Minutes Of Annual Meeting

The sixtieth annual meeting of the Kentucky High School Athletic Association Delegate Assembly was held at the office of the K.H.S.A.A., Lexington, on Friday afternoon, April 15, 1977. The invocation was given by Jack Burkich.

President George Sauer, Jr., called the meeting to order at 2:00 p.m. and asked Commissioner Tom Mills to call the roll. Forty-eight elected delegates or alternates answered the roll call.

Commissioner Mills then presented a report on the activities of the Association during the 1976-77 school year. Mr. Charles Honeycutt moved, seconded by Kenneth Ralston, that the report be accepted. The motion carried. (The Commissioner's report is printed elsewhere in this issue of the **ATHLETE**.)

President Sauer stated that presentation of proposals was the next order of business. Mr. James Pursiful moved, seconded by Mr. Zeb Blankenship, that Proposal I be tabled. Proposal I states that Article IV, Section 2, Sub-Section A be amended to read as follows: "Members of the Board shall be elected for a period of four years by vote of the principals of member schools in each basketball region. To be eligible for membership on the Board of Control, one must be the principal, coach, athletic director, or superintendent of a certified school or Board of Education." The motion passed.

Mr. James A. Pursiful moved that Proposal II, stating that Article IV, Section 2, Sub-Section B be amended to read as follows: "Each representative and alternate to the Delegate Assembly must be a high school principal, or other faculty member, city or county athletic director or superintendent" be tabled. Mr. Walter Pickett seconded the motion and it was carried.

Mr. Ray Story moved, seconded by Mr. Joe Judy, that Proposal III be adopted. Proposal III states that By-Law 4, Age, be changed to read as follows: "A contestant becomes ineligible on his nineteenth birthday with the following exceptions: If the age of nineteen is attained after the sport season has started, he remains eligible for the remainder of the season in that sport. For application of this rule, the fall sports season shall begin on August 1, the winter sports season on November 1, and the spring sports season on April 1." The motion failed to carry.

Mr. Jack Hall moved, seconded by Mr. Arthur K. Draut, that Proposal IV be adopted. Proposal IV states that the second sentence of By-Law 21 be changed to read, "A school maintaining a football team shall not play more than twenty basketball games during the season and a school which does not maintain a football team shall not play more than twenty-six games." If adopted, this change would not go into effect until the 1978-79 season. The motion failed to carry.

Mr. Allan Osborne moved, seconded by Mr. Jack Ball, that Proposal V be tabled. Proposal V states that By-Law 27, Section 2, be changed to read: "After a school has completed the football season and before the last day of school, no school shall engage in football practice which requires the use of helmet or shoulder pads. The practice of skills which do not require full speed contact will be permitted." The motion failed to carry.

Mr. Ray Story then moved, seconded by Mr. Ron McAllister, that Proposal V be adopted. The motion failed to receive the necessary two-thirds vote for passage.

There being no further business, the meeting was adjourned by President George Sauer, Jr.

GAME GUY AWARD

Terry Shrum

The Game Guy Trophy is annually awarded to the one athlete in the State of Kentucky who has overcome a physical handicap and participated in high school athletics. Terry Shrum was the unanimous choice of the K. H. S. A. A. for the 1977 Award.

Terry's handicap is an undeveloped leg which is half an inch shorter than his other leg. With a built-up shoe, Terry still lacks the maneuverability of other athletes and often gets bad falls during the heat of the game.

Terry has received many outstanding honors during his high school career. He was selected to the all-district team twice, all-regional team twice and was picked in a pre-season poll as the top player in Region 12. In addition, he is a member of the National Honor Society and is president of the senior class.

In nominating Terry for the Award, Monticello's Principal, Eldon Davidson said: "Terry has overcome a serious handicap that he has had since birth and in spite of doctor's opinion that he would never be able to participate in sports, he has prevailed with spirit and determination to become one of Monticello's most successful athletes and scholars."

THANK YOU

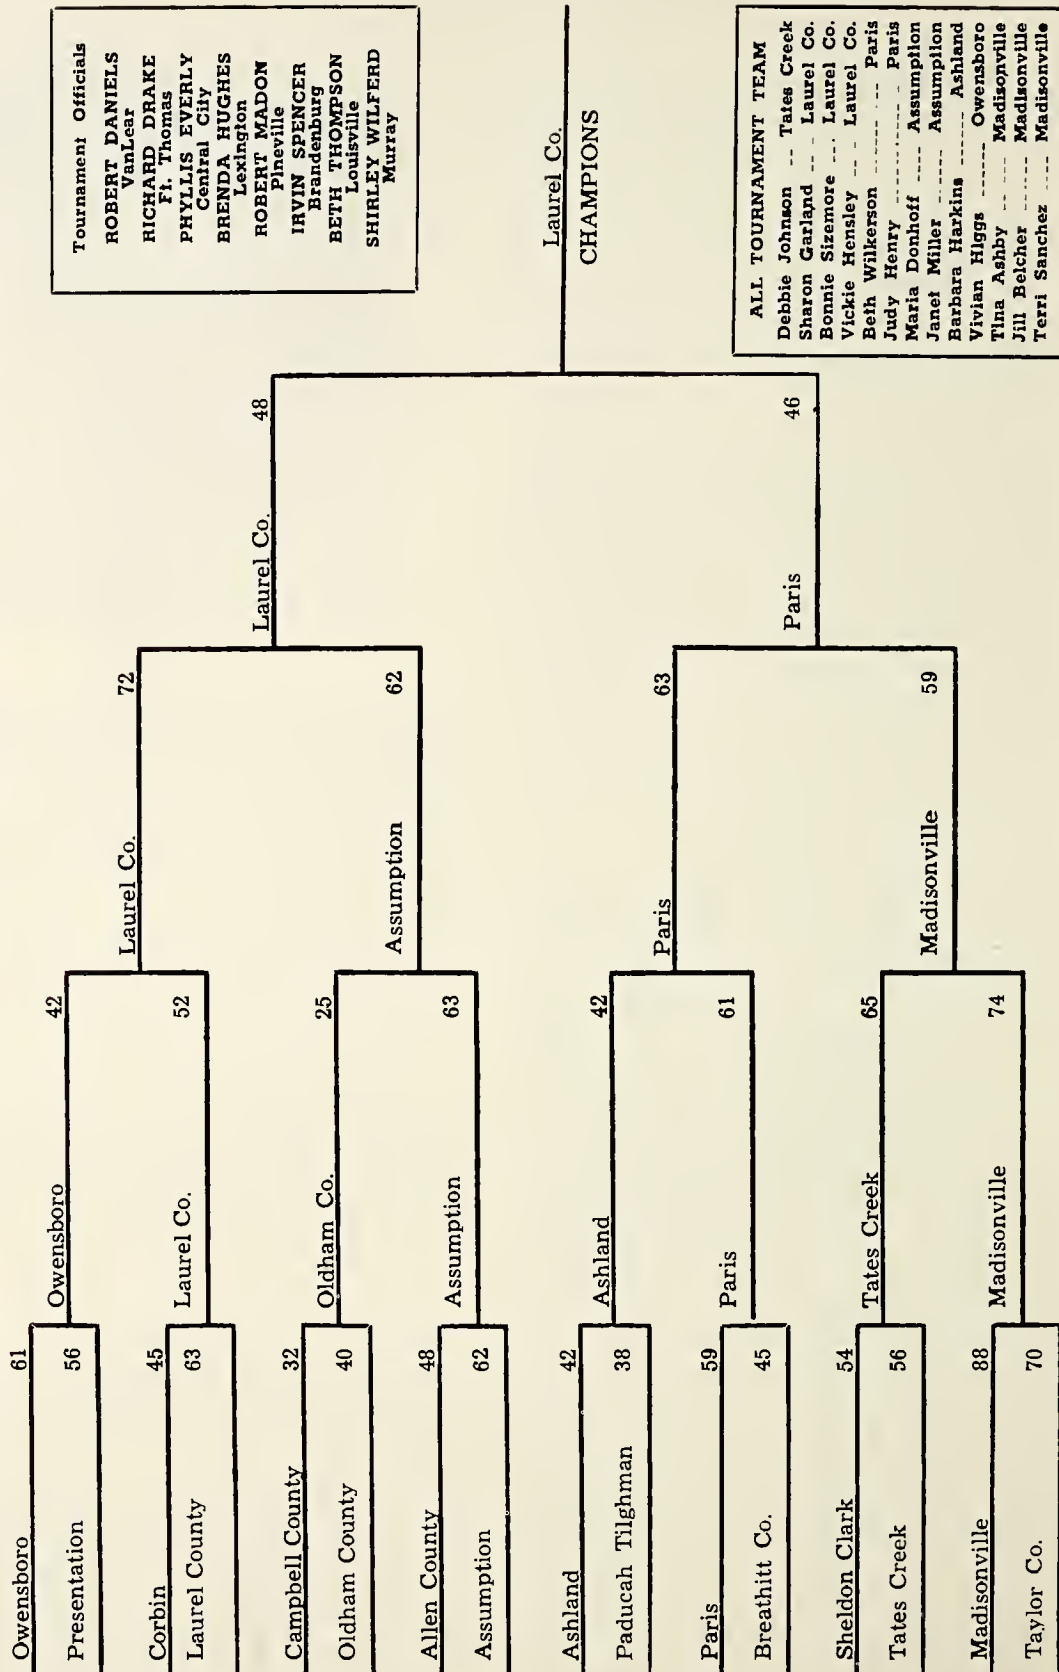

We want to take this opportunity to thank all of the principals, coaches, students, parents, spectators, and friends who have helped to make the 1976-1977 school year one of our best in recent history.

The Association's program continues to expand in both quality and quantity, primarily because of the continued interest and good work of our educational leaders.

The program of interscholastic activities sponsored by the K.H.S.A.A. is broad and varied, and it is making substantial contributions to the development and well-being of our youth. This program could not exist without your help and understanding.

Thanks very much for your cooperation.

Minutes Board Meeting

(Continued from Page One)

Eldon Davidson moved, seconded by Norman Passmore that the request be granted since there are presently only three schools in District 40. The motion passed unanimously.

George Sauer and Ray Story were named Delegate and Alternate, respectively, to the forth-

coming Annual Meeting of the National Federation.

Norman Passmore made the motion that the \$25,000.00 catastrophe injury insurance plan be renewed for the 1977-78 school year with Doug Ruedlinger, Inc., at an annual rate of \$10,500.00. C. W. Jones seconded the motion and all members voted aye.

Mr. Mills presented a letter from Mr. Bill Ring, umpire-in-chief and K.H.S.A.A. Area Representative for the Bluegrass Umpires Association concerning the fee and travel allowance for baseball officials. Mr. Stout was instructed to discuss this request with the Baseball Committee and submit recommendations for consideration at the July Meeting of the Board.

The Board then discussed the request of Mrs. Pat Dooley, KAPOs, for three hundred dollars to help with the expense involved in presenting awards to the cheerleaders during the Boys' State Basketball Tournament. Following a lengthy discussion on the KAPOs organization and its relationship with the K.H.S.A.A., Eldon Davidson moved, seconded by Joe McPherson, that the request be denied and that member schools be informed that the K.H.S.A.A. is not affiliated with the KAPOs organization. The motion passed unanimously.

The Commissioner was instructed to inform member schools that volleyball and table tennis may be added to the list of sports sponsored by the K.H.S.A.A. at the beginning of the 1978-79 school year providing a sufficient number of schools express an interest.

Derval Barriger moved, seconded by Norman Passmore, that all bills of the Association for the period beginning March 1, 1977, and ending March 31, 1977, be allowed. The motion was carried unanimously.

The date for the next scheduled meeting of the Board of Control was scheduled for Friday, May 20, 1977, at 1:00 P.M. in Lexington.

There being no further business, the meeting was adjourned.

J. B. MANSFIELD AWARD**Debbie Johnson**

The first J. B. Mansfield Award for girls was won by Debbie Johnson, Bates Creek High School, Lexington. The annual award inaugurated by the Courier-Journal and Times is presented to the player in the K.H.S. State Basketball Tournament who excels in four areas: basketball ability, academic accomplishments, sportsmanship and citizenship. The selection was made by a committee of school personnel from throughout the state.

TED SANFORD AWARD**Jeff Lamp**

To foster the ideals exemplified by Ted Sanford, former commissioner of the Kentucky High School Athletic Association, the Courier-Journal and Times inaugurated the Ted Sanford Award to be given annually to a player in the Kentucky High School Boys' State Basketball Tournament who excels in four areas: basketball ability, academic accomplishments, sportsmanship and citizenship. This year a committee composed of school personnel from throughout the state selected Jeff Lamp, Ballard High School, Louisville.

1976-77 ANNUAL REPORT**(Presented to Delegate Assembly)**

Three hundred twelve schools joined the Association for the 1976-77 school year. Thirteen of these schools enroll girls only and eight have only boys. In 1975-76 there were 313 schools, in 1974-75 there were 315, in 1973-74 there were 329 and 334 in 1972-73.

There were 194 schools involved in football. The Classes A, AA, AAA and AAAA championship games were played at the University of Kentucky, Lexington, with approximately 11,985 in attendance and gross receipts of \$42,381.00. Expenses involved in conducting the state football playoffs were \$24,167.94. Interest and attendance at the regional and semi-final games continued to increase resulting in greater revenue for the schools involved.

In Cross Country 142 boys' teams entered twenty-two regional meets. Eighty girls' teams entered all three Classes in fourteen regions. The expenses incurred in sponsoring this sport were \$8,057.88. The Class AAA Meet was held at Bellarmine College, Louisville, and the Classes AA and A were held in Lexington at the University of Kentucky.

The Wrestling program is going forward at a rapid pace. There were seventy-four schools in the eight regions with the winner and runner-up in each weight class advancing to the finals. The championship tournament was held at Atherton High School. The receipts from the meet amounted to \$5,815.50 while the expenses to date are \$6,807.47.

In Classes AAA and AA Swimming, thirty-seven girls' teams and forty-five boys' teams competed for the championships. They were held at Plantation Swim Club, Louisville, on February 18-19

and Eastern Kentucky University, Richmond, on February 25-26 respectively. The receipts were \$1,324.00 and the expenses were \$5,980.07.

There were sixteen schools with boys' Gymnastics teams and twenty-seven with girls. There were two girls' regional meets held at Pendleton County High School and Moore High School, but there was not sufficient number of boys' teams to justify a regional. The state meets were at Marion C. Moore High School on March 5. The receipts were \$430.50 and the expenses were \$2,122.20.

The approximate gross receipts from the boys' and girls' district basketball tournaments were \$405,788.75 while the regional tournaments took in \$300,426.40 for a total of \$706,215.15. The approximate amount realized by host schools as profit from concessions amounted to \$50,655.27. Attendance at the Boys' State Tournament was approximately 75,000 as compared to 99,858 for last year. The gross receipts this year for the tournament is estimated at \$292,623.25. A complete audit will appear in the August issue of the "ATHLETE."

Attendance at the Girls' State Basketball Tournament was 25,371. The gross receipts amounted to \$76,481.00 with expenditures of approximately \$31,006.73. The expense of the tournament was minimum due to cooperation of the people at Eastern Kentucky University. A complete report will appear in the audit.

There were twelve co-ed teams competing in the State Rifle Marksmanship Meet in Louisville. Expenses incurred were \$468.60.

Eleven teams competed at Louisville in the State Fencing Meet. Approximate disbursements for the meet were \$150.48.

In the other sports that are to follow 265 baseball teams will compete in fifty-nine districts and

sixteen regions; 208 girls, and 217 boys' track teams will compete in twenty regions each; 101 girls' golf teams and 192 boys' teams will play in nineteen regions; 139 girls' tennis teams and 149 boys' teams will play in ten regions. State Championship meets will be held in baseball at Morehead University; the Class AAA track in Louisville and the Class A and AA at the University of Kentucky, Lexington; the girls' golf at Princeton Country Club, Princeton; the boys' golf at the Anderson Golf Course, Fort Knox; the tennis at the University of Kentucky, Lexington.

Registering with the officials' Division of the Association were 1,539 basketball officials, 723 football, 538 baseball at the present time and 75 wrestling. Assistant Commissioner Billy V. Wise conducted seventeen clinics in basketball and twelve in football for officials and coaches. Assistant Commissioner Louis Stout conducted fourteen clinics for baseball umpires and coaches. Out of the 723 football officials that took the National Federation examination for advanced ratings, 121 became "approved" and 272 "certified." In basketball out of the 1,539 that took the test, 219 became "approved" and 277 are "certified." Five hundred thirty-eight took the baseball test with sixty-two being "approved" and eighty "certified."

The Board of Control, the Assistant Commissioners and I are grateful for the cooperation the superintendents, principals, athletic directors and coaches have given us in running the program for the Association.

THE KENTUCKY HIGH SCHOOL ATHLETIC ASSOCIATION

The Kentucky High School Athletic Association differs from other organizations in that it was established by the schools themselves to exercise those responsibilities that they wish to have handled collectively by the schools instead of each school assuming individual responsibility.

The K. H. S. A. A., therefore, is not a separate entity, but is a voluntary, non-profit organization of schools. Each member school is as much a part of the K. H. S. A. A. as any other one school. Each agrees to abide by the same minimum standards and regulations as do all other member schools.

As in all other democratic organizations, the will of the majority of schools is followed. There are some standards and regulations to which an individual school might object; however, the majority of schools can change any provisions of the Constitution through the process of amendment.

The impression left with many individuals outside the schools is that the K. H. S. A. A. is an organization that exercises authority over the schools. In reality, the only authority exercised over the schools is by the schools themselves. They simply act collectively through the Association instead of individually in those matters that the majority think can better be handled in such manner.

The Delegate Assembly and Board of Control are elected by the schools to carry out their desires. The schools administer their programs through the K. H. S. A. A. with the help of the Delegate Assembly and the Board of Control in a manner very similar to that of a community administering its program of public education through its Board of Education.

It is important that all school administrators keep their Boards of Education clearly informed of the nature of the K. H. S. A. A. in which their schools are members. This policy will help to avoid any misunderstanding and embarrassment for any local school administrator if questioned by members of his or her Board of Education as to why the school must comply with regulations of the K. H. S. A. A.

It will help school board members acquire a more complete understanding when they realize that the school is complying only with the standards it has agreed collectively with other schools to uphold.

WORDING OF THE RULES CHANGES FOR THE 1977-78 BASKETBALL RULES

- 1-12:**
In the sixth sentence, delete the words "between panels" and replace with, "or seams".
- 2-2:**
Delete the last sentence of the second paragraph and replace it with the following sentence: "Players may not wear jewelry."
- 2-9(a) NOTE:**
Add the following NOTE: "It is strongly recommended that a player when charged with a foul raise one hand only at full arm's length above the head and lower it in such a manner as not to indicate resentment."
- 2-10:**
Delete the word "error" (last word in second paragraph) and add to the end of the second paragraph the following: "clock has started following the error."
- 5-5 NOTE 2:**
Add the following NOTE: "By conference, state association or mutual agreement, the length of playing time periods for girls' or non-varsity games may be reduced."
- 5-9-EXCEPTION (a):**
Delete the words, "or is replaced within 1 and ½ minutes."
- 6-7-EXCEPTION (d):**
Add the following new exception: "When the ball is in flight on a try for field goal or during a free throw and a defensive team player excessively swings his or her arms or elbows without contacting an opponent, the ball remains alive."
- 6-7-EXCEPTION 2:**
Add the following new exception: "The ball does not become dead while the ball is in the air by a tip toward his or her basket if: (a) time expires; or (b) a foul is committed by any opponent or the player making the tip."
- 10-2:**
The first paragraph is replaced with the following: "A team shall not allow the game to develop into an actionless contest."
- 10-6 (k):**
The following is new: "A player shall not delay the game by preventing the ball from being made promptly alive."
- 10-10:**
This section has been completely revised as follows: "A coach shall remain seated on the bench — except to:
(a) rise and stand in front of his or her seat to signal players to request a time-out;
(b) while the clock is stopped stand in front of his or her seat to signal or communicate to his or her squad member;
(c) spontaneously react to an outstanding play by a member of his or her team;
(d) to confer with personnel at the scorer's table to specifically request a time-out for a correctable error as in 2-10; or
(e) attend an injured player when beckoned onto the court by an official; or
(f) rise during a charged time-out or intermission."

10-B-11-4(d):

It will now read, "No free throws for a double foul, one or both fouls of which are flagrant or intentional."

Signal Chart:

The signal to start the clock is revised so that the official signals the timer to start the clock by lowering his right arm (with hand open) from full arm's length above the head laterally to a position of hip height.

Comments on the Rules:

The Rules Comments will now include the following statement: "It is the policy of the National Basketball Rules Committee of the United States and Canada that there shall be no deviation from the rules unless approval has been granted by its Research Committee.

The following four "Points of Emphasis" will appear in the Rule Book and will be with full explanation of their meaning and significance:

1. Clarification of the Rules Restricting Dunking of a Dead Ball.
2. Illegal Use of Hands such as Tagging or Touching During Post Play.
3. Grasping the Basket Following a Dunk.
4. Contact Between the Offensive and Defensive Player During a Jump Shot.

ARE YOU A WINNER OR A LOSER?

A winner says, "Let's find out"; a loser says, "Nobody knows".

When a winner makes a mistake, he says, "I was wrong"; when a loser makes a mistake, he says, "It wasn't my fault".

A winner knows how and when to say, "Yes" and "No"; a loser says, "Yes, but" and "Perhaps not" at the wrong times, for the wrong reasons.

A winner isn't nearly as afraid of losing as a loser is secretly afraid of winning.

A winner works harder than a loser and has more time; a loser is always "too busy" to do what is necessary.

A winner makes commitments; a loser makes promises.

A winner shows he's sorry by making up for it; a winner says, "I'm good, but not as good as I ought to be"; but a loser says, "I'm not as bad as a lot of other people."

A winner listens; a loser just waits until it's his turn to talk. A winner would rather be admired than liked, although he would prefer both; a loser would rather be liked than admired and is even willing to pay the price of mild contempt for it.

A winner respects those who are superior to him and tries to learn something from them; a loser resents those who are superior to him and tries to find chinks in their armor.

A winner feels strongly enough to be gentle; a loser is never gentle—he is either weak or pettily tyrannous by turns.

A winner explains; a loser explains away.

A winner says, "There ought to be a better way to do it"; a loser says, "That's the way it's always been done here".

A winner paces himself; a loser has only two speeds; hysterical and lethargic.
