The Sportsman's Creed

The Player . . .

- 1. He lives clean and plays hard. He plays for the love of the game.
- 2. He wins without boasting, he loses without excuses, and he never quits.
- 3. He respects officials and accepts their decisions without question.
- 4. He never forgets that he represents his school.

The Coach . . .

- 1. He inspires in his boys a love for the game and the desire to win.
- 2. He teaches them that it is better to lose fairly than to win unfairly.
- 3. He leads players and spectators to respect officials by setting them a good example.
- 4. He is the type of man he wants his boys to be.

The Official . . .

- 1. He knows the rules.
- 2. He is fair and firm in all decisions. He calls them as he sees them.
- 3. He treats players and coaches courteously and demands the same treatment for himself.
- 4. He knows the game is for the boys, and lets them have the spotlight.

The Spectator . . .

- 1. He never boos a player or official.
- 2. He appreciates a good play, no matter who makes it.
- 3. He knows the school gets the blame or the praise for his conduct.
- 4. He recognizes the need for more sportsmen and fewer "sports."

The Second Guess

NOTE: The following article appeared in the Denver Post Monday, February 16, 1959 as a "Second Guess" column by Jack Carberry. Mr. Carberry's excellent presentation merits your attention to a matter of importance to all administrators, coaches, parents and players interested in educational athletics.

As this congregation knows I have been around the sports beat for a long, long time. And for as long as I can remember, I have listened to the cry of the loser, "We was robbed," to alibi his own or his team's shortcomings. But in all the years I have never witnessed, nor have I heard, anything approaching the complaining voiced nowadays not only by the spectators, but by players, and more especially, the "teachers" of our athletics.

Maybe it is the time in which we live. Maybe it is traceable to a world in which there is a general distrust of leadership, in governments, and in business, and even in our social life. Whatever the cause, there is in the world of sports a growing disrespect for authority—the referees, the umpires, the linesmen and the judges.

Now I am not attempting to put the "blast" on any individual or on any particular sport. But I want to tell you the story the father of a 10-year-old lad told me—a story which I think should make every "teacher" of American games, coaches and players alike, reach a better understanding of their responsibilities.

The boy is a member of a South Denver Sunday School league. The team, as are the other clubs, is sponsored by the dads of the various congregations who provide the uniforms, pay the cost of hall rent, and other expenses. Coaching is provided by various church members who give considerable of their time. Officiating is on the same volunteer basis. Every effort is made to have the families of the players attend the games, the thought being that this will aid in producing "family togetherness"—a word we hear used, and overused, quite frequently.

This particular father, and his wife, attended one game last Wednesday night. Both came away shocked—and frightened.

During the course of the game their boy. along with his teammates, kept up a constant screaming, directing their remarks at the officials—berating them for their calls, and jumping up from the players' bench to emphasize their disagreement by gestures which have become all too familiar to basketball audiences everywhere—the hold of the head in both hands, as though in agony, the holding of the nose and such cries as "you

stink," and "you robber, you."
"I was tempted," said the father, "to go down and take my boy off the bench. But I feared that might break up the game. But when I got him home I sat down with him and asked him what he meant by such conduct.

"Why did you act as you did-surely you know the referee, a good friend of ours, would not cheat your team, or any team? Did you

really believe you were being cheated?
"I was not," the father said, "prepared

for the answer I got.

"My boy said: 'No, I did not think we were being cheated-I like Mr. (he named the referee) very much, and he is a swell guy. But he was an official, and all the coaches on the big teams, and all the players on the Truckers and the college teams you take me to see, yell at the officials and make signs, and they are all good coaches and good players'."

The boy named one coach in particulartruly a capable teacher of the game, but one given to histrionics, under the delusion I am sure, that he is adding "color" to the game.

"He (naming the coach) is the best coach in the world, and his players are the best players and they yell at the officials all the time."

One cannot help but wonder if coaches and players on "the big teams," ever give thought to what their actions-not alone upon the playing field but upon the bench-have upon those who view them as their heroes.

It is serious business. This particular father was undecided as to what he should do. His first thought was to take his boy out of sports. If sports taught little more than disrespect for authority—and that is exactly what such antics as one witnesses in sports mean—then sports surely have lost all their value.

If an official is incompetent, be he volunteer in the little Sunday School league, or the well-paid referee on the field for the "big games," his future services should be dispensed with.

But the growing disrespect for authority being exhibited in American sports today cries out for corrective action also.

Monday there were 642 inmates in Denver's county jail; there were 73 boys and girls in Juvenile Hall; several additional hundred were in the state home at Golden. Why? Because 99% of them lacked all respect for authority-of teacher, of minister, of priest, of policeman, and of the laws under which we

Let us cut out the "play-acting" and play ball.—National Federation Press.

\$1.00 Per Year

Early Season Football Questions

Editor's Note: These rulings do not set aside or modify any rule. They are interpretations on some of the early season situations which have been presented.

Installment II

24. Play: After expiration of time-out charged to Team A but before the ball becomes alive: (a) Team A; or (b) Team B requests another charged time-out.

Ruling: Request in both (a) and (b) will be denied. No charged time-out may immediately fol-

low another charged time-out,

25. Play During the last timed down of the 2nd quarter and while a scrimmage or free-kick by K1 is rolling beyond the neutral zone: (a) R1 holds and kick rolls out-of-bounds; or (b) substitute R12 enters field; or (c) there is an unsportsmanlike conduct foul by R1; or (d) an unsportsmanlike conduct foul by K2.

Ruling: In (a), (b) and (c), if the penalty is not declined, the quarter is extended by an untimed down. In (d), the penalty is enforced at 2nd half

kick-off.

26. Play: Is K considered the Offense during

a scrimmage or free-kick?

Ruling: Yes, K is Offense during the scrimmage or free-kick. However, if R gains possession, the kick ends and R becomes the Offense.

27. Play: End A7 charges into the neutral zone too soon but returns behind his line without contact. In response to the movement of A7, defensive tackle B6 charges and contacts A7.

Ruling: False start by A7.

28. Play: During a successful try, A3 holds B4 on B's 7.

Ruling: Penalty is automatically accepted. After enforcement, A will put the ball in play on the proper yardline anywhere between the inbounds lines.

29. Play: 4th and 10 on R's 40. K2 first touches kick on R's 20. R2 then muffs and K3 recovers on R's 10. After ball is dead, R3 clips K4 on R's 15.

Ruling: R may take ball at spot of first touching (R's 20) after which the penalty for the foul by R3 is enforced. It will be R's ball on their 10; 1st and 20.

30. Play: 4th and 10 on B's 15. A1 throws a backward pass toward A2 who bats it forward so that: (a) it is caught by tackle A3 on B's 3 yardline and carried into the end zone; or (b) it strikes the ground and rolls into the end zone where A4 recovers; or (c) it strikes the ground and comes to rest on B's 3 where all players refuse to touch it; or (d) it goes into the end zone where B bats it out-of-bounds behind the goal line.

Ruling: It is a touchdown in (a) and (b). In

(c) it is A's ball—1st and goal line. In (d), if A accepts the penalty, it will be 4th and 21/2 on B's 71/2. If the penalty is declined, it is a touchback.

31. Play: 3rd and 8 on B's 13. B1 holds during run which ends on line of scrimmage. Will it be first down for A after enforcement?

Ruling: No. It will be 3rd down, 11/2 yards to

32. Play. K1 receives snap while standing with his left foot on the end line. He kicks and R2 is offside.

Ruling: Ball dead when touched by K1. If K accepts penalty for offside, they put ball in play without loss of down. If penalty is declined it is a safety.

33. Play: Team K punter is beyond the end line at the snap. He quickly moves into the end zone to catch ball.

Ruling Illegal participation.

34. Play: Fumble by A1 is in flight when B1 jumps and gets it in his hands. He comes to the ground with a foot on or outside a sideline.
Ruling: Official must decide when B1 secured

Ruling: Official must decide when B1 secured possession. The second sentence of 7-5-4 specifically covers a forward pass in a similar situation but there is no specific coverage for a backward pass or a fumble. Since nearly all such cases involve doubt, it is best to apply the forward pass principle and rule that ball is not in B's possession in the case as outlined.

35. Play: Team B has only 10 players on the field at snap. Long forward pass by A1 crosses line of scrimmage and is then batted down by B11, who has run onto the field.

Ruling: Illegal substitution. If A accepts penalty B is penalized 5 yards from previous spot. (In obvious situations it can be unfair act (9-7-1).)

36 Play: Ineligible A1 is legally several yards beyond the neutral zone because of having driven B1 back from the line with a block. Forward pass by A2 accidently touches ineligible A1. Pass is deflected and: (a) eligible A3 catches it; or (b) it is intercepted by B3.

Ruling: Pass is completed in both (a) and (b) and ball may be advanced. Accidental touching by

A1 is ignored.

37. Play: After eligible A1 catches a forward pass while he is in the air in B's end zone, he is carried by an opponent so that he alights out-of-bounds or in the field of play.

Ruling: Touchdown.

38. Play: 1st and 10 on A's 3. Runner A1 fumbles on his 2 yardline, B1 intentionally kicks loose ball which is (a) on A's 2; or (b) in the end zone. Ball then goes out-of-bounds behind the goal line.

The Cross Country Run

The K.H.S.A.A. will attempt to set up seven regional cross country meets, scheduled to be held on Saturday, October 31, 1959. The sites are Paducah, Bowling Green, Clarkson, Louisville, Bellevue, Berea, and Morehead. Entry blanks will be sent to the principals of all member schools who have indicated that they plan to sponsor cross country teams this year. The state cross country run is scheduled to be held in Lexington on November 14.

Employment Bureaus

Sixteen employment bureaus for officials have been established. Each registered official should file at once with his bureau head and/or the nearest bureau head his schedule of games and a list of dates on which the official will be available to call games. Although the bureaus have been set up primarily for basketball, the men in charge will be glad to assist officials and schools in filling open football dates. The names of the bureau heads, with their residence and business phone numbers are as

Region 1. Rex Alexander, Murray State College, Murray; Res. No., PL 3-3579; Bus. No., PL 3-2310. Region 2. Charles Irwin, Route 4, Hopkinsville;

Weight Training

Vern Wolfe, North Phoenix, Arizona high School's outstanding Track Coach, recently lectured at a track clinic in Chicago in connection with the Pan-American Games. The clinic was sponsored by the Olympic Games Committee and the National Track Coaches' Association. Coach Wolfe's topic was "Developing National High School Champions." It will be recalled that within the past decade, Coach Wolfe has tutored three national champions: James Brewer in the pole vault (15 feet); Dallas Long in the 12-lb. shot (69 feet 3 inches); and Karl Stanly Johnstone in the discus (3 lbs. 9 ounces). In his lecture at the track clinic Coach Wolfe strongly advocated a program of weight training in preparing athletes for interscholastic competition. He predicted weight training programs would be used widely throughout the country in basketball, baseball, football and track, as well as for wrestling, within the next five years. He also recommended the hop, step and jump as well as the steeple-chase be included in interscholastic track programs.

Member Schools of the K. H. S. A. A.

The following schools are members of the Kentucky High School Athletic Association for the year ending June 30, 1986. Principals of member schools should check this list carefully to game are included. This list was compiled and sent to the printer on October 1. A supplementary list of member schools joining in October will appear in the November issue of the magazine.

National Federation Annual Meeting

(Continued from September Issue of the ATHLETE) The Joint Baseball Committee participated in a breakfast meeting on Tuesday, June 30. Those present were T. A. SANFORD (Kentucky), Chairman; H. M., EMSWILER (Ohio); W. R. FUGITT (West Virginia); L. V. PHILLIPS (Indiana); ALBERT WILLIS (Illinois); and CLIFFORD B. FAGAN, National Federation Executive Secretary. Topics of mutual interest were discussed and there was agreement that the current program as sponsored by the Joint Committee is working satisfactorily. A report and accompanying communication from the President of the National Association of Professional Baseball Leagues announcing disciplinary action taken against a professional club which had violated the agreement were reviewed. The penalty for the violation of the agreement was assessed as provided by the agreement and the Committee commended the President of the Association for his action. The Committee also received a communication from the Commissioner's office, asking for its interpretation of the application of the agreement to a boy who had rendered himself ineligible in a state due to his becoming married. The Committee concurred with the Comissioner's interpretation that such boy was not eligible to sign a professional league contract until he had become too old for interscholastic athletics or he had completed the number of semesters at the schools in which he could be eligible for interscholastic athletics or his class had graduated. The Baseball Summary, prepared for distribution when the Committee made its report at the General Athletic meetings, was reviewed. Chairman T. A. SANFORD (Kentucky) and Committee Member L. V. PHILLIPS (Indiana) were authorized to make the report on the Committee's behalf.

An election for Executive Committee Members for Sections 1, 5 and 6 resulted in the re-election of W. R. FUGITT (West Virginia) for Section 1; the election of GROVER C. KOFFMAN (Louisiana) for

Section 5; and of HINEY P. LUND (Montana) for Section 6. At the Thursday meeting of the Executive Committee, HERMAN F. KELLER (Indiana) was elected President of the National Federation and C. E. WETMORE (Wisconsin) was elected Vice-President

At the business session of the National Council a Committee, representing several State Associations, introduced the following proposal to be recommended to the Collegiate Associations as an AMENDMENT to the present Collegiate All-Star

"Be it hereby resolved that any interscholastic player, who during the previous school year was a member of a high school team, shall be ineligible for intercollegiate competition in athletics if he has participated in an All-Star game not sanctioned by his State High School Athletic Association.

"Be it further resolved that the National Federation's Executive Committee request each State High School Association Executive Officer to urge colleges in his state to support the amendment.

"Be it further resolved that the amendment not apply to any player for participation in an All-Star contest prior to September 1, 1959.

"Be it further resolved that the National Federation Executive Committee or its Executive Representative request the National Association of Intercollegiate Athletics and the National Junior College Athletic Association to adopt the present college All-Star regulation and the amendment.

"And be it further resolved that a copy of the regulation and the amendment be sent to all members of the Executive Committees of the National Collegiate Athletic Association, the National Association for Intercollegiate Athletics and the National Junior College Athletic Association."

After a study of the resolution and a thorough consideration of all the problems involved, it was adopted by a vote of 25 to 9.

The National Council adopted, by a 25 to 1 majority, a RESOLUTION expressing its disapproval of the All-Star features of the Babe Ruth League tournament play and further resolved that the Boards of Control of each State Association and the administrative Secretary of the Babe Ruth League, Inc. be notified of this action.

RESOLUTIONS expressing appreciation to the Tennessee Board of Control, the Tennessee Legislative Council, the Tennessee Executive Officers, and Messrs. Bridges and Porter were unanimously adopted. Mrs. Grider, Mrs. Jennings, and Mrs. Traube were voted the great appreciation of the Federation Council members for their services as registrants and for the many courtesies they extended to people enrolling at the convention.

LIST OF CORRECTIONS 1959 FOOTBALL RULES PUBLICATIONS Case Book

1. P.S. 21: Last sentence might not be correct if ball had been snapped between B's 25 and their goal line.

2. P.S. 124D: In 5th line after comma, insert "or Captain of Team A requests time-out for a designated injured player.
3. P.S. 267: Ruling in (a) should be 1st for A on

B's 12-1/2. (Half the distance from B's 25).

4. Question 4, p. 57: Only 4 is correct statement. 5. P.S. 304B: Penalty in (a) is automatically accepted.

- 6. P.S. 307: The new try is from B's 2 yardline.
- 7. P.S. 445: In (a) penalty is automatically declined, but if Captain should insist on enforcement, it would still be a touchdown as explained.

 Player Handbook
- 1. Page 3, Fundamental No. 11: The period must be extended.
- 2. Page 10, 3-5-1 and 3-7-1: "Referee's time-out" is now "Official's time-out." "Excess time-out" is no longer possible.
- 3. Page 21, last play on page: Flying tackle is no longer illegal.
- 4. Page 32: Third and second sentence from last sentence of the first paragraph of the "Comment" are not in line with current rule regarding interior linemen.
- 5. Page 32, last two plays on page: Ruling would depend on meaning of "position." If tackle A1 has one or both hands on or near the ground, it is a false start.
- 6. Page 34, second play from bottom: Penalty for defensive holding is 15 yards.

FOOTBALL QUESTIONS

(Continued from Page One)

Ruling: A will doubtlessly decline the penalty in either (a) or (b) and take the touchback. If the penalty is accepted it will be 1st and 10 for A on its 18

39. Play: 1st and 10 on A's 12. Fumble by A1 is almost at rest on his 4 yardline. During an attempt to recover the ball, A2 pushes B1 into the ball which forces it across the goal line where it is recovered by: (a) A3 who is downed there; or (b) A4 who advances to A's 15; or (c) B2.

Ruling: A2 forced the ball across his his goal line when he pushed B1 into it. Safety in (a) and touchdown in (c). In (b), it is A's ball on the 15 and the next down is 2nd and 7.

40. Play: The score is A 14 - B 6 with one minute left to play. Team A has the ball on their own 2 yardline. A1, who intends to kick, muffs the snap in the end zone and then throws a forward pass which is muffed by ineligible A2 on the line of scrimmage. The muff is intercepted by B1, who carries it into the end zone. After B1 is in the end zone B2 clips. Captain of Team B desires to accept the penalty for the illegal forward pass.

Ruling: Under ordinary circumstances, the penalty for the illegal forward pass will be automatically declined, the touchdown will count and the penalty for B's clip (a dead ball foul after the touchdown) will be enforced at the succeeding kick-off. However, as is aways their prerogative, B may accept the penaty. If Team B accepts the penaty, there is a double foul because the foul by B (clipping) will have occurred before B has accepted the penalty for A's illegal pass. A double foul will require replaying the down.

41. Play: The score is A 13 - B 12. Both Team B touchdowns have been scored by punt returns. A punt by Team A is in the air as time for the fourth quarter expires. Team A commits fair catch interference by: (a) catching the kick in flight beyond the expanded neutral zone; or (b) preventing B1 from catching it.

Ruling: The game is over when the ball becomes dead. The fouls in both (a) and (b) have been by the Offense and, therefore, the fourth period cannot be extended by an untimed down.

42. Play: A1, running near and parallel to the sideline, inadvertently steps on it after which he returns inbounds and catches a forward pass.

Ruling: A1 has been out-of-bounds voluntarily.

Comment: It is the responsibility of the players to know the location of the boundary lines.

43. Play: A team charged with four time-outs in a half requests a time-out for injured A1. May A2 or B1 confer with his coach at the sideline?

Ruling: This will be an Official's time-out. Since the time-out is going to be charged to the Official, it is not legal for either team to confer with his coach.

44. Play: Kick by K1 is first touched by K2 after which it is muffed by R1 and rebounds behind the line where K1 recovers and advances for a touchdown. K3 was offside. After the touchdown:
(a) K; or (b) R commits a personal foul.

Ruling: Penalty for the offside by K3 is considered automatically declined to permit A to take the ball at spot of first touching. In both (a) and (b) the penalty for the personal foul is enforced after awarding the ball to R. After measurement for the personal foul it will be R's ball and in (a), 1st and 10 and in (b) 1st and 25.

45. Play: After ball is ready-for-play, offensive tackle takes 3-point stance inadvertently in neutral zone. He moves slowly back to be legally on the line. Is this a false start if B: (a) is; or (b) is not drawn into the neutral zone?

Ruling: Not an infraction of the rule concerning interior linemen. It might be a false start for other reasons but if the tackle's obvious purpose is merely to move to a correct position, it will be considered legal action.

46. Play: 3rd and 7 on B's 15. A2 is offside during the down in which A1 advances for a touchdown. After A1 is across the goal line, B2 plies on.

Ruling: Penalty for offside by A2 is automatically accepted and the distance is measured, placing the ball on A's 20 yardline. Then the penalty for the foul by B2 (one-half the distance to the goal) is enforced. It is 3rd and 2 for A on A's 10 yardline after the enforcement.

47. Play: 2nd down. Punt by K1 is touched by R beyond the neutral zone expanded, after which it rebounds behind the line where it is recovered by K2. K2 chooses to attempt to advance by means of a legal forward pass. The pass is incomplete.

Ruling: Touching of punt by R1 beyond neutral zone expanded ends series of downs. It is a new series for K, 1st and 10 at the previous spot.

48. Play: After a fair catch in the right side zone on his 40, R, because of the wind, elects to: (a) free kick; or (b) snap from the left inbounds mark.

Ruling: In either (a) or (b) the ball may be put in play on the proper yardline anywhere between the inbounds lines.

49. Play: When and where will the National Federation Football Committee meet in 1960?

Ruling: At the Claypool Hotel in Indianapolis, Indiana, Monday and Tuesday, January 4 and 5.

The Flying Dutchman

Eighteen years ago, about this same time of the year, the Dutchman was loading the car for his first trip over Kentucky conducting basketball clinics for the K.H.S.A.A. Since 1942 approximately 35,000 miles have been put on two Chevys and three Pontiacs working with Kentucky's basketball officials. And it has all been a wonderful experience.

All of you fellows in the age bracket of Russ Williamson, Jack Dawson, Louie Litchfield, "Johnie" Crowdus and Methuselah will recall that 1942 was a gasoline rationing year. When we started out there were only enough gas coupons to cover one hundred fifty miles, Commissioner Ted, in his Henderson office, never expected the Dutchman to cover the 1900 mile trip. When that 1939 Chevy coasted in to Barret High for the last clinic the completion was a tribute to the co-operative genius of Kentuckians. The car was pushed, carried in a transfer truck and towed. In Ashland, the police did not help by towing it in for parking all night in an area where the streets were being cleaned.

1942 saw 96 coaches, officials and players turn out. It is a safe guess that 1959 will see over 2,000. The same year saw hair on the heads of Ernie Chattin, Rex Alexander and Ellis Johnson; this year will see none. Earle Jones staged the clinic in the Maysville jail in 1942; 1959 finds our trusty officials paroled to Lexington. There have been a lot of changes, lots of wonderful memories, many enduring friendships and a wonderful improvement in the sportsmanship of coaches and crowds, causing Kentucky to be regarded as "The Sportsmanship Capitol of the Nation."

This past spring the Dutchman sat on the National Basketball Rules Committee, helping write the rules. That august body has instructed all of the nation's interpreters to emphasize four things: (1) Sportsmanship, (2) Proper tossing of jump balls, (3) Administering the running rule, and (4) Legally blocking goals for which so many times players are penalized. Of these four, sportsmanship takes precedence.

ALL COACHES AND OFFICIALS TAKE HEED OF THE FOLLOWING: Coaches will be expected not only to set good examples on the bench but will not converse directly with officials on the playing floor. Any official conversing with a coach on the floor, except in cases of emergency, will be guilty of violation of procedure adopted by Kentucky's basketball officials. At the state-wide meeting of the officials representing the sixteen regions Howard Gardner moved to this effect, Briscoe Imman seconded, and the group voted unanimously in favor of the motion.

Excerpts from an article by Cliff Fagan, Executive Secretary of the National Federation of High School Athletic Associations, stress sportsmanship. These are from Fagan's "A Job To Do": "Good sportsmanship is the 'most noble' of all interscholastic program objectives. . . Unfortunately, wrong attitudes are just as easy to acquire if the contests are allowed to degenerate to demonstrations of poor sportsmanship. . . . Good sportsmanship is not a complicated attitude. . . . It simply means playing

the game according to the spirit as well as the letter of the rule."

The K.H.S.A.A. has long been placing emphasis on sportsmanship. That is what the Abou Ben Adhem Awards are for Let the Dutchman know when a community does something outstanding so recognition can be made. The Indiana High School Athletic Association places large signs in Butler Field House at each State Basketball Tournament emphasizing sportsmanship. One we remember reads "Good Sportsmanship will always win, whether your team is out or in."

The Dutchman's gratitude and the appreciation of all Kentuckians are due the hundreds of Kentucky's coaches who helped make a study of recreation in all of our counties for President Eisenhower's White House House Conference. Your surveys were accurate and revealing, and should bring recreational progress to the Commonwealth. Your studies revealed that the lack of recreation programs in our state is appalling, but what is more important you indicated that the people wanted something done for Kentucky's boys and girls in the field of recreation.

According to countless questionnaires returned by Kentucky's coaches and physical educators, the thing most needed recreationally in order of importance are: (1) Year-round recreation programs with trained directors, (2) The use of school buildings and grounds when not in use educationally, (3) A solution to the problem of finance, (4) Development of facilities, (5) Adults to take the lead, (6) Activities for girls, and (7) Co-ordination of many activities which have sprung up "ilke Topsy." Relative to No. 3, the solution should be simple with Referee George Conley in the State Senate.

Anything can happen in Kentucky. This is in evidence when on the first play of the first football game of the season in Louisville a football official and a player suffered broken legs at the same time when they were simultaneously clipped. They were both bedded down in the same room in the same hospital.

This occurred in one of our state high school games. A penalty was called and the referee stepped off fifteen yards, signaling back-field in motion. The protesting coach said, "Ref, that's only a five yard penalty." "So it is," said the Referee, "but there were three men in motion in your backfield." "Gee, why did this have to happen to me," moaned the coach.

Football is progressing. With the determination of state champions a great impetus has been given to the game by the K.H.S.A.A. Edgar McNabb, the granddaddy of all officials from football and basketball to hop-scotch," has given high school football another push forward with his football clinics for coaches and officials. If you want good sports it naturally follows that there must be good officiating. Because "Big, Good-natured Mae" is contributing so much he is the unanimous choice to receive the Corn Cob Pipe Award for October. It could not happen to a nicer guy.

Send your news, recommendations for awards, your compliments and criticisms to The Flying Dutchman, Suite 1-5 Armory Buildings, Louisville 2, Kentucky.
