Baseball Rulings...

Editor's Note: These rulings do not set aside or modify any rule. They are interpretations of some of the early season situations which have been presented.

1. Play: R1 is on 2nd. F6 attempts to reach ball batted by B2 but ball goes past him and then strikes Umpire. F6 gets ball and throws to 1st before B2 arrives there.

Ruling: Ball remains alive. B2 is out and R1 may advance at his own risk. (5-1-1-g)

2. Play: With R1 on: (a) 1st; or (b) 2nd; balk is followed by a pitch which hits B2.

Ruling: In (a) penalty for balk is ignored and B2 is awarded 1st and R1 goes to 2nd. In (b) balk is penalized and R1 is awarded 3rd and B2 remains at bat. (6-2-4 penalty)

3. Play: With one out and R1, R2 and R3 on 3rd, 2nd and 1st bases, respectively, B5 hits a fly which is caught. Catch is followed by erratic throw during which ball remains alive and R1 and R2 advance to home base. R3 is out on appeal for failure to tag up at 1st.

Ruling: Runs by R1 and R2 count. (2-11-6;9-1-1)

4. Play: With reentry plan in use, it is announced that substitute Johnson will pinch hit for starting center fielder Larson who is in fourth place in the batting order. When may Larson reenter?

Ruling: Immediately, and he must return to fourth place in the batting order. (3-1-3 optional reentry)

5. Play: Using reentry plan, S10 pinch hits for B5 in the fourth inning. In the fifth inning S10 is replaced by B5. In the seventh inning S10 intends to enter again to pinch hit for B1.

Ruling: Illegal. Because S10 was not one of the starting nine players and has been in the game (during the fourth inning) he cannot return as a player. (3-1-3 optional reentry).

6. Play: F6 overthrows 1st base. Does ball become dead?

Ruling: Not unless ball goes into the stand or dugout or is touched by a spectator or goes under or through a fence or becomes stuck in a fence. (5-1-1-h)

7. Play: 3rd strike on B1 is dropped. Catcher gets ball and overthrows 1st. In (a) the ball goes into the stands but in (b) the ball does not go into the stand, touch a spectator, go under the fence or stick in the fence.

Ruling: Ball remains alive in (b) but in (a) it becomes dead and B1 is awarded 2nd base. (5-1-1-h)

8. Play: B1 avoids pitch which hits his bat.

Ruling: It is a fair hit or a foul hit or a foul tip. (7-2-3)

9. Play: With R1 on 3rd, foul fly by B2 in front of stand is deflected by a spectator so that F3 cannot make the catch.

Ruling: B2 is out. Ball is dead. R1 may not retouch and advance. (7-4-a)

10. Play: With R2 on 2nd and R1 on 1st, R2 interferes with ball hit by B3 toward F6. It is apparent that ball hit by B3 could result in double play.

Ruling: Interference causes ball to become dead. R2 and B3 are declared out. R1 remains on 1st. (8-4-2-b; 8-4-1-g)

11. Play: Catcher has one or both feet outside catcher's box at time of pitch for intentional walk or a pitchout in (a) with no runner on base or (b) with a runner or runners.

Ruling: In (a) it is an illegal pitch if batter does not reach 1st base safely through hit or otherwise.

The pitch is called a ball even if it goes through the strike zone. In (b), unless the batter and each runner advance one base or more, it is a balk which causes ball to become dead as soon as the balk occurs. Hence, it is neither ball nor strike. As penalty, each runner (but not the batter) is awarded one base. (6-1-1 and penalty)

12. Play: With R1 on 3rd and R2 on 2nd, B3 is thrown out at 1st by F6. During throw F5 temporarily obstructs R1 who then scores. R2 starts to advance to 3rd but returns to 2nd when he sees R1 is obstructed.

Ruling: B3 is out. Run by R1 counts. R2 is awarded 3rd base. (8-3-1-c and Note)

13. Play: With R1 on 2nd and R2 on 1st, B3 is thrown out at 1st by F6. R2 is temporarily obstructed by F4. R1 is thrown out at home plate and R2 advances to 3rd.

Ruling: B3 and R1 are out. R2 may remain on 3rd. Since R1 safely reached 3rd and R2 safely reached 2nd (which, in each case, was the base they would have reached without obstruction) the ball remains alive. R1 and R2 advanced beyond 3rd and 2nd at their own risk. (8-3-1-c and Note)

14. Play: With R1 on 2nd and R2 on 1st, B3 hits past F8 to the centerfield fence. F6 obstructs R1. R2 passes R1 between 2nd and 3rd bases. R1 then reaches 3rd base. B3 reaches 2nd.

Ruling: R2 is out as soon as he passes R1. Because R1 would have undoubtedly scored had there been no obstruction the Umpire will declare the ball dead to award home base to him. B3 will remain on 2nd. (8-4-2-h; 8-3-1-c Note; 9-1-1 Note)

15. Play: R1 is on 1st when B2 receives a 4th ball. Catcher overthrows 1st base and ball stays inside the fence. R1 goes to 3rd and B2 to 2nd.

Ruling: Ball remains alive. Legal advance by both R1 and B2. (8-1-1c; 9-5-5)

16. Play: Batted ball strikes home plate or in catcher's box and bounces to fair ground.

Ruling: Fair ball unless touched by batter, catcher or Umpire over foul ground. (2-7-1)

17. Play: S10 wishes to replace B4.

MINUTES OF THE ANNUAL MEETING

The forty-third annual meeting of the Kentucky High School Athletic Association was held at the Brown Hotel, Louisville, on Thursday afternoon, April 21, 1960.

President Russell Williamson called the meeting to order at 2:30, and asked the Commissioner to call the roll of delegates. Fifty-four regularly elected delegates or alternates answered the roll call. The following delegates were seated in the absence of the delegates or alternates from their respective districts: George Wooten, D. 6; Harold Hunter, D. 18; Clinton B. Hammons, D. 50; W. L. Miracle, D. 51; Roy G. Eversole, D. 54; John Campbell, D. 58; Jack Fultz, D. 63; Cliff Lowdenback, D. 64.

Russell Below moved, seconded by Bradford D. Mutchler, that the minutes of the 1959 annual meeting of the Association, which had been sent previously to all member schools, be approved without being read. The motion was carried unanimously.

Commissioner Sanford then gave a report on the activities of the Association during the 1959-60 school year (The report of the Commissioner appears elsewhere in this issue of the magazine).

President Williamson introduced to the Delegate Assembly Cecil A. Thornton and Oran C. Teater, recently elected to the Board of Control for a period of four years beginning July 1, 1960, and representing Sections 7 and 8 respectively.

President Williamson stated that consideration of the proposals was the next order of business.

Clinton B. Hammons moved, seconded by Russell Below, that Proposal I, providing that the exemption given in the last sentence of By-Law 37 shall apply only to full time boarding students, be adopted. The motion was carried.

Chester C. Redmon moved, seconded by Arthur Mullins, that Proposal II, providing that "nineteenth" be substituted for "twentieth" in By-Law 4 be amended with the effective date being changed from July 1, 1961, to July 1, 1962. The motion failed to carry. Glenn B. Smith moved, seconded by

W. L. Miracle, that Proposal II as stated originally be adopted. The vote was as follows: "Aye", 21; "No", 41.

Robert B. Hensley moved, seconded by Dan L. Sullivan, that Proposal III, amending By-Law 3 for clarification, be adopted. The motion was carried.

John Heber moved, seconded by George Claiborne, that Proposal IV, providing that By-Law 26 requiring an official who is connected with a competing school to notify the opposing school of his intent to officiate the game at least fifteen days before the playing of the game, be tabled. The motion was carried.

John Heber moved, seconded by Joe McPherson, that Proposal V, providing a penalty for an official connected with a competing school, who does not notify the opposing school of his intent to officiate the particular game at least fifteen days before the game, be tabled. The motion was carried.

Clinton B. Hammons moved, seconded by Robert B. Hensley, that Proposal VI, providing that By-Law 37 be amended by adding "for boys from states other than Kentucky," be tabled. The motion was carried.

There being no further business, President Williamson declared the meeting adjourned.

The dinner meeting of the Association was held in the Crystal Ballroom of the Brown Hotel at 6:00 P. M., with approximately 550 delegates and other school officials present. Recipient of the Game Guy Award was Paul Kingrey of Glasgow, a boy who has overcome epilepsy to become one of Glasgow's few 4-letter men. The presentation of the award was made by Bob Kirchorfer, the winner of the first Game Guy Award, which was given in 1949.

Dr. Adron Doran, President of Morehead State College and the Kentucky Press Association's "Outstanding Kentuckian of the Year," gave the address of the evening. Dr. Doran, a former high school coach and principal, was in a reminiscent mood, and his stories and philosophy of education were enjoyed thoroughly by those who attended the meeting.

REPORTS PAST DUE

1. 1959-60 Basketball Participation list (Eligibility).
2. School's Report on Basketball Officials.
3. Official's Report on Schools—Basketball.

State Track Committee

The State High School Track Meet, scheduled to be held in Lexington on May 20-21, will be managed by William McCubbin of the U. K. Physical Education staff. Other members of the committee are: Preston Holland, Murray; George Claiborne, Owensboro; Turner Elrod, Bowling Green; Scott Smith, Ft. Knox; Eddie Weber, Louisville; Joe Curt-singer, Louisville; Bill McCubbin, Lexington; John Schaar, Bellevue; Joe Brummett, Danville; Herb Tye, Barbourville; Arthur Mullins, Elkhorn City; Ernie Chattin, Ashland. These regional managers will assist Mr. McCubbin in conducting the State Meet.

Fines for Late Reports

More than 150 member schools had not filed their reports on basketball officials and their basketball participation (eligibility) lists for the 1959-60 season when this issue of the ATHLETE went to press. Some 400 basketball officials have not filed their reports on member schools. The Board of Control has established a fine of \$5.00 for both schools and officials delinquent with their reports. A deadline of June 15 has been set for the filing of all reports required under Association rules. Officials who have not worked any games should notify the K.H.S.A.A. office accordingly. Such notification is considered a report.

Golf Tournaments

The eight regional golf tournaments, the sites of which were given in the April issue

of the ATHLETE, will be managed by the following men: Ath. Dir. Fred Clayton, Caldwell County High School; Athletic Director Elvis Donaldson, Bowling Green High School; Ass't Principal Ed Binford, Shawnee High School; Ass't Prin. Oz Johnson, Valley High School; Athletic Director Ralph Carlisle, Lafayette High School; Mr. Julian Pitzer, Middlesboro; Supt. Oran Teater, Paintsville City Schools; and Mr. Walter Baulch, Holmes High School. The State Golf Tournament will be held at Ft. Knox on May 23-24, and will be managed by Coach John Hackett of the Ft. Knox High School. Principals who have not received their entry blanks should write to their respective managers for these forms.

Tennis Tournaments

Six regional tournaments for boys will be held in tennis this year. There will be two tournaments for the Louisville and Jefferson County schools, both managed by Coach Emmet Goranflo of the Eastern High School. The other four tournaments will be managed by Coach Ted Hornback of Bowling Green, Coach Eugene Huff of Lexington, Coach Roger Klein of Bellevue, and Coach Scott Smith, of Ft. Knox. The State Tennis Tournament will be held in Louisville on May 16-17, and will be managed by Coach Goranflo.

By the time this issue of the ATHLETE comes from the press, five regional tennis tournaments for girls will have been conducted. These tournaments were scheduled to be managed by Miss Robye Anderson, Bowling Green; Miss Margaret Sheegog, Louisville; Roger Klein, Bellevue; Miss Mary Rose Branstetter, Jefferson County; and Gene Huff, Lexington. The State Tennis Tournament for Girls will be held at Shawnee Park, Louisville, on May 13-14. This tournament will be managed by Miss Betty Langley, Bowling Green. She will be assisted by Miss Sheegog and Victor F. Williams of Louisville.

Attention, Principals!

More than one hundred principals of K.H.S.A.A. member schools have not as yet filed requests this school year for their insurance subsidies. If the school is underwriting all or a part of insurance protection for its athletes, the Board of Control will allow a maximum credit or refund of \$30.00 to each school for "all sports except football," and an additional credit or refund of \$30.00 to each school maintaining a football team. Principals of schools which qualify for the credit or refund should write for reimbursement forms at once.

Minutes of Board Meeting

The Board of Control of the Kentucky High School Athletic Association met at the Kentucky Hotel, Louisville, on Friday morning, April 22, 1960. The meeting was called to order by President Russell Williamson at 10:00, with all Board members except W. H. Crowdus; Commissioner Theo. A. Sanford and Assistant Commissioner J. B. Mansfield present.

Louis Litchfield moved, seconded by Jack Dawson, that the reading of the minutes of the March 18th meeting be waived, since the members of the Board had received copies of these minutes. The motion was carried unanimously.

The Commissioner gave a brief report on State Tournament receipts and expenses. He stated that total receipts would approximate \$132,000.00, and he estimated that profit to the Association would be a figure close to \$91,000.00.

There was a discussion of possible re-districting in basketball. W. B. Jones moved, seconded by Jack Dawson, that McKell and South Portsmouth be moved from Basketball District 64 to Basketball District 63 for the 1960-61 school year. The motion was carried unanimously.

W. B. Jones moved, seconded by Jack Dawson, that action by the Board on the selection of the State Basketball Tournament site for 1961 be deferred until the next meeting of the Board, which is subject to call by President Williamson, the tentative date was carried unanimously.

The Commissioner presented a request of the State Swimming Committee that the committee be authorized by the Board of Control to set up a Swimming Achievement Award, to be known as the M. J. Cavana Memorial, the award to be presented annually to the K.H.S.A.A. member school which has shown the most achievement in swimming during a twelve months period. The Commissioner stated that the committee proposes a point system covering six items, based on the percentage of student body achievement in each item; and that a winner and runner-up trophy or award had been suggested by the committee. He recommended that the Board accept the recommendation of the State Swimming Committee, and that the committee be authorized to put the proposed plan into effect. Jack Dawson moved, seconded by W. B. Jones, that the recommendation of the State Swimming Committee and the Commissioner with respect to the establishing of the M. J. Cavana Memorial award be approved, and that the committee be authorized to put the plan into effect. The motion was carried unanimously.

W. B. Jones moved, seconded by Cecil A. Thornton, that the summer meeting of the Board be held at Kenlake Hotel, Hardin, Kentucky, on July 29-30. The motion was carried unanimously.

Jack Dawson moved, seconded by K. G. Gillaspie, that Cecil A. Thornton be named the delegate to the forthcoming summer meeting of the National Federation. The motion was carried unanimously. W. B. Jones moved, seconded by Louis Litchfield, that

K. G. Gillaspie be named the alternate delegate to the National Federation summer meeting.

Jack Dawson moved, seconded by W. B. Jones, that all bills of the Association beginning March 18, 1960, and ending April 21, 1960, be allowed.

There being no further business, the meeting adjourned.

1959-60 ANNUAL REPORT

(Presented to Delegate Assembly)

Four hundred forty-four schools joined the Association during 1959-60. This is nine less than were enrolled in 1958-59. One hundred forty-six schools had eleven-man football teams, and twelve played eight-man football. This is an increase of two eleven-man teams over 1958-59.

Financial reports filed by the sixteen regional basketball tournament managers show total receipts of \$89,484.84, a decrease of some \$27,000 over comparable figures for the preceding season. Receipts from the sixty-four district basketball tournaments amounted to \$157,368.22, a decrease of \$44,000 from the 1958-59 receipts. Receipts from ticket sales at the State Basketball Tournament were \$126,977.00 and additional receipts from radio, television, and the tournament program will bring total tournament receipts to approximately \$132,000.00. Profit to the Association on the tournament should approximate \$91,000.00. A few tournament bills are still being received by the State Office, with the result that it is necessary to give an estimate of tournament profits at this time. A complete record of all receipts and disbursements will appear in a subsequent issue of the Association magazine.

One thousand one hundred seventy-seven basketball officials and 422 football officials registered with the Association in 1959-60. Nine football rules clinics were held under the direction of Edgar McNabb, and forty-seven football officials took the National Federation examination for the higher ratings. Of this number, seven were added to the "certified" list, and twenty-six to the "approved" list. Charlie Vettiner, veteran trainer of officials, conducted fifteen basketball clinics, and held the School for Basketball Officials. Additional meetings and clinics were held by the regional representatives who continue to render a fine service to the officials and schools in their respective areas.

Fifty-five officials took the National Federation basketball examination, with fourteen being added to the "certified" list and thirty receiving the "approved" rating.

Five schools have been suspended from the Association this year, and five others have been placed on probation. All suspensions and probations came as a result of the violation of K.H.S.A.A. By-Law 17, Practice of Sportsmanship.

The fall of 1959 saw the K.H.S.A.A. inaugurate class championships in football. They were well received in all parts of the state, with interest in high school football in Kentucky apparently now at a new high. Many administrators and coaches believe that the football championships have great possibilities for the future.

There is a continuing interest in minor and spring sports. Regional cross country runs were held in Paducah, Bowling Green, Clarksville, Louisville, Bellevue, Berea and Paintsville on October 31 for the purpose of qualifying teams and individuals for the state event, which was held in Lexington on November 14. Nine schools sent entries to the Class A Section of the State Swimming Meet, held in Lexington on February 27. Thirteen schools sent entries to the Class B Section of the State Swimming Meet, held in Lexington on April 2. One hundred sixty-nine K.H.S.A.A. member schools have indicated that they will send teams to the twelve regional track meets. Forty-nine district tournaments have been set up for baseball, to accommodate the 300 teams which will enter the tournament. Seventy-two schools will have golf teams this spring, and these teams will enter eight regional tournaments to qualify for the State Golf Tournament. Fifty-three boys' tennis teams will be entered in six regional tennis tournaments. For the first time the Association will sponsor a State Tennis Tournament for Girls. Interest in this state event appears to be great, and it will probably be necessary to set up four or five regional tournaments for the purpose of qualifying state entries in this sport.

1959-60 has been another year of progress for the Association. Representatives of member schools have cooperated to the fullest when asked to assist in the various activities of the Kentucky High School Athletic Association. The Board of Control and the Commissioner appreciate this teamwork very much.

The Flying Dutchman

When Paul Kingrey, the Glasgow Game Guy, received the 1960 award from Bob Kirchdorfer, the first winner in 1949, another milestone was passed in Kentucky's effort to help inspire the physically handicapped.

Since 1949 every Game Guy Award winner has been an excellent example for the young athletes of the Commonwealth to pattern from. Somebody has to devote time to kids carrying heavier burdens than many adults could handle. Somebody has to put his arm around a kid and say, "Look, son, at the record made by President Franklin Roosevelt who was handicapped physically in the same manner the first Game Guy winner is. Don't feel sorry for yourself. Pull yourself up by your bootstraps and start playing ball." Kentucky's coaches are doing more of this every year, and it must please "The Man Upstairs" mightily.

Take Bob Kirchdorfer, the first winner, paralyzed from his waist down since the age of three! Since completing his athletic exploits in school, he chose the Field of Recreation as his life's work. Today, he supervises one-third of the recreation in the nationally acclaimed Jefferson County recreation Program at a handsome salary. The Game Guys keep marching on, making some of our adult "cry-babies" look very juvenile.

The Dutchman missed the presentation of the award and his first K.H.S.A.A. banquet since food was discovered. It was the old story of business before pleasure. The Dutchman was working on a project which would make Louisville's massive downtown arena, The Armory, available to schoolboy and college sports. The mission has been accomplished. The Armory will become beautiful! Its renovation will cost a half-million dollars. It will have a new name, and will be available for Kentuckiana teams under the direction of The Flying Dutchman.

Louisville's Hospitality Committee, headed by Bill Moore and The Dutchman, is grateful for the multitude of compliments it has received for efforts expended in making the school kids and adults happy in Louisville during the state tournament. If you want to know how much it cost, let's examine the record!

Exclusive of what the Louisville Chamber of Commerce and The University of Louis-

The Dutchman

ville spent on the Coaches' and Principals' Social Room at Freedom Hall, The Louisville Chamber of Commerce laid \$678.55 on the line. Actually, \$932.20 was our total cost, but \$253.65 was taken in at the downtown dances where the youngsters paid two bits each night to dance to a top-notch band.

Our salute of the month goes to Commissioner Ted Sanford for the honor recently won when he was elected President of the State Tuberculosis Association. That's great work, Ted! Please find the Dutchman's check for five bucks attached to help with this humanitarian work.

In the realm of honors, R. C. Hinsdale, principal of Simon Kenton High School, nominates Printes Jones for next year's Game Guy Award. A lionheart lapel button is on its way to this seventh grade youngster from Independence for "whipping" Cerebral Palsy.

Charlie Kolosa called for a Corn Cob Pipe of Honor for Jim McAfee for service to schoolboy sports while Ralph Welch said that Owenton's Cy Greene had taught his kids the lessons of sportsmanship, good manners and high morals so well that he should have a Cob Pipe for his trophy case. Jim and Cy have the awards and the respect of all Kentuckians.

As the Dutchman signs "Thirty" to this last article of the 1959-1960 athlete year, he looks to next year with this thought in mind: The best thing about the future is that it comes one day at a time.

Arnold Goes National

David C. Arnold joined the staff of the National Federation of State High School Athletic Associations on April 1, 1960.

After a survey of the nation's leaders in school athletic administration, Dave was unanimously chosen by the Executive Committee as Assistant Executive Secretary. The Executive Committee of the Michigan High School Athletic Association regretfully accepted his resignation as Assistant State Director of High School Athletics but generously, and with pardonable pride, released him as another of Michigan's many contributions to a forward looking and progressive nation-wide program.

Dave is a native of Kalamazoo, Michigan, where he attended public schools. At Kalamazoo Central High School he played center on the basketball team which won the State Class A basketball championship in 1932. Following graduation from high school he matriculated to Western Michigan University, where he competed in both basketball and baseball. He was one of the nation's finest collegiate basketball players during the 1935-36-37 seasons and was a standout pitcher on the baseball team during the same years. During his senior year he was President of the University Student Council and, at the time of graduation, was named by the faculty as the outstanding male member of the 1937 graduating class.

Following graduation he played professional baseball in the New York Yankee's system, pitching at Norfolk, Nebraska and Amsterdam, New York during the 1937 and 1938 seasons, respectively. He served as Principal and Athletic Director at Barryton, Michigan High School and later as Coach of football, basketball and baseball at Otsego, Michigan High School. During the summer months he was the Otsego City Recreation Director and later the Athletic Director and Head Coach of all sports at University High School, Kalamazoo, Michigan.

Mr. Arnold served 39 months in the armed forces during World War II, 18 of which were spent in sea duty. He was a member of the Coast Guard assigned to the Navy's Anti-Submarine Warfare Service. Some of his service was spent at the Coast Guard Academy in which he served as a Director in the Physical Fitness Program. After his discharge in 1946, he returned to University High School in Kalamazoo as Coach and Athletic Director.

In August, 1946 he accepted the appointment of Assistant State Director of High School Athletics in Michigan and has served continuously in that capacity until he joined the National Federation staff.

Dave has a special interest in the rules of athletic games and will devote most of his efforts to this area. He is experienced and familiar with rules work, having worked with them for a number of years in the Michigan State office. He will also supervise Federation programs in experimentation and research in athletics. He will be available for conducting rules interpretation meetings and officiating mechanics meetings and will assist in editing the Federation publications.

The Finest Indoor Track

by George Gibson, President
Kentuckiana Cinder Club, Inc.

Would you like to see the mile run under four minutes for the first time indoors? Wouldn't it be a great inspiration to several hundred school and college athletes of our state to participate each winter in outstanding indoor track and field meets along with world champions? You can have the satisfaction of helping bring this about.

The finest indoor track in the world should be completed for an indoor meet of national importance next winter at the State Fairgrounds. The State Fair Board has \$15,000 on hand for construction of a sectional, wooden track for use in the Coliseum (Freedom Hall).

The Kentuckiana Cinder Club, Inc. is seeking \$20,000 for its Track and Field Foundation Fund to cover the balance of the cost of the track and the initial operating expenses for the first meet. The Club is a non-profit corporation, gifts to which are tax-deductible. All contributions over \$1 will be acknowledged. The Club's address is 2115 Village Dr., Louisville 5.

Track authorities agree that the track will be the outstanding one of its type. The oval will be 220 yards in length so that eight laps will constitute a mile. By contrast the tracks of this type in Madison Square Garden, the Boston Garden, Chicago, Milwaukee, Philadelphia and Cleveland are eleven or twelve laps to the mile. Naturally, the longer the tracks the better it is for the competitors and consequently the spectators. For example, the straight side sections of the track will be 166 feet in length compared to

102 feet on the eleven lap tracks. Also there will be a straightaway for a 100 yard dash through the center. The tracks in the other cities have dash straightaways of only 60 or 70 yards. The runners use short spikes which give excellent footing in the soft wood of the track surfaces. The spikes are interchangeable with the long spikes used in the shoes on cinder tracks.

Several of the outstanding international performers have already indicated great interest in appearing on the track. Al Lawrence, the Australian student at Houston University, looked over the plans for the track and stated, "You'll break every record in the books on that!" Lawrence last winter set new world's records for both the two mile and three mile runs indoors.

It is expected that the indoor track will give tremendous impetus to the continued growth of track and field athletics in the state. With the continually improving high-way system participants and spectators will be able to benefit from the track over a continually wider area of the state. The Olympics this summer, which will be carried on television immediately following their running, will spread knowledge of track and field athletics and their benefits. The President's Committee on Physical Fitness is also stressing track and field athletics.

Many physical education leaders are supporting the renewed emphasis on participation in track. Their attitude is based on such factors as:

1. Practically all young people can take part profitably;
2. The expense of equipment for the individual participant is relatively small;
3. The sport is basic to practically all other land sports, which all involve combinations of running, jumping and throwing;
4. Large numbers can be accommodated in the sport with practically no necessity to eliminate participants because of lack of space;
5. It is practically injury-free;
6. It is not a "terminal" sport; i.e. it is easy for the participants to carry on after their school years, even individually.

Our wonderful Coliseum gives Kentucky and Kentuckians a great opportunity to take part in this development and to profit in every way from it. Help bring it about by sending your contributions to the Track and Field Foundation Fund.

BASEBALL RULINGS

(Continued from Inside Front Cover)

Ruling: S10 or his coach should report the substitution to the Chief Umpire by giving the name of S10, his shirt number, the name of the player he is replacing in the batting order and the position S10 will play in the field. (3-1-1)

18. Play: The team in the field calls time a second time during the inning. The first time the coach had conferred with the pitcher, the second time he talks with the 1st baseman.

Ruling: The pitcher must be replaced as the pitcher and he may not pitch during the remainder of the game but he can play any other position. (3-3-1-c)

19. Play: Coach confers with pitcher once during the 2nd inning. During the 3rd inning coach comes to the mound to replace pitcher. During the 5th inning coach again confers with the pitcher.

Ruling: It is not necessary to replace the pitcher in the 5th inning. The coach conference in 3rd inning during which the pitcher was replaced does not apply to total number of permissible conferences. (3-3-1-c)

20. Play: With R1 on 2nd it is the batting turn of B2 but B3 erroneously bats in his turn. He hits a double which scores R1. Before a pitch is delivered to the next batter the error is discovered.

Ruling: Umpire declares B2 out and R1 must return to 2nd. B3 then bats for himself. (7-1-1 and penalty)

21. Play: Hit by B1 goes to center field fence and B1 advances to 3rd. After F1 has delivered one or more pitches to B2, F4 appeals that B1 did not touch 2nd during his advance.

Ruling: Appeal is ignored. Appeal will not be accepted unless Umpire's attention is called to it by a player of the offended team before the time of the next pitch. (2-11-6)

22. Play: What is the time of the pitch for the: (a) windup; or (b) set position?

Ruling: The time of the pitch occurs in (a) the instant the pitcher commits himself to deliver to the batter, i.e., when he starts his windup or pumping action. In (b) it is when the pitcher continues his delivery after separating his hands. (2-9-1; 6-1-1, 2 and 3)

23. Play: During time called by F2, coach of fielding team confers with F1. Later in same inning he confers with F2.

Ruling: F1 must be replaced as pitcher. (3-3-1-c; 6-2-2-b)

24. Play: With R1 on 1st, F1, in set position, stretches and then steps toward and throws to 1st without coming to a stop.

Ruling: Legal. F1 must hold the ball in both hands in front of his body for at least one second before a pitch but not before a throw to a base. (6-1-3)

25. Play: After taking his position in the batter's box, B1 steps out of the box.

Ruling: Unless the Umpire grants time, the pitch will be called a ball or strike if B1 steps out of his box after F1 has started his delivery. (7-3-1 Note)

26. Play: With one out and R1 on 3rd and R2 on 2nd, B4 misses the 3rd strike which goes beyond the catcher and rolls to the screen. B4, thinking it is only the 2nd strike, does not run to 1st base but stays in the batter's box. R1 crosses home plate. R2 also attempts to score but F2 throws to F1, who tags R1 before he reaches the plate. F1 then tags B4.

Ruling: Score by R1 does not count because the run cannot be scored if the runner advanced to home base during a play in which the 3rd out is made on the batter before he reaches 1st base. (9-1-1-a)

27. Play: B1 hits a fair ball close to the right field foul line. While the ball is in fair territory F9 attempting to catch the ball, deflects it from his glove into foul territory where it lands in the stands.

Ruling: B1 is awarded 2nd base and credited with a double. (8-3-2-c)

28. Play: With no runner and a ball 2, strike 2 count on the batter, B1 swings at and misses the next pitch. The pitch eludes the catches, hits against the Umpire's protector and rebounds into the diamond. F1 recovers the ball and throws to F3 at 1st base before B1 reaches the base.

Ruling: Ball remains in play and B1 is out. (8-4-1-d)
29. Play: With R1 on 1st, F2 tips the bat of B2 who hits the ball weakly on the ground to F1. The throw of F1 to 1st is over the head of F3 and goes into right field. R1 advances to 2nd and then to 3rd and tries to score. B2 goes to 2nd. F9 recovers the ball and throws to F2, who tags R1 before he touches home plate.

Ruling: R1 is out and B2 remains on 2nd. (8-1-1-e)
30. Play: R1 and R2 are on 2nd and 1st bases, respectively, with none out. B3 hits to F5 near 3rd base. F5 fields the ball, steps on 3rd base to retire R1 who interferes with F5, preventing a throw to 2nd or 1st base for the double play.

Ruling: Ball is declared dead by Umpire. B3 also is called out because, in the Umpire's opinion, interference of F5 by R1 prevented a double play. R2 is placed back on 1st base. (8-4-1-g)

31. Play: R1 and R2 are on 3rd and 1st bases, respectively, with 2 out. The pitcher commits a balk. He completes his pitch and the batter hits safely to right field. R2, who was on 1st base, misses 2nd base in rounding it to go to 3rd base. R1 advances to home. F4 procures the ball, steps on 2nd and appeals to the Umpire for a ruling on R2 who failed to touch 2nd base.

Ruling: First of all, the balk is nullified because the batter hit safely and all runners advanced a minimum of one base. In such a situation, as this, R2, who failed to touch 2nd base, is considered to have advanced the required one base. The Umpire shall allow the appeal and declare R2 out. This is the 3rd out and, since it results in a force play, no run can score. (6-2-4-Pen.)

32. Play: The Coach of the team in the field requests time to confer with his players for their fourth conference in the game and, as a result, F1 must be removed as pitcher for the remainder of the game. S1 pitches 3 balls to B1, at which time, Coach again requests time to come on the field to confer with him (S1). Coach of the team at bat informs Umpire of Rule 3-1-2.

Ruling: S1 must be removed as pitcher for the duration of the game. Rule 3-3-1-c takes precedence over 3-1-2. (3-3-1-c)

33. Play: It is the first half of the 1st inning with B1 at bat and none out. F1 has a count of 2 and 2 on the batter. Next pitch of F1 is called ball 3 by the Umpire. F1 takes exception to the call and rushes toward home plate, using profanity.

Ruling: Although the penalty indicates that F1 should be given a warning for first offense, the Umpire does have the authority to immediately order him from the game and to leave the field if, in his opinion, the act of F1 is severe enough to warrant such penalty. (3-3-1-a)

34. Play: R1 and R2 are on 3rd and 2nd, respectively, with one out. B4 attempts to bunt and pops ball into the air between the 3rd base line and the mound. F1 tries hard to catch the ball but he barely touches it with the tip of his glove and ball drops to

the ground. His momentum carries him to the base path where he collides with R1. F5 grabs the ball and tags R1, who is stretched out on the ground. R2 reaches 3rd safely and B4 advances to 1st.

Ruling: Call obstructions on F1 and award R1 home base. Ball does not become dead at time of infraction. R2 and B4 were not affected by the obstruction and advanced at their own risk. (8-3-1-c)

35. Play: R1 is on 2nd base and B2 hits ball to deep center field. Ball rolls past F8 who throws his glove and strikes it: (a) after B2 reached 1st base; or (b) before B2 reached 1st base.

Ruling: In (a), award B2 home and, in (b), award B2 3rd base. (8-3-2-b; 8-3-3-1)

36. Play: When a Coach or his representative requests time and comes on the diamond to confer with any player or players a second time in the same inning or the fourth time during the game, the pitcher must be removed from the mound. Does this count as charged conference?

Ruling: Whenever the pitcher is removed from the game or from the mound because of the Penalty prescribed in Rule 3-3-1-c, a conference is not charged to his team. (3-3-1-c)

37. Play: R1 and R2 are on 3rd and 2nd base, respectively. F2 sees R2 make a break for 3rd base and throws ball to F4, after which R2 is caught in a rundown between 2nd and 3rd bases. F5, while not having the ball, obstructs R2 while he is trying to get to 3rd base. R1, who was on 3rd base, runs toward home but realizes that he cannot make it and goes back to 3rd base.

Ruling: Award 3rd base to R2 and home base to R1. (8-3-1-c and Note)

38. Play: B1 opens the inning with a potential 3-base hit, but fails to touch 1st base. F1 assumes his set position and, before he commits himself to pitch, the first baseman calls for the ball so he may make an appeal play at 1st base. F1 is slightly confused and commits a balk before throwing to F3. After B1 is awarded home base, may an appeal be made to 1st base? If so, does the run count?

Ruling: The run does not count, since the appeal was made prior to the next pitch after B1 missed touching 1st base. (2-9-1; 2-11-6)

39. Play: There are 2 out and B3 makes a potential 3-base hit but misses 2nd base. F1 assumes his set stance and before he commits himself to pitch, the 2nd baseman calls for the ball so he may make an appeal play at 2nd base. F1 is befuddled and commits a balk but goes through with pitch to B4, who hits a home run inside the park. F4 obtains the ball, steps on 2nd base and appeals to the Umpire for ruling B3 missing 2nd base.

Ruling: Both runs count. B3's run counts because the appeal was made after the next pitch following failure of B3 to touch 2nd base. (2-9-1; 2-11-6)

40. Play: B3 lofts high fly ball to outfield. F7 backs up to fence and sees that ball is about to clear it. F7 tosses glove into air, deflecting ball enough to keep it from clearing barrier.

Ruling: If the Umpire feels the act kept the ball from going over the fence, he shall award the batter a home run. (8-3-2-a)

41. Play: With two out and R1, R2 and R3 on 3rd, 2nd and 1st, respectively, the count on B6 is 3 and 2. On the next pitch, B6 strikes out, missing the ball, which evades F2 and lodges in the mask of the Umpire. Before ball can be extracted, all three base runners cross home plate.

Ruling: The ball becomes dead as soon as it lodges in mask of Umpire. The batter is awarded 1st base

and all runners advance one base. Had there been less than 2 out and 1st base was occupied, the batter would have been out. (5-2-1-f)

42. Play: B1 appears at home plate to bat with a softball bat, which is 36 inches long and 2¼ inches in diameter and is made of hardwood. Coach of team in field asks Umpire to prohibit use of this bat claiming it is not legal equipment.

Ruling: The Umpire allows use of this bat, since it is a smoothly rounded piece of hardwood with measurements within the prescribed rules limitations. (1-3-5)

43. Play: In the first inning, the home team scores two runs and, during its turn at bat in the sixth inning, the visiting team scores six runs. A light rain begins to fall as the home team comes to bat during last half of the sixth inning. The first three batters reach base safely and with bases loaded B4 hits a grand slam home run, tying the score 6 to 6. While B5 is at bat, the rain increases causing Umpire to call time and eventually call the game. What is the score?

Ruling: The final score of game is 6 to 6. Had B4 been retired, rather than hitting a home run with bases loaded and scoring four runs, his team would have been the winner, 2 to 0. (4-2-4-b)

44. Play: R1 is on 1st base and B2 hits a sharp ground ball to F6 who throws ball to F4 to force R1 at 2nd base. F4 attempts throw to 1st base for a double play but ball disappears inside shirt of retired R1. R1 did not attempt to interfere with the throw of F4.

Ruling: Umpire should call time and declare the ball dead. The fact that R1 did not interfere signifies that it was an accident which caused ball to go inside his shirt. Rule 10-2-2-g makes it the duty of the Umpire-in-Chief to rule on points not covered by the rules. B1 reaches 1st base on the play. (10-2-2-g)

Coaches Handbook

First of its kind, the recently published COACHES HANDBOOK covers the varied administrative tasks of the interscholastic high school coach and gives effective procedures and practices based on the experiences of successful coaches.

The 82-page handbook, originally published for Florida coaches and now revised, also makes clear the principles and ideals that hallmark a successful high school athletic program.

The organization, financing and program of interscholastic athletics are thoroughly treated in the book, which also describes desirable relationships of the coach with the student body, the faculty, the community, and with other schools.

Specific suggestions for working with news media form one of the most useful sections of the book. Another part clarifies the nature of "liability" and the coach's responsibility for the safety of students. Special sections are given to equipment, facilities, and preparation for contests and awards. Sample forms and charts needed by the coach are included.

The school administrator, as well as the athletic director, will find this book an indispensable guide in meeting the increasing demands made of the athletic department of today's school.

Copies of the COACHES HANDBOOK may be obtained from AAHPER - NEA, 1201 Sixteenth Street, N.W., Washington 6, D.C. (1960, 82 pages, \$1.50, with discounts: 2-9 copies, 10 percent; 10 or more copies, 20 percent.)

U. K. All-Sports Clinic

University of Kentucky's annual all-sports coaching school, conducted for the benefit of high school coaches of the state, will be held on the campus Aug. 10-13 with some of the top names in the collegiate coaching profession as instructors.

UK Athletic Director Bernie A. Shively announced that the traditional summer clinic will feature as fooball lecturers Head Coach Forest Evashevski of Iowa and Gomer Jones, line coach at Oklahoma under Bud Wilkerson for the past 13 years. Basketball discussions will be headed by Charles Osborn, coach of Bradley's NIT champions, plus Kentucky's Adolph Rupp and Assistant Coach Harry Lancaster, UK Fotball Coach Blanton Collier and his staff will be available for consultations.

In co-operation with the Kentucky High School Athletic Association, the clinic also will have sessions on baseball, track and prevention-treatment of athletic injuries. Leading medical specialists of the state will take part in the latter phase of the program jointly sponsored by UK, the KHSAA and the State Medical Association. Dr. John Heldman, University of Louisville, will head a panel of leading high school and college coaches in discussing baseball coaching, and Coach Bernie Sadosky, Highlands High School, Ft. Thomas, will be in charge of a track panel.

The four-day coaching school begins Wednesday afternoon, Aug. 10 with baseball on the agenda. Track takes the spotlight for Thursday morning sessions followed by an afternoon devoted to basketball. The cage spot talks continue the next morning and football tips are scheduled to take up the afternoons of both Friday and Saturday. The medical clinic will be Saturday morning.

Special features will include a dinner for attending coaches on Friday night and the annual Kentucky High School All-Star Games in football and basketball Saturday night.

K. H. S. C. A. Meetings

Executive Committee Meeting

Held in Louisville, April 20, 1960

The Executive Meeting of the Kentucky High School Coaches Association was held at the Watterson Hotel in Louisville at 4:30 p.m. on April 20, 1960. The following members were present: John Hackett, retiring President; John Meihaus, President; Wallace Snyder, Vice President; Joe Ohr, Secretary-Treasurer; Ralph Dorsey, Sgt.-at-Arms; Estill Branham, Manager of All-Star Games.

The Committee accepted the resignation of Jim Ownby as Sgt.-at-Arms. Ownby has accepted a position outside the coaching field. The committee appointed Ralph Dorsey to fill the vacancy for 1960-1961.

All-Star Manager, Estill Braham, discussed the feasibility of issuing each All-Star player two complimentary tickets for the game in which he was to participate. After much discussion the committee rejected the issuance of such tickets.

The meeting adjourned at 5:15 P. M.

Annual Business Meeting

Held in Louisville, April 20, 1960

The annual business meeting of the Kentucky High School Coaches Association was held April 20, 1960, at 7:30 P. M. in Parlor A of the Kentucky Hotel in Louisville.

President John Meihaus opened the meeting by welcoming Commissioner Theodore Sanford, of the Kentucky High School Athletic Association, and President Russell Williamson, retiring president of the Kentucky High School Athletic Association.

It was moved by Ralph McRight and seconded by Ralph Carlisle that the reading of the minutes of the 1959 meeting be dispensed with, as they had been published in the Athlete, official magazine of the Kentucky High School Athletic Association. The motion carried.

Secretary-Treasurer Joe Ohr reported to the assembly the financial status of the Savings Account; the All-Star Account, and the Kentucky High School Coaches Association Account. These reports were in the form of audits which are made annually.

Two persons were nominated for the position of Sgt.-at-Arms. Ralph Carlisle was nominated by Ralph McRight and Joe Talley was nominated by Estill Branham. Talley was elected by the members in attendance.

Joe Ohr was re-elected Secretary-Treasurer without opposition. The nomination was made by Ollie Leathers and seconded by Ralph McRight.

Two of Kentucky's finest coaches were honored at the meeting. Ralph Carlisle of Lafayette High School, Lexington, Kentucky, was elected "Coach of the Year" in basketball by his fellow coaches, and Don Shelton was chosen "Coach of the Year" in football. Shelton guided the Henderson City eleven to the Class AA Championship of Kentucky. Shelton has recently been made Head Football Coach at Murray State College. Carlisle was introduced to the assembly by Coach Fred Allen, Atherton High School. Allen was a member of Carlisle's first Lafayette team. Paducah Tilghman football coach Ralph McRight introduced Coach Shelton to the group.

The main speaker of the evening was Coach Guy Penney, Morehead State College, football mentor. Penney, in his first year at Morehead, was introduced by President John Meihaus. Penney remarked in talk

stated, "Kentucky has furnished enough basketball players for the South but no enough football players for the Kentucky colleges." Penney listed ten principles of Coaching Philosophy of Morehead: They were: Morale, Tradition, Environment, Confidence, Scheduling, and Simplicity.

After Coach Penney's excellent and sometimes amusing talk about "Coaching Philosophy of Morehead," a report on the membership of the Association was made, with the report showing that the membership has reached a record high of 914 for 1959-1960. Previous membership reports have shown: 1958-1959, 851; 1957-1958, 748; 1956-1957, 720; 1955-1956, 739; 1954-1955, 689; 1953-1954, 686.

The officers for 1961-1962 are: President, Wallace Snyder, Daviess County; Vice President, Ralph Dorsey, Caverna; Sec.-Treas., Joe Ohr, Irvine; Sgt.-at-Arms, Joe Talley, Old Kentucky Home.

The meeting adjourned at 9:10 P. M.

Gentlemen:

In accordance with instructions from your secretary, Mr. Joe Ohr, I have made an examination of the records of your organization that were submitted to me by Mr. Ohr for the period March 3, 1959 thru February 1, 1960.

The results of the various transactions during this period are shown on the accompanying schedule of Cash Receipts and Disbursements. The balance in the bank of \$5,262.26 has been confirmed as being on deposit in the Union Bank & Trust Company, Irvine, Kentucky, as of February 1, 1960.

All receipts and disbursements as shown in the accompanying schedule appear to be correctly recorded and are properly substantiated by cancelled checks.

In my opinion the schedule properly reflects the cash receipts and disbursements as recorded for the period shown, and all records are in neat and orderly fashion.

Respectfully submitted,

WILLIAM SEXTON, JR. Auditor

Gentlemen:

In compliance with instructions from your Secretary, Mr. Joe Ohr, I have examined the records of your organization submitted to me by Mr. Ohr for the period April 1, 1959 through February 26, 1960.

The results of the transactions during the period are shown in the attached schedule of Cash Receipts and Disbursements. The balance of \$14,165.82 in the All Star Account has been confirmed as being on deposit in the First National Bank & Trust Company, Lexington, Kentucky.

The records disclose total receipts from the All-Star Games Ticket sales as being \$7,024.25 after expenses of ticket sellers and other expenses. Receipts from the sale of Programs amounted to \$833.90, added to \$7,024.25 giving Mr. Ohr a net deposit of \$7,858.15. The expenses mentioned herein are properly covered by cash receipts.

The total cash receipts of \$7,858.15 agrees in amount with the deposits made in the First National Bank & Trust Company, Lexington, Kentucky.

All receipts and disbursements as shown in the accompanying schedule appear to be correct and in my opinion this schedule presents correctly the cash receipts and disbursements on the All Star Fund Account for the period above stated and your Secretary is to be complimented on the fine manner in which these records are kept.

In addition to the above balance, I have confirmed a balance of \$3,731.68 in KENTUCKY HIGH SCHOOL COACHES ASSOCIATION SAVINGS ACCOUNT No. 9315 in the Columbia Federal Savings & Loan Association, Covington, Kentucky on April 18, 1960.

Respectfully submitted,
WILLIAM SEXTON, JR. Auditor
