CHEMICAL HEALTH

'Superman Complex' of athletes one of biggest factors in drug abuse

by Dan Barreiro
Dallas Morning News

Three weeks after the cocaine-related deaths of Len Bias and Don Rogers, two young, exquisitely conditioned athletes who had everything to live for, shock and sorrow have dissolved into hope. Hope that the American athlete finally will awaken from his deep and tragic slumber.

Hope that he will understand the ugly truth: Cocaine cannot only destroy slowly, it can kill fast.

So now, many are asking the question: Do the deaths of Bias and Rogers signal the end of a tragic era?

Calvin Hill, once a splendid football player and more recently a drug counselor for the Cleveland Browns, wants to believe the answer is yes. But he can't. Michael Stone, a doctor nationally known for his work in drug treatment centers, wants to believe the answer is yes. But he can't. Harry Edwards, a prominent sports sociologist, would like to believe the answer is yes. But he can't.

They say that the deaths of Bias and Rogers might mark the beginning of an era even more traumatic.

They say that until we treat the real disease, the symptoms will not go away. That is, until we take athletes off the pedestal and make them grow up mentally as well as physically, cocaine will continue to assault America's athletes.

"...These deaths haven't fazed anybody. The evidence is right in front of us. In the literal wake of the news that Bias was dead from cocaine, you had the Don Rogers situation. This is not going to slow people down," said Harry Edwards).

Why not? Why would a young athlete, knowing what he can't help but know, keep speeding on cocaine? Why would he take the risk? Hill, Stone and Edwards said the answer is complicated. Part of it, they say, has to do with the athlete's place in the American world, and exalted position from which the athlete is conditioned to feel invulnerable from the rules of

society and perhaps even the laws of medical science. Part of it, they say, has to do with human nature itself.

Call it the "other guy" mentality, at the same time a constructive and destructive instinct.

"Users understand that people have died from using cocaine," said Stone, who is the medical director of the CareUnit in the Western Medical Center in Anaheim, Calif. "But they know *they* won't die. It always happens to the other guy."

We know smoking contributes to cancer, yet we still smoke. We know drunken driving can be lethal, yet we still drive drunk. We know wearing seatbelts can save lives, yet we still don't wear them.

We know what has happened to others who smoke, drive drunk, or don't wear seatbelts.

It won't happen to us.

Wasn't that exactly what Terry Long, one of Bias' roommates said? "It never occurred to me that someone might die," he said. "You always think something like that would happen to someone else."

The athlete, said Hill, has another suit of armor that is assigned him the very instant he is identified as someone who can shoot a basketball, catch a football or throw a baseball. That he can *play*. You can't see it, but it's as real as a helmet or a pair of shoulder pads. It's a double standard.

Forget education. What did Rogers, the Browns' 23-year-old defensive back, learn from the death of Bias, who was 22? Hill remembers a doctor describing in detail the effects of cocaine abuse to Browns players, including Rogers, in a session during training camp before last season. Forget drug tests. The University of Maryland, Bias' school, had an extensive testing program. Education and testing might occasionally help. But until we stop pampering the athlete, Hill said, we can forget about killing off drug abuse.

"Until then we are treating only the symptoms of a problem, not the problem itself," Hill said. "We allow our

athletes to get away with murder.

"We pay him under the table to perform. We don't make him study when he goes to school. When he breaks the law, we cover it up, or at least, give him nothing more than a slap on the wrist. And then we wonder why he doesn't conform to the law, we wonder why he feels like he is different."

Until that contradiction is addressed, Hill said, the cocaine problem will not go away.

Edwards said, "It's the Superman complex."

It works on two levels, one physical, the other spiritual, Edwards said. On a physical level, the athlete is made to feel invincible because he is often such a great physical specimen. Thus, he feels he can endure what others cannot.

"...The 'Superman complex' works on a second level, perhaps even more insidious. Edwards said, "The athlete figures, 'If I got caught with cocaine, somebody will take care of it. Somebody always took care of my grades. Somebody always took care of my traffic ticket. Somebody always took care of the misdemeanor. Somebody is always there to pick up the pieces. So why worry?'"

The athlete put on such a pedestal is deprived of some of the support systems with which he might fight off the temptation to take cocaine.

"All we want him to do is be the athlete," Edwards said. "The coach wants him to eat, drink, and sleep football. To the point where the athlete is sheltered from the kind of experiences and contacts that other college students may have. Their principal purpose becomes "to play." By the time a player has become a national figure, he literally has become a *player*. All the external contacts and controls, functional relationships that may have a positive impact on him, are eroded. The only thing we nurture is a side of beef. In his last semester, Len Bias had three Fs and withdrew from two classes."

MINUTES OF THE APPEALS HEARINGS

October 17, 1986

The Board of Control of the Kentucky High School Athletic Association met at the K.H.S.A.A. Office Building, Lexington, Kentucky, on Friday afternoon, October 17, 1986, for the purpose of hearing appeals.

The meeting was called to order by President Chester Turner at 2:00 p.m. Present were Frank Welch, Tom Buchanan, Sam Chandler, Tony Olinger, Grant Talbott, Ken Tippett, David Webb, Charlie Wilson; Commissioner Tom Mills and Executive Assistant Billy Wise. The invocation was given by Chester Turner.

President Turner called on Jackie Lively, who had requested a hearing before the Board of Control on behalf of her daughter, Sherita Lively, a student at Warren Central High School, who had been ruled ineligible by the Commissioner under By-Law 5, Transfer Rule. After Mrs. Lively's presentation, her attorney William Skaggs presented his case on Sherita's behalf. Following questions by the Board members to Sherita and her mother, Grant Talbott moved that Sherita Lively be ruled eligible to participate in interscholastic athletics. Tony Olinger seconded the motion, which carried unanimously.

Then came Mrs. Mary D. Wilson, representing her son, Robert D. Wilson, a student at Campbell County High School requesting that By-Law 5, Section 1c., Maximum Number of Semesters, be waived in Robert's favor. Following Mrs. Wilson's presentation and questions to her by the Board members, Ken Tippett made a motion, seconded by Tom Buchanan, that the ruling be delayed in this case until a transcript could be obtained from Covington Latin High School were recognized toward graduation. The motion carried unanimously.

The next appeal on the Agenda was on behalf of Cam K. Adams, a student at Montgomery County High School. Mr. and Mrs. Josh Duff, guardians of Cam, presented their appeal to the Board members to waive By-Law 3, Age. Following questions to Cam and the Duffs by the Board members, David Webb moved that the Commissioner's ruling be upheld in this case. Tony Olinger seconded the motion. The motion carried unanimously.

The next appeal was presented by Mr. Kent Stevens, Principal of Western Anderson High School on behalf of one of his students, Eric Bickers. Eric had been ruled ineligible to participate in interscholastic athletics under By-Law 4, Section 5(c), Minimum Academic Requirements. Following Mr. Stevens' presentation and compliments from the Board members for his interest and concern for his students, Ken Tippett moved that By-Law 4, Section 5(c), Minimum Academic Requirement, not be waived in this case. Tom Buchanan seconded the motion which carried by a vote of eight in favor and one opposed.

The next appeal was presented by Attorney Ashley Ward on behalf of Lisa Weissmuller. Lisa had transferred from Lexington Catholic High School to Henry Clay. She had been ruled ineligible by the Commissioner due to the fact that she had participated in basketball and golf at her

former school and was subject to the provisions of By-Law 5, Transfer Rule. Following a discussion of Lisa's situation, Sam Chandler made a motion that Lisa be declared eligible to participate in athletics at Henry Clay High School. Grant Talbott seconded the motion which passed by a vote of 8 in favor with Chester Turner abstaining.

Mr. Turner asked Principal Hargus Rogers, Hazard High School, to present his appeal on behalf of Jim Lowell Leveridge. Jim was declared ineligible to represent Hazard High School in interscholastic athletics under the provisions of By-Law 5, Transfer Rule. Jim's parents, James and Betty Leveridge, explained their son's situation to the Board followed by comments from Mr. Rogers. Following their presentations and questions to Jim and his parents and a lengthy discussion thereof, Ken Tippett moved, seconded by Sam Chandler, that the Commissioner's ruling be upheld in this case. The motion carried unanimously.

The next appeal was on behalf of David King, a student attending Woodford County High School who had transferred there from Bluegrass Baptist School. David had been ruled ineligible by the Commissioner under By-Law 5, Transfer Rule. Following his father's presentation and questions to him and Mrs. King by the Board, Grant Talbott made a motion, seconded by Charlie Wilson that the Commissioner's ruling be upheld in this case. The motion carried by a vote of 7 in favor and 2 opposed.

There being no more appeals, the meeting was adjourned.

MINUTES OF THE BOARD MEETING

October 18, 1986

The Board of Control of the Kentucky High School Athletic Association met at the K.H.S.A.A. Office Building in Lexington, Kentucky on Saturday, October 18, 1986. The meeting was called to order by President Chester Turner at 9:00 a.m. with all Board members, Commissioner Tom Mills, Executive Assistant Billy V. Wise, Assistant Commissioners Bridgid L. DeVries and Louis Stout and Sports Information Director Julian Tackett present. Mr. Turner advised the Board that the State Board of Education Representative Lloyd Redman was absent due to recent surgery. The Invocation was given by Mr. Sam Chandler.

Charlie Wilson moved, seconded by Sam Chandler, that the minutes of the July 15 meeting of the Board be approved. The motion carried unanimously.

Charlie Wilson made a motion, seconded by Tony Olinger, that all bills of the Association for the period beginning July 1, 1986, and ending September 30, 1986, be approved. The motion carried unanimously.

President Turner called on David Webb, Chairman of the All-Sports Committee to present his committee report. Chairman Webb presented the following report and made a motion that it be accepted by the full Board.

The All Sports Committee met on Saturday, September 13, 1986 at 10:00 a.m. in the Kentucky High School Athletic Association office.

The meeting was called to order by Chairman David Webb. Other members present were Tom Buchanan, Charles Miller, Tony Olinger, Grant Talbott, Frank Welch, Tom Mills and Billy Wise were also in attendance.

The first item on the Agenda was a discussion of Basketball Rule 10-5. Following a lengthy discussion, Frank Welch moved, seconded by Tony Olinger that the Kentucky High School Athletic Association enforce Basketball Rule 10-5 concerning Bench Decorum as written in the 1986-87 National Federation Basketball Rule Book. The motion passed unanimously.

Mr. Wise, who is a member of the National Federation Basketball Committee, was instructed to work within the framework of that committee and Association to modify the rule as presently written to allow Kentucky to experiment with a modification of Rule 10-5 during the 1987-88 season. This experiment would permit the head coach to kneel or stand in front of his/her seat in order to give instructions to the players and then immediately return to his/her seat.

The second item for discussion was the medical symposium. The committee agreed that the symposiums were very valuable to the Kentucky High School Athletic Association member schools and should be continued.

Grant Talbott moved, seconded by Tom Buchanan that the medical symposiums, be conducted in Kentucky by the Kentucky Medical Association for all head coaches and new coaches in high risk sports of baseball, basketball, football, soccer and wrestling. It was recommended they be conducted every other year starting with even numbered years beginning in 1988. Also, one make-up symposium would be conducted in the same manner in the odd numbered years starting in 1989. The motion passed unanimously. The symposiums will be conducted as scheduled for 1987 with all head coaches in the above listed sports being required to attend.

It was suggested that the medical symposiums be offered in more locations than at present. It was also suggested that in-service credit be given to coaches and

school administrators attending the symposiums. This would of course, be subject to the approval of the State Board of Education. It was further suggested that the State Board of Education permit clinic attendance on non-school days to count as in-service days. Mr. Mills will present these recommendations to the State Board of Education.

The Committee approved the request of Commissioner Mills to again survey the member schools to determine their interest in entering teams in girls soccer championship competition should the K.H.S.A.A. sponsor it as a fall sport.

Frank Welch seconded the motion that the All-Sports Committee report be accepted. The motion passed unanimously.

Commissioner Mills presented the Audit report to the Board and asked for questions or comments. Following a discussion of the report, Tom Buchanan made a motion, seconded by Charlie Miller that the Audit Report be accepted. The motion carried unanimously.

Mr. Wise announced that the next meeting of the Board would be on November 28 for the purpose of hearing appeals and November 29 for the regular meeting. He also announced that the Football Championship Playoffs would be as follows:

- Class A - 1:00 p.m., Friday, November 28
- Class AA - 3:00 p.m., Friday, November 28
- Class AAA - 1:00 p.m., Saturday, November 29
- Class AAAA 3:00 p.m., Saturday, November 29

Commissioner Mills announced that the Friends of Athletics would again sponsor a Hospitality Room and Banquet at the Football Playoffs. He also announced that the FOA would be granting eight \$1,000 scholarships--one to a player on each of the playoff teams.

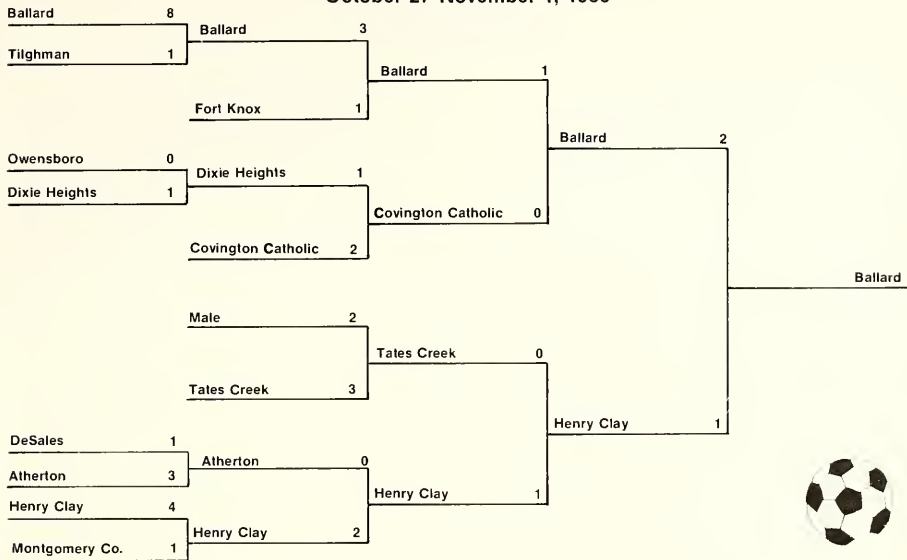

Commissioner DeVries discussed with the Board a recommendation of the Volleyball Committee that the State Tournament include the winner and runner-up from each region as was done in the past. It was further recommended that single elimination format be adopted for the State Tournament. She also presented a recommendation from the Tennis Committee regarding a new scoring procedure. The recommendation states that in order for a school to score points and be eligible for the team championship, they must enter a complete team in the regional and state tournaments. A complete team consists of two singles players and two doubles teams. This would affect team scoring only. Following a discussion of the new procedure, the Board recommended that all tennis coaches be advised of the recommended change and be given an opportunity to express their opinions to the Board Member in their region. Both the tennis and the volleyball proposals will be discussed at the next Board Meeting.

Commissioner Stout spoke next to the Board regarding the results of the Girls' Soccer Survey. A total of 193 schools responded to the survey with the results as follows: 174 schools indicated that they **would not** enter a girls' team in soccer during the 1987-88 school year if it was included in the K.H.S.A.A. program as a fall sport; 19 schools indicated that they **would** enter a girls' soccer team. Based upon the fact that K.H.S.A.A. regulations require 25% of the member schools to agree to participate in championship competition before the Board can sanction the event and that once sanctioned, the sport will no longer be sanctioned if participation drops below 15% of membership, girls' soccer **will not** be sanctioned at this time.

Mr. Stout advised the board of the financial burden schools were having since sectionals had been added to the Wrestling Tournament. A discussion ensued with regard to the possibility of returning the Tournament to its original format--playing it on Friday and Saturday. All Board members agreed that the Board of Control has

PADDING REQUIREMENTS CHANGED FOR BASKETBALL BACKBOARDS

Padding on rectangular backboards must meet new specifications as a result of action at the National Federation Rules Committee Meeting. Both the bottom front and the bottom back edge of a rectangular board must be padded up a distance of 3/4 of an inch with a minimum of 1 inch thickness. The bottom and side padding must continue to meet the current 2 inch thickness requirement. Schools should examine the padding on their backboards to be sure the proper thickness is being used. Inexpensive padding kits are available through sporting goods dealers to assist in conforming to this rule. One other note, the newly approved shorter backboard is optional, NOT required as some salesmen seem to be telling member schools.

ADDITIONAL PADDING REQUIRED FOR POLE VAULT LANDING PADS

Track schools which sponsor the pole vault will be interested to note that beginning in 1987, all pole vault landing pads will require front pads, extending from the main landing pad and surrounding the pole vault planting box. Rule 7-4-5 of the Track and Field Rules states that the front pad must: 1) Be a minimum of four feet deep, extending from the main landing pad towards the front edge of the planting box; 2) Have a maximum cut-out for the planting box of 36 inches, measured across the bottom of the cut-out; 3) Have the back of the cut-out placed no farther than 14 inches from the vertical plane of the top of the stopboard (end of planting box); 4) Be attached to the main landing pad or encased in a common cover with the main landing pad. Diagrams of the change are available from the Association office, and will probably be printed in next year's track rules manuals.

A.C.T. TEST DATES FOR 1986-87

With the implementation of NCAA Proposition 48, it is important to keep up with the test dates for the American College Testing Assessment (ACT test). For 1986-87 the schedule is as follows:

<u>Test Date</u>	<u>Regular Postmark Deadline</u>	<u>Late Deadline</u>
10/25/86	09/26/86	10/14/86
12/13/86	11/14/86	12/02/86
02/07/87	01/09/87	01/27/87

FEDERATION EXPANDING RECORDS BOOK

The National Federation is expanding its records book to include records for girls' 5 person basketball as we play here in Kentucky. The initial attempt will be to accumulate individual records for points scored in a game, season, and career. If you have, or have had, a girl whom you feel might qualify as a national record holder, please contact Julian Tackett at the K.H.S.A.A. office.

REMINDER TO FOOTBALL SCHOOLS

The first playing date for football in 1987 is August 21. The first legal date for practice is August 1. Keep this in mind in making out your schedules. Please remember to inform the office as to open dates. This is also important due to the fact that the new alignment plan for football is to be implemented effective with the 1987 season. With the new alignment, and the additional week in which to schedule games, it is important to list open dates as soon as possible. At this time, we have the following open dates --

Week 1 (August 21) - Anderson County, contact Larry Barnett (502)839-5118; Bullitt East, contact Coach Keith Collins (502)538-7322; Greenup County, contact Dan Mercer, A.D. REMINDER TO RETURN BLUE CARDS FOR FOOTBALL SCHOOLS

To help with some schools who have had trouble getting district opponents to schedule, the Association sent a survey card (blue) out to each member school principal of the football playing schools. Please return that card as soon as possible, to help facilitate problem solving in certain districts.

SANCTIONS FOR CONTESTS INVOLVING OUT OF STATE TEAMS

Many questions arise when a member school attempts to schedule a game against a team from another state. Remember that the contest must go through the proper administrative channels to be considered a legal contest. The following can serve as a simple guide to athletic directors and principals --

If a game involves one Kentucky school and one out of state school, and the other state is adjoining to Kentucky, no state Association or National Federation sanction is necessary;

If a meet or tournament involves one or more teams from outside the host state, and the invited teams are from adjoining state(s), National Federation sanction is not necessary. However the event must be sanctioned by the state Associations involved. It is the responsibility of the principal of the host school to initiate the sanction procedure;

In all other cases, both state Association and National Federation sanction is required. If you are the host school, contact Anne Wesley Mays at the Kentucky High School Athletic Association to obtain the sanction forms and begin the sanction process. The sanction process must be completed thirty (30) days prior to the event.

LIABILITY AND OTHER INSURANCE CLAIMS

The Ruedlinger Companies would like to remind all schools and officials, to route all notices of both medical and liability claims directly to the Administratotes office. Coaches and officials are to contact (913)272-2200, for all claims and forms. Request to speak to either Pam Cole or Susie Sachs if your have any questions.

SPECIAL NOTES

PART II EXAMS FOR BASKETBALL AND WRESTLING — DECEMBER 1

The Part II examination must be taken under supervision. It will be given by the local assigning secretary and/or the KHSAA Office in Lexington, or other sites as designated by the KHSAA. Any exception to the above must be cleared with the Commissioner.

THE GAME GUY AWARD

This year the K.H.S.A.A. will again award the Game Guy Award. School representatives and registered officials may make nominations for the award. The eligible person should be a pupil at the junior or senior high school level who has overcome great physical handicap in order to take part in athletics. Letters of recommendation should be addressed to "Game Guy Committee, K.H.S.A.A., P.O. Box 22280, Lexington, Kentucky 40522." Deadline for the 1987 nomination is April 1.

made a concentrated effort to follow the State Department of Education's guidelines as they pertained to playing no tournaments on a school day. However, Commissioner Mills was instructed to inform State Superintendent of Public Instruction Alice McDonald of the adverse impact these guidelines have placed upon high school athletic programs, and requesting that consideration be given to revising them in the near future.

Mr. Stout advised the Board that due to Mr. Orville Williams health, he would no longer be serving as State Wrestling Manager. The new manager is Larry Mann. He also announced the dates for the following State Tournaments:

- Soccer - Lafayette High School, Lexington - October 27- November 1
- Softball - Linden Recreation Center, Louisville - May 29-30
- Baseball - Site to be announced - June 4-5

A new softball alignment has been proposed for the spring of 1987 and will be mailed to the member schools for input. It is basically aligned with the basketball regions.

Mr. Wise announced the bids on two automobiles to be purchased by the Association. Bunt-Gross submitted the lowest bid of \$15,643.14 which included trading in two 1985 automobiles. Grant Talbott made a motion to accept the low bid to purchase the two new automobiles for the Association. Charlie Wilson seconded the motion which passed unanimously.

Commissioner Mills then discussed the procedure for submitting nominees for the National Federation Hall of Fame. He advised the Board that all nominations should be submitted by the next Board Meeting.

A discussion with regard to a request to again sanction Rifle Marksmanship was held. Due to the fact that 25% of the schools would not participate in Rifle Competition, Charlie Wilson made a motion that the request be denied. Ken Tippett seconded the motion, which passed unanimously.

Frank Welch moved, seconded by Sam Chandler that the Proposed Dates for the Boys and Girls Basketball Tournaments from 1987 through 1982 be accepted. They are as follows:

- 1987 - Girls - March 18 - 21 *Bowling Green, Kentucky
- Boys - March 25 - 28 *Rupp Arena, Lexington, Kentucky
- 1988 - Boys - March 16 - 19 *Freedom Hall, Louisville, Kentucky
- Girls - March 23 - 26 *Convention Center, Frankfort, Kentucky
- 1989 - Boys - March 15 - 18 *Rupp Arena, Lexington, Kentucky
- Girls - March 22 - 25 *Convention Center, Frankfort, Kentucky
- 1990 - Girls - March 14 - 17 *Site to be Determined
- Boys - March 21 - 24 *Site to be Determined
- 1991 - Boys - March 13 - 16 *Site to be Determined
- Girls - March 20 - 23 *Site to be Determined
- 1992 - Boys - March 18 - 21 *Site to be Determined
- Girls - March 25 - 28 *Site to be Determined

There being no further business, Grant Talbott made a motion to adjourn. Sam Chandler seconded the motion which carried unanimously.

Each staff member of the KHSAA is assigned certain general responsibilities and it will expedite matters if you will ask for the proper person when your calls pertain to any of the following areas:
