Minutes of Board Meeting

The Board of Control of the Kentucky High School Athletic Association met at the K.H.S.A.A. Building, Lexington, on Saturday, December 20, 1975. The meeting was called to order by President Louie Martin at 9:30 A.M. with all Board members, Acting Commissioner Tom Mills and Assistant Commissioners Billy V. Wise and Louis Stout present, Conley Manning was present representing the State Department of Education. The invocation was given by Arthur Hawkins.

Arthur Hawkins moved, seconded by Ray Story, that the reading of the minutes of the October 11 meeting and the Special Board Meeting of November 29, be waived since members of the Board had received copies of the minutes. The motion was carried unanimously.

Mr. Charles Kostas of Fort Mitchell, Kentucky, came before the Board to request that the eligibility of his son, Kenneth, be restored at Dixie Heights High School. Kenneth is ineligible under the provisions of By-Law 6, Transfer Rule. Following the presentation of Mr. Kostas and a discussion by the members of the Board, George Sauer moved, seconded by Ray Story that the eligibility of Kenneth Kostas not be restored. The motion passed unanimously.

Mr. Mills presented a letter from Athletic Director Donald Brooks, Durrett High School, requesting that the eligibility of Rodney Hinkle be restored. Rodney is ineligible under the provisions of By-Law 8, Contestant on Other Team. After discussing the case, Cecil Reid moved, seconded by Gene Sell, that the eligibility of Rodney Hinkle not be restored. All members voted aye.

The next case presented was that of Bobby Upchurch, a student at Somerset High School. Bobby participated on the Pulaski County High School basketball team during the 1974-75 season. He transferred to Somerset High School at the beginning of the 1975-76 school year, and was declared eligible to participate there when the Principal of Pulaski County High failed to check on the K.H.S.A.A. transfer blank that Bobby had participated on the varsity basketball team. This error was discovered after the season began. The correct information was then forwarded to the K.H.S.A.A. George Sauer made the motion that due to additional information received by the K.H.S.A.A. verifying the fact that Bobby Upchurch participated in varsity basketball at Pulaski County High School and has since changed schools without a corresponding change of residence on the part of the parents, he be declared ineligible to participate in athletics at Somerset High School for a period of thirty-six school weeks from the date he enrolled there. The motion further stated that there was to be no penalty for Somerset High School. The motion was seconded by Gene Sell and all members voted aye. Mr. Mills was instructed to send a letter of reprimand to the principal of Pulaski County High

School for his failure to submit correct information to the K.H.S.A.A.

A letter was presented to the Board from Mr. L. Stephen Traw, Director of Model High School, requesting that Sean Schubert be permitted to participate on the Model swim team. Sean is not enrolled at Model, but is a sixth grade student at Kit Carson Elementary School in Madison County. Cecil Reid moved, seconded by George Sauer that Sean Schubert not be permitted to swim for Model High School since he is not enrolled in that school. The motion passed unanimously.

The next case presented was that of Betty Baird, a student attending Kentucky Country Day School, who is ineligible under the provisions of By-Law 6, Transfer Rule. Following the presentation of the facts, Eldon Davidson made the motion that the Commissioner seek legal advice on this case and report his findings back to the Board at its January 23 meeting. Cecil Reid seconded the motion and all members voted aye.

Principal John Reschar, Fern Creek High School, came before the board representing the Policy Committee for the assignment of officials in Regions 6 and 7. Mr. Bob Cravens, Assigning Secretary for those Regions was also present. The reason for the visit was to make the Board aware of some of the problems involved in the assigning of officials in these two regions and to request the support of the Board of Control in helping to solve these problems. Following a lengthy discussion, Cecil Reid moved, seconded by Frank Simpson, that Acting Commissioner Mills and Assistant Commissioner Wise meet with the Policy Committee concerning the problems presented. The motion passed unanimously and President Martin thanked Mr. Reschar and Mr. Cravens and assured them that the Board would take the necessary action to help solve their problems. Mr. Reschar and Mr. Cravens thanked the Board for their time and support.

Tom Mills reported that the football championship playoffs were very successful. Financial reports have been received from all game managers, indicating that all expenses have been paid with shares of profit having been sent to the schools involved. After a discussion concerning an additional amount to be allotted to each team taking part in the final games, upon recommendation of Mr. Mills, Jack Fultz moved, seconded by Cecil Reid, that each of the eight teams involved shall receive an additional amount of \$1,000.00. The motion carried unanimously.

Mr. Mills recommended that the following regulations concerning the fees for districts, regional and state basketball tournaments be adopted. The district tournament officials shall receive a fee of \$30.00 per game. The regional tournament officials shall receive a fee of \$35.00 per game and the state tournament officials shall receive \$40.00 per game. The transportation

Minutes of Special Board Meeting
Bowling Green, Kentucky

November 29, 1975

The Board of Control of the Kentucky High School Athletic Association met in special session at the Holiday Inn, Bowling Green, Kentucky, on November 29, 1975. President Louie Martin called the meeting to order at 10:00 A.M., with all Board Members, and Assistant Commissioners Tom Mills, Louis Stout and Billy V. Wise present. Conley Manning was present representing the State Department of Education. The invocation was given by Frank Simpson.

The first item of business was the discussion on a proposed Kentucky High School Basketball Radio Network, as submitted by Jim Host and Associates. The Board discussed at length the provisions of the proposal as well as the advantages and disadvantages of entering into such an agreement. Mr. Garland West, President of the Kentucky Broadcasters Association was invited to speak to the Board concerning the views of the broadcasters. He requested that the Board give further study to the situation before making a decision and requested that a representative of the K.H.S.A.A. be present at the January 20, 1976, meeting of the Kentucky Broadcasters Association.

Eldon Davidson made the motion that a decision be withheld until the December meeting of the Board. Frank Simpson seconded the motion and all members voted aye. Mr. Mills was then instructed to gather additional information on the subject and present it at the December meeting.

Jack Fultz, Chairman, stated that the Policy Committee had the following recommendations: That Commissioner Joe Billy Mansfield be placed on extended medical leave of absence due to his illness and that he receive his regular salary during this time. The Committee further recommended that Tom Mills be named Acting Commissioner during the absence of Mr. Mansfield.

Mr. Gene Sell made the motion that the recommendations of the Policy Committee be adopted. Arthur Hawkins seconded the motion and it passed unanimously.

The next item for discussion was a request from Superintendent E. C. Grayson, Jefferson County Public Schools, that By-Law 29, Requirement for Coaches, be waived to permit two coaches to serve as head coaches for girls basketball at one school while teaching at another. The Board gave a great deal of discussion to this request before reaching the decision that they did not feel it in the best interest of the K.H.S.A.A. or member schools to grant this request. Mr Mills was instructed to inform Superintendent Grayson of this decision.

Some discussion was given to the possible adoption of a "Due Process Procedure" by the Board, outlining the proper procedure for appealing a decision of the Executive Secretary or the Board of Control. Mr. Mills was instructed to gather information for Board consideration.

There being no further business, the meeting was adjourned at 12:15 P.M.

allowance shall be 10¢ per mile for each official for all necessary travel. In the event that it is necessary for the official to remain over night at the tournament site, he or she shall be paid an additional \$20.00 per day for lodging and meals. The same rates shall apply to both boys and girls tournament officials. Frank Simpson moved, seconded by Cecil Reid, that the regulations recommended by Mr. Mills be adopted.

Frank Simpson moved, seconded by Arthur Hawkins, that this bid be accepted. The motion passed unanimously.

Under regulations governing tournament broadcasting rights, Ray Story made the motion that a 50% increase in the 1975 rates be adopted for the 1976 State Tournament. Denval Barriger seconded the motion and all members voted aye.

Mr. Wise presented a request from Principal Charles P. Holsinger, that Russell High School be permitted to change class and regions in football for the 1976 season. COACHES CORNER

The application of the Kentucky High School Coaches Association has been mailed to the NCAA along with a financial record of the All-

Star games played since 1952. A copy of the Constitution and By-Laws and grants that have been made to players and coaches who need assistance to meet excessive medical bills was also sent to the NCAA.

The delay of sending out ballots for nominating football players will be held up until word is received from the NCAA which will not be until the second or third week in January, 1976.

There will be a meeting of the Coaches Association during the Boys' State Basketball Tournament on Friday, March 26, 10:00 A.M. at the Edinborough Room, Executive Inn West, Louisville, Kentucky. We will have a complete report of the all-star games at that time.
