## How Bad Is It? Report On Crime

By RALP MCGILL

A "wino" waited at the counter in the two-hour, one-day dry cleaning and laundry shop. His face was grizzled. There was a rim of grime about his mouth. He stank of stale wine and stains of ancient vomit.

He dug the small change out of his pocket. "It's a white shirt," he said defensively, although no one had asked him anything. "I can sell it for a dollar."

He lurched out. He jaywalked erratically across the street through the traffic, causing horns to blow and brakes to squeal. One or two drivers leaned out and cursed him. He reached the sidewalk. He walked unsteadily into the entrance to a narrow alley-like passageway to the next street. He leaned against the wall. He closed his eyes. Then, after a few seconds, he slid down to the pavement. He fell over to one side, asleep. His shirt package slid down away from him.

### A Shake; No Response

A traffic policeman, attracted by the jaywalking, came over. He shook the man. There was no response. Reluctantly, with a look of frustration on his face, he went into a shop and called for the wagon.

I remembered a portion of the President's Crime Commission report. One-third of all the arrests made in this country are for drunkenness. How smart are we to go through arrests, court, and work-camp sentences? How about a place to "dry them out" and then release them to some opportunity of staying sober and getting a job. Admittedly the wino, skid-row type alcoholic has a poor rehabilitation quotient. The Crime Commission suggests a new method.

President Johnson's Crime Commission report is grim. It is a reminder that listed among the many attributes of man, including those of nobility, selflessness and compassion, are those of debasement, vicious exploitation of human weaknesses, and ruthless, organized corruption backed by armed power.

"Crime" has many forms — many faces. Retail theft loss, for example, is largely that of dishonest employees—two-thirds of it. Shoplifters account for the other third.

A half million automobiles are stolen each year. Yet, 42 per cent of them are taken by invitation—owners leave their keys in the ignition lock. Inventors are at work on an ignition system that will, when cut off, pop the keys out into the driver's hand, lap, or at least onto the floor.

Careless citizens "invite" crime by leaving keys in cars, by leaving unlocked doors in their houses or apartments.

### Parole System—Results and Blunders

There are more than 400,000 persons, of all ages, in jails. Yet, a heavy majority of them are in the hands of "guards" who are untrained in anything save carrying a rifle or pistol and watching for infractions of rules. The parole system has produced some magnificent results — and some grievous blunders. But that it works as well as it does is a tribute to it. There is a vast lack of supervisors of any kind.

It is an embarrassing fact that from 40 to 60 per cent of prisoners now released from prison become "returnees." There is not enough screening, supervising, and planning-ahead to give the ex-prisoner a real chance to make it on the outside.

The President — and his commission — think crime properly is a state and local job. And so it is. But that's really a laugh. About 70 per cent of the population properly has less confidence in local law enforcement than federal. There are cities with highly respected law enforcement departments. They are the exception. There are, of course, a few good county sheriffs — but the stereotype of the rural sheriff is not a happy one to consider. The commission offers a plan of reorganization, training, standards, and methods.

And, then, there is organized crime — "syndicate" crime in prostitution, narcotics, gambling. It can't exist on any considerable scale without the connivance of local law enforcement.

There is much that can be done. It is imperative that a start be made.

## Is The Anti-War Movement Doomed?

(ACP)—Public ridicule and a cold shoulder from the Johnson administration have thinned the ranks of anti-Vietnam war activists, bringing the movement close to extinction, comments the University of Minnesota Daily.

The Daily continues: Realizing what was happening, several student leaders, including Minnesota Student Association President Howard Kaibel, decided last summer to discourage demonstration tactics which antagonize large segments of the public and adopt, instead, a soft-sell approach.

The new approach is designed to rejuvenate the movement by (1) mobilizing "moderate" students who oppose U.S. policies in Vietnam but who shy away from radical tactics; (2) stimulating discussion about the war; (3) dispelling the notion that people opposing the war are merely unkempt beatnik radicals and (4) gaining the ear of the administration by thoughtful presentation of the issues.

The first step toward implementation of the approach was an open letter to President Johnson. Student leaders across the nation

told the President that increasing numbers of students are deeply troubled about the war and urged him to clarify American objectives in order to ease doubts about U.S. policy.

Unfortunately, the effects of these responsible student leaders may be rendered useless because of new demonstrations planned by the radical left. Meeting in Chicago at the end of December, 273 campus radicals urged students to take such actions as class boycotting, picketing, teach-ins and other demonstrations. They also encourage civil disobedience and war tribunals.

In other words, they plan to use the same methods which accomplished virtually nothing in the past and practically ruined the movement. Significantly, the radicals' proposals were rejected by both the National Student Association and the national board of Students for a Democratic Society. Unless the radicals can be persuaded to change their plans — and this is unlikely — the repercussions could destroy the movement permanently.

## What Price Academic Freedom

(ACP)—The question of whether or not to bring George Lincoln Rockwell, head of the American Nazi Party, to the St. Mary's University campus in San Antonio embodies a problem that plagues any college not heavily endowed, comments the St. Mary's Bettle. The problem, harsh as it may sound, boils down to "what price academic freedom?"

Some would dodge the issue by saying that the man is a nut and does not deserve to use our podium to spread his ideas, but this is irrelevant. It is not the questionable sanity of Rockwell that irks those who oppose his coming, but rather, the unpopular cause he supports. We disagree with Rockwell on nearly every topic, but we feel it is the right, if not the duty, of students to become informed and objectively critical of his ideas.

If the cultural activities committee does ask to bring Rockwell here, it will probably be turned down by university officials for two reasons. First, Rockwell's appearance would hurt the "image" of the school, probably losing donations from valuable benefactors. Second, the growing closeness of the Jewish and Catholic communities, due to a great extent to the work of the university's Department of Sacred Doctrine, would be severely impaired if the University sponsored a speech by a vehemently anti-Semitic Nazi.

We sympathize with those who have to make the decisions on this sort of difficult question. Yet, if students do not actively argue for academic freedom, decisions like these will not be given enough consideration. It is too easy to automatically turn away controversy for fear of reprisals from the outside when there is no fear of criticism from within.

We strongly commend the Student Council, therefore, for its decision to go on record in support of efforts to bring Rockwell to campus. We hope those who make the final decision consider the educational as well as the financial goals of the university.

### Stars

I have looked at stars more than once. At times their searing heat chars my heart and I choke at the indecency of their infinite strength. But tonight they are cold jewels, enticing me into all time through their static irony.

## Groves Directs Expansion Of Intramural Program

Under the direction of Dr. Barney Groves, the intramural program has expanded to take in a wide variety of sports for the students.

With the basketball playoffs just completed, Groves has two more activities planned in the immediate future.

An intramural tournament is currently underway with the finals scheduled for this afternoon.

The participants were divided into nine groups according to weight with the only prerequisites being three workouts the previous week or enrollment in a wrestling class.

An intramural volleyball league will start play March 20 with the deadline being today for having entries in Groves' office.

Dr. Harry Teng of the chemistry department was the winner of a recent ping-pong tournament which was open to both the students and faculty.

An intramural softball league and a track tournament are planned for later this semester with tennis and golf tournaments slated for the summer students.

**CLARK SELECTED TO ALL-STAR TEAM**

Dick Clark has been selected to play on the Kentucky all-stars which will oppose the Indiana all-stars this summer.

The teams are composed of outstanding college seniors from each state with one game being played in Louisville and the other in Indianapolis.

Clark will join Kentucky All-Americans Louie Dampier and Pat Riley, Western stars Clem Haskins and Dwight Smith, Kentucky Wesleyan All-American Sam Smith and five others on the eleven-man star-studded squad.

The Kentucky team will be headed by University of Kentucky coach Adolph Rupp.

**REGIONAL TOURNAMENT HELD ON CAMPUS**

The Eleventh Region Tournament, one of sixteen such meets held in an elimination process to determine the king of Kentucky high school basketball, took place this past weekend on the Eastern campus.

The four night event attracted around 25,000 fans to Alumni Coliseum, a larger audience than the Colonels drew on an average night.

Of the eight teams competing, there were at least six Eastern grads represented in the coaching ranks.

**HUGHES ANNOUNCES SCHEDULE**

Coach Hughes has announced a 30-game schedule for his squad as they prepare their defense of the OVC crown they won last year in a play-off with Murray.

The schedule follows:

Mar. 28	University of Kentucky	Away
Apr. 1	Hillsdale College (Michigan)	Home
Apr. 5	Transylvania	Away
Apr. 6	*Cumberland College	Away
Apr. 8	Lincoln Memorial University	Away
Apr. 10	Georgia Southern	Away
Apr. 11	Georgia Southern	Away
Apr. 12	Carson-Newman	Away
Apr. 13	Carson-Newman	Away
Apr. 14	Milligan College (Tennessee)	Away
Apr. 15	*East Tennessee	Away
Apr. 19	*Morehead	Home
Apr. 22	*Tennessee Tech	Home
Apr. 25	University of Kentucky	Home
Apr. 27	*Xavier University	Home
Apr. 29	Transylvania	Home
May 1	Centre College	Home
May 3	*Morehead	Away
May 6	*Tennessee Tech	Away
May 10	*Cincinnati	Away
May 13	*East Tennessee	Away
	*Doubleheaders

# Eels Sweep Fifth Straight KISC Title

## Defeat Closest Opponent, U. of K., By 275 Points In Ten-Team Field

By ROY WATSON

"We managed to keep most of the hardware at home," said Coach Don Combs, as he summed up his Eastern team's rout of the Kentucky Intercollegiate Swimming Championships.

The Eels received 31 of the 48 possible medals. In the 16 events the Eels took eight firsts, 12 seconds, and 11 thirds.

In capturing their fifth consecutive KISC trophy, the team which Combs calls his "best team ever" amassed 580 1/2 points to 308 1/2 for the second place finisher, the University of Kentucky varsity.

Other teams, in order of finish, were: Morehead (169.5), University of Kentucky freshmen (167.5), University of Louisville (166), Union College (97.5),

Berea College (89.5), Western Swim Club (37), Bellerme College (22), and the University of Louisville freshmen (15).

Only the records for the 80 and 1,650-yard freestyle were not broken during the two-day meet. Ten of the 14 Eastern pool records were broken, and 12 of the 14 KISC records fell. Five new team marks were also established.

**Struss High Point Man**

Ed Struss of the UK freshman team scored the maximum number of points, 54, to gain high-point honors. All of his times were pool and KISC records.

Struss' victories came in the 100 (43.2), 200 (1:50) and 500-yard (5:06.5) freestyle events. He was a member of the 400-

NEED WE SAY MORE???... This view of the northern side of the Eastern Natatorium is self-explanatory. The Eels won another KISC championship last Friday and Saturday as they downed their closest opponent by 275 points (581-306) in the ten-team meet. (Photo by Chuck Saalfeld)

WE DID IT AGAIN... Swimming coach Don Combs and sophomore John Buckner pause to look at one of Buckner's trophies that he copped while tallying 50 points to lead the Eels to their fifth straight KISC title. (Photo by Chuck Saalfeld)

yard freestyle relay team which broke both the KISC and Eastern pool records with a 3:23.2 timing.

John Buckner tallied 50 points to pace the Eel onslaught. He broke the KISC records with wins in the 100 (59.1) and 200-yard (2:10.4) backstroke events. Buckner placed third in the 1,650-yard freestyle.

Freshman Lacy Hagood broke the KISC team and pool records for the 100-yard butterfly, going the distance in 54.8 seconds. He broke another KISC record with a 2:02.4 timing in the 200-yard butterfly.

Hagood was a member of the 400-yard freestyle relay team which placed second. He finished fourth in total points with 46.5.

**Miller Outstanding**

First semester freshman Jim Miller turned in two performance which Combs called "truly outstanding." Miller only joined the team at the semester break, yet he scored 44 points.

He broke the KISC, team and pool records in the 100 (1:04.5), and 200-yard breaststroke events. Miller finished third in the 200-yard individual medley.

In the 200-yard individual medley, the Eels scored 51 points. All America Rick Hill won the event with a time of 2:07.5, setting new team, pool and KISC records.

He finished second in 200-yard backstroke and 1,650-yard freestyle. Hill scored 42 points.

Eastern's 400-yard medley relay team, composed of Rich Anderson, Buckner, Hagood, and Steve Dannecker, set a KISC and pool record with a 3:49.4 timing.

Larry Profumo of the U.L. varsity won both the one and three-meter diving. However, the Eels totaled 72 points in the event.

## Colonels Basketballers On All-Conference Unit

Bobby Washington, Dick Clark and Garfield Smith were among the honorees when the Ohio Valley Conference coaches honor squad was released last week by Commissioner Art Gupte.

Washington was selected to the first team while Clark and Smith were given honorable mention.

Washington added to a growing list of awards when he was selected for his most recent honor. The 5-11 speedster had been the 'Most Valuable Freshman' in the conference a year ago while he also made the all-tournament team during the OVC holiday tourney.

The Lexington sophomore, who was an all-state pick in high school, was the conference's fifth leading scorer with a 17.5 average. He also collected an average of seven assists per outing.

Smith capped his junior year as the best field goal shooter in the loop with a .540 shooting mark which also placed him among the country's elite in that department. He finished second to Dick Cunningham, the nation's leading rebounder, in the rebounding department with 308 grabs for an average of 13.2 per contest.

The 6-7 Campbellsville junior also tallied 409 points,

good for a 17.17 mean, which earned him the fourth notch in the conference scoring race. Smith's high point of the season came in a late-season contest with Tennessee Tech when he produced 39 points and 16 rebounds.

Clark might have been the most consistent player in the conference. He did not fail to score in double figures in any game, finishing his senior year with 400 points and a 17.4 average. This was good for sixth place in the league scoring parade.

The 6-3 forward was the Colonels' second leading rebounder with an 8.5 mark off the boards. Clark, a native of North Baltimore, Ohio, led the Colonels in minutes played.

Toke Coleman joined the select group when was named to the OVC Freshman all-conference unit.

Coleman averaged 18 points and 13 rebounds in leading the Eastern yearlings to one of their most successful seasons in history.

Jack Adam's frosh finished with an 11-5 mark, with losses coming to Tennessee, Lexington YMCA, Dayton (2) and U.K. Law School. The freshman averaged their defeats to Tennessee, Lexington YMCA and U.K. Law School in later season contests.

## Washington Feted At Banquet

Eastern's most constant factor in the basketball victories they managed this year, Bobby Washington, was voted Most Valuable Player on the team at the squad's annual banquet Monday night.

The 5-11 veteran of Lexington Dunbar was earlier named to the Ohio Valley Conference tournament and season honor squads.

Dr. Lyman Ginger, of the University of Kentucky College of Education, was guest speaker at the banquet. He told the players, who just finished a deflating 5-13 schedule, that to succeed is "the backbone of the American public."

"The public can say you didn't learn. The spirit of athletic competition builds a desire for success not only in the game, but in the individual's career."

"You're Better Men..."

Dr. Ginger added that the team had a bad season, "but you're better men because you participated. Hold your head up and be proud of your efforts."

Coach Jim Baechtold only had two seniors on the team this year — Dou Clemmons and Dick Clark — and will rely on two juniors and nine sophomores to lead him to a better slate next year.

Baechtold made special mention of Toke Coleman, a freshman who was named to an OVC honor team this year.

Clark received the offensive player award and Garfield Smith, a 6-7 junior, earned the rebounding trophy, averaging 13.5 grabs per game.

## Tracksters Journey To Indiana

BY BUTCH MAGEE

Eastern's Track Team will finish up the indoor track season this Saturday at Indiana University. The meet will host, along with Eastern, track teams from Illinois, Purdue, Indiana State, Ball State, Middle Tennessee, Louisville, Marian, Butler, Ohio Valley Track Club, and Loyola of Chicago.

Eastern's area of greatest concentration will be in the relays; the 2 mile and mile relay, and the sprint medley.

The meet will end a somewhat successful indoor season in that it has readied the veterans and seasoned the rookies for the outdoor battles yet to come and it gives the team an idea of what to expect.

Eastern, hurt badly by the loss of two of the bigger point getters in Herman Carter and Wilbert Davis, and the injury to nationally ranked Carry Guess, which has sidelined him for nearly the entire indoor

season, will still make a good showing. As Coach Connie Smith puts it: "We'll be in the top three this year in the O.V.C."

**FOUR EELS ARE COMPETING IN NCAA CHAMPIONSHIPS**  
Eastern's Eels have four representatives at the National Collegiate Athletic Association swimming championships held today, tomorrow and Saturday in Los Angeles, Calif.

All Americas Rick Hill and Bill Walker, both juniors, will try to retain their All-America status by finishing among the top six swimmers in a event.

Both boys will compete in the 200-yard individual medley and the 400-yard individual medley. Hill will also compete in the 200-yard butterfly; while Walker will swim the 200-yard freestyle.

Sophomores Rich Anderson and Bob Walker are making their first trip to the NCAA meet. Anderson is entered in the 100, 200 and 500-yard freestyle events.

Bob Walker, Bill's younger brother, will compete in the 200-yard individual medley, and the 100 and 200-yard breaststroke events.

All four swimmers will team together to enter the 800-yard freestyle relay.

**FINEST SWIMMING TEAM IN SCHOOL'S HISTORY**  
Coach Don Combs calls this year's squad "the best swim team ever at Eastern."

He certainly has the statistics to back his statement up; the Eels broke 13 of the 16 team records. Only the times for the 50, 500 and 1,650-yard freestyle events withstood the 12-meet assault.

Next year's team should be even stronger. There were no seniors on the squad which topped off their 9-4 season record by winning the Kentucky Intercollegiate Swimming Championships.

The new record-holders, their times and events are as follows:

**Rich Hill** 1,000-yard freestyle 11:24.1

400-yard individual medley 4:33.6

200-yard individual medley 2:07.5

200-yard freestyle 1:51.4

100-yard freestyle :50.4

200-yard backstroke 2:10.2

100-yard backstroke :50.1

200-yard butterfly 2:02

100-yard butterfly :54.8

200-yard breaststroke 2:21.1

100-yard breaststroke 1:04.5

**Rich Anderson** 400-yard freestyle relay 3:24.7

**Bill Walker** 400-yard medley relay 3:47.5

**John Buckner**

**Steve Dannecker**

## Baseball Team Preps For Season Opener

BY KARL PARK

When spring rolls around, the sounds of bats hitting vasesballs, umpires yelling, "Play Ball," and vendors shouting, "Get your fresh - roasted peanuts" mean another baseball season is under way.

Eastern's baseball team has been practicing for two weeks in preparation for their game March 28 with the University of Kentucky at Lexington.

The Colonels will be trying to repeat as conference champions this year, a feat they accomplished by winning two out of three games at the expense of Murray. Their most recent conference championships were in 1960, 1962, and 1966.

This task will not be an easy one. All teams in the eastern section of the conference - Morehead, East Tennessee, and Tennessee Tech - are expected to have stronger teams than they fielded last year.

Also, another problem faced by the Colonels will be the loss of three very important players. Pitchers Albert Kammer, 7-0, and Mike Phillips, 5-2, will be missed greatly along with last year's captain, Ron Chasteen who batted .327 and knocked in 38 runs.

The pitchers to be relied upon most by Coach Charles "Turkey" Hughes and his Colonels are: Dave Price, all OVC his freshmen and sophomore years, senior Glenn

Marshall, and Ron Andrews, a sophomore who picked up Eastern's first win in the conference last year at Murray in a relief role.

Coach Hughes stated, "I believe that if our pitchers can come through, we could come up with a successful season, and possibly another conference championship."

Players counted on to produce most of the hitting power will be junior Arnold Nylassy who batted .350, shortstop Frank Borgia who hit at a .313 clip, outfielders Rick Houseman and Ron Pinsenshaum, and a transfer student from the University of Kentucky, Jimmy Cain. Cain promises not only to be a potent hitter, but also a fine glove man.

Eastern's first home game will be played April 1 against Hillsdale College of Michigan. Home game times are 2 p.m. for single games and 1:30 for doubleheaders.

## Proud Colonels Show-off Hardware

Colonel athletes Bobby Washington, Garfield Smith and Dick Clark pause with President Martin and Dr. Lyman Ginger after the basketball banquet Monday night. From left: Ginger, the evening's featured speaker,

Washington, the team's 'Most Valuable Player,' Smith, who received the rebounding trophy, and Martin. (see story on page 4)

## Hot Dogs Capture Intramural Basketball Title

BY BUTCH MAGEE

The Hot Dogs ran away with the Intramural Basketball Tournament Championship last Thursday night by soundly defeating the Grubworms.

The Hot Dogs, managed by Dave Atkinson, with a display of speed and accuracy in shooting that was nothing short of fantastic for an intramural team, was able to coast into the winners circle and grab the first place trophy.

Atkinson, leading the Hot Dogs to an undefeated season, has had ample experience in such things. While in the Air Force he led a team as a player-coach to the All-Europe Championship.

The Hot Dog team is composed of Atkinson, manager, Ron Robinson, Dave Carey, Neil Stivers, Jim Powell, Insko Rue, Clyde Dotson, Ted Simpson,

Dave Mosley, Lonnie Pennix, and Rick Litton.

The Intramural Basketball program started November 14, with 81 teams divided into five leagues and ended March 9, with the championship game.

The tournament was made up of the two best teams in each

of the five leagues, but due to a tie in three of the leagues, the total number entered in the tournament was raised to fourteen teams.

They are listed as follows: Hot Dogs, Grubworms, Badgers, Buckeyes, Celtics, Greens, Hedonists, Miners,

Mugzies, Sophisticates, Spartans, Tomcats, Undecideds, and Zombies.

## Fraternity Chooses Sweetheart, Marilyn Barnhart, For Semester

Alpha Kappa Pi has selected Miss Marilyn Barnhart for their fraternity sweetheart.

Miss Barnhart was selected by a vote of the majority of the men in Alpha Kappa Pi last week. She will represent the fraternity at all functions and will attend their social events.

The fraternity sent her letter acknowledging her selection and asking for her approval. "I was really thrilled. I've never won anything like this before. It is an honor to be Alpha Kappa Pi's sweetheart. I'm proud to represent their fraternity. It is one of the finest groups of men on our campus."

The fraternity sent a letter to Miss Barnhart's sorority Alpha Kappa Pi and to her parents. "My parents were happy, but my brother said, 'Marilyn you!' commented Miss Barnhart. Miss Barnhart has an older sister and a twin sister Carolyn, who is a student here, in addition to her brother.

The new sweetheart is a sophomore business education major. She is from New Carlisle, Ohio. She is the president of Alpha Pi Kappa's pledge class and is a member of the Young Republicans.

Miss Barnhart is a petite five feet one inch blue-eyed coed who wears her brown hair in a bouffant bubble.

"I feel that fraternities and sororities will help people stay here on the weekends. They will add to school spirit especially as evidenced at the recent basketball games. As they become stronger they will play a bigger part in campus life," she commented.

MARILYN BARNHART

Miss Barnhart hopes to become an airline hostess. Currently she works part-time at the University Shop. "I prefer sensible clothes because the wilder type go in and out of style too fast," she stated.

Asked about why she came to Eastern Miss Barnhart replied, "I came to Eastern because it is a good teacher's college. I am impressed with the campus. It is one of the prettiest I have seen. Eastern was highly recommended to me by several people. I love it here."

## Eastern's Married Students Run Busy Agendas

By Louise Cornett  
The alarm jangles loudly and Mrs. Married Student awakes to face another day of cooking, tending baby, and going to classes.

For her, the day usually starts about 7:00 when she must get up to fix breakfast for her family. While the bacon and eggs are frying and the coffee is brewing, she must wake her husband and get the baby up. This is only the beginning of our young wife's busy day. After the morning meal, there will be dishes to wash, beds to make, and often a glass of spilled milk to be cleaned up. Then the babysitter must be picked up and the baby must be dressed for a day of play.

Of course, there's the problem of the family wash. The young wife often finds it convenient to wash early in the morning before going to class. Then she can dry her

clothes after returning home in the afternoon.

After this hectic morning at home, Mrs. Student leaves for campus and her classes. Most of the married students carry from fifteen to eighteen credit hours, a full schedule when coupled with the business of home-making and child-rearing. Later in the day, the wife returns to the apartment while her husband may leave for work or sports practice.

The married woman is not the only one who has numerous activities to which she must attend. The majority of male married students hold some type of job. Those on sports scholarships necessarily must devote a part of their day to practice.

The wife must take the babysitter home and then prepare lunch for her family. Afterward, there will be more dishes to wash. By this time, the baby

needs to be put to bed for an afternoon nap. While the baby sleeps, the young mother may finish those necessary chores involved in keeping a family going - starting preparations for supper, ironing, cleaning the apartment. These are tasks that must be taken care of whether there are children or not. When these jobs are finished, there may be time for some afternoon studying.

When the baby awakes, it is playtime. Young mothers frequently take their children to the playground located in Brockton for fresh air and exercise.

Soon, it is meal time again, which means cooking for the third time and then another group of dishes to be washed. Finally, after the evening meal, husband and wife may find time to relax while reading the paper or watching television. They may be visited by other young married couples or friends from school. About 7:00, our young wife bathes the baby in anticipation of bedtime for the toddler. Before going to sleep, baby may want to hear a bedtime story or play dolls or have a game of riding on daddy's shoulders.

Studying can begin again when the baby goes to bed, unless the couple has guests or there

is an especially good movie on television.

The life of married students is not always so orderly. Even without children, there are time-consuming chores such as shopping for groceries, taking the car to the garage for repair, and ironing. All these varied activities, in addition to school work, make the married students a very busy group in any college community.

## Eastern's Debate Club Will Face Hunter College Of NY

Wednesday a public debate will be staged in the Grise Room at 8 p.m. Eastern's Debate Club, Alpha Zeta Kappa, will be competing against Hunter College of New York.

Hunter College's debate society is currently sponsoring

a cross country tour this year in which they challenge various schools in the nation to defend their positions on the resolution: That the U.S. Should Substantially Reduce Its Foreign Policy Commitments.

An opportunity for the debaters, the Debate Club gives them a chance to get this problem out in the air. All year debaters from all over the nation have been stalling their positions to judges and other debaters who have heard the same general ideas used over and over. The Public Debate offers an opportunity to enable the whole college community to hear the problem. Also it may stimulate further suggestions.

This is one way of learning how others feel about a problem which plagues the entire United States from John Jones, citizen, to J.W. Fulbright of the Senate Foreign Relations Committee. The Debate Club does not encourage but urges attendance by everyone interested in the U.S. position in world relations.

## Photo Club Sponsors Contest For Students

The rules for entering the contest are:

1. The Photo Club Contest is open to all students of Eastern Photo Club.
2. All entries must have something to do with Eastern students, club activities, parades, stray mascots, etc. The entries may be in color or black & white, any size, and made by any type camera. All entries must have been made after September 9, 1966, and up until April 15, 1967.
3. The number of entries is unlimited. The minimal entry fee of 25¢ is required only once even if additional entries are submitted.
4. Place your name, I.D. number,

ber, and address on a 3x5 card. Place it, your entries, and fee in an envelope, and bring it to room 116 in the Science Building or Box 328 Burnham Hall.

5. All entries must be submitted before or on April 15, 1967. Winners will be announced the following Saturday night, April 22, at the Eastern Photo Club Dance. Winners need not be present to win.

6. Entries will be judged by the Photo Club.

7. Winning entries will be published by the Progress, so hurry and SUBMIT YOUR ENTRY NOW!!!!!!

FAMILY LIFE at Brockton is typified by the Young family. Both Mr. and Mrs. Young are full time students in addition to being parents.

 Councilmen said the city had only recently purchased a serial ladder for the benefit of EKU's tall structures.  
 One councilman suggested that if the university did not want to take the tax out of paychecks it could pay it in a lump sum, which would be one per cent of the total salaries paid.  
 Mayor Baker added that J. C. Powell, a spokesman for the EKU regents, said the university, as a state supported institution, could refuse to pay the tax. City Attorney Steve Robbins, disagreed, however, saying that Richmond could sue the university for the tax if they required them to pay it.

**Alpha Chi Lambda Aids In Debate Tournament**

The pledges of Alpha Chi Lambda served as time keepers for the Pioneer Invitational Debate Tournament which was held Friday and Saturday.  
 Chuck Greenwell, vice-president of Alpha Chi Lambda and president of Alpha Zeta Kappa (Eastern Debate Society) coordinated the time keepers for the tournament. Chuck said, "The coordination of the time keepers, which is usually a very difficult task, was made easy by utilizing the existing organizational structure of the Alpha Chi Lambda pledge class." He also said he was

very grateful to Dave Jones, president of the pledge class for his assistance in this task.  
 Alpha Chi Lambda has two of its pledges, Dennis Day and Dennis Burrows, as members of Eastern's Debate Team. The other pledges who served as time keepers were: Ron Parkey, Frankie Campo, Ivan Scholl, Charlie Adams, David Jones, Ben Hek, Steve Lewis Steve Wells, John Sims, John Heinisch, Dennis Nolting, Finley Cain, Buzz Connellson, Ron Poling, Paul Buckholz, Bob Elliot, John Mautner, Mike McCain, Gary Amurget, and Skip McFarlan.

**Club NOTES**

BY CHRISTINA TAULBEE

The Freshman class meeting was March 6 in the Grise Room. Two new officers were elected: Vice - Prdsident: Dan White, and Reporter: Lee Ratliff. A social committee was formed to organize freshman class activities for spring. Freshman class meetings take place regularly on alternate Wednesdays at 6:30 in the Grise Room.

**WESTMINSTER FELLOWSHIP MEETS WITH PROFESSORS**

On Sunday, March 5, the Westminster Fellowship had a Bible Study on the Book of Mark with several professors. The discussions took place at the homes of Dr. and Mrs. Acker, Dr. and Mrs. Barr, Dr. and Mrs. Darling, and Mrs. Daisy French. It proved to be very successful as was a similar program last semester.  
 The program for March 12 includes the planning of a service project which will take place on April 2, at the Madison County Rest Haven.

**BIOLOGY CLUB PRESENTS MEMORIAL**

On February 9, the Biology Club of Eastern presented a picture of the American Goldfinch, Spinus tristis tristis, to Dr. LaFuze, head of the biology department, to be hung in Moore Science Building. The

**IN MEMORY OF GLENN DALE ESTEPP 1944-1966**

Don VanMeter, president of the Biology Club, presented the memorial to Dr. H.H. LaFuze.

**PI OMEGA PI HAS PANEL DISCUSSION**

PI Omega Pi had its monthly meeting Thursday, February 24, in the Combs Building. The Business Methods class was invited to attend this meeting.  
 A panel of four members, Jean McClanahan, Judy Caswell, Nancy Smith, and Jack Brickerling discussed their experiences during their student teaching last semester.  
 Jean McClanahan will be president for the spring semester. Other officers will be filled at the next meeting since several of the present officers will be leaving the campus to do their student teaching.  
 Jean McClanahan and Jo Anne Wallace reported to the group about their trip to the National Convention in Chicago.

**CONGRATULATIONS, NANCY SMITH**

Nancy Smith, Omega Pi in the Mardi Gras Dance was crowned queen of the dance.

**ACE HOLDS ELECTIONS**

The Association for Childhood Education elected new officers for the coming year of 1967-68. The following officers were elected: Sue Brown, president; Terry Hinkle, intermediate vice - president; Judy Hamilton, primary vice - president; Joan Berkemeyer, Secretary; Susan Churchman, treasurer; and Linda Ritchie, historian. A short business meet-

**Music Dept. Schedules Workshop To Include Clinics, Concerts, Classes**

The first annual String Workshop to be held on the Eastern Campus March 24 and 25 will provide clinics, concerts, and master classes for teachers and students of all ages.

Lessons will be conducted by concert artists of international reputation who are also respected teachers. Each of the stringed instruments will be represented by one of these artists: Paul Doktor - Viola; Paul Olevsky - Cello; Gary Karr - Double Bass; and Paul Rolland - violin.

Friday evening March 24, Paul Rolland and Howard Karp will present a Sonata recital in Hiram Brock Auditorium at 8:00 p.m. This event will be followed by an informal session during which students will meet the visiting artists. On Saturday students will attend several clinical sessions, hear an informal recital and then participate in the Workshop String Orchestra which will accompany the guest artists in a concert to be given at 3:00 p.m.

Paul Doktor, viola, has recorded extensively for his instrument. Doktor is an international concert artist who is well known as a soloist and as leader of the New York Sextet. Doktor has also published several editions of viola music.

Paul Olevsky, cello, is an internationally known artist who has appeared on five continents. Formerly, he played principal cello with the Philadelphia and Detroit Symphonies, he now teaches at the Peabody Conservatory and conducts the Mozart Chamber Orchestra.

Gary Karr, double bass, is an internationally known virtuoso, having solo appearances with major symphonies. Hailed as the first virtuoso of the double bass since the late Serge

Koussevitzky, he is now a member of the faculty at the University of Wisconsin.  
 Paul Rolland, violin, is the past president of the American String Teachers Association and is now head of the string department, University of Illinois. He is a frequent lecturer in addition to his extensive activities as violin soloist. Mr. Rolland is well known for his publications and his success as a teacher. Howard Karp, a member of the piano faculty of the University of Ill. will assist Mr. Rolland in the recital.  
 Appropriate applications for advanced registration will be furnished by the Director, String Workshop, Eastern Department of Music.

**What About The Hemline This Year?**

BY CHRISTINA TAULBEE  
 Spring has nearly sprung and fashion is bursting out all over with great new ideas. Bold prints, stripes, solids and abstracts are shouting at college girls of all shapes and sizes. The major question though is: What's happening to the hemline this year?

The only answer available is: Determine the height of the hemline by the cut of the dress and the shapeliness of the legs. Since the beginning of this decade hems have risen and fallen so much that older women are dizzy, and teenagers are confused.

Here are some general rules to follow: (1) with tent and cage-line dresses hems can be as short as five inches above the knees (to go any farther would not leave much to the imagination, would it?); (2) straight-line dresses should remain low enough in the hem to slightly cover the tops of the knees; (3) sport clothes hems can stand altering to suit the figure of their model; and (4) above all, people with leg problems -- overweight, underweight, boney knees, flabby knees, should definitely not stick to one hemline. Variety is the spice of life and all sorts of optical illusions can be created when hemlines are varied throughout a wardrobe.

## Rare Books, First Editions Featured In Crabbe Library Townsend Collection

The John Grant Crabbe Library houses its John Wilson Townsend Collection in the Kentucky Room. This collection was purchased by Eastern in July of 1930. When purchased the collection consisted of 1,700 books, now it contains more than 7,000 books.

The purpose of the Kentucky Collection, as it is sometimes called, is primarily for the graduate students at Eastern. The Kentucky Room is a research room, and as such no one may check books out. Of course the room is always open for general students, but they may only browse at the books.

**RARE BOOKS HOUSED**  
While browsing at the books,

one may see that there are numerous rare books. There are some history books dating back to 1836. One may also find all of Dr. Clark's histories found on the shelves. As one's eyes pass along the shelves they will quite naturally observe all of Jesse Stuart's works. All of his works are autographed and quite treasured. By taking a closer look, a person will notice that the fiction collection is very complete. One may also observe a most complete collection of bound copies since 1858.

The Townsend Collection started when Mr. Townsend wrote "Kentucky in American Letters." He found it necessary for him

to collect books to examine before he could determine what he wanted to include in his two volumes. Many authors sent him autographed copies. After the publication of his books, Mr. Townsend continued his collection. He started in 1912 when he met Colonel R. T. Durrett of Louisville.

**FIRST EDITIONS AVAILABLE**  
His main objectives became ones of securing first editions of Kentucky items in mint conditions, get them autographed, insert some sort of annotation, and a letter from the author of each book. The John Wilson Townsend bookplate was designed by Sudduth Goff, a native of Lexington, Kentucky, now connected with the Art Institute of Chicago. All books donated of "on loan" have special plates inserted with date, name, and address of donot. Many out of print and valuable books have been donated. The Townsend collection is on the second floor of the library.

## Lab School Students (Continued From Page One)

to college students. The latter idea may prove to be the most lucrative because of the continuous need for lab animals in experimental work. College officials apparently have not notified the students that there is enough of a market for such animals to make the project successful.

Carl Hurley, industrial arts teacher, and his students, have constructed a model of the proposed school. For every \$10 raised, one wooden brick will be placed against the wall of the model.

Smith hopes that the funds will be raised by the end of this school year.

cost will be low due to the residents' desire for a school facility.

Some of the projects that will contribute toward the goal include the funds realized from the sale of the recently organized sixth grade newspaper; mass produced items from the industrial arts; ballgame and other school sport concessions and the most unique idea, the sale of laboratory specimens—frogs, snakes and tadpoles—
