The meeting was called to order by President Ray Story at 10:00 A.M., with Board members Norman Passmore, Denvall Barriger, Zeb Blankenship, Jack Burkich, Joseph McPherson, George Sauer, Barney Thweatt, Paul Trimble; Commissioner Tom Mills, Assistant Commissioners Dianne Caines and Billy V. Wise present. Conley Manning and Darrell Wells were present representing the State Department of Education and the State School Boards Association, respectively. The invocation was given by Zeb Blankenship.

Norman Passmore moved, seconded by George Sauer, that the minutes of the October 8, 1977, meeting of the Board be approved. The motion was carried unanimously.

Barney Thweatt made the motion that the minutes of the November 14, 1977, meeting of the Board be approved. Denvall Barriger seconded the motion and it passed unanimously.

President Story introduced Prin. Thomas Stephenson, Heath High School, and one of his students, Pat Thomasson. Commissioner Mills reviewed the case that was presented to the Board the first time in the October 8, meeting. Mr. Stephenson had requested that the Board waive By-Law 5, Section 1, Enrollment, Maximum Number of Semesters, because of an injury that Pat sustained during the first game of their football season. Mr. Stephenson presented the case again to the Board for their consideration. After a lengthy discussion, Norman Passmore moved, seconded by Paul Trimble, that the appeal be denied. The motion passed by a vote of 8-1.

Mr. Mills presented the material received from Owensboro High School requesting that By-Law 5, Section 1, be waived in the case of Cully Nelson. After discussing the facts of the case, George Sauer moved, seconded by Zeb Blankenship, that the By-Law not be waived. The motion carried unanimously.

The Board then discussed the case from Lone Oak High School, concerning By-Law 5, Section 4, Preceding Semester. Denvall Barriger moved, seconded by Joseph McPherson, that the By-Law be waived in the case of Kim Moore. The motion carried 8-1.

The Board heard a request from Tompkinsville High School, presented by Mr. Mills, asking that the Board waive By-Law 6, Section 1, in the case of Sammy Tooley. After a lengthy discussion, Denvall Barriger moved, seconded by Jack Burkich, that the By-Law be waived. The motion carried by a vote of 7-2.

Barney Thweatt presented a letter from Mr. Phillip Walker concerning the eligibility of his son, Jed, at Christian County High School. This case concerns By-Law 6, Section 1, Transfer Rule. Following the presentation of Mr. Walker's request, Norman Passmore moved, seconded by Zeb Blankenship, that the Transfer Rule not be waived in this case. The motion passed unanimously.

Prin. Howard Crittenden, Henderson County High School, presented to the Board proposals from the Big Eight Conference. With Mr. Crittenden were four other principals representing the

Big Eight Conference; Prin. Frank List, Apollo High School; Prin. Floyd Brown, Madisonville-North Hopkins High School; Prin. Bill Van Winkle, Owensboro High School; Father Gerald Calhoun, Owensboro Catholic High School. The Board was very pleased with the recommendations and proposals made by the representatives of the Big Eight Conference and President Story thanked them for coming before the Board.

Supt. Charles Harris then came before the Board to discuss the problem that Somerset High School has in scheduling football games. Mr. Harris introduced Prin. Jim Andy Sears and Coach John Cain and asked them to present the case in detail. After their presentation and a lengthy discussion the Board offered a number of suggestions which Somerset High School and the K.H.S.A.A. office will work on during the next few weeks.

President Story made a motion, seconded by Joseph McPherson, that the Board go into Executive Session. Commissioner Mills gave a report to the Board about his meeting with the State Board for Elementary and Secondary Education. In the meeting, Mr. Mills asked the State Board for an extension in complying with their recommendations from January 1, 1978, to July 1, 1978. Barney Thweatt made the motion to proceed with the compliance and authorize Mr. Mills to ask for six months extension. The motion was seconded by George Sauer, and it carried unanimously.

Assistant Commissioner Billy V. Wise reported that the football playoffs continue to be successful. He presented the Board with a financial report on the finals played in all classes, with Classes A, AA and AAA being played at Eastern Kentucky University, Richmond, and Class AAAA being played at the Fairgrounds, Louisville. After a discussion concerning an additional amount for expenses to be allotted to each team taking part in the final games, Paul Trimble moved, seconded by Norman Passmore, that each of the eight schools involved receive an additional amount of \$1,200.00. The motion carried unanimously.

Chairman George Sauer of the Football Committee gave a report on the Committee's recommendations on the new football alignment for the 1979-80 season. Mr. Sauer explained the recommendations including the new set-up of sub-districts. It was also recommended that By-Law 42 be changed to read "all district games to be played during any season shall be scheduled on or before September 1 of that season. Out-of-district games to be played on or before the first weekend in November may be scheduled at any time." Mr. Sauer made a motion, seconded by Denvall Barriger, that the recommendations made by the football committee be adopted. The motion passed unanimously.

The Board approved the request of Hancock County High School to be changed from football District 2, Region I, to District 1, Region II, in their class. They also approved the recommended re-alignment of Football Class AA, Region II, District 2, as submitted by member schools in that region.

BASKETBALL MEETING FOLDER

Page 2: The answer to question 27 in the RULES CHECK-UP is one minute.

* * *

1. **Comment:** Following are some salient points concerning Rule 6-7 Exceptions 1 and 2.

A. On a field goal **try** which is in flight, one of the two rule infractions which can cause the ball to become dead is when a teammate of the shooter or the shooter excessively swinging his or her arms or elbows without contacting an opponent. No basket can be scored. If any player fouls while excessively swinging his or her elbows, the ball remains alive until the **try** ends.

B. Continuous motion can not apply to a **tap**.

C. When a player taps the ball towards his or her basket, it is not a **tap** until the ball is in flight.

D. If a **tap** is in flight toward the tapper's basket

and the tapper or a teammate fouls, the ball becomes dead immediately.

E. All fouls which occur while a **tap** or **try** are in flight shall be penalized.

F. No foul causes a **try** in flight to end. All fouls during any live ball shall be penalized. Case Book 305F, 305H, 6-7-Exception and Rule 10-10.

1. **Play:** A1 passes the ball to A2, however, A2 is not looking. The ball strikes A2 on back of the head goes directly to the basket of team A. It is on the ring when time expires and subsequently enters the basket.

Ruling: No goal. The ball striking A2 on the head is not considered a **tap**. A ball is tapped with the hand.

2. **Play:** A1 taps ball from a jump ball at the free throw line. The ball is in downward flight near A's basket and above ring level but not in the cylinder when B2 rises and bats the ball away or grabs it.

Ruling: This is legal. Goal tending coverage applies only to a field goal try.

3. **Play:** A1 taps ball toward team A's basket. While the ball is in the cylinder above the basket or on the basket ring: (a) B1 touches the ball; or (b) A2 touches the ball.

Ruling: Basket interference by B1 causes the ball to become dead and the official shall award team 2 points in (a). In (b) the basket interference by A2 causes the ball to become dead. No basket. The ball is awarded to team B out of bounds at the free throw line extended at either side of the court.

4. **Play:** A1 and B1 simultaneously tap the ball and it enters the basket of team A: (a) before time expires; or (b) after time expires.

Ruling: In (a) it is a legal goal and two points are scored. In (b) the ball becomes dead when time expired because of B1 having touched the tapped ball.

5. **Play:** A1 scores a field goal. B1 takes the ball out of bounds and after running along the baseline while he is attempting to throw the ball in court to a teammate, the five second court expires. Where is A1 awarded the ball for the throw-in at the endline?

Ruling: The ball is awarded to team A for a throw-in at the spot where the B player was standing when the five second count expired. This is a designated throw-in spot.

6. **Play:** A1 tries for a field goal. The ball is just in flight from the hand of A1 when B1 touches or taps ball with fingertips and then time expires. Ball continues and enters the basket of team A.

Ruling: No goal. The try ended when B1 tapped or touched the ball.

7. **Play:** B1 in rebounding at the basket of team A taps ball. While the ball is in flight, time expires and the ball enters the basket of team A.

Ruling: No goal. A tapped ball at the opponent's basket is no different than the player attempting to throw the ball into the opponent's basket which is definitely not a try by definition.

8. **Play:** The throw-in by A1 touches A2 on court and goes directly to B1 who has one foot on the out-of-bounds line.

Ruling: The ball is awarded to team A at the out-of-bounds spot where B1 was standing on the line with one foot when he touched the ball.

9. **Play:** A1 is shooting the second free throw of a two shot foul. While the second attempt is in flight, A2 and B2 slug each other.

Ruling: Both A2 and B2 are expelled from the game. Substitutes A6 and B6 shall each shoot two free throws after which the ball will be put in play with a center jump between any two opponents.
