MINUTES OF BOARD MEETING

The Board of Control of the Kentucky High School Athletic Association met at the K.H.S.A.A. Building, Lexington, on Friday morning, March 17, 1961. The meeting was called to order by President Louis Litchfield at 9:00, with Board members W. H. Crowds, Jack Dawson, K. G. Gillaspie, W. B. Jones, Oran C. Teater, Cecil A. Thornton, and Commissioner Theo. A. Sanford present.

K. G. Gillaspie moved, seconded by W. H. Crowds, that the reading of the minutes of the January 28th meeting be waived, since the members of the Board had received copies of these minutes. The motion was carried unanimously.

The Commissioner reported the results of the recent balloting for Board membership in Sections 1 and 6, as follows: Section 1—Joe P. Duke 19, Preston Holland 19, Frank B. Simpson 8; Section 6—Don R. Rawlings 46, Joe Ohr 8, James E. Baker 5. There was a discussion concerning the method of breaking the tie vote in Section 1. W. H. Crowds moved, seconded by Oran C. Teater, that the name of Frank B. Simpson be dropped from the ballot, and that a second ballot be sent out to the principals in Section 1, listing the names of Joe P. Duke and Preston Holland, these ballots to be returned in ten days. The motion was carried unanimously.

The Commissioner reported that the sum of \$150.22 had been received from member schools as contributions toward the Basketball Hall of Fame, and that the list of donors would appear in a subsequent issue of the ATHLETE.

The Commissioner presented to the Board of Control for its consideration numerous sanction requests for All-Star games. It was agreed that the only request which would be considered by the Board of Control at this meeting was that concerning sanction of the Indiana-Kentucky All-Star basketball games for 1961. W. B. Jones, seconded by Jack Dawson, offered the following resolution which was carried unanimously: "Be it resolved that the K.H.S.A.A. Board of Control go on record as being opposed in principle to All-Star contests, but that, because of plans already made for the Kentucky-Indiana basketball series of 1961, prior to the passage of the All-Star rule by the N.C.A.A., the Board approve this year's games, and that the National Federation be notified accordingly."

There was a discussion of new proposals to be presented by the Board of Control to the forthcoming Delegate Assembly. The

Commissioner was authorized to present the following proposals as Board proposals, on motion of W. B. Jones, seconded by K. G. Gillaspie, the motion carrying unanimously:

Proposal I—The Board of Control proposes that "nineteenth" be substituted for "twentieth" in By-Law 4.

Proposal II—The Board of Control proposes that the fifth sentence of Article IV, Section 2-a, of the Constitution be amended to read as follows: "Nominations for membership on the Board of Control, signed by five principals of the section, shall be in the hands of the Commissioner, for sections that elect during the year, not later than midnight, January 31." (Clarification)

Proposal III—The Board of Control proposes that the following be substituted for the last sentence of Article IV, Section 2-a, of the Constitution: "At the organization meeting in July, the members of the Board of Control shall elect from their membership a President and Vice-President to serve for one year. They shall not be eligible to serve for more than two one-year terms in succession."

Proposal IV—The Board of Control proposes that the following be repealed: Article IV, Section 3-c-8; Article IV, Section 3-d-4 (Clarification); and By-Law 36.

Proposal V—The Board of Control proposes that the third sentence of Article IV, Section 2-a, of the Constitution be amended to read as follows: "To be eligible for membership on the Board of Control, one must be actively engaged in the teaching profession (teacher, administrator or supervisor) in his local section as a regular staff member in some official capacity, and must remain in some such similar capacity during the complete tenure of office."

Proposal VI—The Board of Control proposes that the fourth sentence of Article IV, Section 2-a, of the Constitution, be amended to read as follows: "Serving in a part-time capacity or on leave of absence or on sick leave in any of these capacities will terminate the eligibility of the member, and the remaining members of the Board shall fill the vacancy within sixty days in the same manner as that prescribed for the regular election of Board members." (Clarification)

The Commissioner presented a letter from Prin. R. L. Grider of the Bryan Station High School, recommending that action be taken by the K.H.S.A.A. looking toward the establishment of rifle marksmanship as a minor sport. Accompanying the letter was

The Flying Dutchman

It was Bill Davis, Game Guy of 1961, who was to be in the seat of honor at the banquet of the Kentucky High School Athletic Association at the Brown Hotel in Louisville on April 6. Game Guys may come and Game Guys may go, but this year's winner of The Flying Dutchman Award for overcoming the greatest handicap to engage in sports must go down in the record book as a "Man among men."

This year's Game Guy is Bill Davis of Harrodsburg High School. Bill Endicott first brought this young fighter's accomplishments to the attention of The Flying Dutchman saying, "It is always gratifying when people start talking about teen-age delinquency to bring up the name of a boy who would rather make a good tackle than drive a hot rod. Such a boy is Bill Davis, a guard on the Harrodsburg High School football team, who has been crippled since birth." Bill Smart, his principal, says, "Bill sets an example of courage which all of us may well pattern from." The Flying Dutchman says, "This kid has more determination per pound than any football player he has ever heard of."

Standing only 5 feet and 4 inches, and weighing only 115 pounds, Bill was born in 1943 with the fibula missing from his lower leg. Nobody ever thought he would walk. Since he put on a Harrodsburg football uniform two seasons ago, he has never failed to come off the field the most respected lineman. This magnificent 115 pounder has already asked Coach Blanton Collier if he can try out for football when he enrolls in the University. With one leg four inches shorter than the other, Bill was selected for honorable mention on the All-State Eleven—Truly a Game Guy!

The "Parade of Game Guys" is always a high-light of the Annual K.H.S.A.A. Dinner. Coaches, officials, and educators, are eager to pay tribute to the kid with a heart of a lion who refuses to be knocked out by a physical handicap and gets up from the floor to fight again.

An Abou Ben Adhem Award has been called for by Coach Fairce Woods of Breathitt High School for Dunbar High School. Fairce praises the courtesy and hospitality the school officials and fans extended to his team. Lexington's Dunbar High School has been recommended many times and must truly be outstanding in the realm of sportsmanship. This school already qualified for

THE DUTCHMAN

the award in the Year of 1960. Congratulations to the administration and coaching staff of this outstanding group of sportsmen.

Jimmy O'Sullivan, Editor of the Shelby Sentinel Newspaper, receives the Corn Cob Pipe of Honor Award for the unselfish service he is performing to promote recreation, and sports in the area served by his newspaper. Jimmy is a sports enthusiast and is determined that as many boys and girls as possible be privileged to engage in recreational sports. This chap is one of "Nature's Noblemen."

Congratulations to the city of Paducah! Joe Mitchell, promotion manager of the Paducah Sun-Democrat, writes that the city is launching a brand-new recreation program with Art Seely as Superintendent. The Flying Dutchman worked with Paducah during the past two years helping to get a city program activated there. Art is a former coach in Southern Illinois and a basketball player of days gone by at Valley High School.

Ashland's Ernie Chattin wins a Flying Dutchman award which has never been given before and will not be given again during this century. Because this personable Kentucky gentleman has attended every State Basketball Tournament for the past forty consecutive years and because no other man has a chance of tying his record during this century, he was presented a trophy proclaiming him the State Tournament Fan of the Twentieth Century at 7:00 A. M., March 18, before the semi-finals of the State Tournament in his room in the Kentuckian Hotel in Lexington. It was an unusual time to receive an award but Ernie is an unusual fellow.

Outstanding coach-referee relationship

is reflected in a letter written by Joe Jones of Louisville to Coach Norbert Raque. Official Joe wrote Norb a letter saying, "I feel that your constructive criticism has made me realize more fully the misunderstandings which often exist in the interpretation of rules by various officials." Norbert Raque is a pleasant fellow who knows how to offer constructive criticism. Basketball can use a lot of officials like Joe Jones who realize that men grow in stature by listening to constructive criticisms.

Bill Varble insists that Maurice Stiff and Don Laubheimer are two young officials who deserve pats on the back. Regardless of rain, sleet, or snow, they will work J. V. basketball games without pay to help out schools needing officials and to gain experience, hoping some time to be prepared to officiate in varsity competition. More young officials should copy a page from the book of these two "whistlers."

"Scoop" Brown of Lexington compliments the last Flying Dutchman Article discussing officiating. Scoop also wants The Flying Dutchman to clarify that kicking the basketball is only a violation when it is a positive act. There you are, officials—be sure that next season you only penalize intentional kicking.

Coach Bob Wright of the magnificent State Champions of Ashland started coaching at Vanceburg, but he left it for a while to operate a general store about three miles outside Wayne, West Virginia. Then he went back to his first love—and all Ashland is happy he did.

There will be another lady basketball official in Kentucky next year. Mrs. Charlie (Ellen) Irwin, wife of the State Tournament official, will register for the 1961-62 season.

Let's conclude with this thought: A man may question his wife's judgment in a lot of things, but never in her choice of a husband.

MINUTES OF BOARD MEETING

material giving interesting facts about rifle clubs, with the question being asked, "Should the Kentucky High School Athletic Association add rifle marksmanship to its lists of sponsored sports?" Board members suggested that the Commissioner determine what state associations include rifle marksmanship as a sponsored sport, and that a report on the feasibility of adding this sport to the K.H.S.A.A. program be made at a subsequent meeting of the Board of Control.

Jack Dawson moved, seconded by Cecil A.

Thornton, that all bills of the Association beginning January 28, 1961, and ending March 16, 1961, be approved. The motion was carried unanimously.

There being no further business, the meeting adjourned.

ATTENTION, PRINCIPALS!

On March 1, 1961, the office of the National Federation of State High School Athletic Associations mailed a bulletin to State Association executive officers concerning the All-Star Game Rule. The rule had been adopted by the N.C.A.A. at its meeting in Pittsburgh on January 11, 1961. The rule, which became effective on adoption, is as follows:

Excerpt from Article III

The N.C.A.A. Constitution

"Section 10. Principles Governing the Eligibility of Student-Athletes: An institution shall not permit a student-athlete to represent it in intercollegiate athletic competition unless he meets the following requirements of eligibility:

"(a) He must complete his seasons of participation within five calendar years from the beginning of the semester or quarter in which he first registered at a collegiate institution, time spent in the armed services or on compulsory church missions being excepted.

"(b) He shall be denied his first year of varsity athletic competition if, following his graduation from high school and before his enrollment in college, he was a member of a squad which engaged in any all-star football or basketball contest which was not specifically approved by the appropriate state high school athletic association or, if interstate, by the National Federation of State High School Athletic Associations or all of the state high school athletic associations involved."

Principals will want to bring this rule to the attention of all athletes in the school. Attention is called to the fact that, if a boy participates in an unsanctioned All-Star game in football or basketball and then enrolls in a National Collegiate Athletic Association institution at which freshmen are not eligible for varsity competition, the boy will not be eligible for intercollegiate varsity competition until he becomes a Junior.

(Clarification)

PROPOSAL VII

Prin. Vincent Zachem (Bardstown) proposes that the clause, "has paid the annual fee" shall be inserted after "has attended the clinic" in Section 4-b and Section 4-c of By-Law 29. (Clarification)

NEW EQUIPMENT GUIDE

Many people have been asking for a practical guide to sound practice in the purchase and use of equipment and supplies for programs in athletics, physical education, and recreation.

In response, The Athletic Institute and the American Association for Health, Physical Education, and Recreation have just released the manual, **Equipment and Supplies for Athletics, Physical Education, and Recreation**. Suggestions given are designed to achieve the greatest possible participation and generally to improve programs. The price of the manual is \$2.50.

The manual may be used as a textbook for such courses as organization and administration and planning of facilities and equipment. An indispensable reference for professional preparation courses, it is essential to the professional library of specialists in physical activities, school and recreation administrators, coaches, planning consultants, purchasing agents, and manufacturers of equipment and supplies. Many practical ideas are given for carrying out necessary procedures, including specific forms and records.

Material for this new basic reference was developed in a national workshop by men and women leaders in the specialty fields, by designers and manufacturers of equipment and

supplies, and by school administrators, representatives of state departments of education, and other special consultants.

HALL OF FAME

At the time this issue of the ATHLETE went to press, contributions to the Basketball Hall of Fame in the amount of \$160.22, had been received in the state office of the K.H.S.A.A. The contributions by schools were as follows:

Beechwood, \$5.00; Calhoun, \$10.00; Campbell County, \$5.00; Campbellsville, \$10.00; Caneyville, \$5.00; Central, \$5.00; Henry Clay, \$10.00; Holmes, \$5.00; Knott County, \$5.00; Midway, \$20.22; Monticello, \$5.00; Morgan County, \$10.00; Nancy, \$5.00; Paintsville, \$10.00; Pleasure Ridge Park, \$5.00; Prichard, \$20.00; Pulaski County, \$5.00; Shopville, \$5.00; Somerset, \$5.00; Valley, \$5.00; Wayne County, \$5.00.

It is probable that administrators and coaches of numerous other K. H. S. A. A. schools will want to send in contributions to the Hall of Fame before the end of the current school year. These contributions will be forwarded on to the Hall of Fame Committee.
