VOL. XLVIII NO. 7

FEBRUARY, 1986

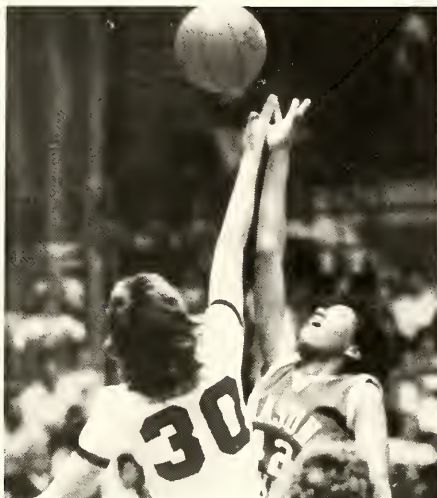

\$5.00 PER YEAR

**ANNOUNCING . . .**

**1st Annual Mid America Classic**

Since the announcement that the state basketball tournament champions from Kentucky and Indiana would meet in a one day doubleheader, it's been called "The Natural". The two neighboring states whose love for basketball at the high school level is well documented, will have their champions oppose each other in games to be held at Lexington's Rupp Arena on April 5, 1986. The girls champions will meet at approximately 1:15 p.m. with the boys champs colliding immediately afterwards.

Kentucky and Indiana are two of the few states whose high school basketball competition is not classified. That is to say, that the enrollment of a school has no effect upon who they compete against. Both states have a long standing tradition of competitive excellence in high school basketball, both have produced a great many college and professional players, and both have built their state tournaments to be truly the greatest shows on earth.

The two have now joined forces to help benefit all high school students. Proceeds from the games will help high school athletic participants in both states as all funds will go towards the catastrophic and liability insurance program, a policy which is designed to help offset medical expenses of a participant who suffers a severe injury while playing in, or traveling to or from, a high school athletic contest. This plan, which has a \$3,500 deductible clause, is in excess of other insurance, but has provisions to provide for unlimited lifetime medical benefits per injury.

The cost of this plan has been steadily rising. The expense costs each state nearly \$100,000.00 to insure all participants in all sports sanctioned by the state high school athletic associations. This policy is a benefit to all participants, one which the K.H.S.A.A. and the I.H.S.A.A. are dedicated to maintaining.

Tickets for the doubleheader are priced at \$7.00 for lower arena reserved seats, and \$5.00 for upper arena reserved seats and are available either by mail, or at the offices of either the Kentucky High School Athletic Association, 560 E. Cooper Drive, P.O. Box 22280, Lexington, KY 40522; or the Indiana High School Athletic Association, 9150 N. Meridian Street, Indianapolis, IN 46240.

**FEBRUARY, 1986 VOL. XLVIII, NO. 7**

**K.H.S.A.A.  
TRACK AND FIELD  
COMMITTEE MEETING**

The K.H.S.A.A. Track and Field Committee met at the Association office in Lexington on January 21, 1986. The meeting was called to order by Brigid L. DeVries, Assistant Commissioner at 1:30 p.m.

Members present were: John Gettler, Bob Miller, Jean Wright, Bro. Borgia, Bill Patton, Charles Rutler, Reba Woodall, Susan Fetter, Larry Wingfield, Robert Stacey, Marty Mayer, Tony Rowe and Will Pagan.

Mr. Charles Ruter gave a short report concerning the Mason-Dixon Games, stating that there were about 2,000 athletes from 90 schools scheduled to participate. There was also discussion on a possible change of date, location and format of the games. It was suggested that the Committee for the Mason-Dixon Games look into the possibility of having a similar type of games for high schools only.

The first agenda item was the new alignment recently approved by the Board of Control which would be in effect for at least two years. Ms. DeVries explained that the purpose of the re-alignment was to better balance the regions. She also stated that the KHSAA office and the All-Sports Committee had compiled the new re-alignment from input from the participating track schools.

The next item for discussion included Region and Sectional Meets and sites. Some minor changes were made on the information sent to the schools. It was announced that the KHSAA would not absorb any deficits for regional and sectional meets. The dates for the meets

are as follows:

Regional Meets: May 16 & 17, 1986  
Sectional Meets: May 24, 1986  
State Meet: May 31, 1986

It was emphasized that all track meets be scheduled so as not to interfere with regular school time.

The Committee screened the State Track Meet Information Sheet and discussed some revisions in the field events time schedule. Marty Mayer submitted a proposal for a different state meet format for the Committee to review.

Ms. DeVries announced that the Board of Control approved in their last meeting a restructure of the Track Committee. It was suggested that the core of the Committee be made up of one representative per two basketball regions to get equal representation throughout the state. These members would serve for a four-year term. The K.H.S.A.A. would also select an additional four to six at-large members. This procedure will be in effect for the 1986-87 school year.

The Track Clinic dates and sites are as follows:  
February 20, 1986 — St. Xavier High School - Louisville  
March 24, 1986 — Tates Creek High School - Lexington  
April 1, 1986 — Daviess County High School - Owensboro  
All clinics are scheduled for 7:00 p.m.

There was a brief discussion regarding the 1985-86 National Federation Track Rules changes. It was decided that for the Regional, Sectional and State Meets, competitors in the throwing events and the long and triple jumps will be allowed 3 trials in the preliminaries followed by 3 additional trials in the finals. In other meets, if the participating coaches agree, all competitors are allowed four trials. Rules 6-2-1 & 7-5-8

It was suggested that the All-Sports Committee survey the schools with regards to the addition of the 4 x 800 meter relay. This item will be brought up at the March meeting of the Board of Control.

There being no further business, the meeting was adjourned.

**STATE GOLF  
COMMITTEE MEETING**

February 4, 1986

The State Golf Committee met on February 4, 1986, at the Kentucky High School Athletic Association office. Bill V. Wise, Executive Assistant called the meeting to order at 10:00 A.M. Members attending the meeting were: Jackie Reed, Lou Brown, Bill Frost and Ernie Denham. Brigid L. DeVries, Assistant Commissioner also attended the meeting.

The first item of business was Regional Tournament. There were some minor changes made in the Regional Tournament Information Sheets. There was a short discussion for possible change in format of regional tournaments to allow more travel time for teams having to travel too far to complete rounds in one day.

## ATHLETIC FIELD MAINTENANCE SEMINAR

Improvement of athletic fields must begin in MARCH. Do you know what GRASSES, FERTILIZERS and CHEMICALS would be best and possibly cheapest? Do you have a Maintenance Schedule? Have you seen turf renovation equipment operate? This seminar is offered to present basic information to help improve the SAFETY AND QUALITY of your game and practice fields.

**Dates and Locations:**

- March 11 - Northern Kentucky University, Highland Heights.
- March 12 - University of Kentucky, Lexington
- March 13 - University of Kentucky Research and Education Center, Princeton

**Daily Schedule** - 9:00 a.m. to 3:30 p.m.

**Cost** - \$15 per person

**Speakers** - Dr. Dwight Barkley, Eastern Kentucky University  
Dr. A. J. Powell, Jr., University of Kentucky

**Attendance Confirmation** - Send note or call:

# NEWS RELEASE

## FOOTBALL RULE CHANGES ANNOUNCED FOR '86 SEASON

**KANSAS CITY, MO. (January 15, 1986)** — No major rules changes were made by the National Federation Football Rules Committee in its January 8-9 meeting in Reno, Nevada, as the committee determined that the condition of high school football rules has never been better.

The committee, composed of one representative from 48 of the state member associations and representatives of the National Federation Interscholastic Coaches Association (NFICA) and National Federation Interscholastic Officials Association (NFIOA), approved nine minor changes for the 1986 high school football season and identified four areas that need special attention in the coming season.

"This was the fewest changes in the football rules in the 20 years I have been associated with the committee," said Dick Schindler, Assistant director of the National Federation and liaison to the Football Rules Committee. "This reflects on the good condition of the game. The committee considered many proposals but did not make any changes that are going to affect the game significantly.

"Most of the changes made this year were clarifications of the rules for benefit of officials and coaches. The committee determined that no radical changes were needed, and none were made."

One of the clarifications made by the committee involves Rule 2-10-2c and emphasizes that defensive players cannot clip an opponent within the free-blocking zone. The free-blocking zone is a rectangular zone extending laterally four yards on either side of the spot of the snap and three yards behind each scrimmage line.

The committee also revised the definition of batting to include a ball in player possession. Henceforth, a team will be penalized 15 yards if one of its players bats (intentionally slapping a ball with the arm or hand) forward a ball in possession of one of its own team's players.

Beginning next season, each player's helmet must have a visible exterior warning label regarding the risk of injury. Although most schools complied previously, the label now will be required. The label is part of the National Operating Committee on Standards for Athletic Equipment (NOCSAE) standard and indicates that players have been instructed and understand the risks involved in the game of football.

In other rules changes, the committee noted that a team must begin the game with 11 players but can continue with fewer if no substitutes are available to replace injured or disqualified players. In revising Rule 1-2-3b, game administrators are now allowed to place a four-inch wide broken restraining line around the entire field two or more yards from the sidelines and end lines for control of individuals outside the team boxes.

Other revisions made by the Football Rules Committee:

\* A new thigh guard padding specification takes effect in 1990.

\* Nonplayers cannot use insulting or vulgar language or gestures.

\* Two articles were added to Rule 9-6 (Illegal Participation) and mainly consisted of providing coverage for acts not clearly identified previously.

Points of emphasis for 1986 adopted by the committee were ball adjustment by the snapper, team-box restrictions, teammates aiding the runner and illegal helmet contract.

Points of emphasis are determined by the committee each year in an effort to improve compliance and enforcement in those areas.

"The committee felt that rules in these four areas are not being interpreted properly or not enforced uniformly in all situations," Schindler said. "The illegal helmet contract has been an annual point of concern and cannot be emphasized enough."

Approximately 15,000 National Federation member high schools offer football, involving about one million participants. Following are the complete rules changes for 1986:

### RULES CHANGES

#### RULE

1-1-2

1-2-3b

1-5-1a

1-5-1g (Note)

2-10-2c (Note)

2-11-3b & 9-7-3

9-6-5

9-6-6

9-6-1a

#### SUMMARY OF CHANGE

A team must begin the game with 11 players but may continue with fewer than 11.

Allows game administration to place a four-inch wide broken restraining line around the entire field two or more yards from the sidelines and end lines.

The helmet of each player shall have a visible exterior warning label regarding the risk of injury.

New thigh guard padding specifications goes into effect in 1990.

Clarifies that defensive players may not clip within the free-blocking zone.

Batting definition revised to include a ball in player possession batted forward by a player of that team. Penalty is 15 yards.

It is illegal participation if a player is lying on the ground to deceive the opponents at or immediately before the snap or free kick.

It is illegal participation to have 12 or more players participating at the snap or free kick.

It is unsportsmanlike conduct for a nonplayer to use insulting or vulgar language or gestures.

Bruce Howard

Publications/Communications Director

## POINTS OF EMPHASIS

1. Ball adjustment by the snapper.
2. Team box restrictions.
3. Teammates aiding the runner.
4. Illegal helmet contact.

## EDITORIAL CHANGES ADOPTED

THE FOLLOWING IS THE SIGNIFICANT ACTION TAKEN BY THE EDITORIAL COMMITTEE: Much rewriting and format changes have been authorized.

1. In 1-3-4 identified that the yardage chain shall join 2 rods that are exactly 10-yards a part. In 5-3-3 changed "outside" to inside to reflect this change. In the diagram changed to drawing of the rods and chain to show the change.
2. Deleted 2nd sentence in 1-4-3 as it is covered in 7-2-1b.
3. In 1-5-3h changed first two words to "removable cleats" as this section pertains only to removable cleats. In 1-5-3h Note reworded the last sentence to "has no cutting edge".
4. Authorized editor to write a casebook play to explain that an illegal blocking technique by an offensive lineman attempting a legal clip within the free-blocking zone is penalized as illegal use of hands and is not clipping.
5. The last sentence in 2-20-2 was deleted and added to 6-2-7 since the expansion is prohibited only as it appears to touching of a kick in the end zone.
6. Added "e" in 2-30-5 to clarify that succeeding spot on kickoffs is the 40-yard line for nonplayer and unsportsmanlike fouls.
7. In 3-3-3 an addition was made to clarify that nonplayers and unsportsmanlike fouls are not considered in the coverage for extending a period with an untimed down.
8. In 7-2-6 the words "Team A" were added before "lineman" to clarify a legal snap involves the Team A Lineman.
9. Added the words "in or behind the neutral zone" to the forward pass summary chart item 1d. This clarifies that to be an illegal pass the touching by the ineligible must occur in or behind the neutral zone.
10. In 9-6-2 added "influence the play" to clarify that a replaced player or substitute could be called for illegal participation by influencing the play.
11. Added "or free kick" to 10-4-4a as a foul which occurs simultaneously when a free kick is penalized from the previous spot.
12. Added a sentence to Fundamental #31 to show that an ineligible could go downfield after the pass is in flight

---

 -----HELMET WARNING LABELS-----
 

---

The 1986 National Federation Baseball/Softball Rules and Football Rules require that each helmet has an exterior warning label, regarding the risk of injury.

The manufacturers and reconditioners have consistently indicated that they would furnish free labels to schools upon request. Most football helmets should already have the warning labels but it is possible a significant number of batting helmets do not.

I would suggest you inform your schools of the requirement and ask them to contact their local dealers and suppliers, or the company that manufactured the product, if they need a supply of labels. You may wish to contact the manufacturers and get a supply sent directly to your association for distribution to your member schools upon request.

The National Federation is presently working to obtain a supply of labels, so we can send them to State Associations that can't find them anywhere else. If we are able to get these labels we anticipate they will reach our office around the first of March.

*Continued from Page 2*

Following some minor changes made in the State Tournament information sheets there was a discussion of possible format changes in the State Tournament format. Some of the possible changes in the coming years that were discussed: (1) making sufficient changes in the girls' tournament that would make it on a par with the boys tournament and (2) changing the format of the boys' and girls' tournament that would allow the boys to play their tournament and then have the girls play the following two days.

Some of the concerns brought up during the miscellaneous business were: (1) the need to change golf from a spring sport to a fall sport (2) objection to not having a required rules clinic for coaches and officials (3) concern for the scheduling of only two days for regional and state tournaments in case of inclement weather and

long travel times (4) discussion of the possibility of requesting a waiver of the six hour academic school day from the State Department of Education so that play could begin earlier in the day during regional play. Bill Frost brought up the fact that in the past there has been some dissatisfaction during the Girls' State Tournament in Elizabethtown because there were not enough carts available to facilitate the media and officials because the course was renting them to spectators. It was decided that the course would be requested to hold 7 carts for the members of the press covering the tournament and for tournament officials to use. The course will be compensated for the use of these carts.

There being no further business, the meeting adjourned.

## PROPOSAL 48 - NEW NCAA REGULATION PASSES

Effective immediately, incoming students to an NCAA member institution who wish to immediately participate in intercollegiate athletics at the Division I level must have maintained a 2.0 grade point average in a core curriculum including at least three years English, two years math, two years social science, and two years of physical or natural science; as well as having attained a 700 combined score on the SAT verbal and math sections or a 15 composite score on the ACT; and be a high school graduate.

When the full body of the NCAA Convention passed the rule at its January meeting, it passed the by-law, as amended to phase in the requirements over a two year period. The amendment stated that eligibility may be attained for incoming athletes after August 1, 1986 and prior to August 1, 1987 by one of five possible combinations --

G.P.A.	and	SAT Verbal & Math	or	ACT Composite
2.2 and above		660		13
2.100-2.199		680		14
2.000-2.099		700		15
1.900-1.999		720		16
1.800-1.899		740		17

For students entering on or after August 1, 1987 and prior to August 1, 1988, the scale allows three possible combinations --

G.P.A.	and	SAT Verbal & Math	or	ACT Composite
2.1 and above		680		14
2.000-2.999		700		15
1.900-1.999		720		16

The By-Law, which follows By-Law 5-1-(j), on pages 92 & 93 of the NCAA Handbook, also allowed for an exception which states, "An exception may be granted by the NCAA Eligibility Committee for a student who left high school after completion of his junior year or during his senior year to enter a member institution under an early admissions program open to students solely on the basis of outstanding academic performance and promise, and provided that for the last four semesters completed in high school, the student maintained an accumulative grade point average of 3.5 (based on a maximum of 4.0) and ranked in the top 20 percent of the students class, and that the student met all of the requirements of a qualifier except for graduation from high school."

Should you have any questions, or desire an interpretation, contact the Athletic Department of the NCAA member closest to you. In Kentucky-Bellarmine, Centre, Eastern Kentucky, Kentucky (University of), Kentucky State, Kentucky Wesleyan, Louisville, Morehead State, Murray State, Northern Kentucky, and Western Kentucky are member institutions.

---

## **NOTICE TO BASEBALL/SOFTBALL OFFICIALS**

One big change for this year's playing rules is the requirement that in addition to the batter, all runners, on deck batters, and all players in the coaches box must wear a NOCSAE approved helmet, and the helmet must have the appropriate warning label affixed to the outside in a visible location. No coach should allow helmets to be used that are not NOCSAE approved. This is not optional, this is mandatory. The warning labels may be requested from sporting goods stores in your area, or from the manufacturer from who you purchased your helmets.

## **N.H.S.A.C.A. TO HOLD SUMMER MEETING FOR 22nd TIME**

The National High School Athletic Coaches Association will hold its 22nd annual summer meeting on June 21-27, 1986 at the Sheraton Twim Towers Hotel in Orlando, Florida. Events include seminars in Athletics, Drug Programs, and Sports Medicine for the first four days of the meeting, with the National Athletic Clinic set for June 25-27. Special events include the Booster Clubs Awards Luncheon on June 26, the N.H.S.A.C.A. National Awards Banquet on June 27, the All America Prep Cross-Country Championships on June 23-24, and the All America Prep Golf National Championships on June 24-26. For further information, contact N.H.S.A.C.A., 3423 East Silver Springs Boulevard, Suite 9, Ocala, FL, 32670; or phone (904)622-3660.

## **REGIONAL PARTICIPANTS TAKE TEAM PICTURES TO REGIONAL MEETING**

One of the problems that arises each year with the production of the game program for any K.H.S.A.A. State event, but particularly, the Sweet 16 Tournament is the submission of team pictures. This year, all district winners and runners up are to take their game picture, roster of the team, and a left to right identification of the players in the team picture, to the regional tournament draw meeting. The manager will then forward the pictures to the Association. If the regional tournament is also producing a program, please take two copies of all information to the meeting, one for the regional use, and the other for the use of the K.H.S.A.A. If every school will cooperate, this process should produce much more efficient results.

## **SCHOOLS REMINDED TO CALL-IN DISTRICT, REGION SCORES**

The Kentucky High School Athletic Association depends very much on the media to keep us informed on the scores in district and regional tournaments. Your school can benefit greatly by calling in your scores to one of these media outlets -- the Courier Journal, (800)292-3570, or call collect at (502)582-4361 if the 800 number is busy; the Lexington Herald Leader (606)231-3225 (call collect); Associated Press, (800)292-3560; or United Press International (800)572-7680. These calls take only a very few seconds, but afford your school excellent free publicity. District and regional managers are asked to call in all scores to one of these numbers.

---

## OPEN DATES FOR FOOTBALL TEAMS

New Madrid County Central High School, New Madrid, Missouri, has openings for September 5 and September 19, this fall. Would like to sign contract for home and home series. Contact Coach Mike Barnes, at (314) 688-2562. Christian County High School has an open football date on October 10. Contact Athletic Director Wilton Gant at (502) 887-1100. Washington County needs a home game on September 6. Contact Coach Tom Hamilton at (606) 336-3996. Corbin High School has open dates Sept. 12, 19 and 26, and Oct. 3, 10, and 24. Call Coach Adams at (606) 528-3902. Franklin County High School needs games on Sept. 5, 19 and 26, and Oct. 17. Contact Coach Dearborn at (502) 695-4155. Harrison County High School needs games on Sept. 19 and Oct. 17. Contact Coach Graham at (606) 234-4382 or at home (606) 234-1631. Lafayette High School needs game on Sept. 12 and Oct. 24. Contact Coach Fee (606) 278-7103 or at home (606) 223-3002. Whitehouse High School (TN) needs game on October 3. Contact Jeff Porter (615)672-3762. Coal Grove (OH), near Ashland, needs a game on September 12 or 13. Contact David Waller, A.D., at 532-6345 or 532-5833. Clay County needs a game August 29. Contact Coach Hensley (606)598-3737. Simon Kenton needs a game September 12. Call Coach Jim Dougherty or A.D. Joe Stark (606)356-3541, or 356-6622

## IMPORTANT DATES FOR 1986-87

The following are the starting dates for the K.H.S.A.A. sponsored events, along with the first day of practice.

Sport	First Practice	First Contest	Num. Games Allowed	State Finals (Tentative)
Soccer	July 20	Sept. 1	6-20	Nov. 1
Cross Country	July 15	Sept. 1	4-15	Nov. 1
Volleyball	July 15	Sept. 1	20	Nov. 1
Football	July 30	Aug. 29	11	Nov. 28-29
Wrestling	Oct. 15	Dec. 1	4-23	Feb. 21
Swimming	Oct. 1	Nov. 15	15	Feb. 20/21
Basketball				
non football	Oct. 1	Nov. 15	24	Mar. 21/28
football	Oct. 15	Dec. 1	24	Mar. 21/28
Track	Dec. 1	Apr. 1	4-15	May 30
Softball	Feb. 15	Apr. 1	35	May 30
Golf	Feb. 15	Apr. 1	20	June 2/3
Tennis	Feb. 15	Apr. 1	4-20	June 4/5/6
Baseball	Feb. 15	Apr. 1	35	June 5

These dates are corresponding to the 1985-86 calendar, and are current as per the 1985-86 Constitution and By-Laws. Dates for 1986-87 championships are tentative.

## IMPORTANT NOTICE TO ALL KHSAA OFFICIALS

Effective with this year, 1986, officials in baseball, basketball, football, soccer, softball, track, volleyball, and wrestling will be required to re-register between May 1, 1986 and June 30, 1986. New officials will still be permitted to register until the current deadlines. Registration forms will be mailed during April to all currently registered officials. If your address is not correct or you have had trouble receiving mailings, magazines, etc. from this office, you should contact Ms. Pruitt immediately to have her double check your address. Officials not re-registering during the May-June period will be assessed a \$25.00 late charge in addition to the normal fees required. There will be no waivers from this policy or fee.

If you do not receive your re-registration form prior to June 1, you should contact this office immediately. Non-receipt of information will not be an acceptable reason for waiver of the late fee.

The new registration schedule is due in part to a new reciprocal agreement between the states adjacent to Kentucky in an effort to allow the ratings, years service, and other items, to transfer from one state to another.

The procedure to register in multiple states is as follows -- Register with the High School Athletic Association in your state of residence. Pay the normal fee required for registrants in your home state. You then must pay a \$10.00 multiple state registration fee. This fee entitles you to officiate contests in all states participating in the multiple state agreement. You will be required to pay no other additional fees for registration, other than those that may be assessed by a local officials association as dues. Ratings, years of service, and all other pertinent information will be forwarded to all participating states upon receipt of the \$10.00 fee. If you have any questions, please contact K.H.S.A.A. Executive Assistant Billy Wise.

Below is pictured the card that will be issued. The actual card will be a multi-colored card. The states honoring the agreement are Indiana, Kentucky, Michigan, West Virginia and Ohio.

1986-87  
**MULTIPLE STATE  
RECIPROCAL REGISTRATION**

The official listed on the reverse side is registered in the following sport(s)

Baseball	Basketball	Field Hockey	Swimming	Ice Hockey	Gym (B) (G)
Softball	Football	Soccer	Track	Volleyball	Wrestling

(CROSS OUT THOSE NOT INCLUDED)

The following states participate in this reciprocal agreement:  
Indiana, Kentucky, Michigan, Ohio and West Virginia.

Fee: \$10.00 per sport in addition to home state registration

This registration certifies officiating eligibility in the sport(s) and states listed on the reverse side of this card.

ANNUAL RENEWAL PERIOD  
MAY 1 - JUNE 30  
This Card Expires June 30, 1987

**1985 BOYS' "SWEET SIXTEEN"  
CHAMPIONS  
GREENUP COUNTY HIGH SCHOOL**

Front Row (Left to Right): Kelly Earwood, Tomi Markins, Tonya Cochran. Second Row: Lauren Hall, Nicki Bates, Terri Johnson, Linette Woodard, Laura Kouns. Third Row: Angie Womach, Beth Ann Garthee, Robin Green, Tonya McGuire, Mishauna Glore.

**KAPOS NEWS  
STATE TOURNAMENT  
INFORMATION**

Participating cheerleader and sponsor registration: all cheerleading squads and/or sponsors are asked to stop by the KAPOs table to:

1. Register your squad.
2. Pick up important information and materials for you and your school.

Along with a KAPOs board member, there will be high school cheerleaders on hand to assist you. They can be identified by their hostess armbands. Feel free to ask them for help, and in turn they may seek you and your cheerleaders to be interviewed by one of the radio commentators. In order to make their task easier, we are asking that you register your seat, row and section number. A possible radio interview is often missed because the guides could not locate the desired person in time for the interview.

**Hospitality Room:** May we remind all sponsors and cheerleaders that KAPOs hosts a Hospitality Room for participating cheerleaders. We cordially invite you to have refreshments, socialize with friends, exchange ideas, and perhaps get help with your problems.

**"Sweet 16" Cheerleading Squads: Attention Principals!** If your team will be participating in the State Tournament, included in the packet sent to you by the KHSAA will be a letter pertaining to your cheerleading squad. Be sure to look for this and relay all information to your cheerleader sponsor. We request that your cheerleaders be chaperoned by a well qualified, school approved adult. Verification of this, along with your sponsor's name, must be contained in the letter of confirmation which you will receive. This letter must be in the hands of a KAPOs officer prior to the time that your cheerleaders take the floor.

**1985 GIRLS' "SWEET SIXTEEN"  
CHAMPIONS  
TATES CREEK HIGH SCHOOL**

Front Row Sitting (Left to Right): Shelley Mahle, Dolly Norvell. Back Row: Toni Griffith, Tracey Mattingly, Yavon Griffin, Kim Copeland, Lynn Duncan.

**Important!** Please be sure that your school is a paid member of KAPOs or pays the fee before their first game in order for your squad to compete for the cheerleading awards in the State Tournament. The winners of these awards will be determined by use of the KAPOs Judging Sheet, a copy of which appears in the KAPOs Handbook.

**AWARDING OF TROPHIES**

KAPOs is pleased to honor outstanding cheerleading squads with the recognition they so well deserve. All cheerleader awards will be presented between games on Friday night of the State Tournament. The awards are as follows:

The winning cheerleader squad in the Boys' Sweet Sixteen will receive the Ted Sanford Trophy; in the Girls' Sweet Sixteen the Tom Mills Award. The runner-up cheerleading squad will receive a trophy, with the third and fourth place squads being awarded plaques. In addition, the special K-Pep Award will be presented. All tournament cheerleading squads and their sponsors are asked to be located close to the playing floor so they can easily come on the floor should they be called for an award.

**GOVERNOR COLLINS DECLARES  
GOOD SPORTSMANSHIP MONTH**

While every month should be Good Sportsmanship Month, KAPOs has always tried to put special emphasis on being a good sport at tournament time. Being a good sport is part of being a good citizen. We don't believe that good citizens need to be reminded to exemplify good sportsmanship. However, it is especially fitting at tournament time to remind all citizens that it is a privilege to be able to attend the games and that each individual can contribute to the success of the tournament if he will abide by the KAPOs Sportsmanship Creed proclaimed by Governor Collins. The Governor's proclamation is on display at the KAPOs table.

## STATE-AT-LARGE CHAMPIONS

Recognition is annually given to cheerleading squads other than those sixteen fortunate enough to participate with their teams in the State Tournament. The winner will receive the Jane Meyer trophy, while the runner-up will receive the President's Trophy. Plaques will be given to the third and fourth place squads.

Beginning at the district level, all squads that are KAPOS members are eligible to be judged for the honor of representing their district in the KAPOS Region-At-Large cheerleading competition. The winner and runner-up of each district will progress to the region. In turn the girls' varsity winner and the boys' winner and runner-up from each region is allowed to compete for the title of State-At-Large Cheerleading Champions.

Judging for the Girls' State-At-Large winners will take place at 8:30 A.M., on Saturday, March 29, in the Warren Central High School Gymnasium, 559 Morgantown Road, Bowling Green. Judging for the Boys' State-At-Large winners will take place at 8:30 A.M., on Saturday, March 22, at Memorial Coliseum, Lexington. The public is invited to these outstanding events. The admission charge of \$2.00 will go toward the expenses of KAPOS scholarship award, details of which are supplied below.

At the conclusion of the judging, trophies will be awarded to the top squads, in addition to several special awards.

## NOTE TO ALL ADMINISTRATORS

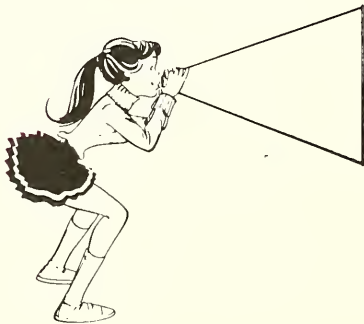

Many of you have responded to our SOS in releasing teaching personnel to assist with the many tasks necessary to keep this organization functioning effectively.

Again, we need judges and personnel to help at the tournament. This involves at least 12 to 15 people. It is also backbreaking, tiresome work. However, we have many dedicated persons who have indicated a willingness to help share these duties provided they get a release from their administrators. Therefore, the KAPOS board is seeking your understanding and cooperation should you be asked to release a teacher from his or her duties to help carry on the work that KAPOS is doing to make cheerleading a worthwhile educational experience in the State of Kentucky.

## STELLA S. GILB SCHOLARSHIP

KAPOS is happy to annually award the Stella S. Gilb Scholarship to outstanding cheerleaders from Kentucky. In 1985, KAPOS awarded four \$1,000 scholarships to well-deserving cheerleaders. One of your cheerleaders may be a potential scholarship winner, so get your applications in early. Applications must be turned in no later than April 30. Contact a KAPOS board member or officer for application forms, or pick them up at the State Tournament KAPOS Table.

## Be A Good Sport

## Back Your School

### PORTRAITS

by James J. Metcalf

Cheerleaders seem to have such fun  
As they jump up and down  
To draw the roars that often help  
The team achieve renown.  
And surely they enjoy it but  
It is not childish play  
For they must practice their routines  
For hours, day by day.  
Their task requires patience and  
A lot of energy  
To get the stands to yell or sing  
In perfect harmony.  
They go all out to boost morale  
That may decide the game  
But ask no recognition, and  
Acquire little fame.  
And so it should be all through life  
To bring a brighter dawn  
Good cheer that somehow may  
Help someone to carry on.

## 1986 NATIONAL FEDERATION SOFTBALL RULE INTERPRETATIONS PART I

### PUBLICATION CORRECTIONS

#### Rule Book

Page 32-5-2-1—Replace heading of Article 1 with the following **ARTICLE 1: "Time" shall be called by the umpire and play is suspended when:**

Page 34-6-2-2—Delete "Exposed."

Page 41-7-3-2—Replace the word "entire" with the word "either" and add the word "completely" after the word "ground."

#### Case Book & Umpires Manual

Page 21—Last line of paragraph 3—Change "first" to "first"

Page 24—Under observing bases in item 2—Delete word "batter."

Page 41-3-3.1e—Should be 2.3.1e.

Page 43-2.8.2e Ruling—After words "it is" insert word "not" and after word "may" insert word "not." Delete "if not caught" at end of last sentence.

Page 45-3.1.1g—Delete entire play.  
Page 51-5.1.1k—In play delete "or is intentionally touched by." Delete entire ruling and replace with "A thrown or batted fair ball which hits any photographer or other media personnel or their equipment will be treated as a rebounding live ball if it remains in playing territory."

Page 62-5.1.1p—Change rule reference "5.1.1i" to "5.1.1k."

Page 63-5.2.2a—Delete entire play.

Page 64-6.1.1c—Between end of ruling and rule reference add "illegal pitch. All runners advance one base and ball called on batter."

Page 64-6.1.2b—Change play number to "6.1.2b."

Page 69-7.4.4a—In ruling delete "the half-inning ends or before the time of the next pitch" and replace with "being tagged out or thrown out."

Page 60-6.1.1b—In second line of ruling change "should" to "could."

Page 65-8.3.2a—Replace first sentence of ruling with the following: "The umpire shall signal an immediate dead ball when the infraction by F5 occurs, award home to R1 and allow R2 to remain at third."

Page 65-8.3.2b—Delete entire play.

Page 71-8.4.2m—In ruling change "(b)" to "(c)" and "(c)" to "(b)"

**SITUATION #1:** B1 appears at bat wearing a helmet that does not bear an exterior warning label, and is detected by the umpire.  
**RULING:** The umpire will require the batter to secure a legal helmet. 1-1-5

**SITUATION #2:** B1 appears at bat wearing a helmet that bears an exterior warning label, but the helmet does not have the NOCSAE stamp. Since the coach verified to the umpire-in-chief during the pre-game coaches/umpires conference that his players were dressed in compliance with the rules, this shall include batting helmets.

**RULING:** The helmet is legal only if the coach has verification that the helmet was manufactured after July 22, 1982, and that it meets NOCSAE standards. 1-1-5

**SITUATION #3:** The coach of the defensive team asks the umpire to inspect the batting helmets worn by runners occupying first and second base.

**RULING:** Umpires are not required to inspect helmets. However, if an umpire detects a helmet without an exterior warning label, that player shall obtain a legal helmet. 1-1-5

**SITUATION #4:** As B1 steps into the batter's box, the umpire notices that B1's helmet does not bear an exterior warning label.

**RULING:** The umpire shall order the player to obtain a legal helmet, and then the umpire shall warn the player's coach that the next player to violate the rule shall be ejected. 1-1-5

**SITUATION #5:** Prior to the game, or during the game, the coach notices that the warning label on one of his team's batting helmets has come off and is not to be found.

**RULING:** The coach may affix the proper warning label to the helmet's exterior, which would then be in compliance with the rule. 1-1-5

**SITUATION #6:** The coach goes to a sporting goods store to obtain exterior warning labels for his team's helmets. However, the sporting goods dealer does not have any exterior warning labels available, or does not know what he should do to obtain any.

**RULING:** If exterior warning labels are not available through local dealers and suppliers, the coach should contact the manufacturer. If he is still unable to obtain a supply of labels, he should contact his state association and let them know of the problem. In an emergency situation, in order for helmets to meet the rule requirements, so that they can be used in a game, a coach may wish to have exterior labels prepared by using the suggested NOCSAE warning statement. **DO NOT USE THIS HELMET IF THE SHELL IS CRACKED OR DEFORMED OR IF INTERIOR PADDING IS DETRIORATED, SEVERE HEAD OR NECK INJURY, INCLUDING PARALYSIS OR DEATH, MAY OCCUR TO YOU DESPITE USING THIS HELMET. NO HELMET CAN PREVENT**

### ALL HEAD INJURIES OR ANY NECK INJURIES A PLAYER MIGHT RECEIVE WHILE PARTICIPATING IN BASEBALL OR SOFTBALL. 1-1-5, NOCSAE Manual

**SITUATION #7:** The umpire observes F2 wearing a loose-fitting bracelet. Upon closer examination, the umpire discovers that the bracelet describes F2's diabetic condition.

**RULING:** The umpire will instruct F2 to securely tape the bracelet to the wrist in such a way that it is visible, but so that it does not pose a potential danger to other players. Medical alert bracelets and necklaces are not considered jewelry. 1-1-6 Note

**SITUATION #8:** While taking her warmup pitches, the umpire notices F1 wearing a medical alert bracelet on her pitching hand. Is F1 allowed to continue wearing the medical alert bracelet on the pitching hand?

**RULING:** If a medical alert bracelet is to be worn by the pitcher, it shall be worn on the nonpitching hand. 1-1-6 Note

**SITUATION #9:** Prior to the game, the coach of the visiting team informs the umpire-in-chief that he does not wish to play the game on bases with tapered edges.

**RULING:** If the bases are two-five inches thick and meet other National Federation rule specifications, the bases are legal, therefore, the game shall be played. 1-3-1

**SITUATION #10:** With no outs, and R1 on third and R2 on second, B4 hits down the left field line. R2 maliciously runs over F5 as R1 touches home plate.

**RULING:** The ball is dead immediately. If R2 initiated malicious contact with F5 before R1 touched home plate, then R2 is out and ejected, and R1 would have to return to third base. If R2 initiated malicious contact after R1 had touched home plate, R1's run would count. 2-5-3, 3-3-1-f

**SITUATION #11:** B1 has one out, and R1 at first base stealing on the pitch. B2 hits a high fly ball to center field. R1 maliciously runs over F4 just before F6 makes the catch.

**RULING:** R1 is declared out and ejected for malicious contact. B2's out would stand. 2-5-3

**SITUATION #12:** With the bases loaded, B4 singles. R1 scores, then maliciously runs over F2.

**RULING:** The ball is dead immediately. R1's run would count and he would be ejected for unsportsmanlike behavior. 2-5-3, 3-1-1-f

**SITUATION #13:** The double first base, adopted by the state association, is being used in a game. B1 hits a ball to F6. Does B1 run to the orange base or white base?

**RULING:** On an initial play at first base, the batter runs to the orange base while the fielder uses the white base. 1-3-1

**SITUATION #14:** B1 hits a line shot over the orange base of a double first base. Is the ball fair or foul?

**RULING:** The ball is foul. The white base is used to determine fair and foul balls. 1-3-1

**COMMENT:** A fast pitch pitching technique known as the "drag" is illegal in high school softball, because it offers the pitcher an unfair advantage, which is not the intent of the rules. It is physically impossible to keep the pivot foot in contact with the pitcher's plate when delivering a pitch, and a pitcher should not be penalized. However, the stride foot should be on the ground before the pivot foot is dragged away from the plate. 6-1-4

**SITUATION #15:** In the third inning, S1 tells the umpire that she is going in for F6. The umpire notices that S1 is wearing an artificial arm. Is S1 permitted to play?

**RULING:** If the prosthesis is padded and there are no exposed metal or other hard materials it is legal. The umpire shall decide whether or not a prosthesis is legal. 1-1-10

**SITUATION #16:** Both balls get put into play in the top of the first inning. Does the pitcher of the visiting team get her choice of balls when she takes the field?

**RULING:** No. She would have her choice only if both balls did not get put into play. 4-1-4

**SITUATION #17:** By the end of the second inning, both balls have been used. In the top of the third inning, after two warmup pitches, F1 asks the plate umpire for the other ball.

**RULING:** F1 may request the other ball before taking her warmup pitches by giving the ball in her possession to the plate umpire. In this case, the request for the other ball would be denied. 4-1-4

**SITUATION #18:** If a ball is hit out of play, is the pitcher allowed to wait until it is returned?

**RULING:** No, the umpire will provide F1 with another ball. 4-1-4

**SITUATION #19:** With R1 on second and R2 on first, B3 hits a ground ball to F6 who is maliciously run over by R1. Does R2 return to first base as a result of the penalty for malicious contact?

**RULING:** No. Normally, R2 would be returned to first base, the base occupied at the time of the pitch. However, in this case, B3 occupies first base. Therefore, R2 is advanced one base. 6-4-2-m, 3-3-1-e
