MINUTES OF BOARD MEETING

The Board of Control of the Kentucky High School Athletic Association met at the K.H.S.A.A. office, Lexington, on Saturday morning, May 15, 1976. The meeting was called to order by President Louie Martin at 9:00, with Board members Arthur Hawkins, Denval Barriger, Eldon Davidson, Jack Fultz, Cecil Reid, George Sauer, Gene Sell, Frank Simpson and Ray Story; Acting Commissioner Tom Mills and Assistant Commissioners Louis Stout and Billy V. Wise present. Also in attendance were Mr. Conley Manning of the State Department of Education, Darrell Wells of the State School Boards Association and Board attorney Calvert T. Roszell. The invocation was given by Frank Simpson.

Ray Story moved, seconded by Arthur Hawkins that the reading of the minutes of the April 15th meeting be waived since members of the Board had received copies of these minutes. The motion was carried unanimously.

Prin. Pat Crawford and Ath. Dir. Jim Ruether came before the Board to request that Ballard High School be given permission to invite two out-of-state basketball teams to participate against Ballard High School and another Kentucky team, to be named later, in Freedom Hall, Louisville on December 21, 1976. These games would be known as the Stewart Kentucky Basketball Classic. Following their presentation and a discussion by members of the Board, George Sauer moved, seconded by Denval Barriger that approval of the Stewart Kentucky Basketball Classic be given on a one year basis, contingent upon the complete approval of the National Federation of State High School Associations. In the event that approval of the National Federation is received, permission to have future Stewart Kentucky Basketball Classics must be submitted to the Kentucky High School Athletic Association for approval or disapproval. The action carried unanimously.

Prin. Warren Featherston, Tates Creek High School, came before the Board to request that they consider K.H.S.A.A. sponsored competition in table tennis. Mr. Featherston presented results of a recent tournament held at Corbin High School and explained that many high schools were represented. Accompanying Mr. Featherston were several students who participated in this tournament and each one spoke in favor of the request. Following the presentation, Mr. Mills was instructed to poll the member schools to determine the amount of interest in this sport. President Martin informed Mr. Featherston that if sufficient interest were shown, the Board would consider sponsoring the sport.

Mr. Mills requested that the Board consider setting a financial allowance for those schools participating in the Girls' State Basketball Tournament. Following a financial report on the Tournament, Gene Sell moved, seconded by George Sauer, that each participating school receive an allowance of \$200.00 each. All members voted aye.

Mr. Mills reported to the Board that the football

Attention, Principals and Superintendents!

Each principal and superintendent will be supplied during the forthcoming school year with a card which will say: "Kentucky High School Athletic Association. This will introduce (name of principal or superintendent), (name of school)." The card will be signed by the Commissioner. Most administrators of Association member schools admit to their home contests fellow administrators as a matter of school policy. However, many times these visitors hesitate to identify themselves to the ticket takers. The card mentioned will assist in this identification.

The identification cards are not to be considered as regular season passes to home games of member schools of the K.H.S.A.A. The determining factor in the cards being accepted as passes is the policy of the individual school.

The identification card may be used for admission to all events at the state level except the State Basketball Tournament. A different plan for issuing these passes, along with passes to the district and regional basketball tournaments, is provided in basketball tournament regulations.

Minutes of Board Meeting

June 11, 1976

The Board of Control of the Kentucky High School Athletic Association met in Louisville, Kentucky, on Friday, June 11, 1976. The meeting was called to order at 2:00 P.M. by President Louie Martin. Present were Board members Derval Barriger, Eldon Davidson, Andrew J. Fultz, Cecil Reid, George Sauer, Gene Sell, Frank B. Simpson, Ray Story and Arthur Hawkins. Mr. Darrell Wells was present representing the State School Boards Association. The invocation was given by George Sauer.

Jack Fultz moved, seconded by Eldon Davidson, that the reading of the minutes of the May meeting be waived since members of the Board had received copies in the mail. The motion was carried unanimously.

A delegation of football coaches came before

the Board to discuss the recent change in By-Law 27, which eliminated spring football practice. Following the presentation by Coach Wilson Sears and a lengthy discussion, it was requested that the group present their suggestions on regulations and restrictions of off-season football programs to the Commissioner prior to the July Board Meeting. President Martin assured the group that the topic will be discussed at the next Board meeting and that guidelines will be formulated at that time.

The Board then heard a request from Principal Arthur K. Draut, Waggener High School and Principal Irvin Rice, Westport High School, that the Board reconsider their decision to change soccer from a spring to a fall sport. Following their presentation, it was pointed out that of the twenty-four schools sponsoring a soccer team, twelve of these requested soccer be changed to a fall sport and twelve requested that it remain a spring sport. At this point Ray Story moved, seconded by Eldon Davidson, that the K.H.S.A.A. not sponsor a state championship playoff in soccer where schools be given the option of conducting the during the 1976-77 school year and that the member schools be given the option of conducting the sport in either season. The motion carried unanimously.

Mr. Mills presented the results of the recent opinion poll on the classification of basketball. He stated that of those responding to the poll, 128 members favored the present plan while 114 members were in favor of classification into either 2, 3 or 4 classes. Eighty-one member schools did not respond to the poll. The results were turned over to the Basketball Committee for study and recommendations.

President Martin requested that the Board go into executive session for discussion of salaries for the administrative staff and secretaries. At the conclusion of the session, Frank Simpson moved, seconded by Gene Sell that the salary of Commissioner Tom Mills be set at \$27,000.00; that the salaries of Assistant Commissioners Wise and Stout be set respectively at \$22,000.00 and \$19,500.00; and the secretaries receive an eight percent increase in their salaries. The motion passed unanimously.

The next item on the agenda was the consideration of applicants for an additional member of the K.H.S.A.A. administrative staff, this to be a person who would assume on July 1, 1976, the duties of Assistant Commissioner. Commissioner Mills reviewed with the members of the Board the qualifications of thirteen persons who had applied for the position. After a considerable discussion concerning the qualifications of the applicants Ray Story moved, seconded by Gene Sell, that Dianne Caines be elected to the position of Assistant Commissioner for a two year period, beginning July 1, 1976, her annual salary to be \$17,000.00. The motion carried by a vote of 9-1.

Jack Fultz moved, seconded by Cecil Reid, that all bills of the Association for the period beginning May 1, 1976, and ending May 31, 1976, be allowed. The motion was carried unanimously.

The Board set July 30, 1976, as the date for its next meeting.

There being no further business, the meeting was adjourned.

Kentucky's Game Guy

Paul David Brown
Paintsville High School

The Game Guy trophy is annually awarded to the one athlete in the state of Kentucky who has overcome a physical handicap and participated in high school athletics. Paul David Brown was the unanimous choice of the K.H.S.A.A. for the award.

At age seven Paul David had to wear a leg brace due to leg pertheis. Through his conditioning program of leg weights and swimming, he earned three varsity letters in each of the three sports of football, basketball and baseball and got his tenth letter in track. He was twice named to the all-area team in football, twice all-tournament in district basketball play and was named all-area this year in basketball.

Board Minutes — May 15, 1976

(Continued from Page One)

referendum to eliminate spring football practice received the necessary two-thirds vote for passage and will go into effect July 1, 1976.

President Martin stated that the next order of business was the election of President and Vice-President of the Board. Denval Barriger moved, seconded by Frank Simpson, that George Sauer be elected President of the Board of Control for 1976-77. The motion passed unanimously. Eldon Davidson then moved, seconded by Arthur Hawkins, that Ray Story be elected Vice-President for 1976-77. This motion also passed unanimously. The newly elected officers will assume their duties on July 1, 1976.

Gene Sell made the motion that a plaque be presented to all retiring employees and outgoing Board of Control members of the Kentucky High School Athletic Association in appreciation for their service to the Association. The plaque is to be in the form of an outline of the state with a star present indicating the Regions served. The presentations are to be made during the July meeting each year beginning in 1976. Ray Story seconded the motion and all members voted aye.

At this point President Martin called the Board into an executive meeting and requested that the Acting Commissioner and Assistant Commissioners leave the room.

Ray Story, Chairman of the Retirement Committee made the following recommendation. As provided for in Article XV of the K.H.S.A.A. Pension Plan Agreement dated June 5, 1970, that due to his illness, Mr. Joe Billy Mansfield be placed

Board Minutes — May 15, 1976

(Continued from Page Five)

on leave of absence with full compensation effective December 1, 1975, through November 30, 1976. In the event that during this time Mr. Mansfield's health improves to the point where he is able to assume all of the duties of the Commissioner, he be re-assigned to this position. Further, the Committee recommends that the Board of Control act on naming a new Commissioner immediately. Mr. Story moved that the recommendation of the Committee be adopted. Gene Sell seconded the motion and it passed unanimously.

Gene Sell made the motion that effective May 15, 1976, Tom Mills be employed as Commissioner of the Kentucky High School Athletic Association for a period of four years with the provision that if Mr. Mansfield's health improves during the period of his approved leave of absence to the point where he is able to assume all of the duties of the Commissioner, he will return to this position and Mr. Mills would become the Administrative Assistant. The salary shall be the present salary of the Commissioner as shown on the 1975-76 salary schedule, prorated over the period of May 15 through June 30, 1976. Arthur Hawkins seconded the motion and it passed unanimously.

President Martin stated that the business of the executive meeting was over and requested that Mr. Mills, Mr. Stout and Mr. Wise return to the meeting. Mr. Mills was informed of the decision of the Board and he accepted the provisions of the contract.

Assistant Commissioner Wise presented the results of the opinion poll taken on the standardization of officials fees in football, basketball and baseball for the 1976-77 school year. Based upon the information presented by Mr. Wise, George Sauer made the motion that the fee of \$25.00 be set for varsity football and basketball officials with a 10¢ travel allowance per crew in football for all mileage over 50 miles and a 10¢ travel allowance per team in basketball for all mileage over 50 miles unless both officials are forced to drive because of their location. The fee for baseball officials shall be \$15.00 per game per official for single games and \$22.50 per official for double headers. The allowance for travel shall be the same as for basketball officials. The fee for junior varsity officials in football and basketball shall be a maximum of \$12.50 per official per game. The motion was seconded by Denval Barriger. Seven members voted in favor of the motion with Cecil Reid and Jack Fultz opposing it and Ray Story abstaining.

Following a discussion of the date and site for the 1976 football championship games, Jack Fultz moved, seconded by Gene Sell that the finals of Class A and AA be played on November 26, the AAA on November 27, and the AAAA on December 4, and they all be played in Lexington. The motion passed unanimously.

Ray Story moved that Evangel High School be placed in Basketball District 21, Region 6, for the 1976-77 school year. George Sauer seconded the motion and all members voted aye.

Mr. Mills reported that several principals of member schools who sponsor soccer had requested that it be changed from a spring to a fall sport. Following a lengthy discussion, George Sauer made the motion that the request be approved. Denval Barriger seconded the motion and it passed unanimously.

Mr. Mills presented a letter from Bowling Green High School requesting that By-Law 4, Age, be waived in the case of Tim Riggs. Tim will not be eligible to participate in spring sports during his senior year since he will become 19 years of age in January. After hearing the facts, Cecil Reid moved that By-Law 4 not be waived in this case. Eldon Davidson seconded the motion and it passed by a vote of 9-1. Denval Barriger opposed the motion.

The next meeting date for the Board was scheduled for 2:00 P.M., Friday, June 11, 1976, at Stouffers' Inn, Louisville.

Jack Fultz moved, seconded by Arthur Hawkins, that all bills of the Association for the period of May 1, 1976, through May 31, 1976, be allowed. All members voted aye.

There being no further business, the meeting adjourned.

Gentlemen:
I have made an examination of the records of the Kentucky High School Coaches Association account in the Union Bank & Trust Company, Irvine, Kentucky, covering the period March 1, 1975 to March 28, 1976, as requested by Mr. Joe Ohr, Secretary of the Association.

Receipts and disbursements have been classified and are shown on the attached schedule of income and expenses. All receipts have been traced as deposits into the Bank and all disbursements have been substantiated by canceled checks.

There are three Saving Accounts under Kentucky High School Coaches Association heading totaling \$20,000.00 and these are shown on the schedule of Savings Accounts of the East-West All Star accounts.

The bank balance of \$7,237.33 has been verified as being on deposit in the Union Bank & Trust Company, Irvine, Kentucky as of March 28, 1976.

In my opinion, this letter and the attached schedule properly reflects the status of this account for the period stated.

Gentlemen:

At the request of Mr. Joe Ohr, your Secretary, I have examined the records of your ALL-STAR account covering the period April 1, 1975 to March 30, 1976.

I have classified all receipts and disbursements and these are shown on the attached schedule of receipts and disbursements. The bank balance of \$297.54 has been verified as being on deposit in the First Security National Bank & Trust Company, Lexington, Kentucky, as of March 30, 1976.

Receipts have been traced as deposits into the bank and all disbursements have been submitted by canceled checks.

You will also find attached to this report a schedule of all Savings Accounts showing the financial firm and the balance in each account. This list is self-explanatory and the balances were verified by telephone with each firm on April 12, 1976.

I believe that this letter and the attached schedules properly reflect the transactions and status of this account for the period shown.

Respectfully submitted,
Bill Sexton, Accountant

CAN ATHLETIC INJURIES AND COST OF ATHLETIC INSURANCE BE REDUCED?

HERE ARE SOME SUGGESTIONS THAT WILL HELP:

1. Secure a team physician. Your local Medical Society can advise on this.
2. Require players to be physically fit and well conditioned before engaging in contact.
3. Do not allow a player with an injury to participate until he has medical approval to do so.
4. Make sure equipment is adequate, in good condition, and that it is properly worn.
5. Consider carefully the length of practice sessions. The latter part of lengthy sessions produces the most injuries.
6. Require injuries to be reported to you promptly and refer those needing attention to the physician at once.
7. Get your players interested in injury prevention and fitness. Any player is more valuable without casts and crutches.
8. Our COOPERATIVE FOOTBALL PLAN and Student Insurance provide excellent coverage, service and economy.
