## 'Role Of Newspaper In Democracy' Theme For K.I.P.A. Conference

"The Role of the Newspaper in Democracy" is the theme of the two-day conference of the Kentucky Intercollegiate Press Association which is holding its annual spring meeting here today and tomorrow.

Some of Kentucky's outstanding journalists are scheduled to take part in the conference which is being held in the Bert Combs Classroom Building.

The meeting opens today with registration from 12:30 to 1:30 p.m. in the Combs Building. The afternoon session will be devoted to discussions on the conference theme.

**Gill Opens Meeting**  
George Gill, city editor of the Louisville Courier-Journal, will open the meeting with a discussion entitled "The Press in Democracy," Dr. Lew Donohue, of the UK journalism faculty, will follow with a presentation on

"Role of the College Press," which will serve to introduce a panel discussion on the subject.

Panelists will include student editors from five college and university newspapers: Mike Clark, Berea; Chip Lockwood, Georgetown; Walter Grant, UK; Barbara Sharp, Western; and Gerald Maerz, Eastern. Dick Wilson, advisor of the UK Kernel, will be the moderator.

Joe Creason, columnist for the Courier-Journal, will be the speaker at the banquet today.

Others who will take part are Larry Stone, editor of the Central City Messenger, and president of the Kentucky Press Association and Eastern President Martin. Present will be other KPA officials, including retiring secretary-manager Victor Fortmann, Archie Frye of Georgetown, and S.C. Van Curen, editor of the Frankfort State Journal.

Tomorrow's sessions include addresses by Miss Cattie Lov Miller, state commissioner of public information; Bill Hannah, city editor of the Lexington Leader; George Joplin, publisher, and John Fitzwater, advertising manager, both of the Somerset Commonwealth Journal; Dr. W. M. Moore, UK School of Journalism; Jim Hampton, Courier-Journal, and Van Curen.

Fred Luigart, of the Courier-Journal, will give the concluding address at tomorrow's luncheon.

Election of new officers will be held just prior to the luncheon and the executive committee meeting is docketed for 2 p.m. to conclude the spring meeting.

Program coordinator of the meeting is Don Felner, coordinator of public affairs of host Eastern. Chairman for the meeting is Maerz.

CATTIE L. MILLER

GEORGE GILL

JOE CREASON

## Action Show Tuesday

After trooping all over America, the ACO-TV cast of "Where the Action Is" will be on Eastern's campus Tuesday.

Starting at 8 p.m. the show produced by Dick Clark Productions, will feature such notable entertainers as Paul Revere and the Raiders, the Knickerbockers, Gary Lewis and the Playboys, Billy Jo Royal, Steve Alaimo, Keith Allison, Linda Scott, and the dancers on the show, the Action Kids.

This will be the first visit to the Eastern campus for nationally televised show. Clark, who will not appear with the show, entertained here last spring with the Dick Clark Caravan of Stars.

Billy Jo Royal, born 21 years ago in Valdosta, Georgia, has evolved out of current wave of rebellious, protesting rock and roll singers. But he has become a soft spoken new star.

Paul Revere and the Raiders, nationally known, was organized by Paul Revere and Mark Lindsay. They too come from the current craze.

Gary Lewis and The Playboys made their first audition in August of 1964 at Disneyland. Since then the road has been upward for them.

**Tickets on Sale**  
Tickets are on sale at the College Bookstore, the Business Office, Jerry's Restaurant and Colonel Restaurant, and at Main Record Shop, on Main Street in Lexington.

Tickets are \$2.50 in advance and \$3.00 at the door. All seats will be on a first come first serve basis. Tickets may be ordered by mail, by sending a check or money order to "Where the Action Is," Eastern, Richmond, 40475.

## Student Publications Editors Appointed

1966-67 Student Editors

Editors were named for the student publications at Eastern Thursday by the Board of Student Publications. Editors of the 1966-67 Eastern Progress, student newspaper, and the 1967 Milestone, annual, are, from left, seated: Ann Lewis Scott, Lebanon, Milestone editor, and Bill Raker, Carrollton, Progress

editor-in-chief. Standing: Marsha Ann Scott, Hodgenville, Milestone associate editor; Richard Eads, Milestone managing editor; Brenda Philpot, Manchester, Progress managing editor, and Pamela Smith, Hawaii, Progress associate editor.

Miss Ann Lewis Scott and William Raker, both juniors, were named as the 1966-67 editors of the award-winning student publications of Eastern at a Thursday meeting of the College Board of Student Publications.

Miss Scott, Lebanon, will head the Milestone, student yearbook, while Raker, Carrollton, will edit the Eastern Progress, campus weekly newspaper.

The board also approved the nominations for the associate and managing editors for each of the student publications.

Named associate editor of the Milestone was Marsha Ann Scott, a Hodgenville sophomore, while Richard Eads, a sophomore from Paris, was appointed managing editor.

### Progress Editors Announced

Miss Smith, a junior from Lexington, was approved as associate editor of the Progress and Miss Brenda Philpot, a sophomore from Manchester, was named managing editor.

The Board of Publications acted upon the recommendations of the present publications' editors and Donald R. Felner, director of student publications.

Miss Scott, the 1967 Milestone chief, who is majoring in elementary education and library science, has served as a Milestone staff member and was editor of the academics section this year. She is the daughter of Mr. and Mrs. W. L. Scott.

### Milestone Assistants Chosen

Marsha Scott, a political science and history major, is co-editor of the organization section of the 1966 annual. She is the daughter of Mr. and Mrs. James E. Scott. Eads, a pharmacy major, has also worked two years on the annual, serving this year as co-editor of the student life section. He is the son of Mr. and Mrs. James Eads.

Raker, the first recipient of an Eastern Alumni Association scholarship three years ago, is a mathematics major with a minor in English. The son of Mr. and Mrs. Harold W. Raker, he is feature editor of the 1965-66 Progress.

Miss Smith, an English-psychology major, has worked on the Progress three years, and is the present campus editor. She is the daughter of Col. and Mrs. Gerald A. Smith.

An English-speech major, Miss Philpot is serving as news editor during her second year on the paper staff. She is the daughter of Mr. and Mrs. Bradley Philpot.

**Publications Accrue 25 Awards**  
The Progress and Milestone have won a total of 25 awards from national rating services since 1961. The 1965 Milestone according to research conducted by its printer, Foote and Davies, (Continued On Page Six)

## Food Service Committee Re-Activated

President Martin, in accordance with the suggestions and wishes of a large number of students, has re-activated the Food Services Committee.

Re-appointed from last year's committee were Mr. Ralph Whalen, chairman; Dr. Henry Martin; Dean Evelyn Bradley, and Lin Powell. The new members, appointed this week, are Bill Mc Connell, vice-chairman; Dean Neal Donaldson; Dean Paul Seyffrit; Gerald Maerz; Bill Raker; Patricia Taulbee; Bob Hughes; and Jerry Stewart. Mr. Larry Martin, Director of the Division of Food Services, will serve as a consultant to the committee.

The chief concern of the Food Services Committee will be to investigate intensively the area of competitive food prices and the area of comparative food quality as related to services provided by Eastern's cafeterias and grills and those provided by similar establishments in the Richmond community.

The committee, composed of both students and faculty, was created by President Martin in an effort to effect a partnership between the faculty and students in an area of mutual concern.

The purpose of the Food Committee is four-fold. First, it was not created to study any specific problem, but rather to review the entire Food Services Program for both its weaknesses and its strengths. Second, the committee is vitally concerned with obtaining both faculty and student opinions on the Food Services Program. Third, the committee is to study the findings and make recommendations to the President on the basis of its findings. The fourth purpose is to provide the students with a true conception of the manifold problems involved in operating a Food Services Program.

From time to time during the semester, the committee will publish reports of the progress it has made. The committee's final report will be drafted and submitted shortly after the beginning of the fall semester in September.

## Selective Service Test Aids Now Available

On April 7 Bantam Books published a verbal and mathematical re-vised for national mass market paperback distribution, How to Score High on Your Selective Service Draft Deferment Test, a \$1 paperback with 500 sample questions and answers and test-taking techniques for students preparing for the college qualification tests soon to be offered by the Selective Service System.

The 192-page book was prepared by Jeremy Martin and a staff of Aptitude Test Experts on the basis of information provided by the Selective Service System to help the student perform at the maximum level of his natural ability and training.

The authors had prepared a similar handbook in 1961, around the time of the Korean War when the Selective Service last offered this series of tests to students.

Bantam approached the authors to revise and update the handbook immediately after the Selective Service announced on March 17 that it would again offer the college qualification tests to high school and college students applying for a 2-S deferment.

Within three weeks the new book was off the press, and will be available to students at their local paperback outlets approximately one month before the first scheduled exam.

The Selective Service has scheduled the 1966 exams for Saturday May 14, Saturday, May 21, and Friday, June 3, 1966 at 1200 test centers throughout the U. S., the canal zone, and Puerto Rico. There may also be later exams scheduled in the fall.

The tests are optional and can be taken only once. The scores may be used as a criteria by local draft boards judging a student's merit for deferment. According to the Selective Service, the tests provide a single standard against which all students in all colleges may be measured.

Science Research Associates, who developed and will administer the test, report that the 3½ hour exam will cover 150 questions in four categories—reading comprehension, vocabulary, usage, arithmetic reasoning and data interpretation by analyzing figures on a chart.

The test presupposes no schooling beyond the ordinary high school preparation for college. Scores on the test will not themselves determine eligibility for deferment. Scores on the test will be used by the Selective Service local boards in considering the eligibility of registrants for occupational deferment as students.

The Bantam book, called "a short personal tutoring course" by the authors, prepares students on all these phases of the test by giving 500 sample questions and answers, an intensive

## Opera Production First For Eastern

Tuesday night marked the first time a full-scale opera production was on Eastern's campus. Faust was produced by the Kentucky Opera Association of Louisville at 8 p.m. in Brock Auditorium.

The full cast of 50 was led by Jay Wilkey, tenor, as Faust, Bonnie Bounnel, soprano, as Marguerite, and Roy Samuelson, bass, as Mephistopheles. The Opera Association Orchestra and Ballet assisted in the presentation of the show.

The opera was sung in English. It was based on the 16th century legend which portrays an old scientist's desire for youth and vitality. By joining with the devil in a pact which exchanges youth for his soul, Faust is transformed into a handsome young man. A meeting with Marguerite leads to a love affair, and Faust attempts to break the pact with Mephistopheles. The theme is the struggle with inevitable fate and human desire.

To avoid the possibility that any unauthorized persons might take the test, each applicant will be fingerprinted when he reports for the test.

## Autograph Party Termed Successful By Jesse Stuart

By BRENDA PHILPOT

Progress News Editor  
The Jesse Stuart Autograph Party was termed the "usual Eastern success" by the author himself as he prepared to leave campus when his party ended at 5:30 Wednesday afternoon.

Lasting for three and a half hours, the party gave many students and faculty members chances to chat briefly with the well-known Poet Laureate of Kentucky and author in residence at Eastern. "I sure signed a lot of books," Mr. Stuart stated firmly.

As students lined up for autographs, they were given punch and cookies and were individually introduced to Mr. Stuart. He talked to them throughout the afternoon, asking about their home counties and tracing the origin of their names.

**More Than a Glance**  
One faculty member casually commented, "I think this is so much better than the way it's done in department stores or bookstores. There the author gives you a glance, and that's it."

One graduate student announced that he is doing a research paper on Mr. Stuart's positions as an educator. Mr. Stuart willingly offered to help when he had time enough.

Many students told him that they had graduated from classes to which he had given the high school commencement addresses.

Earlier the same day, Mr. Stuart spoke to the freshmen assembly audience. He was introduced by Dr. Richardson,

## Capacity Crowd Attends Second Gripe Session

A capacity crowd filled the Grise Room Wednesday for the second gripe session. President Martin presided over the gathering. Dean Evelyn Bradley, Dean Paul Seifert, Dean Henry Martin and Dean Charles Ambrose assisted the President with their comments.

The following are some of the highlights of the session.

Charles White, a freshman industrial arts major from Mt. Sterling, asked about Eastern's part in the GI Bill for post-Korean war veterans. Dean Ambrose stated, "Eastern has orders for 1,000 forms and will distribute them as soon as the federal government makes them available."

Costs of shrubbery and flowers on campus were the concern of P. Thomas freshman, Robbie Kiefer, President Martin said, "that no excessive amount was being spent on beautification." The president further stated that no money was being withheld from dormitory repairs and being used on flowers.

Conditions in the dorm, especially with reference to Beckham, McCreary, and Miller was also brought up by Mr. Kiefer. Faculty plumbing and repairs of this nature would be looked into by President Martin said.

Charles Greenwell, senior political science major from Pikeville, asked about the crowded conditions of the dormitories. "In order to handle the students we have accepted, the three in a room policy was developed. As much as we would like to, we can't make no return of funds to individual students because of a Federal Housing Law," commented the president.

Dean Siefert answered a question on housing policy. He stated that in order to get the dorm and roommates a student wants, he or she must apply early and have the two students who wish to live together specify that and pay their deposit as soon as possible.

Sidewalk repairs are to be made and Art Lewis, a freshman asked that the walk between McGregor and the grill get priority in this respect.

Motorcycle regulations on campus were brought up by Landis Reece. President Martin said, "that motorcycles present special hazards and problems and because of this they are banned from campus."

Several students inquired about making the Student Union more available to the students. Walnut Hall is to be continued to be closed to students except on special occasions. Due to crowded eating condition card playing is not allowed in the grill. Dean Bradley is looking into the crowded situation in the card room.

Jerry Stewart, vice president of Student Council, wanted to know if the swimming pool could be opened sooner this year. President Martin is bringing this possibility to Coach Combs for consideration.

## Annual Military Ball Tomorrow Night

Queen Athena will be crowned tomorrow night at the annual Military Ball, to be staged in the cafeteria of the SUB, starting at 8:30 p.m.

Vying for the honors this year are Miss Suzie Donoghue, Miss Diana Hendricks, Miss Ina Jean Riddour, Miss Mary Jo Rudd, and Miss Diana Swannack.

**Carol Fritz Will Crown Queen**  
The Queen Athena of 1966 will be crowned by Miss Carol Ann Fritz, last year's queen.

Miss Diana Hendricks, Miss Cheerleader U. S. A. in 1965, is a physical education major from Louisville. She represents G Company.

Miss Suzie Donoghue, a physical education major from Ft. Lauderdale, Fla., represents N Company in the contest.

Representing M Company is Miss Diana Swannack, an elementary education major from Lexington.

Miss Ina Jean Riddour, an elementary education major from Tyner, will sponsor the Pershing Rifles.

Miss Mary Jo Rudd, Burkhardt, will represent F Company. Her major is speech.

The Met Gillispie Orchestra from Huntington, West Virginia, will provide the music, against the theme of "Green Berets."

All cadets graded corporal or above have received invitations. Dress for the occasion is green uniform with white shirt and black bowtie for advanced course cadets, and class A uniform for basic course cadets.

**Junior Military Ball May 13**  
May 13, the Junior Military Ball will be held from 6:30 until 9:30 p.m. in the SUB cafeteria. The Larry Watson Combo will provide the music for the event.

The change of command ceremonies for the handling over of title to Queen Athena 1966 by Miss Fritz will be the highlight of the Junior Military Ball.

## Ann Howard, Jim Clark Reign Queen, King At Annual Prom

Miss Elizabeth Ann Howard and James Ryon Clark were crowned queen and king of the 1966 Junior-senior prom last Friday.

Ann, a senior from Frankfort, wore a soft, pastel printed long formal that complemented her brown hair and brown eyes. "I couldn't believe it," Ann said, "All the girls really deserved it. I'm more than pleasantly surprised and honored."

The new prom queen has had a busy, rewarding year. She is the current Sweetheart of Sigma Chi Delta, Miss Popularity, a member of Kappa Kappa Sigma, a synchronized swimming group, Kappa Delta Tau, and a Student Council representative. Last year she was crowned first runner-up in the Miss Richmond pageant and was selected as Miss Congeniality. This fall she was a Homecoming finalist and a candidate for Miss Eastern.

**Likes Student Teaching**  
After graduation this June Ann plans to teach. Currently student teaching Ann says, "Student teaching is challenging, you have to keep just one step ahead of them."

"Boy, it's great!" said Jim Clark, when asked how he feels being this year's prom king. This active senior is president of Sigma Chi Delta, president of the senior class, and a candidate for Mr. Popularity.

Jim is a business administration major. His immediate plans after graduation is joining the Air Force, perhaps the jet service. After leaving the service he hopes to work for the state of Kentucky or for I.B.M.

**College Worth It**  
When asked how he felt about college Jim replied, "It's hard but it's worth it. Anybody who

doesn't go to college misses something."

The other candidates for prom queen and king were: Sylvia Ramsey, Peggy Carter, Emma Lou Pellegion, and Sandy Tudor; Larry Rees, Skip Staggs, and Jim Smith.

The coronation of the queen and king was on a simulated tropic island in front of a lagoon. The queen and king received double Maunaloa orchid leis, in accordance with the theme of Hawaii, and silver mint julep cups. The queen was crowned and robed. The attendants re-

ceived single Vanda orchid leis and gifts of keychains for the men and engraved necklaces for the girls. The coronation dances of the queen and king was "Hawaiian Wedding Song" and "Blue Hawaii."

Joe Arterberry, president of the junior class, announced the queen and king, and the orchestra was conducted by Peter Palmer, of Peter Palmer Voices and Orchestra.

The prom was held in the cafeteria of the SUB from 9 to 1 last Friday night.

**Prom Royalty**  
Ann Howard and Jim Clark, royalty selected by popular vote for the Junior-Senior Prom, are partners for the King and Queens dance Friday night after their coronation.

## Activity Weekend

Don't forget the spectacular events being planned for the junior class Activities Weekend May 13 and 14.

All clubs interested in taking part in the Weekend get in contact with Charles Tapp, Summit Ave., John Emrich, Todd Hall, or Phil Bills, Dupree Hall.

## Radio Program-A Joke

# Embarrassed Disgust In Council

THE EASTERN STUDENT COUNCIL'S radio program presented Tuesday night at 10:15 over the local radio station produced mixed emotions among Eastern students and Richmond citizens.

The most common remarks, however, concerned feelings of embarrassed disgust.

The program was one-half hour long,

### Class Discussion

## Arena For Egotists

(ACP)—All too often classroom discussions are a show, a clash of egos, a performance for the benefit of the professor who makes those decisive marks on a student's academic record, the *Daily Texan* of the University of the University of Texas says in an editorial.

Classroom interchanges can be more valuable than lectures. When ideas are bounced among the participants, thoughts are put in a broader perspective. Lectures usually travel along a straight line, but discussions can take side roads into areas of particular interest or concern.

All too often, however, a class discussion serves not as a group effort at enlightenment, but as an arena for feats of intellectual vainglory.

Asking questions or tossing a comment into a fast-moving discussion requires an understanding of the subject matter or skill at shooting the academic bull. A student who asks a naive or uninformed question is often considered a fool. He reveals his ignorance and jeopardizes his grade. Yet it is not more honest to ask out of ignorance than out of vanity?

To show off is only human. One can derive great satisfaction from a lively interchange of ideas, especially when he comes out on top. But a classroom discussion should also be a quest for knowledge, and such a quest may reveal a student's weakest points. Under the A to F grading system, a student who wants good grades must not reveal his weaknesses but rather emphasize his strengths. Thus the library is often a safer place than the classroom to fill the gaps in one's education.

The necessity to perform rather than learn in the classroom is one of the greatest drawbacks in this refuge for intellectual egotists.

## LETTERS TO THE EDITOR

In the groups that I associate with and in my classes, we have had many discussions on why we are in Vietnam. I would like to answer this question. Vietnam is not a brush war but a piece in the communist plan for world domination. In Vietnam and other flareups we are not fighting for an oppressed people, but for the survival of our way of life.

Jim K. Miracle

### NEED MORE MAILBOXES

A current problem on our campus concerns the limited number of mail boxes. If more boxes could be placed on the campus at convenient locations, it would greatly facilitate mailing letters and avoid walking way out of the way when going to classes to do so.

Living in Palmer Hall, we have to walk to the side of Martin Hall to mail letters. Since the Dupree-Todd-Palmer dorms occupy a combined 940 students, perhaps a box placed between the Towers could be installed.

Gary Falk  
John Gordon  
Lennie Smith

### EXPRESSES APPRECIATION

Yesterday I was searching for words to express my feelings concerning the April 29 automobile visit when a letter came to me from Mrs. Virginia Rowe, assistant administrator of the Red Cross Louisville Regional Blood Center. She said the very words that I needed and I think it also conveys the feeling of our entire R.N. Club as well as other local volunteer workers.

The letter reads in part, "Congratulations to Eastern and all the wonderful volunteer workers assembled for this operation which turned out so well!"

You did an excellent job of planning which was reflected in the results. Maybe you were a wee bit disappointed that it was a little short of the 300 pints, but we think 317 is a mighty good day's work.

Mrs. Nancy C. Black, R.N.

### ENJOYS ALUMNI COLUMN

I surely enjoy your alumni column in the "Progress." As an alumnus (1942) and former "Progress" feature writer, I can appreciate both the time and effort that it takes up your task. Please know that it brings pleasure to many of us in faraway places.

Susan B. Mann  
Springfield, Va.

twenty minutes of which was consumed by a tape recording of an interview with Al Capp who presented the first in a series of special lectures on campus last week.

The remaining ten minutes displayed a complete lack of planning or coordination on the part of the narrators. The time period before the tape was played was consumed in joking between the two representatives of the Student Council as to the magnitude of one another's vocabulary.

"Anyhow," a word which does not exist, was used twice in a meager attempt to be funny or cute for the legitimate word "anyhow."

The only piece of truly informative material presented to the radio audience was the announcement that there would be another radio program sometime this week. But the narrators did not know when the program would be because they did not know when the next Cincinnati Reds' game would be.

Is this representative of what the Eastern Student Council is doing for the student body? We hope not.

### It's Padoxical...

## Rebellion Hides True Student Causes

(ACP)—The most important student cause of all is lost in the din of raucous rebellion, graduate student Jay Farrington writes in the *Daily Texan*, University of Texas.

This cause is paradoxical. It is propagated by a vast majority of students, but no marches or signs are seen. This cause has no name, but its voice is heard. It doesn't shout, but it whispers decide the fate of a nation. In short, we are the moderate many.

We are not the new left or the reactionary right, but we are blasted by both. We are in the precarious position of having weakened or traditional ties, but without having served them completely. We question war and legislation and religion, but rather than seeing them as absolute evils, we propose an evaluation of each as a functional organization with defects. We abhor some dictatorial practices of University administration, but do not propose to overthrow it and take charge ourselves. We see the University as neither hallowed halls of ivy nor as a free love club for the promotion of anarchy.

We realize that the Board of Regents

The idea of a radio program to better communicate with the student body and with the townspeople is a good idea. Communication between the student body and its elected representatives is necessary. But is this the communication we are to interpret as allowing the student body to know what the Student Council is doing? Telling jokes and displaying illiteracy are hardly the duties of the Student Council.

As it worked out, the Reds do not have a game Monday; therefore the Student Council program will again be presented Monday at 10:15. Special guests from this week's program will be Bill Raker and Dr. Quentin Keen, who will discuss the goals, purposes and progress of the proposed Student Code. The program will also again utilize a tape recording presenting comments from the student body pertaining to the Code.

Let's hope that this program will be informative, and will take away the attitude of the irresponsibility of the Student Council. The Council and its efforts are not jokes, but if the representatives present it as such, it will soon become one.

WELCOME K. I. P. A.

### Music

## A Universal Language

MUSIC IS THE UNIVERSAL LANGUAGE is a phrase that all of us have heard quite often, and yet the truth of that phrase becomes apparent to each time we turn on the radio or the phonograph.

May 1 through 8 has been announced as National Music Week by the National Federation of Music Clubs. The theme for this year's celebration is "Let's Make Music a Living Force!"

There is endless satisfaction provided for the individual in getting involved in music. If one enjoys listening, he experiences unequalled entertainment and relaxation. If he carries his entertainment one step further to join the ever increasing number of amateur musicians, he experiences tremendous personal satisfaction in having met a challenge.

For music is a challenge. Excellence in music calls for not only personal talent and ability, but for mental discipline. There

are very few musicians indeed who were able to accomplish their status without hours of practice and concentration.

But it is not necessary for all us to discipline ourselves as if we were aspiring professionals.

We can support National Music Week simply by supporting a local musical organization. In this way we can actively contribute to one of the most important parts of our cultural heritage. Supporters of National Music Week are "helping remind Americans everywhere that music is even more important in a Space Age society that tends to measure by computers, rather than by the heartbeat."

Music and music making have become an integral part of our daily lives. National Music Week is a reminder of this fact and the theme of the celebration provides us with the inspiration to continue in our support of music programs.

### The Art Of Procrastination

## How To Waste Study Time

(ACP)—What is the "art" of procrastination?

The *Mount Mirror* of Mount St. Scholastica College, Atchison, explains it this way: The setting is a college library and you are a student. Your comps are in a week and you haven't begun to study. You have four big papers to write before you can even think about studying for the test. The time is ripe. The hour is at hand. And it's spring!

You look at the stack of references in front of you. You open a book, pick up your pen and place it on the blank paper. Then you look out the window. And you keep looking out the window for a long time. An almost evil smile comes to your face. From whence has come the inspiration? But you have made the decision. You will waste the whole afternoon?

You put the cap on your pen—the pen that will not again see the light of this day. Then you plan, not detailed planning, but enough to keep the afternoon from having no direction whatsoever.

You pick up your books and walk into the magazine section of the library. On the way, you sardonically convince that appreciative friend, who has even more to do than you do, to go with you.

Together, you leaf through magazines, keeping in mind not to read anything assigned for class. Magazines such as *Horizon*, *Holiday*, *Travel* are good. They seem to have little to do with you, now.

Then, if the weather is agreeable, go outside. Find some place you'd like to be and sit there. Or better yet, just amble or ramble or mingle or wander, whichever you and the weather are in the mood for.

Say it is a warm spring day and you and your friend decide to ramble. Now rambling, too, is an art. To truly ramble you must have no fixed goal whatsoever in mind. You just walk slowly, or skip slowly, and look at things, turning a corner occasionally.

At some time during your ramble, you will find yourself back where you started. This probably means you are through rambling for the day.

The next thing to do is sit down and rest. You are no doubt very tired. Go some quiet place nearby and get some liquid refreshment.

Then tell someone what you did. If you happen to have sadistic tendencies, tell someone who was working all afternoon but didn't get anything done. These are the people less apt to respond to the tales of your escapades with cutting remarks.

Then comes the worst part of procrastination—the hangover. But remember, it is an art. The only trouble is that all artists, except those who were born rich, have to do other work for a living. The artists of procrastination are not well-paid people.

## Collegiate Pentacle Initiates New Members

Each spring the actives of Collegiate Pentacle, senior women's honorary, select their new members for the next school year. Selection of the new members is based on the following criteria:

1. Scholarship (3.0 overall standing and a minimum of 90 semester hours).
2. Extra-curricular activities
3. Character, leadership, and future potential.

Thirty-two candidates were tapped by the old members on April 20. The wearing of the black mortar board in traditional for all tapes. The initiation ceremony was held Tuesday, April 26.

The following girls were tapped into Collegiate Pentacle:

Elaine Gary Taylor, Sally Rose, Jo Caudill, Barbara Haller, Lois Maupin, Ruth McClanahan, Phyllis Duff, Dorothy Walker, Nida Smoot, Sue Johnson, Carolyn Evans, Joyce Keene, Elaine Sasser, Marlene Wesley, Geneva Otten.

Bonnie Lemaster, Virginia Amls, Billie Jo Cornney, Judy Perkins, Sherryn Witten, Nancy Smith, Vicky Huneryager, Glenna K. Bogie, Louise Hinklebein, Judy Caswell, Cathy Colebrook, Shirley Richardson, Margaret Purdom, Mary Wiggington, Nancy Ringwalt, Karen H. Krumm, and Frankie Henderson.

The annual spring banquet will be held at Boone Tavern on Tuesday, May 10 at 8:30 p.m. Dean Clyde Orr will be the guest speaker.

## Circle K Club

Eight members of the Eastern Circle K Club attended the Kentucky - Tennessee District Circle K Convention in Paducah on April 22 and 23. They were president, Bill Clements; vice-president, Terry Spinleau; secretary, Mike Fuson; John Lowe, Don Perkins, Bill Smith, Bob Abbott and George Wyatt.

Bill Clements was acting secretary of the District, taking Phil Bills' place, and was elected Lt. Governor for Division II of the District.

Senator John Sherman Cooper of Kentucky was the keynote speaker of the convention. It was the most successful convention held in District history, with 22 colleges and universities represented by over 130 students.

## Caduceus Banquet At Boone Tavern

The annual banquet and honors program of the Caduceus Club were held at Boone Tavern, Berea. The address was given by Dean William R. Willard, vice-president of the U. K. Medical Center and Dean of the College of Medicine.

The recently elected officers for next year were announced. They are: Steve Wright, president; Bruce Snider, vice-president; Mary Thomas, secretary; Barron Meek, treasurer; and James Mills, publicists.

Several honor members were recognized. They are: Orson Arvin, Dorothy Giles, Roger Henson, Arthur Marinaro, Preston Nunnelley, Sharon Richardson, John Ruggles, and William Wagers.

## YR's Elect Officers For Coming Year

The Young Republican Club elected its new officers at Wednesday's regular meeting. The new president is Art Leishman.

Other officers elected were Bob Beeler, vice president; Barbara Hardin, recording secretary; Alice Gruner, corresponding secretary; Marilyn Wesley, treasurer; Bill Brockman, Student Council representative; and GH Deaton, public relations.

## Caduceus Club Members Will Attend Medical Schools

Ten members of the Caduceus Club who will be attending medical schools next fall were honored at the organization's annual banquet last Thursday at Boone Tavern in Berea.

## Eastern Co-Ed At 4-H Conference

Representing Kentucky at the National 4-H Conference in Washington, D.C. from April 17-23, is Miss Marsha Hiatt, third from the right, a sophomore home economics major is an Eastern from Madison County. The other representatives are from the left;

Carole Ann Cracraft, Mason County; Miss Helen Horton, UK Extension 4-H program specialist who is accompanying the Kentucky 4-H delegation; Marsha Hiatt; Barbara Jean Davis, Henderson County; and Ben Armstrong, Bullitt County.

## Activity Weekend Designated May 13,14

May 13 and 14 has been designated as an "Activity Weekend." The week-end, sponsored and organized by the junior class will include a Powder Puff Derby (girls' tricycle race), a scavenger hunt, a pie eating contest, a "Great Chariot Race," and other events for both men and co-eds. Friday night there will be an all-campus sock-hop opening the week-end. Saturday morning the races, events and contests will begin and last until early afternoon. Any club or individual person is welcome to take part in any event. Saturday evening a semi-formal dance will be held to close the week-end. All Eastern students are urged to attend.

## 86 PERCENT OF NCAA AGREE ON 1.6 STANDING

The closing of the NCAA legislative meeting brought about a much heated argument with the pros and cons of the 1.6 standing. This ruling stated that an athlete had to compile a 1.6 standing to be eligible to compete in school sponsored athletic programs.

At the end of April's first week 493 of 571 of the Association's active members had declared their approval of this requirement. This figured out to be 86.3 percent of the membership has conformed with the legislation. Nine of the remaining 78 schools have stated that they have no intention of going along with this ruling, thus eliminating themselves from competition in national championships and bowl games. This, however, does not eliminate them from regular-season football telecasts.

Although the eight Ivy League schools have not gone along with this ruling, only three schools are not in conformance—Harvard, Yale and Pennsylvania. The other members have not been against this issue but they have expressed that they will not compete in any of the NCAA championships.

The 1.6 ruling does not affect the OVC as it eliminates the scholarship grants if the student does not maintain this average.

This ruling does not affect Eastern as the requirements state that the students must attain a 1.6 to stay off probation and be able to compete in athletic events. After the athlete's sophomore year he must attain at least a 2.0 average to be able to compete in athletics.

The ruling for a high school athlete is that he must attain a "projected" 1.6 average. This is compiled on the basis of over-all average without PE courses, music courses, industrial arts courses, etc., the ACT tests, and another scale which is furnished by the NCAA. This is compiled to "project" what the student's capabilities are for college work.

The NCAA Committee on Academic Testing and Requirements is in the process of reviewing the declaration of all the institutions which have certified their compliance.

In theory, this rule is excellent, but in practice it is ridiculous. There are two major points which I feel are not right in this NCAA ruling.

This ruling will not affect most schools because they have higher standards such as Eastern and Big Ten schools are not concerned with this matter. For example, a 1.6 average is premed at Harvard cannot be compared to a 1.6 in sandbox at some southeastern schools.

In the first place, the NCAA is not a ruling body for academic standards. It is in turn just what the organization implies, the National Collegiate Athletic Association. It should not dictate what the academic policies of a university should be. This would be the same if the National Music Association would step in and dictate what standards your school should have.

Secondly, no matter what standards is set the schools who are breaking it now will find ways to get around it. One such method is the substituting of micky mouse courses such as basket weaving, dancing, sandbox, and advanced courses in all these fields, for harder required courses. This is stretching the point somewhat but it does get my point across. Grade fixing is also a way around this edit.

All in all the schools in the NCAA should have more respect for their members. The schools who have already broken the rule will continue to do so and they should not be in the NCAA but this does not justify such a rule.

## Holbrook Signs With Maroons

Gary Lee Holbrook, a 6-5 forward from Morgan County High School, signs an Eastern basketball grant-in-aid as Coach Jim Baechtold, right, and his parents, Mr. and Mrs.

Bertrum Holbrook, of White Oak, look on. Holbrook, who averaged 20.5 points and 19 rebounds per game as a senior, is the first signee announced by Baechtold this spring.

## Morgan County Star Inks Grant-In-Aid

Gary Lee Holbrook, a 6-5 forward from Morgan County High School, has signed an Eastern basketball grant-in-aid.

He is the first signee to be announced by head coach Jim

Baechtold this spring. An all-around athlete, Holbrook lettered four years in basketball, football, and track, and three in baseball. He will be playing end in the East-West All Star Football game.

A double-figure scorer since his sophomore season Holbrook averaged 16, 19.5 and 20.6 points per game during his last three years. He averaged 18, 21, and 19 rebounds per game for the same respective years.

Named to his All-District team since a sophomore, picked on the All-Region team as a junior, Holbrook received mention on All-State teams this year.

Holbrook is also, according to Baechtold, "a good, solid student." He is a member of his high school Key Club, Math Club Speech Club, and Science Club, in addition to being president of his senior class.

The son of Mr. and Mrs. Bertrum Holbrook, White Oak, he was coached in high school by Gene Cain.

## Golf Team Wins Two

Eastern's golf team handed the University of Louisville and the University of Kentucky each a defeat last Saturday at Madison Country Club. The golfers defeated Louisville 15½ to 8½ while they dubbed the Wildcats 15 to 9. This upped the golf team record to six wins against three setbacks.

Ron Roby shot a one over par 73 to have the lowest score of the day—Edwin Luxon shot a 75 as did Ken Kreutz and John Cowan while Walt Brittle was close behind with a score of 76. Jack Good shot an 82.

## Maroons Lose Doubleheader To Morehead

The Eastern Maroons traveled to Morehead Wednesday for a key OVC encounter and dropped both games of a doubleheader by the score of 8-2 and 3-2. The losses brought their record to 9-8 for the season, while they stand 4-2 in conference play.

In the first game, Morehead's John Capelle allowed the Maroons just four hits in going the distance. The only bright spot of the game for the Maroons was Ron Pinschaum's third inning homer. Losing pitcher for the Maroons was Glenn Marshall, who stands 0-2 for the season. He was replaced by John Carr in the second inning and Carr went the rest of the way for the Maroons.

The second game saw Eastern's Dave Price; Morehead's John Berryhill in a pitching duel. Price allowed just three hits, while Berryhill allowed four. The key play of the game came in the fifth inning. With the game tied 2-2 and Morehead at bat, Price, with men on first and third, was called for a balk. The man on third was allowed to score and this was enough for the winning margin. The call was disputed by coach Hughes, but the umpire stuck to his decision. The loss brought Price's record to 1-2 for the season.

Through the first seventeen games Frank Borgia is leading the team in hitting with a .407 average, followed by Nyulassey (.365), Gill (.359), Williams (.345), and Chasteen (.328). Chasteen also leads the team in RBI's with 23, and tied with Nyulassey in HR's with four. Kramer leads the team's pitching staff with a record of 3-0.

## Baseballers Take Doubleheader From Tech; Hold League Lead

The Eastern Maroons combining fine pitching in the first and throughout most of the second game and powerful hitting in the second, defeated Tennessee Tech 2-1 and 11-8 to bring their season mark to 9-6 while they lead the OVC with a 4-0 slate.

In the first game Al Kammer pitched a one hitter to lead the Maroons to a 2-1 victory over Tech. The Golden Eagles scored first in the second inning with an unearned run.

Kammer's bid for a no-hitter was denied him in the sixth inning on a single by 3rd baseman Jim Whaley. In their half of the seventh and final inning Eastern's Tom Yeager led off with a walk. All-OVC Jerry Gill followed with another free pass. At this point Coach Hughes decided to have Jim King pinch hit for Kammer. King took charge and banged out a triple for a 2-1 Maroon victory.

Coach Hughes gave praise for the fine pitching performance of

Kammer, he said, "He pitched a real good ball game, you can't ask for anything better than that." The win brought Kammer's record to 3-0, while the loss was given to Dave Pratt, who pitched a three hitter.

In the second game, the Maroon batters proved too much for three Tech pitchers. Eastern was led in hitting by All-OVC Ron Chasteen and Arnie Nyulassey.

Each knocked in two more. Mike Phillips to bring his record to 2-1, while the loss was given to Don Harrison.

The game started out with Eastern scoring two runs in the first. They kept building onto this lead to take an 11-0 lead in the final inning. At this time Tech exploded for their eight runs, until Price replaced starter Phillips to preserve the win.

## Tennis Team Drops Three Games On Road Trip

The Eastern Tennis team returned from a tri-match in Murfreesburg, Tenn. with a dismal and disappointing record of 0-3.

Eastern's team encountered last years top three OVC teams, Western, Murray, and Middle Tennessee. Despite the poor showing of Eastern scorewise, the EKSC racketeers did offer these scnoos rough competition.

Bright spots for Eastern this trip were the fine performance registered by Lindy Riggins, Mike Jeffries, and Steve Burly. These team members gained the only points for the EKSC team during the entire tri-match.

Against Middle Tenn. Mike Jeffries, Lindy Riggins responded well against the competition offered. Jeffries in playing a well controlled game defeated his man 7-5, 6-2. Lindy Riggins defeated his man after going three sets winning the decisive third set 7-5.

The doubles team of Jeffries and Riggins emerged victorious during this M. T. contest. The final score for this entire match was 6-3, in favor of M. T.

Western managed to defeat Eastern by a score of 5-4. The

trio of Jeffries, Riggins and Burly were the only scorers in the single titles for Eastern. The steady team of Jeffries and Riggins gained victory and one point for Eastern by winning their doubles match.

In facing Murray, Steve Burly defeated his man to gain the only point for Eastern of the entire Murray match. The final outcome was Murray 8, Eastern 1.

Coach Adams felt that the team would have accomplished much more if they would "forget about the spectacular shots and concentrate more on winning and looking good on certain shots."

"The untried team members Gauspohl and Cruise will be given every chance to challenge the other boys" coach Adams noted.

The team's director continued his comments by pointing out that Eastern still had a good chance for victory in the OVC if "top-flight effort, training, and concentration are used."

This Saturday the team will meet Western Kentucky at 1 p.m. instead of 10 a.m.

## Track Team Ready For Drake Relays This Weekend

Eastern's track team warmed up for the Drake Relays, to be held this weekend at Des Moines Iowa, by hosting Morehead in a dual meet Tuesday at Richmond.

Due to the bad weather, no field events were held. Therefore two team score were kept. However, the Maroons turned in a number of fine performances.

Terry Whalan won the mile in 4:16.3, Ken Anderson took the 880 in 1:53.8, Carey won the high hurdler in 14.6 seconds. The 440 relay team took first in 43.4 seconds.

Anderson faces a select field in the mile at Des Moines. Jim Ryan, American record holder in this event and ranked number one in the country, will be entered along with Ed Dean of Notre Dame and highly touted Robin Tingle. Eastern's two mile relay team of Anderson, Whalan, Bensen and Jordan has a chance of bettering the record of 7:35 in this event. Eastern ran a 7:32 two mile relay already this season. Jan Heath and Bill Swanson are also entered in the meet.

## Maroons Use Point System Devised By Coaching Staff

Coach Kidd says this year marks the first time Eastern's football team has gone off campus for intersquad contests.

Dates and sites of the games, each featuring the offensive unit against the defensive squad, are: Friday, April 29, at Ft. Thomas Highlands; Saturday, May 7, at Cumberland High School; and Thursday, May 12, in Eastern's Hanger Stadium. All games are set for 8 p.m. EST.

The two off-campus sites represent areas traditionally heavily represented on the Maroon squad.

Eastern, picked to finish near the bottom, surprised all the experts last season with a third-place OVC finish with a 4-2-1 overall slate, and are expected to improve upon that this year. All three games will be played on the same point system devised by Kidd and his staff last spring. The offensive unit will score in standard ways, but the defense receives points for what Kidd calls the "big plays."

Besides touchdowns and extra points, which the defensive unit might score on kickoff returns, pass interceptions, etc., the defense can tally four points on blocked punts, field goals, or pass interception; three for a fumble recovery, two for a safety, and one for blocked conversions, prevention of a first down, returning a kick more than 10 yards, and prevention of score first and goal situations.

The defense can have points taken away from it for fumbling the ball or not returning a kick at least three yards. Either costs three points.

Tickets for the Ft. Thomas game can be obtained by contacting Bob Miller at Campbell County High School. The game will be played on Ft. Thomas Highlands' field. Needham Saylor, at Cumberland contest. The Eastern Sports Club is handling tickets for the Hanger Stadium clash. Prices for the Richmond game are \$1.00 for adults and 50 cents for students.

**BLIND DATES! \$3**

Everybody's talking about it. Everybody's doing it. Operation Match. It's camp. It's campus. It's the modern way to meet. It's whammo's blind dates. It started at Harvard. The original Operation Match—featured in TIME, LOOK, and the coming May GLAMOUR. Already there are over 100,000 ideal dates in our computer's memory bank. Now's the time to line up your Spring Fling. Let our IBM 7090 Computer (the world's most perfect boy/girl matcher) select 5 ideal dates for you—right from your campus area. (Now a gal can really choose the kind of guy she wants, not just wait and hope he comes along!) Just send us the coupon below... we'll send you the Operation Match Quantitative Personality Projection Test Questionnaire. Answer the questions about yourself, what you're like, and what you like. Return the questionnaire with \$3.00. Then we put our 7090's memory bank to work. It reads out the qualifications of every member of the opposite sex in your college area, and programs 5 or more ideal dates for you. You receive names, addresses, and phone numbers. Guys call the gals. You're just a telephone apart. Also, your card is kept continuously active. You receive as many dates as the 7090 finds matches. The sooner you apply, the more dates you may get. Let the 7090 take the blinds off blind dating. Get modern. Get electronic. Get set quick with your ideal dates.

Dear IBM 7090... I am 17 or over (and 27 or under) and I want to help stamp out blind dates. So mail me my questionnaire. Quick!

**Drum And Sandal Presents**  
**"Ascent From Reality"**  
 "Ascent from Reality," Drum and Sandal's annual spring concert, will be presented Wednesday and Thursday at 8 p.m. in Brock Auditorium.  
 As the theme of this year's spring concert, "Ascent from Reality" offers a varied program of original, contemporary dances. Dances have been choreographed by various club members to selections from "New Sounds of Music," "Poe for Moderns," and "Music for Barefoot Ballerinas." Solos, duets, and group numbers make up the program.  
 For those perpetually in the Christmas spirit, there is "Caribbean Christmas" from the suite "Four Holidays." The final number on the program will be danced by the entire club to the music, "Slaughter on Tenth Avenue," by Richard Rogers.  
 Members of Drum and Sandal include: Martha Barkley, Peggy Chambers, Chris Eisele, Jeri Feddersen, Cookie Fletcher, Sharon Hessel, Karen Kleckner, Cheryl Langdon, Bonnie Lemaster, Sissy McCauley.  
 Kathy McBeth, Marva Perry, Nancy Russell, Jill Smith, Patty Smith, Carolyn Thomas, Vickie Turpin, Sherry Walters, Jean White, Marsha Kovac, Kay Ralph, Chris Brewer, and Debby Hughes. Mrs. Virginia Jinks is the sponsor.

## Capacity Crowd

Continued from page one  
mous letter called the Eastern Commentator was brought up by an upperclassman. President Martin said he didn't know much about this, but he did hope the publisher would learn to spell anonymously.  
The president gave a 12 minute speech in which he stated that students should be more concerned with the academic affairs of the school especially with reference to the poor library facilities. These will be eliminated upon completion of the library.  
Students commenting after the session said that they liked the idea behind the gripe meeting. Many stated that the administration was still somewhat evasive. Several students said they appreciated the interest shown by President Martin in his student body and their campus life.  
President Martin closed the session by stating that his office and that of the entire faculty was always open for student opinion.

## Editors Appointed

Continued from page one  
Inc., of Atlanta, was the first university annual to win the mythical "triple crown" top ratings from each of the three major associations.  
Co-editors of the 1966 yearbook are Misses Linda Ward, River, and Karen Elizabeth Manion, Louisville. Editor-in-chief of the Progress is Gerald Maerz, Elizabethtown. All are seniors.

## Rider's Map

### Project Complete

The Student Council completed its rider's map project this week. The map, located outside the SUB grill, was remodeled and new pegs were put on it. The work was handled by Student Council vice president, Jerry Stewart.  
"We hope the student body will start using the rider's map now. In the past it has been used very little," Stewart stated. He went on to say that this lack of use was the Council's reason for remodeling the map.  
All the counties in Kentucky are now designated on the map. The surrounding states, Ohio, Illinois, Indiana, Tennessee, and Virginia were also added. Directions, such as northeast, southeast, and northwest, were also added in white paint in the margins of the map.  
The Council has also adopted a new system for using the map. Small cards must be filled out by students looking for rides or riders and hung on the pegs on the map. An orange card indicates that some person wants to find a rider. A green one means that some person needs to find a ride. The cards are hung on the pegs closest to the place where the student is going. The cards will be made available beside the map next week.  
"We will also distribute the cards in dorms," Stewart said. "We feel that the map could be very useful if the students will pay attention to it," especially with our new system."

## State Holds Art Symposium

Part-time Picassos and professional artists alike may tote their easels to Kentucky's Lake Cumberland State Park May 6-8 for the art seminars that have been so well received in the past.  
Two extremely competent professional artists are conducting the sessions. Ray Harp is the artist-naturalist whose work is attracting nationwide attention. Sam Sarkisian heads the art department of the American Greeting Card Corporation.  
Each pro gives group lectures with diagrams and demonstrations, and they don't hold back any secrets. They tell you anything you want to know as far as they can. During the work sessions the two artists go from easel suggesting, advising and answering questions.  
Whether you attend as a camper or put up in the luxurious park lodge, this is a rare opportunity to receive top notch professional art instruction and at the same time enjoy the radiant spring freshness of one of America's most beautiful parks.  
The art part costs \$5 for registration. Otherwise the standard rates and meal prices prevail. Rooms in the deluxe lodge cost \$9 single, \$14 double. In the lodge annex they are \$7 single, \$10 double. Cottages for four persons run \$14, \$16 and \$18 a day. Camp sites, trailer or tent, are \$2 a night, no reservations accepted.  
If you write for a reservation enclose the price of one day's accommodations plus three per cent tax. The address is Lake Cumberland State Park, Jamestown.

## Open House

The faculty, officers, and students of Eastern are invited to attend the open house at the U.S. Public Health Service Hospital at Lexington May 8 from 1 p.m. until 4 p.m.

## Blood Drive Successful

The blood drive was successful in receiving 317 pints of blood from donors. The quota was set at 189 pints which was far exceeded. The additional 128 pints over the set quota

will go to Vietnam. Dorothy Iovino, local RN is seen with Joan Patrick, junior from Lexington, who gave blood.

Nothing can take the press out of Lee-Prést slacks

Not that it's on his mind right now. And it needn't be. Those Lee-Prést Leesures can't help but stay crisp and neat. No matter what you put them through. They have a new permanent press. So the crease stays in. The wrinkles stay out. Permanently. And that's without ironing. No touch-ups, either. They're made from Lee's special blend of 50% polyester and 50% combed cotton. For wash and wear . . . with conviction.

Incidentally, that permanent press is the only change we've made in Leesures. They still have that lean, honest look . . . smart, tailored fit New Lee-Prést Leesures. Test their permanent press yourself. It isn't necessary, but it's a great way to spend an evening. From \$6.00 to \$8.00
