Report of Audit

Louisville, Kentucky, July 9, 1962

Mr. Theodore A. Sanford, Secretary & Treasurer
Kentucky High School Athletic Association
Lexington, Kentucky

Dear Mr. Sanford:

Pursuant to instructions received, we have made an audit of the books and records of the KENTUCKY HIGH SCHOOL ATHLETIC ASSOCIATION for the period of one year, beginning July 1, 1961, and ending June 30, 1962. In addition, we have prepared and attached hereto, statements of the Receipts and Disbursements, which in our opinion, reflect the true financial condition of the Association as of June 30, 1962. The cash funds on Hand and U. S. Savings Bonds Accounts were found to be correct and verified by letter from your depositories.

We find the records presented to us for the purpose of audit to be in agreement and in good condition.

Respectfully submitted,
JOHNSON-FOWLER & COMPANY

Football Clinics

The 1962 clinics for football officials will be conducted by Athletic Director Edgar McNabb, Assistant Principal of the Beechwood High School, South Fort Mitchell. Mr. McNabb has been the K. H. S. A. A. representative on the National Federation Football Committee for several years. The dates and sites of the clinics are as follows: August 13, Ashland, 8:00 P.M.; August 14, Pikeville, 8:00 P.M.; August 15, Pineville, 8:00 P.M.; August 20, Bowling Green, 8:00 P.M.; August 21, Mayfield, 8:00 P.M.; August 22, Henderson, 8:00 P.M.; August 27, Newport, 8:00 P.M.; August 28, Lexington, 8:00 P.M.; August 29, Louisville, 8:00 P.M.

Registration of Officials

Football and basketball officials previously registered have received their renewal application cards for the 1962-63 school year. One hundred eighty-six officials failed to file their 1961-62 reports on or before the deadline set by the Board of Control for the submitting of reports, and it was necessary to impose fines on these officials who failed to comply with Association rules. It is an Association requirement that each registered official attend the clinic in the sport in which he is registered. Four football officials and fifty-three basketball officials were suspended in 1961-62 for failure to attend clinics.

New Officers

On July 28, 1962, the Board of Control was to elect a new President and Vice-President. The magazine deadline was prior to this date. Write-ups of the new officers will appear in the September issue of the ATHLETE.

(Left to Right) Front Row: Givan, Hodges, Vettiner, Willhoite, Staib. Second Row: Major Richardson, Jr., MSgt. Berry, Coach.

The Flying Dutchman

The Dutchman spent three days in the mountains this summer helping the City of Hazard set up a recreation program. In that City lives a Kentuckian who is in a class all by himself. Reference is made to Willie Dawahare, Mayor of the town.

Mayor Dawahare loves kids and wants a wholesome recreation program launched. His enthusiasm caused him to sound like Coach Ed Diddle at the Hazard's Lion's Club where Governor Bert Combs and Carlos Oakley were honored guests. Mayor Willie introduced The Flying Dutchman in this manner, "Gentlemen, here is the greatest Recreation Consultant we could find who would come to Hazard and do this job for nothing!"

Carlos Oakley, now the Chief of the State Welfare Department, gave many years of service on the Board of Control of the K. H. S. A. A. Carlos was a fine quarterback at Western when the Dutchman was playing there several decades ago. His father used to say that he invested \$5,000.00 in a college education for Carlos and all he got was a quarterback. Nobody laughed at this joke in Hazard—but if you think about it a while, it is funny. I think.

Roy Eversole, Paul Wright, and Jim Caudill were there. Jim said that Paul wrote the introduction for the energetic Mayor. This occasion took the Dutchman back to the year of 1930 when he was introduced as Coach of Memorial High School by the Chairman of the School Board as follows: "Tax-payers, that little fellow sitting on the end is the Coach. That's the best we could do on the money you gave us!"

Willie Dawahare is the first winner of the Corn Cob Pipe of Honor for this season because of his unselfish service to the youth of his City. Every Kid we passed waved or yelled to him. You would think he was the daddy of them all.

In Hazard stands a beautiful school. It will long be a monument to a great Kentuckian. His name is Roy G. Eversole. Few men attain the stature of Roy Eversole. He has determination, a quiet dignity, leadership, and a love for people. It is a credit to this mountain City that it has immortalized his achievements with this useful monument during his time. Roy is a former member of the K. H. S. A. A. Board of Control.

Hazard's football Coach, Paul Wright, is moving over to Louisa while Goebel Ritter, the Basketball mentor, has been lured to Whitesburg. Incidentally, Goebel will be one

Mayor Dawahare

of the sixteen Regional Representatives at the School for Basketball Officials in Lexington this month. When you are in Hazard, visit Jim Caudill. Jim's beautiful home is high on the mountain by LaCitadelle, overlooking Hazard.

Sports are a "Way of Life" in the Kentucky mountains. At a round table "Bull Session" on top of that high peak, everybody agreed that to have a good sports program there must be good officiating. To have good officiating a sound training program must be offered. The K. H. S. A. A. has one of the finest training programs for sports officials in the Nation. You are invited to attend the School for Basketball Officials in Lexington on August 12 and 13. The place is the Phoenix Hotel.

Indiana's Commissioner Colonel L. V. Phillips has retired. The new Commissioner of the Indiana High School Athletic Association is the popular and highly-respected Phil Eskew, formerly of Huntington. Because of his national influence, Kentucky's Commissioner affectionately gave Colonel Phillips the name, "Kingfish." "The Hoosier" Athletic Chief promptly dubbed Ted Sanford "Andy" and Joe Billy Mansfield "Lightning." This "Grand Order of The Kingfish" caused a citation to be presented to Colonel Phillips at an honor luncheon in Indianapolis in July. It was a grand occasion for a "Grand Guy."

A telephone call has just come in from Irby Hummer of Hodgenville, wanting the Dutchman to come to the "Birthplace of Lincoln" to lay out a golf course for the town. Irby says his group wants the best Recreation Consultant available for nothing.

Here we go again, Willie!

Board Vacancy

K.H.S.A.A. Director Robert P. Forsythe moved to Princeton, Kentucky, on July 1, and became Superintendent of Caldwell County Schools. Since Mr. Forsythe now holds an administrative position in Section 1, he is no longer eligible to represent Section 2, under the provisions of Article 4, Section 2-a, of the K.H.S.A.A. Constitution.

Mr. Forsythe's present term on the Board, had he remained a member, would have expired on June 30, 1963. His replacement will therefore be elected to serve for the remainder of the 1962-63 K.H.S.A.A. year (July 1-June 30).

The Commissioner has notified principals in Section 2 that nominations for Board membership should be submitted to his office not later than August 8.

Medical Clinics

A medical clinic sponsored jointly by the U. K. Athletics Association, the K.H.S.A.A., and the Kentucky State Medical Association was scheduled to be held at the University of Kentucky on Saturday morning, August 11.

The K.H.S.A.A. and the Kentucky State Medical Association are also cooperating in conducting a series of additional medical clinics. The tentative dates and sites of these clinics are: Harlan, September 8; Bowling Green, September 15; Louisville, September 22; Morehead, September 29; Murray, October 6; Richmond, October 13. Additional information concerning these clinics will be forthcoming.

SHALL WE ELIMINATE THE VARSITY?

Recently a magazine published an article with the title "Kids and Athletics." No author was named.

The substance of the article can be stated simply—we paraphrase: "The way to get our youth physically fit is to have physical activity for all and not just a few engaged in varsity competition." Later in the article the following statement appears, "The most deadly opponent of physical fitness is the varsity team."

The author does what is done by so many who write about their ideas, i.e., stating a premise from which he draws a conclusion without investigating if the premise is sound.

If the way to get a high percent of youth physically fit is to abandon all varsity athletics we would agree to proceed along that plan. But the premise is not sound and no proof or experiment can be shown that the author's premise is correct. From studies made, nation wide; from forty years of experience with athletic activity, we are convinced that the opposite is true.

First, to say that few pupils receive the benefits of varsity competition is not true. Of course, it depends upon your ideas of what is a "few." Studies conducted by the PIAA and other state associations prove that one-third of the enrollment participate in varsity

competition. By our standards that is not a few.

It means in PIAA schools alone over 125,000 boys are receiving benefits. And if we add to this number the many participating in other amateur programs, such as the American Legion Junior Baseball organization, we cannot convince ourselves that it is a few who receive physical benefits.

Second, suppose we eliminated all varsity competition. Would others not participating suddenly decide athletics was "for them"? We would not argue that all should not participate, that is the ideal for which we strive. Why are there not more participants in varsity football? Is it because we have varsity football?

All of us know modern living does not furnish incentives for physical activity. We are not walking enough because we have the automobile. We transport pupils to and from school. We encourage a life of lack of physical activity by indulging our youth with modern conveniences. To say that more pupils would engage in physical activity if we decreased the incentives of the varsity program does not make sense.

If we want youth and adults to walk more, exercise more, we know the answer, and it will not be by eliminating varsity football.

We are quite certain that Americans are

not going to adopt voluntarily a program of mass calisthenics. Even the armed services with a compulsory program found it necessary to install a gigantic program of competitive games.

It is wishful thinking to suppose we will do as some countries have done. Our way of life, our method of living is different.

That "The varsity team is an opponent of physical fitness" is a false assumption and we all know it. In our frustration we must find a scape goat just as we sought one for our failure to orbit the first "Sputnik."

The most physically fit in any school will be found on the varsity teams. They are the ones with ambition and energy enough to exercise physically. We would welcome an investigation of who, in any school, would meet the standards of physical fitness. Who can do the most "push-ups" or "pull-ups" in the school? Are they the members of the varsity teams or are they the youth content to disregard the challenge of physical exertion?

What we need is to seek some way in which we can encourage all youth to seek the standards of physical fitness attained by the varsity. We need more varsity teams, not less. We need in football more varsity, more

junior varsity, more weight class teams. And we need to challenge them to participate through competition.

To say that more do not participate because they do not have the opportunity is making too easy an answer. There are few coaches who would not welcome with open arms more candidates.

In some schools coaches are begging for participants. There is opportunity for those willing to set aside a life of ease for a life of physical activity. We would be interested in a school adopting a program of no varsity teams to find out if more boys would participate in the vigorous disciplines demanded by the varsity.

Just what is needed to make our youth physically fit? Personnel and facilities—yes. But that is not the whole answer. Why not expand the program which has been successful? Eliminate varsity athletics in Pennsylvania and 200,000 youths will join the rank of the unfit. Modern life with its attractions for physical ease is the greatest competition we have to a physical fitness program. Let us expand the only program we have to encourage physical activity, the varsity.
