*From the Commissioner's Office***Football Clinics**

The 1961 clinics for football officials will be conducted by Athletic Director Edgar McNabb, Assistant Principal of the Beechwood High School, South Fort Mitchell. Mr. McNabb has been the K.H.S.A.A. representative on the National Federation Football Committee for several years. The dates and sites of the clinics are as follows: August 13, Ashland, 8:00 P.M.; August 14, Pikeville High School, 8:00 P. M.; August 15, Bell County High School, Pineville, 8:00 P.M.; August 20, Bowling Green, 8:00 P.M.; August 21, Mayfield High School, 8:00 P.M.; August 22, Henderson High School, 8:00 P. M.; August 27, Newport High School, 8:00 P. M., August 28, University High School, Lexington, 8:00 P. M.; August 29, Louisville 8:00 P.M.

**Registration of Officials**

Football and basketball officials previously registered have received their renewal application cards for the 1961-62 school year. One hundred eighty-six officials failed to file their 1960-61 reports on or before the deadline set by the Board of Control for the submitting of reports, and it was necessary to impose fines on these officials who failed to comply with Association rules. It is an Association requirement that each registered official attend the clinic in the sport in which he is registered. Sixteen football officials and eighty basketball officials were suspended in 1960-61 for failure to attend clinics.

**New Officers**

On July 22, 1961, the Board of Control elected W. H. Crowdus and Kenneth G. Gillaspie President and Vice-President respectively of the K.H.S.A.A. Write-ups of the new officers will appear in the September issue of the ATHLETE.

**Preston Holland**

Athletic Director Preston "Ty" Holland of the Murray High School will represent Section 1 on the Board of Control for a four-year period, beginning July 1, 1961. Mr. Holland will be a new member of the Board, replacing Supt. Louis Litchfield of the Crittenden County Schools who was not eligible for re-election after having served two successive terms. Preston Holland was born in Murray, Kentucky. He attended the Murray Grade School and High School, graduating in 1924. He received his A.B. Degree from Murray State College four years later, after having lettered in football, basketball, and baseball. He has done graduate work at the University of Kentucky, and he received his M. A. Degree from Murray State.

The new Board member was principal and coach at Almo High School for two years following his graduation from college, after which he joined the Murray staff as coach of football, basketball, baseball, and track. He has been at Murray since that time, currently being Athletic Director and Head Football Coach. He is Past President of the Murray State Alumni Association. He organized the first Little League in Kentucky, serving as State Director for several years. For many years he has been a Deacon in the First Christian Church of Murray and he now serves as Sunday School Superintendent at that church.

## The Flying Dutchman

This Dutchman has attended many conventions, but none which was more enjoyable or better conducted than the one put on by the National Federation of State High School Athletic Association at French Lick, Indiana, in July.

Cliff Fagan, Dave Arnold and associates got this job done beautifully. Colonel L. V. Phillips, I.H.S.A.A. Commissioner, again proved himself an able leader, giving this convention the required local leadership necessary to make it "click."

This is a clean affair. The conduct of the athletic leaders of the nation reflected credit on the athletic programs of the various state high school athletic associations. Commissioners, assistant commissioners, executive secretaries, and members of their boards of control make a fine family affair of this convention bringing their wives and children. If you have never attended one of these conferences, plan to. You will be proud of the program plus the men who administer it for our young people.

Everybody seemed to be at French Lick! From the hills of Tennessee there emerged Webb Porter, one of the finest sports officials ever to blow a whistle in the South now an assistant commissioner. Commissioner Oden Hawes, who served time with the Dutchman on the National Basketball Rules Committee, strayed from the Oregon Trail to be present. Herman Keller was there from Evansville as was "Jolly Cliff" Harper of Alabama. Personable Milt Sprunger of Illinois added zest to the occasion as did Iowa's dynamic Lyle Quinn.

Kentucky's Ted Sanford and Joe Billy Mansfield led a colorful array of our "Hill Williams" (all wearing shoes) in the persons of Bob Forsythe, Jack Dawson, Kenny Gilaspie, Louie Litchfield, Oran Teater, Cecil Thornton, Paul Trimble, Harold Craig, and Russ Williamson. These Kentuckians were "griped" when the Dutchman and Harold Craig took on the New Jersey delegation of Dany Testa, Leo Zotta, and Frank Pingitore in an inter-state golf match on the Fourth of July and lost. They felt better the next day when it was our turn to keep the score.

Paintsville's Oran Teater set some kind of a record at French Lick when he created the first inland tidal wave, when he dived in the pool, swamping Jack Dawson and Paul Trimble.

Russ Williamson of Inez, one of the shrewdest coaches Kentucky will ever pro-

Little Charmer Posing

duce, spent a lot of time courting a cute little six-month old charmer, Becky Lynn Craig. Attention, Coach Briscoe Inman of Centre College! Becky is the daughter of Harold Craig who played half back for you in the late fifties—and The Dutchman's granddaughter. The delegates and their wives unofficially adopted Becky as "The Convention Mascot."

Board Member Posing

Every convention will do well to copy the recreation page for wives from the program of this National Federation Meeting. Receptions were scheduled as were coffee hours, fashion shows, cha-cha lessons, dancing in the lobby, tours, surrey rides, and sports of all kinds. These Federation men know how to operate.

Now it's time for the annual August School For Basketball Officials sponsored for the thirteenth consecutive year in Lexington. Sixteen key officials from the regions of Kentucky will work on mechanics of officiating on August 13 and 14.

September will find The Dutchman conducting the annual state-wide basketball training program for officials for Colonel L. V. Phillips of the I.H.S.A.A. in Indianapolis, after which come the October basketball clinics of the K.H.S.A.A. These will take

## P. O. Department Needs Help!

An important new policy statement on the Post Office Department's program in the field of law enforcement against mail obscenity — emphasizing enforcement without fanfare — has been issued by Postmaster General J. Edward Day.

The statement, which applies to the whole anti-obscenity program, was issued specifically in connection with the sentencing on January 27, 1961 in Federal Court in Washington, D. C. of Herman L. Womack of Washington and Alfred J. Heinecke of Lakewood, N. J., on charges of conspiring to use the mails in the transmittal of obscene material.

Here is the text of Mr. Day's statement:

"We in the Post Office Department are gratified at the sentences given today to these serious offenders who have been convicted of using the mails to transmit smut material.

"We have underway plans for the toughest crack-down ever conducted for such violators of the laws against mailing pornographic material. Hereafter our approach will be that used by the Federal Bureau of Investigation and other highly successful law enforcement agencies, in that our drive will be conducted without fanfare. We will concentrate our available manpower and funds on apprehending violators.

"Our public statements on the pornography program will largely be confined to comments on actual results achieved and convictions obtained.

"Needless to say, we seek the assistance of the public in general in reporting receipts of illegally mailed material. We are confident that the general public realizes there are stern laws against this type of corrupting activity and that other law enforcement agencies throughout the country will cooperate with us in bringing to our attention cases that require investigation or action. We will focus on the most urgent situations and will refuse to be diverted by fringe cases.

"The inspection service of the Post Office Department is the oldest and without doubt one of the finest law enforcement agencies in the United States, an we count on them to hit hard in getting this job done."
