DELEGATE ASSEMBLY MEMBERS

Members of the Delegate Assembly at the forthcoming 1988 annual meeting of the Association were elected by the Board Appointed Representatives of the K.H.S.A.A. There were several ties in the voting for delegate and alternate. These ties were broken recently, with the delegates and alternates determined by lot. Article IV, Section 2-c, of the Constitution states in the last sentence, "If the duly elected delegate or alternate does not answer the roll call at the annual meeting of the Delegate Assembly, the district shall remain not represented". MINUTES OF THE APPEALS HEARINGS

November 27, 1987

The Board of Control of the Kentucky High School Athletic Association met at the Executive Inn in Louisville, Kentucky on Friday morning, November 27, 1987, for the purpose of hearing appeals. The meeting was called to order by President Frank Welch at 9:00 a.m. Present were Board Members Tom Buchanan, Bill Case, Sam Chandler, Huston DeHaven, Tony Olinger, Grant Talbott and Ken Tippett; Commissioner Tom Mills, Executive Assistant Billy V. Wise, Asst. Commissioners Brigid DeVries and Louis Stout and Sports Information Director Julian Tackett. The invocation was given by Mr. Sam Chandler.

President Welch called on Mr. Steve Underwood, representing Peter Connerth, Hopkinsville High School, who had requested a hearing before the Board to appeal the decision of the Commissioner as it relates to By-Laws 6, Transfer Rule. Peter had transferred from University Heights Academy to Hopkinsville High School and was subject to the Transfer Rule. Following Mr. Underwood's appeal and questions to him by the Board members, Huston DeHaven made a motion that the Board uphold the Commissioner's decision. Bill Case seconded the motion which passed unanimously.

The next appeal was requested by James Steven Stacy, father of Mark Stacy, a student at Jackson City High School. Mark had transferred from Breathitt County High School and had been ruled ineligible to participate in interscholastic athletics due to By-Law 6, Transfer Rule. Following Mr. Stacy's appeal and a discussion thereof by the Board members, Tom Buchanan made a motion that the Board uphold the Commissioner's ruling in this case. Grant Talbott seconded the motion which carried unanimously.

President Welch then called on Mr. Carlton Anderson, Athletic Director at Conner High School who appeared before the Board to appeal the decision of the Commissioner in the case of Jackie Winebrenner. Jackie had transferred from St. Henry High School where she participated in basketball to Conner High School and was therefore subject to the provisions of the Transfer Rule and ineligible to participate in interscholastics until she has been enrolled there for a period of thirty-six school weeks. Following Mr. Anderson's appeal and questions to him by the Board members, Grant Talbott moved that the ruling of the Commissioner be upheld in this case. Sam Chandler seconded the motion which passed unanimously.

There being no more appeals, President Welch introduced Coach Reed, Football Coach at Washington County High School who had asked to present a proposal to extend the Football season. The new proposal calls for the following changes: practice in pads - August 1; 1st game - August 21; Championship Finals - December 1. Commissioner Mills advised Coach Reed that the Football Committee will meet to discuss the proposal and will report back to the full Board in January.

There being no further business Sam Chandler made a motion that the meeting be adjourned. Tom Buchanan seconded the motion which passed unanimously.

(Reg. Meeting Minutes will appear in January "Athlete.")

The Kentucky High School Athletic Association Board of Control meeting scheduled for January 15 and 16 in Louisville has been changed to the following weekend, January 22 and 23. K.H.S.A.A. COACHING BOX (Experimental for the 1987-88 Basketball Season)

The basketball committee has approved the following amendment to the National Federation Rules for all games played in Kentucky. The change is effective immediately. All schools, coaches, superintendents and officials are being notified as well as being sent a sample of play interpretations.

PART I - Definition. This would become Section 14 of Basketball Rule 1, under definitions. Section 13 would be amended to change "... recommended that the ..." to "... required that the ...".

SECTION 14 The "coaching box" shall be defined as an area outside the playing court on the side of the court which the scorers/timers table and team benches are located. This area shall be bounded by the mid-court line (28' line) and the corresponding end-line for length boundaries, and the sideline and the team bench for the width boundary. The optimum width shall be three feet (3'), but in cases of limited space, may be reduced to the distance from the sideline to the team bench.

All bench areas must be located on the side of the court, and may not extend past the mid-court line (28' line).

Each box shall be clearly marked with two-inch wide lines, one extending from the mid-court (28') line, and the other from the end-line. The line may be painted, or may be marked with tape, but must be clearly visible. If painted, the line shall be of contrasting color to the side and end lines.

For permissible actions within the confines of the "coaching box", see Rule 10, Section 5, as amended for use by the Kentucky High School Athletic Association for the 1987-88 season.

PART II - Delete existing basketball playing Rule 10, Section 5.
Replace Rule 10-5 with the following --

SECTION 5 The Head Coach may stand to give instructions to his/her players but must remain within the confines of the coaching box at all times while the clock is running or is stopped except to:

ART 1 ... confer with personnel at the scorer's table to request a time-out for a correctable error, as in 2-10, or to prevent or rectify a timing or scoring mistake or an alternating possession mistake;

ART 2 ... attend an injured player, when beckoned onto the court by an official;

ART 3 The Head Coach, when standing, or kneeling in the designated coaching box, shall not have dialogue with the official(s);

ART 4 All other non-player bench personnel shall remain seated on the bench except during a time-out or to spontaneously react to an outstanding play by a member of the team.

ART 5 The Head Coach shall replace a disqualified or injured player within 30 seconds when a substitute is available.

PENALTY: (All articles) Technical Foul, 2 free throws and possession of the basketball. In articles 1-4, the foul is charged to the offender and to the head coach. In Article 5, the foul is charged to the head coach. If flagrant, the offender shall go to the team's locker room, or leave the building.

NOTE: The third technical foul on any coach is considered flagrant.
