Report Of Audit

1191 East Broadway
Louisville 4, Kentucky
July 15, 1966

Mr. Theodore A. Sanford, Secretary & Treasurer
Kentucky High School Athletic Association
Lexington, Kentucky

Sir:
We have examined the Statements of Receipts and Disbursements of the Kentucky High School Athletic Association for the year ended June 30, 1966. Cash in Banks, Savings Accounts and Bond Investments were verified by direct communication with depositors. Buildings and equipment are reflected at estimated values without appraisal by us.

In our opinion the accompanying statements present fairly the financial position of the Kentucky High School Athletic Association at June 30, 1966, and the results of its operation for the year then ended, subject to the estimated value of buildings and equipment, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

*From the Commissioner's Office***Football Clinics**

The 1966 clinics for football officials and coaches will be conducted by Athletic Director Edgar McNabb, Assistant Principal of the Beechwood High School, South Fort Mitchell. Mr. McNabb has been the K.H.S.A.A. representative on the National Federation Football Committee for several years. The dates and sites of the clinics are as follows: August 8, Paul G. Blazer High School, Ashland, 7:30 P.M.; August 9, Prestonsburg High School, 7:30 P.M.; August 10, Hazard High School, 1:30 P.M.; August 10, Bell High School, Pineville, 7:30 P.M.; August 15, Reservoir Hill, Rec. Center, Bowling Green, 7:30 P.M.; August 16, Mayfield High School, 7:30 P.M.; August 17, Henderson High School, 7:30 P.M.; August 21, Newport High School, 2:30 P.M.; August 23, Phoenix Hotel, Lexington, 7:30 P.M.; August 24, Kentucky Hotel, Louisville, 7:30 P.M.

Registration of Officials

Football and basketball officials previously registered have received their renewal application cards for the 1966-67 school year. One hundred seventy-eight officials failed to file their 1965-66 reports on or before the deadline set by the Board of Control for the submitting of reports, and it was necessary to impose fines on these officials who failed to comply with Association rules. It is an Association requirement that each registered official attend the clinic in the sport in which he is registered. Eight football officials and thirty-nine basketball officials were suspended in 1965-66 for failure to attend clinics.

Attention, Principals!

Each principal of a K.H.S.A.A. member school will be supplied during the forthcoming school year with a card which will say: "Kentucky High School Athletic Association — This will introduce (name of principal), (name of school)." The card will be signed by the Commissioner. Most administrators of Association member schools admit to their home contests fellow administrators as a matter of school policy. However, many times these visitors hesitate to identify themselves to the ticket takers. The card mentioned will assist in this identification.

The identification card may be used for admission to all events at the state level except the State Basketball Tournament. A different plan for issuing these passes, along with passes to the district and regional basketball tournaments, is provided in basketball tournament regulations.

The identification cards are not to be considered as regular season passes to all home games of each member school holding membership in the Association. School policy should be the determining factor in presenting the cards for admission to the games.

In Memoriam**John A. Dotson**

Dr. John A. Dotson, academic vice president and first dean of the graduate studies program at Union College, died on April 19 at Knox County General Hospital. Death was due to a heart attack. He was 71.

Dr. Dotson was one of the most distinguished educators to serve in the Kentucky educational system, having taught in Kentucky schools over thirty years. He was a native of Versailles, Kentucky, and received his baccalaureate degree from Georgetown College. He received his doctorate from George Peabody College after attending the University of Kentucky and the University of North Carolina graduate schools. He was Superintendent of Benham City Schools for some twenty years, during which time (1936-43) he was a member of the K.H.S.A.A. Board of Control.

From 1944 to 1947, Dr. Dotson was head of curriculum for the Louisville Board of Education. In 1947 he left to become director of teacher education at Emory University in Atlanta, Georgia. He served as dean of the University of Georgia College of Education before taking the post as head of graduate studies at Union in 1962. He was professor emeritus at the University of Georgia.

Dr. Dotson was considered "Mister Curriculum" of the Southern Association of Schools and Colleges. He had conducted education workshops at University of Kentucky and at Emory, and had served as curriculum consultant for schools owned by the Methodist Church.

Dr. Dotson was a member of such education organizations as Pi Gamma Mu, a social science honorary fraternity; The National Society for the Study of Education, Phi Delta Kappa, Kappa Delta Pi, Kappa Phi Kappa, and a life member of the National Education Association. In addition he was a Mason and a member of Rotary Club and Alpha Phi Omega.

Funeral services were held at Conway Boatman Chapel on Friday, April 22, at 10 a. m. with Dr. John Owen Gross, retired executive secretary of the Board of Education of the Methodist Church, Nashville, Tennessee, former president of Union College, and the Rev. M. A. Reese, pastor of the Barbourville First Baptist Church, officiating. Active pallbearers were: Dr. John H. Boyd, Dr. J. Howard Allen, Charles Sandler, Dr. Jesse D. Lay, Warren Robbins, and Curtis Mathis. Department heads at Union were honorary pallbearers.

Interment was in Bellevue Cemetery at Danville, Kentucky, with the Sharpsburg, Kentucky Masonic Lodge in charge of services.

Survivors are his widow, Mattie Adams Dotson; one brother, James Dotson, Long Beach, Calif.; four sisters: Mrs. Clarence Lowen, Louisville, Ky.; Mrs. Victor Harris, North Middletown, Ky.; Mrs. Donald Burdette, Kansas City, Missouri; and Mrs. Anna Boxley, Hopkinsville, Ky.

The impact of Dr. John A. Dotson on thousands of men and women in Appalachia, in the state of Kentucky, and throughout the South can never be adequately determined. Never ready to "retire", when he had finished his years at University of Georgia he came back to his beloved mountains and to Union College, which he loved so well, and here he gave the fullest measure of devotion and knowledge. Union College has lost a vice president, and a dean of graduate studies, but most of all thousands who were touched by his life have lost a friend.

VETTINER HONORED

The K.H.S.A.A.'s Flying Dutchman has received many honors in the fields of recreation and athletics through the years, probably none greater than the citation which he received at French Lick, Indiana, on June 28, 1966, during the Annual Meeting of the National Federation of State High School Athletic Associations.

National Federation Vice President John J. F. Ruddy presented a certificate to Mr. Vettiner which read: "The National Federation of State High School Athletic Associations presents this Certificate of Merit to Charles Vettiner, Kentucky High School Athletic Association, for outstanding services in the field of school athletics and in appreciation of notable contributions in constructive thinking and achievement on the national level."

In making the presentation to Mr. Vettiner, Mr. Ruddy gave the following tribute: "To CHARLES VETTINER to whom the National Federation expresses its appreciation for noteworthy contributions to interscholastic athletics as a representative of the Kentucky High School Athletic Association. Numerous nationwide innovations came as a result of Mr. Vettiner's leadership during his tenure as a member of the Basketball Rules Committee, in a state-wide system for basketball rules interpretation meetings, as a contributor to the improvement of basketball rules clinics throughout the United States and as a developer of officials' training programs. Mr. Vettiner has regularly served several member state associations as conductor of state-wide basketball rules meetings for coaches and officials. His energy and his dedication to the game of basketball and excellent preparation has made him a valued rules interpreter. His influence has been felt throughout the country. In many states, his methods have served advantageously as guides for other groups. This high commendation is most deserved."

The Flying Dutchman

Did you know that fifty State High School Athletic Associations and six affiliated Canadian Provinces make up the National Federation of State High School Athletic Associations?

Did you know that approximately 20,000 schools and 9,200,000 pupils are represented in the National Federation which is ably directed by the hard-working Cliff Fagan and his personable assistant, Dave Arnold?

When the executive heads and members of various Boards of Control met in June at French Lick, Indiana, the National Federation had entered its forty-sixth year of existence, having been born on May 14, 1920, at a meeting in Chicago. Take it from the Dutchman that this is a model convention wherever it is held and this year was another winner with Commissioner Phil Eskew of Indiana and his assistant, Herman Keller, serving as hosts. The Dutchman doffs his fedora to the Indiana High School Athletic Association for an outstanding program of recreation and hospitality.

When the National Federation convenes in 1967 it will be in Hawaii. As the Dutchman studied the physiques of Kentuckians Oran Teater, Ralph Dorsey, Ty Holland, Don Rawlings, Foster Sanders, Sherman Gish and Ted Sanford at French Lick, he tried to picture these chaps with leis adorning their necks as they do the hula on the white sands of Honolulu. To see such action it's worth a trip half way around the world, so the Dutchman will write this column next year on the sunny beaches of the Islands.

The National Federation featured a number of Kentucky Colonels who weren't from Kentucky. Among these were Colonels Paul Landis and Harold Meyer of Ohio; Colonels Phil Eskew and Herman Keller of Indiana; Colonels Cliff Fagan, Doc Runyan and Dave Arnold of Illinois. If Sam Burke, the President of the National Federation, isn't a Kentucky Colonel he ought to be. Sam's a dandy!

Right now the Dutchman is getting his

programs ready for the annual School For Basketball Officials sponsored by the K.H.S.A.A. in Lexington on August 7th and 8th. Edgar McNabb conducts his School For Football Officials just prior to this one. At French Lick the Dutchman learned that some of the other associations are sending observers to these training schools for officials. All visitors are welcome to the sessions.

Several new regional representatives joined the old heads at the Basketball School For Officials. From Bowling Green came Bob Gour; Prospect sent Hubert Louden and Walt Green came from Middlesboro. To round out the new representatives the City of Slemp in the 14th region was honored when one of its favorite sons, Ken Loudy, was selected by the K.H.S.A.A. to train the officials in that region.

The competition for the honor of being Game Guy of 1967 begins now. The interest you show in helping young men and women to enjoy sports in spite of physical handicaps may result in happiness for youngsters who might otherwise be miserable. Send your story about the boy or girl who is overcoming a handicap to be an athlete to The Flying Dutchman at Jeffersontown. Kentuckians want to know about these courageous kids and we'll tell them in this column.

The Corn Cob Pipe of Honor for this month goes to Middletown's John W. Trapp. It is hard to estimate just how much good John has done for people during his lifetime. The Dutchman first met this human Dynamo when he was coaching at LaGrange in the thirties. John is always the gentleman. Now the principal of Eastern High School in Jefferson County, he is a familiar figure at every State Basketball Tournament in his official capacity. They should have made a lot more like Johnnie Trapp before they threw the mold away.

This summer saw additional playground and recreation programs spring up over Kentucky. More and more school superintendents are encouraging summer playground programs. Oran Teater of Paintsville brought his playground director to French Lick to study the recreation facilities there.

It's good to see more golf courses being built and the sport of golf being promoted by the K.H.S.A.A. because it is a sport families may play together and has important carry-over value into later life. The Dutchman played eighteen holes with Tom Wilds, an eighty-three year old Louisvillian, who shot a score of 76. Golf makes it pos-

Minutes of Board Meeting

The Board of Control of the Kentucky High School Athletic Association met at the K.H.S.A.A. office, Lexington, on Wednesday morning, June 8, 1966. The meeting was called to order by President Foster J. Sanders, with all Board members and Commissioner Theo. A. Sanford present. The invocation was given by President Sanders.

Ralph C. Dorsey moved, seconded by Oran C. Teater, that the reading of the minutes of the April 15th meeting be waived since members of the Board had received copies of the minutes. The motion was carried unanimously.

The Commissioner made a report to the Board on the estimated receipts and disbursements of the K.H.S.A.A. during the year 1965-66. He presented a suggested Association budget for the 1966-67 school year, with estimated receipts of \$165,600.00, and estimated disbursements of \$165,150.00. After a study of various items of the proposed new budget, Don R. Rawlings moved, seconded by Oran C. Teater, that the 1966-67 budget presented by the Commissioner be adopted. The motion was carried unanimously.

The Commissioner presented the following recommended changes in tournament and meet regulations, calling for Board action:

"1. Amend the second paragraph of Basketball Tournament Rule VI-B, to read as follows: 'Lodging, meals and passes shall be provided for five cheerleaders and sponsor until their team has been eliminated.'

"2. Amend the second sentence of State Swimming Meet Rule XI, to read as follows: 'Awards will be

given to the first six finishing in each event.'

"3. Amend the second sentence of State Golf Tournament Rule III, to read as follows: 'Eligible to enter the second round (boys) are the ten teams, and ten individuals not on qualifying teams, with the lowest scores after the first round.'

"4. Substitute the following for Basketball Rule III-A: 'Only member schools having a schedule of twelve or more basketball games with at least six different

member schools shall be allowed to vote for tournament locations.'"

Morton Combs moved, seconded by Sherman Gish, that the recommended changes in tournament and meet regulations, presented by the Commissioner, be adopted. The motion was carried unanimously.

The Commissioner reported the results of a questionnaire on Gymnastics, which the Board of Control had directed him earlier to send to the principals of K.H.S.A.A. member schools. He stated that twenty principals had indicated that their schools would send individual entries or teams to a regional or state Gymnastics meet in 1966-67, and that thirteen others had stated that their schools would probably have teams the following year. On the basis of this information, Don Davis moved, seconded by Oran C. Teater, that the Commissioner be authorized to set up a Boys' Gymnastics program for the forthcoming 1966-67 school year, leading to regional and/or state meets. The motion was carried unanimously.

The Commissioner reported on the 1966 K.H.S.A.A. Track program, in which for the first time four classes had been involved, namely, Class A, Class AA, Class AAA, and Girls' Track. He stated that, in his opinion, the new plan had been most successful, and that the majority of school administrators and coaches approved of the current rules and regulations. Several Board members concurred with these statements. The Commissioner further stated that various suggestions had been made to him for possible changes in the present plan, and that these suggestions would be given due consideration.

There was a discussion concerning the possibility of setting up classes in Cross Country. It was suggested that the Commissioner send out a questionnaire concerning this matter to the principals of K.H.S.A.A. member schools with Cross Country teams.

The Commissioner had been asked to make a survey of junior high school associations and organizations for athletics in other states. He stated that he and Mr. Mansfield had made such a survey. In thirty-nine state associations surveyed, thirteen had junior high school divisions and three were members of their respective associations. It was found that in most state association plans studied pupils at the junior high school level were not eligible to represent senior high schools on any teams. It was the opinion of the Commissioner that the many school system plans currently in effect in Kentucky, namely, 6-6, 6-3-3, 8-4, 9-3, etc., make the organization of a separate junior high school association or a K.H.S.A.A. junior high school division questionable at this time, keeping in mind the eligibility of athletes at the junior high school level who might have the ability to play on

varsity, junior varsity, or freshman teams representing K.H.S.A.A. member schools. He further stated that some areas in the State have been successful in organizing city or county conferences and leagues, with their eligibility rules based on modified K.H.S.A.A. eligibility rules. It was suggested that the Commissioner formulate one or more suggested plans for junior high school organizations, these plans to serve as guidelines for school administrators at the junior high school level who might be interested in area conferences or associations.

Don Davis moved, seconded by Don R. Rawlings, that all bills of the Association for the period beginning April 1, 1966, and ending May 31, 1966, be allowed. The motion was carried unanimously.

There being no further business, the meeting was adjourned.

FRANKFORT GIRLS' GOLF TEAM WINS

(Left to Right) P. Tackett, J. Long, Coach J. Black, P. Harrod, D. Dailey, individual champion.

The second K.H.S.A.A. State Golf Tournament for Girls was held at the Shawnee Golf Course, Louisville, on May 24-25. The tournament was won by the Frankfort High School team with a score of 824. Dianne Dailey of Frankfort was individual winner with a score of 171. The tournament was managed by Miss Matilda Walker of the Westport High School faculty.

Eight full teams competed in the tournament, having qualified in regional competition. These teams and their scores were: Frankfort, 824; Bowling Green, 826; Campbellsville, 848; Lafayette, 890; Valley, 940; Paul G. Blazer, 1070; Paintsville, 1141; Eastern, 443 (first round score).

Individual scores of some of the tournament leaders were:

- 171 — Dailey (Frankfort)
- 173 — Beard (Campbellsville)
- 175 — Rose (Eastern)
- 183 — Orr (Bowling Green)
- 189 — Wilson (Valley), Reynolds (Owensboro), Dickerson (Bowling Green)

THE FLYING DUTCHMAN

(Continued from Page Four)

sible to keep right on playing, which is an excellent way to enjoy the golden age.

Oakley Brown, who coached for eighteen years in Hopkinsville and who was assistant to the Dutchman for twenty years, has retired from his recreation post with the Jefferson County Playground and Recreation Board, at the age of 65. You can find Oakley on his farm at Yosemite, fishing on the lake nearby or shooting in the low eighties on the golf course. Drop Oakley a line. He'll be glad to hear from you.

The Dutchman signs off this column with a motto he got from the sports-loving John Trapp years ago—"Take a lesson from the turtle. He sticks his neck out if he wants to get somewhere."

NEW PUBLICATION

A GUIDE FOR COACHING 8-MAN FOOTBALL,
by Dave Thayer

The only complete, comprehensive, illustrated, 8-Man football booklet in the U. S. today. Ideal for coaches, physical education instructors, intramural directors, recreation directors, or players. In this booklet the author describes and illustrates his 8-Man Multiple Offense including: play-call system, blocking rules, types of blocks, offensive drills, and plays. The chapter on 8-Man Defense includes formations, stunts, fundamentals and drills. In addition the booklet covers the complete kicking game as well as administration, scouting, transportation, utilization of coaching personnel, and practise sessions for 8-Man Football.

Price: \$2.00. Send to: Capt. Dave Thayer, Head Football Coach, Western Military Academy, Alton, Illinois.

We maintain and operate our own sewing, engraving, and service departments, which enables us to render faster service.

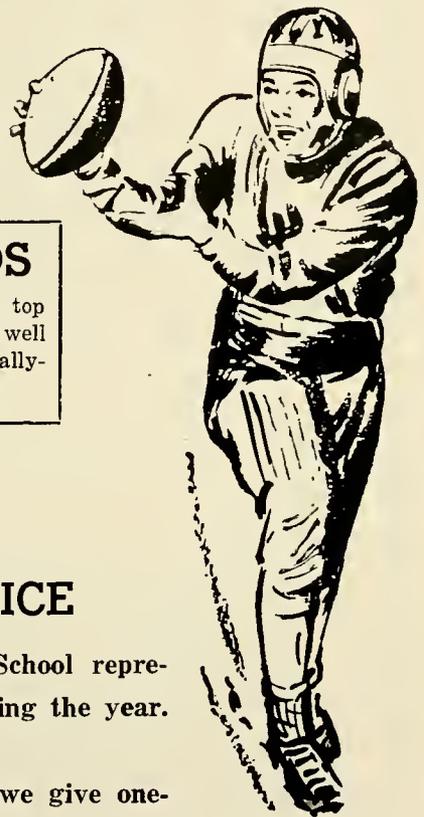

Attention: All Coaches

Be on the lookout for our "SPECIALS" we are offering you regularly. These are all "in stock" special merchandise for immediate shipment, and are unusual values.

QUALITY BRANDS

Our stocks this year are the same top quality for which Sutcliffe is now well known—nationally-distributed, nationally-advertised preferred quality brands.

SUTCLIFFE'S SERVICE

For on-the-spot service, the Sutcliffe School representative will contact you, as usual, during the year.

Write us about your needs. Remember we give one-day service.
