The Basketball Committee submitted the following proposed changes in the districts and regions for the school year 1982-83: Todd County from District 8, Region 2 to District 13, Region 4; McLean County from District 9, to District 12; Butler County from District 12, Region 3, to District 13, Region 4. The Board suggested that a committee meet with the Commissioner to discuss the wording of this proposal. J.D. Minnehan, John Brock, Charles Miller and Charles Black volunteered to work on this proposal with the Commissioner.

Football Rule Changes For '82 Season Announced

KANSAS CITY, MO. (January 12, 1982)--Several rules changes and modifications have been approved for the 1982 football season by the Football Rules Committee, which met recently in conjunction with the National Federation of State High School Association's "Mid-Winter Meeting", staged January 5-7, 1982 at Phoenix, Arizona.

Among the major changes was a restructuring of time-out procedures allowing a coach the option of going to the team huddle during a charged time-out. The rule change gives a team the choice of either having one player go to the sideline to confer with the coaching staff--as has been the rule in past seasons--or having one coach go to the team huddle on the field.

The nation's 15,000 high schools and nearly one million student participants who utilize the National Federation football rules code will no longer be permitted to wear "tear-away" jerseys or to have sticky or slippery substances on equipment or hands.

Other rules changes for the 1982 season:

1. Reduction in penalty (from 15 yards to 5 yards) for teammates pushing a runner.
2. Reduction in the penalty (from 15 yards to 5 yards) for failure to wear required equipment during a play.
3. Moving the yardage chain away from the sideline when a first down cannot be made (goal to go).
4. Exempting players from the numbering

requirements who report to the umpire during a scrimmage kick formation which is defined as having at least one player seven yards or more behind the neutral zone and no player in position to receive a hand-to-hand snap from the center.

5. Elimination of any advancement of the ball by the receiving team after a kick if a valid, invalid or illegal fair catch signal has been given.
 6. Declared that if a player catches a kick or pass inside his team's five-yard line and his momentum carries him into his team's end zone, the ball will be put in play at the spot of the catch rather than decalre a safety if the ball becomes dead in the end zone.

Minutes Golf Committee 1981

The Golf Committee met on Tuesday, December 8, 1981, at the K.H.S.A.A. Office in Lexington. Assistant Commissioner Brigid L. DeVries called the meeting to order at 1:30 p.m. Committee members present included John Hackett, Bill Johns, Bill Frost, Ernie Denham and Danny Spillman. Absent was Matilda Walker.

The first item on the agenda was a discussion of regional golf tournament sites. Seven of the eleven regional sites for boys have been secured, and four of the six girls regional sites have been confirmed.

Ernie Denham reported on the golf situation in Louisville, Mr. George Sauer, Commissioner of Athletics and Activities, for Jefferson County proposed a plan whereby golfers could participate in 4-6 matches during the spring of 1982. The K.G.A./P.G.A. Inc. is willing to assist in securing the golf courses. Mr. Sauer is attempting to compile a list of schools wanting to participate so that L.G.A. officials may plan accordingly for the golf matches. The competition will be open to both boys and girls so that all high school golfers will have some opportunity to play prior to the regional tournament. This proposal was made due to the fact that golf has been eliminated from the athletic program in Jefferson County.

The Committee felt that individual schools should determine which golfers will represent the schools in the regional tournament.

There was a discussion of the regional information sent out to the schools with a few minor changes recommended.

The K.H.S.A.A. has requested Elizabethtown Country Club once again as the site for the Girls' State Tournament and Lindsey Golf Course at Fort Knox for the Boys' Tournament. The committee was very happy with the condition of both Elizabethtown Country Club and Fort Knox as state sites this past year.

The Golf section of the Constitution and By-Laws was discussed with some minor revisions recommended for the 1982-83 printing.

The Golf Committee suggested three items for discussion at the January Board of Control meeting: 1) the rules meeting held the night before the state tournament should be mandatory for coaches and/or players, 2) there should be a participation

requirement, (3 nine hole matches) before golfers would be eligible for regional play, 4) that golf be moved to the fall for 1983.

There being no further business the meeting was adjourned.

Tennis Committee Minutes 1981-82

The Tennis Committee met on Tuesday, February 23, 1982, at the K.H.S.A.A. Office in Lexington. Assistant Commissioner Brigid L. DeVries called the meeting to order at 1:30 p.m. Committee members present included Wilson Sears, Margaret Sheegog, Joe Kroh, Becky Watson, Bill Goodan, Terry Johnson, Jeff Frisch and Liz Sadler.

The first item on the agenda was a discussion of the regional tournament information that is sent to the schools as well as the new team format. Committee members suggested the following additions to the regional information:

- 1) that the certificate of eligibility accompany the regional entry form, 2) that schools declare No. 1 and No. 2 singles players and doubles teams on the regional entry form so that in case of a tie in team points the tying teams can have a playoff, 3) that the penalty for lateness be one game for each 5 minutes and after 55 minutes the match be defaulted, 4) schools must play in the State Tournament the way they are entered in the regional (no switch from singles to doubles or vice versa), 5) players be allowed a mandatory ½ hour break between matches in the regional tournament. The regional entry form will have a place on the back of the sheet for specific information regarding a players season for seeding purposes.

There was a discussion of regional tournament sites and managers. Mr. Jack Kleier will assist in getting tournament managers in Jefferson County.

A discussion was held concerning splitting the Lexington region into two regions. Terry Johnson submitted a proposal for consideration. If the proposal is accepted possible tournament hosts include Frankfort high School, Shelby County High School and Western Hills High School.

The State Tennis Tournament was the next item on the agenda. It was decided that if possible the semi-final matches would be conducted on Saturday morning. Players for the State Tournament will be seeded in an open meeting. Seeding for the State Tournament will be done by a Committee and will be scheduled early the week for the State Tournament. The time and date of the meeting will be announced later and will be open to the public. There will be a separate seeding committee for boys and girls.

There being no further business the meeting was adjourned.

Minutes of the Track and Field Committee Meeting

The K.H.S.A.A. Track and Field Committee met at the Kentucky High School Athletic Association Office, Lexington, on January 26, 1982. The meeting was called to order by Assistant Commissioner Brigid DeVries at 1:30 p.m. Committee members present were Bro. Borgia, Alice Brutsher, Susan Fetter, John Gettler, Jack Kaelin, Martin Mayer, Bob Miller, Charles Ruter, Terry Wilson, Larry Wingfield, Reba Woodall, Jean Wright. Assistant Athletic Director Jack Kleier was present representing the Jefferson County Schools.

Mr. Charles Ruter spoke to the Committee members about the Mason-Dixon Games at the Fairgrounds in Louisville on February 5-6. He also requested that they make every effort to attend the track clinic at the Fairgrounds at 4:00 p.m. on February 5 and in Lexington at the K.H.S.A.A. Building, on March 31, at 7:00 p.m.

After a general discussion on sites for the regional and sectional track meets the following changes were recommended: Class A (boys and girls) Region 5 - Fort Knox High School, Region 7 - Jenkins High School, Region 8 - Raceland High School; Class A and AA (boys and girls) Region 3 - Bellevue High School, Region 7 - Lawrence County High School; Class AAA (boys and girls) Region 3 - Iroquois High School, Region 7 - Lexington, Region 8 - Boyd County High School. Sectional changes - Class AAA, Section II, Ballard High School; Class A, AA and AAA, Section III & IV, Covington Catholic.

Other recommendations by the Committee to be presented to the Board of Control are as follows: 1) that the 400m relay for boys be added to the order of events for 1982-83 school year; 2) that the order of events be followed that is listed in the track rule book for 1983; 3) Jack Kaelin suggested that the 3200m relay for boys and girls be studied as a future event; 4) that the State Tract Meet be moved to the last weekend in May; 5) dissolve the sectional meets with a 2-day State Meet qualifying the top two out of each region; 6) establish a state-wide fee structure for track officials; 7) formation of an all-star track team; 8) that the triple jump for girls be added to the order of events for 1983; 9) that the 400m relay for boys be added to the order of events for 1983.

Changes effective for the 1982 track season area as follows: the girls 3200m run will be placed in the state order of events after the Class AAA boys' 400m dash, and followed by the boys 300m low hurdles. The 800m sprint medley for girls will be dropped. Lane assignments for races not run the entire distance in lanes shall be determined by lot. This includes relays where the first leg of a relay is not run the entire distance in lanes. These lane assignments for the state meet will be done at the regular state seeding meeting by the sectional managers.

Assistant Commissioner DeVries discussed the 1982-83 rules changes that were listed in the National Federation Rule Book.

There being no further business the meeting adjourned.
