Letter From The Commissioner

To The District Tournament Manager:

Will you please refer to your K.H.S.A.A. booklet which gives rules and regulations governing basketball tournaments. You should familiarize yourself with these rules, found on pages 31-39. Your special attention is called to the second paragraph of Tournament Rule VI-A-3, relative to the enrollment of your district coaches in the Kentucky High School Coaches Association.

The forms for your various reports are self-explanatory. The report of games should be mailed to the manager of the regional tournament not later than Monday, March 5. Send your financial report, your checked eligibility lists, and the second copy of the report of games to the Commissioner as soon after the tournament as possible. For your convenience, the following check list is given:

1. Invite member schools to your tournament AT ONCE, reminding each school to send each other member school in the district a COMPLETE preliminary list of players on or before February 1, and to send you THREE copies of a final list one week prior to the district tournament. See Rule VIII.

2. Announce the time of drawings in your letter. See Rule IX.

3. In compliance with the Federal Court Decree, all officials will be assigned by the Commission, composed of the Commissioner and the three assistants. In order that this may be carried out it will be necessary for each manager to send a copy of the bracket giving the date and time of each game to the Commissioner immediately after the drawing. After the Commission has made its selections, you will be notified concerning the assignments to your tournament. **It will be your responsibility to make the necessary contacts with the officials.**

In tournaments where two games are played per session, four officials will be assigned.

4. The following regulations for 1973 have been set by the Board: "The official shall receive a fee of \$25.00 per game and a transportation allowance of 10c per mile for all necessary travel. Only one mileage allowance will be paid if the officials travel in the same car. In the event it is necessary for the official to remain overnight at the tournament site, he shall be paid an additional \$20.00 per day for lodging and meals."

5. Tournament Rule XV says: "The Board of Control is authorized to select, standardize, and purchase trophies for all district and regional tournaments and the cost of these trophies shall be borne by the respective districts and regions." The Board has contracted with Riherd's Sport Shop, Glasgow, Kentucky, to supply all of the official K.H.S.A.A. district first place and second place basketball trophies for the 1973 tournaments, each trophy complete with the Association seal and engraving. Your trophies will be shipped to you prior to March 1.

6. It is the responsibility of the tournament manager to secure adequate police protection.

7. **THE BOARD OF CONTROL HAS RULED THAT NOT MORE THAN TWELVE PLAYERS MAY BE IN UNIFORM FOR ANY ONE TOURNAMENT GAME, AND THAT OTHER SQUAD MEMBERS SHALL NOT BE ALLOWED TO PARTICIPATE IN WARM-UP EXERCISES, THIS IMPLIED IN TOURNAMENT RULE XI.**

8. Please ask your officials to designate the goals prior to the warm-up time for each game.

9. You will receive three copies of a final eligibility list from each school. Have one of these checked by the coach of each competing team, before his team plays, for the twelve players he will use in each game. Use only one list for checking players on each team since the other two copies may be needed by the regional and state tournament managers. Send the Commissioner all of these checked copies with your other reports. Send the two unchecked copies of eligibility lists of the winner and runner-up to the manager of your regional tournament, along with one copy of your report of games, not later than March 5.

10. It has been ruled that the 2:00 o'clock mentioned in Tournament Rule IV-B may be considered Eastern Standard time or 1:00 P.M. CENTRAL STANDARD TIME. This information concerning the starting time of the regional meeting should be given to your winner and runner-up.

11. Send Secretary Ohr of the Kentucky Coaches Association the list of district coaches to be enrolled in his organization and remittance for these, and send the Commissioner the various reports mentioned above as soon as possible.

12. Tournament Rule VI-A-3 provides that the district representative to the annual meeting may be allowed for expenses an amount not to exceed \$75.00. Since this is a maximum and not necessarily a fixed amount, the delegate should be asked to submit an estimate of the cost of his lodging, transportation, and meals because of his representing the district at the annual meeting.

Sincerely yours,
J. B. Mansfield
Commissioner

Synopsis of Major Activity Of The 1973 National Alliance Football Rules Committee

NOTE: This is a brief summary of the more important modifications to the football rules authorized by the National Alliance Rules Committee during its 1973 meeting.

CHECK-UP ON THE 1972 CODE:

QUESTIONNAIRES for the purpose of determining the acceptance of the committee's action in 1972 and for securing an evaluation of proposed changes were mailed to coaches and officials through the state high school association offices, and the National Association of Intercollegiate Athletics Headquarters. Approximately 19,000 of the forms were distributed and in excess of 8,500 were returned and tabulated. The complete minutes will contain a summary of the vote on each of the listed items and a tabulation of the significant comments which were requested on the back of the questionnaire.

THE RETURNS INDICATED AN EXCEEDING HIGH DEGREE OF SATISFACTION with the changes which were made for the 1972 season. Requiring the placement of flags or pylons at the intersections of the endlines and the sidelines in addition to those previously required was favored by a margin of 7 to 1. The smallest of acceptance of any changes was in regard to authorizing the use of measuring devices other than the yardage chain for fixing the line-to-gain and measuring the distance the ball has been advanced. Indicating approval were 5,169 respondents, while 2,237 opposed the change. It is believed that this margin of 2 to 1 was small because many of those responding were not familiar with other than the traditional equipment. Only one type of equipment had been approved by the committee's secretary. Defining a valid fair catch signal as extending and waving one hand only at full arm's length above the head was favored by 5,804 while being opposed by 2,130. This margin of $\frac{3}{4}$ to 1 was significant in that there were a large number of comments indicating dissatisfaction with the change. Many of those commenting wished to return to the former fair catch signal. It is significant to note that, in those instances in which the results of the questionnaire were broken down according to coach or official, the officials heavily supported the rule. This indicates that the change was an aid in game administration. Favoring the change providing the down will be replayed if the whistle is inadvertently sounded during a kick or while a forward pass is in flight were 6,962, while 1,288 noted some disapproval. By a margin of nearly 9 to 1, the change authorizing the covering official to stop the clock after he declares the ball dead when it appears to have reached the line-to-gain was favored. This was the greatest degree of acceptance of any of the changes and reflects the desire of coaches and officials, as noted in the 1972 questionnaire. Permitting the team to put the ball in play by either a snap or a free-kick for the replayed down if a foul occurred prior to any change of team possession following

a fair catch or an awarded fair catch was favored by 6,386 respondents and opposed by 1,036. A very large margin, nearly 3 to 1, favored the revision prohibiting a blocker who is not in the free-blocking zone at the time of the snap, from blocking an opponent below the waist in the six-yard belt extending from sideline to sideline, if the block were toward the spot from which the snap was made. This change was acceptable and did not reduce the effectiveness of offenses using the so-called crack-back block, if the block was made legally above the waist. Permitting more than one coach to confer with one player during a charged time-out or intermission between periods was approved by slightly more than a 6 to 1 margin. This permissiveness was evidently not abused during the year. Providing that it is a double foul only if both teams commit fouls during the same live ball period and specifying that all dead ball fouls be penalized were both favored by a very large margin. The overwhelming acceptance of rules changes was taken as a vote of confidence in the National Alliance Football Rules Committee.

IN PART II, those items which were considered to be major problems were indicated. About one-fourth of those responding to the questionnaire indicated player contact after the whistle is sounded to end the down was a major problem. The next most frequently noted problem was the increase in injuries resulting when the tackler uses his helmet to stun an opponent. This act is spearing. The enforcement of the requirement that coaches and squad members remain in the team boxes was indicated as a considerable problem. Nearly 1,400 respondents indicated that the use of the head by offensive men during blocking was of concern while 1,106 noted the increased use of the forearm and hand pads. The use of the downfield block below the waist contributing to injury was checked by 991, while 766 believe the bump-and-run technique during defensive pass coverage was a matter which needed study. Throwing the cap to mark the spot of the first touching was believed to be a problem according to 616 respondents. The majority of the problem areas could be eliminated through the proper application of the National Alliance Rules. It was taken as an indictment of the efficiency of officiating that many of these areas were indicated as problems. Because of this, it was suggested that rules interpreters conducting meetings for officials spend time during their meetings to call attention to these problem areas and suggest means of eliminating them. Of the eight items included in this section of the questionnaire, only two, the first and last, are not fouls. It is the responsibility of those who train and supervise officials to provide adequate instruction of supervision and evaluation to insure the development of a greater degree of compliance in these problem areas.

COMMITTEE REPORTS:

THE NATIONAL FEDERATION office receives numerous suggestions for revisions of the National Alliance Football Code every year. The majority of suggestions, naturally, are received during the football season. Each recommendation.

Attention, Athletic Directors

The Kentucky High School Athletic Directors Association will hold its First Annual State-Wide Meeting on April 12, 1973 at some yet-to-be designated high school in Louisville. As soon as we establish at what particular high school, we will inform each Athletic Director by mail.

It was my privilege to attend The National Federation's Third Annual National Conference of High School Directors of Athletics Meeting. This meeting was held in Denver, Colorado, December 10 thru December 13, 1972. At this meeting, various subjects were covered, all of which were current topics relative to Athletic Directors' problems (and some solutions) which exist throughout our profession. With your permission I will be glad to summarize the high points as I saw them at The Louisville Conference.

On January 12 thru January 15, 1973, I also attended a National Association Executive Committee Members Meeting held in Washington, D. C. Here again major Athletic Directors problems (and some solutions) were discussed and again I will gladly inform everyone that attends our State Association Meeting on April 12, about what was discussed in Washington.

We are becoming much more professional throughout America in our positions. We have a long way to go but by helping ourselves through State and Sectional meetings we can become a tremendous asset to the total athletic complex throughout our country. We hope to see you on April 12. You will receive an agenda and pertinent information concerning our proposed meeting at a later date.

If you are an Athletic Director at your particular school (Junior and/or Senior High School) you can join this up and coming professional organization by sending a \$5.00 check to: Andy Hopkins, President, Kentucky High School Athletic Directors Assn., 400 Lafayette Parkway, Lexington, Kentucky 40502.

Make check payable to Kentucky High School Athletic Directors Association.

Upon receipt of your \$5.00 dues, I will send you a Kentucky High School Athletic Directors' Membership card.

We invite you to join a growing worthwhile professional organization today.

The spring meeting of the Kentucky High School Athletic Directors Association will be held at St. Xavier High School from 1:00 to 3:00 P. M. on April 12, 1973.

Andy Hopkins, President

K.H.S.A.D.A.

(As Commissioner I hope you will see fit to lend support to this organization by becoming a member and attending the meetings. By contributing your experiences, we may all benefit and help in making a better athletic program for all Kentucky.)

Regulations On Recruiting

In order to protect the future eligibility status of high school student-athletes who are prospective intercollegiate student-athletes, we are furnishing the following information for your assistance and guidance.

It is our desire that the information given below will be presented to all who are concerned with and have an interest in the protection of the future eligibility of high school athletes who desire to participate in intercollegiate athletics.

Minutes of Board Meeting

The Board of Control of the Kentucky High School Athletic Association met at the Ramada Inn, Louisville, on Friday morning, January 26, 1973. The meeting was called to order by President Richard Vincent at 9:30 with all Board members, Commissioner J. B. Mansfield, Assistant Commissioners Tom Mills and Billy Wise present. Mr. Wilbur Smith of the State Department of Education was also in attendance. The invocation was given by J. C. Cantrell.

Roy Winchester moved, seconded by Louie Martin, that the reading of the minutes of the December meeting be waived since the members of the Board had received copies of these minutes. The motion was carried unanimously.

Frank Simpson was called upon to give the report of the Committee on Constitution and By-Laws. Members of this committee are Chairman Frank Simpson, James McAfee, Lloyd Sharp, Eli Alexander and President Richard Vincent. Mr. Simpson explained that the committee had worked long and hard to come up with their recommendations. He stated that few changes were recommended but that several requests for clarification were made. Following the discussion by Board members on each of the items presented, Mr. Simpson moved that the Board present the recommendations of the Committee on Constitution and By-Laws to the Delegate Assembly for their action. Jack Fultz seconded the motion. All members voted aye.

Mr. Mansfield presented Mr. Richard Lee Gentry, Chairman of the Professional Preparation Project Committee of KAHPER. Mr. Gentry explained that there is a trend at both the National and State level for the establishment of a program of certification for coaches. He stated that his Committee feels that Kentucky should join forces in an effort to establish a program for coaches on a higher educational level. Following his report, he answered questions from members of the Board. Mr. Vincent then thanked him for coming before the Board and assured him that his recommendation would be considered. Mr. Gentry thanked the Board for their time and excused himself from the meeting.

Upon the departure of Mr. Gentry, Dr. Robert N. McLeod, Jr., M.D., Chairman, Board of Trustees, Kentucky Medical Association, came before the Board and presented them with written material on reasons why a local board of education

should contract with a physician to be on call to provide medical services for practice and games in all contact sports. This is information which the Board members had requested at an earlier meeting. Dr. McLeod presented sample copies of contracts which could be used between Boards of Education and physicians. Following his presentation and questions from Board Members, Mr. Vincent thanked Dr. McLeod for his time and interest in the welfare and safety of the athletes of Kentucky. Dr. McLeod thanked the Board and requested that they give serious consideration to the problem of proper medical care for our athletes and departed.

Jack Fultz moved, seconded by Bill Doan, that the 61st District be permitted to hold the finals of their District on Friday night, March 2, 1973 instead of Saturday, due to a conflict in the use of the facilities with Morehead State University. The motion was passed unanimously.

J. C. Cantrell commended the Commissioner and the Committee on Constitution and By-Laws for an outstanding job. All members voiced their agreement.

W. P. Wheeler moved, seconded by Louie Martin, that all bills for the month of December, 1972, be allowed. The motion was carried unanimously.

The next meeting of the Board of Control was scheduled for Friday, March 16, 1973, at 9:00 A.M. in Louisville.

There being no further business, the meeting was adjourned.

Gymnastics

BEGINNING TUMBLING, j-s-c-a, 1 reel (11 min.), \$2.00

Presents the two basic progressions in tumbling—the inverted balance and roll progressions. Accompanying demonstrations of flips and stands (singly and in combination) emphasize skillful execution.

GYMNASTICS PART 1, j-s-c-a, 1½ reels (17 min.), \$3.00

Introduces the basic principles of gymnastics and follows the routines developed by polished performers on the parallel bars, the rope climb, and the long horse. Attention is given to the rolls, handstands, and handsprings, twists and somersaults that are basic to tumbling. (Hoefler)

GYMNASTICS, PART II, j-s-c-a, 1½ reels (17 min.), \$3.00

Introducing the gymnast to the fundamentals of free exercise routines. Stresses the importance of smooth action as well as strength, form, balance, and ability to develop the difficult routines. Demonstrates rings, side horse, and the high bar. (Hoefler)

INTERMEDIATE TUMBLING, j-s-c-a, 1 reel (11 min.), \$2.00

Demonstrates twenty stunts in handspring, balance, and somersault progressions and safety precautions are given to prevent accidents or injuries while teaching technique and form.

SIMPLE STUNTS, e-j-s-c-a, 1 reel (11 min.), \$2.00

Provides instructions in the healthful group activities that require little or no equipment. Demonstrates simple stunts for strength and skill and emphasizes safety precautions.

TUMBLING FOR PHYSICAL FITNESS: COMPANION STUNTS, j-s-c-a, 2 reels (20 min.), \$1.00

Seventeen stunts are demonstrated and the importance of coordination and timing is emphasized.

Injuries

TEAM PHYSICIAN, j-s-c-a, 3 reels (28 min.), color \$1.00

The message is aimed at physicians, coaches, athletes and parents. Includes five regulations which are concerned with preventing injuries as well as treating them when they occur. (KHSAA)

Baseball

BASEBALL ALL-STAR GAME OF 1965, e-j-s-c-a, 2 reels, color, \$1.00

In the 36th all-star game at the home of the Minnesota Twins in Minneapolis the National League conquered the American League by 6-5. A crowd of over 47,000 saw Willie Mays hit the first pitch of the game for a home run. (KHSAA)

BASEBALL ALL-STAR GAME OF 1966, j-s-c-a, 1½ reels, color, \$1.00

The greats of the National League battle the stars of the American League in the new 26 million dollar Busch Stadium at St. Louis. The National League won the game in the tenth inning as Ned McCarver scored on a single by Maury Wills. Close-ups of the stars are shown as they warm up for each game. (KHSAA)

BASEBALL ALL-STAR GAME OF 1967, e-j-s-c-a, 3 reels, color, \$1.00

The National and American League All-Star Game was played in the new Anaheim Stadium, home of the California Angels. The Phillies' Richie Allen homered in the first inning and Frank Robinson of Baltimore tied the score in the second. In the fifteenth inning Tony Perez of Cincinnati broke the tie and won the game for the National League by hitting a home run. (KHSAA)

BASEBALL HALL OF FAME, e-j-s-c-a, 3 reels, color, \$1.00.

This film shows the annual meeting at Cooperstown, N. Y. when new names are added to the Hall of Fame list. Numerous stars of the past return to the shrine each year at this time and are shown as their feats on the diamond are related. The history of Cooperstown and the purpose of the Hall of Fame are explained in the picture.

National Alliance Football Rules

(Continued from Page One)

along with proposals from voting delegates and advisory members, in addition to items from Parts II and III of the National Alliance Football questionnaire are categorized and assigned to one of the five standing subcommittees for study and consideration. Before any proposed rules revision may be brought before the National Alliance Football Rules Committee, it must be discussed by a subcommittee and receive approval for presentation to the Committee-of-the-whole. It may be considered by a committee by virtue of being included as an item on the questionnaire. Preceding the opening general session of the Football Rules Committee, each subcommittee met to consider items on its agenda. The subcommittee meetings were scheduled so that delegates were privileged to attend two different sessions. During the first general session, reports from the standing subcommittees were presented to the Committee-of-the-whole and provided a wealth of material on which to base considerations during the voting session. In addition, voting members were permitted to submit individual items or minority committee reports in order to have their changes discussed during the meeting. During the opening general session, the editor (committee secretary) reviewed the questionnaire items and comments as submitted. Each voting delegate was provided with a copy of the questionnaire summary. Each voting delegate was reminded to submit any other item and/or minority report to the chairman if it was to be considered without unanimous consent. A complete copy of each of the reports from the **Equipment, Game Administration, Injury Data, Research and Statistical and Safety** Subcommittees will be included with the complete minutes.

AUTHORIZED RULES REVISIONS FOR 1973:

NOTE: The wording in the following statements is preliminary in nature and may or may not appear exactly in this manner in the 1973 Football Rules Book. The Editorial Committee has the responsibility of revising wording as necessary to correlate changes with other sections in the Code. Every effort is made to clearly and concisely represent committee action.

1973 Football Rules Changes Tentative Wording

1-2-3: ART. 3 ... Lines shall be marked with a material which is not injurious to eyes or skin. No lime or caustic material of any kind may be

used. Endlines and sidelines shall be at least 4 inches wide. It is recommended that the goal lines and the team box boundaries be marked in a color which contrasts with other field markings.

1-2-6: NOTE: Beginning in 1975 the pylons shall be orange or red in color and 4" square by 18" high.

1-3-1: (Second paragraph) The home management shall provide a legal football which shall be used throughout the game unless either team chooses to snap or kick a ball of a different covering. If the ball provided has more than 8 cross laces, another legal football may be used during those downs in which the opponent snaps or kicks.

NOTE: The trade numbers of approved balls whose material or construction differs from that of legal top-grade leather sewn balls, are listed on page 76.

1-3-2: ART. 2 ... A tan-colored ball with a solid and continuous white, 1-inch stripe 3 to 3¼ inches from each end to the nearer edge of the stripe shall be used.

1-3-3: (Add to the paragraph) An unofficial auxiliary marker may be used to mark the line-to-gain on the sideline opposite the chain and downmarker.

1-5-1a: ART. 1 ... A player shall wear: (a) a head protector secured by a chinstrap ...

2-3-3: ART. 3 ... A valid fair catch signal is extending and laterally waving of one arm only at full arm's length above the head.

2-21-1: ART. 1 ... A player or other person is out-of-bounds when any part of him touches anything (other than another player or game official) which is on or outside the sideline or endline.

ART. 2 ... A ball in player possession is out-of-bounds when the runner or the ball touches anything (other than another player or game official) which is on or outside the sidelines or endline.

ART. 3 ... A loose ball is out-of-bounds when it touches anything (including a player or game official) which is out-of-bounds. (For a kick touching a goal post or crossbar, see 4-2-2d.)

2-30-6: ART. 6 ... The spot of the foul is where the foul occurs. If a non-player foul occurs during the down, the spot of the foul is considered to be the previous spot. If a player foul occurs out-of-bounds and during a down, the spot of the foul is considered to be at the intersection of the inbounds line and the yardline (extended) on which the foul occurs.

3-1-1: NOTE: Games involving only students below the 9th grade shall be played in 8-minute quarters. By state high school association adoption, games involving 9th grade students may be played in 10-minute quarters.

3-5-3: ART. 3 ... No charged time-out shall exceed 1½ minutes. A team is limited to a single charged time-out during a given deadball period. An officials time-out ...

SIGNAL: A signal to indicate an illegal block will be designated as number 28. It is use of a chopping motion with the heel of one hand at the front of the knee.

SIGNALS:

THE COMMITTEE adopted one new signal, that being to indicate an illegal block in the six-yard belt. This signal is the use of a chopping motion with the heel of one hand on the front of the knee. It is similar to the signal for clipping. The new signal will be number 28 and the signal chart will be slightly revised to accommodate its inclusion.

CASE BOOK SITUATIONS:

INTERPRETATIONS for specific plays were reviewed and revised. These will be included in the 1973 edition of the Case Book. Because the Case Book is a supplement to the Rules Book, the information contained therein is officially adopted by the Committee.

(1) A play to illustrate that a receiver shielding his eyes from the sun will be required to do so with a bent arm, and contrast this with a valid fair catch signal.

(2) A play to clarify that it is a false start for any player between the snapper and the player on either end of the line to rise to request a time-out after placing his hand on or near the ground.

Other plays to illustrate rules revisions will be included.

POINTS OF SPECIAL EMPHASIS:

THE NATIONAL ALLIANCE RULES COMMITTEE each specified certain areas which are to be given special attention by all those responsible for teaching football rules. The 1973 Committee was no exception. Three items have been specifically designated to be placed in this category for 1973. They include butt blocking, contacting an opponent after the ball is dead, and defensive pass interference.

GENERAL:

EDITORIAL CHANGES in the Rules Book, Case Book, Rules Simplified and Illustrated and the Football Handbook to correlate rules and sections were authorized by committee action. The Editorial Committee was directed to revise the present language in order to increase understanding without changing the intent of the rules section wherever feasible. The editor was directed to evaluate different types of plans being used to determine the winner of a game which ends with the score tied, and to develop a recommendation for a tie-breaking method to become part of the code.

FILMS

(Continued from Page Five)

are used to enable the viewer to follow each step or movement in each of the basic skills.

CATCHING STARS OF BASEBALL, j-s-c-a, 2 reels, \$1.00.
