DELEGATE ASSEMBLY MEMBERS

Members of the Delegate Assembly at the forthcoming 1984 annual meeting of the Association were elected by the Board appointed state representatives of the K.H.S.A.A. There were several ties in the voting for delegate and alternate. These ties were broken recently, with the delegates and alternates determined by lot. Article IV, Section 2-c, of the Constitution states in the last sentence, "If the duly elected delegate or alternate does not answer the roll call at the annual meeting of the Delegate Assembly, the district shall remain not represented". 1905-1984

by

Julian Tackett

Kentucky high school athletics lost a bit of its heritage and one of its true friends and supporters with the death of L.J. "Butch" Charmoli on December 2, 1984. Charmoli who spent 35 of his 44 years in education at duPont Manual High School in Louisville serving as a teacher, coach and athletic director, had been ill for several months prior to his death.

Charmoli's career began in 1928 with his appointment as a teacher at Southern Junior High in Louisville. He left Southern in 1937 to join the staff at Manual and began his athletic involvement the next year accepting a position on the football staff as an assistant coach. Butch spent the rest of his career at Manual, a career which saw many changes and innovations in athletics in Jefferson County and throughout the state.

One of the major innovations during Charmoli's career was the institution of the Louisville Invitational Tournament, an event which to this day is one of the most prestigious invitational tournaments in the state and the nation. Later in his career, Charmoli was instrumental in the formation of the Kentucky High School Athletic Directors Association, an organization designed to help foster goodwill and the exchange of helpful ideas between schools and their athletic departments.

Charmoli's death brought many expressions of sympathy from his former players, friends and colleagues throughout the country as well as bringing back many fond memories. The story perhaps recounted more than any is that of former track star Sherman Lewis, currently coach of the running backs for the San Francisco 49ers. Lewis was in Lexington for the state track meet during his junior year of high school and was refused service in a local restaurant because of his race. "That had never happened to me before," Lewis told Courier Journal columnist Earl Cox. Although the incident was especially appalling to Charmoli, he was able to persuade Lewis to stay in Lexington and complete the meet. The next year, Lewis put on a dazzling display of talent as he captured the 100 and 220 yard dashes and anchored a winning relay team. This was a very special moment of redemption for Lewis and he was especially proud to present Coach Charmoli with the Championship trophy for the team.

Charmoli's contributions to athletics at the state level were also great. His work with the Sweet 16 Boys State High School Basketball Tournament spanned some 25 years as he served as Assistant Manager of the event in a time period when it became the finest state high school tournament in the nation. He served as Assistant Manager of the State Football Championships for over 20 years as well as assisting the K.H.S.A.A. for over 25 years with the state track meet. In 1980, Charmoli was awarded the Distinguished Service Award by the National Interscholastic Athletic Administrators Association, an honor that was a culmination of many of his efforts.

His funeral in Louisville resembled a Who's Who in Kentucky high school athletics as many of the prominent athletic directors, coaches, and athletic administrators from around the state attended the service and several served as pallbearers or honorary bearers. George Sauer, Athletic Director for the Jefferson County Schools, recounted a story of Charmoli's attendance at a football game between Michigan State and Purdue in which two of his former players at Manual, Sherman Lewis at Michigan State and Pete Dudgeon of Purdue, were captains of the teams. When the teams went to midfield for the coin toss, Charmoli said, "those are MY boys."

"His boys" were many, and they are scattered throughout the country now. But each one of them as well as each person who worked with Butch, had to stop for a moment on December 2, and remember the man so many of them knew simply as "Coach". Lewis summarized many of their feelings when he said, "he was a great man who meant a lot to me. He had more influence on me than anyone else."
