## Delegate Assembly Members

Members of the Delegate Assembly at the forthcoming 1979 annual meeting of the Association were elected by the Board appointed state representatives of the K.H.S.A.A. There were several ties in the voting for delegate and alternate. These ties were broken recently, with the delegates and alternates determined by lot. Article IV, Section 2-b, of the Constitution states in the last sentence "If the duly elected delegate or alternate does not answer the roll call at the annual meeting of the Delegate Assembly, the district shall remain not represented." The names of the district representatives are as follows:

## ATTENTION: Baseball Coaches

On December 23, 1978, the University of Kentucky will hold its first annual baseball clinic. Outstanding coaches and players from among the professional and collegiate ranks are lined up to cover almost every phase of the game.

The clinic will be held at the Hyatt Regency, adjacent to Rupp Arena on 400 West Vine Street, in the Lexington Civic Center in downtown Lexington.

Don't miss being a part of this fine clinic. It should prove informative and rewarding for everyone.

## Football Films Available

Films of the final games of the Classes A, AA, AAA and AAAA Kentucky High School Athletic Association Football Playoffs are now available by getting in touch with Mrs. Monroe, Film Library, University of Kentucky, Lexington, Kentucky 40506, Phone number 258-2828. A small fee is charged to take care of the postage.

The films were taken for the benefit of coaches, officials, players and fans and to promote emphasis on high school football.

## Universal<sup>®</sup> Centurion with Dynamic Variable Resistance

**p to 16 stations to train more  
athletes better, in less time!**

For team use, the Universal Centurion requires less time and space for more effective circuit training. Universal's dynamic variable resistance allows an individual to train at lifting speeds similar to his athletic activity while retaining maximum, effective resistance. Placed in 3 essential power press stations, leg press, chest press, and shoulder press, Universal's DVR is a new, high intensity conditioning feature never before available in resistive training. Centurion 6 to 16 station units, from \$1895.
