## The Sportsman's Creed

### The Player . . .

1. He lives clean and plays hard. He plays for the love of the game.
2. He wins without boasting, he loses without excuses and he never quits.
3. He respects officials and accepts their decisions without question.
4. He never forgets that he represents his school.

### The Coach . . .

1. He inspires in his boys a love for the game and the desire to win.
2. He teaches them that it is better to lose fairly than to win unfairly.
3. He leads players and spectators to respect officials by setting them a good example.
4. He is the type man he wants his boys to be.

### The Official . . .

1. He knows the rules.
2. He is fair and firm in all decisions. He calls them as he sees them.
3. He treats players and coaches courteously and demands the same treatment for himself.
4. He knows the game is for the boys, and lets them have the spotlight.

### The Spectator . . .

1. He never boos a player or official.
2. He appreciates a good play, no matter who makes it.
3. He knows the school gets the blame or the praise for his conduct.
4. He recognizes the need for more sportsmen and fewer "sports."

## **A MESSAGE**

**from  
Brice B. Durbin**

The National Federation membership and headquarters staff are firm in the belief that interscholastic activities programs are essential to the education of most youth and, therefore, are an integral part of high school curricula. We consider interscholastic activities to be laboratory courses in human relations as well as physical and emotional development. We believe the programs are unmatched in the economic efficiency with which they educate boys and girls.

High school activities programs will attract more than 10 million participants this year. Nearly 50% of the student body of most schools will be involved in some phase of the interscholastic program.

In virtually all of these schools, the interscholastic activities program will require a school board subsidy of less than 1% of the total school budget. That includes equipment, supplies, transportation, coaches salaries and a portion of the utility bills.

Fifty percent of the students at one percent of the budget: that could be the best bargain in public education, and it's the kind of accountability in education which the public is demanding. Rather than being squeezed out of school programs, interscholastic activities programs should be held up to communities as model programs for these times. — Executive Secretary, National Federation of State High School Associations.

## **KENTUCKY HIGH SCHOOL COACHES ASSOCIATION**

### **Regular Meeting**

**June 8, 1979**

**Galt House**

The annual meeting of the Kentucky High School Coaches Association was convened in the Kings Head Room of the Galt House in Louisville, Kentucky on Friday afternoon at 2:30 P.M. with the following officers in attendance: Al Prewitt, president; newly elected president Garland "Corky" Miller; Joe Ohr-secretary-treasurer and Bob Miller, ex-president.

Joe Ohr gave the invocation.

Al Prewitt in introducing the new president Garland Miller, praised his preceding officers for their cooperation during his four years as a member

of the Executive Board.

The minutes of the 1978 regular meeting had been published in the Athlete and on motion by Wilson Sears and a second by Gary Schaffer, the reading was dispensed with.

The secretary-treasurer gave a detailed accounting of the financial status of the All-Star and the Kentucky High School Coaches Association bank accounts. The report was presented from an audit prepared by a Certified Public Accountant. On a motion by Gary Schaffer and a second by Jack Upchurch, the report was accepted.

Bob Miller explained the new Constitution of the Association — actually the revision — which required a considerable amount of time to update. The new constitution was accepted by motion of Julian Cunningham and seconded by Bill Fry and a unanimous vote of those present.

President Garland Miller explained the attempt to provide \$100,000 catastrophic insurance on all athletes and noted that coaches accompanying the members of a team were not covered by the insurance, stated that Commissioner Tom Mills of the Kentucky High School Athletics Association is attempting to secure a policy which would cover the coaches with catastrophic insurance plus liability insurance with the payment of a \$1.00 or \$1.50 from each member of the Kentucky High School Coaches Association. With the above benefits in mind, a motion by Stan Hardin and Second by Gary Schaffer that the annual dues be increased to \$5.00, and a life membership be increased to \$15.00, effective March 1, 1980. The measure passed unanimously.

The coaches of the All-Star games received no salary for their services this year. The feeling of the members present was that an award of some kind be given the coaches. On motion by Bill Fultz and second by Jack Upchurch, that the Executive Committee be empowered to secure suitable awards.

Bill Fultz, president of the Kentucky Basketball Coaches Association, spoke to the group concerning Jim Richards, executive secretary of the K.B.C.A. being given a direct line to the Commissioners regarding basketball problems. On a motion by Bill Fultz and a second by "Jeep" Clark the motion passed that Richards be approved as a representative of the Kentucky High School Coaches Association to contact the Commissioner and the Board of Control of the K.H.S.A.A. regarding such basketball problems.

Stanley Hardin, basketball coach at Fairdale was elected sergeant-at-arms of the K.H.S.C.A. by acclamation.

The meeting adjourned at 4:30 P.M.

**KENTUCKY HIGH SCHOOL COACHES ASSOCIATION AUDIT REPORT**

May 21, 1979

Executive Committee  
Kentucky High School Coaches Association  
Louisville, Kentucky

Gentlemen:

I have examined the statement of cash receipts and disbursements for the fiscal year ended March 31, 1979. My examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as I considered necessary in the circumstances.

In my opinion, the accompanying statement of cash receipts and disbursements presents fairly the recorded cash transactions of the Kentucky High School Coaches Association and All Star Fund for the year ended March 31, 1979 on a basis consistent with that of the preceding year.

Ronald I. Small  
Certified Public Accountant

**MAJOR WRESTLING RULE CHANGES FOR 1979-80**

- 1-3-1 & 2 Each individual state high school association shall develop and utilize an effective weight control program. It should require each wrestler to establish his certified minimum weight prior to a date specified by the state association.
- 2-4-2 Scales shall be certified annually in accordance with guidelines established by state associations.
- 4-3-1 Weight classes may be added or deleted by state association adoption (you cannot add some weight classes and delete other weight classes — you may only do one or the other, not both.)
- 4-3-2 Unlimited class contestants shall weigh a minimum of 185 pounds.
- 4-4-4 A minimum of twenty-four hour advance notice shall be given to your opponent in order to be granted this one pound allowance.
