Minutes of Board Meeting, May 23, 1975

The Board of Control of the Kentucky High School Athletic Association met in Bowling Green, Kentucky, on Friday, May 23, 1975. The meeting was called to order at 7:30 p.m. by President W. P. Wheeler. Present were Board members, Arthur Hawkins, Jack Fultz, Louie Martin, Eldon Davidson, George Sauer, Ray Story, Frank Simpson, and Fairce Woods; Commissioner J. B. Mansfield, and Assistant Commissioners Tom Mills and Billy V. Wise. Mr. Conley Manning was in attendance representing the State Department of Education. The invocation was given by Frank Simpson.

Ray Story moved, seconded by Fairce Woods that the reading of the minutes of the April meeting be waived since members of the Board had received copies in the mail. The motion was carried unanimously.

George Sauer moved that each school whose team participated in the State Girls' Basketball Tournament be given \$200.00 to help defray expenses. This is in addition to those already assumed by the Association. The motion was seconded by Arthur Hawkins and carried unanimously.

The Chairman of the Policy Committee, Jack Fultz, stated that the Committee recommended that the salaries for the administrative staff and secretaries for the 1975-76 fiscal year be as follows: Commissioner Mansfield \$25,000.00, Assistant Commissioners Mills and Wise \$20,000.00, Assistant Commissioner Stout \$17,500.00. The secretaries will receive a ten percent increase in salary. Mr. Fultz made the motion that these recommendations be adopted. Frank Simpson seconded the motion and all members voted aye.

Chairman Louie Martin stated that the Retirement Committee recommended that the Board of Control submit a letter to the Board of Trustees of the Teachers' Retirement System requesting that the three Assistant Commissioners of the Kentucky High School Athletic Association be accepted as members of the Teachers' Retirement System effective July 1, 1975, under provisions provided under KRS 161.220-4.f. The Committee recommended that the Board of Control contribute the necessary funds to the Teachers' Retirement System to cover their acceptance. The Retirement Committee further recommended that Article, VIII, Section 1, of the K.H.S.A.A. Pension Plan Agreement contract with Commissioner J. B. Mansfield be changed to show that he "will receive \$25.00 for each year of credited service." This would assure Commissioner Mansfield of a retirement plan more nearly equal to that of the Teacher's Retirement System. George Sauer moved that these recommendations be adopted. Jack Fultz seconded the motion and all members voted aye.

Frank Simpson made the motion that upon acceptance of Assistant Commissioners Tom Mills, Billy V. Wise and Louis Stout into the Teachers' Retirement System that the Association no longer pay the premiums on the retirement annuity life endowment policy that is currently being carried on each of them as a part of the Retirement Plan. Present contracts regarding these would become void. However, each one would be permitted to assume title of his policy and pay all future premiums. Furthermore, the Pension Plan agreement

with each would become void. George Sauer seconded the motion and it passed unanimously.

The Board of Control approved the recommendations of the State Wrestling Committee and authorized the Commissioner to conduct an opinion poll of principals of schools sponsoring wrestling teams. The subject being the establishment of districts in this sport. It is to be sent after the schools open in the fall. (The minutes of the meeting will appear in the Athlete.)

The possibility of moving the district basketball tournament to the last week in March beginning with the 1977-78 school year was discussed. Mr. Mansfield was instructed to conduct a poll of the member schools to see if they were in favor of this change. The poll will be conducted at the beginning of the 1975-76 school year.

Mr. Mansfield presented a letter from Prin. Ollie Howard of Oldham County High School requesting that the Board send out a referendum to the member schools on whether or not spring football practice should be eliminated. Following a lengthy discussion, Frank Simpson moved that the request be tabled. Eldon Davidson seconded the motion and all members voted aye.

Prin. J. T. Pendergraph, Breckinridge County High School, appealed to the Board of Control to restore Scott Brumfield's eligibility at his school. The correspondence concerning the case was read by the Commissioner. Scott has been a varsity player at St. Romuald and is ineligible for thirty-six weeks. The finances involved and subject offered were the basis of the request. After discussing the case, it was moved by Eldon Davidson, seconded by Fairce Woods, not to restore his eligibility. Eight members voted "aye" and one dissented.

Prin. Jim Bishop, Beechwood High School, requested the Board to restore Christopher G. Riche's eligibility at Beechwood. Christopher attended Covington Catholic where he has been a member of the football team for two years. Increased tuition and other financial matters were the reason for the transfer. Commissioner Mansfield read the correspondence concerning the case and after much discussion George Sauer moved, seconded by Fairce Woods, that Christopher's eligibility not be restored at Beechwood High School. Eight voted in favor of the motion and one dissented.

Prin. Roy A. Weatherly, Hopkinsville High School, requested the Board to restore the eligibility of Louis Knight. Louis was forced to quit school after forty-one days of the first semester, 1974-75, as a result of an accident. The days attended constituted a semester so when he returns he will be in his eighth semester. Louis Martin moved that the Preceding Semester Rule be waived thereby making him eligible for the first semester of 1975-76 only. Eldon Davidson seconded the motion. The motion carried unanimously.

Jack Fultz moved, seconded by Ray Story, that all bills of the Association for the period beginning April 1, 1975, and ending April 30, 1975, be allowed. The motion carried unanimously.

The next meeting was set for July 25, 1975, Friday, 7:30 P.M. (C.S.T.), at Barkley Lake Lodge.

There being no further business, the meeting was adjourned.

Attention, Principals and Superintendents!

Each principal and superintendent will be supplied during the forthcoming school year with a card which will say: "Kentucky High School Athletic Association. This will introduce (name of principal or superintendent), (name of school)." The card will be signed by the Commissioner. Most administrators of Association member schools admit to their home contests fellow administrators as a matter of school policy. However, many times these visitors hesitate to identify themselves to the ticket takers. The card mentioned will assist in this identification.

The identification cards are not to be considered as regular season passes to home games of member schools of the K.H.S.A.A. The determining factor in the cards being accepted as passes is the policy of the individual school.

The identification card may be used for admission to all events at the state level except the State Basketball Tournament. A different plan for issuing these passes, along with passes to the district and regional basketball tournaments, is provided in basketball tournament regulations.

Minutes of Board Meeting, June 12, 1975

Present were Board members, Frank Simpson, Louie Martin, Ray Story, George Sauer, and Fairce Woods; Commissioner J. B. Mansfield, and Assistant Commissioners Tom Mills and Billy V. Wise. THE COACHES CORNER

PRESIDENT'S MESSAGE

As President of the Kentucky High School Coaches Association I am very proud to announce that the K.H.S.A.A. has so very generously allowed us space in The Athlete to keep our state coaches abreast of the happenings of their organization and any information that is felt pertinent to the state coaches.

We, the officers of the K.H.S.C.A., are very pleased that this space has been made available. We have been searching for some means to get our membership more closely involved with the functioning of their organization and we feel this may be one step in that direction.

With a membership of 3,495 we feel we need more coaches giving input into their organization than we have been experiencing the last few years. Too many coaches use membership in the organization as a free pass to games only. It is felt coaches could become involved more, at least by attending a meeting once or twice a year.

In an effort to hopefully make this attendance a realization, we voted at the business meeting in April, to have an additional meeting during the Boys State Tournament on Friday morning (exact date, time, and location to be announced later). The annual meeting during KEA in April will still be in existence.

Some of the ideas we have for the use of this space would be any form of announcement, K.H. S. C. A. organization business, coaching vacancies, information pertaining to the association clinic, All-Star games, etc. This information will be sent in by the coaches of the state.

We have a lot of links to be worked out, however, with some time and effort we believe we will have a real good thing going for our organization.

We extend to The Kentucky High School Athletic Association our very sincere thanks.

Following is a list of the Kentucky High School Coaches Association Officers: President Billy B. Smith (Taylor County High School); Vice-President Pat Dale (Montgomery County High School); Secretary-Treasurer Joe Ohr (Irvine); Sergeant-At-Arms Bob Miller (Campbell County High School).

K.H.S.A.A. President - Billy B. Smith.

(Continued Sept. ATHLETE)

CAN ATHLETIC INJURIES AND COST OF ATHLETIC INSURANCE BE REDUCED?

HERE ARE SOME SUGGESTIONS THAT WILL HELP:

1. Secure a team physician. Your local Medical Society can advise on this.
2. Require players to be physically fit and well conditioned before engaging in contact.
3. Do not allow a player with an injury to participate until he has medical approval to do so.
4. Make sure equipment is adequate, in good condition, and that it is properly worn.
5. Consider carefully the length of practice sessions. The latter part of lengthy sessions produces the most injuries.
6. Require injuries to be reported to you promptly and refer those needing attention to the physician at once.
7. Get your players interested in injury prevention and fitness. Any player is more valuable without casts and crutches.
8. Our Cooperative Football Plan and Student Insurance provide excellent coverage, service and economy.
