First Lady will be honorary chairman National Advisory Committee

Nancy Reagan to help Schools hit 'Target'

First Lady Nancy Reagan has accepted the National Federation's invitation to serve as honorary chairman of the National Advisory Committee for the Target program.

Mrs. Reagan will join the National Federation and its member state associations to help students cope with alcohol and drugs. She has been involved in many programs to increase the public's awareness of the drug and alcohol problem that exists in the United States.

"The use of drugs by young people is one of our country's greatest problems," said Mrs. Reagan. "Drugs are ruining the minds and bodies of our children, and if we don't do something now to change the situation, we are in danger of losing an entire generation."

The National Federation is in its second year of emphasizing drug and alcohol prevention and education to the 20,000 high school students in the United States. The Federation recently

nationwide recognition and support of the Target program." The National Advisory Committee is still in its formative stage at this time.

The Target program has two long-term goals. First, it seeks widespread understanding among students that healthy living is beneficial and that abuse of alcohol and drugs has serious consequences, both now and in the future. Second, Target is creating a skilled group of student leaders whose behavior will influence their peers to lead healthy, socially responsible lives.

The National Federation's Target program promotes and provides training programs that educate and promote the prevention of drug and alcohol abuse among school-aged youth. Target also provides a national organization of high school students committed to promoting healthy behavior among their peers.

According to a recent survey, 83 percent of all junior and senior high school students use alcohol, and 13 percent of those students regularly attend classes under the influence of alcohol. One in three families in the United States is directly affected by alcohol abuse. And, among men and women ages 12 to 24, alcoholism is increasing at a rate of four percent each year. That is at least twice the rate of the increase in abuse among the general population.

"This chemical epidemic among students presents a target for all Americans concerned about the future of our nation," Durbin said. "Hitting the target — and stemming the epidemic — requires widespread education. Even more, hitting the target requires effective prevention programs — programs that help students resist the peer pressure that engenders chemical abuse. If we hit our target, we can take chemical abuse 'out of style' in our society."

Charles Stebbins, chemical health administrator at the National Federation, continues to work with the state associations to help them implement statewide programs. He began the 1986 year with a "how-to" workshop in Kansas City, which was attended by 21 individuals from state offices.

On April 24-25, Stebbins was in West Virginia to help that state launch its chemical health program (see related story on West Virginia program).

"We want to recognize West Virginia for its commitment to dealing with the problem of alcohol and drug abuse," Stebbins said. "We are pleased that West Virginia has taken an interest in developing a prevention and education program. It joins an ever-increasing number of states that are leading out in the effort of educating the nation's youth about the dangers of alcohol and drug abuse."

"I also am excited that Nancy Reagan has agreed to be chairman of our National Advisory Committee. She is committed to solving the problems of drug and alcohol abuse, and so are we at the National Federation through the Target program."

adopted Target as the official name of its program, with the "target" being the youth of America.

"We are truly excited to have Nancy Reagan join us in this worthy cause," said Brice Durbin, executive director of the National Federation. "Visibility of her support will enhance acceptance of our programs at not only the national level but the state level as well."

Durbin said that Mrs. Reagan will be "instrumental as we continue to seek

Newly Elected Board Members

Sam W. Chandler

Charles W. Miller

Charles W. Miller, Principal of Pleasure Ridge Park High School in Louisville and Sam W. Chandler, Principal of Shelby County High School in Shelbyville have been elected to serve four year terms on the K.H.S.A.A. Board of Control. Miller will replace outgoing Board member Ray Story, Principal of North Hardin High School who is completing his second term on the Board, and will represent the Section III, which encompasses basketball regions 5 & 6. Chandler replaces former Ballard High School Principal, Pat Crawford, who is serving as President of the Board of Control for 1985-86, as well as representing Section IV, basketball regions 7 & 8.

Miller has served as Principal of Pleasure Ridge Park since 1978, and was elected to the Board previously in the fall of 1981 to fill the unexpired term of Walter Pickett who had retired. A native and graduate of Tompkinsville High School, Miller received an A.A. degree from Lindsey Wilson College, and received his B.A., M.A., and Rank I Certification from Western Kentucky University, and began his career in education as a teacher and football coach at Pleasure Ridge Park in 1963. In 1969, he took the position of Assistant Principal at Doss High School in Louisville, a position he held until accepting his current assignment at Pleasure Ridge Park.

Miller has been active in the Louisville area and statewide as he has served on the Board of Directors of the Southwest Advisory Committee of Jefferson County since 1980, has served as a member of the Advisory Committee of the Committee on Cultural Diversity for the Kentucky Center for the Arts, and is a member of the Board of Directors of the Kentucky Association of Secondary School Principals since 1983. He and his wife Carmen have two daughters, Caroline, a 20 year old senior-to-be at the Western Kentucky University, and Stephanie, a 12 year old student at Stuart Middle School in Louisville, and a son, Charles, a 16 year old junior at Pleasure Ridge Park.

Sam Chandler joins the Board after 21 years in the education profession including the last ten as principal at Shelby County High School. A native of Shelbyville, Chandler graduated from Shelbyville High School, and received his B.A., M.A., and Rank I Certification from Eastern Kentucky University. His teaching career began at Fairdale High School in 1965 as a Teacher in Business Education, a position he maintained until moving to a similar one at Eastern High School in 1968. In 1970, Chandler moved to Seneca High School as a Business

Education Teacher, before becoming Instructional Coordinator in 1974. Chandler also taught in the summer an adult education program of the Jefferson County Public Schools from 1969 until 1974, and served as a part-time instructor at the University of Louisville from 1973-1976.

His administrative career began in 1975 when he was named Assistant Principal at Shelby County High School, and the following year he was named to his current position as principal at Shelby County.

Also active in his community and throughout the Commonwealth, Chandler has served on the National Association of Secondary School Principals, the Kentucky Association of School Administrators, and the Ohio Valley Association of School Administrators, has been named Shelbyville Citizen of the Year, has been on the Board of Directors of the Commonwealth Academic League since 1984, and is Vice Chairman of the Deacons of the First Baptist Church of Shelbyville.

Chandler and his wife Charlotte, have two children, a daughter Stacy, a 16 year old junior at Snelby County, and a son Matt, a 15 year old freshman at Shelby County.

MINUTES OF THE BOARD MEETING

The Board of Control of the Kentucky High School Athletic Association met at the K.H.S.A.A. Office Building in Lexington, Kentucky, on Thursday, April 17, 1986. The meeting was called to order at 2:00 p.m. by President Pat Crawford. All Board Members, Commissioner Tom Mills, Executive Assistant Billy V. Wise, Assistant Commissioners Brigid L. DeVries and Louis Stout were present. Mr. Lloyd Redman was present representing the State Department of Education. Mr. Crawford called upon Mr. Redman to give the invocation.

President Crawford called on Leslie Miller to present her appeal to the Board on behalf of her son, Terry Nannie, a student at Reidland High School. Terry had been declared ineligible to participate in interscholastic athletics due to the fact that he had participated in football at Heath High School before transferring to Reidland High School. Following Ms. Miller's presentation and questions to her and Terry by members of the Board, Ken Tippett made a motion, seconded by Tony Olinger, that Terry Nannie remain ineligible for the Spring sports season, but may re-apply for eligibility for the Fall sports season if he so desires. The motion carried unanimously.

The second appeal case was presented by Attorney Ed O'Daniel on behalf of Anthony Dale Daugherty, a Senior at Marion County High School. Also present were his parents, Phyllis and James Daugherty. Anthony had been ruled ineligible under the provisions of By-Law 5, Section 5b. Following Mr. O'Daniel's presentation, a statement by Mrs. Daugherty, and a lengthy discussion, Ken Tippett made a motion, seconded by Tom Buchanan, that the Board uphold the ruling of the Commissioner in this case. The motion carried by a vote of eight in favor and one abstention.

The next presentation was made by Knox Central High School Track Coach Kim Messer who had requested to appear before the Board to appeal the realignment of the Track classes. Following her appeal, she was advised that the new alignment had been approved for two years but that the Board would appreciate her making any suggestions or proposals for changes before the alignment is evaluated for 1987-88.

Commissioner Mills then informed the Board of a situation in Jessamine County where three basketball players have participated in league games after the end of the regular season, thereby violating By-Law 32, Post Season and All-Star Games. Ray Story made a motion that the Commissioner reinstate each of the players with a warning. Tony Olinger seconded the motion which carried unanimously.

Principal Rob Cox and Superintendent Huston DeHaven, of the Breckinridge County Schools appeared before the Board of Control to present a proposal for the selection of the site for the Third Region Basketball Tournament in the future. Following a discussion of the presentation, the Commissioner was instructed to invite representatives from those schools assigned to Region 3 in basketball to meet with him to discuss the proposal presented by Mr. Cox and report his recommendation to the full Board for consideration.

Tom Buchanan made a motion, seconded by Tony Olinger, that the minutes of the March 27, 1986, meeting of the Board be approved. The motion carried unanimously.

Frank Welch moved that all bills of the Association for the period beginning March 1 and ending March 31, 1986 be allowed. The motion was seconded by David Webb and carried unanimously.

Executive Assistant Billy Wise gave the following report on the Boys and Girls Basketball Tournaments:

Boys Attendance:	123,045
Ticket Sales:	\$575,318.50
Expenses:	\$216,654.88 (approx.)
Girls Attendance:	26,957
Ticket Sales:	\$97,464.00
Expenses:	\$80,209.77 (approx.)

Mr. Wise stated that the final audit would appear in the August "Athlete".

Charlie Wilson made a motion, seconded by Frank Welch that the Board accept the following recommendations of the Basketball Committee:

- (1) Approve the request of Superintendent Phyllis Williamson to move Jackson High School from District 55 to District 56 in basketball.
Note: This request was considered at the January meeting of the Board and referred to the Basketball Committee for recommendation.
- (2) That The June Buchanan School be assigned to District 55 in basketball.
Note: The June Buchanan School will have completed its two year candidacy status at the end of the 1985-86 school year.
- (3) That the request received from representatives of Boone County High School, proposing change in the present alignment in basketball districts Northern Kentucky be deferred to the January 1987 meeting of the Board of Control. This is in keeping with the guidelines as established by the Board of Control for requested change in basketball district alignment.
- (4) That the Commissioner be authorized to request bids from interested parties on the site for the 1988 and 1989 boys and girls state basketball tournaments and that he include in his bid information that both the K.H.S.A.A. and the successful bidder retain the right to cancel the second year of the agreement upon 30 day written notice should either party believe it to be in their best interest. Such notice must be received on or before May 1, 1988.

Minutes of the Annual Meeting

The 70th Annual Meeting of the Kentucky High School Athletic Association was held at the office of the K.H.S.A.A., Lexington, on Friday morning, April 18, 1986. The invocation was given by Father Harry Jansen.

President Pat Crawford called the meeting to order at 11:00 a.m. Fifty-nine elected delegates or alternates answered the roll call.

Commissioner Tom Mills then presented a report on the activities of the Association during the 1985-86 school year. Tim Barrows moved, seconded by Lafe Walter, that the report be accepted. The motion carried unanimously. (The Commissioner's report is printed elsewhere in this issue of the "Athlete".)

Commissioner Mills introduced newly elected members on the Board of Control to the Delegate Assembly as follows: Principal Charlie Miller, Pleasure Ridge Park High School, representing Section 3 and Sam Chandler, Principal of Shelby County High School, representing Section 4.

Commissioner Mills stated that presentation of proposals was the next order of business.

Proposal I

Principal Ken Cox of Tates Creek High School proposes that the following changes be made in By-Law 27, Limitation of Seasons.

- a. **Organized** practice in pads shall not begin before August 1.
- b. The first game shall not take place prior to eleven (11) weekends prior to sub-district play-offs (effective with the 1986 football season)

Primary Reasons for Change Are:

1. Assist those schools whose athletics are struggling in terms of financial obligations - commitments.
2. Weather is more conducive to an earlier start, thereby enabling more fan support which means more revenue.
3. Many schools have already obligated or are in the process of attempting to secure contracts for the weekend of August 22-23.

Don Turner moved, seconded by Marvin Moore that Proposal I be adopted. Bob Haggard moved that item a. under Proposal I be amended to read that organized practice in pads shall not begin until 30 days prior to the opening game of the season. The motion died for lack of a second.

The motion to adopt Proposal I failed by a vote of 18-36.

Proposal II

Superintendent Jack Burkich, Letcher County Schools in conjunction with the Kentucky Valley Education Cooperative, proposes that the following section be added to By-Law 27, Limitation of Seasons under basketball:

Girls: That girls basketball be designated a fall sport with season practice beginning on the third Monday in July, the season opening on the first Monday in September, and the season ending on November 30. The district tournament shall be played during the first week in December, the regionals the second week, and the state tournament played during the third week in December.

The rationale for the above proposal includes the following:

1. Increase fan support for girls' basketball.
2. More efficient and effective scheduling of school facilities and buses.
3. Fewer problems in scheduling referees.
4. Better press coverage for girls' basketball.

5. Possibility of using the same coaches for girls' and boys' basketball.
6. Better opportunity to develop feeder programs for girls' and boys' basketball.

Bob Rogers moved, seconded by Father Harry Jansing that Proposal II be tabled. The motion to table passed by a vote of 44-9.

Proposal III

Principal David S. Points, Montgomery County High School proposes that By-Law 27, Limitation of Seasons (Section (2) under Soccer) be amended as follows: "The first soccer game shall not take place prior to the Monday preceding Labor Day and extend the next nine weekends with the regional tournament to follow the next weekend and the State Soccer Tournament to take place the following week."

The rationale for the above proposal includes the following:

1. Limits school night travel to once weekly, whereas presently we are traveling two school nights and one weekend night on certain occasions.
2. Will allow injured players and academically ineligible players increased time to heal an injury or bring up a poor grade.
3. Will increase gate receipts as our attendance will increase with added weekend matches vs. a decrease in gate receipts with school night matches.
4. Will increase practice time by at least one day per week.
5. The state soccer tournament will be complete before football playoffs begin.

Jim Watkins moved, seconded by Sam Chandler that Proposal III be tabled. The motion to table passed by a vote of 40-12.

Proposal IV

Note: The 1985 Delegate Assembly voted to change By-Law 21, Number of Basketball Games to provide that both football and non-football playing schools be limited to 24 regular season games beginning with the 1986-87 school year.

Principal Oliver Hawkins, Oneida Baptist Institute proposes that By-Law 21 as approved by the 1985 Delegate Assembly be changed to read as follows: "A school maintaining a football team shall not play more than twenty-four (24) basketball games during the season, and a school which does not maintain a football team shall not play more than thirty (30) games."

James M. Davis moved, seconded by Jim Price that Proposal IV be adopted. The motion to adopt failed by a vote of 12-46.

Proposal V

The K.H.S.A.A. Board of Control proposes that the following be deleted from By-Law 20, Section I, Contests Within State: "advertising, concessions or any other source". Should a game or tournament be played in a gymnasium or other location where a catering company or similar organization holds a contract for concessions and/or advertising, this provision as it relates to concessions and/or advertising does not apply.

Rationale: This change will permit schools to solicit financial assistance from corporate sponsors.

Lafe Walter moved, seconded by Jim Swart that Proposal V be adopted. The motion to adopt passed by a vote of 58-0.

(Annual Meeting Continued from Page 3)

(Board Meeting Continued from Page 2)

Proposal VI

The K.H.S.A.A. Board of Control proposes that a. & b. of By-Law 5, Section 5 be deleted and that By-Law 3, Scholarship become Section (a) of By-Law 5. This By-Law would then read as follows:

Section 5: Minimum Academic Requirement

- (a) A contestant must have, for the current semester up to and including Monday of the week in which the contest occurs, a passing average in each of at least four full-credit high school studies or their equivalent in units of credit accepted for graduation. Grade school students participating in athletics shall be passing in at least four-fifths of their subjects. No special recitations or tests are to be given for the purpose of making a student eligible. Student managers and any other student having an official connection with the athletic program shall come under this scholarship rule.
- (b) Grade school students must receive passing grades in at least four-fifths of their studies to be eligible and meet the enrollment requirements as specified in Sections (a) and (b) of Section 1.
- (c) To be eligible to begin athletic competition in grades 9-12, a student must be at his/her proper grade level. To be at the proper grade level, a student must have earned four (4) full units of credit accepted toward graduation prior to the beginning of his/her second year (grade 10) to be eligible during the second year, nine (9) units prior to the beginning of his/her third year (grade 11) to be eligible during the third year, and fourteen (14) units prior to the beginning of his/her fourth year (grade 12) to be eligible during the fourth year.

Rationale: Since students are now required to be at their proper grade level, it is no longer necessary or feasible that their eligibility be determined on a semester basis.

Don Turner moved, seconded by Larry Kelsch that Proposal VI be adopted. The motion to adopt passed by a vote of 56-2.

Proposal VII

The Board of Control proposes that the following be added to Article IV Administration and Legislation, Section 2b. "Terms of the minority members on the Board shall be staggered so that the representatives of Regions 1-8 shall be elected in an even numbered year with the representative of Regions 9-16 being elected in an odd numbered year. Each term shall be for a period of four years.

Rationale: This would eliminate a 40% turn over in membership on the Board of Control in a given year as presently is the case.

Jim Watkins moved, seconded by Bob Rogers, that Proposal VII be adopted. The motion to adopt passed by a vote of 59-0.

Principal Jerry Ainley, Calloway County High School, moved, seconded by Virgil Yates that the reinstatement of spring football practice be brought before the Delegates for consideration. The motion failed by a vote of 22-34.

Eldon Davidson moved, seconded by Tim Barrows, that the 70th meeting of the Delegate Assembly be adjourned. The motion passed unanimously.

(5) That the price for tickets to the 1987 Boys State Tournament be set at \$5.00 for upper arena tickets and \$7.00 for lower arena tickets.

The motion carried unanimously. Chester Turner made a motion that the Board accept the following Football Committee's recommendations:

- (1) That South Hopkins High School's request to be placed in Class AA, Region I, District 2, be denied;
- (2) That Caverna High School's request that Trigg County High School be moved from Class A, Region I, District 2 to District 1 in that Region and that they be replaced with Campbellsville High School be denied;
- (3) That Metcalfe County High School's request to be moved from Class A, Region I, District 2 to Class AA, Region II, District 1 be approved.
- (4) That George Rogers Clark High School's request to place two Fayette County schools in Region IV, District 1 be tabled until all parties involved could be contacted.

Ray Story seconded the motion. The motion carried by a vote of 8 in favor and 1 opposed.

David Webb made a motion, seconded by Charlie Wilson that Outgoing President Pat Crawford and Outgoing Vice President Chester Turner be named Delegate and Alternate respectively to the forthcoming Annual Meeting of the National Federation to be held in Las Vegas, Nevada beginning June 29, 1985.

Commissioner Mills requested the Board's approval to pay Doug Ruedlinger, Inc. for the insurance premiums due for the 1986-87 school year. Ray Story moved to approve Mr. Mills request and Grant Talbott seconded the motion, which carried unanimously.

The next meeting of the Board of Control is scheduled to be held at Lake Barkley on Friday, July 25th.

Assistant Commissioner DeVries recommended the following raise in volleyball officials' fees effective for the 1986-87 school year:

- \$18.00/regular match;
- \$22.00/regional tournament match;
- \$26.00/state tournament match.

Tony Olinger made a motion to accept the above recommendation, and Chester Turner seconded the motion. The motion passed unanimously.

There being no further business, the meeting was adjourned.

Game Gal Award**Donna Medley**

The Game Gal Trophy is awarded to a high school athlete in the State of Kentucky who has overcome a physical handicap and participated in high school athletics. Donna was the unanimous choice of the K.H.S.A.A. Game Gal Award Committee for the 1986 trophy.

Donna is a junior at Southern High School in Louisville, where she plays volleyball and softball and carries a 3.9 grade point average. She is also active in other school clubs and organizations. Donna has overcome a major handicap. She was born with only one arm. Her left arm did not develop below the elbow. This has not hindered Donna in her participation in athletics. She is very deserving of this recognition.

1985-86 ANNUAL REPORT (Presented to Delegate Assembly)

Two hundred ninety-four schools joined the Association for the 1985-86 school year. Ten of these schools enroll girls only and eight have only boys. In 1984-85 there were 298 schools, in 1983-84 there were 298.

There were 196 schools involved in Football. Classes A, AA, AAA and AAAA championship games were played at the Fairgrounds, Louisville. Attendance was approximately 13,748 and gross receipts were \$49,282.50. Expenses involved in conducting the state football playoffs were \$32,538.75.

In Cross Country 177 boys' teams entered twenty-four regional meets. One hundred fifty girls' teams entered all three classes in twenty-three regionals. The expenses incurred in sponsoring this sport were \$9,974.56 and the receipts were \$3,053. Classes A, AA and AAA were held in Lexington at the Kentucky Horse Park.

There were fifty-four schools competing in Wrestling, in eight districts and four regions with the winner and runner-up in each weight class advancing to the finals. The championship tournament was held at Atherton High School. Expenditures incurred were \$6,730.26. The receipts were \$5,580.00.

In Swimming sixty-six girls' teams and sixty-eight boys' teams competed for the championships. The meets were held at Crescent Hill Pool in Louisville on February 21-22, 1986. The receipts were \$3,108.50 and the expenses were \$7,129.14.

The approximate gross receipts from the boys' and girls' district Basketball tournaments were \$545,466.16 while the regional tournaments took in \$465,363.00 for a total of \$1,010,829.16. Attendance at the Boys' State Tournament was approximately 123,045 as compared to 122,749 for last year. The gross receipts this year for the tournament are estimated at \$609,863.85 with expenditures of approximately \$219,996.38.

Attendance at the Girls' State Basketball Tournament was 26,957. The gross receipts were \$104,140.70 with expenditures of approximately \$81,479.34. A complete report will appear in the audit.

There were eighty schools competing in Soccer. The State Tournament was held in Louisville from October 28-November 7, 1985. The receipts were \$8,761.22 and expenses incurred were \$5,104.18.

The number of schools competing in Volleyball was sixty-two. The K.H.S.A.A. sanctioned tournament was held at the University of Kentucky on November 1-2, 1985. Expenses incurred were \$3,838.09 with receipts of \$2,598.30.

In the other sports that are to follow, 266 Baseball teams will compete in sixty-three districts and sixteen regions; 185 Softball teams will compete in nine regions; 241 girls' and 245 boys' Track teams will compete in twelve regions each; 153 girls' and 202 boys' Golf teams will play in 19 regions; 196 girls' and 198 boys' Tennis teams will play in twelve regions. State championship meets will be held in Baseball at Elizabethtown; Softball in Louisville; Track at the University of Kentucky; girls' Golf at Elizabethtown Country Club, Elizabethtown; boys' Golf at Doe Valley Golf Course, Brandenburg; Tennis at the University of Kentucky.

A total of 2720 officials registered with the Officials' Division of the Association as of April 8, 1986, and the number of approved and certified officials in each sport are as follows:

	Registered	Approved	Certified	Total
Baseball	252	146	108	506
Basketball	707	344	487	1538
Football	179	194	390	763

J.B. MANSFIELD AWARD

Lisa Doyle, Marion Co.

The J.B. Mansfield Award for 1986 was won by Lisa Doyle of Mason County. Miss Doyle was a participant in many school activities and clubs, was active in the community, maintained a tremendous academic achievement record, and helped pace the Mason County Lady Royals to consecutive trips to the Girls' Sweet Sixteen Tournament.

The J.B. Mansfield Award is given annually by the Louisville Courier-Journal and Times in memory of Mr. Joe Billy Mansfield, long-time Kentucky High School Athletic Association employee who served as an Assistant Commissioner from 1949 to 1972, and as Commissioner from 1972 until his ill health forced him to leave the Association in December of 1975. A committee of school personnel from throughout the state selects the winner from the participant in the Girls' State Tournament who excels in four areas: basketball ability, sportsmanship, academic accomplishments, and citizenship.

MOST VALUABLE PLAYER AWARD

Nancy Crutcher, Oldham Co.

Junior Nancy Crutcher of Oldham County was named the Most Valuable Player of the Girls Sweet Sixteen Tournament for 1986. Crutcher's strong inside play and soft medium range shooting touch was instrumental in leading Dave Weedman's Oldham County Lady Colonels' to the championship in the state tournament. For the four game tournament, Crutcher tallied 64 points and pulled down 18 rebounds.

Winners of the award have been --

IMPORTANT NOTICE TO K.H.S.A.A. PRINCIPALS

Within the next few weeks, the K.H.S.A.A. will be mailing supplies to the member schools. PLEASE IMMEDIATELY DISPOSE OF ALL OLD TRANSFER FORMS, GAME CONTRACTS, ELIGIBILITY BOOKLETS, and PARTICIPATION LISTS which you will not use during the remainder of this school year. These forms and publications have changed considerably in the past few years, and it is important and will expedite the processing of any inquiry if you will use the current form. Please advise the K.H.S.A.A. if you run out of any form, and we will be happy to provide you with additional copies.

PADDING REQUIREMENTS CHANGED FOR BASKETBALL BACKBOARDS

Padding on rectangular backboards must meet new specifications as a result of action at the National Federation Rules Committee Meeting. Both the bottom front and the bottom back edge of a rectangular board must be padded up a distance of 3/4 of an inch with a minimum of 1 inch thickness. The bottom and side padding must continue to meet the current 2 inch thickness requirement. Schools should examine the padding on their backboards to be sure the proper thickness is being used. Inexpensive padding kits are to be made available in the next few weeks through sporting goods dealers to assist in conforming to this rule. One other note, the newly approved shorter backboard is optional, NOT required as some salesmen seem to be telling member schools.

ADDITIONAL PADDING REQUIRED FOR POLE VAULT LANDING PADS

Track schools which sponsor the pole vault will be interested to note that beginning in 1987, all pole vault landing pads will require front pads, extending from the main landing pad and surrounding the pole vault planting box. Rule 7-4-5 of the Track and Field Rules states that the front pad must: 1) Be a minimum of four feet deep, extending from the main landing pad towards the front edge of the planting box; 2) Have a maximum cut-out for the planting box of 36 inches, measured across the bottom of the cut-out; 3) Have the back of the cut-out placed no farther than 14 inches from the vertical plane of the top of the stopboard (end of planting box); 4) Be attached to the main landing pad or encased in a common cover with the main landing pad. Diagrams of the change are available from the Association office, and will probably be printed in next year's track rules manuals.

RULE INTERPRETATION - FOOTBALL PRACTICE WITHOUT PADS

Practice without pads, as referred to in the Limitation of Seasons - Football, is defined as: Players who wear shoes, socks, shirts, and shorts. No player may wear any pads required by Rule 1, Section 5, Article 1 except shoes. Any team violating this provision will 1) be placed on indefinite probation, 2) may not scrimmage for two seasons, and 3) may be prohibited from taking part in the play-off system.

****NOTE****** If your school has a date listed, and the date has now been filled, please advise the K.H.S.A.A. office.

IMPORTANT NOTICE TO ALL KHSAA OFFICIALS

Effective immediately officials re-registering with the K.H.S.A.A. will be required to re-register between May 1, 1986 and June 30, 1986. First time officials will still be permitted to register until the old deadlines. Registration forms were mailed during April to all currently registered officials. Many officials have already re-registered, and should receive confirmation and begin receiving materials on or about July 1. Officials not re-registering during the May-June period will be assessed a \$25.00 late charge in addition to the normal fees required. There will be no waivers from this policy or fee. If you did not receive the information, please contact the K.H.S.A.A. immediately. However, Non-receipt of information will not be an acceptable reason for waiver of the late fee.

ACCOLADES TO KENTUCKY COACHES FROM N.H.S.A.C.A., CONVERSE

Several representatives of K.H.S.A.A. member schools have been selected as nominees for National Coach of the Year in their particular sport by the National High School Athletic Coaches Association. They are -- Football Coach Garnis Martin, Bardstown; Cross Country Coach Gordon Bocock, Pulaski County; Girls Basketball Coach Roy Bowling, Laurel County; Boys Track Coach Lyman Brown, Paducah Tilghman; Girls Track Coach Reba Woodall, Bryan Station; and Baseball Coach Don Richardson, Madison Central. In addition, Kentucky Country Day Gymnastics Coach Debbie Howell was nominated. The awards program is sponsored by Converse and the N.H.S.A.C.A.

BLUE STATEMENT UPDATES, 1986-87 DUES BILLS MAILED

On May 6, bills and annual statement updates were mailed to each member school along with information about the State Department required Sports Medicine Symposiums to be conducted this summer. The bills are due to be paid between July 1 and September 1, in accordance with Article VII of the K.H.S.A.A. Constitution. The update listing takes the place of the old blue statement form. Rather than annually submitting the same information about your school, we ask that you update the information which we have on file, and immediately send the update back to the office. It should mean less headaches for all involved.

The Sports Medicine Symposiums, required by the State Department of Education, will be held at the following locations --

June 13-14, 1986 - University of Louisville

June 20-21, 1986 - Trover Clinic, Madisonville

June 27-28, 1986 - Hyatt Regency, Lexington

July 25-26, 1986 - Northern Kentucky University

For further information, contact Dr. Quin Bailey in Danville, (606) 236-2627, or Billy Wise at the K.H.S.A.A. office.

UNITED STATES VOLLEYBALL ASSOCIATION TO HOLD CONFERENCES

The United States Volleyball Association will hold five U.S.A. Youth and U.S. Junior Olympic Volleyball Leadership Training Conferences at sites throughout the country. Scheduled on the agenda are such items as teaching introductory skills, organizing a practice, sports law and regulations, sports psychology and much more. For further information, contact L.T.C., U.S.V.B.A., ATTN: Julie King, P.O. Box 308, Pueblo Springs, CO. 80901.

ACCOLADES TO KENTUCKY ATHLETES FROM N.H.S.A.C.A.

Sacred Heart Girls basketball player Susan Yates has been named Academic All American, having maintained a 4.00 grade point average, and served on the Student Council in addition to averaging 22 points, 7 rebounds, 6 steals, and 4 assists per game. She has signed to attend college at Centre College in Danville. In addition to this academic recognition, Miss Yates was named 1986 Converse High School Player of the Year by Converse and the N.H.S.A.C.A.

Kentucky's other academic All American is University of Louisville signee Felton Spencer. The Eastern High School senior maintained a 3.5 grade point average in addition to helping lead his team to consecutive state tournament berths.

On the athletic side, Apollo High's Rex Chapman was named to the Converse Top Ten All American squad, while Spencer was named to the Top Seventy Five. Honorable mention recognition went to Pulaski County's Reggie Hanson, Fort Thomas Highlands' Scott Draud, and Scott County's Frank Persley. Sacred Heart's and Owensboro Catholics' Kris Miller were named to the Girls' Top Seventy Five. Honorable Mention accolades went to Madisonville's Tonya Wells, Meade County's Dina Disney, and Atherton's Michelle Clark.

TED SANFORD AWARD**Terry North, Hazard**

For 1985, the selection committee chose Terry North of Hazard High School as the recipient of the Ted Sanford Award. Terry excelled in the classroom and among his peers in various activities in addition to helping lead the Bulldogs to the semi-finals of the 1986 Sweet Sixteen Tournament.

The Ted Sanford Award is given annually by the Louisville Courier-Journal and Times in memory of Mr. Ted Sanford, the first Commissioner of the Kentucky High School Athletic Association who served as Secretary-Treasurer of the K.H.S.A.A. for ten years before becoming Commissioner, a position he held from 1947 until his retirement in 1972. A committee of school personnel from throughout the state selects the winner from the participant in the Boys State Tournament who excels in four areas: basketball ability, sportsmanship, academic accomplishments, and citizenship.

MOST VALUABLE PLAYER AWARD**Reggie Hanson, Pulaski Co.**

Inaugurated in 1981, the Lexington Herald-Leader annually presents the Most Valuable Player Awards to the participant in the tournament who is voted most valuable by a panel of media representatives and the participating coaches in the tournaments. Unofficial Most Valuable Player recognition had been given by various sources prior to 1981.

The Most Valuable Player for the 1986 Boys' Sweet Sixteen Tournament was Pulaski County's Reggie Hanson. Hanson's scoring, rebounding and inside defensive intimidation helped Dave Fraley's club to the State Championship. Hanson totaled 92 points while pulling down 39 rebounds in his four games. Hanson signed a letter of intent during the fall basketball recruiting period to attend the University of Kentucky, and has been named as a member of the Kentucky Indiana All Star Team. Hanson's picture was requested but was not submitted prior to the press date.

K.H.S.A.A. SWEET SIXTEEN ACADEMIC SCHOLARSHIP AWARD**Jeff Baldwin, Paintsville****John Calvert, Hopkinsville****Justin Hancock, Paducah Tilghman**

Instituted in 1985, the Kentucky High School Athletic Association Sweet Sixteen Academic Scholarship Awards are designed to honor one or more participant(s) in the Boys' and Girls' State Tournaments who have excelled in the classroom and on the basketball floor. The awards are in the form of financial assistance to be used at the Kentucky college or university of the recipient's choice to help offset educational expenses. Various sources have funded the scholarships including the K.H.S.A.A., the Superintendent of Public Instruction, and the City of Lexington. For 1986, Mayor Scotty Baesler and the City of Lexington provided \$6,000 to be used for the awards in conjunction with the Sweet Sixteen Academic Showcase.

For the 1986 Tournaments, four winners were selected. Jeff Baldwin of Paintsville, John Calvert of Hopkinsville, and Justin Hancock of Paducah Tilghman all excelled in the classroom as well as helping lead their teams to berths in the Boys Sweet Sixteen Tournament. Jana Newman of Wayne County was named the winner of the scholarship awarded at the 1986 Girls State Tournament, and her academic and athletic prowess served as an example to many of her Cardinal teammates. Photograph of Calvert was requested, but was not submitted by press time.

NEWS RELEASE

HOT WEATHER HINTS

Frederick O. Mueller, Ph.D.
University of North Carolina at Chapel Hill

Early fall football, cross country, soccer and field hockey practice are conducted in very hot and humid weather in many parts of the United States. Due to the equipment and uniform needed in football most of the heat problems have been associated with football. Since 1955 there have been 78 heat stroke deaths related to football. There has been a reduction during the past ten years and in 1985 there were no football deaths related to heat stroke.

During very hot and humid weather the athlete is subject to:

* **Heat Cramps** - Painful cramps and spasms of active muscles - most common of the calf muscle - caused by intense, prolonged exercise in the heat and depletions of water and salt due to sweating.

* **Heat Fatigue** - Feeling of weakness and tiredness caused by depletions of water and salt due to sweating and exercise in the heat.

* **Heat Exhaustion** - Caused by inadequate replacement of either body fluid or salt due to prolonged sweating. Heat exhaustion from water depletion is related to inadequate fluid intake over several days. Symptoms are incoordination, restlessness, dehydration and prickling or burning sensation. Heat exhaustion from salt depletion occurs in the unacclimatized athlete working in severe heat. Symptoms include weakness, headache, vomiting, nausea, loss of appetite, dizziness and possible diarrhea or fainting.

* **Heat Stroke** - An acute medical emergency caused by overheating from a breakdown of the thermoregulatory mechanism. Associated with high rectal temperature, lack of sweating, disorientation, seizures and possible unconsciousness or coma. It may also occur suddenly without being preceded by any of the other clinical signs. The individual is usually unconscious with a hot, dry skin and a rising rectal temperature.

It is felt that the above heat stress problems can be controlled provided certain precautions are taken. The following practices and precautions are recommended:

1. Each athlete should have a physical examination with a medical history when first entering a program and an annual health history update. History of previous heat illness and type of training activities before organized practice begins should be included. State high school association recommendations should be followed.
2. It is clear that top physical performance can only be achieved by an athlete who is in top physical condition. Lack of physical fitness impairs the performance of an athlete who participates in high temperatures. Coaches should know the **Physical Condition** of their athletes and set practice schedules accordingly.
3. Along with physical conditioning the factor of acclimatization to heat is important. Acclimatization is the process of becoming adjusted to heat and since most heat stress problems occur during the first few days of training it is essential for **Gradual Acclimation To Hot Weather Activities**. It is necessary for an athlete to exercise in the heat and to replace water and salt if he/she is to become acclimatized to hot weather. Partial acclimatization can take place in 7-10 days. Final stages of acclimatization to heat are marked by increased sweating and reduced salt concentration in the sweat. Younger athletes take longer periods of time for acclimatization.
4. The old idea that water should be withheld from athletes during workouts has **No Scientific Foundation**. The most important safeguard to the health of the athlete is the replacement of water. Water must be on the field and readily available to the athlete at all times. It is recommended that a minimum 10-minute water break be scheduled for every half hour of heavy exercise in the heat. Athletes should rest in a shaded area during the break. **Water Should Be Available In Unlimited Quantities**. Check and be sure athletes are drinking the water. Iced water is preferable. During work in the heat water must be replaced every hour.
5. Salt should be replaced daily. Extra salting of the athlete's food will accomplish this purpose. Salt tablets and glucose - electrolyte solutions are not recommended. **Attention Must Be Directed To Replacing Water**.
6. Know both the **Temperature and Humidity**. The greater the humidity the more difficult it is for the body to cool itself. Use of a sling psychrometer is recommended to measure the relative humidity. The following precautions are recommended when using wet-bulb temperature:
 - 66 F - Safe but be sure to observe athletes most susceptible to heat.
 - 67 - 72 F - Caution - Unlimited water on field and iced water is preferable.
 - 73 - 77 F - Alter practice routine for lighter activity
 - 78 F and above - Danger level - alter practice routine, practice conducted in shorts or postponed.
7. Cooling by evaporation is proportional to the area of skin exposed. In extremely hot and humid weather reduce the amount of clothing covering the body as much as possible. **Never Use Rubberized Clothing**.
8. Athletes should weigh each day before and after practice and **Weight Charts Checked**. Generally a 3-percent weight loss through sweating is safe and over a 3-percent weight loss is in the danger zone. Over a 3-percent weight loss the athlete should not be allowed to practice in hot and humid conditions. Observe them closely under all conditions.
9. Watch athletes carefully for signs of trouble, particularly athletes who lose much weight, overweight athletes, and the eager athlete who constantly competes at his capacity. Some trouble signs are nausea, incoherence, fatigue, weakness, vomiting, cramps, weak rapid pulse, visual disturbances and unsteadiness.
10. Teams that encounter hot weather during the season, through travel or following an unseasonably cool period, should be physically fit but will not be environmentally fit. Coaches in this situation should follow the above recommendations and substitute more frequently during games.
11. Know what to do in case of such an emergency. Be familiar with immediate first aid practice and pre-arranged procedures for obtaining medical care, including ambulance service.

(Hot Weather Hints Continued from Page 8)

*** Heat Stroke: This Is A Medical Emergency - Delay Could Be Fatal.** Remove clothing and immediately cool body (spray with cool water - keep body moist). Keep body fanned. Get to a hospital as soon as possible.

*** Heat Exhaustion: Obtain Medical Care At Once.** Remove athlete to cool environment, replace fluids and keep cool during transfer to hospital.

Summary: The main problems associated with exercising in hot weather are inadequate water replacement and acclimatization. Water should be available at all times and athletes allowed to drink as much as they like. Heat stress trauma can be prevented and is the responsibility of every coach and trainer.

SUGGESTION FOR REDUCING HEAD AND NECK INJURIES TO FOOTBALL PLAYERS

Frederick O. Mueller, Ph.D.

University of North Carolina at Chapel Hill

1. A complete pre-participation physical exam which includes an evaluation of those athletes with a previous history of concussion or neck injury.
2. A complete physical conditioning program that includes exercises to strengthen the neck musculature so that participants will be able to hold their heads firmly erect when making contact. These exercises should be performed all year.
3. Coaches should drill the athletes in the proper execution of the fundamentals of football skills, particularly blocking and tackling. The proper execution of these drills should be taught, practiced and enforced in both practice and games.
4. Coaches and officials should discourage the players from using their heads as battering rams when blocking and tackling. The rules prohibiting spearing should be enforced in practice and in games. The players should be taught to respect the helmet as a protective device and that the helmet should not be used as a weapon.
5. All coaches, physicians, and trainers should take special care to see that the players' equipment is properly fitted, particularly the helmet.
6. When a player has experienced or shown signs of head trauma (loss of consciousness, visual disturbances, headache, inability to walk correctly, obvious disorientation, memory loss) he should receive immediate medical attention and should not be allowed to return to practice or game without permission from the proper medical authorities. Previous head injury has been a factor in fatal head injuries.
7. Total staff should be organized in that each person will know what to do in case of a head or neck injury in game or practice. Have a plan ready and have your staff prepared to implement that plan.

Signs and Symptoms of Head Injury

Loss of consciousness	Increased drowsiness
Visual disturbances	Vomiting
Headache	Inequality of pupils
Inability to walk correctly	Memory loss
	Obvious disorientation

Secretaries of the Kentucky High School Athletic Association was held at the office of the K.H.S.A.A. at 10:00 a.m., Monday, May 5, 1986. The meeting was called to order by Billy V. Wise, Executive Assistant. Attending the meeting were: Joe Russell, Western Kentucky; Harold Mischel, Big Eight; Jack Goodman, Mid Kentucky; Don Metzger, Kentuckiana; Stan Steidel, Northern Kentucky; Barry Gorham (representing Shirley Watts), Central Kentucky; Ray Canady, 13th Region; Don Stacy, 14th Region; Layne Tackett, 15th Region; DeLane Simpson, representative of Western Kentucky Conference and Julian Tackett, Sports Information Director, K.H.S.A.A.

The meeting opened with a discussion concerning assignment of officials to regular season games and pre-season bowl games. The secretaries reported that no serious problems existed in their area. One of the fervent hopes of the K.H.S.A.A. would be improved training of officials, both old and young, as well as the recruitment of new officials. The area of training has been almost sacrificed in the last years due to the emphasis and time involved in the rating system. Bill Wise explained the method of reciprocity and the reason it was established. It is hoped that this system will encourage officials from surrounding states to participate in the officiating program in Kentucky.

Each assigning secretary gave his/her opinion about officials working play-off games in their own conference. It was agreed that the present method of going out-of-conference was the best method and will continue thru the 1986 football season.

The ranking procedure for officials was discussed. Each secretary was asked about the method of evaluating the officials in their area. Each reported that they either observed all officials, or in the case where the area was too large or there were too many officials, they had help in seeing each of the officials during the season. It was requested that each assigning secretary or the person doing the evaluation keep all notes and evaluation sheets on file for future reference. During this discussion several types of evaluation sheets were presented to the group for consideration to make the official's evaluation more uniform. A new evaluation sheet was decided on which would take the place of the evaluation card and sheet that have been used in the past. The final evaluation sheet that is mailed to this office will remain as is, except that the points have been changed to read: Assigning Secretary's Rating, possible points-45; Coach's Rating, possible points-30; KHSAA Clinic Attendance (not a make-up clinic), possible points-10; National Federation Part II Examination, possible points-15 (depending on individual's grade). The total possible points will be the same, but distributed differently.

Joe Russell, Jack Goodman and Don Metzger were asked to continue serving on a committee to study the implementation of a new method for assigning state play-off final games. This committee is to report back at the next meeting and make their recommendations to all of the Assigning Secretaries. It was agreed that the assignments of state play-off officials in 1987 be assigned the same as they were in 1986. It was requested that each assigning secretary give this committee the number of certified and approved officials in their area.

Bill Wise reemphasized the importance of having a current list of each Local Policy Board members filed in the KHSAA office each year. It was also suggested that each local association consider incorporating.

Following a lengthy discussion pertaining to the need to document evaluation of officials, the attached form was adopted unanimously to aid in evaluation. It was agreed that these forms should be kept on file by the Assigning Secretary and shared with the official.

After a period of questions and comments, Jack Goodman made a motion that the meeting adjourn. Joe Russell seconded the motion.
