Honors Day Pays Tribute To 424

Four hundred and twenty-four Eastern students were recognized at the annual Honors Program held in Hiram Brock Auditorium Monday night.

Featured speaker was Dr. Clyde Orr, associate dean for graduate studies. His address was entitled, "Misplaced Modifiers."

Dr. Orr congratulated the students for accepting their responsibilities in our democratic society, but he pointed out that there were people in our society who want privileges but not responsibilities. He called these people "misplaced modifiers."

He described the characteristics of such an individual as:

1. Hiding behind a mask of anti-social behavior;
2. Believing that the world owes him a living;
3. Achieving recognition at any cost;
4. Resenting authority;
5. A willingness to destroy property.

Dr. Orr said that our hope was in the fact that the "misplaced modifier" was in the minority and challenged the students to keep him there.

Receiving awards were:

John Volpe Gets Big Chemistry Research Grant

John Volpe, a junior Biology-Chemistry major from West Orange, New Jersey, has been selected to participate in a research program in biochemistry this summer at the University of Louisville School of Medicine from June 7 through August 13. The program is sponsored by the National Science Foundation.

The purpose of this program is to provide opportunity for able undergraduate students to obtain experience in biochemistry research.

Each participant will be assigned an independent project that is part of a presently active research program in the Department of Biochemistry and will be in regular and close contact with a faculty advisor. The research experience obtained will be at a level and quality expected of graduate students.

By providing adequate laboratory facilities, proper supervision, and an environment devoid of examinations and other distracting deadlines found during the school year, the program offers an unusual opportunity for qualified students.

Criteria for the program includes: enrollment in college or receiving a degree in June, 1965, scholastic achievement, recommendations, and previous laboratory experience. A prerequisite is a course in general organic chemistry.

The stipend will be \$600 for the 10-week summer period which is set tentatively from June 7 to August 13.

Bishop Moody Slated To Address Baccalaureate

The Rt. Rev. William R. Moody, bishop of Lexington, will deliver the Baccalaureate address at the 50th commencement exercises of Eastern on Sunday, May 30, at 2:30 p.m. in Alumni Coliseum.

Speaker for commencement exercises on June 2 will be Charles Beck, president of the

Another Skyscraping Dorm

Plans have been announced for this ninth-story dormitory that will house 404 women students. To cost \$1.5 million, it will be fully air-conditioned. Construction is expected to begin by fall and it is hoped that

this hall, and a 20-story dormitory, will be completed by the fall of 1966. The architect's drawing above shows the dorm facing South Second Street.

Max Lyles Views Experiment As 'Chance Of Lifetime'

"I have always dreamed of visiting abroad, and now is my chance of a lifetime," states Max Lyles, a Carrollton junior and Eastern's selected representative for the Experiment in International Living.

Lyles will leave June 26 for

Putney, Vermont for approximately five days orientation before going to Yugoslavia in the Student Council sponsored project. "We'll visit Belgrade for a few days to get accustomed to the country and customs before going on to the families we will be staying with." Lyles will stay for several weeks with a Yugoslavian family then go on to travel around the country with a particular member of that family, and will complete his two month tour with same family.

10 Students To Tour Yugoslavia
Ten college and university students from across the country will tour Yugoslavia under the Experiment program. They will stay in one group except while they are with their respective families. An American group leader will be chosen to accompany the students, and will act as co-ordinator of their activities while they are together.

"The home office for the Experiment will place me with a suitable family," states Lyles, "based on my application forms for the Experiment and on a biographical letter by me telling of myself and my activities and interests."

Stating his ambitions for the success of his Yugoslavian tour, Lyles states that he hopes "to gain a better understanding of a culture completely different from ours, as well as to give the people I'm staying with a better understanding of American culture."

Recognizing his responsibilities under the program, he continues, "I realize that this is a tremendous responsibility. It'll be representing not only Eastern and Kentucky, but also the entire United States. I only hope that I can do as good a job as Marvin did last year." Lyles here refers to Marvin Marcum,

a Richmond junior who served as Eastern's first representative abroad under this program in India last summer.

"I've already begun studying all the articles I can find in the Library pertaining to Yugoslavia so that I can learn as much about the country, the people, and their customs as I can before I leave. Language is not required for the Experiment, the people here will be staying with me and will speak English. However, I would like to learn some of their language before I leave."

Lyles is majoring in mathematics, and has ambitions of teaching upon graduation from Eastern. He is presently a member of Kappa Delta Pi, education honorary; OAKS, junior and senior men's honor society; Polymathologists; and Canterbury Club, organizational honorary for English majors and minors. Miss Susan Reinert Wears Miss Richmond Crown

Miss Ann Howard First Runner-Up, Miss Congeniality

By GAY DANFORD
News Editor

Miss Susan Reinert, a sophomore from Kansas City, Mo., was crowned Miss Richmond of 1965 last Thursday by the reigning Mrs. Kentucky, Mrs. Betty Pack Cox.

The brunette coed was selected on the basis of talent, appearance in formal and swim suit, and poise and beauty.

The Miss Congeniality award was won by Elizabeth Ann Howard and the talent award was won by Mary Jo Holl, the baton feature twirler for the Marching Maroons.

The first runner-up was Miss Howard, Frankfort; second, Fontaine Kinkead, Clay's Ferry; third, Sue Pollock, Richmond; and fourth, Miss Holl, Fairborn, Ohio. Awards were presented to the runner-up by three past Miss Richmonds, Vicky Sue Cheek Turpin, 1963; Gloria Elliot, 1962; and Judy Hovius Falk, 1959, the first Miss Richmond.

Ten Finalists Announced

The ten finalists and the presentation of talent they performed were: Miss Reinert, a reading of a negro gospel "God's Trombones"; Miss Howard, sang "Chim Chim Charee"; Miss Kinkead, an acrobatic dance; Miss Pollock, piano solo of "Whims"; and Miss Holl, twirling exhibition.

Barbara Spicer, an Indian dance; Jerri Bartoletta, classical composition, "The Rustle of Spring"; Sue Moberly, dramatic monologue of a young neglected cripple; Wanda Masters, jazz dance to "The Pink Panther"; and Carol Beck sang the Erroll Garner hit, "Misty."

Other contestants were: Brigitte Johnson, Nancy Wilson, Linda Rowbottom, Sharon Tudor, Della Danson, Shirley Richardson, and Vickie Carolyn Irick.

Miss Reinert, an English major, is a member of the Canterbury Club and one of the winners of the first speech potpourri held last semester. Earlier in the year she attended the Morehead speech workshop and more recently entered a speech contest on tape from the University of Denver.

While in high school she was active on the yearbook staff, a National Honor Society, French club, class plays, and district and state speech contests where she received top ratings.

The five Miss Richmond finalists were asked: In your opinion, what image does America present to the rest of the world today? To this Miss Richmond replied: "As a nation we present an image to the world which none other can equal because we stand for something which I believe very strongly."

"This something is personal liberty. There are people in our nation and other nations who are trying to put an end to personal freedom, but as long as we move toward our goal of freedom for all, as a nation, we will prevail."

Cooperation Was Tremendous

Commenting on the contest, Susan remarked: "The cooperation of the girls was tremendous. All of the girls were working for each other, not themselves."

"It is good experience for any girl," she remarked, adding, "I had a very embarrassing moment, however, when my heel broke right before going on stage for the swim suit competition."

In addition to winning a trophy, roses, and a good luck charm from her friends, which she wore throughout the contest, Miss Reinert will receive a \$300 scholarship.

She will be competing in the Miss Kentucky Pageant in Louisville Friday July 17.

Final Examinations Only Two Weeks Away

THE PRINTING OF THE EXAM schedule this week drives a somewhat unpleasant point home to many Eastern students. Final examinations are only two weeks away.

The editorial cartoon also makes a point — it's Springtime and young men's and young women's thoughts have turned to many things other than study.

Sure, it's fun to go to the beach, to run around in convertibles with the top down and indulge in innertube races, but it is not necessary. And while beginning to study for finals a little early is not much fun, it is necessary.

It is also interesting to note that the State Department of Parks has announced that the state park beaches will not open until May 29, in an attempt to curb the

Sunday fence-scaling sun-seekers.

There is a great drive underway at Eastern toward academic excellence. Progress in scholarship cannot be attained without a proper student attitude. One Eastern professor has said that Eastern students are a large group of conformists. It is unfortunate that this conformity, in many cases, does not include regular study habits instead of regular grill hours.

While on the subject of scholarship and academic excellence it should be mentioned that less than half of the 400 persons scheduled to be honored in the Honor's Day Program Monday evening were present. Those that did take the time necessary to attend and be recognized said that due to the partial attendance and the negligible turnout of student obser-

vors the program bordered upon farcical.

This tends to indicate that perhaps those who have achieved academic excellence or assumed positions of campus leadership are afraid of the ridicule that comes from the intellectually inept with their cries of "egghead," etc. It also shows that the Eastern student body has little interest in those who have done their best.

Letters To The Editor Of The Progress

Gets Anonymous Mail

Since the beginning of my journey through this old world I've been called many names. Once it was Daphne and another time Hecate, often it's been beatnik or radical, but never before today have I been called a communist. I received today an envelope addressed to: Jeneene Lambert, Student Head, Student Non-Violent Communist Group, Eastern Ky. State College, Richmond, Ky. Inside was a page from the CONGRESSIONAL RECORD — APPENDIX, complete with comments. It was not signed, nor was there a return address. I threw it away.

Anyone who will not sign his name to a thing he professes to believe in does not deserve to be heard or, in this case, read. But perhaps this is symbolic: a nameless society working faithfully toward the day when it will be armless, legless, eyeless, lifeless. Linus Pauling said that at least 15,000 babies will be born seriously defective this year as a result of 1952-58 nuclear test fallout, still you believe in and call me a communist for renouncing the practice of thus toying with the entirety of mankind.

I would be a socialist if I thought a socialist state possible, but a communist — never! I only believe that pro-life attitudes are virtues — love, kindness, honesty, truth. And I believe in the sanctity of the individual. If I believe in something, I will defend it as far as is necessary. The suffering of me and, or (it's usually and) my opponent might be involved, but I refuse to allow that his children, his grandparents, his neighbors can justifiably be held to account for the problem which hardly affects them.

By the way, I will not renounce my black brother for the sake of my cousin who happens to be white and thinks it's a big thing.

GETTING READY FOR FINALS!

Charm And Charisma

'Fantasticks' - Highlight Of Year

By MRS. BETTY MOHS
English Department

An enthusiastic audience greeted the Fantasticks, a parable about love, by Tom Jones and Harvey Schmitt, which opened

Sit, Sip, Teach . . .

The 'In' Things

(ACP)—Adaptations of the civil rights sit-in are mushrooming into a campus fad.

Students are still using the sit-in to protest anything from discrimination in housing to restricted political activity.

But all kinds of new "ins" are being discovered.

University of Minnesota students held several sip-ins at a local recreation store when they thought the store was responsible for the eviction of the bearded and well-liked book seller in the unusual shop next door.

Two University of California, Berkeley, fraternities staged a new type of sit-in—to see who could sit in a chair the longest following rigorous rules—no lying down, standing up, or leaning on elbows.

The latest thing at Michigan State University is a teach-in, organized by the faculty committee for Peace in Viet Nam to provide information on U.S. policy in Southeast Asia. Folksingers were featured at intermissions of the 8 p.m. to 2:30 a.m. teaching marathon.

Mulford Q. Sibley, political science professor at the University of Minnesota, was recently denied entrance into Canada by immigration authorities (who later reversed their decision) because of his "subversive" views. The woman mayor of Ottawa suggested that if the women of Canada had staged a strip-in when Sibley landed, he would have gone back to Minnesota "a lot quicker than he did."

Monday night, in the Pearl Buchanan Little Theatre and will run through Saturday night, May 15. This play, with its rollicking good-humor and delightful music, has to be considered the highlight of Eastern's theatre year. Mr. Joe Johnson, drama professor, and his cast of assistants, slipped into the magic of The Fantasticks, and brought forth a production filled with charm and charisma.

When "The Fantasticks" opened off Broadway in 1960, no one suspected that this play would run for five years; and no one can foresee how long it might run. Messrs. Jones and Schmitt have written a play which appeals to everyone — its universality makes it appealing to all. Young love, parental interference, idealism versus realism; these are the essential ingredients of this play.

Characterization Excellent

It would be difficult to single out any one person for acting honors. This exceptionally strong cast was long on talent and short on shortcomings. Jerry Smith played The Narrator (El Gallo) with gusto and authority. He was a masterful Narrator with a strong singing voice, which filled the theatre with its beauty. Fonda McAllister and John Curran were well-suited to their major roles as the young lovers. They brought humor blended with pathos to the stage with their fine voices and excellent interpretations.

And who could forget the two lovable but wise fathers, portrayed by David Bond and Al Allison. Their song and sort-shoe number, "Never Say No," had the audience all but coming in their seats. Bill Peyton, the old actor, sustained his characterization beautifully with his cracking voice and pained limbs—and his son, Mortimer, played by Gordon Jennings, did the longest, funniest death scene on record.

A sure mark of this strong cast would be that the mute Suzanne Ankrum aided this production with her grace and efficient coordination in setting the scenes. And the music provided by Daisy Hankins and Bob Osborne added rhythm and timing to this fast-paced production.

Technical Crew Adds To Success
Mr. Joe Johnson, director of "The Fantasticks," can take a long, low bow for assembling this cast and putting them through their paces. He had a technical crew who assisted in making this play the success it has become: Dave Bond, Technical Director; Jenni Marcum, Assistant Director; George Proctor, Stage Manager; and Betty Pennycoff, Costumes. Mrs. Blanche Stevers is musical director.

The set was an imaginative, impressionistic one, punctuated by several acting levels. Lighting presented a problem on some levels when the characters were not able to be adequately seen. The costumes, by the very nature of their simplicity, heightened the interest of the audience in the characters themselves.

"The Fantasticks," as staged by Mr. Johnson and his cast and crew, has provided Eastern with a superb production. It, with its light entertainment, its appeal to nearly all people, its listenable music, should be seen by everyone who can squeeze into the Little Theatre this week.

Battle Of Sexes

Coed Dorms For Grad Students?

(ACP)—About 50 coeds from UCLA's Mira Hershey Hall picketed the dean of students' office recently while the dean met with other administrators to consider converting the women's residence hall into a coeducational dormitory for graduate students.

The UCLA Daily Bruin reports that the pickets carried signs saying, "We love men but not for breakfast" and "Mira is here in spirit." Another sign, "Don't make our nursery a brewery," referred to the possibility that regulations on drinking might be changed if the dorm went to grads.

Jan Bierley, senior in geology, was the sole counterpicket — her sign read "UCLA needs a grad dorm, not a convent."

Dean Byron R. Atkinson met with the Hershey Hall cabinet later and said, "It was an unmitigated pleasure to deal with pickets that look like these — for a change."

But he told the coeds that the decision to convert Hershey wasn't final and

that another dorm was also being considered.

Deans of the graduate division and professional schools had been pushing for a graduate commons which allow law and medical students to live and work together, he said.

He promised a final decision a few days later. While Atkinson was briefing the Hershey women, men of Hedrick Hall's graduate floor were planning a counter-picket.

Several hours later the air was filled with male voices signing "We shall come over," a variation of the civil rights song. Phil Kees, a senior in life science, led 20 graduates in a chanting demonstration in front of the "convent."

"What's wrong?" a coed yelled from behind Hershey's now-bolted doors. "Can't you guys get dates anywhere else?"

"We don't want dates; we want your building," the grads yelled back.

The demonstration dispersed within 20 minutes with the grads offering to take the Hershey coeds to a local drinking spot. Only a few accepted.

'Thank You, What For?'

1965 Hall Of Famer: 'I Am Very Proud'

By BRENDA PHILPOT
Staff Writer

"I was at Model Elementary, where I'm doing my student teaching when Dr. Coates called to congratulate me. I said, "Thank you, what for?" He told me the great news!"

That's how Beverly Jo Keith, an elementary education major from Corbin, learned that she had been selected for the Milestone's Hall of Fame for 1965.

The Hall of Fame represents the highest honor the Milestone can give to a senior. Nominations were made by the senior honoraries and the Student Council. Miss Keith was chosen from the nominees by a secret committee of faculty members appointed by President Martin.

"After learning of my good fortune, I ran all the way to the coliseum to pick up

my Milestone. When I got back to my 4th grade class, and the lines under my picture were read to them, they stood up and applauded. I felt very proud," said Miss Keith.

"It came as a complete surprise. I had no idea," she said. The Milestone used a subtle means of keeping the news from her until the book came out. They told her they needed a retake of the picture they had taken before of her for Who's Who.

Who's Who is another example of what Miss Keith has termed "a year of surprises." "I had no idea I'd been chosen for that either until I read about it in the Progress."

At the Honors Program Monday night, the Department of Elementary Education awarded Miss Keith the Gladys

Perry Tyng Award which recognizes outstanding achievement in the field of elementary education.

Miss Keith stated that she always wanted to teach young children. "But," she added, "there have been many times when I've wondered about my choice. Then when I started my student teaching, and I'm convinced that it is the most tremendous thing I've ever tackled. I said, 'Bev, old gal, you've made the right choice.'"

During her four years at Eastern, Miss Keith has been very active in several campus organizations. As a sophomore she was president of CWENS, and is presently an active member of Collegiate Pentacle.

Miss Keith is this year's president of Kappa Delta Pi, an honorary education organization for juniors and seniors. She

says of KDP: "We have become more active this year than ever before. We have been visiting several elementary schools and observing them. Membership in the club has grown over three times its original size."

Miss Keith has also been serving as a senior justice with the Student Court. "The Student Court," she says, "has mostly handled traffic cases. But we are working toward student government which is more than in name only."

Miss Keith was a candidate for Miss Popularity and Prom Queen this year.

"I have been very fortunate to receive such honors and recognition, especially the Hall of Fame," Miss Keith said.

The Hall of Fame, which first began in 1962, has three other members: Barbara Ellen Sowder in '63; Linda Gassaway in '62; and Donald Dykes in '64.

Wolfrom Presents Cello Recital

Mr. Lyle Wolfrom, assistant professor of music, will give a Violoncello recital Tuesday at 8 p.m. in the Foster Recital Hall on the campus.

The program will consist of compositions by Bach, Barriere, Beethoven, Correll, and Bruch.

Mr. Wolfrom will be assisted by Miss Louise Hinkerbein, sophomore music major from Louisville, in Barriere's Sonata for two cellos. Two famous old cellos will be featured in this Sonata written in 1753. Mr. Wolfrom's instrument was made by Joseph H. Hill, London, England in 1760. Miss Hinkerbein's cello was made in 1770, also by Joseph H. Hill.

Mr. Wolfrom will be accompanied by Mr. Landis Baker, assistant professor of piano at Eastern.

Showcase Features Choral Reading

This month's Showcase will feature choral reading next Thursday at 4 in the Pearl Buchanan Theatre.

The students of the Speech 230 class, voice and diction, will present the program, selections of poetry.

The program will be divided into four sections. The first, will be the opening scene from the Music Man, "He doesn't know the territory." The second, consists of selections from Belles Lettres student publications sponsored by the Canterbury Club. Included will be the poetry of Donald Smith and Kenn Keith.

The third section will be three choruses from "The Rock" with David Deeb doing a solo reading. Moving to a lighter side, the fourth section will feature nonsense verse including "The Eskimo" and "Jabberwocky."

Choral reading, a form of interpretative reading, is relatively new to Eastern's campus. In this type of reading "the recreation takes place simultaneously in many minds and is expressed in unison by many voices." This form has been proven as "valuable in helping the shy or bashful student gain confidence."

The program will be conducted by Mrs. Betty Mohs, speech instructor.

Students, Faculty Confer On Greeks

A meeting was held Wednesday to explore the advisability and feasibility of Greek Letter organizations for Eastern. In attendance were a committee authorized by the president last fall and a twelve member group representing the Student Council and the student body at large.

The meeting was an open discussion where the students and faculty presented the pro and con of the much debated question of having Greek Letter organizations on campus.

The committee is still gathering information concerning the questions at hand and there may be a meeting this summer if it seems advisable. The committee will continue its work in the fall.

Spring Teams Boast Good Marks

As the spring sports draw to a close, we find that all of the teams have very respectable records as they go into the conference championship meets this weekend.

The closest final is, of course, the baseball championships being played here between Eastern and Murray. After a shaky start the Maroon batsmen broke even on the season with a 14-14 mark and were tough in the loop stretch drive to finish in a tie with Morehead with an 8-4 record. Since the Eagles have represented the Eastern Division since the Maroons' last appearance, Coach Hughes' nine received the playoff nod. We hope that all of you that can will turn out for the best of three series that starts today at 1:30.

Seventy-two miles away our thinclads will test the new Morehead track in the conference track and field meet. The tracksters finish their dual meet card with a 7-2 slate and are expected to join in the anticipated assault on all existing circuit records.

The young Eastern golfers, boasting a 11-4 record, tangle with the rest of the loop at Johnson City, also the site of the league's tennis finals where our netters (13-4) will compete.

Regardless of the showing our teams make in the conference meets, this has been one of the most successful all-around Spring seasons in Eastern history, with all of the four teams finishing the season with a .50 per cent mark or better.

SCRIMMAGE DELIGHTS FANS

The spring scrimmage held last Thursday night was certainly something to watch. With the defense down 21-7 at the half, it looked as if it would be a lopsided game. However, an aroused defense, with the crowd behind them, proved too much for the offense as the defense "outpointed" the offense 33-21. The win gave the offensive and defensive units a 2-2 record this spring.

Oftentimes the defensive specialists are the forgotten men of the game simply because they do the dirty work. A deflected pass on a fourth and ten situation is as important as a pile-driving fullback hitting the middle of the line for a first down. This is not to say that the offense has the easy job, but that the defense should receive more credit. The scrimmage certainly pointed that out.

Batsmen Seek 7th OVC Crown Against Murray Here Today

Twin Bill Starts At 1:30; Best Of Three Series

Coach Charles "Turkey" Hughes' Eastern baseballers will shoot for their seventh Ohio Valley Conference championship in the league's 17-year history today when they host Murray's Racers in a best-of-three playoff on Hughes Field.

The Maroons, the loop's Eastern Division winner, and Thoroughbreds, the Western Division champ, will square off at 1:30 for two seven-inning contests. If a third game is necessary, a nine-inning tilt will start Saturday at 2.

Eastern won its division with an 8-4 conference mark, whipping through its 28-game schedule with a 14-14 overall mark. Murray fared much better, dominating the West with a 9-1 slate and posting a 21-4 overall record.

Hughes will send Glenn Marshall (3-3) and Dave Price (5-2), both right-handers, against the Racers in Friday's twin-bill. Marshall has a 2.81 earned-run average, Price a misleading 4.17.

Racer hurlers Johnny Reagan, will counter with George Dugan (6-1), a left-hander, and right-hander Jerry Ander-

son (3-1). Dugan, one of the nation's top college southpaws, has allowed but one earned run for a 0.17 ERA, 2nd best in the country, and has struck out 92 batters in 52 innings.

Eastern relievers will include John Carr (2-4), who has fanned 44 in 34 innings, Don Snopek (2-0), and Eddie Buckner (2-1). Murray relief men will be John Benton (3-0), and Den Meredith (2-0). All are right-handers.

Maroon Batsmen

The Eastern batting order announced by Hughes will include Ron Pinsenschaum, centerfielder, who has reached base on 60 of 89 lead-off roles this season; Arnold Nyulassy, leftfielder (.286); shortstop Ron Chasteen (.286), one of the nation's leaders in doubles with eight and RBIs with 19; catcher Doug McCord (.293); rightfielder Jerry Gill (.343); third baseman Larry Williams (.292); first baseman Tom Yeager (.250) or Lou Pieczanka (.344); second baseman Jim King (.254), and the pitcher.

Big men in the Murray attack who support a .310 team batting average are: Catcher Dave Dor-

rall (.394); rightfielder Wally Arzel (.369); shortstop Ron Anderson (.345); and first baseman Mike Ward (.226). Ward has driven in 29 runs, and leads Murray extra-base hitters with 5 home runs, 4 doubles, and a triple.

A Maroon victory in the second game of a doubleheader with Tennessee Tech clinched a spot in the OVC playoffs that start here today. The games were played at Cookeville, Tenn.

By virtue of their 9-2 win, the Maroons upped their OVC record to 8-4. Tech scored a come-from-behind victory in the first game, tallying two runs in the bottom of the seventh inning.

Joe Hardison accounted for both the tying and winning runs in the Tech victory. His single drove in the tying marker and he scored the winning run on Jim Rador's sacrifice fly. Glenn Marshall went the distance for the Maroons as he gave up only 7 hits.

Dave Price hurled a two-hitter in the second game to pick up the win and clinch the playoff berth. Tom Yeager's double in the five-run fifth was the Maroons' key hit.

Track Finals At Morehead

The 17th annual Ohio Valley Conference Track and Field championship will be held on the Morehead State College campus today and tomorrow.

The annual event will be held on the new \$45,000 grass-turf track which is considered one of the top tracks in the United States. The track is 440 yards in length and has eight lanes.

The shot put, discus, javelin, broad jump and high jump competition will start off the meet. The starting time is 2 p.m. today and tomorrow, marks the pole vault, triple jump, and running events.

There is a great possibility of 14 new records being set this year. Eastern runners should set new marks in the following events.

One mile run — Larry Whalen, who has recorded a 4:12.4 to better the 4:13.9 OVC record.

Two mile run — Jim Beasley, who has run a 9:21 bettering his own conference record of 9:29.2.

Mile relay — Eastern has a 3:13.7 to top the previous record of 3:16.3.

880 yard dash — Ron Benson, who has bested the old mark of 1:52.2 by nearly a second.

They are as follows: Charles Bailey, Dayton, Ohio; Tim Beizzard, Hialeak, Florida; Bill Brewer, Xenia, Ohio; Vic Campbell, Anderson, Indiana; Gerald Coffey, Chicago, Illinois; Rich Dryden, Fort Thomas.

Richard Dunkle, Lancaster, Ohio; Steve Edwards, Duguesne, Pa.; Tommy Freeman, Springfield, Ohio; Terry Funk, Allentown, Pa.; Michael Henriquez, New York, N. Y.; John Iannelli, East Boston, Mass.; Phil Knaver, Forest Park, Ohio; George Lee, Louisville.

Jimmy Moberly, Richmond; Steve Mowery, Logan, Ohio; Michael Riggs, Louisville; Edward Sabol, Lansford, Pa.; Roger Schweitzer, Highland Heights; Timothy Speaks, Lancaster, Ohio; Bill Zwick, Sunbury, Ohio; Walter Murphy, Covington.

Coach Jim Baechtold announced the signing of two outstanding prep stars to grants-in-aid this past week. They are Michael Allen, Dearpark, Ohio; and Brian Cooper, Lexington.

Allen, a 17-year-old 200-pounder became the first non-Kentuckian to sign a cage pact this spring. He averaged 22 points and 14 rebounds his senior year and was an all city selection. He was captain of the All-Eastern Hills League team. Baechtold said Allen "shows a lot of promise."

Cooper, a 6-2, 180-pound Lexington Lafayette ace, averaged

15 points per game this season. "Brian has a world of natural ability," said Baechtold. "He has outstanding outside shooting and jumping ability, good hands and the quickness necessary to become a fine college guard." Baechtold called Cooper "one of the most promising players in the state, who was underrated by college scouts because of Lafayette's poor record."

Allen and Cooper bring the number of signees to date to five. They join Dunbar's Robert Washington, Jerry Godbey of Eubank, and Louisville Durrett's Gary Paul.

LAFAYETTE ACE INKS EASTERN GRANT . . . Brian D. Cooper, star performer at Lexington's Lafayette High School, signs an Eastern Kentucky grant in aid in Richmond Saturday morning as Maroon head coach Jim Baechtold looks on. Cooper, a 6-2, 180-pound guard prospect averaged 15 points per game during his senior season under Coach Rocky Rupp.

IM Power Lift Is Wednesday

Next Wednesday, the intramural program will have a power lift contest. If anyone is interested in weight lifting this is a good chance to show your strength and skill. Weigh in will be at 3:30 in the football locker room, Weaver Health Building. The weight classes will be as follows: 123, 132, 148, 165, 181, 198, and heavyweight. For further information contact the Intramural Office in Alumni Coliseum.

Spurlock and Stacy in Finals

The singles tennis tournament, which is in its last full week, is drawing to a close with each match becoming closer and closer. Although the caliber of play has been good throughout, the degree of skill is reaching a fine edge.

Kenny Spurlock and Larry Stacy will meet in the singles finals. Stacy, the only non-seed to reach the semifinals, upset third-seeded Al Manuel and first seeded Butch Yeary to gain the finals berth. Spurlock, seeded fourth in the tournament, outlasted second-seeded Jerry Jenkins 1-6, 6-2, and 6-3 to earn his place in the finals.

Doubles competition started Tuesday night on the Martin Hall courts and will wind up next Wednesday night.

PE Faculty Volleyball Champs

The volleyball championship was decided Wednesday night as the Physical Education faculty proved that they could play the game as well as teach it. They defeated the Pemm Club 15-13, 9-15, and 15-13 in an exciting best of three contest.

Track Meet

An intramural track meet has been scheduled for Thursday, May 20. You may compete as an individual, or form a team in your dorm. Girls events are also on the agenda. The deadline for entries is Friday, May 14, at the IM office, Alumni Coliseum.

Net Playoffs Begin Today

Coach Jack Adams' tennis team will participate today and tomorrow in the OVC Tennis Tournament which is held at Johnson City, Tenn.

The tourney is run on a single elimination basis. Each match won counts one point in the team total; winners in the finals get two points for a victory.

Last year Murray won the tournament with thirty points; Western was second with twenty-seven; and Eastern finished third with nineteen. Murray is favored to win the tourney again this year, and Western is expected to take second. Murray defeated Eastern this year 9-0.

In the tournament Sparky Snyder will be the number one man. Kent Chaffin will be the number two, and Mike Jefferies will be number three. Jean Hashem, Jack Kench, and Jerry Brown will play fourth, fifth and sixth, respectively.

Snyder and Chaffin will combine to form the number one doubles team. Jefferies and Kench will be number two, and Hashem and Brown will play number three.

Coach Adams commented that all the teams in the OVC have improved, and the competition is much rougher this year than last. Adams said he was very pleased with the team's play since Murray defeated them 9-0; they have won nine games while losing only one.

Coach Adams said of the OVC Tourney, "Jefferies, Kench, and Brown have really good chances of winning their divisions." He also said, "the number one doubles team should reach the finals and could very possibly win it." The number one double has lost only once during the season and that was in the 9-0 loss to Murray.

Four of the six players on the team are freshmen. All they need is more experience.

OVC Golfers Meet At ETSU

The Maroon golfers take to the links this weekend as they compete in the OVC playoffs at Johnson City, Tennessee.

The golfers will be shooting for their first OVC playoff win. They will also be trying to break the 5th place jinx as they have finished fifth 3 out of the last 5 years. Coach Presnell said, "We will certainly try to better last year's effort, but the caliber of golf in the OVC this year is very high." He added that Middle Tennessee is the team to beat.

The linksmen are a young but very capable team, as their 11-4 overall slate indicates. There will be four freshmen, 1 sophomore, and 1 junior on the course for the Maroons. They are, in order by class, Edwin Luxon, Ron Roby, Jimmy Martin, Jack Good, Don Kettner, and Ken Kreutz.

The golfers broke even in two matches this week. The Eagles downed the Maroons 14-4 at Morehead, handing the Maroon team their fourth loss of the year. However, the linksmen bounced back to defeat Bellarmine 14-8 Monday. At the end of regular season play, the Maroons have a fine 11-4 record.

Volleyball Champs

These four men are members of the P-E faculty volleyball team which won the volleyball championship by defeating the Pemm Club. The members of the team, left are, Mr. Walt Sorochan, Mr. Jim Long, Dr. Thomas Meyers, and Mr. Don Daly.

He's Not Too Strong!

Ronald "Chief" DeVingo placed third in the "Mr. Mid-West" contest held at Cincinnati last Sunday. "Chief," as he is known to the other ball players, is a junior from West Orange, New Jersey. His total lift in the contest was 1200 pounds.

GRADUATION AWARD
Graduation day... a big day for academic and extracurricular awards. That hard-earned college degree... and for the man who has taken full advantage of his college years, a special award from the President of the United States—a commission as an officer in the United States Army... the gold bars of a Second Lieutenant. That's an award you can earn by taking Army ROTC. Those gold bars mark you as a man apart from other men—a man able to work with others—to inspire them. They mark you a leader.
An Army officer's commission is proof to the world that your country places its trust and confidence in your judgment and ability—proof that you have what it takes to make a decision and then act on it. These are qualities built by Army ROTC training... qualities that will pay off for the rest of your life, no matter what your career—military or civilian.
If you're good enough to be an Army officer, don't settle for less. Stay in ROTC.
ARMY ROTC
