Fifty years ald! Eastern was fifty years old, March 21, of this year. Eastern has come a long way since Governar Beckham signed the bill creating Eastern in 1906. Since then, many years have came and gone, many students, many graduates, and many leaders have passed through Eastern's portals.

Eastern has changed immensely in fifty years as has everything else. The campus scene has changed from stockings and ankle-length skirts to bermuda shorts and knee socks, from horse-drawn buggies to yellow convertibles. Many changes have taken place, but Eastern's goals have nat changed. She still wants to train the best teachers and to give her students the best education as is possible. Eastern was founded to alleviate the teacher shortage, and she is still trying ta solve this problem. Kentucky needed teachers in 1906 — Kentucky needs teachers in 1956.

As we turn through these pages and recapture our memories of this year, let us remember the students who in former years have recalled similar experiences at dear old Eastern.

A friendly, courteous, hordworking man, and an excellent teacher, Dr. Harvey H. LaFuze is loved and respected by his students and fellow faculty members. Since coming to Eastern in 1939, he has given many hours to furthering Eastern and her program. As head of the Biology Department, he is recognized as an outstanding administrator. He has devoted many hours to sponsoring vorious campus organizotions. The Wesley Foundation, the Methodist youth group on compus, was founded by him in the 1940's. The success of the Photo Club and the Milestone is, to a great extent, dependent on the advice and counsel he gives to these organizations. These are but a few of the reasons why Dr. LaFuze is so deserving of the honor which has been bestowed upon him.

Dr. LaFuze — the senior closs, the student body, the faculty, and most of all, we the Milestone staff, salute you!

### DEDICATION

A native of Indiana, Dr. LoFuze received his A.B. degree from DePauw University, and his M.S. and Ph.D. degrees from the State University of Iowo. Aside from his many compus activities, he still finds time to be an active member of his church and the local civic argonizations.

His hobbies of photography, the study of native trees, and gardening are important to him, but he enjoys them more with his wife and two daughters around to make some suggestions and give advice.

A landmark an aur campus is the University Building, a classic architectural structure, which was constructed in 1874 and was part of the campus of the ald Central University.

These familiar, beloved buildings where we as freshmen wander aimlessly and gradually grow into seniors, going purpasefully on our way, are an important part of the Eastern we will remember.

Cammack, Raark, Coates, Hiram Brack — familiar names? Surely! We all recognize these names, but few of us realize that these are more than names of buildings, they were men who gave of their time and talents so that Eastern might prosper and graw. The ones who came after have tried to hanar them far the great part they have played in Eastern's history.

#### FAMILIAR BUILDINGS

The James W. Cammack Building was named far a man wha was an the first Baard af Regents, and wha faithfully served Eastern until his death in 1939.

The Raark Building was built in 1909 and was named in hanar af Ruric Nevel Raark, Eastern's faunder and first president.

The Weaver Health Building accelerated the Health and Physical Education program upon its completion in 1931. It was nomed far Charles F. Weaver, who served as a member of the Board of Regents from 1920-1932.

The Thamas Jackson Caates Administration Building was nomed in hanar of Eastern's third president, who served from 1916-1928. The Hiram Brack Auditarium, which is annexed ta this building was nomed for Senotor Hiram Brack, who was a member of the Baard of Regents.

## SHINY, NEW CLASSROOMS

The Fitzpotrick Arts Building, which houses the Arts, Hame Economics and Industrial Arts Departments, was named in hanar of the Hanarable H. D. Fitzpotrick, who was a member of the Board of Regents.

The new buildings, the modern clossrooms, the construction work are all signs that Eastern is grawing. Eastern is still growing — gradually increasing in enrollment and services. Under Dr. Herman L. Donovan, Eastern's fourth president, we adopted the slogan, "Eastern is a friendly college." As she continues to grow, may she never lase this "Friendliness" which is such an important part of her.

The Science Building, completed in 1953, houses some of the most modern ond efficient loborotories in the nation. It is dedicated to Eostern's sons who lost their lives in World Wor II.

This sketch of the Music Building now under construction is only one example of how Eostern is expanding her present program. This modern building is due to be completed in the spring of 1957.

## HOMES AWAY

Memarial Hall, the aldest darmitary an campus, derived its name fram a building which was a part of the ald Central University plant.

Sullivan Hall was named far Jere Sullivan, who helped establish Eastern and was the first lacal regent. The freshmen girls accupy this recently re-madeled darmitary. Bull sessians, midnight snacks, surprise birthday parties far the roammate, card games, surprise fire drills, and last but not least, studying are all part of life in the dorms we call home. Some are ancient, same madern; but all, comfortable. We will always be grateful for the friends we met while living here these four shart years.

Burnam Hall was named far Judge A. R. Burnam, wha helped secure far Eastern her first significant appropriatian.

## FROM HOME

Playful children, barking dags, baby carriages, and play pens are a sure sign that you are on that part of the compus known as Ver's Village. This has been the hame af the married students since World War II. These temporary structures are soon to be replaced with madern apartments.

Keith Holl, one of the most modern dormitories in the South, was named in honor of Charles A. Keith, retired Dean of Men, and the late Anna Roe Keith, who served Eastern for more than forty yeors.

## LIFE BEGINS . .

Another young, fresh, anxious freshman arrives, eager ta get started on her college career. She meets her caunselar, who helps her decide what she would like ta strive toward in her college years. After she has taken a battery of tests, struggled thraugh endless lines, foced closed classes, and changed schedules; she con be considered a college ca-ed.

## WORKING . .

After this bewildering Freshmen Week, the freshmen and the upperclassmen settle down to the routine of labs, lectures, notes, tests, and studying.

## STUDYING . . .

(

P. E. classes, formal and informal dances, gab fests in the Student Union Building, ar stralls on the campus with that ''certain fellow'' are a few of our campus activities that we will long

remember.

The P. E. classes break the "manatany" af lectures and help keep us trim.

PLAYING

Steady cauples are an accepted and expected tradition an Eastern's compus. Here we see Jayce and "Cattan" chatting at a farmal dance in Walnut Hall.

### DATING . . .

Ray seems ta be giving "Tiny" piana lessans while na ane is araund.

#### WORSHIPPING . .

Warshipping in church, cathedral, synagague, ar temple; attending devatians ar fellawship meetings are impartant phases in the development of a well-raunded moral, intellectual, and spiritual individual. These qualities are evident in aur leaders wha are Eastern's hope, jay, and bulwark. Captain in R.O.T.C., president of the Y. M., and captain of the swim team, Bab Snavely is an example of a leader in both church and campus life.

## . . LEADING

Students getting together for weekly assembly sense the spirit of what Eastern is and what Eastern has been. The weekly Wednesday morning assemblies, the special assemblies to honor our outstanding athletes, and — the most memorable assembly of our college career — the Founder's Day program reveal to us what Eastern has done in the past, and how many men have labored to make her the leader in education that she is today.

And now as we seniors prepare to enter the world to follow our chosen professions, may we always remember our loyal friends, our many big thrills, and the few small disappointments, and most of all, cherish what our "friendly Eastern" has meant to us in our four short years on her beautiful bluegross campus.

## BUT NOT ENDING, JUST COMMENCING

In Eastern's fifty years she has had the privilege of having many fine leaders and administrators. The past and present members af the Board of Regents have warked diligently for Eastern and her best interests. If it were not for these loyal men, Eastern would not have advanced as far in the field af education as she has. Her five presidents, Ruric Nevel Roark, 1906-1909; Jahn Grant Crabbe, 1910-1916; Thamas Jackson Coates, 1916-1928; Herman Lee Danavan, 1928-1941; William Francis O'Dannell, 1941 —, have been autstanding educators both in Kentucky and in the nation.

Under the leadership of these fine men Eastern has advanced rapidly. With their eyes on the future as well as the present; aur leaders taday are preparing for the rapid growth in the years to come—the enrollment steadily increases, more classraoms are needed, mare darmitaries are needed — they are built and before they are finished they are inadequate. This growth is narmal, but we hap as Eastern continues to grow that she does not lase her oneness and friendliness that we will always cherish.

As we stand here - proudly and reminisce on our past four years at Eastern, we think of all those who have gone before us students who for fifty years have laved the wolks on our campus who have waked to a snowblanketed ravine, or one roved in the brilliant colors of fall, and, on walking through, breathed the first crisp air — a new year beginning. For mony, it is the first at Eastern — but for others who have known other years, every fomiliar sight brings back memories of last year - the year before — or "my freshman days." We take each step that leads us nearer to graduation with mingled pride and regret - never again will we know the corefree - yes, corefree — days of our college life. Yet - os we think of classes far fifty years who have felt the same, we smile with joy that many more will know the pleasure, the pride we have in being students - and graduates of Eastern.

Times change radically in fifty years — fashions are completely revolutionized - yet students everywhere, now and then, enjoy the everyday goings-on of a college campus. So many little things --- when we look back on them --bring back a remembered day or event in all its original clarity. Lingering moments for a little "socializing" in the grille — asking the girl in front of you to the compus movie — having a snowball fight in the first snow of the year --- caroling befare Christmas on a clear, starry night — sitting in the rovine on the first sunny spring day — the chiming of the tower clock, a quick glance at the time — and another class —

# DAILY LIFE-

Arrival on Eastern's campus always proves enchanting. To the newcamers, it is something new and exciting; and to the old stand-bys, it means another nine months of activities to pack away in that book of memories. The vacatian was great, but the campus surely looks inviting, and we can hardly wait to get into the swing of things.

Cindy Day and Ja Haliday arrive—late as usual

### WELL! HERE WE ARE

Ann Scudder and Nancy Barker enjay warking tagether, fixing their new hame Narley Haley, Jim Hisch, and Cass Hall mave inta the new darm

After settling in the dorms, our next day provides many opportunities to make new acquaintances and to chance upon old friends. For example, those never-ending registration lines, the song fests oround the piana, and lunching in the cofeteria.

At lost! Mr. Nolan is o welcame sight—the last line

### GETTING TO KNOW YOU

A good voice is not necessary to sing while Gus plays, here, in the Labby of the Student Union

Oh, na! Not another line, and this has been such a big day

During the first week or so, the students have mony social events to attend. There are teas, the freshman talent show, where the yearlings make their debut, and the very impressive installation of the house councils.

Mrs. Cooper paurs tea for Bobby Henderson at the annual tea given far the freshman.

## OFF TO A GOOD START

The winners of the frosh talent shaw are Gus Franklin, wha played the piana; Charles Georgi gave a monologue; and Jim Jahns sang an old favorite sang.

Officers of the Burnom House Council are; president, Virginia Fugate; vice president, Peggy Baker; secretary, Wilma Brammell; treasurer, Nellie Whalen; and aut-going president, Jean Walton.

The second week, we begin classes. The wolk to class, the lectures and notes, the lobs, punching classmates to keep them awake, those torturing minutes before the whistle blows, and the long hours of studying, both in the dorm and the librory, all become a part of our doily life. Sometimes we enjoy wolking to closs

## LOVE BUG BITES

Look, Mrs. Chenault. Doris and Wetsel are holding hands.

What! A gentleman on Eastern's campus. Sandy, did love do that to Bobby?

When we think of the fall, we remember faotball and faatball leads to hamecaming. When we think af hamecaming, a jumble of pep rallys, decaroting the campus, flaats, queens, old grads who watch with envious eyes, the game, and the dance will all ga through our minds. Homecaming probobly praduces more excitement and school spirit than any ather

campus activity.

### DOGPATCH WAS NEVER LIKE THIS

Each year ane af the most exciting dances is the Sodie Hawkins. The girls go wild in trying to get to their favarite "hustle" first. Ta this big event, the short boys get invited first because, the girls pay accarding ta their dates' height. Everyone dresses dagpatch style and the more outlandish the costumes, the more fun everyone has. We will never forget this viceversa occasion.

Don't Bunny and Gary make a typical Daisy Mae and Little Abner? Danna and Bernie captured the best dressed award. Wha else but Faye and Nelsan would be chasen the craziest?

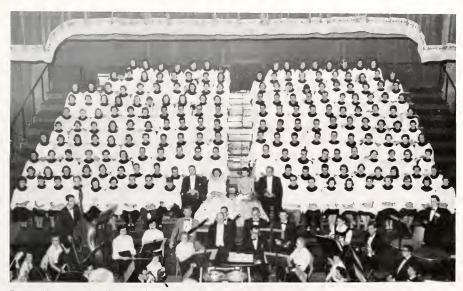

Ga, girls, ga!

Christmas is ushered in by winter, and Christmas an Eastern's campus will be relived mony times in aur memories. Two outstanding events far this festive occasion are The Hanging of the Greens and The Messiah. In this way, Eastern helps pramate Christmas spirit amang its students.

The highlight of the evening was the crowning af the King and Queen of the Christmas Dance. Ja Rene McKendrick, Loyall, and Shirley Taylar, Cynthiana, were chosen to reign. Anita entertoins the children, while Ross Mills manages ta study

### SOME STAY .

Ray Brackett and Bob Tishue don't let their wives, Frankie and Jean interfere with their card game

Cute little homes, hoppily married couples, and playful children and dags, make up our Veterans Village where several hundred students live. To the contrary, though, there are those "suitcasers" who can't spend even a weekend here.

Often we come to college undecided about what course we want to pursue - yet, before we leave, definite purposes and goals, if not concrete plans, are fixed in our minds. Our voried interests are stimulated and guided by those who know us - and interest groups further our exploration and learning about the many things we could do. The other people in these groups add to aur own ideas — through their encouragement we make decisions of our own - and we remember these interest groups as guiding lights in our educational development.

#### Season Resume'

In September, 1955, football officials around the Ohio Valley Conference would have thought it rather absurd if a winning season were discussed concerning Eastern Kentucky's Maroons.

In playing the toughest schedule ever attempted by an Eastern team, the Marcons had only eleven lettermen back from the great '54 outfit, and only two of these lettermen were starters last season. A crop of hard-working freshmen prospects plus a handful of experienced gridders combined to enjoy a season of which they can be proud.

The Maroons opened with an upset 6-6 tie with Taledo. Then, a strong Middle Tennessee team beat the Maroons 21-14 on a freakish pass play. Nevertheless, Eastern rebounded to defeat Murray 21-6, before Tennessee Tech scored twice on two breaks to beat the Maroons 13-7. Then, powerful Omaha won out 20-13 over the Maroons in a re-match of the Tangerine B ow I. The Maroons then snapped their losing habit to defeat Morehead, 35-14, Morris Harvey, 20-6, and Western, 7-0, before Louisville trounced the Richmond Gridders, 45-13. Their 3-0 win over Wofford College closed out a season which was far more successful than had been expected, and gave the Maroons a winning season.

Fred Darling, head line coach, commented— "The Wofford win was our best showing of the season; in fact, I was very pleased with the Maroons throughout the season."

According to Williamson's Rating System, Eastern's grid team finished 154th in the nation last fall. A total of 566 four-year colleges were ranked.

Here is how Eastern's 1955 opponents were ranked by Williamson-Louisville, 95; Tennessee Tech, 127; Toledo, 129; Murray, 136; Omoha, 144; Wofford, 165; Morris Harvey, 171; Western, 172; and Morehead, 400. So eight of the nine opponents were ranked in the upper third in the nation, which proves that Glenn Presnell's Moroons played a pretty foir "country" schedule, winning five, losing four, and tying one. ## BASKETBALL

Since 1946 the Eastern Kentucky basketball team has risen ta a position af national prominence. During this period the Maraons have cansistently ranked among the tap fifty teams in the nation. Sports writers and rival caaches will tell you that the stary behind the rapid rise ta national acclaim is the man behind the Maraons, Eastern's head caach, Paul McBrayer.

#### Senior Lettermen

Jack Adams, a 6-4 forward from London, is a coach's dream (and a coed's too). Adams leaves little to be desired as a basketball player . . . agile, well-coordinated, an exceptional feeder, and able to play any position. Says Coach Paul McBrayer, "He is the greatest competitor that I have seen in my twenty-five years of coaching."

Jack is the holder of nine All-Time Scoring Records at Eastern — most points, most free throws attempted, most free throws made, highest point average, most rebounds; in season play. He has four for individual game records most points, most rebounds, most free throws attempted, and most free throws made. He has made all-tournament team for every tournament he has participated in in his college career.

The Athletics Committee retired his familiar number 40 after the 1955-56 season was completed.

Farewell to Jack — Eastern's greatest.

Dick Culbertson, a 6-2 guard from Columbus, Ohio, is the fastest man on the squad, ond one of the hardest drivers ever to perform for the Maroons . . . excellent on defense, too. He is a great outside shot, and a boy who can beat you. He was the second leading scorer on the squad.

Harold Fraley, a 6-6 forward from Sandy Hook, is an excellent jumper, hard driver, and good defensive man. His height will be missed on the boards next season. Harold is one of the few college basketball players without high school experience. He was the first athlete at Eastern to receive the "Distinguished Military Student" citation, which has since been awarded to both Adams and Pellegrinon.

Ronnie Pellegrinon, a 6-0 guard from Portsmouth, Ohio, is a terrific outside shot with a one-hander, as well as a hard driver and a good shot in close. Ronnie's one-hander that connected in the closing seconds to beat Louisville in an overtime was a thrilling play we will not soon forget. Probably Ronnie's biggest game of the season was when he scored twenty-five points in the second half of the Middle Tennessee game to lead the Maroons to victory.

Kenny Davis, a 6-4 forward from Williamsburg, is a fine shot, good rebounder and scrapper. Kenny lettered on the 1952-53 Maroon team that c op ped the conference championship and went on to the N.C.A.A. Tournament, where he started against Notre Dame. Davis is taking pre-med and plans to enter University of Louisville Medical School after graduation.

#### Season Resume'

There are those who would say that Eastern had a bad season this year in basketball-there are those who would quickly agree-and there are those who say Eastern had a much better season than the win-loss recard indicates.

Fram Richmand sauth to Raleigh, N. C.; then to Montgomery, Ala.; north to Taleda; south to Murfreesbara and Cookeville, Tenn.; narth ta Chicaga; sauth to New Orleans; hame, and north ta Cincinnati and Dayton for the seasan windup. The Maraons gat around this year, played befare record crawds, and left every team an the raad samething to remember them by -afight ta the finish.

Eastern suffered their ninth lass of this seasan's campaign upon their second meet with Morehead in early January. The Maraons bounced back in their final week of basketball this seasan in the three games with teams that are taps in the nation, Lauisville – Xavier – and Dayton. All three were N.I.T bound. Eastern beat Lauisville, wha later became the winner of the National Invitational Taurnament, 86-84; they gave Dayton, runners-up in the N.I.T., an excellent game which showed Eastern as a national basketball pawer.

Eastern was, is, and will be a powerhause, regardless of the win-loss recard, as lang as we have players like Adams, Pellegrinan, and Culbertson; and as lang as we have caaches like McBrayer and Kearns; and as lang as we have layal fans like the Eastern students and Richmand townspeople.

Since our Independence, America has been a nation standing for democracy, equality of man, and a free way of life. The armed forces have constantly maintained their vigilance in protecting not only our own country, and the way of life we enjoy here, but has come to the aid of brother nations in time of oppression. The youth of our country have given the supreme gift — their lives — in maintaining freedom and military supremacy. The Reserve Officers Training Corps gives our boys advanced training in military tactics - preparing them to take their place among the honored ranks of those who, day and night, give of themselves that we may enjoy our bounteous freedom.

#### ALMA MATER

Hail to thee our Alma Mater, Faithful guide of youth,

Holding high amid the darkness Duty, light, and truth;

Still above, the skies attend thee, Still thy stately columns stand,

Still thy sons and daughters love thee Sing thy praises o'er the land.

All the earth's resplendent beauty Nature gathered here,

Rolling lawns and trees and grasses On thy hillsides fair;

Happy days within thy shadow, Friends and comrodes we have won.

Fill our hearts with exaltation For thy task so nobly done.

When, beloved Alma Mater Memory recalls

Other days of youth and laughter In thy gracious holls;

When thy sons and daughters scottered Turn again to thee,

Still thy lamp is brightly lighting Us afor, that we may see.
