About four weeks ago Coach Hembree issued a call for football men for spring practice. He stayed with the squad until time to call out the baseball men and then turned them over to Mr. Gumbert, who had been assisting him. Mr. Gumbert put the men thru the paces each afternoon until he had two likely looking teams.

Since several of the letter men did

it wasn't one of the kind what, what, well, has feathers. After that I was curious to know what all this tomfoolery was about and I was told it was part of the Little Theatre Club's initiation ceremonies.

I was up in my room the other day lookin out over the campus. I saw a great host of boys over across the campus down on their knees, like they were lookin for somethin that had been lost. I proceeded over to help them find it and just about the time I got set to lookin right good that bunch of rude boys said a few numbers and tore out of there like a herd of wild cattle. I think every one of them passed over me, and then had the nerve to say that they were practicin football. Any way they have been at it for nigh onto four weeks and should be gettin good.

This is the first week of the last half of the second semester. Another school year will soon be finished, altho some of us may not have our work finished. Several new students and some not so new entered school this week. I guess we got nigh onto twelve hundred boys and girls here now. You see, these new ones and the ones not so new have been teaching and have come in to stay thru a least part of the summer school. I think I am goin to stay here some summer, cause they say you sure can have some time around here. Somebody told me that there were twelve hundred girls here last summer and only two hundred fifty boys. How could you imagine anything better than that—last summer? But no, no; not this summer, cause this is leap year, ye know.

—THE PROWLER.

NEW PRESIDENT OF EASTERN IS H. L. DONOVAN

Former Dean Here Chosen by Board of Regents as Successor to Dr. Coates; Comes June 1

IS NOW AT PEABODY

Dr. H. L. Donovan, former dean of the faculty at Eastern and now professor of secondary education at Peabody College, Nashville, Tenn., was unanimously elected president of Eastern Kentucky State Teachers College and Normal School at a meeting of the board of regents held yesterday in Louisville.

Born on a farm in Mason county, Dr. Donovan attended the Mason county rural schools and high schools. He attended the Western Normal School at Bowling Green where he obtained his life certificate in 1908 and secured his Bachelor of Arts degree at the University of Kentucky in 1914.

Columbia University conferred the degree of Master of Arts on Dr. Donovan in 1920 and after doing work toward his doctorate at the University of Chicago he was given the degree of doctor of philosophy at Peabody College in 1925 and was immediately elected professor of secondary education there, which position he has held since.

Dr. Donovan began his teaching work in the rural schools of Mason county where he taught for one year. He served for three years as principal of Paducah High School and for two years as superintendent of city schools at Wickliffe, Ky.

His first big opportunity came when he was elected assistant superintendent of schools in Louisville, a position which he filled with capability for five years and the discharge of the duties of which placed him in the foremost rank of the younger educators of Kentucky.

After leaving Louisville he was for a year superintendent of schools at Catlettsburg and then came to Eastern as dean of the faculty.

Dr. Donovan has written several books, one of which is considered an authority in its field. "Supervision and Teaching of Reading" is used as a text book at the University of Chicago and in many of the leading schools of education throughout the country. His "A State's Elementary Teacher Training Problem", his thesis at Peabody, was based on his work at Eastern.

Dr. Donovan is 41 years old. He is a member of the Christian church, a Mason, into which order he was initiated while here, is a member of the Nashville Exchange club and a former member of the Richmond Exchange Club. Dr. Donovan is married but has no children.

The change which he is making in coming to Eastern is being made at a financial sacrifice. His salary at

BASKETBALL AWARDS

At a meeting of the athletic committee a few days ago letters were awarded to thirteen basketball players, six boys and seven girls.

The girls to receive letters were: Morgan, Cornette, Combs, Bunch, Simmons, Beck and Messersmith. The boys were: Combs, Salyers, Triplett, Hargrove, Gentry and Deaton.

All of the boys receiving letters will be eligible to participate in varsity basketball next year. From present indications they will likely be back, assuring a strong team for next season.

307 STUDENTS ENTER SCHOOL

Mid-term Entrants Bring Total Enrollment to 1,300; 100 in Normal

MAY MAKE 8 HOURS

When the enrolling force called it a day Tuesday three hundred seven students had enrolled for the last nine weeks of this semester. This brings the total enrollment up to approximately 1,300. If the training school on the campus and the rural schools that are under the direction of the College are included, the enrollment would reach something like 1,700.

Eastern has so arranged her class schedules to especially accommodate those students that were teaching and couldn't get back for the beginning of the second semester. By doubling up on class work it is possible to earn eight hours in the College and one unit in the Normal School. The classes offered at this time are those necessary to renew certificates or those that will count on the work necessary for a certificate.

About one hundred of those enrolling are in the Normal School and the remainder in College.

Scholarship

Some weeks ago The Progress commented upon and commended the idea of Scholarship Awards and congratulated the student body upon inaugurating a system of awards last year.

Last year monetary awards were given. We have no objection to such awards or any other legitimate means of awarding students for outstanding work. We believe they should be shown some recognition for their endeavors. It not only gives the victors satisfaction in being shown some distinction but will also tend to encourage others to elevate their scholastic standing, a very commendable thing and the thing for which this school or any school is founded.

The change from a monetary award to the present system of engraved names upon a silver shield, that is to be placed in the library; may not be as desirable from the students' standpoint as a monetary award. But since Eastern is limited, in a financial way, as far as scholarship money is concerned, it seems that this plan is a little more feasible. It not only assures a perpetual record of those standing highest but will be more permanent than any amount of money. The money would be gone within a few days, at most, but the engraved record will remain for years to come. That very fact will be a tower of satisfaction to those who have engraved their names there and will be a much stronger incentive for others to place their names there.

Eastern will be \$5,000 a year while his present salary at Peabody is \$8,000.

Dr. Donovan was present at the meeting of the board of regents and upon his unanimous election to the position said: "I intend to give my time, energy and ability to the programme of the school. My life will be invested in that position. I feel that I know the educational problem of this state and I am going to give my best."

BASEBALL TO OPEN SATURDAY

Practice Under Way for Two Weeks; Prospects for Team Good

PLAY CENTRE MONDAY

Baseball practice has been under way for two weeks and tomorrow the Maroon outfit will meet the Panthers from Kentucky Wesleyan College at the local ball yard.

Prospects for a winning team this spring is very good. Raider and Patton, regular pitchers from last year's team, are back. Taylor, regular catcher, is back, with Pennington to assist him. Moberly is the only other regular back, although several men have reported that were on the squad last year.

Hacker, a left hander, and Lyons, a right hander, are two new members of the pitching staff. These two men, with Raider and Patton, give Coach Hembree two righ handers and two left handers.

It is not known now just who will compose the starting lineup tomorrow. It is very likely that several men will get a chance to see some action before the season is over. By next week it is likely that the squad will be cut to about eighteen or twenty men.

The next game will be with Centre Monday at Danville.

K. E. A. APRIL 19

The Kentucky Educational Association will hold its annual meeting in Louisville, April 19, 20 and 21.

Last year a special campaign was put on in an attempt to get all or as many students as possible to join the K. E. A. It is hoped that as many as care to will join again this year. In addition to joining, it is hoped that as many students as can will make arrangements to attend at least a part of the time. Special buses and probably reduced railroad fare will be arranged.

STRAW VOTE AT U. OF K.

Students at the University of Kentucky seem to care little about who is nominated for the presidency of the United States. Democrats responded better than Republicans, casting 251 votes to their opponents' 206. Governor Al Smith was easily the choice of the Democrats, getting 146, while Herbert Hoover received more votes than any candidate in the running, a total of 172.

The remaining ballots were distributed as follows: Republicans—Dawes, 8; Carter, 2; Lowden, 4. Democrats—Walah, 38; Reed, 32; Ritchie, 5; Donahay, 10.

S. I. A. A. RULES

Since Eastern will become a member of the S. I. A. A. next September, it is thought advisable that extracts from the rules of that association be run in The Progress at various times.

Article IX, Section 12—Migratory Rule—No student who has competed in athletics as a member of any team of one institution of collegiate rank, shall be permitted to compete in the same sport or sports in any intercollegiate contest as a member of an athletic team of any institution of this Association.

Section 13—Freshman Teams—Freshman teams shall be composed of members of the Freshman class only and shall not compete as such for more than one year and shall be eligible under the rules of this association except the one year rule. For the purpose of this rule a Freshman is a student who enters the institution from a high school or a preparatory school for the first time.

Section 14—The Freshman football schedule shall be limited to five games, without respect to place.

Memorial

For eleven years the late T. J. Coates labored for Eastern. Every minute of those eleven years was taken by ceaseless effort to make Eastern one of the foremost educational institutions in the state, if not the whole south. His whole life and energy, even to the last ounce, was spent in improvements that are necessary to take care of the ever increasing numbers that knocked at Eastern's door for admission.

In no small way we see his success. Eastern has grown from a standard Normal or secondary school to a standard degree granting College. She has been admitted to the State Association of Colleges, the National Association of Colleges, and is soon to become a member of the Southern Association of Colleges. By September she will be an active member of the Southern Intercollegiate Athletic Association.

General Assembly after General Assembly was attended by him, pleading with our law making body, and others in power, to grant Eastern money, money that could be used to erect new buildings that were badly needed. Two years ago he succeeded in getting an appropriation that enabled him to build an administration building and complete Burnam Hall. Many hours were spent, some of the last few of his life, in seeing an appropriation safely thru the Assembly that has recently closed. This appropriation provides for a much needed gymnasium and as badly needed auditorium that is to be attached to the new administration building.

Every building on the campus will be a monument to him, but is that enough? The last great act of the master hand was to provide for an auditorium. What could be a better memorial than the dedication of the new building to the memory of T. J. Coates?

Our Campus

Geometry teaches that the shortest distance between two points is a

straight line. Observation teaches us that the shortest distance between the cafeteria and the administration building is any number of routes across the ravine, the most beautiful spot on our campus.

Last fall a number of students started leaving the walk between the crossing at the library and the crossing in front of Burnam Hall. In a very short time paths were started around the hill below the driveway, leaving very unsightly strips of yellow grass. The same fate is in store for the beautiful grass in the ravine if students and others continue to cross there as they have for the past few days. Already three paths are to be found across there.

There isn't a boy or girl on the campus that would intentionally mar the beauty of that beautiful spot. Still, if they insist on continuing the practice that has been started, within the past two weeks, there isn't any hope but that path after path will eventually find its way across there, too.

Starting now, let's keep on top of the hill and use the concrete walks that are intended for our use. The distance may be a few steps greater, but let's take the longer distance, it will be good for us and preserve our beautiful campus.

FOREIGN LANGUAGE CLUB

A Foreign Language Club has been organized by Misses Pollitt and Roberts, the Latin and French teachers. The officers are:

Miss Norma Dykes, president; Miss Pauline Clark, vice president; Miss Lucy Commander, secretary; Miss

Mabel Dudley, treasurer.

On March 8 the club met for its first program which was enjoyed by all the members. French and Italian Artists in the Art Exhibit at Eastern—Ruth Ramsey. Mardi Gras—Miss Ford. Panama—Ruth Frazier.

After each meeting delicious refreshments were served by Misses Roberts and Pollitt.

The next meeting will be on Thursday afternoon, April 5, at 4 o'clock in Miss Roberts' room.

I sat alone in the twilight,
 Forsaken by God and man,
 And murmured over and over:
 I'll never eat onions again.
 —Exchange.

An Opportunity

Easter Sunday offers a wonderful opportunity for woman to rival Nature in the beauty of her costume. We are anxious to have a part in this and as our share have selected these styles in Easter Footwear.

The swagger strap pump shown here comes both in patent and in the favored honey beige shade that is so much worn this season.

A novel idea in a strap pump is shown in this model in patent leather. A very graceful design.

We are also showing a number of plain dress pumps in patent leather or satin, together with the cut steel buckles which are very much in vogue this spring.

PERSONALS

Miss Mildred Redding spent the past week end at her home at Owenton.

Misses Eliza Cummins, Neli Pelphrey and Lucile Huffman spent the last week end at their respective homes in Lancaster.

Mrs. Hester Abner was called to her home in Annville because of the illness of her mother.

Misses Blanche Melear and Irene Jamison were at their respective homes in Waddy the past week end.

Miss Inez Taylor spent the past week end at St. Helens.

Miss Elizabeth Begley spent last week end at her home at Grays Creek.

Miss Flora Tate was at Midway during last week end.

Miss Pollitt was in Paris one day last week acting as judge in the district tournament contests. The other judges were Professor Sterrett of Center College and Professor Givens of Berea.

The following Lawrenceburg girls spent the past week end at their respective homes: Misses Reva Brown, Frances Cox, Sue Gillis, Annie Wash, Mattie Redmon, Oneta and Della Hahn.

Miss Lorena Tudor spent the past week end at Kirksville.

Miss Alyse Beck spent the week end with her parents at Lexington.

Miss Hallie Carter of Ashland spent last week end with Miss Margaret Scott.

Miss Grace Veal spent part of last week end with her parents in Lexington.

Miss Elizabeth Zion spent last week end at her home in Pennington, Va.

Miss Pollitt left Thursday for Nashville to attend a meeting of the classical association of the middle west and south.

Miss Hazel Broaddus and Susan Helen spent last week end with Mrs. Earl Broaddus of Lancaster.

Miss Anne Jones spent last week end at her home in Bloomfield.

Miss T. Opal Williams was at her home at Mt. Vernon during last week end.

Miss Virginia Denborn spent last week end with her brother of Ashland.

Miss Exta Williams and Jewel Gaines spent the week end at their respective homes in Georgetown.

Miss Della Gregory spent last week end with relatives in Terrill.

Misses Stephena Brumfield, Elsie Mulcaby and Mrs. Flo Jacobs spent the past week end at their respective homes in Nicholasville.

Misses Bessie and Madilee Harvey were in Million last week end.

Miss Fannie Edgington was at her home in Bourne last week end.

Misses Valley and Beatrice Carpenter spent last week end with their parents in Harrodsburg.

Miss Anne Kennon was in Clay City last week end.

Miss Doris Gooch spent last week end in Waynesburg.

Miss Louise Bertram spent a part of last week end in Lexington with her mother.

Miss Zelma Calston was in Crab Or-House during last week.

Misses Era Martin and Pattie Ree Buchanan were in Lexington last Saturday. They met the former's mother there to do some pre-Easter shopping.

Miss Elva Moffett has accepted a position in Covington schools.

Miss Lillian Kincaid spent last week end in Fincastle.

Misses Rose Prewitt and Lee Etta Sulton spent the past week end in Jellico.

Miss Mary Barclay was at Red Housed uring last week.

Misses Ruby Heilman and Margaret Bellwood spent the past week end at their home in Cropper.

Miss Ina Phillips was in Waynesburg last week end.

Mrs. Bevins had as guest at the Glyndon her husband, Mr. R. B. Bevins.

Misses Adelaide Benton and Betty Broaddus spent the past week end at their respective homes in Irvine.

Mrs. Mabel Tyree was in Burnside last week end.

Miss Nora Moore was in Peoples last week end.

Miss Mae Rowland spent last week end at Major.

Miss Orpha Burgher spent a part

of last week with her parents at Ravenna.

Mrs. H. R. Sale has withdrawn from school. Her many friends give her up with regret.

Miss Christine Pieratt was at her home in Bethel the past week end.

Miss Eula Mae Cable was the guest of Miss Lytta Ballon the past week end.

Miss Ethel Chestnut spent the past week at her home in Burr.

Miss Nette Eversole was at her home in Louisville the past week end.

Miss Mary Kendrick spent last week end at Middlesboro.

Miss Gladys Barrett was at her home in Ashland last week end.

Miss Bessie Reynolds was the guest of Miss Evelyn Pearson on Barnes Mill pike the past week end.

GRID PRACTICE
(CONTINUED FROM PAGE 1)

not report for spring practice, because of conflicts and because some of them play baseball, several unexperienced men were used to fill up the Varsity line up. The Freshmen presented a very likely looking bunch, many of them having had football experience.

In the game Tuesday the freshmen started off with a bang and made it appear as if they were going to walk all over their older brothers. They scored about the middle of the first half on two successive passes. The varsity came back strong in the last half with the intent of tearing up the freshmen, and they did. Beck Combs and Rog Morris were forever tearing around end for gain after gain. Tom Clouse would hit the line occasionally for yardage. The younger men couldn't stand the pounding and the varsity walked thru their line for two markers in the last half. Robert Guy was the big man for the freshmen. Bob is a nice little player and should make a valuable man on the varsity next year.

CASEY COUNTY NOTES

Supt. Watkins and about 30 teachers are in Eastern for the winter term. Several additions are expected for the spring term. Casey teachers are attending school at Murray, Cumberland, Western and the high schools of the county in addition to the number at Eastern. The Casey county board of education, composed of Messrs. Griffin, Taylor, Russell, Coulter and Coppage, is backing the program for better trained teachers.

The aggregate attendance last year was some over twelve thousand. The attendance this year was over fourteen thousand—a gain of over two thousand, or near 17 per cent. The causes assigned for this increased attendance were better prepared teachers, weather, painted houses, libraries and playground equipment, and the county paper carrying an educational column going into each home weekly.

Better trained teachers knew how to make school more attractive to the children.

About three thousand dollars were raised and spent locally by the teachers. Curtis Tartar and Mabel Hammons, students of Eastern, headed the list, each raised one hundred dollars in one room rural districts.

Salaries ranged from \$54 to \$95 per month. The salary schedule encourages growth. Last year the white teachers drew on 360 semester hours, the past year near 1,200 was paid for.

About 70 passed the county diploma examination. The enrollment in the county high school is some over a hundred.

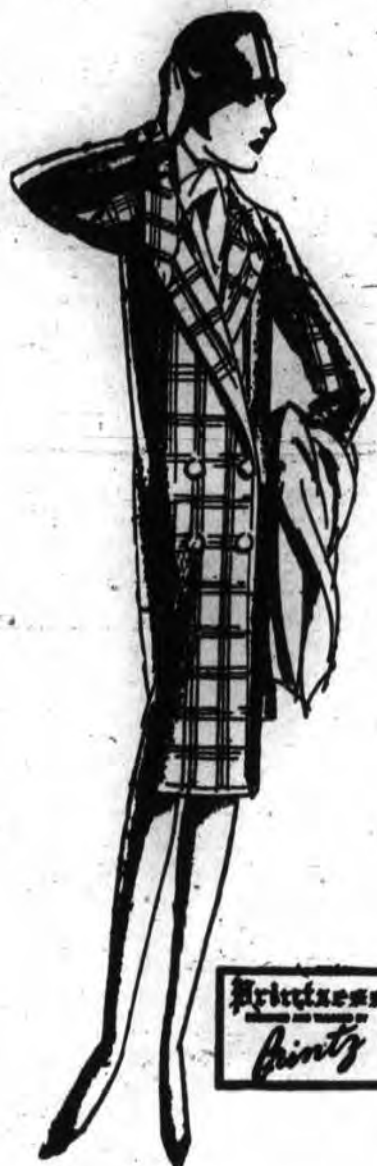

The board made a ruling to bar married women from teaching except in case of emergency. County teachers will be given preference over

of the county teachers if they have equal or better qualifications, regardless of the recommendations of trustees.

Casey has 98 rural teachers, rich in school spirit but poor in finance.

WORDS OF WISE MEN

Life would be perfect if the dear young things just wouldn't get the bloom of youth higher on one cheek than on the other.

EASTER TIME IS HERE

We all want to dress up Easter morning, and you can't be well dressed without Slippers and Hose to finish out the Easter costume.

We have received some very beautiful footwear especially for this particular season. The cut showing one of many

styles we can show you.

Men's HATS and FURNISHINGS and SHOES for the young man who wants the new things. We appreciate the patronage of Eastern faculty and students.

Dear Cynthia

To settle an argument in club-to-day we took a vote on what was the most popular shop in town. The result did not surprise me at all. It was

Elder's!
