"KENTUCKY ATHLETIC DIRECTIONS"

It seems as if high school athletics never get a rest. This summer has been filled with activities involving high school athletics: the Kentucky-Tennessee All-Star Football game in Lexington; the Kentucky-Indiana Basketball series in both Lexington and Indianapolis; the National Coaches Association Conference in Lexington; and the Jefferson County East-West All-Star Football game in Louisville.

Congratulations are in store for all those coaches and players who represented the K.H.S.A.A. and the Commonwealth of Kentucky so well. A special word of recognition for John Radjunas/Executive Secretary, KHSCA, and his hard-working Committee who did such a fine job with the National Coaches Association Conference.

It seems impossible, but for all practical purposes our summer "break" is over. I'm sure we are all actively involved with getting everything ready for the fall sport seasons. Before long football, soccer, volleyball and cross-country will be upon us.

The best of luck to all schools for a successful athletic year. Although only one team can be the "champion", we can all be "winners". Have a GREAT year!

Jim Reuther
KHSADA President

From the Commissioner's Office

Mr. Charles Black welcomed incoming President Davidson who in turn introduced the new members of the Board of Control: Grant Talbott, Owensboro High School; Tony Olinger, Henry Clay High School, Lexington; Charlie Wilson, Leslie County High School, Hyden; and Frank Welch, Belfry High School.

Commissioner Mills presented plaques to the outgoing Board members who were present--Alvis Johnson, Whaylon Coleman and Charles Black, and thanked each of them for their contribution to the Board of Control during their tenure. Mr. Mills stated that he had invited Mrs. McDonald to attend this meeting of the Board but due to a previous commitment, she was unable to accept his invitation. However, she did send Dr. Dan Branham and Mr. Bob Spillman to represent her. Among those topics discussed was the need to assure that the six-hour instructional day is free from incursion by activities outside those approved by regulation; the number of games scheduled in some sports and alternatives to the current scheduling of state tournaments in the various sports.

Following a lengthy discussion on these and other topics, President Davidson thanked Dr. Branham and Mr. Spillman and assured them that the Board of Control and the Kentucky High School Athletic Association would work closely with the State Department of Education in their efforts to improve the educational program in Kentucky.

Dr. Branham and Mr. Spillman expressed their appreciation for the opportunity to appear before the Board. They stated that the interchange of concerns and ideas was very constructive and that they are looking forward to other meetings of this type in the future.

There being no further business, President Davidson adjourned the meeting and instructed the members that the Board would re-convene at 9:00 a.m. on Friday, July 27, 1984.

There was no representative from Frankfort. Following the presentation by each delegate, the floor was open for questions. Commissioner Mills thanked each delegation for the interest shown in their request to host the tournament.

MINUTES OF VOLLEYBALL COMMITTEE MEETING

The Volleyball Committee met at the Kentucky High School Athletic Association Office in Lexington, Kentucky on Tuesday, June 5, 1984. The meeting was called to order at 10:30 a.m. by Assistant Commissioner Brigid L. DeVries. Committee members present included Bunny Daugherty, Margi McKenna, Sally Meng, and Joan Mitchell.

The first item on the agenda was a discussion of regional tournaments and sites. Bunny Daugherty was designated to check the availability of regional sites in Regions 1, 2, and 3 in Louisville and Margi McKenna was asked to check on facilities for Regions 4 and 5. It was suggested that Morehead State University again be the site for Region 6.

The next item of discussion was the site for the State Volleyball Tournament to be held November 2-3, 1984. Due to comparable sites at Northern Kentucky University and the University of Kentucky, it was suggested that the state tournament be rotated and that the 1984 tournament be held at the University of Kentucky. Pool play will be held at the Seaton Building with the semi-finals and finals at Memorial Coliseum. Bunny Daugherty expressed that Southern High School in Louisville might be a possible state tournament site in the future. It was recommended by the committee that Assistant Commissioner DeVries look into this possibility for future tournaments.

It was recommended that due to the acute official's shortage, more officials need to be recruited to work high school volleyball. Clinic dates for 1984 are as follows:

- August 14 - Iroquois H.S., Louisville - 7:30 p.m.
- August 16 - Dixie Heights H.S., Fort Mitchell - 7:30 p.m.
- August 21 - Alumni Gymnasium, Lexington - 6:00 p.m.

It was suggested that practical work sessions could be held after the clinics are conducted and would be an excellent way to provide experience to new officials.

A brief discussion was held on the 1984 volleyball rule changes. The committee recommended that the time limit for games be eliminated for regular season and tournament play effective for the 1984 volleyball season.

A brief discussion was held on changes for the Constitution and By-Laws with no new recommendations suggested. There being no further business, the meeting was adjourned.
