Grade School Participation

There seems to be some question as to the interpretation of K.H.S.A.A. By-Law 5, Section 2, Grade School Pupil Participation. This regulation states that "No pupil enrolled in any grade below the ninth shall be eligible for more than one year in that grade. Pupils in the grades may play on the high school team (a K.H.S.A.A. member school) and the year so played shall not be counted on the four year limit."

Question and Answer 12 on Page 79 in the K.H.S.A.A. booklet points out that grade school pupils may play on high school teams provided they are passing currently and advance a grade each year. They may not represent a member school at any level if they are repeating the grade even though they did not participate the first year in that grade.

Some maintain that inasmuch as a student is eligible for one year in a grade, so the second year may be selected. This is not the case as he can only be eligible for one year, and that is the first year in that grade.

If a pupil repeats the grade for any reason other than failure, it amounts to what is commonly called "red shirting." It is a generally accepted philosophy that in most instances this practice is undesirable. Unfortunately, the Association has no jurisdiction, and unless there is a local rule, a student may represent the grade school while repeating a grade. Of course, repeating the ninth grade in a junior high school would cause two additional semesters to be counted against his eight.

Students below the ninth grade, or if in the ninth grade of a junior high school, must represent the high school they plan to attend as playing on the first team in any sport puts them under By-Law 6, Transfer. This would cause them to be ineligible if they enroll at another high school. This should be explained to all grade school pupils before permitting them to take part in a first team contest in any sport.

VOLLYBALL RULES BOOKS

The Association has a limited number of National Federation Volleyball Rules books in stock. A copy may be purchased by remitting \$1.00 to cover the cost of the book.

Notice

To All High School Wrestling Coaches

A coaches clinic for high school wrestling coaches will be held by Ron Clinton, former NCAA champion from Oklahoma State whose takedown prowess brought about the one point rule for all takedowns after the first one a wrestler scored.

He is head coach at Eastern Illinois University after five years of coaching at Tuscon (Arizona) High School where he coached six individual state champions.

If you are interested in attending the clinic, please contact Billy Vandiver, 2908 Lencott Drive, Louisville, Kentucky 40216, or Phone (502) 447-9390.

THE COACHES CORNER

EXECUTIVE MEETING

The following officers of the Kentucky High School Coaches Association met at the Holiday Inn, in Bardstown, Sunday, September 21, 1975. Members present were Billy B. Smith, President; Pat Dale, Vice-President; Al Prewitt, Sgt.-At-Arms; Joe Ohr, Secretary-Treasurer, and Eck Branham, All-Star Game Manager.

After a brief discussion the officers unanimously agreed to send an additional \$500.00 to the family of Greg Adams, a Madison Central athlete, who suffered severe injuries in a spring football drill. This is the second grant to be made to the Adams youth.

Confirming the action of a previous meeting the officers chose Pat Dale to represent the Kentucky High School Coaches at the annual meeting of the National Coaches Association at Orlando, Florida in June of 1976. The Kentucky High School Coaches Association became affiliated with the National Organization this year.

The prime reason for the meeting was to discuss the status of the All-Star football and basketball games sponsored by the Kentucky High School Coaches Association. Since the Association lost approximately \$11,000.00 on the games played in August and since the N.C.A.A. must sanction the games, it was the opinion of those present that no decision be made until the officers meet with the Board of Control of the Kentucky High School Athletic Association on October 11.

The executive board voted that Joe Ohr be authorized to transfer \$1,000.00 from the Coaches Association fund to the All-Star fund. This is being done to pay several outstanding bills.
