Cuff Testometer Receives Praise

The "Testometer" which Dr. Noel S. Cuff has invented for scoring tests in receiving considerable notice throughout the United States and in foreign countries. Many letters have come to the college asking about the invention.

The following letter was received a few weeks ago by Dr. Cuff:

EDUCATIONAL REVIEW
 The Commercial Press, Ltd.
 Shanghai, China
 Jan. 19, 1935

Mr. Noel S. Cuff
 Eastern Kentucky State Teachers
 College
 Richmond, Kentucky
 Dear Sir:

I have, with great pleasure, read your article on "A NEW WAY TO SCORE TESTS" in the Educational Method, Nov. 1934. With a great eagerness to introduce your apparatus to Chinese teachers I take the liberty to request your kindness in sending us either a complete set of weighing apparatus or a clear picture of it, so that I can translate your article into Chinese and publish it in our Educational Review which is known all over China as the best magazine in education and has the biggest subscription too.
 Yours very sincerely,
 James C. Huang.

Before the material requested in the above letter reached Shanghai, James C. Huang, editor of the "Educational Review" Chinese magazine, abstracted the article which he had read in the "Educational Method," the American Magazine, and published it in the Chinese magazine. Dr. Cuff has received a copy of the Chinese magazine. It is written in the native language, but the editor was kind enough to mark the page where the "Testometer" article appeared as follows: "From here to here."

CLUB HOLDS ELECTIONS

Canterbury Club Honors McCord in Annual Elections

WELCH, HENRY CHOSEN

In a dinner meeting recently held in Burnam Hall, the Canterbury Club, campus honorary English organization, held its annual election of officers. Jack McCord, prominent junior and honor student, was elected president of the club for the ensuing year. Mr. McCord has been active in literary and dramatic work at Eastern, taking a major role in the recent Shakespearean production, and serving on the editorial board of the student anthology, "Belles Lettres." McCord succeeds Donald Michelson, present Canterbury Club head.

Other newly elected officers for 1935-36 are: Kathleen Welch, of Richmond, vice-president; and Bessie Henry, of North Middletown, secretary-treasurer.

The annual elections marked the end of one of the most successful years the Canterbury Club has known since its foundation about a decade ago, the editing of the anthology marking the highest point in the club's endeavor.

TENNIS TEAM LOSES

LAUREL FETE TO OPEN AT PINEVILLE

Festivities Of Annual Celebration To Begin On Thursday, May 30

LEWIS TO COMPETE

Thursday, May 30 marks the beginning of one of eastern Kentucky's most beautiful celebrations, the annual Mountain Laurel Festival to be held at Laurel Cove in Pine Mountain State Park at Pineville, Kentucky. The main purpose of the Festival is to honor the beauty queens from various colleges in Kentucky and to select a Mountain Laurel Queen. Miss Lella Merritt Lewis, Lebanon, Kentucky, will represent Eastern at the Festival.

The grounds at Laurel Cove have been improved and have become more attractive, and all preparations have been made to make this the biggest and best Festival ever held. Mr. Walter B. Smith, chairman of the entertainment committee in a letter to Dr. Donovan says:

"We plan a dinner-dance on Thursday night for the representatives of the respective colleges; a band parade, which will be led by Eastern's band, and floats in Pineville on Friday morning; the selection and coronation of the queen Friday afternoon, the ball honoring the queen Friday night; a trip to Chenoa on flat-cars, via railroad on Saturday morning; a short skit introducing the queens and the presentation of A Midsummer Night's Dream by the Lincoln Memorial University, Saturday afternoon and Saturday night the Carnival Dance. A truly wonderful program."

In the instructions to the queens it is stated that for the lovely Coronation ceremony the girls will wear white or pastel evening dresses, and their attendants will be clad in pink organdies, pink being the laurel color.

MUSIC GROUP MAKES PLANS

Cooperative Concert Plan Offered to Citizens of Richmond

WILL BRING ARTISTS

The Cooperative Concert Association plan has made it possible for the citizens of our town to enjoy as good music from the best artists as our cities have given for many years.

This Madison county association is planning a drive to begin on Monday, May 20, and believes the interest will be sufficiently great to secure the number of memberships to reach the goal that is set, and assure positive success, and no doubt a permanent enterprise.

This drive will close on Saturday the 25th of May and no memberships will be offered after that date. This series of concerts will be given at Hiram Brock auditorium under the management of the local association and entirely on a membership basis. These concerts will be given at proper intervals thru next winter.

The lists below include those who have this project in charge and will inaugurate the movement beginning Monday and continuing until Saturday, May 25.

Executive committee: Keen Johnson, president; Ralph Rigby, vice-president; Judy Jones, vice-president; Dr. Robert Sory, vice-president; James E. Van Peursem, vice-president; Mrs. Dean W. Rumbold, secretary; Allen Douglas, treasurer; Rev. Joseph Walker, membership chairman; B. E. Willis, co-chairman.

Additional chairmen: Mrs. Dean W. Rumbold, headquarters secretary; Mrs. Roy B. Clark, dinner or reception chairman; B. E. Willis, appointments chairman; James E. Van Peursem, transportation chairman; Mrs. Geo. W. Pickels, publicity chairman.

DR. WEBB SPEAKS

"Recent Exploration in the Norris Basin" was the subject of an address by Dr. W. S. Webb, of the University of Kentucky, in a chapel program here last week.

The Tennessee Valley Authority was described by the speaker as an introduction to his discussion of the excavations made in the region of the Norris Basin by Dr. Webb and other archaeologists under authority of the federal government.

STADIUM FUND PUT OVER IN GREAT STYLE

Victory Parade Celebrates Successful Cement Campaign

CITY COOPERATES

Over 2,350 barrels of cement have been pledged to the stadium fund by students, citizens of Richmond, and alumni of Eastern, according to a statement given the Progress late yesterday afternoon. It was apparent Tuesday night that the required number of 2,500 barrels would be reached without great effort.

The entire student body and faculty of Eastern Teachers College paraded the streets of Richmond Wednesday, celebrating the successful drive for the new stadium that is to be constructed on the Eastern campus.

Over 2,000 students and teachers were massed in front of the campus at 10 o'clock, and with the college band at their head, marched down Lancaster avenue and surged out into Main street. Placards, spaced in the parade at intervals of every 100 people, showed about 2,500 in the celebration.

The drive for enough cement to build the new stadium met an enthusiastic response from students, alumni and citizens of Richmond, and Dr. Donovan said, "We want to parade."

Classes were dismissed until the noon hour in honor of the occasion.

EASTERN GRAD GETS HONOR

North Carolina Educational Association Elects Member of Class of '30

IS DEPARTMENT HEAD

Clyde W. Humphrey who received his degree in commerce at Eastern in 1930 and his M.A. degree at Peabody in August of last year is evidently succeeding in his work according to the following newspaper account from the "Western Carolinian":

"Professor Clyde W. Humphrey, head of W. C. T. C.'s newly instituted Department of Business Education, was elected president of the Commercial Education section of the North Carolina Education Association at its annual meeting in Winston-Salem March 29.

Since Mr. Humphrey came to North Carolina two years ago he has been quite active in the promotion of commercial education in the state. He served first as secretary and later as president of the Commercial Education division of the Northwestern District Teachers Association before being honored by the State Association at its last meeting.

Mr. Humphrey's wide range of experience in various phases of educational endeavor should enable him to direct the affairs of the state association of commercial teachers with an unusual degree of success. W. C. T. C. is particularly proud of the added prestige brought to her new Department of Business Education thru Mr. Humphrey's popularity with the commerce teachers of the state's high schools and colleges."

PROM QUEEN

Miss Ruth Mays, Springfield, will be crowned Prom Queen of 1935 tonight at the Junior Prom to be held in the small gymnasium of the Weaver Health Building. Her attendants will be Miss Glenna Begley and Miss Bessie Baumgardner, both of Middlesboro.

TWO BOSSES FOR PAPER

Creech, Michelson Will Head Progress Next Year As Co-editors

DONOVAN APPOINTS

Morris Creech, Richmond, and Donald Michelson, Springfield, were appointed today by President H. L. Donovan to the position of co-editors of the Eastern Progress for 1935-36. The two men will take over the reins of the Progress next September, succeeding Gibson Prather, Owenton, who has been in charge of the paper for the past year.

Creech began work on the Progress staff at the beginning of this year, and was advanced to the position of news editor after a few weeks stay. He is now managing editor of the Progress. In addition to his newspaper connections, he is a member of the band, Sigma Tau Pi, and is a commerce major.

Michelson has been on the Progress staff for the past three years, and is at present feature editor of the paper. He is on the debate team, is a member of the football, and track squads, belongs to the little theatre group, and is president of the Canterbury Club. He was class president during his sophomore year. He is an English major.

This system of two editors is not a new one on the campus, as it was successfully tried in 1932. Both men are well qualified for the position they are about to assume, in the opinion of W. L. Keene, faculty sponsor, and Gibson Prather, retiring editor. There has been no information released as yet as to what departments each will control, and this will probably not be decided until next September.

EASTERN OFF AIR TILL FALL

Broadcast by Band Wednesday Was Last Over WHAS Until Autumn Term

BEGAN ON OCTOBER 16

The last broadcast coming from the Eastern Teachers College during the current school year was given over radio station WHAS from 2:30 until 3:00 o'clock Tuesday afternoon, May 14. The band, under the direction of James E. Van Peursem furnished music for the entire thirty minutes.

Eastern will be off the air during summer months only. The programs will be continued over WHAS each week when school starts in the fall. It is not known at present just what day and what hour the school will broadcast when the programs are resumed in the fall.

The college gave its first broadcast October 16, 1934. It has continued to present a thirty-minute program each week since that time. In addition to this regular period each week, two special programs have been given this year. One of these was over WSM at Nashville, Tenn., as a part of the "Teachers College of the Air" series and the other was the "Messiah," a part of which was broadcast over WHAS from the Eastern auditorium by the combined voices of Berea College and Eastern. In the WSM broadcast 33 people went from Richmond to Nashville to participate in the program.

ANNUAL DANCE WILL CLIMAX SEASON HERE

Mardi Gras Entertainers Will Make First Appearance On Campus

CORONATION PLANNED

By DONALD MICHELSON
 Impatient co-eds, anxious swains, rejuvenated grads, and cautious chaperones are waiting for the curtain to be drawn for what promises to be one of the most elaborately staged Junior Proms in the school history. Tonight at 9 o'clock in the small gym of the Weaver health building the festivities will begin and continue until 12:30 a. m.

The decoration committee reports that all is in readiness, from the placing of the tiniest light bulb to the hanging of the vast blue, sky-like canopy which has been placed overhead.

The small gym has taken on the appearance of an old English garden, with a profusion of multi-colored flowers scattered everywhere. The pale blue sky overhead, with its small patches of white, suggests a typical English sky in the springtime.

All of the four classes will be represented in some phase in the gala occasion, the freshman and sophomore classes being represented by Miss Nelva Richardson and Margaret Hubbard, and the sophomores by Nancy Covington and Hugh Gibson, in the roles of flower girls in the Prom Queen's cortege. The seniors will be represented by their class president, Ed Hill, who will play a prominent part in the coronation ceremonies. The Junior delegate, of course, is Miss Ruth Mays, newly elected Prom Queen, who will receive the coveted diadem from Miss Shirley Miller, former Prom Queen, marking her attainment of regnancy.

Attractive souvenirs will be presented to the girls in the form of silver pencils and beautiful no-break cards. Punch will be served between dances by several members of the Junior class.

Mr. Paul Ogie, director of the famous Mardi-Gras band, the Royal Dictators, has written a special orchestration of Eastern's "Marching Song," to be played during the coronation march. This orchestra will furnish the music for the prom.

Members of the Junior Prom committee are: Decorations, Bob Rice, Roger Wilson, Marshall Ney; Flowers, Lucille Bond, Ruth Disney, and Georgia Henage; Refreshments, Mabel Herren and Rose Yates.

The list of invited chaperones are: Dr. and Mrs. H. L. Donovan, Dr. and Mrs. W. Jones, Mrs. Emma Y. Case, Mr. and Mrs. Charles A. Keith, Mrs. Mary E. Barnhill, Dr. and Mrs. L. G. Kennamer, Dr. and Mrs. Thomas Herndon, Dr. and Mrs. Noel B. Cuff, Miss Eliza Hughes, Mr. James E. Van Peursem, Mr. and Mrs. W. Keene, Miss Allie Fowler, Dr. and Mrs. Roy B. Clark, Dr. and Mrs. J. D. Ferris, and Mr. and Mrs. Virgil Burns.

Peabody Group Visits Eastern

A group of educators who are doing graduate work in teachers college administration at the George Peabody College for Teachers at Nashville, spent last week-end in Richmond studying methods of instruction and administration at Eastern. The educators, under the direction of Dr. A. L. Crabbe, had charge of the chapel program last Friday morning.

The following people visited Richmond: Dr. and Mrs. A. L. Crabbe and son, Peabody College; Eugene Waffle, professor of English, State Teachers College, Springfield, Illinois; Miss Dozier, Department of Fine Arts, State Teachers College, Nacogdoches, Texas.

H. H. Floyd, professor of chemistry, State Teachers College, Florence, Ala.; Willard Taylor, teacher of Social Science, Schools of San Francisco; Mr. and Mrs. Young, Chinese students sent to Peabody by the Chinese government; Miss Irene O'Brien, State Department of Education, Missouri; Mrs. M. Pond, of the Vanderbilt Library, Nashville, and her son; Mrs. J. R. Robinson and Mrs. Roy McCeehee.

Dr. Crabbe brings a class in teacher college administration to Eastern each year to study the methods employed in the local institution. Dr. and Mrs. Crabbe and son were the guests of Dr. and Mrs. H. L. Donovan while in Richmond.

PROGRESS PLATFORM

A Campus Beautiful.
A Professional Attitude among Teachers.
A Greater Eastern.

Goodbye

If the student body will pardon the personal reference, should like to take this last opportunity to thank the Progress staff for the splendid work it has done this year.

The Progress this year has been published only thru the cooperation of everyone connected with it. The advertising staff, the assistant editors, the reporters, and the whole force of The Daily Register, where the paper is printed, are due the whole credit for its appearance on the campus every two weeks.

The student body has been swell. We wish that we knew a bigger and better word to express the way we feel about the way the students have responded, but that is about the only thing that really expresses the way we feel.

Next year's editor has not been named. But whoever he is we are confident that the paper will grow under his hand, and will become a real power on the campus.

And without any cheap melodrama or sentiment, let us say "Goodbye, and God bless you."

Buy-a-Bag

The city of Richmond responded nobly when its citizenry was asked last week to contribute to the building fund of the proposed new stadium here. A goal of 1,000 barrels, which was set for the town, was oversubscribed in less than a day.

The plan of having freshmen and sophomores give their gymnasium locker deposit fees, which are already in the hands of the administration, is one that will cause no sacrifice on the part of the students concerned.

deposit fee that has been put up by those students residing in the dormitories.

Last week in The Richmond Register there appeared an editorial entitled "Buy-a-Barrel-of-Cement." This was directed at the city, and the city came thru. The least the student body here can do is to take for their slogan "Buy-a-Bag-of-Cement."

Dollars and Cents

One of the most pragmatic points of view that we have ever seen was exhibited by a project set in motion by Mrs. Emma Y. Case last September and culminated by the senior women of Eastern at a banquet last week.

The story is one of dollars and cents. The title may seem mundane, the ideal may seem low-flung, but we must emphasize that we consider the plan extremely practical. For at the dinner last week these women discussed vocational opportunities that will be theirs upon graduation.

Fields which are especially propitious for the entrance of women were pointed out; special vocations which are not overcrowded were given to graduates as possible means of employing talents which have been developed in a college course; and finally one young lady told the assembled group of various means of earning a livelihood without the benefit of regular employment.

Mrs. Case was patently pleased as she told us that she considered this study one of the best things that has been done by dormitory women. That pride was, and is justifiable. Giving a dollars and cents value to an A.B. degree is not a thing to be scoffed at. A degree that does not enable the holder to provide for himself a decent living is hardly worth working for.

We think that such a policy is well worth continuing, and we wish to congratulate Mrs. Case and the young ladies who made the study.

GLEANINGS

One thing that we absolutely refuse to do is to give a long discourse on what changes need to be made on this campus. It seems to be a time honored precedent for retiring editors to state what should be done in the future.

It would seem that there are at least two state championship athletic teams here at Eastern this spring. The baseball team and the golf crew look like the class of anything we have seen or heard of, and both look like cinches to go on undefeated for the rest of the year.

We heard one of the wrecking crew who eat at the training table say that he would give a barrel of cement if they would give him one more night to procure the last sack at the library. Of course, he said it in fun.

Rome wasn't built in a day, and neither was the new library.

One of the finest exhibitions of efficiency we have seen in the manner in which the library staff covers up the books in the basement at closing time in order to protect the volumes from dirt while the laborers are at work during the night. The whole job can be done by six boys in fifteen minutes.

This being the last issue of the paper and Ye Editor having nothing to do with the publication of it, we will proceed to give him a happy send-off.

John Gibson Prather came to this friendly institution as one of the most precocious freshmen ever to respond to the educational system (if you have never watched him respond, you should watch him in front of a sirlion steak, a jazz orchestra, or a blonde). After taking all the psychological tests offered to freshmen, and promptly scoring super, super, super (this could go on for hours) in every one of them, the administration decided that there wasn't a psychological test big enough for young John Gibson... It is from here that the life of our hero takes on a note of tragedy.

One of our severer critics and better friends spent the better part of an hour raving and ranting over the mistakes in pronunciation made from the chapel platform. With a fiendish grin playing about his lips he let us know in no uncertain terms that "we have had Addresses, and Presidents, and Hotels, and lived through it, but for Pete's sake don't let us build the stadium with Cement."

Ever since "Little Audrey" came back into prominence, we have heard tales of her exploits told on every turn, but the grimmest of all her experiences occurred when she went to the college cafeteria to buy some bean soup. And Little Audrey just laughed and laughed, because she knew there weren't any beans in the soup.

Moral for Today: (By special request) The college flapper, like a bungalow, is painted in the front, shingled in the back, and empty in the attic.

WHO'S WHO

It would be a breach of journalistic etiquette for the last edition of the Progress to go to press without devoting some space to that sandy-haired, blue-eyed, soft-spoken Kentuckian, Bill Macht. Bill is one of those quiet, unobtrusive chaps, who roams about the campus in his easy way, with that faraway look in his eyes.

And just because Bill is a little fellow, about so high, doesn't prove a thing. He has the broadest smile of any six "sourpusses" on this campus, extending from the approximate territory of his left ear to his right one. And those teeth, that bridgework! One of Bill's comrades whispered to us that Bill is as proud of his bridgework, as Mrs. Jones was, when little Susie said her piece at the 'society. Yes, those teeth have explored the inner regions of many ears of sugar corn.

SPORTS EDITOR REVIEWS PAST ATHLETIC SEASON

By BOB MASON
"For when they were good they were very, very good, but when they were bad they were horrid!" Such has been the manner in which Eastern's athletic teams have conducted themselves during the past year. There has been no in-between.

When Head Coach "Turkey" Hughes issued the call for candidates for the 1934 football squad the most promising prospects in years reported and after three weeks of practice appeared to be the best eleven ever to wear a Maroon and White. For their opening game the Maroons journeyed to Miami University where they tackled the Redskins and still further encouraged their supporters by holding that powerful team to a 19-0 score.

When the time rolled around for the opening basketball game of the season Coach Hughes had his boys well advanced in their training and the Maroons went out to win their first five games and once more students and fans took heart in anticipation of a successful season. Ky. Wesleyan, Centre, Georgetown and Tennessee Wesleyan fell before the well organized attack of the Maroons. Then came the beginning of the end when the Maroons were swamped by the Morehead boys 44 to 20 at Morehead.

Nor have the Maroons been over successful in track and tennis. The barriers have only been in action once, that time in a triangular meet at Centre, and they trailed in that effort.

The tennis squad defeated the U. of L. netmen for their only victory of the season, while they have lost to Centre and Berea. But in Baseball and Golf the Maroons bow to nobody. Coach Hembree's sluggers have participated in nine struggles and have not lost a game.

Along with the best baseball teams in the state Eastern is also represented by an undefeated golf club. These boys, under the tutelage of T. E. McDonough, head of the department of Physical Education, have mashed and nubbled their way through six matches and emerged with a clean slate.

AU REVOIR

The bell tolls its mournful wail, The "Shadows" leave in distress The freshmen wonder if they'll fall, As our last paper goes to press.

The Milestones have all been signed By students and teachers as well. The whistle soon will whine Its farewell, lonesome knell.

Exams will soon be here, With grinning instructors bold, We are wondering how we will fare For "these are times that try men's souls."

Perpetual lovers are busy And taking advantage of the dark For with grief they'll soon be dizzy When from their lovers they have to part.

Our editor leaves us this year, And bids you all adieu, But in his eyes there lingers a tear As he says "good luck to you."

The Junior Prom at last is here, And coeds' pulses are drumming; We hope you will all be there, For Royal Dictators are coming.

The Progress to you has been faithful, It has always passed every test, And we hope that you are grateful, For we've tried to do our best.

So au revoir, we'll be seein' you, And remember until then That the old Eastern Progress Is always your friend.

Dedication of Book To Doctor Clark

The recently published anthology, "Belles Lettres," was formally dedicated to Dr. Roy B. Clark, English department head and Canterbury Club sponsor, at a dinner meeting of the Canterbury Club.

Robert Rankin, anthology editor, made a brief introductory speech, praising Dr. Clark for his wise guidance in the editing of the book and voicing his regret on the antipathy of the student body in responding to the sales campaign.

After the presentation of the dedicatory copy of "Belles Lettres" to Dr. Clark, the club sponsor replied with a few appropriate remarks.

"Although this book hardly measures up to our highest hopes for it," he said, "it is nevertheless a worthwhile endeavor on the part of the club, and it certainly compares favorably to similar publications of other colleges."

Mr. Donald Michelson will probably be chosen to edit the 1936 anthology, it was hinted.

Scandalite

Stall 131, The Ole Barn Richmond, Kentucky May 17, 1935

Dearest Readers:

This is our last appearance of the current school year. During a recent issue, we vowed that this would be the best copy of the year, and in an endeavor to fulfill that promise, we shall relate to you at least fifty experiences of the more amative people on the campus.

We attended the plays held in Hiram Brock Auditorium during the week end of May 4 and we saw so many surprising things that we were unable to see much of the performances. Can you feature JOHN TARTER and RUTH TALBOTT being together? Well, they were, and from the looks of things RUTH practically forgot all about her "Little Jimmie" and even T. C. McDANIEL. Another great surprise that we received was when we saw MORTON CUNDIFF and SARAH WHITE playing hands with one another. This would not be such a tragedy if it were not for the fact that MORTON has all but proposed to DORA BONITA. DONALD DORRIS was also there with LOUISE KENALL, but we don't imagine that they saw much of any of the plays for they spent the majority of the time on the outside of the building making love to one another. It was just another occasion on which LOUISE BALDEN was in a tight spot, for JACK HUGHES had to be back stage and BOB RUBY was in the audience. LOUISE practically wore out her shoes running to and fro. MARGARET HUBBARD was also at the plays and as usual she was alone. It does seem mighty peculiar that she receives so many telephone calls at the dormitory and yet attends most of the social functions alone. The distinguished ERNEST RICE also attended the plays with his blonde "sister."

Another lad has fallen for little, mighty, and conceited PEGGY DENNY. This time it is WILLIS THROCKMORTON, the boy that finds it necessary to employ peculiar tactics to get to see PEGGY. WILLIS goes to the DENNY home, helps MARY ELEANOR DENNY with her school work, and does numerous other things just in order to be near his weakness. He had better be very careful though, because quite a few of these N. Ky. fellows, namely HERMAN DOUGLAS, OWEN ROMAINE and NORBERT RECHTIN think quite a lot of our little TEG. Another peculiar occurrence that has taken place recently is the great DOROTHY BELBER'S boy friend bawling out HEBER TARTER, because poor HEBER had a date with DOT. GLENN FAULKNER awoke the other evening when somebody entered his room and greeted the intruder with this statement: "who are you, little girl?" BILL BENNETT and NELVA RICHARDSON finally had a fight. It was all over his taking her to the Junior Prom and after all was over, it was decided that she go with anyone who ask her, but that BILL would not have to take her. Take note, you stags, here is a sweet little date all going to waste. JACK QUAIN, the Bellevue flash, finally broke over and expended fifteen cents for a pack of cigarettes. He also went to a dance and expelled his ambition by trying his technique on MARY HAMMACK. CARL ALLEN has found Cupid and is attempting to have the little fellow shoot a dart into HELEN GRANT for him. LEWIS T. CORUM has finally deserted THELMA WILLOUGHBY and is now attempting to make MARTHA GRAY. MAVITY, you have our sympathy. JOE HENNESSEY, commonly known as "King Philbert of Sullivan Hall," had to attend the Dutch dance the other evening in order that the Sullivanites could enjoy themselves.

OTWELL RANKIN has practically given up all hope of ever attaining the honors of being with L. L., the girl of his dreams. LLOYD DYKES was around to see MARY LILLIAN SMITH the past week-end. Speaking of DYKES, we are reminded that KATHERINE RETTIG, oftimes accorded the honor of being the smartest woman on the campus, is very busy tracking around with TOM ARNOLD. MIKE CORNET, the man that does nothing but play cards and court the women, was caught in action the other day. GATHER IRICK has recently returned to MAE, (not Mae West), the girl friend he courted for nine months on the campus of Pikeville College. You'll see them running around hand in hand on our campus. BILL ROGERS claims he is going to marry BERNICE RAMEY if the report about her recent marriage is not true. J. C. LAYCOCK and MABLE MARCUM have signed a peace treaty and are now dating whenever PAUL TIERNY is not around to play football with her in front of Burnam Hall. MABLE'S main object in renewing the romance is in order that she can gain possession of her picture which J. C. (commonly known as "Notebook Charlie") made made for himself.

Some of the best stories of the year have just been released. Permit us to relate them to you. However, before we commence, let us inform you that HEMAN WILLOUGHBY FULKERSON has just rushed into our room all flustered and announced that the United States has just declared war on Kentucky and that the U. S. troops are now in the act of crossing the Ohio river. Now we had better get on to our stories. JACK SPARROW and EDITH ELLIOT have finally split up after three years of courtship. The tragedy happened because JACK'S mother, grandmother, and so on down the family tree, surmised the two were becoming serious minded. JACK states that

they did not mind his getting married, but—

Rumors have it that another scerion has recently married a freshman. We wonder if the couple could not be MARY ANN PATTON and LUNDY ADAMS. Just read her poems that she wrote for the Anthology.

Although RED BALLINGER will not admit his being married, a well known friend of his let the cat out of the box. The ceremony, according to this individual, took place about two weeks ago. From all indications the couple consisting of RED and ESTILL DUGGER will spend their honeymoon by going to visit RED'S folk in California and then return to spend an enjoyable week on the million dollar ranch of ESTILL DUGGER'S parents in Harlan. The trip will be made in ESTILL'S own private car. In reality they will probably walk to the depot in Richmond and see RED'S folk there before leaving by train for Harlan.

GERTRUDE DUTTON is going to accomplish her greatest ambition, that is, the winning of HAL TIPTON'S heart. TIP, here is your chance. SHIRLEY DOLEN'S enjoyable excitement changed to heartaches and tears when she saw that her old friend, FOSTER HAYS, who came to see her, had his "regular" with him.

Folks, we suppose that our announcement stating that this is the last issue of the Scandalite has somewhat alleviated your worries. In leaving you, we impart a farewell wish that you be blessed with good luck and that you enjoy your vacation.

Hoping to be with you again in September when the next school year commences, we are forced to shut our mouths for the remainder of this semester. Farewell to all, and to all, sweet dreams.

Faithfully yours,
THE SHADOWS.

Freshman and Varsity Track Teams to Compete At Berea

COMPETITION STIFF

The annual state track and field meet will be held at Berea, Monday, May 20. The preliminary events will be held in the morning session and the finals will be held in the afternoon session, which begins at 2 o'clock.

Eastern will be represented in this meet by both freshmen and varsity and the teams hope to make a successful showing, even though their record for the season is not outstanding. According to many of the local track critics the Maroon freshmen will be hard to outpoint in this meet. Especially are Jenkins, who will represent Eastern in the pole vault, and Tudor, who will do the one-hundred and two-hundred and twenty-yard dashes, expected to give real competition to their freshmen opponents.

Eastern's varsity representatives for the various events are as follows: One-hundred and two-hundred and twenty-yard dashes, Williams and Richards; four-hundred and forty-yard dash, McGinnis; eight-hundred and eighty-yard dash, Hesser, Duncan, and Michelson; mile run, Hesser and Duncan; two mile run, Hesser; high and low hurdles, Arnold; broad and high jumps, Mitchell; javelin, Hill; and pole vault, Michelson.

The freshmen representatives from Eastern are: One-hundred and two-hundred and twenty-yard dashes, Tudor and Killen; four hundred and forty-yard dash Scharf and Sharp; mile run, Sharp; two mile run, Nelkirk; low and high hurdles, Taylor; broad jump, Taylor; high jump, Lee; shot put, discus, and javelin, Claypoole; and pole vault, Jenkins.

Eastern Golf Team Downs U. of L. Again

The Eastern golf team added another victory Wednesday, downing the University of Louisville Cardinals at Louisville, 13 1/2 points to 5 1/2. This was the second time the Maroons have taken the Cardinals this year.

In the single matches Rawlings defeated Forsee, 3 to 0; Bell downed Tierney, 3 to 0; Young whipped Morris, 3 to 0 and Burns bested Brock, 2 1/2 to 1/2. In the foursomes Rawlings and Tierney downed Forsee and Bell, 3 to 0, and Young and Brock whipped Morris and Burns, 3 to 0.

The Eastern team will not enter the state tournament on May 18 but Garrard Rawlings, No. 1 varsity player, will attempt to win individual honors.

Novel Carnival to Be Offered Here

A novel carnival will be sponsored by the Alpha Zeta Kappa next Friday, May 24, in the small gym of the Weaver health building from 7:00 to 10:30 p. m. The event will be featured by free exhibitions of tumbling, acrobatics, and stunt performing. There will be many attractions including fortune telling, a beauty contest, and a "fish pond."

As well as the numerous novelties offered, there will be old-fashioned musicians who will supply music for square dancing. There will be a nominal fee charged for several of the features.

Activities are in charge of Mary Ann Patton and Geneva Sharp.

GOLF TEAM BRILLIANT

Remain Undefeated In State Collegiate Golfing

MEECE IS COLORFUL

Eastern, with a claim already made on the Intercollegiate baseball crown has practically clinched the top honors in golf by defeating every collegiate golf team in the state which takes part in competition with other colleges. Eastern's squad composed of Virgil Meece, Somerset; Garrett Rawlings, Harlan; Ernie Young, Richmond; Paul Tierney, Ashland; and Otto Brock, Richmond, has successfully withstood a severe schedule, and have only to play Western, already beaten once, and Vanderbilt to beat to retain their perfect record. Their seasons record follows:

Eastern 12 1/2	U. of K. 5 1/2
Eastern 17 1/2	U. of L. 5 1/2
Eastern 17	Centre 1
Eastern 11	U. of L. 7
Eastern 18	Western 0
Eastern 10 1/2	U. of K. 7 1/2

In Meece, the Maroons boast of one of the most colorful intercollegiate golfers in the state, being defeated only once during the season and avenging that defeat later. Meece is regarded right at the top of the ranking golfers of the state and has taken part in several tournaments. Rawlings is another top flight player who will represent Eastern in the State meet to be held at Louisville next week. Dog Young has not lost a match this season and must be regarded as one of the best golfers in this section of the state. Tierney and Brock, who round out the squad, have both played consistently, winning most of their matches and contributing to no small degree to the success of the team.

EASTERN NINE TRIMS RIVALS

Defeat Louisville, Western, Wesleyan In Straight Contests

BRYANT, CAUDILL SHINE

COLUMBIA, Ky., May 17—The previously undefeated Eastern State Teachers baseball team yesterday dropped the first game of the season to Lindsay-Wilson College by the score of 8-6.

By RALPH MAUREL

The Eastern baseball team continued their winning streak during the past two weeks by trimming Western State Teachers College, Kentucky Wesleyan and University of Louisville.

The Eastern-Western game which was played here on May 4, was taken by Eastern by the count of 6-1. Bryant, hurling his usual brilliant game, let the Bowling Green team down with five hits and they were able to score only in the third inning when Garrison doubled to left and scored on D. Wood's double to center.

Eastern got away to an early lead in the second on a single by Bray, a long double by Short, and passed ball. They added three more in the third inning on three Western errors and a single. Their final tally came in the sixth on a walk to Ward and singles by Alphin and Bryant. The game was marked by the usual Eastern-Western spirit.

On May 8, Eastern, behind the four hit pitching of Caudill, who pitched the first six innings, and Bryant, who twirled the last three, was able to defeat Kentucky Wesleyan, 6-0. Eastern scored their first run in the fifth on a long triple by Bell and a fly to deep left by King. They rallied again in the eighth on a double by Frith, a walk to Bray, a single by Settle, and a double by Demolsey and two Wesleyan errors. Caudill fanned eight Wesleyan men and Bryant added three more to this list. Compton, Wesleyan center fielder, was the outstanding star for the visitors. He collected a long triple and a single and made several beautiful catches of hard line drives.

By defeating University of Louisville 7-2, Eastern marked up their sixth consecutive win, thus making their record spotless for the season. Bryant was again on the mound for the Hembree men and held the Cardinals to four hits, three of which came in the last two innings. Ryan started in the box for Louisville but was relieved by Long in the sixth, who pitched hitless ball for the remainder of the game. Eastern opened the scoring in the first inning on a single by Bell, an error by Holmes, and a scratch single by Frith. They scored one more in the second on singles by Short and Bryant and an error by Doll, Cardinal catcher. The score remained 2-0 until Eastern's half of the fifth when they scored four runs and chased Ryan from the mound. Frith opened the inning with a single and scored ahead of Bray who smacked a line drive home run between Lamar and Threlkeld in deep right center. The other two runs of the inning were scored by on singles by Short, Alphin and Engle. Eastern scored an unearned run off Long in the seventh on an error, a stolen base, and a sacrifice. The Cardinals managed to push across a run in the eighth when Doll was hit by a pitched ball and Ryan was safe on Alphin's error and the former scored on Wright's double to left. A ninth inning rally was cut short after Long had been hit with a pitched ball, and Sanders was safe on a fielder's choice and scored on a long single by Hunter. Bryant fanned Schmidt for his eleventh strikeout to win the game.

The game was marked by the absence of four Eastern regulars. Emerson, regular center fielder, is in the hospital with an attack of appendicitis, Demolsey wrenched an ankle during fielding practice, Ward was unable to be at third due to a cold, and Caldwell was ineligible as freshmen are not permitted to participate in games against University of Louisville.

PROGRESS WEATHER Semester near close, last issue from press Finds grades and ranks in a wonderful mess. Junior Prom pushed to be event of year, Low grades on tests make seniors feel queer. Baseball team continues winning streak; Golf team arises and brings home the meat. Donations of cement are coming in fast, Looks like a football stadium at last. McDougle will deliver commencement address, Model High wins first in play contest. Band presents last broadcast of season, Co-ed changes name for perfectly good reason. Eastern at festival by band, students and quon. Best locker in pageant remains to be seen. To the grand, good seniors who leave in June, May they succeed in the jobs they assume. Halls of Eastern in two weeks will ring. The weather during summer? Must anything.

The students of Eastern who met these standards and were admitted were: Dorothy Tyng, Daily Turner, Brooks Hinkle, Sam Beckley, Ruth Talbot, Melva Walker, Faye White, Bessie Henry, Frances Honchell, Jack Allen, and Clara Hudson. In addition to these students the following members of the Eastern staff also became members: Dr. W. C. Jones, M. E. Mattox, Miss Martha Culton, Dr. Anna Schlieb, and D. T. Ferrell.
