DELEGATE ASSEMBLY MEMBERS

Members of the Delegate Assembly at the forthcoming 1990 annual meeting of the Association were elected by the Board Appointed Representatives of the K.H.S.A.A. There were several ties in the voting for delegate and alternate. These ties were broken recently, with the delegates and alternates determined by lot. Article IV, Section 2-c, of the Constitution states in the last sentence, "If the duly elected delegate or alternate does not answer the roll call at the annual meeting of the Delegate Assembly, the district shall remain not represented". STATE TENNIS COMMITTEE MEETING November 29, 1989

The State Tennis Committee met on Wednesday, November 29, 1989, at the Kentucky High School Athletic Association Office in Lexington. Assistant Commissioner Bridg L. DeVries called the meeting to order at 1:30 p.m. Committee members present included Nonnie Hopper, Cliff Richardson, Becky Watson, David Rogers, Terry Johnson, Doug Lehning, Joe Kroh, Bob Duricko, Mary Robinson and Red Bartlett. Absent were Wilson Sears, Lynn Tipton, Bill Goodan and Jerry Johns.

The first item on the agenda was a discussion of regional tournaments. It was decided that the following additional information be included in the Regional Information mailed to the schools. A substitute must be able to verify their participation in 4 matches before they are allowed to play in the Regional Tournaments. It was suggested that a default count as a win and be scored 6-0, 6-0, and the score of a player who retires shall stand as is, when the match ceases. A match shall be defined as two out of three sets.

Suggestions were made by committee members with regards to the Regional Tournament Managers for regional sites not secured at this time. The dates of the Regional Tournaments are listed on the school calendar as the week of May 14, 1990. As in the past, May 12 & 13 may be used if necessary. The Board of Control approved a realignment of the Elizabethtown Region, at their last meeting held in November.

The next item on the Agenda was the State Tennis Tournament. The dates for the 1990 Tournament are May 31, June 1 and June 2, and will be held at the University of Kentucky in Lexington. The committee reviewed the state information and made some minor changes. It was felt that at the state level substitutions be allowed in doubles only. It was suggested that more players than needed, be included on the information sheet in case a substitution is necessary.

The committee made suggestions regarding the seeding committee for the State Tournament. It was felt that last year's committee did an excellent job in determining the seeded players for the 1989 tournament.

Cliff Richardson from Atherton High School was asked to report on the status of the All-State Tennis Team. It was decided that the All-State Tennis Committee be made up of Joe Kroh, Becky Watson, David Rogers, and Mary Robinson. Members of the Committee will be responsible for the following: sponsorship, criteria for selection, certificates, and promotion through such publications as the *Kentucky Coach*, etc.

Mr. Chuck Triebly, who is currently President of the Tennis Officials of Kentucky gave a status report of the newly formed officials organization. It was decided that the State High School Tournament schedule be reviewed and the Semi-Finals and Finals be covered by this organization. A fee structure will be worked out when the time schedule is complete. It was suggested that both groups look into the possibility of a tennis clinic for coaches sometime in the future.

Miscellaneous items included a request to the Board of Control regarding proper dress during Tournament play. It

was suggested that visible undergarments and bare midriffs not be allowed. It was also recommended that there be no advertising for tobacco, alcohol, or drugs on Tennis wearing apparel, and that any designs or pictures be in good taste. The Board of Control approved these recommendations, unanimously at the December board meeting. Information regarding Tennis apparel will go into effect for the 1989-90 school year.

Other miscellaneous items included the development of a "Tennis Definitions" guide, primarily for new coaches. Mary Robinson and Becky Watson were designed to begin work on this guide. There being no further business the meeting was adjourned.

BRICE DURBIN RECEIVES AWARD OF MERIT

Brice Durbin, Executive Director of the National Federation of State High School Associations, recently received the Award of Merit from the National Interscholastic Athletic Administrators Association (NIAAA) on December 11 in Dalls, Texas.

Durbin was honored during the luncheon of the twentieth annual NIAAAA Conference, held the Hyatt Regency in Dallas. Durbin is the ninth individual to receive the prestigious award, which is reserved for those individuals whose contributions to interscholastic athletics merit special honor. The Award of Merit is not given every year, and was last awarded in 1987.

Durbin has directed the national organization for high school athletic programs and activity programs since September, 1977. During his tenure, he has seen many new programs implemented including professional organizations for high school coaches and officials, the National High School Sports Hall of Fame, and many other organizational improvements. Perhaps his most glowing achievement was his supervision of the forming of the TARGET drug and alcohol abuse awareness program.

Prior to joining the National Federation, Durbin was Executive Secretary of the Kansas State High School Activities Association for a fifteen year period following a five year stint as assistant Executive Secretary.

REMINDER TO SCHOOLS CONCERNING LIMITATION OF SEASONS

All schools are reminded of the Limitation of Seasons Rules, K H S A A. By-Law 27, as it applies to competition after the conclusion of the regular season. ALL SPORTS are affected by this rule, which states that following the teams' last regular season match, there shall be no further practice or play as a team for the remainder of the school year, with the exception of the K H S A A tournament. Please be sure your coaches are aware of this important rule, and that they are not involved in coaching the team in an outside league, or other competition. *For the high school coach, be they the Head Coach or an assistant coach, to coach members of the high school team in a league outside of the school's legal regular season competition, regardless of the type of league, would be a violation of the rules governing the Limitation of Seasons.*

FOOTBALL SCHOOLS ENCOURAGED TO HOLD OFF ON SCHEDULES

Due to the fact that there is the potential for a significant realignment in football, football playing schools are encouraged not to sign contracts which call for games beyond the 1990 season. The starting date will change in 1991, as well as the district alignment changes, and until this alignment is finalized, probably in the early spring, it would be advisable to hold off from finalizing schedules and contracts.

NOTICE ON COACHING BOX

Effective this fall, the K H S A A is again in compliance with National Federation Playing Rules as they pertain to the coaching box. The box shall be six foot in length, beginning with the mid court line (hash mark) and extended towards the end line. The K H S A A has diagrams available to assist in the placement of the box. Also, schools which are forced to use a bench configuration at the end of the floor must have permission from the K H S A A in order to use this configuration. In addition, both benches must be in the same relative position, if one is on the end, both must be on the end. If you are in doubt as to the integrity of your gym markings, the Association has a diagram available upon request.

IMPORTANT NOTICE CONCERNING DISQUALIFICATIONS

By Board of Control action, all participants and/or coaches who are ejected from a contest for unsportsmanlike conduct shall be suspended from competition for a minimum of one game.

It also should be noted that officials who disqualify participants, and then do not report that disqualification to the Association office in a timely manner may face suspension from officiating!!

With this in mind it is important to adhere to the following procedure should a representative of your school be ejected for unsportsmanlike conduct: 1) Be sure you receive a disqualification card from the contest official, 2) Contact this office in writing to request reinstatement of the participant, 3) Inform the participant/coach of the suspension. You will be notified by return mail as to the end of the suspension, and the date or day when the player/coach will be eligible to return to competition. Contest officials also are reminded to use an ink pen and to press hard as the third copy is often illegible if done in pencil.

NOTE Any person who is suspended from a contest may not dress for that contest in game uniform. They will however be covered by the catastrophic insurance policy insofar as practice is concerned unless you are otherwise notified.
