Early Season Football Questions

Editor's Note: These rulings do not set aside or modify any rule. They are interpretations on some of the early season situations which have been presented.

Installment I

1. Play: (a) After extending one hand at full arm's length above his head, R1 waves it sideways; or (b) does not hold his arm at full length above his head. R1 then catches the ball.

Ruling: Invalid fair-catch signal in both (a) and (b). Not a fair catch. R1 may be tackled. If the invalid fair-catch signal puts Team K at a disadvantage, the act may be considered unsportsmanlike conduct. (2-3-3; 9-3).

Play: R1 gives a valid fair-catch signal and (a) catches the ball; (b) R2 catches the ball; or (c) R1 muffs the ball.

Ruling: (a) Fair catch and R may put the ball in play by a snap or free-kick anywhere between the inbounds lines on the yardline through the spot of the catch. In (b), it is not a fair catch, however, the ball becomes dead when caught but the clock is not stopped and R will put the ball in play by snap at the spot of the catch if between the inbounds lines or on the proper yardline at the correct inbounds lines spot if the kick was caught in the side zone. In (c), when R1 muffed the kick, the provisions of the fair-catch rule no longer apply and the ball may be recovered by either team but may not be advanced by K. (2-3-3)

3. Play: R2, R3 and R4 simultaneously signal for a fair catch. R1, who: (a) also signaled; or (b) did not signal makes the catch.

Ruling: There is no infraction because several players of R signaled for a fair catch of the same kick. It is a fair catch in (a). In (b), it is not a fair catch, although the ball becomes dead. If a teammate of the signaler catches a kick beyond the line, ball becomes dead but it is not a fair catch and the clock is not stopped. (2-3-3)

4. Play: A1 is in area extending laterally 4 yards on either side of the spot of the snap and 2 yards behind each scrimmage line at the time of the snap. B4 is blocked from behind in this 8 yard x 4 yard area.

Ruling: A1 may legally block from the rear in the 8 yard x 4 yard area provided he is in this area at the time of snap and provided he makes his block in the 8 yard x 4 yard zone during close line play. (2-4)

5. Play: With the score 14 to 12 in favor of Team A, Team B has scored on a punt return and a kick-off return. The kick-off by Team A is in the air as time for the end of the second half expires. A2 tackles B1 so that he cannot catch the kick-off and the ball rolls into B's end zone.

Ruling: Game is over as soon as ball touches anything in R's end zone. The foul is by the Offense and, therefore, the period cannot be extended by an untimed down. (3-3-3)

6. Play: During a down, A1 advances 55 yards. As the Referee spots the ball he notices the chain crew and boxman are not ready.

Ruling: The Official will order the clock stopped to permit the chain crew and boxman to properly place their implements, after which the Referee will declare the ball ready-for-play and signal the clock to start. This situation should be administered in the same manner regardless of when it occurs during a game. (3-4-1)

7. Play: 2nd and 4 on B's 30. Team A Captain advises Referee he wants time-out after succeeding play.

Ruling: While there is no coverage stating, in so many words, when a Captain must make a request for a specific time-out, the word "legal" in 3-4-2 (a) must be broadly construed and, from a procedural standpoint, the Referee should not honor such a request. If a request such as this were honored, the Captain could ask for time-out following the 2nd and 4th downs or some other equally absurd times. Any requests for time-out should be made for the immediate time and not for some future down. (3-4-2 (a))

8. Play: While the clock is: (a) running; or (b) stopped, A1 requests and receives from his bench, a chin strap. Without assistance from an attendant or without delay, A1, with the help of a teammate or official, quickly attaches a chin strap to his helmet.

Ruling: There has been no infraction. If the clock has been stopped for repair of equipment of A1 and there has been no charged time-out during the dead (Continued on Page Eleven)

Use of Registered Officials

Lists of registered football and basketball officials appear in this issue of the ATHLETE. Principals and coaches should study the current lists to determine whether or not all officials with whom contracts have been signed have registered this fall. Supplementary lists of officials will appear in subsequent issues of the magazine. By-Law 22 provides that member schools shall use registered officials in all football and basketball games, and the failure to comply with this regulation makes the home school liable for suspension. If there is any question about registration, the official should be asked to present his card.

Supt. Louis Litchfield of the Crittenden County Schools, Board of Control member representing Section 1, was elected President of the Board of the Kentucky High School Athletic Association at the summer meeting of the Board of Control, held on July 30. Prin. W. B. Jones of the Somerset High School is the new Vice-President of the Association. He represents Section 6.

Mr. Litchfield was born in Blackford in Webster County on August 29, 1910. In July of 1956 he became Superintendent of Crittenden County Schools.

In 1939 Mr. Litchfield married Miss Birdie Quisenberry of Princeton. They have two children. During the period of 1943-1947, he was Assistant Commissioner of Agriculture for the state of Kentucky. Mr. Litchfield is a member of K.E.A. and N.E.A. On several occasions he has been a member of the K.E.A. and K.H.S.A.A. delegate assemblies. He was a "certified" basketball official for several years, and he was a State Tournament referee four times. He is a former member of the Murray State College Board of Regents. He is a deacon of the Marion Baptist Church.

Mr. Jones was born in Monroe County on August 8, 1900. He attended schools in Monroe and Barren counties, graduating from the Cave City High School in 1920. MINUTES OF BOARD MEETING

The Board of Control of the Kentucky High School Athletic Association met at the Kenlake Hotel, Kentucky Lake State Park, on Saturday morning, July 30, 1960. The meeting was called to order by Vice-President Louis Litchfield at 9:30, with all Board members, Commissioner Theo. A. Sanford, and Assistant Commissioner J. B. Mansfield present.

Jack Dawson moved, seconded by Oran C. Teater, that the reading of the minutes of the May 21st meeting be waived, since the members of the Board had received copies of these minutes. The motion was carried unanimously.

Mr. Litchfield, representing the Board of Control, spoke words of appreciation for the long service of retiring President Russell Williamson to the Board and to the K.H.S.A.A. Mr. Williamson responded with appropriate remarks.

Mr Litchfield stated that the next order of business was the election of the president and vice-president of the Board of Control. W. H. Crowds nominated Louis Litchfield for the presidency of the Board of Control. W. B. Jones moved, seconded by Robert P. Forsythe, that Mr. Litchfield be elected by acclamation. All voted "aye" but Mr. Litchfield who did not vote.

Cecil A. Thornton nominated W. B. Jones for the vice-presidency, and Oran C. Teater nominated Jack Dawson, K. G. Gillaspie moved, seconded by Robert P. Forsythe, that the nominations cease, and the motion was carried. W. B. Jones asked that his name be withdrawn from nomination. Mr. Thornton declined to withdraw the nomination. Ballots were passed, and a tabulation of ballots by Messrs. Sanford and Williamson indicated that Mr. Jones had been elected over Mr. Dawson by a vote of 4 to 3.

President Litchfield welcomed to the Board Superintendent Oran C. Teater of Paintsville, newly elected Director representing Section 8.

The Commissioner stated that the poll of K.H.S.A.A. member school principals, authorized by the Board in the May meeting, had resulted in Lexington being the choice of the State Basketball Tournament site for 1961, the vote being 267 for Lexington and 133 for Louisville. In line with the previous policy adopted by the Board, Cecil A. Thornton moved, seconded by W. H. Crowds, that Lexington be named the State Basketball Tournament site for 1961 and that Louisville be named the site for 1962, this plan being contingent upon satisfactory arrangements being made with those in charge of the tournament sites, by the State Tournament Manager and by the Board of Control. The motion was carried unanimously.

The Commissioner made a report to the Board on the receipts and disbursements of the K.H.S.A.A. for the year 1959-60. He presented copies of the audit, recently prepared by the Johnson-Fowler Company of Louisville. Total funds on hand June 30, 1960, were reported as being \$80,628.44. He stated that a complete breakdown on receipts and expenses would appear in a forthcoming issue of the magazine. He then presented a proposed K.H.S.A.A. budget for the 1960-61 school year with estimated receipts of \$107,600.00 and estimated disbursements of \$107,550.00. After a general discussion of the budget items, K. G. Gillaspie moved, seconded by Robert P. Forsythe, that the report of the Commissioner be accepted and approved; and that the 1960-61 K.H.S.A.A. budget be adopted as presented. The motion was carried unanimously.

Cecil A Thornton and K. G. Gillaspie gave reports

on the annual meeting of the National Federation, held in East Glacier Park, Montana, on July 3-6, 1960.

W. B. Jones moved, seconded by W. H. Crowds, that the next meeting of the Board of Control be held in Lexington on October 22, 1960. The motion was carried unanimously.

There being no further business, the meeting adjourned.

K.H.S.A.A. Contribution to U.K. Coaching School

The Kentucky High School Athletic Association made important contributions to the 1960 University of Kentucky Coaching School, held in Lexington on August 10-13. The Association was in charge of the baseball and track clinics, and cooperated with the Kentucky State Medical Association, the Kentucky Advisory School Health Council, and the University of Kentucky Athletic Association in presenting the Athletic Injury Prevention Conference.

The baseball clinic was conducted by Dr. John Heldman, Jr., baseball Coach at the University of Louisville. Dr. Heldman was assisted by Coach James DeSpain of the Paducah Tilghman High School, Coach Harry Lancaster of the University of Kentucky, Coach Charles T. Hughes of the Eastern Kentucky State College, and former Coach Harry Stephenson of Transylvania College.

The track clinic was conducted by Coach Bernie Sadosky of the Highlands High School, Fort Thomas. He was assisted by Coach Brad Jones of Georgetown College, Coach Jerry Denny of the Trinity High School, John Meihaus of the St. Xavier High School, Coach James A. Gray of the Waggener High School, and UK staff member Bernard Johnson.

Participating in the Athletic Injury Conference were Dr. Carroll L. Witten, Dr. Paul J. Ross, and Dr. Clinton R. Potts of Louisville; Dr. Owen E. Murphy and Dr. John B. Floyd of Lexington. Dr. Witten, who presided, is chairman of KSMa Associate Committee on School Health. Topics discussed were The Prevention and Treatment of Injuries to the Knee, Shoulder, and Ankle; The Prevention and Treatment of Other Common Musculo-Skeletal Injuries; The Prevention and Treatment of Head and Brain Injuries; and The Prevention and Treatment of Emotional aspects of Athletic Competition.

Attention, Sponsors and Cheerleaders!

The Kentucky Association of Pep Organization Sponsors (KAPOS) and Transylvania College will sponsor a clinic on Saturday, October 1, for cheerleaders and their sponsors. Director of the clinic will be Miss Pauline Hess, owner and director of Camp All-American, who is Cheerleader Coach at Michigan State and Executive Secretary of the United States Cheerleader Association. Miss Hess is bringing four of her precision cheerleaders with her.

All sponsors will be guests of the Transylvania Athletic Association for lunch. There will be a style show for the cheerleaders, and a chance to visit on the College campus.

Each principal of a K.H.S.A.A. member school has received a letter, giving the details of the clinic.

The Flying Dutchman

A lot of things have happened since the Dutchman wrote his last column in May. "Butch" Charmoli has become a grandfather, Joe Billy Mansfield helped to represent the K. H. S. A. A. at Glacier National Park at the Annual meeting of the National Federation of High School Athletic Associations, Jack Wise and Claude Ricketts served their first terms as regional representatives at the School of Basketball Officials, and Paducah embarked on a search for a full-time recreation director.

Don Malone, Ironton (Ohio) official, was an observer at the School for Basketball Officials at Lexington in August. Other "foreigners" joined Don in his expression that such schools would do much toward causing officiating to become uniform nationally if they were set up in every state.

Two days are available for concentrated study of mechanics, techniques and rules. The "top minds" from Kentucky's sixteen regions discuss, learn and agree on how the game should be worked. The conclusions arrived at are taken back to the officials in their regions. Such influence from this meeting is bound to mean more uniformity of officiating throughout the Commonwealth.

Here's more about the K.H.S.A.A. School for Basketball Officials which causes it to be outstanding and enjoyable. It is always scheduled in August during the time the all-star football and basketball games are played. This causes friendly association of the coaching and officiating fraternities which means a closer understanding and ultimately less friction during the season. It gives officials from the east a chance to merge ideas and thoughts with those from the west.

Off hours from the School generally find the officiating students either teeing off at some of Lexington's fine golf courses or swapping stories of their golfing feats. Golfing stories seem to have fallen into the category of fishing stories — nobody believes them.

Centre College Coach Briscoe Inman, Barbourville's Bill Nau and Transylvania's Harry Stephenson are top flight golfers who refused to give anything but a "belly laugh" to the Dutchman's golfing tale that he had scored an eagle on a 570 yard hole in Louisville so the Dutchman promised to mail each of them an affidavit signed by his three golfing buddies on the day of the memorable feat. Read the following affidavit:

"This is to certify that we were playing

THE DUTCHMAN

with Charlie Vettiner when he scored an Eagle on the 570 yard number 2 hole at Shawnee Park in early August.

His drive plus a 4 wood shot had his ball on the green 10 yards past the hole. His deadly accuracy with his putter then recorded the Eagle." (signed) Bob Beanblossom, Oakley Brown, James McLain.

Now read Bill Nau's reply:

"Nice shooting: Please give wind velocity and degree of slope on fairways, plus type of gun used to fire ball. Sincerely." (signed) Bill Nau.

You can't win an argument in this school, but you can have a lot of fun.

If you are a trained recreation leader, interested in heading up a city-wide program of recreation in one of Kentucky's finest cities, write to Burton Robbins, Pittsburgh Plate Glass Company, Paducah. Paducah's lead is bound to be followed in the Kentucky towns and counties, thus opening good job possibilities in the field of recreation.

A sports fan once told me that the only thing he liked about the passing of summer was the beginning of the schoolboy football season. The Elizabethtown Catholic High School Knights Boosters' Club must feel the same way. In the middle of August the Dutchman was the guest speaker at the first Boosters' Club Dinner. The sports-minded parents and friends planned ways to make sports better and kids happier during the coming season.

Those E'town Catholic Boosters know how to do things. Under the leadership of Tom Baldwin of Radio Station WIEL, a lot of imagination was in evidence, and that's what is necessary to spice up a sports program.

For his unselfish work for young men, Tom Baldwin is the winner of the first Corn Cob Pipe of Honor for the sports year of 1960-1961. Besides rolling out a "very red carpet" for the Dutchman, they had Kean Jenkins, Hardin County Referee, and Coach Irby Hummer escort him for eighteen holes of golf at the Country Club.

Answer to Dick Looney's question:

We are expecting about 2200 officials, coaches and observers at our fifteen clinics in October. About 1900 miles of driving will be necessary. Right now the Dutchman is getting ready to visit Indiana Colonels L.V. Phillips and Bob Hinshaw in Indianapolis for the Indiana High School Basketball Clinic scheduled for the last Saturday in September.

The final thought for this column is for our coaches: Wealthy people miss one of life's greatest thrills - paying the last installment.

FOOTBALL QUESTIONS

(Continued from Page One)

ball, it will be an Official's time-out in (b). (3-4-2, 3)

9. Play: A1 is on the sideline at the 50 yardline and he touches the ball while it is loose on Team B's 48 yardline. Where is the ball out-of-bounds?

Ruling: Ball is out-of-bounds on the 48 yardline of Team B. (4-3-2)

10. Play: 4th and 10 on R's 28. Field goal attempt by K1 strikes lineman K7, who is on R's 23. Ball then goes over the crossbar.

Ruling: No field goal. This is first touching. It is 1st and 10 for R on their 23. It is also a touchback but it would be to R's advantage to take the ball where awarded because of the first touching. (6-2-4)

11. Play: 4th and 10 on R's 40. K2 first touches the kick on R's 20. R2 muffs it and K3 recovers on R's 10. After the ball becomes dead, R3 clips K4 or R's 15.

Ruling: The ball is awarded to R at the spot of first touching, (R's 20) after which the penalty for the foul by R3 is enforced. It will be R's ball on their 10, 1st and 20. (6-2-4)

12. Play: 4th and 25 on K's 35. K's scrimmage-kick is first touched by K1 on R's 35. R1 then muffs the ball in attempt to recover it. Subsequent to touching by R and prior to recovery by R1 on his 30, R2 clips K2 on R's 40; (a) K accepts penalty; or (b) K declines penalty.

Ruling: (a) K's ball, 1st and 10 on the 50. (b) R's ball, 1st and 10 on R's 30. (6-2-4; 10-3-2)

13. Play: R1 signals for a fair catch. He muffs the ball and, while it is in the air after the muff, K2

blocks R1.

Ruling: There has been no infraction. K may legally block R after the kick has been touched by R. Prohibition of not touching R is removed after kick is touched by R. (6-4-5)

14. Play: A1, who is less than one yard behind the line and with his hands in position to receive the ball when snapped between the snapper's legs, receives the snap. He backward passes to A2 who then forward passes to A1, who has advanced beyond the line of scrimmage.

Ruling: Legal. (7-5-5 (a))

15. Play: A1 attempts a long forward pass and ineligible A8 goes downfield beyond the neutral zone as soon as the pass is thrown or in flight. The pass is deflected by B4 into the hands of A8, who advances across Team B's goal line.

Ruling: Touchdown. All Team A players become eligible as soon as B touches the ball. Ineligible players may go down field as soon as the pass is thrown or is in flight. (7-5-5 (b))

16. Play: A1 forward passes to end A5. After pass by A1 is in flight ineligible A8 advances and remains beyond the line. A5 throws a backward pass to A2, who is behind his line of scrimmage. A2 then throws a long forward pass to A3.

Ruling: Interference by A8. The 15-yard penalty is measured from the previous spot and the down is counted. (7-5-6 (a))

17. Play: 3rd and 10 on B's 40. A1 throws a forward pass and, while it is in flight, B1 interferes with A2 by waving his hands in front of the eyes of A2. At approximately the same time, and while the ball is in flight, B2 commits pass interference which is flagrantly unsportsmanlike.

Ruling: This is a multiple foul and Team A has the choice of penalties. Undoubtedly, they would accept the penalty for the foul by B2, enforcement of which will give Team A the ball on Team B's 12 1/2 yardline. The measurement for the penalty for pass interference places the ball on B's 25 and the measurement for the flagrantly unsportsmanlike conduct places the ball on B's 12 1/2. (7-5-6 (b))

18. Play: B1 intercepts legal forward pass in his end zone. He then: (a) attempts to run with the ball but steps on the sideline in the end zone; or (b) runs with the ball and is tackled in his end zone; or (c) advances the length of the field to A's end zone. During the run, B2 clips A1 on B's 6; or (d) same as (c) except B2 clips in his own end zone.

Ruling: (a) touchback; (b) touchback; (c) B's ball, 1st and 10 on its 3 yardline; (d) safety if penalty is accepted; touchdown if penalty is declined. (8-5-1)

19. Play: 3rd and 5 on B's 40. A1 takes snap on the 50 and throws a backward pass to A2, who, on his 42, bats ball forward and out-of-bounds on: (a) the 50; or (b) on B's 40.

Ruling: Illegal batting in both (a) and (b). If B accepts the penalty in (a) or (b) it will be 3rd and 38 for A on its 27. (9-4-3)

20. Play: 2nd down and 14 on B's 26. B1 holds A1 on B's 28 and A2 is downed there.

Ruling: Penalize Team B from the spot where the run ends. The half-the-distance to the goal line penalty places the ball on Team B's 14 yardline and it is 2nd down and 2. (10-5-1)

21. Play: 4th and 10 on B's 14. B2 holds during a run which ends on B's 9. Is it 1st down for A after the enforcement?

Ruling: No. It is 4th down and 1/2 yard to go. (10-5-1)

School for Basketball Officials

The twelfth annual School for Basketball Officials was held at the Phoenix Hotel, Lexington, on August 14-15. The school was directed by State Basketball Clinic Director Charlie Vettiner.

The picture on the cover of the ATHLETE are the officials representing fifteen of the sixteen basketball regions. Elmo Head, who attended the School as a representative of Region 8, was not present when the picture was made. The services of these men will be available at K.H.S.A.A. member schools throughout the forthcoming season. They will conduct additional clinics for officials, coaches, and players, and will assist beginning officials in registration. It is urged that the services of the regional representatives be used by Association members.

The aim of the School is uniformity in officiating. Topics which were discussed during the three sessions were as follows:

Rules changes and interpretations

General study of the rules

Signal drill to secure uniform signalling, of violations, fouls, etc.

Floor technique on jump balls, fouls, and field goals

How to determine primary responsibility in charges and blocking situations, for contact on stationary screens, and for contact on moving screens

Guarding the dribbler, and the player with the ball

Switching, post play, rebounding, receiving a pass-out on a fast break, and screen play

Riot-causing decisions

Football Examination

Part II of the National Federation Football Examination for Officials will be given in Kentucky on Monday, September 26. An official who has been registered for at least one year prior to the current season is eligible to take the examination and work for a higher rating. Officials who hold the "approved" rating in football are required to make a minimum percentage grade of 80 in order to maintain this rating from year to year. Officials who hold the "certified" rating keep this rating by attending one or more clinics each year. Eligible officials who wish to take the test should write the state office.

NATIONAL FEDERATION ANNUAL MEETING
