Report of Audit

1350 So. 1st Street
Louisville, Ky.
July 22, 1968

Mr. Theodore A. Sanford, Secretary & Treasurer
Kentucky High School Athletic Association
Lexington, Kentucky

Dear Sir:

Pursuant to instructions received, we have made an audit of the books and records of the KENTUCKY HIGH SCHOOL ATHLETIC ASSOCIATION for the period of one year beginning July 1, 1967, and ending June 30, 1968. In addition, we have prepared and attached hereto statements of the Receipts and Disbursements which, in our opinion, reflect the true financial condition of the Association as of June 30, 1968.

The Cash Funds on Hand and U. S. Savings Bonds and the Building and Loan Associations savings accounts were found to be correct and verified by generally accepted auditing procedures.

We find the records presented to us for the purpose of audit to be in agreement and in good condition.

Respectfully submitted,
HUET L. JOHNSON

Football Clinics

The 1968 clinics for football officials and coaches will be conducted by Athletic Director Edgar McNabb, Assistant Principal of the Beechwood High School, Fort Mitchell. Mr. McNabb has been the K.H.S.A.A. representative on the National Federation Football Committee for several years. The dates and sites of the clinics are as follows: August 5, Paul G. Blazer High School, Ashland, 7:30 P.M.; August 6, Prestonsburg High School, 7:30 P.M.; August 7, Hazard High School, 1:30 P.M.; August 7, Bell High School, Pineville, 7:30 P.M.; August 13, Reservoir Hill, Rec. Center, Bowling Green, 7:30 P.M.; August 14, Tilghman High School, Paducah, 7:30 P.M.; August 15, Henderson High School, 7:30 P.M.; August 17, Campbell County High School, Alexandria, 2:30 P.M.; August 19, Transylvania College, Lexington, 7:30 P.M.; August 20, Kentucky Hotel, Louisville, 7:30 P.M.

Registration of Officials

Football and basketball officials previously registered have received their renewal application cards for the 1968-69 school year. Three hundred officials failed to file their 1967-68 reports on or before the deadline set by the Board of Control for the submitting of reports, and it was necessary to impose fines on these officials who failed to comply with Association rules. It is an Association requirement that each registered official attend the clinic in the sport in which he is registered. Twelve football officials and fifty-eight basketball officials were suspended in 1967-68 for failure to attend clinics.

Attention, Principals!

Each principal of a K.H.S.A.A. member school will be supplied during the forthcoming school year with a card which will say: "Kentucky High School Athletic Association—This will introduce (name of principal), (name of school)." The card will be signed by the Commissioner. Most administrators of Association member schools admit to their home contests fellow administrators as a matter of school policy. However, many times these visitors hesitate to identify themselves to the ticket takers. The card mentioned will assist in this identification.

The identification cards are not to be considered as regular season passes to home games of member schools of the K.H.S.A.A. The determining factor in the cards being accepted as passes is the policy of the individual school.

The identification card may be used for admission to all events at the state level except the State Basketball Tournament. A different plan for issuing these passes, along with passes to the district and regional basketball tournaments, is provided in basketball tournament regulations.

Minutes of Board Meeting

The Board of Control of the Kentucky High School Athletic Association met at the K.H.S.A.A. office, Lexington, on Friday morning, June 7, 1968. The meeting was called to order by President Don R. Rawlings, with Board members Morton Combs, Don Davis, Ralph C. Dorsey, Preston Holland, Foster J. Sanders, and Oran C. Teater; Commissioner Theo. A. Sanford, and Assistant Commissioner J. B. Mansfield present. The invocation was given by Preston Holland.

Ralph C. Dorsey moved, seconded by Oran C. Teater, that the reading of the minutes of the April 19th meeting be waived since members of the Board had received copies of these minutes. The motion was carried unanimously.

The Commissioner stated that he had sent a referendum to all Board members, in which new and amended regulations to appear in the 1968-69 booklet were recommended, and that the members of the Board had accepted the recommendations by unanimous vote. In addition to necessary new regulations for Regional Wrestling tournaments and State Gymnastics meets, the recommendations for changes included other new regulations, along with certain clarifications, corrections and deletions. The Commissioner asked that these changes be spread upon the Board minutes and this was ordered. The changes recommended to the Board, with certain comments made by the Commissioner, were as follows:

"1. Amend Basketball Rule IX-E by substituting the following for the second sentence: 'Each corresponding runner-up team will draw for a position in the opposite bracket.' (This is not a new rule but a clarification. We think that the wording is an improvement. There will also be a Question and Answer on this in the Rulings and Interpretations section.)

"2. Amend Baseball Rule V (District and Regional) to provide that the district meeting shall be held on the last Sunday in April instead of the first Sunday in May.

"3. Amend Baseball Rule V (District and Regional) by adding the following: 'The pairings shall be made in accordance with the provisions of K.H.S.A.A. Basketball Tournament Rule IX-D.' (This merely spells out the plan of determining byes in the same manner as the basketball plan.)

"4. Amend Baseball Rule VI (District and Regional) by adding the following: 'Only registered officials shall be used.'

"5. Delete Article IV, Section 3-d-9 in the Constitution. (This is no longer necessary because of the provisions of IV-3-d-8.)

"6. Delete 'or tournament rules' in first sentence of Article IX, Section 1, of the Constitution. (This clause has had no meaning since the Delegate Assembly gave the Board authority to adopt regulations for tournaments and meets. I have so ruled on several occasions. The clause should have been removed earlier. In the matter of re-codifying rules, it is my opinion that the Board has authority to authorize this deletion.)

"7. Delete the last clause of Article IX, Section 2, of the Constitution. (This corresponds to the deletion in #6.)

"8. Amend Cross Country Rule (Regional) by adding the following: 'A school not entering a team may enter one, two, three or four boys as individuals.' (This is a clarification. We have been doing this all along.)

"9. Amend Cross Country Rule VII (State) by adding to the first sentence the following: 'and to the individual winner.' (This has been done previously but was left out of the rule through error.)

(Left to Right) Front Row: R. Layne, S. Waldie, D. Lowry Second Row: T. Higdon, B. Matthews, M. Wells, SFC T. E. Dorsett. Steve Ratliff, McKell, individual champion.

"10. Amend Cross Country Rule VIII (Regional) by substituting '10' for '5' in the second sentence. (This has been done for several years, but was left out of the rule through error.)

"11. Substitute the following for the second sentence of Football Rule II-B: 'No out-of-district games shall be counted by such a team in determining its Dickinson Rating. If the principal is unable to schedule the minimum of four games within the district, then games played with other teams in the same class will be used in determining the team's rating.' (This is a clarification and not a change in the present rule.)

"12. Add the following at the beginning of Section II of 'The Dickinson Football Rating System': 'All losses and ties shall be counted. Exception: If two second division teams, etc.' (Our K.H.S.A.A. plan from the beginning, of course, has provided that losses and ties must be counted. This was not spelled out when the regulations were written.)"

Don Davis, Chairman of the Policy and Budget Committee, gave the report of his committee.

The recommendations made by the committee were as follows:

1. The annual salaries of the Commissioner and the Assistant Commissioner, beginning July 1, 1968, shall be set at \$18,000.00 and \$15,500.00 respectively, the increases to reflect the feelings of the Board for a job well done.

2. A change in the Constitution and By-Laws should be made to correspond to statutes concerning school superintendents, providing for one-year to four-year contracts for Association executives, mandatory retirement at age 70, with annual contracts to be given after the executive attains the age of 65, this to be done by a referendum sent to Association member schools.

3. An additional Assistant Commissioner should be appointed, with the President naming a committee to set up guidelines, interviews and suggested salary for the new appointee, the new executive to be recommended to the Board by the committee and to begin work at the discretion of the Board.

4. The mileage travel allowance, for the Commissioner, the Assistant Commissioner, and the Board of Control members shall be set at 12¢.

5. The meal allowance for the Commissioner, the Assistant Commissioner, and the Board of Control members shall be \$4.00.

6. The K.H.S.A.A. Administration Building should be relocated. A committee should be appointed to work with the Commissioner and the Assistant Commissioner

The Owensboro High School Rifle team won its third straight championship on May 21-22, with a team score of 1,344. Steve Ratliff of McKell won individual honors with 281 points.

Seven teams competed in the tournament, which was held at the University of Kentucky. Major Bruce A. Martin managed the tournament. Louisville Male High School was second in scoring with 1,311, and McKell High School was third with 1,297. Team and individual scores were as follows:

Owensboro (1344)-Higdon, 260; Wells, 277; Layne, 272; Matthews, 262; Waldie, 273.

Louisville Male (1311)-Dooley, 266; Glenn, 267; Jones, 265; Hemphill, 272; Tamplin, 241.

in finding a new site, selling the present building, and drawing up plans for a new building. This may result in appointment of more than one committee. We think this of utmost importance because of rising building cost, finding prime locations, and the knowledge that a new building would not be completed for two or three years.

7. For the 1968 National Federation Annual Meeting, the number of days for expense allowances shall be 10.

Don Davis moved, seconded by Oran C. Teater, that the recommendations of the Policy and Budget Committee be accepted and approved. The motion was carried unanimously.

Ralph C. Dorsey, Chairman of the K.H.S.A.A. Retirement Committee, made a report for his committee. After a discussion of the report, Mr. Dorsey moved, seconded by Foster J. Sanders, that the sum of \$20,000.00 be transferred from the K.H.S.A.A. General Fund to the K.H.S.A.A. Retirement Fund, this to be expanded on behalf of present and future employees of the Association; and that the following resolution be spread on the minutes of the Board of Control:

The Flying Dutchman

As the Dutchman looks back over the many years he has penned this column for *The Athlete*, there comes an irresistible urge to count the many blessings which have come along the way. One such blessing will come from western Kentucky in a letter from somebody who got a lift from winning a Corn Cob Pipe of Honor for unselfish service; another from the east, where a school acknowledges with pride the Abou Ben Adhem Award for the promotion of good neighbor practice, while still another comes from a crippled kid who has received a Lionheart Award for overcoming a handicap to engage in sports. Writing this column has been most rewarding—and now Lexington's Johnnie Gettler contributes another.

Johnnie asks that a Lionheart Award be sent to 11-year-old Joseph R. Carey. Although Joe has only one leg, he has been a Game Guy all of his life and is now even playing on a Little League team in Lexington. Joe has a tremendous attitude and is an inspiration to his teammates. May your tribe increase, Joseph Carey. Your award is on the way.

The sports program of the K.H.S.A.A. has contributed greatly to happier living in Kentucky, and as the Dutchman reviews the past two decades it becomes obvious that America is moving toward a new horizon. That new horizon is recreation. Kentucky must keep pace and begin to move recreationally with our other progressive states.

Many of our communities are recognizing the changing times. They have seen the seventy-hour work week replaced by one of forty hours. Our people have welcomed labor-saving machinery but have been forced to accept with it an additional thirty hours of leisure time.

Our thinking citizens are alert to the fact that this time must be directed wisely or increased problems of both juvenile and adult delinquency will result. Already many are asking themselves, "Is it wiser to invest a dollar annually per capita in wholesome community recreation or spend a thousand times as much for bigger and better penal institutions?"

The answer may be on the new horizon. At any rate an increasing number of our nation's leaders feel that a glance in that direction may be well directed.

The old horizon has changed! There was a time in our history when men worked from sunup to sundown—

but no more. Our boys and girls are going to occupy their leisure hours wholesomely or otherwise. Our adults will do likewise.

They are going to play because there are not enough jobs to go around and because the jobs which are available leave lots of leisure time. Add to this the basic need we all have to "re-create" ourselves and the total result is the growing importance of good, clean public and private recreation. We can't determine if our people play but our civic leaders can determine where and how they play—and that's what is important.

Communities are aware that people are living longer because of the progress of medical science. They have welcomed the miracle drugs which promise longer lives, but with them they are compelled to accept the leisure time problem of the aging. Employers have little to offer our senior citizens, meaning that the new horizon takes on greater significance. That word is "Re-Creation" not "Wreck-Reation." Our leaders know that our aging citizens must have recreational outlets for the re-creation of interests or mental illness will raise its ugly head.

Maybe your community has already asked itself, "Should we invest a little in parks and recreation, or spend a lot on the construction of more mental institutions?" That answer may well rest on the new horizon. Certainly, our best thinkers are looking in that general direction.

The old horizon has changed! No longer can our society afford to turn its back on the leisure time problem of the aging by allowing the declining years to become a desolate, dreary twilight lived in a fog of misery. Recreation has proven itself one of our finest therapies in the prevention and treatment of mental illness. People who are unwanted and unoccupied become costly mental cases. We have a decision to make. What can we best afford—recreation or increasing cases of mental illness?

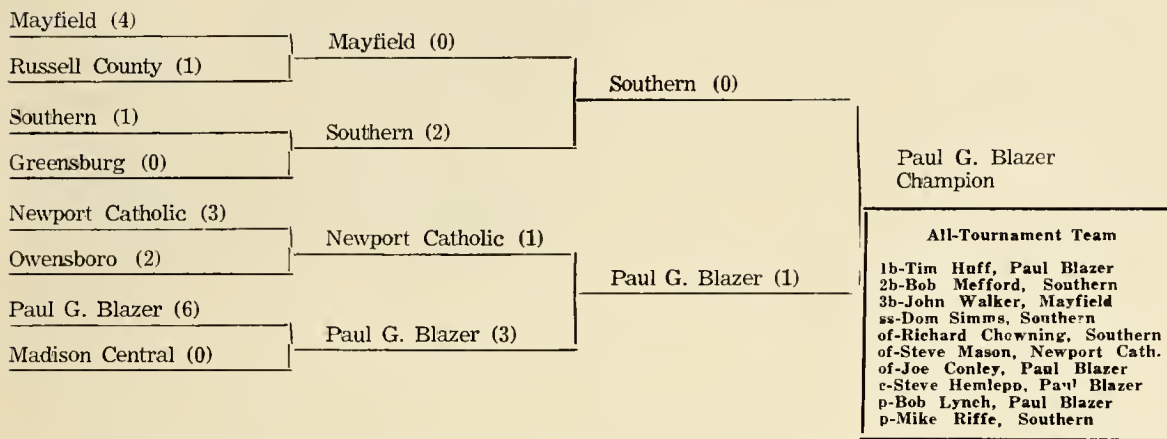

Kentucky's governmental leaders are exerting supreme effort to induce new industries to locate in the communities of our Commonwealth. It is a well-known fact that industrial leaders check park and recreational opportunities of communities before locating plants or factories. Several dozen Kentucky towns failed to attract industry during the past decade because they lacked parks and recreation programs. Industry and recreation are like love and marriage. "They go together like a

Minutes of Board Meeting

(Continued from Page Three)

RESOLVED 1) that Theo. A. Sanford, Secretary-Treasurer of the Kentucky High School Athletic Association, continue to have authority to deposit and invest the funds of the Kentucky High School Athletic Association, including checking accounts, savings accounts, and retirement funds, with the First Security National Bank and Trust Company, The Central Bank and Trust Company, and the Bank of Commerce, all of Lexington; the First Federal Savings and Loan Association, and the Lexington Federal Savings and Loan Association, both of Lexington; the Union Federal Savings and Loan Association of Henderson; and other depositories of K.H.S. A.A. funds selected by the Secretary-Treasurer in the future, with the approval of the Board of Control;

2) that Theo. A. Sanford is hereby authorized to sign on behalf of the K.H.S.A.A. any and all checks and other instruments and (or) orders for the payment and (or) withdrawal of any and all monies, credits, items and property at any time held by said banks and loan associations mentioned above;

3) that all foregoing authority invested in said officer shall continue until a certified copy of a resolution of this Board of Control, revoking said authority, is filed with the said banks and/or loan associations mentioned above.

The motion was carried unanimously.

Don Davis presented to the Board the 1968-69 K.H.S.A.A. budget, previously recommended to his committee by the Commissioner, the budget being amended to include the salary raises recommended by the Policy and Budget Committee. The estimated receipts are \$203,700.00, and the estimated disbursements are \$202,025.00. Oran C. Teater moved, seconded by Preston Holland, that the 1968-69 budget as presented be adopted. The motion was carried unanimously.

The Commissioner stated that in his opinion a referendum should be sent to Association member schools, relating to solving the problem of Basketball Rule 1-14 with which members of the Board of Control, administrators and coaches were quite familiar. Foster J. Sanders moved, seconded by Morton Combs, that the following proposed change in the K.H.S.A.A. Constitution be submitted to K.H.S.A.A. member schools for a referendum vote, this to be an added paragraph to Article IV, Section 3-d, of the K.H.S.A.A. Constitution: "Have

authority to amend the playing rules for any sport sponsored by the Association." The motion was carried unanimously.

It was the suggestion of Board members that the Association prepare programs in Track and Baseball for distribution during the time of the state events in these sports.

Don Davis moved, seconded by Oran C. Teater, that the expenses of Edgar McNabb, K.H.S.A.A. representative on the National Alliance Football Committee, be paid to the forthcoming annual meeting of the National Federation. The motion was carried unanimously.

Preston Holland moved, seconded by Foster J. Sanders, that all bills of the Association for the period beginning April 1, 1968, and ending May 31, 1968, be allowed. The motion was carried unanimously.

There being no further business, the meeting was adjourned.

horse and carriage." If your community is courting industry, possibly your leaders have already asked themselves, "Should we not invest in parks and recreation to qualify for the dividends of industry?"

The horizon has changed! Communities, desiring industrial development, must face facts. We are living in an age of competition. Whether we like it or not, our changing times are making competitors of us all. If your community wants a factory, it must be prepared to compete with other communities which are bidding for the same industry.

Because we are all now compelled to compete, high school athletic programs become increasingly important—so let's make Kentucky's the greatest.

Minutes of Annual Meeting

The annual meeting of the Kentucky High School Coaches Association was held on April 18, 1968, in Room 204, Convention Center in Louisville. The number in attendance was 110.

The meeting was called to order by President Don Morris at 1:10 p.m. Coach Tommy Long of Allen County gave the invocation.

As the minutes of the meeting are published in the Athlete, the official publication of the Kentucky High School Athletic Association, it was voted that the minutes not be read before the assembly.

Secretary-Treasurer Joe Ohr gave a complete financial report.

Coach Guy Strong, head basketball coach at Eastern Kentucky University, was presented to the members. In his talk Strong emphasized that coaches be loyal to the Coaches Association and that each coach become an active rather than a passive member. He congratulated the Kentucky coaches for the jobs they were doing in athletics. Strong summarized his talk by challenging each coach to self-evaluate himself with these questions:

1. Are you satisfied?
2. Are you doing your own coaching?
3. Are you working harder than the other coaches?
4. Are you upgrading your job?
5. Are you looking for excuses?
6. Are you pampering your boys?
7. Are you selling your program to the public?
8. Are you motivating your boys?
9. Are you coaching sports or are you coaching boys?

Strong stated that "if you can answer these questions positively, there is no limit to what you can do as a coach."

The vice president of the K.H.S.C.A., Coach "Butch" Gilbert of Glasgow, presented the Coach of Year in Football award for 1967 to the Ashland High School coach, Jack Hallum. In his acceptance talk Hallum reported that 10 of the Ashland squad had received scholarships.

The basketball coach of the year for 1967-68 was Coach Jim Richards of Glasgow High School, winner of the 1968 state championship. The presentation was made by President Don Morris.

In the election of officers, Coach Vince Hancock, football mentor of Elizabethtown High School, defeated Irvin Spencer of Valley High School for sergeant-at-arms for 1968-69.

Joe Ohr was reelected secretary-treasurer for 1969-70. Following the election, Fred Clayton, who is football coach at Caldwell County, and the retiring president, was presented a plaque by Vice President Gilbert.

The meeting was adjourned at 2:15 p.m.
