Delegate Assembly Members

Members of the Delegate Assembly at the forthcoming 1977 annual meeting of the Association were elected by the principals of K.H.S.A.A. member schools on ballots returned to the State Office before November 15. There were several ties in the voting for delegate and alternate. These ties were broken recently, with the delegates and alternates determined by lot. Article IV, Section 2-b, of the Constitution states in the last sentence "If the duly elected delegate or alternate does not answer the roll call at the annual meeting of the Delegate Assembly, the district shall remain not represented." The names of the district representatives are as follows:

Delegates

Attention, Principals and Superintendents

The forms to be used for ordering tickets to the State Basketball Tournaments will be mailed in December. Instead of trying to get the order postmarked January 2, as indicated on the Memorandum Calendar, you may send anytime through January 15 without loss of priority. The Board of Control has set up a seating rotation plan to be used from one year to another for distributing the tickets calling for seats in the arena. Also, this will give you additional time to prepare the order.

Universal[®] Centurion with Dynamic Variable Resistance

**Up to 16 stations to train more
athletes better, in less time!**

For team use, the Universal Centurion requires less time and space for more effective circuit training. Universal's dynamic variable resistance allows an individual to train at lifting speeds similar to his athletic activity while retaining maximum, effective resistance. Placed in 3 essential power press stations, leg press, chest press, and shoulder press, Universal's DVR is a new, high intensity conditioning feature never before available in resistive training. Centurion 6 to 16 station units, from \$1895.
