# Candidates Of Three Parties Vie For Student Council Posts

## Bishop Gum To Speak At Baccalaureate

Bishop Walter C. Gum, resident bishop of the Louisville Episcopal Area Methodist Church and administrator of the Methodist Churches of Kentucky, will deliver the baccalaureate sermon to approximately 500 Eastern candidates for degrees on May 27.

BISHOP WALTER C. GUM

A native of Monterey, Virginia, and a graduate of Randolph Macon College and Emory University, he served the Methodist Churches of Virginia for 32 years before being assigned to the Louisville Episcopal Area. He holds an honorary doctorate of divinity degree from Randolph Macon College.

Admitted to the Virginia Conference in 1918, he has held pastorates of churches in South Sussex, Irvington, Chatman, South Boston, Norfolk, Portsmouth and Richmond, all in Virginia.

He was district superintendent of both the Norfolk and the Richmond districts. In 1960 he was elected bishop of the Methodist Church at the Southeastern Jurisdictional Conference in Lake Junaluska, North Carolina, and assigned to the Louisville Episcopal Area. He was grand chaplain of the Masons in Virginia for 14 years.

The Bishop has served as a delegate to the last five Methodist General and Jurisdictional Conferences and has been a member of the coordinating council of the Methodist Church and its commission on review. A member of Omicron Delta Kappa and Theta Phi, he has served as a trustee of Randolph Macon College, Randolph Macon Women's College and Randolph Macon Academy, and is presently a trustee of the Alaska Methodist University in Anchorage.

Eastern's commencement exercises are scheduled for May 31.

## Milestones To Be Issued At May 12 Dance

**By JIM STIVERS**

"They're here! The Milestones have arrived!" These are the cries you will hear at the Milestone Distribution Dance Saturday, May 12. Months of effort will be presented to Eastern students with musical accompaniment by "The Shades" as memories of the past year dance through the 1962 Milestone.

Following the annual Milestone banquet Saturday, May 12, the 1962-63 yearbook staff and The Student Council have planned an evening of dancing and autographing. "The Shades" will furnish the music for dancing as the 1962 Milestones are distributed. Of course, the autographing will follow—but this year the familiar question will not be "will you sign my year book?" There will be a slight variation as students rush between dances to enjoy Milestone memories with their friends.

Only the students at the dance will receive their yearbooks Saturday. The remainder of the Milestones will be distributed in the Administration Building later the next week.

Tickets for the dance may be purchased from any Milestone staff member for \$1.50 per couple. This price includes a plastic jacket for each student's use in covering his yearbook. These covers will be on sale later for 25 cents, but are free to students who attend the dance. Stag tickets will be on sale at the door.

Women students have late permission in order to enjoy the dance from nine until one. The relaxing mood will be kept as students are allowed to attend in casual dress.

If, by some misfortune or fate, you did not purchase a Milestone during registration, don't feel left out of the festivities. Come along to the dance with your favorite date and purchase one of the extra copies. Some 3,000 yearbooks will be available for distribution. There will be one for you.

## New Members Named To Eastern Board of Regents

**FRANKFORT (AP) —** Gov. Bert Coombs appointed two men yesterday to the Eastern board of regents to fill expired terms.

He named Sydney W. Clay, vice president of Liberty National Bank and Trust Co. of Louisville, to fill the vacancy left by Robert Hensley of Louisville.

Wilson Palmer, a state senator and farmer from Cynthiana, will succeed H. D. Fitzpatrick of Prestonsburg.

### PROM TONIGHT!

Tonight from 9 p.m. to 1 a.m., the annual Junior-Senior Prom will be held in the Student Union Building. The theme for this year's event will be "Hawaiian Cruise," and the Barney Rapp Band from Cincinnati will play. The King and Queen will be announced at the dance. Tickets will be sold at the door.

## No Cards?

# New SUB Grill Opens; Students Stage Protest

**By BERRY WIREMAN**  
Progress Staff Writer

Eleven o'clock Tuesday marked the opening of the new student grill in the basement of the Keen Johnson Student Union Building.

Tuesday also marked the beginning of a student protest which reappeared again Wednesday at noon.

Most of the students participating were doing so because they were under the impression that they would not be allowed to play cards, dance or do other activities they were accustomed to doing in the old grill.

The protest was a result of a lack of communication upon the opening of the grill. Opened ahead of schedule, the grill was simultaneously accompanied by the opening of a card room; this was not made clear to the students. No real notice of the grill's opening was given to the students or to the Eastern Progress, student newspaper.

To help clarify the existing situation, the Progress interviewed Dean Henry Martin. The questions asked him were those which the students were raising.

The first question asked was, "Why can't the students play cards in the new grill?" Dean Martin answered, "There is an equal amount of pressure from students who want the grill for drinking cokes and talking and so forth, and this group insisted that card playing in the grill would result in many students having to stand up to drink cokes and eat, because the tables would be held up for longer periods of time with card playing."

Another question that has been bothering students is, "Can students watch others play cards and are they allowed to bring in cokes and smoke?"

Dean Martin said, "Students can stay in the card room playing or watching as long as the room is kept clean and spectators don't disturb the card players. The grill is the place for coking and drinking."

When asked, "Is the card room

going to be permanent?" Martin answered, "It is to be used the rest of this year. Next year, Case, Burnam, Martin, and Combs Hall will be open for additional recreational space." Martin went on to add that "students could dance in the grill if they wanted."

The question was then asked, "Could students wear shorts in the grill?" Martin said, "Oh shorts, please read page 18 of the Student Handbook in regard to shorts."

The Progress found that the handbook states, "Girls may wear shorts in the areas immediately adjacent to the girls' dormitories and Student Union Grille in the afternoons until 5 p.m. Shorts are not to be worn at any other time or at other places on campus."

The last question asked was, "Is it true if some students demonstrated yesterday that they would be expelled?"

"This is a student statement," Martin said, and added, "That word (expelled) has not been used by anyone in this building."

In conclusion to the interview, Dean Martin said, "In the new grill our students have a place to drink cokes, talk or a place to dance; they have the finest college grill in the state, with air conditioning and where a great variety of food stuff can be served cafeteria style."

The public is invited to all concerts.

## Cosmonaut Gets Lost In Baltimore

**BALTIMORE, Md.**— Soviet cosmonaut Gherman S. Titov got lost in the outskirts of Baltimore today when his motorcade driver took a wrong turn on a trip aimed to give the space explorer a look at American industrial power.

The spaceman and his wife were almost 45 minutes late, as a result, in arriving for a tour of the Sparrows Point plant of Bethlehem Steel Co.

**PRIVACY AND POLITICS**—Dr. Frederick Ogden, head of the political science department is pictured above with Ann Fagan, Richmond, and Joanne Hall, also of Richmond, after speaking on the subject, "Privacy of Politics," Wednesday in assembly. Many people think that "politics are too corrupt; too precarious for earning a living; and no future in it," he said. "Politics is the art and science of government," he commented. He also said that all the problems of today have to be decided through art and the science of government. The problems of today have to do with technology, agriculture, education, the United Nations, relations with other nations, and the control of outer space. "The way to settle these problems is through the political process," he concluded.

## CJ's Griffin To Speak At Progress Fete

**MR. GERALD GRIFFIN**

Gerald Griffin, veteran Courier-Journal writer and presently chief of its Bluegrass Bureau, which he organized in 1924, will address the editors and staff of the Eastern Progress, at its banquet next Wednesday evening.

Approximately 25 editors and staff writers will be honored at the fete, to be held at 6:30 in the Blue Room of the Student Union Building. The Progress this year received a first place rating in the Columbia University-sponsored national newspaper contest, the only college paper in Kentucky to be so honored.

A native of Somerset, Griffin is a 1922 graduate of the University of Kentucky, where he received an A.B. degree in journalism. At UK he was editor of the "Kentucky Kernel," student newspaper there, ranking cadet officer of the ROTC corps and a member of Sigma Alpha Epsilon Fraternity.

He served as an infantry officer in the Army from 1941 to 1950. In 1950 he retired from the Army with the rank of colonel. He is a graduate of three military schools, the Infantry School, Command and General Staff School and the School of Military Government.

From 1942 until 1945 he was commandant and professor of military science and tactics at the University of West Virginia.

## It's Springtime

**THIS IS OUR CAMPUS:** This is a very familiar sight to those who are now attending Eastern and to those who have already passed through its portals. With the end of this semester only four weeks away, the ravine is still a popular stop during the free period and at lunch. The trees are in bloom and all is well with man and nature . . . another spring is passing into the hot summer months.

**Cadet Of Week**

**WILLIAM RICHARD**

This week the ROTC Council has selected a Junior as Cadet of the Week. He is William Richard, a commerce major, from Lawrenceburg, Wayne, as he likes to be called, graduated in 1958 from Sinal Westcott High School in Anderson County.  
Since enrolling here at Eastern, he has made very good grades, both in military science and his major.  
Last Friday Wayne received a promotion in the ROTC Brigade from First Sergeant to a Platoon Leader of a Company. This summer he will go to summer camp at Fort Bragg. He has always accepted responsibilities and accomplished his duties.  
After graduation from Eastern next year, Wayne plans to enter the Army, and may stay in, if he likes the service.  
Some of his interests include baseball, basketball, and other types of sports.

**Attention Seniors—**  
Seniors will need copies of their original orders to leave one copy at the office where they report for initial processing, travel pay, official 20 file, and others. It is advisable to have several copies of the orders when reporting.

**Juniors on Bivouac—**  
This afternoon, the junior cadets will leave for a bivouac site located at the Blue Grass Ordnance. Juniors who attend summer camps at Fort Bragg this summer will spend one of their six weeks on a bivouac of this nature. As plans stand to date, these juniors will remain on Ordnance grounds from tonight until Sunday morning. Several seniors will go along with the cadre to act as camp instructors. Actual combat tactical and strategic activities will be covered.  
This is another of the pre-summer camp activities which seniors have planned for junior cadets all year.

**Pershing Rifles Drill Meet—**  
Next Thursday Com. Ralph Newman will take 21 men to Columbus to compete in the Regimental Drill Meet. This event will be Thursday, Friday, and Saturday.

**Gold Bars—**  
This month at the Commissioning Exercise, when the 18 seniors receive their gold bars, they will be wearing new regular Army summer uniforms. Most of these seniors got their tans in the mail

last week. These uniforms were bought earlier this semester from the Fishkin Uniforms Company of Bradford, Pennsylvania.

**Branch Training—**  
During recent years the trend has grown away from Branch Material training in which a ROTC man began "branch training" (artillery, armor, infantry, upon entry into college. Instead, the majority of ROTC colleges and universities now favor a General Military Science program which gives the cadet a wider range of military training during his pre-commissioning schooling. At this time, the GMS program is in effect at 508 institutions. Branch Material training is still carried on at 46 schools.  
Eventually, every commissioned officer is assigned to a branch-base upon his qualifications and the current needs of the Army. Then active duty training begins by assignment to a branch service school.

The length of training in each Branch School is as follows:

Branch	Weeks
Infantry	8
Artillery	17
Engineer	12
Signal	10
Ordnance	9
Quartermaster	14
Finance	14
Chemical	12
Transportation	10
Adjutant General	10

Intelligence	18

**Visitor—**  
Second Lieutenant Ronald McFarland, class of 1961, and a former Cadet Lieutenant, paid a visit to the campus last week for the Military Ball. A recent graduate of the Infantry officers' orientation course at the Airborne School, Lt. McFarland is on a month leave prior to his assignment in Germany.

**PR'S Compete In Regimental Drill Meet Next Week**

Next Thursday, May 10, Eastern's Pershing Rifles, will travel to Columbus, Ohio, for the annual First Regimental Drill Meet. Pershing Rifle companies from seventeen colleges and universities in the Kentucky, Ohio, and West Virginia area will participate in this drill meet.  
Exhibition drill, straight platoon drill, squad drill, and individual drill are the four classes of competition in this meet. At the end of this three day meet, which will be held at Lockbourne Air Force Base, the "Best Company" award will be presented.  
Company R-1 is sending a twenty-one man straight platoon unit under the command of John Hanlon. This platoon is made up of six sophomores and fifteen freshmen. Bob Leigh will be commanding the nine man squad in squad competition. Five individuals will be chosen to compete for the best individual drill in the regiment.

The highest awards a PR Company can receive is to win the Regimental Drill Meet or win the "Best Company" award. In the seven-year history of the Pershing Rifles on Eastern's campus, Company R-1 has won the "Best Company" award, has won straight platoon competition, and has placed in individual competition.

Last Thursday was the date of the Annual General Inspection of the ROTC Department of Eastern. An inspection of their nature is carried on at all institutions having ROTC Units, once each year. The department was inspected by a team comprised of the following named officers and non-commissioned officers:  
Lt. Col. Vincent L. Fasto—Xavier University  
Maj. Richard A. Rein—John Carroll University  
Capt. Albert L. Froede—Ohio State University  
SFC William E. Stull—Hg xx US Army Corps  
SSG Clement L. Buxton—John Carroll University  
This team arrived last Wednesday and attended the annual Military Ball. Then Thursday they took a first hand look at ROTC activities here on Eastern's campus. All those cadets enrolled in the Military Science program wore their uniforms.

Girl watchers are honorable men

**LESSON 6—Who may watch**

Any male is eligible to become a girl watcher. There is no age limit, although most girl watchers are over ten and under one hundred and four. There are no height or weight requirements, although taller men enjoy an obvious advantage at crowded parties. The only strict requirement is one of character. The girl watcher is a man of

honor. Since he can't possibly take notes, as the bird watcher does, we must rely on his word. Therefore, when an experienced girl watcher tells you he saw nine beautiful girls while on his way to class, he saw nine beautiful girls. And when he tells you his Pall Mall is the cigarette of the century, believe him. It is.

## It's In The Eyes! Gloria Elliott Wins 'Miss Richmond' On Second Try

By RONNIE WOLFE  
Managing Editor

"The eyes have it"—at least they had part of it, as Gloria Elliott, the "girl with the beautiful eyes," was elected Miss Richmond for 1962 last Friday night. Gloria, a 19 year old honey blonde, was crowned by Pam Insko, last year's queen.

A sophomore, Gloria is majoring in commerce with minors in music and English. She hails from Springfield, Kentucky, where she graduated from Springfield High School in 1960.

Such honors as this are not new to Gloria. In high school, she was Homecoming Queen among other things. Her sparkling voice which won her the talent competition this year has been responsible for two TV appearances on WHAS television. Also, Gloria was given superior voice ratings in various music festivals while in high school.

As for the pageant, Gloria said, "I enjoyed the wonderful experience of it and I especially enjoyed meeting all the other girls." She was third runner up last year before winning this year's competition.

anyone else, has hers. "It's funny," she said, "But I just hate to see closet doors open. I also hate to see people walking around with superior complexes." Besides these, Gloria said she didn't care too much for tests, but felt them necessary.

"There's one thing I've always wanted to do, she continued, "I've always wanted to sing a duet with Pat Boone." With her charm, poise, beauty, and talent, Gloria may find her dream coming true; at least it's possible. If we could vote on it there would be no problem because the "eyes would definitely have it."

Among the new queen's hobbies are swimming, parties, and of course singing. Since boys rate high on any girl's list, Gloria also has this as one of her interests. "I'm not going steady," she said, "just steadily."

With a sparkle in her blue-grey eyes, Gloria said that her career depends a great deal on the opportunities which present themselves. "I would like a career as a model or a singer," she said. "But whatever opportunity presents itself, that's what I'll do." She also expressed an interest in teaching.
