The 1966 Cross Country

The Louisville Trinity High School and Darrell Remole of the Owensboro High School posted their third consecutive state cross country titles on November 5. The Bellarmine College of Louisville was host to the fourteenth K.H.S.A.A. Cross Country run, with Ath. Dir. Eddie Weber of Bellarmine being meet manager.

The Shamrocks placed two runners in the top five positions, and had an over-all total of 60 points. Remole was clocked at 10:08.4 for the two-mile course through Seneca Park in snowy conditions. The St. Xavier team was second with 103 points, followed closely by Louisville DeSales with 109.

Scores of the first ten teams were as follows: Trinity, 60; St. Xavier, 103; DeSales, 109; Greensburg, 123; Newport Catholic, 201; Paducah Tilghman, 212; Owensboro, 283; Somerset, 303; Lexington Catholic, 312; Elizabethtown, 341.

Ten regional runs had been held for the purpose of qualifying teams and individuals for the state event. These runs were held at Paducah, Bowling Green, Bardstown, Clarkson, Louisville (2), Bellevue, Lexington, Somerset and Paintsville. In addition to the teams, several individual runners qualified as entrants for the state affair.

The order in which the first fifty runners finished is given below, including the times of the first twenty.

1-Darrell Remole, Owensboro (10:08.4); 2-Phil Theis, Westport (10:32.2); 3-Steve Keller, Lexington Catholic

(10:41.2); 4-Denny Pohl, Trinity (10:48.0); 5-Ken Eilers, Trinity (10:50.0); 6-Larry Bloyd, Greensburg (10:55.0); 7-Don Kelty, Trinity (11:01.0); 8-Dave Daring, Trinity (11:02.0); 9-Melvin Irvin, DeSales, (11:04.0); 10-Ken Munninghoff, Newport Catholic (11:11.0); 11-Rick James, St. Xavier (11:11.0); 12-James Banks, M.M.I. (11:11.0); 13-Tom Recktenwald, DeSales (11:11.0); 14-Ricky Roberts, St. Xavier (11:12.0); 15-Ruel Elkins, Greensburg (11:14.0); 16-Don Weber, Bishop David (11:15.0); 17-Ron Nieporte, Newport Catholic (11:18.0); 18-Tim Harry, DeSales (11:19.0); 19-Ron Whitesides, Paducah Tilghman (11:21.0); 20-Hermes Lee, Paducah Tilghman (11:21.0); 21-Jack Parsons, St. Xavier; 22-Steve Daffron, Monticello; 23-Jackie Rose, Greensburg; 24-John Porter, Owensboro; 25-Paul Upchurch, Monticello; 26-Paul Cox, Somerset; 27-Russell Harris, Elizabethtown; 28-Mike Allen, St. Xavier; 29-Gary Willis, St. Xavier; 30-Anibal Rivera, Fort Knox; 31-Randy Hancock, Lexington Catholic; 32-David Baumer, Durrett; 33-Ron Green, DeSales; 34-Gordon Loomis, Holmes; 35-Larry Kays, St. Xavier; 36-Stan Voelker, Trinity; 37-James Milby, Greensburg; 38-John McGuire, Johns Creek; 39-John Wikoff, Iroquois; 40-Steve Bailey, Butler; 41-Steve Hamric, Owensboro; 42-Robert Coffey, Greensburg; 43-Ronald Blevins, Flat Gap; 44-David Twyman, LaRue County; 45-Bruce Schulman, Paducah Tilghman; 46-Marty Elder, DeSales; 47-Sam Thompson, Greensburg; 48-Don Munninghoff, Newport Catholic; 49-Billy Faith, Daviess County; 50-Ronnie Mays, Tates Creek.

Kentucky Gymnastics

The principals of some twelve schools have indicated that they will send Gymnastics teams to the forthcoming First Annual State Championship Gymnastics Meet, scheduled to be held at the University of Louisville on April 1, 1967. It is hoped that by the time of the State meet many additional schools will have entries. It is not necessary that a full team be entered in the state affair.

On November 19, 1966, during the KAHPER Fall Conference held at Lexington, Chairman Bernard Johnson of the K.H.S.A.A. Gymnastics Committee conducted a clinic, the topic of which was "Preparation for a State Gymnastics Meet."

By the time this issue of the *ATHLETE* comes from the press, the Kentucky All Gymnastics Day, scheduled for December 10, will have been held. The program was sponsored jointly by the University of Kentucky, Georgetown College, and Eastern Kentucky University. The theme was Composition of Competitive Routines for all National Gymnastics Events. Instructions were given on how to organize high school and college Gymnastics exhibitions.

University of Louisville, on January 14, 1967, will conduct its Second Annual Invitational Gymnastics Meet. In its first year the University of Louisville Invitational was extremely successful. Over 250 grade school, high school and college gymnasts from five states took part in this event. The senior men's division was by far the largest group and the level of competition was very good. Several strong college teams took part as well as many outstanding high school gymnasts. The Second Annual U. of L. Invitational is expected to be much larger and include several new high school and college teams from the State of Kentucky. Early estimates indicate that teams from as far away as Texas, Virginia, Michigan, Alabama and Louisiana will join the ranks in attendance at this meet, bringing the number of states represented to ten. Total number of gymnasts taking part in this second invitational meet is estimated to be 350. Over 200 gymnasts from grade schools, high schools and colleges in Kentucky will take part in this event. This meet is open to all interest-

ed individuals or teams and is designed to acquaint the people of Kentucky with the sport of competitive gymnastics. There are four divisions: Boys and Girls, Junior High and under; Men and Women, High School and up. Awards will be given for the first six places in all events, and team and runner-up trophies for all divisions. Additional information can be obtained from Mr. Robert Wason, Gymnastics Coach at the University of Louisville, Louisville 8, Kentucky.

Gymnastics coaches who are unable to secure Gymnastics wear (uniforms, warm-ups, palm guards, and slippers) from sporting goods companies or other regular suppliers are advised that a large inventory of garments and personal items is kept in stock at the University of Louisville, and the items are available for immediate purchase through the U.L. Gymnastics team. Coach Wason may be contacted for additional information.

MINUTES OF MEETING

K.H.S.A.A. WRESTLING COMMITTEE Lexington, Kentucky, October 22, 1966

Present were: Messrs. Ted Sanford, Don R. Rawlings, Jerry Abney, Orville Williams, and Will Evans.

The meeting was opened by Mr. Sanford informing the Committee that eight additional high schools have added wrestling to their athletic programing. This makes a total of twenty-five schools now participating in Kentucky.

Orville Williams showed an outstanding new film, "Wrestling Officiating Illustrated," sponsored by the National Federation of State High School Athletic Associations. This film will be excellent for coaches and officials clinics. The film will soon be available for distribution throughout the state.

Mr. Williams gave a report on his recent trip to Chicago where he attended the Central States Meeting for Wrestling Rules Interpreters. This meeting was again conducted by Finn Erickson and John Roberts. The committee was informed that the main purpose of the meeting is that of uniform rules interpretation throughout the United States.

A wrestling clinic of physical education teachers and coaches will be conducted by Mr. Williams during the 5th District Education Meeting on November 4 at Butler High School, Louisville, Kentucky.

STATE TOURNAMENT

The State Wrestling Tournament has been set for February 10-11, 1967. Tentative arrangements have been made with school officials of Jeffersontown High School, Jeffersontown, Kentucky, to utilize their gymnasium for this event.

In all dual matches and tournaments the rules, as set forth in the 1967 Official Collegiate-Scholastic Wrestling Guide, will apply with the following exceptions:

1. There will be only one weigh-in during the State Wrestling Tournament. This is substituted for Rule 5, Section 2 (HSM-2).

2. Riding time. To avoid the problems involved in keeping riding time, the committee has set up the following conditions for the awarding of points for riding time:

- a. The individual wrestler may receive only one point for riding time during a match.
- b. There will be no riding time accredited to either wrestler in the first period.
- c. The wrestler who starts a period in the offensive (up) position is the one who can gain time advantage.
 - (1) He must keep control throughout the entire period.
 - (2) He must not be penalized by the referee for any violations.
 - (3) No riding time will be accredited to a wrestler who does not fulfill all of these conditions.

(4) One point will be given to the wrestler who does fulfill these conditions.

This ruling on riding time will be substituted in place of Rule 8, Section 2 in the Wrestling Guide.

In order for a school to be represented at the State High School Wrestling Tournament the coach must bring at least a six (6) member team. It will be necessary for schools which plan to participate in the State Wrestling Tournament to inform the Tournament Manager, Orville Williams, Seneca High School, Louisville, Kentucky, of their plans to attend no later than January 29, 1967. This is necessary to complete the final tournament arrangements.

It was agreed by the wrestling committee that in order for wrestling to continue to grow we must encourage more state colleges and universities to have wrestling as a part of their physical education and athletic programs. The committee would like to encourage high school football coaches throughout the state to take a close look at the possibilities of wrestling as an off-season sport for their football players. For information concerning the equipment and organization necessary for a wrestling program, contact Mr. Orville Williams.

MINUTES OF MEETING K.H.S.A.A. SWIMMING COMMITTEE Lexington, Ky., November 11, 1966

The annual meeting of the K.H.S.A.A. Swimming Committee was called to order by Chairman Alfred M. Reece at 4:15 p.m. in the K.H.S.A.A. Building. Since the previous minutes were published in the December (1965) issue of the Kentucky High School Athlete, they were not read. The following members of the body were present: Marshall Beard, Mrs. Wilbur Bell, E. W. Craik, Miss Sheila Gilreath, Edgar McNabb, Algine Reece, Commissioner Ted Sanford, and Jack Thompson.

Since there were no reports outstanding nor old business to bring before the group, the matter of new business, namely the 1967 state meets, was introduced.

A discussion was held regarding the difference between the 1967 NCAA Swimming Guide and the 1966-1967 K.H.S.A.A. Rules and Regulations Governing State Swimming Meets. Since the K.H.S.A.A. regulations had already been printed and were presently in force, it was the consensus of this committee that K.H.S.A.A. RULE IV.—Contestants remain in force for the 1967 championships. (The rule reads as follows: "A school may enter four contestants in each event except the relays. A school may enter only one relay team. A contestant may enter three events, no more than two of which may be individual events.") However, it was recommended to the Board of Control that for the 1967-68 school year the NCAA rule on contestants be adopted. The above recommendation was a unanimous vote by the committee.

The next discussion developed regarding the new scoring system proposed in the NCAA guide and the question of consolation heats (or finals) for each event. By unanimous vote it was recommended for approval by the Board of Control that the scoring system for the 1967 meets be in line with the NCAA Swimming Guide's Rule IV, Section 4 (pages 13 and 14). (Ed.—The rule here permits scoring for twelve places instead of the six places as was done in the past. It also implies that in addition to the final heat for each swimming event a consolation-final heat is to be conducted . . . and further that no points are earned unless the contestant participates in either the final or consolation-final.)

The Committee approved the following:

(1) Both Class AAA and Class AA Championships will be conducted as two-day affairs (if feasible to the institutions lending the facility).

(2) Class AAA Championships are to be staged at Plantation Pool, Louisville, on February 24-25, 1967.

(3) Class AA Championships will be held at Coliseum Pool, Lexington, on March 24-25, 1967.

(4) Girls' events will be held on Fridays, and Boys' events will be held on Saturdays.

The Commissioner stated that he had asked Messrs. Thompson and Reece to serve respectively as managers of the Class AAA and Class AA championships, and that each had accepted the assignment.

It was the unanimous opinion of the Committee that resolutions be drawn and presented for the record concerning the untimely death of Ralph Wright, Plantation Swim Club manager. Marshall Beard was given the assignment to prepare such resolutions.

Adjournment was at 6:05 p.m.

The Flying Dutchman

It's Christmas time in Kentucky! It's time to look back over twelve months to take inventory of the contributions you have made to other Kentuckians. It's a time for reminiscing and it's a time to count blessings.

Because it's Christmas time you're a little happier because you recall a little crippled kid whom you helped when you put in the K. H. S. A. A. Game Guy Program. You're happier again because it's the birthday of a baby who grew to manhood preaching, "Even as much as ye do to the least of these ye do also unto me." Maybe, because it's Christmas time in Kentucky you're a bit remorseful because of the youngster you intended to help but you put it off too long. Give yourself your first Christmas present now—Find that unfortunate kid, introduce him to sports and make him fortunate because you're his friend. Your next move is to mail his story to The Flying Dutchman, Box 36, Jeffersontown, and the kid will immediately be a winner.

Because it's Christmas time in Kentucky you should take time to consider the following quotation by Basile taken from the December issue of Guideposts: "A good deed is never lost; he who sows courtesy, reaps friendship, and he who plants kindness, gathers love." This is the reason for the Dutchman's Corn Cob Pipe of Honor award which goes to those performing unselfish services for others. During the past year whom did you recommend to the Dutchman for a corn cob pipe award and whom are you thinking of citing in 1967?

The Corn Cob Pipe Award for December goes to a basketball official from Cincinnati who sets a fine example for others with his service. Emmanuel H. Scott lives at 1614 Potter Place in the Queen City but August of each year finds him in Lexington spending a couple of days at the School for Basketball Officials. Each September finds him at the Dutchman's clinic at Newport, always trying to become a better official so he can give the kids who play ball in Cincinnati's church, industrial and Y. M. C. A. leagues better officiated contests. Emmanuel works high school games in northern Kentucky as well as Ohio and a good bit of fees always goes to help what he calls the "Pee Wees." Merry Christmas, Manny. You've earned it.

Because it's Christmas in Kentucky our reminiscing causes us to salute Cliff Harper, Alabama's former high school commissioner, for the fine Christmas present which he

Emmanuel H. Scott

gave to the nation in his book of cartoons illustrating every important play in basketball. It is the Dutchman's opinion that Cliff's book, which Cliff Fagan jointly edits with him, is the greatest contribution to uniformity of officiating which has appeared in the history of the sport. If you don't have one, get one!

Reminiscing at this Christmas time, my memory brings back the year of 1928 when Coach Ed Diddle christened me the Flying Dutchman and said, "You've got to be a stubborn little Dutchman who must never forget to get up every time you get knocked down"—I never forgot this greatest coaching I ever received from the Old Master. It's 1942 and Commissioner Ted telephones from Henderson to say, "Dutchman, I want you to be my clinic director." This assignment has meant the difference between an exciting life and a humdrum one and it has opened many doors. One of these doors opened when, at another Christmas time in 1952, H. V. Potter gave the Dutchman his first commission on the National Rules Committee. So, at this Yuletide I thank God for the friendships of Milt Sprunger, Ted Sanford, H. V. Porter, Doc Runyon, Cliff Fagan, Joe Billy Mansfield, Paul Landis, Harold Meyer, John Bunn, Phil Eskew, Herman Keller, Dave Arnold, Les Ansonge, Lyle Quinn, L. V. Phillips, Bob Henshaw, Russ Williamson and a hundred or two others. Some years have passed, that's true, so to these old friends I pass on this poem by an unknown author:

I shall not mind

The whiteness of my hair,

Howard Thompson, Jim Malone, Mike Cobb, David Skeens, Scott Wilson, Kenny Mobley, Alvie B'ble.

Or that slow steps falter
 On the stair,
 Or that young friends hurry
 As they pass,
 Or what strange image
 Greets me in the glass—
 If I can feel,
 As roots feel in the sod,
 That I am growing old to bloom
 Before the face of God.
 So it's Christmas time in Kentucky and
 it's a much different Kentucky than it was
 when the newspapers were recording the

schoolboy athletic achievements of Mur-
 ray's Ty Holland, Corbin's Dean Eagle, Hop-
 kinsville's Oakley Brown, Bowling Green's
 Doug Smith, Kentucky's Turkey Hughes
 and Louisville's Earl Ruby—but Christmas
 time is unchanged because we are going to
 take personal inventory again, reminisce
 once more and count our blessings one more
 time.
 As the Dutchman closes his Merry Christ-
 mas column he anticipates eagerly a gigan-
 tic gift from hundreds of Kentuckians—
 Their friendship.

Doing What Comes Naturally

By Thomas E. Shaffer, M. D.

The more we learn about adolescents the more we recognize the fact that vigorous activity and competition are vital to teen-age growth and development in all spheres: physical, psychological, and social. In stressing the importance of competition for youth, Donovan F. Ward, MD, immediate past president of the American Medical Association, said in a recent speech, "Competition is a part of life. To avoid competition would be to vegetate. Within limits, there is nothing wrong with competition. But I want to stress the importance of the qualifying words—within limits."

"There has undoubtedly been an excess of speculation and condemnation surrounding competitive athletics among adolescents, when there should have been more consideration for ways to make the best of the situation. Adolescents are simply going to compete, with or without sanction. The positive approach of assuring adequate safeguards for normal growth and development and prevention of injury is preferable to the negative attitude of restriction and disapproval. Larson and McMahan furnish some reassurances about one of the features of adolescent sports which have disturbed physicians. They point out that growing bones are indeed vulnerable to injury but not to the degree some experts have suggested. These authors further state that competent medical supervision of young athletes, through early diagnosis and treatment, controls the dreaded permanent damage.

Our concerns should be aimed at the way in which sports are conducted more than at the adolescents' penchant for competitive, strenuous play. There are emotional and physiological risks involved in highly organized interscholastic sports when high-pressure "big league" atmosphere is permitted. There is relatively little exposure to harm in competitive sports, however, where good leadership, medical supervision, and acceptable educational aims are insisted upon. We should require adequate safeguards for health, whether the sports are conducted within the school system or on community playgrounds.

First and foremost is competent medical care by physicians who understand the characteristics of young people and the qualifications for participation in the various sports as well as management of emergencies and treatment of athletic injuries.

The public, and parents especially, have a right to look to physicians for advice about the kinds of sports which are desirable and the recommended health standards. Careful attention should be given to matching or grouping youngsters on the basis of physical maturity to obtain fair competition and avoid unnecessary injury.

There are additional safeguards for the health of young athletes which require some medical supervision. One of these is the conditioning program which, though often overlooked, is absolutely necessary before hard practice and games are started.

Another responsibility of physicians is in advising on purchase and fitting of high-quality protective equipment. When medical supervision is combined with intelligent coaching and good officiating, and when a wide variety of sports is available to satisfy children of all levels of development and competence, a program which all physicians could approve will result.

Coach-of-the-Year Clinic

The 1967 Kodak Coach-of-the-Year Football Clinic, featuring some of the greatest names in the coaching fraternity, will be held January 21 and 22 at the Chase-Park Plaza Hotel, St. Louis, according to Clinic Manager Bob Davis.

The faculty for the clinic, one of ten to be held around the nation for college and high school coaches, will include Duffy Daugherty of Michigan State University, Bud Wilkinson, former University of Oklahoma coach, and the collegiate Coach-of-the-Year, to be selected by ballots of the 2,300-member American Football Coaches Association. In past years, the clinic, sponsored by the Eastman Kodak Company under the sanction of the A.F.C.A., has attracted the cream of the nation's collegiate coaches.

Fourth Row: Tom Bill McNeil, Roger May, James Cole, Ronnie Hatfield, Albert Stafford, Scotty Moore, Sammy Stacy, Harold Borders, Charles Hensley, Michael Smith, Glenn Allred, James Hatfield, Teddy Smith.

"The clinic is designed by coaches for coaches," said Bob Davis. "In addition to detailing the plays and techniques that have welded their teams into football powerhouses, faculty members will be available to exchange shop talk on an individual basis throughout the clinic."

Last year more than 7,000 coaches participated in the 10 two-day sessions.

The Importance of Athletics

By Ath. Dir. Don Sparks
Parkway (Mo.) School District

Athletics play an important part in the educational growth of Parkway pupils. We believe that participation in athletics, both as a player and as a student spectator, enriches each student's educational experience. The privilege of such participation carries with it responsibilities to the school, to the team, to the student body, to the community, and to the student himself. The athletic experiences themselves add to the knowledge, skills, and emotional patterns of each student, making him a better person and a better citizen.

We therefore feel that athletics hold a unique place in our educational curriculum and that it provides our boys and girls with lasting values. The annual budget of our fast-growing school district has many demands on it, with no provision for superficial offerings. The athletic program has several important dimensions—physical development, character-building, personality improvement, group cooperation. Through these avenues it makes a solid contribution to total educational growth.

The following letter which head football coach Jack Wells received recently from a parent describes the positive effect of athletics in one Parkway home:

Dear Coach Wells:

It is with a genuine feeling of pleasure that we write you to express our appreciation for your efforts on behalf of the Parkway Colts.

When our son decided he wanted to try out for the team we were not altogether happy with his decision.

We felt that the only thing a football coach worried about was "win that game"—and very little emphasis was put on the moral, spiritual and ethical development of the boys. However, as he was fortunate enough to make the squad we determined to attend all games and share the experience with him.

As we grew with the team we began to realize that the football club was the core of a real school participation event—with the cheerleaders, the Marching Band, the Parkettes and the Pep Club all contributing in establishing a fine school spirit. We also realize the boys were being developed into men who could suffer their lumps on and off the field. Feel the pride of victory and the bitterness of defeat. That you must work even harder in practice when no one is cheering you on. That team spirit, hard work and determination were the true requirements for victory.

We feel this was a productive two way street, we gave you a very good 'boy' and you gave us back a fine young 'man.'

To yourself and your excellent team of assistant coaches we offer our sincere and heartfelt thanks for a job well done.

Points of Wisdom

1. The coach who controls his team helps the official to control the game.
2. The team is as good as its coach, the game is as good as its official. Both actually work toward the success of the game. Therefore, both should work as a team.
3. A good team can look better with good officiating. Therefore, cooperation toward better officiating helps the good team.
4. The official and coach are both striving toward success through excellent achievement. The coach teaches his players to play well. The official encourages them to play well through good officiating.
5. The official can do a better job when he is not badgered or intimidated. The coach can do a better job when he is not provoked or needled. Both should

work toward preventing this.

6. Coaches and officials who back up each other need not back off from spectators or players.

7. Coaching is a public trust; so is officiating. Both work for the welfare of the boy.

8. Players look good when the coach and official look good. Bizarre incidents and arguments take attention and credit away from the players.

9. The coach who wants an official to favor his team, and the official who does so, are both guilty of premeditated cheating.

10. Good officiating complements good coaching. Both know and interpret rules and techniques similarly.

11. The coach's job is to teach; the official's to arbitrate. Neither should encroach on each other's duties.

12. The coach and official are worthy of the utmost in respect. However, they must earn this respect through their actions.

13. The coach and official who live by the rules are apt to live right on the field or floor.

14. To get others to do what you want them to do you must see things through their eyes. Try to win an agreement, not an argument.

15. The coach and official set the example; players follow it.

16. Dignified coaches and officials do not resort to childish regressions and behavior. Their efforts are absorbed in helping the boys to become men.

17. The coach who creates better working conditions for officials attracts better officials.

18. The official is a judge who prevents persecution; he should not be the object of it.

19. An alibi is like a crutch. It is only for the lame and the weak.

20. Think big and your results will be big.
