### STATE TRACK COMMITTEE MEETING

December 6, 1990

The Kentucky High School Athletic Association Track and Field Committee met at the Association office in Lexington on Thursday, December 6, 1990. The meeting was called to order by Brigid L. DeVries, Assistant Commissioner at 1:30 p.m.

Members present were: Bro. Borgia, Scott Welch, Alice Leigh, Jeff Saylor, John Gettler, Gordon Bocock, Bill Patton, Bob Stacey, Jack Keller and Jean Wright. Members absent were Rudy McKinney, Lyman Brown, Ruth Whitehouse, and Charlie Ruter.

Gordon Bocock reported on the Mason Dixon Games to be held on Friday and Saturday, February 1 & 2, 1991 in Louisville at Broadbent Arena, which is adjacent to Freedom Hall. The Mason Dixon Committee is coordinating efforts with the KTCCCA to help coordinate officials for the meet. The high school division will be open to Kentucky athletes only.

Jean presented a status report on the Blue Grass State Games. The games are scheduled for July 26-28, 1991 at the University of Kentucky. Mrs. Wright encouraged more participation by high school athletes from all areas of the state.

The first item on the agenda was the announcement of proposed dates and locations for the 1991 Track and Field Clinics. The dates are set and the locations are being confirmed at this time.

Tues., March 26, 1991	Pad. Tilghman H.S. - 7:00 p.m.
Wed., March 27, 1991	Owensboro, Daviess Co. H.S. - 7:00 p.m.
Thurs., March 28, 1991	Louisville, St. Xavier H.S. - 7:00 p.m.
Mon., April 8, 1991	Lexington, Bates Creek H.S./ K.H.S.A.A. Office - 7:00 p.m.
Tues., April 9, 1991	Ashland, Russell H.S. - 7:00 p.m.
Wed., April 10, 1991	Covington, Covington Catholic H.S. - 7:00 p.m.
Thurs., April 11, 1991	London, KY - 7:00 p.m.

In addition, the K.H.S.A.A. will include a rules clinic as part of the KTCCCA clinic this year. That date has not been confirmed.

The next item was a discussion of the regional and sectional track meets and sites. Committee members discussed and made recommendations regarding regional and sectional sites. A proposal is under consideration to realign class AAA Region 3, and add additional schools to that region pending the notification of the specific schools to be placed in region three.

There was some concern regarding the time schedule at sectional meets where only one class is participating. Bill Patton recommended a one class format which insures adequate rest between events. This format was approved by the committee and will be included in the sectional managers information this year.

The next item for discussion was the State Track Meet. (1) The 1991 State meet will be held at the University of Kentucky. (2) Both Murray State University and Eastern Kentucky University expressed an interest in hosting the State Meet had not UK been available this year. The current State Meet format

was reviewed and suggestions were made regarding the state information. There will be a change in the order of events for the 1991 meet. The 3200 meter runs will be the first running events starting at 9:00 a.m. The time schedule will be adjusted accordingly. Some of the track committee members are planning to discuss a possible state survey to add the 3200 m relay and the girls triple jump, with the KTCCCA membership at their next meeting.

Other items of interest to the committee included a re-emphasis of the fact that the track clinics are required for head track coaches. Coaches must attend once in a two year period starting with the 1991 season. Also, one registered track official must be present to regional and sectional meets this year. The recruitment of more track officials remains a priority.

The next item for discussion was the National Federation Rule Changes. The mandatory construction of the discus cages by 1993 is the most significant rule change this year.

Miscellaneous items included the suggestion that athletes qualifying from regional to sectional meets be able to decline to go on to sectionals in one or more events, and not be penalized. The coach would inform the meet director of this within 1/2 hour of the end of the regional meet so that another athlete could take their place. This procedure would apply to regional meets only, if approved. The All Sports Committee will discuss this suggestion at their next meeting. Another item to be discussed by the All Sports Committee is dropping the fourth place finisher from regionals to sectionals and only qualifying three athletes into the sectional meets.

There being no further items for discussion, the meeting was adjourned.

**NOTICE ON EXPERIMENTAL BASKETBALL RULES**

In detail, the experimental rules changes in Kentucky high school basketball are as follows --

- 1) The current bonus free throw provision, one plus one on and after the fifth team foul of the half, is eliminated. In its place, all common (not including player control) fouls, personal and technical, committed by a player on and after the seventh (7th) foul of a half shall result in the offended team being awarded two free throws.
- 2) All technical and personal fouls called against a player shall be counted toward the limit of five fouls per player prior to disqualification
- 3) All technical and personal fouls called against a player or coach shall be counted toward the limit of fouls per half before the two shot provision.

These rules will be in effect for ALL games played in the state of Kentucky for the 1990-91 season. In late January, a survey will be taken among the coaches and officials to get an opinion about the change, this information will be taken to the National Rules Committee meeting in March for discussion. If you are playing an out of state team on their home floor, you will need to check with that team to ascertain if that state is utilizing the same experiment.

**NOTE CONCERNING BASKETBALL RATINGS**

Through the first three weeks of December, over 1,800 ratings forms have been mailed to the Association office. We are conducting random checks to insure the validity of the ratings, as well as attempting to verify the accuracy of the game assignments with the Assigning Secretary. There are a few problems which have crept up in the scanning of the forms, which we would like to point out --

- 1) The school number must be included on the form, and the proper spaces below the number must be blackened or the official will have five points deducted from the rating. The official's identification number is also a pre-requisite, or a five point deduction will be made. NO EXCEPTIONS. With the volume of forms to be scanned, it is imperative that this information be included. An additional list of school numbers is included in this magazine for use by the game officials.
- 2) Always use a #2 lead pencil when completing the ratings form, especially when blackening in the scan cells.
- 3) PLEASE do not fold the form, other than to place it in an envelope.
- 4) We have received forms folded to fit in a very small envelope, and many of these forms are not able to be scanned. Please use a #10 (letter size) envelope for mailing these forms, and MAIL THEM AS SOON AS POSSIBLE AFTER THE CONTEST. Once a week will suffice if schools desire to mail them in this manner.

**CALL THE OFFICE IF YOU NEED MORE INFORMATION ON THE COURT OF SUPPORT**

In the past few weeks, you should have received information about the Court of Support as we attempt to raise funds for the building of our new headquarters. The program is inexpensive enough to allow all of the Association constituencies to participate. Please take advantage of this opportunity to not only invest in the future of your Association, but to have your name immortalized forever with this project. Construction has begun on the new office complex, and if you want to be a charter contributor to this effort, time is running out.

**TENTATIVE 1990-91 BASEBALL/SOFTBALL CLINIC SCHEDULE**

**HAINES CITY (FL) SEEKS FOOTBALL COACH**

The Haines City High School in Haines City, Florida is seeking a Head Football and Weight-Lifting Coach. Though a P.E. certification is requested, other disciplines will be considered. The school is located in a community of 15,000, approximately 50 miles from Orlando, with 1250 students in the top three grades. The school seeks a person with Head Coaching experience in a highly successful program. Interested parties should send resumes to Jim Partain, at 2800 Hornet Drive, Haines City, FL, 33844, or call (813)422-6415.

## OPEN DATES SOLICITED FOR FOOTBALL SCHOOLS

Please submit your open football dates to the K.H.S.A.A. office so that we may again compile a list to assist you in scheduling. Please submit these open dates in writing and include 1) the game date desired, and 2) a contact name and daytime phone number. This is especially important as we begin scheduling for next year with the alignment changes.

## CONGRATULATIONS TO JIM WATKINS, LOUISVILLE

Congratulations are in order for Jim Watkins, athletic coordinator for the Jefferson County schools in Louisville, as he recently received the Thomas E. Frederick Award of Excellence from the National Interscholastic Athletic Administrators Association at their meeting in Anaheim.

The award was established in 1988 by the N.I.A.A.A. in recognition of the late Tom Frederick's invaluable contributions to the organization, and is to honor one individual annually whose loyalty to N.I.A.A.A. and contributions to the athletic director's profession represents excellence in achievement. Frederick, long time Associate Director of the National Federation, was primarily responsible for the formation and leadership of the organization from 1977 until his retirement in 1989.

Watkins has been coordinator of Jefferson County athletics for two years following 14 years service as Southern High School as A.D., and is a regular tournament employee of many K.H.S.A.A. events.

Many other honors have been bestowed upon Watkins, including A.D. of the year in 1982-83 by K.H.S.A.D.A., Award of Merit in 1984 from K.H.S.C.A., and the National Federation Citation in 1985.

## ANKLE BRACES

**SWEDE-O-UNIVERSAL<sup>®</sup>**

### **SUPERIOR ANKLE PROTECTION FOR ALL ATHLETES IN ALL SPORTS!**

Swede-O Universal ankle braces were designed to help prevent ankle injuries while preserving flexibility. Materials and workmanship are guaranteed one full sports season. For optimum support, we recommend that they be replaced each season.

#### **FITTING**

Your Swede-O Universal ankle braces should be properly fitted. Sizes are approximations. Variations will occur due to differences in individual foot structure. For the best fit, there should be a 1" to 1½" space between the two rows of eyelets (at the base where lacing starts) and no gaps or bulges in the heel cut-out; the brace should fit smoothly and snugly.

#### **BREAK-IN PERIOD**

Allow four to eight hours of wear for the initial break-in period. If blistering occurs during this time, apply a foam pad or mole skin to the affected area. Mark each support "left" or "right" since it will conform to the shape of the individual foot.

#### **WEARING**

Wear one or two sweat socks for comfort and absorption.

#### **LACING**

Beginning with the bottom single eyelets, pull laces as tightly as comfortable.

In the center, lace through the double eyelets. The eyelet holes on the two layers of fabric are offset to provide the heel-lock that helps to stabilize the ankle.

The top single eyelets should also be pulled as tightly as comfortable.

Extra stirrup inserts are available for added stability. They fit into the outside "pocket" or flange prior to lacing.

#### **CLEANING**

Swede-O Universal ankle braces can be washed with soap and water and air dried. Do NOT put them into a clothes dryer.
