The works of three Eastern art faculty members will be shown at the Louisville Art Center annual exhibit opening tomorrow. Miss Juanita Todd and Mr. Gerald Miller will each have displayed a painting; Mr. Galoer Carbonell will display a piece of wood sculpture.

This year's show, termed "smaller but better than last year's," will include 175 articles submitted form all over the Commonwealth and the area of Indiana lying around Louisville. There was a total of 700 objects submitted.

The judge of the material to be included in this year's show was Robert O. Parks, curator of paintings for the John and Mable Ringling Museum in Sarasota, Florida.

Those planning to do student teaching next year should make application before the end of the semester. Applications are made at the office of the Associate Dean of Instruction for Teacher Education, Room 30, Administration Building.

Eastern Faculty To Attend KEA Meet

By LINDA CAHOON
Progress Staff Writer

The 19th Annual Convention of the Kentucky Education Association will be held April 4, 5, and 6, at Louisville, Kentucky. A large delegation of Eastern faculty, administration, and students will attend the convention which will be held in the Sheraton Hotel rather than at the Brown Hotel where it has formerly been held.

Eastern will have an exhibit booth set up which has been made by the Industrial Arts Department. An Eastern placement bureau will also have headquarters set up for school principals, superintendents, or teachers who wish to place their applications on file with Eastern.

The annual Eastern breakfast will be held Friday morning at 8 o'clock in the Grand Ballroom of the Sheraton Hotel. Tickets for the breakfast may be purchased for \$1.00 from members of the faculty, administration, or from the business office. Approximately 600 are expected to attend the breakfast. This is twice as many as last year. Former Eastern graduates, members of our faculty, and present students are welcome to attend the breakfast.

Registration for the K.E.A. convention will begin Wednesday, April 4, at 11 a.m. until 2 o'clock p.m. with the registration of delegates. Alternate registration will be from 3:00 p.m. until 7 p.m. in the Sheraton Hotel. Other registration, through Thursday and Friday will take place in the Mezzanine of the Brown Hotel.

The General Sessions will be held at Kentucky Fairgrounds Coliseum, starting at 9:30 Thursday morning. The second session starts at 8 o'clock Thursday evening. The third and final general session will be Friday evening at 8.

The Delegate Assembly will be

State Papers Feature EKS's Tom Mastin

A feature article entitled, "Tiny Tom Mastin Filled With Courage and Desire," written by Mary Jane Mullins, freshman Progress staff writer from Paint Lick, appeared in newspapers and on radio stations throughout Kentucky last weekend.

The article was released by the Eastern publicity department because of its "excellence and human interest qualities."

Miss Mullins was given by-lines in both the Lexington Herald and the Lexington Leader, as well as in the Richmond Daily Register. Last Sunday's Courier Journal featured the story as the number one story on the first page of the state section, and gave a by-line to Mary Jane.

Stories by other Progress staffers have been released to newspapers throughout Kentucky, from time to time.

Eastern Grad Becomes New Choir Director

(Editor's note: The following is published through the courtesy of the Harrodsburg Herald.)

Lt. Holly A. Chilton, 1960 graduate of Eastern, has been assigned as the new director of the Naval Air Training Command Choir at Pensacola, Fla. A native of Harrodsburg, he entered the Navy in 1954 as a Naval Aviation cadet. During his training period in Pensacola he was tenor soloist for the Naval Aviation Cadet Choir.

"When I sang in the choir as a cadet, I often thought I would like to come back some day as the director," he said.

After receiving his commission and being designated as a naval aviator, he was assigned duty with Patrol Squadron 18 in Jacksonville. While operating with VP-18, he was designated as Patrol Plane Commander. Chilton majored in industrial arts and music at Eastern. While in college, he sang in the Harrodsburg and Richmond area for church and civic functions. The former member of a college barbershop quartet, he enjoys all types of music, especially semi-classical and popular.

He is the son of Mr. and Mrs. Kellis H. Chilton of Harrodsburg. The 30-voice choir had its beginning 27 years ago when Capt. R. S. Barnaby, USN (Ret.) organized the original NAVCAD members, the choir has sung all over the United States. Although its members come and go with Navy orders, it is recognized in music circles as being one of the country's leading A Capella Choirs. Each voice belongs to a fledgling aviator, busily engaged in flight training to earn his coveted Navy Wings of Gold, but willing to take time outside normal working hours for rehearsing, programming, recording and shows.

The list of the choir's past appearances reads like the routing sheet of a professional concert: Perry Como, Ed Sullivan, Arthur Godfrey, Dave Garroway, and Steve Allen. The group also appeared at the Hollywood Bowl and at many colleges and universities. They have just returned from the Winter Carnival at Minneapolis, Minnesota and the Azealia Festival at Mobile, Alabama.

Margaret Barczuk Crowned '62 Event's Scholarship Queen

About 250 coeds were recognized for outstanding scholarship, leadership and service Tuesday evening at the 15th annual Honors Day Program for Women at Eastern.

Highlights of the program, which was sponsored by the Women's Administration Council, were the impressive tapping ceremonies of the women's leadership honorary societies and the crowning of Mrs. Margaret Barczuk, Frankfort, as Scholarship Queen.

The two-hour program was held in the cafeteria of the Keen Johnson Student Union Building. Miss Barbara Edwards, Louisville, presided.

In a surprise presentation, Mrs. Emma Y. Case, instigator of the honors program, who has served as dean of women at Eastern since 1932, was presented a silver tea service by Barbara. In making the presentation, Barbara said, "To you, Dean Case, who have dedicated your life to the students of Eastern, we give this silver tray of silver tokens for your devotion to us. May the memories be as lasting as this silver." Mrs. Case retires this summer as dean of women.

President Speaks

President Robert R. Martin, in congratulating the coeds, said, "I don't believe I have seen more beauty and more brains concentrated in one hall. You are the finest of American youth and the success which you have attained on this campus augers well for the future."

He compared college with astronaut John Glenn's recent orbiting of the earth, during which he saw four sunsets in a period of less than five hours. "So it is with college," he said. "We might think of the four years as four sunrises moving toward four sunsets, or four completions of the years' work." Then I want to believe, he said, they are something like the same proportion that as you learn to change to changing conditions you have become educated.

"Eastern is greater and better because you have been here," he said. "You have been here on our campus at a time of significant change, but you have accepted it as the birthplace of a new institution that we want you to make ever better and ever greater."

Scholarship Queen

Mrs. Barczuk, the Scholarship Queen, compiled a point standing of 2.94, of a possible three-point, and is the highest ranking senior

Pershing Rifles Members Have A House Termed 'Cooperative' By Many

1st Organization Here to Live In And Manage 'Home'

Eastern's Own Fort Knox

BY JIM FARRIS
The close of the 1961 fall semester marked the end of the first year for the Pershing Rifles in Lancaster House, which is located in front of the Cammack Building on Lancaster Avenue. The Pershing Rifles are the first organization on Eastern's campus to live in a cooperative house, and they have been successful in their first year.

Two semesters ago, President Martin consented to let the Pershing Rifles move into the Lancaster House. Since that time, the house has been governed in a military manner by the Pershing Rifle staff within limits set by the Military Science Department. House rules and campus rules are enforced by the staff and Commander Ralph Newman who is house monitor.

Many Rules
In addition to the campus rules, the house has some rules which are necessary for the well-being of the individual members of the house. One of the house rules is that "overhead lights go out at 12:00 p.m." This is to permit the occupants who are not up studying to get to sleep. Another rule is that "All activities interfering with studying during study hours are to be conducted in the lounge."

Home of the Pershing Rifles—This old colonial structure is the home for 29 PR cadets. Lancaster House is the first cooperative house of this nature to operate successfully on Eastern's campus.

VACATION-BOUND—These Eastern coeds are typical of the many students who began packing today for their week-long vacation. They began leaving this morning for their destinations from the east to the west coasts, and from the Canadian border to the southern-most tip of Florida, and many in foreign lands. This particular group of coeds are shown leaving for a week in sunny Florida. Most of the Eastern faculty and staff will be spending their vacation in Louisville attending the annual Kentucky Education Association convention.

EDITORIALLY SPEAKING

An Intellectual

Programs such as that of this past Tuesday, designed to honor the outstanding students of the campus, lend themselves to thoughts of true academic achievement. With the tapping ceremonies of Eastern's two women's honor societies, Cwens and the Collegiate Pentacle, we were seeing what has been termed the intellectuals of our campus based on leadership, scholarship and service.

With the rapid growth and development of this campus in the past two years, there has been a trend to shift interest to thoughts of academic achievement. Some of those persons tapped to membership in those exclusive organizations truly exemplify the meaning of an intellectual; but in all cases, good grades do not denote an intellectual.

An intellectual has been defined in some circles as the possessor of three certain traits. The traits are intellect, imagination, and judgment. This combination seems to be a relatively simple one from the standpoint of its components. However, how many persons can you think of, off hand, who possess only one or two of these but not all three? Perhaps there is an individual who has the mental abilities and a towering imagination, but the third element is lacking. The partial combinations of these factors exist in a number of persons, but to find all three in one individual is to find the intellectual.

One may be smart, yet not an intellectual; one may be extremely imaginative and creative but not classified as an intellectual. One may be more than capable when it comes to making decisions within his realm, but this does not denote an intellectual. There are not many persons who could be placed in the category of intellectual and be honored by their associates. —M.B.

Mr. M. E. Mattox, Registrar, To Retire After 37 Years

Took Post in 1925 At 'Normal' School

By BERRY WIREMAN

The retirement of Mr. Melvin E. Mattox as registrar marks the end of 37 years of service to both Eastern and her students. During this time, Eastern has risen from a non-accredited normal school to one of the leading teacher colleges in the nation, according to Mr. Mattox.

When Mr. Mattox took over the post of registrar in 1925, Eastern was not accredited, but by working with the University of Kentucky toward this goal, Eastern was accredited by the Southern Association three years later.

Mr. Mattox has served under the administration of four presidents: Coates, Donovan, O'Donnell, and Martin.

"I have been in school twelve months a year, every year, either working or going to school since 1919," he commented.

Before coming to Eastern, he taught in different schools systems throughout Mississippi. He also served as an instructor at Mississippi Southern College and the University of South Carolina.

When asked why he chose Eastern, Mr. Mattox answered, "I was attending graduate school at Peabody College and met President Coates, who persuaded me to come."

"When I first came to Eastern, it was only in its infancy. As an example, all records were kept on the top floor of the Roark Building. I persuaded President Coates to have a vault built in the basement so the records would not be destroyed by fire," he said. "I feel the work of keeping records in the registrar's office is just as important as keeping records in

Berry Wireman, Letters to the Editor Editor, chats with Mr. M. E. Mattox, Eastern's Registrar, who will retire this year after 37 years of service to Eastern.

a bank, because these records represent what the students have invested in time and money at Eastern."

Mr. Mattox saw the difficulty students were having finding a teaching appointment after graduation, so he organized the first placement bureau. He ran the bureau until it became too large and had to be set up as a separate department.

"Since I have become registrar, I have come in contact with students from each generation, and all generations seem to be the same except maybe each generation wants to do things a little different."

He added, "Being a registrar isn't a popular job. If a student passes, the registrar doesn't get credit, but when students fail, and can't graduate, then the registrar has to tell them and he becomes a mean man."

Besides the full-time job of being registrar, Mr. Mattox also takes time out to counsel students when they need help. He said, "Students come to me for counseling in many matters other than school work because they feel my age and experience will be of aid to them."

When asked about retirement, Mr. Mattox said, "I am very tired. I have a two-week vacation each year, but have only once had two weeks at one time in the last twenty years, because I feel the office has to be open." He went on, "After I do retire, I hope to spend part of my time in Florida."

Readers Write

Dear Editor: I am writing this letter as an aid to those of us who must stay in Richmond over the spring vacation while the more fortunate leave for Florida.

First of all what are we going to do for nine days? Actually there isn't much to do unless you plan well ahead and use your time the best you can.

Before I start on what you can do, maybe I had better say what you can't do. Number one, the grill will be closed so no eyeballing; number two, Speck's will be closed so no Speck life; and number three, the girls' dorms will be closed so you can't lobby lounge.

Now back to what we can do. There is always Boonesborough Beach, but at this time of year the water is muddy and nothing going without girls. So we now have Lake Reba with fresh clean water, nice grounds for sunbathing, and so on. There is only one major drawback to Lake Reba and that's the fact you aren't allowed to swim. The solution I have for this is fall in and swim out. (This is allowed because one must save one's own life if he can).

But after a while one becomes tired of falling in and swimming out so, forget this. Really the more I think about it, the more I come to the conclusion, there isn't a darn thing to do in Richmond. I guess the only major thing we have left is wait until everyone starts returning Sunday and look at sunbats.

Oh well, so is life. Sincerely, "The Old Senior"

more students. If the current trend continues Eastern will certainly become the state's second University, which is something of which we could be proud.

But what of the students? Are we facing up to the task of learning as we should? It seems to me we are daily taking a more negative attitude toward our school. Why not adopt an attitude of cooperation with our administrators and instructors? I believe we should change our negative attitude to a positive one. I think one should have a better idea than one which he is criticizing. As an old post once said, "He who is without fault be the first to criticize the other faults."

Our job here is to get an education and the best way to do this is to delve into it with a positive attitude.

Respectfully submitted, Ben F. Gardner

Dear Editor: It seems as though many people take the band as just another thing on campus. Well, the band is a group of students who take time and plenty of it to bring entertainment to this college and her students. Not only does the band march at the football games, parades, and play for dedications, but it works hard at good music to present to the students at Eastern. Many people like the band and think they do a good job, but how many of them take time out when they give a concert to attend?

I wonder how many students around here would march in rain and mud for three, sometimes four, days a week just to do one fifteen minute show? How many students would march in the rain and cold in a parade? Many times the students ask the band for short pep-tunes at the football games, or ask for "Disco" at the basketball games, but when it comes concert time, where are they? Don't students have a yearning for culture? Isn't music a part of culture? This is Eastern and this is what is happening to her students. What are we going to do about this? Disgusted Band Student

'Dear Bullwinkle'

Dear Bullwinkle: My half of the class did not brush with a certain well-known tooth paste in an experiment conducted over a five-year period in my school. Now the other half makes fun of us because our teeth are rotten, falling out and ugly. What can we do?

Bullwinkle: Bite them. There is no doubt that your bad teeth will immediately infect the wound.

Dear Bullwinkle: I have always wanted to shove grand piano off a 50-story building. Yesterday I did it, but unfortunately it landed on 3 pedestrians. What do you suppose their next-of-kin will do to me?

Dear Bullwinkle: Much depends on whether they are musically inclined.

Dear Bullwinkle: After being in the YMCA for 34 years, I have inherited a million dollars and now I plan to spend \$600,000 for a residence. What do you suggest?

Dear Bullwinkle: There isn't a day when I don't

go through torment with my love for Secretary of State Dean Rusk. He is a married man and I can never get him. What can I do?

Dear Desperate: Tell him you are the Soviet Ambassador.

Dear Bullwinkle: My daddy has stolen 4,000,000 dollars from the union that he is Treasurer of. Is this wrong?

Dear Bullwinkle: Yes. The correct figure, as quoted in the papers, was \$4,000,324.73.

Dear Bullwinkle: (All correspondence should be addressed to: The Nuthouse, Jay Ward Productions, 8218 Sunset Boulevard, Hollywood, Calif.)

Nominations for PI Tau Chi come from students participating in campus religious organizations. Students are nominated on the basis of exemplary Christian life, service, and leadership, and are charged with continuing this in their professions and careers as they graduate and leave the college. Campus nominations are restricted to juniors and seniors.

"Titanic," a pantomime, was enacted by Nadia Reynolds, Laura Nicholson, Ladonna Taylor, Judy Williams, Iredith Combs, Francis Williams, Sharon Foster, Myra Miller, and Myrna Meninger, and "Wash that Man" was pantomimed by June Kelly, Sandra Hoff, Barbara Nolan, Margie Smith and Carol Smith. Still other pantomimes were "New-Fangled Tango" by Toni Spori, and "Black Magic" by Toni and Lynn Manning.

Caroline Wiedmar, assisted by Johnny Riggins in the prelude to the act, played a piano selection, "Nola." Keith Brock also played "The Boogie," a medley of various songs.

A special instrumental act led by Dan brought forth much response from certain residents of the South in the audience. That was the well-known tune of "Dixie"; the group also played "Bells of St. Mary."

Songs on the program were "Blue Moon" sung by Carol Rice, "Lonesome Town" and "I'm Not Afraid" by Ken Alfrey; a medley of songs including "Dreams" and "I Know" by Susan Van Gundy and Ruth Ann Erwin; and "Frankie and Johnny," a song and pantomime with the band and Carol Hill, Diana Craig, Mary Ann Watson, Joyce Burkhardt, Laura Nicholson, and Ronnie Elliot.

The audience was next entertained by "The Maroons," a popular dance band formerly known as "The Impressions."

Following this there was a comedy by Sylvia Brock, Sandy Hodgenville. An outstanding contribution award was presented to Melanie Wood, Louisville; first vice president, Barbara Banes, Dillabore, Indiana; second vice president, Barbara Bunch, Loyall; secretary, Carol Whitfield, Louisville; treasurer, Nancy Polly, Hodgenville. An outstanding contribution award was presented to Melanie Wood, Louisville.

The finale was given by the house council. The auditorium was filled to fair capacity. Each act was greeted by much enthusiasm and applause, and there were several encores.

A student went over to the infirmary. "Doc," he said, "I feel so bad that I often think of killing myself."

"Now, now," soothed the doctor. "You just leave that to us." Maryland Old Line

Kappa Kappa Sigma Ends Three-Day Show

Kappa Kappa Sigma, women's swimming organization would present its annual swim show last Wednesday, Thursday, and Friday nights with the 1962 presentation of "Sound of the Sea." The three night stand featured fifteen acts including four solos.

The seventeen acts along with their gentlemen aids swam through the fourteen colorful numbers before bowing out with a grand finale which featured the entire group.

Janet Macke, Mary Nash Ginn, Mary Carol Welch, Linda Huffman, and Carol Skaggs opened the entertainment with their interpretation of *Off Shore*. Sue Marcum, Linda Spaulding, and Betty Jo Hancock followed with *Tease Wipe*.

The *Enchanted Sea* was then presented by Anne Stanley Johnson and John Vetter. Mary Nash Ginn, Karen Marx, Melinda Craft, and Gall Mountain followed with *How Deep Is the Ocean before Sue Marcum* swam the first solo of the evening, *Beyond the Reef*.

The more performances followed as four mermaids, Sue Marcum, Carol Skaggs, Linda Spaulding, and Anne Stanley Johnson presented solos.

The KKS sponsor is Miss Gertrude Hood and she served as faculty advisor for the organization. The prop work was created by members of the organization during extra sessions of practice.

Officers of KKS are Anne Johnson, president; Joan Maggard, vice-president; Sue Marcum, secretary; and Linda Spaulding, treasurer. Graduating seniors include Anne Stanley Johnson, Sheila Gilreath, Sue Marcum, John Osborne, one of the gentlemen aids, and Linda Spaulding.

COLLEGE STUDENTS IN THE VACATION RIOTS

What touches off the vicious vacation riots in resort towns from coast to coast? What madness causes the drunkenness, open immorality, violent battles with police? What sudden mob impulse can motivate a crowd of 30,000 educated young men and women into a rampage of destruction? Perhaps it's a new way to "let off steam" . . . a savage kind of self-expression. But why are so many college students—presumably the nation's most "adult" and sophisticated young people—involved? Why do they knowingly risk their futures, even their lives for a few hours of wild abandon? In the new April McCall's, don't miss the unbelievable, yet true, report on the spread of this insane activity. . . the terrible price you may have to pay if you're involved. . . and how you can help stop the insanity.

TRACK TEAM SIGHTING IN ON ALL-TIME EASTERN RECORDS

If the showing our track team made in their first meet is any indication, and if they improve with each passing meet, as is usually the case, this year's track team may virtually rewrite the Eastern track record book.

Coach Don Daly was very pleased with the showings of two Eastern runners, in particular, and the whole team in general. The two individuals he singled out were Ben Price and Dennis Sprou.

Price turned in a very fine 880 (half mile) time in the meet Saturday, with a 2:00.9. This time is just .9 of a second slower than the Eastern record of two minutes flat set by Bob Garmon in 1957. Sprou had a 10.1 time in the 100, a good time for the first meet, and Daly said that he hoped he could shave off enough during the season to at least tie the 9.8 record. The 100 yard dash record is held jointly by Jack Bond (1952), Daly (1954), and Jerry Slayback (1958).

Other records that appear to be in danger are the mile, broad jump, and high hurdles.

Mike Felts' time in the mile Saturday was only five seconds slower than the record set by Dave White at Western last year. It was also over 10 seconds slower than the time Felts posted in high school last year.

Ernie Dalton should shatter his own broad jump record and may set another one in the 120 yard high hurdles. His effort in the jumping event Saturday was only six inches shorter than the mark he set last season, and was the first he has attempted in competition this year. He set his record in the final meet last season, the O.V.C. Meet in Cookeville, Tennessee. His 16.6 time in the hurdles was 1.1 second of the record set by Jack Jones in 1951.

But if no records fall this year, this corner

will be happy—just as long as our thincads keep on winning.

WHAT'S CINCINNATI GOT?
That is probably the question that every Ohio State fan is asking himself these days. Saturday night marked the second time in two years that Ohio State went into the N.C.A.A. finals rated number one in the country, and the second time in two years that Cincinnati has knocked them off.

Ohio State might not know what is, but you can bet your bottom dollar they would like to get some of it, and who wouldn't?

DAYTON GOES N.I.T.; PLACES TWO ON ALL TOURNEY TEAM

A 97-66 victor over a weakened Eastern early in the season, the Dayton University Flyers proved that Eastern's worst beating of the campaign came at the hands of one of the better teams in the country, as they won the National Invitational Tournament with a 73-67 win over St. John's of New York.

They also placed two of their stars on the All-N.I.T. team as sophomores Bill Chmielewski and Gordy Hatton led the voting. Chmielewski, also the tourney's Most Valuable Player, was the only unanimous choice with all 25 voters marking the 6-10 giant on their ballots.

REPEAT FOR THE REDS IN '62?

For anyone who follows the spring play of the major leagues this should be of interest. Remember how last year during the exhibition every team was giving the Reds a beating? Well, so far this spring that has been happening all over again, with the Reds coming out on the short end of the stick more times than winning.

Isn't it pleasant to think that maybe this is an omen and that Cincinnati will have another National League Championship year?

1962 EASTERN TENNIS TEAM—This is the Maroon tennis team that will open its season Tuesday. Front row, left to right, Wendell Wiley, Jerry Brown, Dudley Rodman, and Dennis Reck. Back row, Bill Birchwell, trainer; Jack Lighthiser, Jerry Sanders and player-coach, Roy Davidson.

All-O.V.C. Team Is Selected; Parks, Werk On Second Five

OVC Incoormation Center
Bobby Rascoe of champion Western Kentucky and Granville Williams of Morehead were named unanimously to the 1961-62 All-Ohio Valley Conference basketball team selected by the league's coaches.

Also named to the first five were Murray's Jim Jennings, Tennessee Tech's Tom McKinney and Western Kentucky's Harry Todd. Jennings and McKinney barely missed unanimous distinction as both were named to six first team ballots and one second team. Todd had four first team and two second team votes.

Eastern Kentucky placed two men, Jim Werk and Larry Parks, on the second five, which also included Morehead's Ed Noe, East Tennessee's Willie Malone and Western Kentucky's Darel Carrier.

Heading the third team, and barely missing berths on the No. 2 unit, were Middle Tennessee's Paul Holland and Western Kentucky's Jim Dunn. Mal Roberts of East Tennessee and Ray Gardner of Eastern Kentucky also won posts on the No. 3 unit while three players—Ron Greene of Murray, Ron Pickett of Eastern and Bobby Jackson of Western—tied for the other spot.

Rascoe and Williams were winning a first team spot for the second year in a row, Williams being a unanimous selection both times. Rascoe also made the second five as a sophomore while Williams won a third team berth in his first varsity year. Todd was moving up from the 1961 second unit.

Williams, Rascoe, Todd and McKinney are seniors while Jennings is a mere sophomore. Malone and Carrier, of the No. 2 unit, also are sophomores.

The first five averages just slightly better than 6-4 in height and presents a well-rounded unit since Rascoe and Williams played

guard, McKinney forward and Jennings and Todd center. However, Todd operated from a forward post both as a sophomore and as a junior. Their combined scoring averages total 103 points per game.

Williams vs. Rascoe
Williams and Rascoe waged a torrid scoring duel for conference leadership, with Williams averaging 26.0 for the season while Rascoe took a 25.6 mark into NCAA firing. Both eclipsed a number of school marks. Jennings led the loop in rebounding with a 17.2 average and finished third in scoring with a 20.5, third best in Murray's history. McKinney was the conference's No. 4 scorer with a 19.0 mark. Todd averaged a steady 11.8 and took the least number of shots of any Hilltopper starter. McKinney and Todd also ranked with the league's top rebounders, grabbing 10.6 and 12.5, respectively.

All five first team selections hit considerably better than 400 per cent from the field, with Rascoe's .506 heading the loop. Todd shot .477, Jennings .445, Williams .442 and McKinney .427.

One of the nation's most accurate free throw shooters, Williams won loop honors in this department with a percentage of .853. Rascoe was next with .793 while Todd posted .722.

Worth noting is the fact that all five starters on Western's championship team won spots on the first three all-conference teams. All averaged in double figures for the season.

Williams, Rascoe, Todd and McKinney were starters on their respective clubs for three years. Balloting was conducted at the close of seasonal play without regard to position, and points were awarded as follows: 30 points for a first team vote, 20 for second and 10 for third.

FIRST FIVE

Bobby Rascoe, Western Ky.
Granville Williams, Morehead
Jim Jennings, Murray
Tom McKinney, Tenn. Tech
Harry Todd, Western Ky.

Top Prospects

The top prospects at first base see Robert Rietz and Mike McPhail battling it out for the starting role. Second base competition has been equally as rugged, but Ray Ross and Jimmy Bird have stood out above the rest. Jack Wolfer seems to have the short stop post virtually wrapped up, but competition may come from any corner. Neil Garret and Ronnie Noel are the top contenders for the third base position and the catcher spot has been narrowed down to either Charley Hayslip or John Coleman.

Squad Not Known

At the time of this writing Presnell couldn't name the boys that would be competing today. Due to graduations and other occurrences Paul Motley and Carl Kettner are the only returning regulars from last year's squad.

Presnell said that Motley and Kettner were the only boys that he could be sure of before the matches.

A host of hopeful golfers met yesterday afternoon at the country club where they were matched against each other to decide the permanent team.

O.V.C. Officials Meeting This Weekend

Ohio Valley Conference officials will assemble at Nashville this weekend for the league's spring business meeting.

Representatives will be on hand for the session, which opens at 9 a.m. Saturday, March 31, at the Andrew Jackson Hotel. President Charles T. (Turkey) Hughes, Eastern Kentucky athletic director, will preside.

Plans will be finalized for the conduct of spring sports events at the Saturday meeting.

Coach "Turkey" Hughes' baseball Maroons, with only about a week of outdoor practices under their belts, take on Hillsdale, Michigan, College Monday, then host Kentucky's Wildcats on Tuesday, and wind up the first week of activity with a meeting with Cumberland. All are scheduled to be played at "Turkey" Hughes Field.

Coach Roy Davidson's tennis squad will meet four opponents, two on the road. They open at Barbourville on Tuesday, taking on Union College. Then on Wednesday, the Union Bulldogs will be in Richmond, on Eastern's new courts. Thursday, the Maroons will host Cumberland, and on Friday, they travel to Lexington to meet the Transylvania Pioneers.

Tuesday's tennis opener will mark the first intercollegiate tennis match played by an Eastern team. The college has been without regulation size courts the past two years.

Beginning practices with approximately 85 candidates the baseball coaching staff, consisting of Hughes and Jon Draud, have the task of narrowing the huge turnout down to about 25.

The job of cutting the team down to fighting weight has been made considerably harder by the fact that practice has been conducted in the gym for the past two weeks and the hardballers had gotten in only three days of outside drills at the time of this writing.

Strong Point
The main strong point of this year's team has been described as, "Strong pitching with good, fast defense." The hitting is questionable and must improve somewhat to give the Maroons a crack at the O.V.C. Championship.

Coach Hughes is undecided at the moment as to who he will open next week, but the lineup should come from some of these boys that have been looking good in practice.

Golf Season Opens Today

Turning immediately from one sport to another, Coach Glenn Presnell pits his Maroon golfers against the University of Cincinnati club-swingers today at beautiful Madison Country Club.

Squad Not Known

At the time of this writing Presnell couldn't name the boys that would be competing today. Due to graduations and other occurrences Paul Motley and Carl Kettner are the only returning regulars from last year's squad.

Presnell said that Motley and Kettner were the only boys that he could be sure of before the matches.

A host of hopeful golfers met yesterday afternoon at the country club where they were matched against each other to decide the permanent team.

O.V.C. Officials Meeting This Weekend

Ohio Valley Conference officials will assemble at Nashville this weekend for the league's spring business meeting.

Representatives will be on hand for the session, which opens at 9 a.m. Saturday, March 31, at the Andrew Jackson Hotel. President Charles T. (Turkey) Hughes, Eastern Kentucky athletic director, will preside.

Plans will be finalized for the conduct of spring sports events at the Saturday meeting.

The starting outfielders should come from this quintet of standouts. Frank Carter, Bill Curry, last year's leading hitter, Bill Goodie, Terry Smith, Jim Bell, and Nick Moore have all been looking good in the "pasture" and picking the top three will be quite a task.

The pitching staff is headed by Ken Pigg, Dave Quick, and Dan Sorrell complemented by a host of freshman tryouts.

Davidson, freshman player-coach of the Maroon tennis squad, is optimistic about his team, although none have ever played in an intercollegiate match before. The ex-Ohio state tennis champion said that his squad has been trimmed to seven players. "We've been going at it pretty hard for the last two months," he said, "getting outdoors whenever possible." "And, we had some good sessions last fall."

Listed on the roster are Jack Lighthiser, sophomore from Dayton, Ohio; Jerry Sanders, freshman from Louisville; Dennis Reck, junior from Figue, Ohio; Jerry Brown, freshman from New Albany Ind.; Wendell Wiley, junior from Painsville; Dudley Rodman, freshman from Frankfort, and Davidson, a freshman from Middletown, Ohio.

Baseball games next week will start at 2 p.m. Tennis matches also are set for 2 o'clock.

Tracksters Run-Away With Opening Meet

Eastern's Thincles got their season off to a good start by overpowering Cumberland and hapless Pikeville in a triangular meet held at Berea Saturday. Eastern finished with a point total of 100 1/2, Cumberland 69 1/2 and Pikeville had one point.

Monopolizing 11 first places the Maroon clincher pleased track coach Don Daly greatly in their first meet under him. He said, "By comparing this with a meet on the same day last year nearly all the times are better, and some are exceptional for this early in the season."

Dennis Sprou and Ernie Dalton paced the locals as Sprou cashed in on two firsts and Dalton three. Sprou won the 100 yard and 220 yard sprints with times of 10.1 and 23.4. Dalton won the 120 yard high hurdles with a time of 16.6, the broad jump with a distance of 22 1/2," and tied Larry Gammon, also of Eastern in the high jump with a leap of 5'10."

The Maroons tracksters roll into action again after the spring break facing Union here on

Wednesday, April 11.

Capt. Smith Promoted To Major

William D. Smith, executive professor of military science at Eastern, has been promoted from the rank of captain to major in the United States Army.

The announcement was made today by Colonel Joe M. Sanders, professor of military science at Eastern, upon notification by the Department of the Army.

A native of Poplarville, Mississippi, Major Smith has served on the Eastern ROTC staff for four years. He has worked with all phases of cadet training as a member of the faculty. Meanwhile, he has worked toward a master's degree in education, which he plans to complete this summer.

Prior to being assigned to Eastern, he served at the Tank Training Center, Ft. Stewart, Georgia. He is a graduate of the University of Mississippi where, in 1959, he received a bachelor of arts degree in economics.

He has also served with the 2nd Airborne Division, Ft. Bragg, N. C., the 2d Armor Division, Mainz, Germany, and the 532d Military Intelligence Bn., Overberg, Germany.

He has completed four military service schools, including the Armor Motor Officers' School, the Airborne Company Officers' School, the Armor Officers' Advanced School, and the Nuclear Weapons Employment Specialist School.

Major Smith, his wife, the former Melitta Belz, of Wiesbaden, Germany, and their three children, Barbara, eight, Billy, five, and Michael, four, reside at 812 Logan Avenue, Richmond.

Cadet Of Week Eastern Rifle Team Defeats Ohio Foes

JAMES RAWLINGS

Cadet Lieutenant James R. Rawlings, son of Mr. and Mrs. J. L. Rawlings, has been selected as this week's outstanding Cadet. Jim graduated from Maysville High School in 1958 and is a senior social science major at Eastern.

Jim has put forth a lot of effort since he has been in the ROTC program, and it should pay off when he gets commissioned in Armor as a Second Lieutenant late in May of this year. Jim will attend the Armor Officer Orientation Course at Fort Knox starting September 24, 1962, which also happens to be his birthday.

This semester, Jim is doing his student teaching at Model High School and is maintaining a 2.0 standing besides. He is active in AUSA, World Affairs Club and Young Democrats' Club. Jim's hobbies are: golf, hunting and reading biographies. After a tour of two years, Jim plans on working on his master's degree in counseling and then going into some type of personnel management.

Eastern's ROTC Varsity Rifle Team was successful this past weekend as they won both of their shoulder to shoulder matches which were fired North of the Ohio, Cincinnati and Xavier were the victims on their home ranges. The match with Cincinnati was fired on Friday evening and Eastern won by a wide margin of 47 points as they posted a 1385 to Cincinnati's 1338. The top five men for Eastern and their scores were:

- Bobby Cornett 287
- Jim Highland 275
- David Spratt 277
- Bill Lovell 275
- Jerry McCalfe 271

The match with Xavier was fired Saturday morning and was a great deal closer in the margin of points. Eastern fired a 1399 to Xavier's 1382. The high man for Eastern and their scores:

- Bill Lovell 285
- Bobby Cornett 281
- Neil Ray 279
- Jim Highland 278
- Harry Campbell 276

The high man for Eastern on the trip was Bobby Cornett, who averaged 284. This makes the second time Eastern has defeated Xavier this year. Cincinnati will be in Richmond to play their second one April 14. This match with Cincinnati will be the last rifle match this season.

With only one match left this year the overall team record stands at 27 wins and only 10 setbacks. Broken down, the record is 18 wins and 6 losses in total competition, and 9 to 4 for the shoulder to shoulder matches. The team was fourth in the nation in the William Randolph Hearst Trophy Match. Team awards will be given out at the Dean's Review to be held April 20.

Girl Watcher's Guide
Presented by Pall Mall Famous Cigarettes

Well-Preserved Forty plus

LESSON 4 - Why men watch girls

Men watch girls for various reasons. Personally, we need no better reason than the reason men climb mountains. They are there. We have heard old men say they watch girls because it makes them feel younger and young men because it makes them feel older (see above). While investigating the reasons why men watch girls we picked up a clue from, of all things, a bird watcher. He told us

that he formerly had been a flower watcher. Then one day a Speckle-Breasted Jackdaw happened to land in his garden as he was watching a calla lily and he noticed that the bird moved. He switched to birds on the spot. Girl watchers have discovered that girls enjoy this same advantage (movement) over calla lilies. (Speaking of advantages, how about Pall Mall's natural mildness?)

Pershing Rifles-

(Continued from Page 1)
house is that it can only house twenty-nine members. Members of the house are chosen from a waiting list of new members each year with consideration as to their attitude, ROTC grades, and overall college standing.

It would be hard to determine how much time a member puts into his Pershing Rifle activities each week. The drill unit marches one hour four days a week. Seven hours each week is spent on the range for the Pershing Rifles Rifle Team. There are many more hours of work each week that are devoted to Pershing Rifles.

Work, Work, Work
Company staff work is important in this organization. As a good example last month during "Hell Week", the executive branch made plans for and carried out these same plans for the initiation of new members. Also, correspondence is very heavy between our local Company R-1 and the First Regimental Headquarters of Pershing Rifles located at Ohio State University, making it necessary to spend several hours a week on this matter. All these various activities plus regular college work puts a heavy load on the staff and organization members.

Each American Flag on Eastern's campus is raised and lowered by PR members. Each member has this duty to perform at least twice a month. Besides this, members attend one monthly meeting for the total membership, and one monthly dinner meeting.

Keeping Lancaster House in order is a large responsibility for each person living there. The outside grounds as well as the inside must be presentable at all times.

Colonial Structure
As for the house itself, it is an old colonial type structure. It has chandeliers, very large rooms, and tall narrow windows. In the large lounge is a picture of General Pershing which hangs over the fireplace. Pershing Rifles was organized to foster the high ideals of character and citizenship in the cadet members as was found in the life of General Pershing. A Rebel Flag decorates the lounge. The lounge also is furnished with a TV and a stereo. On the outside of the house, bombs have been added around the drive to give the house a military air.

The Pershing Rifles are primarily interested in preserving the privilege of having the house for future members. Being the first campus organization to successfully live in and manage a house of their own, this may set the precedence for Eastern in the future.

What Are PR's?
The Pershing Rifles is a national military society organized to encourage, develop and preserve the highest ideals of the military profession, to promote American citizenship, to create a closer and more efficient relationship between students interested in military work and to provide appropriate recognition of a high degree of military ability among the students of the Senior Division, Reserve Officer's Training Corps unit. It elects its members from the basic course students who demonstrate a high degree of military ability and interest. This year Ralph Newman is the leader of this group.

COMMON SENSE vs. NONSENSE

one of a series of classic quotations dealing with subjects of interest to you

"It's unwise to pay too much, but it's worse to pay too little. When you pay too much, you lose a little money—that is all. When you pay too little, you sometimes lose everything, because the thing you bought was incapable of doing the thing it was bought to do. The common law of business balance prohibits paying a little and getting a lot—it can't be done. If you deal with the lowest bidder, it is well to add something for the risk you run, and if you do that you will have enough to pay for something better."

White Rose Formal Set For April 13

The White Rose Formal Dance, the highlight of the year for freshmen women, will be Friday, April 13, in Walnut Hall. It will begin at 9 p.m. and will last until midnight.

Cecil Jones' Band from Lexington will furnish the music for the dance. Refreshments will be provided by the Sullivan Hall house council members, who are sponsoring the event.

In the latter part of the evening, a White Rose Formal Queen will be chosen from the eight candidates selected from Sullivan Hall. She will be crowned by President Martin, and will receive a bouquet of long-stemmed white roses.

Candidates for the queen are: Judy Ducl, Booneville; Sherrie Lou Denham, Florence; Frances Sue Sherman, Martin; Janny Gray Caudell, Stanford; Marda "Mert" Dean Hilton, Paintsville; Patricia Gwen Downey, Jellico, Tennessee; Barbara Midkiff, Hartford; Sandra Paige Hoff, Cincinnati, Ohio. These coeds will be selected by popular vote by the women of Sullivan Hall.

Walnut Hall will be decorated with white roses under the direction of Mr. Willard McHone of the Art Department.

Upon entering the Hall, each couple, in accordance with tradition for this dance, will receive two long-stemmed white roses.

This eastern delegation left Wednesday morning for St. Louis to participate in the Midwest Model United Nations which began Thursday morning through Saturday night. The members of the delegation and their respective committees are, from left to right, Ben Cartinhour, a junior political science major from Lawrenceburg, the Political and Security Committee; Caroline Oakes, a senior social science major from Lancaster, Head Delegate, the Social, Humanitarian, and Cultural Committee; Faculty advisor Dr. Fredrick D. Ogden; Sandy Goodlett, a junior social science major from Lawrenceburg, Special Security Committee; John Rankin, a junior English major from Somerset, Trusteeship Council; and Tom Coffey, a freshman political science major from Lexington Economic and Financial Committee who was absent when the picture was made. Eastern will represent the Republic of the Philippines at the meeting.

Pictured above is the band pavilion which will be erected in the outdoor amphitheater this summer in honor of James E. Van Peuren, head of the music department since 1928. The pavilion will be erected on the present grass stage of the amphitheater, located about in the center of the campus. It is hoped that the structure will be ready for use by the Stephen Collins Foster Music Camp this summer.
