SPECIALTY SYSTEMS, INC.

M.V.P. FOR THE **ATHLETIC DIRECTOR**

Specialty System's all new MVP Administrative and Management Programs for Athletic Directors offer a variety of unique applications and services never before available.

MVP programs are designed to be used independently on a single computer or integrated with SSI's other administrative modules as part of a complete school system.

MVP earns its names with the following advantages.

• MVP ADMINISTRATION

The master database of the MVP system, this package tracks player eligibility, injury notification, notification to parents & insurance company plus much, much, more.

Administration Module, \$695

• MVP CONTRACTS, TICKETS & FACILITIES

Saves time and loss of money by tracking placement, sales & collection on tickets, tracks contracts outstanding and completed by year and by sport.

Contracts, Tickets & Facilities, \$345

• MVP STATISTICS PACKS

Integrated with the administration module this module does not have to be re-entered into a separate package for each sport. Two packages are available: Package 1 for football, basketball, baseball/softball, golf, soccer, and tennis, Package 2 for volleyball, track, cross country, field hockey, wrestling, and swimming. Each package also keeps participation reports on all sports for letter awards.

Statistics Pack One, \$445 Statistics Pack Two, \$445

• MVP BOOSTER CLUB MGMT.

Total management of club memberships, volunteer lists, donation and others.

Booster Club Module, \$535

Where's Our Check?

**By
Anne
Wesley
Mays**
*KHSAA
Office Manager*

At a time when every high school is feeling the crunch of increased costs to operate all aspects of its sports' programs, one question on the minds of the coaches and principals is "When will we receive our

expense check from the KHSAA for our participation in the State Championship (volleyball, football, soccer, etc.)?"

We offer this explanation of the procedure used before the checks can be issued.

1) Following the state event in most sports, the school completes a participation form which the coach signs listing the number of participants. This form is then verified by the KHSAA and expenses are calculated using the allowance set forth in the KHSAA Handbook under the respective sport. State championships are financed by the Association. However, only those sports sanctioned by the KHSAA that are revenue producing sports receive expense checks (i.e. baseball, basketball, football, softball, soccer and volleyball).

2) The calculated expenses are then approved by the Commissioner and given to the Office Manager for processing.

3) The check is written within three to five days from the date of receipt of these calculated expenses and in most cases within two weeks of the state event.

In case a school does not receive an expected expense check within two to three weeks, the principal should contact the KHSAA. Often times the participation forms have not been processed properly or submitted promptly.

Our objective is that all monies due our member schools will be mailed promptly. Please let us know if you have any questions or comments about the above procedure.

Note: Many of our schools are still using our old address. After Feb. 1, 1993, the post office will no longer forward our mail. Please make sure you are sending all correspondence to 2280 Executive Drive, Lexington, KY 40505.

Minutes of the October Board Meeting

October 16, 1992

The Board of Control of the Kentucky High School Athletic Association met at Jenny Wiley State Resort Park in Prestonsburg, Ky. on Friday, Oct. 16, 1992. The meeting was called to order by President Jack Portwood at 1 p.m. with all Board members present. Others present were Commissioner Billy Wise, Executive Asst. Comm. Louis Stout, Assistant Commissioners Brigid L. DeVries and Larry Boucher, Bus. Affairs Manager Julian Tackett, KHSAA Attorney Ken Jackson and Gary Faulkner, representing the State Department of Education. The Invocation was given by Ray Story.

Minutes of the following meetings were approved unanimously: Regular Meeting on July 24-25, 1992 - Frank Welch moved, Claudia Hicks second; Teleconference on 8/28/92 - Ray Story moved, Gene Brooks second; East Eligibility on 9/14/92 - Alvis Johnson moved, Arthur Jackson second; East Eligibility 9/24/92 - Alvis Johnson moved, Arthur Jackson second. Frank Cardwell made a motion, seconded by Frank Welch, that all bills of the Association for the period July 1 through Sept. 30, 1992, be accepted. The motion carried unanimously. Following a discussion of the Working Budget for the First Quarter, Stan Steidel moved to accept. Ray Story seconded. Passed unanimously.

The next items on the Agenda were the Appeals. Following presentations by the appellants, questions by the Board members and discussions thereof, the following actions were taken:

Shawn Woolum, Pineville H.S. - Voted 10-1 to waive By-Law 5, Sec. 3; Clay County H.S. - Voted 11-1 to deny request to remove the girls' basketball team from probation for 1992-93;

David Daukas, Cawood H.S. - Voted 6-6 to uphold By-Law 4, Sec. 1(b); Patrick McCowan, Corbin H.S. - Voted 9-2 with 1 abstention to uphold By-Law 4, Sec. 1(b);

Owensboro H.S. appeal to deny eligibility to Peter Nichols and Phillip

Moore at Apollo H.S. - Voted 6-5 (Talbutt abstained) to uphold By-Law 6, and deny eligibility;

The Board then recessed for lunch.

Following the lunch break, Alvis Johnson moved, seconded by Stan Steidel, that the KHSAA Board of Control meet with the State Board of Education prior to its December meeting to discuss transfer cases. The motion passed. Mr. Johnson then left the meeting.

David Nunn, Valley H.S. - Voted 9-2 to waive By-Law 4 and By-Law 5;

Anthony Sharber, University Heights Academy - Voted 6-5 to uphold By-Law 6, Sec. 1(f);

Casey County H.S. - Voted unanimously to uphold By-Law 25, Sec. 4(5);

Male H.S. - Voted unanimously to uphold the probation of the football team for violations of By-Law 6, Sec. 3(b);

Owen County H.S. - Voted unanimously to uphold the participation of Walton Verona's baseball team in District 32;

Ian Wallace - Conner H.S. - Voted 10-1 to waive By-Law 5, Sec. 3.

Ray Story made a motion to authorize Commissioner Wise to issue 1,150 complimentary tickets each for the boys' and girls' state basketball tournaments. Frank Cardwell seconded the motion which passed unanimously.

The meeting was recessed until Saturday morning at 8 a.m.

October 17, 1992

President Portwood called the meeting to order at 8:00 a.m. with all Board members present. Mr. Portwood welcomed Brooks Downing, the newly hired Sports Information Director, to the meeting.

The first item on the Agenda was a discussion of House Bill 750. The State Board of Education directed the KHSAA to adopt a proposal in the form of a by-law to present to the SBESE for approval regarding the implementation of House Bill 750. This by-law, if adopted by the SBESE, would prohibit athletes below

grade 9 from participating in varsity level contact sports — football, soccer and wrestling. Following a lengthy discussion, Grant Talbutt made a motion, seconded by Frank Cardwell that President Portwood appoint a committee to draft a position paper on HB750. The motion passed unanimously. Mr. Portwood appointed the following persons to serve on this committee: members of KHSAA By-Laws Committee, Dr. Quin Bailey of the K.M.A., Randy Kimbrough of the State Department of Education and the KHSAA Staff.

Commissioner Wise then discussed a request he had received from the State Department of Education that a regulation be proposed for adoption as a KAR regarding the financial planning and rules and regulations as set forth in the KHSAA Handbook. Stan Steidel moved to adopt the request from the SBESE and to include the members of the KHSAA Board of Control. Grant Talbutt seconded the motion which passed unanimously.

Exec. Comm. Stout requested the following dates and sites be approved for the 1992 Soccer Tournaments: Girls - Semifinals on Thursday, Nov. 5 at Montgomery County H.S.; Finals on Saturday, November 14 at Woodford County H.S. at 6 p.m.; Boys - Semifinals on Thursday, Nov. 12 at Woodford County H.S.; Finals on Saturday, Nov. 14 at 8 p.m. at Woodford County H.S. Gene Brooks made a motion, seconded by Claudia Hicks that the above schedule be adopted.

Asst. Comm. Boucher gave a report on several items regarding the Officials Division; 1) assignments for the district and regional basketball tournaments to be presented at the December meeting; 2) black jackets for the officials; 3) status of the officials' banquet, bags for state tournament officials in all sports, certificates and newsletter; 4) rain-out policy for cancellation of games.

Mr. Portwood then called on Lisa VonHalle, Mike Sullivan and John Huston, representatives of Miller, Mayer,

(Please See Next Page)

(Continued From Page 6)

Sullivan & Stevens, to answer questions regarding the 1991-92 Audit Report. Mrs. VonHalle pointed out that from July 1985 to June 1992, the KHSAA went from a \$638,000 surplus to a \$607,000 deficit, mostly due to the construction of the new facilities and the inability to use the proceeds from the sale of the previous headquarters. She also noted that the 1993 Budget indicates that the shortfall will be corrected if expenses are cut and revenue is increased as projected by Commissioner Wise and his staff. Mr. Sullivan pointed out that this was the first time his firm had been asked to meet with the Board to discuss the Audit Report. Mr. Portwood thanked them for coming. Alvis Johnson made a motion that the president appoint a Budget/Audit Committee. Stan Steidel seconded the motion which passed unanimously. Stan Steidel moved to approve the 1991-92 audit as presented. Grant Talbott seconded the motion which passed unanimously.

Anne W. Mays, office manager, reported that \$351,817 in ticket sales has been received through this date for the Boys' State Basketball Tournament. Advanced ticket sales for the Girls' State Basketball Tournament has netted \$25,216. Both figures are ahead of last year's receipts for the same time period. A report of cash balances in all checking accounts was given.

Mr. Cardwell, Chairman of the All-Sports Committee, advised the Board that the committee is studying golf re-alignment and cross country and track proposals. He also stated that a girls' soccer survey is to be mailed in January. The committee had no items for action.

Ray Story, Chairman of the Football Committee, recommended that the following items be approved:

- 1) That officials for the third round of the football playoffs be approved;
- 2) McCreary Central be eligible to play in district playoff competition in 1995 and 1996;
- 3) Pike County Central's request to be placed in Class AA, Region IV, District 2 pending enrollment verification;

4) Boyd County's re-classification to AAA, III, 2; Breathitt County's re-classification to AA, III, 2; Glasgow's re-classification to A, II, 1; Marion County's re-classification to AA, II, 2.

All of the above requests are pending enrollment verification. Mr. Story made a motion that the Football Committee's recommendations be adopted. Arthur Jackson seconded the motion which passed unanimously. Following further discussion of the football re-alignment, Frank Cardwell made a motion, seconded by Stan Steidel, that the Association look at the enrollment figures for football schools every two years and allow the Commissioner to raise/lower the classification and eliminate the 10% provisions to become effective for the 1994-95 school year.

S.I.D. Brooks Downing gave a report on his current projects: FB stats and notes to the media; assisting the coaches with the all-state teams; State Record Book; "Be A Sports Campaign" through the National Federation; Boys' and Girls' State Golf Tournaments; State Volleyball Tournament Program and the Officials' Newsletter.

Commissioner Wise submitted the following amendments to the By-Laws for approval to send to the State Department of Education: By-Law 4, Enrollment; By-Law 6, Transfer Rule; By-Law 8, Contestant on Other Teams; By-Law 10, Recruitment; By-Law 11, Permanent Ineligibility; By-Law 23, Forfeits; By-Law 25, Limitation of Seasons; By-Law 28, Physician's Certificate and Parent's Consent; By-Law 31, Liability to Suspended School; By-Law 33, By-Laws Not Applying to Certain Schools. Ray Story moved, seconded by Gene Brooks, that the Board authorize the Commissioner to submit these By-Laws to the State Department of Education. The motion passed unanimously.

Commissioner Wise reported on the National Federation Section II Meeting in Annapolis. Items of discussion were eligibility, transfers, coach's certification and gender equity. He also reported on the status of TARGET, litigation against Partners in Protection, and the BE A SPORT Campaign.

Commissioner Wise next responded to a list of Board concerns and

requests and a letter received from an attorney desiring to work with the KHSAA.

Mr. Steidel suggested that the Board look for a more efficient manner in which to handle the appeals. Mr. Johnson made a motion that the East and West Eligibility Committees hear appeals monthly if there are cases to be heard. James Sexton seconded the motion which passed unanimously.

The next meeting of the Board will be held on Dec. 4, 1992, at the Executive Inn in Louisville for the purpose of hearing appeals. The regular meeting will be on December 5, 1992, at 8 a.m.

Several miscellaneous items were presented by the Board members for discussion, however none of them required any action. There being no further business, Mr. Story moved to adjourn. Grant Talbott seconded.

East Eligibility Meeting

November 16, 1992

The East Eligibility Committee met at the Kentucky High School Athletic Association Building at 10:30 a.m. on Monday, Nov. 16, 1992, for the purpose of hearing an appeal of By-Law 4, Enrollment, in the case of Chris McIntosh, a student at Jackson City High School.

Committee members present were Chairperson Claudia Hicks, presiding; Alvis Johnson, "Ozz" Jackson, Jack Portwood, Stan Steidel and Frank Welch. Also present were Commissioner Billy Wise, Exec. Asst. Commissioner Louis Stout, Asst. Commissioner Brigid DeVries and Larry Boucher and Bus. Affairs Dir. Julian Tackett. Randy Kimbrough and Gary Faulkner were present representing the State Department for Elementary and Secondary Education.

Presentations were made by Dr. Ed Lowdenback, Principal, Jackson City High School, Chris McIntosh and his mother. Following questions and com-

Kanaby Named NF Executive Director

KANSAS CITY (November 19, 1992) — Robert F. Kanaby, executive director of the New Jersey State Interscholastic Athletic Association, has been named executive director of the National Federation of State High School Associations. The transition will begin immediately, and Kanaby is expected to be on board by mid to late February.

The decision was made by the 12-member National Federation Executive Committee after a 3-1/2 month search. Kanaby succeeds Brice B. Durbin, who is retiring Jan. 31 after a 16-year tenure as National Federation executive director. The National Federation is the national service and administrative organization for high school athletics and non-athletic activity programs.

"We are proud to announce Bob Kanaby as the new executive director of the National Federation," said Chickering, president of the National Federation who directed the Executive Committee's search. "The Executive Committee was privileged to have a distinguished list of candidates from which to make our selection, and Bob Kanaby emerged from that group.

"Bob has clearly demonstrated the leadership traits necessary to lead the National Federation into the next generation. The Executive Committee is firmly committed to the National Federation's mission and looks forward to working with Bob in this new era."

Kanaby (pronounced CAN-uh-bee) comes to the National Federation after 12 years as NJSIAA executive director and 19 years as a teacher, coach and high school administrator, all in New Jersey.

Kanaby, 53, earned his bachelor's (1961) and master's (1968) degrees from

Jersey City State College after graduating from St. Anthony High School in Jersey City. He also has completed an additional 60 hours beyond the master's degree at Montclair State College, Rutgers University and Lehigh University.

Prior to beginning his high school administrative career in 1968, Kanaby was a teacher and coach at several New Jersey high schools. He was a health teacher and coach at his alma mater, St. Anthony High School, from 1957 to 1961, a coach and English/Social Studies teacher at Union Hill High School in Union City, N.J., from 1961 to 1966 and a coach and reading consultant at Bridgewater-Raritan High School East from 1966 to 1968.

Kanaby was vice-principal four years (1968-72) at Bridgewater-Raritan High School East and then served as principal at South Hunterdon Regional High School (1972-78) and Hunterdon Central Regional High School (1978-80) before becoming executive director of the New Jersey association in July 1980.

"I am very honored by this appointment and excited about the opportunity to serve so many young people and our state associations," Kanaby said. "This is an exceptional opportunity, and I'm very proud to have been selected. I will strive to give the same level of support to our state associations that they so willingly give to young people in their states."

Kanaby has been extremely active in National Federation programs and services for many years. He was involved in the development and implementation of the Walt Disney World National Dreamers and Doers program and served three years as chairman of

the Dreamers and Doers Selection Committee. Previously, he had chaired an ad hoc committee to develop a student-recognition program for the National Federation.

Kanaby has been a member of the TARGET Board of Directors since the program's inception. He also is a member of the TARGET Execution Committee and currently serves as vice-president of TARGET, which is the National Federation's chemical-health program to help students cope with tobacco, alcohol and other drugs.

Other national contributions include service on the National Federation Football Rules committee, Telecommunications Committee and Appeals Committee. Kanaby also has been a popular speaker at TARGET seminars, national athletic directors' conferences and the National Federation Annual Summer Meeting.

Kanaby is past president of the Hunterdon County Administrators Association and the Hunterdon Co. Career Coordinating Council. He has served on the New Jersey Governor's Council on Physical Fitness and Sports, the nominating committee for the New Jersey Sports Hall of Fame and the Governor's Task Force on Drug Education.

The fourth full-time executive director in the history of the National Federation, Kanaby follows H.V. Porter (1940-58), Clifford Fagan (1958-77) and Durbin (1977-93).

Kanaby and his wife, Pat, have three children — Robert, Christopher and Steve. Robert and his wife have a son, Robert; Christopher lives in Richmond, Va., and Steve graduates next month from the University of Richmond.

DUNLAP ANNOUNCEMENT

Dunlap has gym floor covers available free to schools for cost of the stitching on the outer edge. Call John Dayon for details... 1-916-274-3233. Protective covers are to be used to prevent scuffing and damage to gym floors.

Basketball Rules Interpretations

PUBLICATION CORRECTION:

Casebook, Play 5, delete part (a) and ruling relative to part (a).

SITUATION #1: (a) Four minutes prior to the start of the game; or (b) during a time-out in the 2nd quarter of play, the Team B coach requests the scorer to add a name to the squad list or change a squad member's number in the scorebook. When is the penalty invoked for this administrative infraction?

RULING: The infraction occurs when the scorer is advised to add to or change the scorebook. The foul must be charged and enforced when the ball next becomes alive. Once the ball has become alive, it is too late to penalize. (10-1-2b,c,d,e Pen)

COMMENT: A number of administrative infractions, i.e., adding a name to the squad list, requiring the scorer to change a number, or a player to change to the number listed, or identical numbers, are to be penalized "when discovered." "When discovered" actually means when it occurs" in all cases other than the identical numbers. The scorer must inform the officials and the penalty must be invoked at that time. If the infraction is not penalized then, it will be too late if not reported or recognized before the ball becomes alive.

SITUATION #2: (a) AI is discovered to be wearing a different number than recorded in the scorebook; or (b) during a dead ball, the coach informs the officials that AI's shirt must be changed as it is torn and that the number will be different than the number on the torn shirt; or (c) AI has changed shirt number at halftime and has not reported this to the officials or the scorer.

RULING: In (a) a technical foul is charged to Team A as the scorer must change the number in the scorebook. In (b) the change is allowed without penalty and the scorer will record the new number. In (c) it is a flagrant technical foul on AI which results in immediate disqualification. (3-2-2d,e; 10-1-2c; 10-3-1)

SITUATION #3: The five starting players for Team B are all wearing numbers which are different than the numbers entered in the scorebook. The discovery is made: (a) just before the toss on the jump to start the game; or (b) following the first dead ball after the game has started. In both cases the

numbers in the scorebook are changed to match those worn by the players.

RULING: In both (a) and (b) Team B is penalized with one technical foul. In (a) the game begins with Team A's 2 free throws and the ball for a division line throw-in. (3-2-2d; 10-1-2c Pen)

SITUATION #4: AI is fouled and should be awarded a one-and-one, but erroneously Team A is given the ball for a throw-in. The error is discovered: (a) immediately after BI scores after intercepting the throw-in pass; or (b) while A2 is holding the ball after catching the throw-in pass; or (c) immediately after A2 travels following the throw-in.

RULING: In (a) AI will be given a one-and-one opportunity with no players along the lane. Play will resume with a throw-in by A from anywhere along the end line as normal following a goal by B. In (b) AI will be awarded a one-and-one with players along the lane and play will continue from the made or missed free throws. In (c) following AI's one-and-one, with no players along the lane, play resumes with a throw-in by B nearest the violation. (2-10)

SITUATION #5: BI and B2 commit personal fouls against AI at approximately the same time. AI is fouled while in the act of shooting on a 3-point try which is: (a) successful; or (b) unsuccessful.

RULING: This is a multiple foul situation. In (a) AI is awarded 2 free throws. In (b) AI is awarded 4 free throws. (10-6 Pen 6b)

SITUATION #6: AI catches the throw-in pass with one foot on the floor in A's frontcourt and the other foot not touching the floor. The non-pivot foot then comes down in A's backcourt.

RULING: Violation. The throw-in exception regarding the division line is not in effect, unless both feet of AI are off the floor when he or she catches the throw-in pass. (9-9 Exp)

SITUATION #7: AI is fouled and is awarded 2 free throws. Team B is out of time-outs and the coach calls all the players to the sideline for instructions while AI is preparing to attempt the first free throw. Is this situation a technical foul for delay, or a violation on Team B if AI misses the free throw?

RULING: Team B must occupy the first two spaces as required since this

free throw situation is not following a time-out or intermission. A technical foul is charged if two B players do not immediately respond to the official's request or instructions before the ball is put at AI's disposal. This type of delay is a planned technique which is used in order to have a conference without having to use a time-out. (10-1-5b)

SITUATION #8: AI is fouled by BI while Team A is in the bonus. The covering official is at the table reporting the foul when AI is charged with a technical foul by the official who is observing the players. The foul on AI is his or her 5th.

RULING: Because AI has been disqualified, he or she will not be allowed to attempt the one-and-one resulting from BI's foul. The substitute for AI will shoot the free throw(s). (4-14; 8-2)

SITUATION #9: AI is holding the ball for the 2nd free throw and has not started a throwing motion when B2 fouls A2 along the lane. Team A is in the bonus.

RULING: The whistle causes the ball to become dead. The lane spaces are cleared for AI's free throw attempt, but are occupied as required for A2's one-and-one. (6-7-7; 8-1-2)

SITUATION #10: BI fouls thrower AI and the contact is on the: (a) out-of-bounds; or (b) inbounds side of the throw-in boundary plane. **RULING:** In (a) it is an intentional foul and in (b) it is a common foul-unless judged to be intentional or flagrant. (9-2-11 Pen 4)

SITUATION #11: AI, while in the air, secures control of the rebound of his or her unsuccessful 3-point try. AI is off balance and falls to the floor, but is able to hold onto the ball. **RULING:** A traveling violation by AI. (4-38 Ques 1)

SITUATION #12: BI fouls AI to put Team A in the bonus, but the officials erroneously give Team A the ball for a throw-in. A6 replaces AI. BI intercepts the throw-in pass and quickly scores a field goal. Following the goal, the officials are advised of the error. **RULING:** The error of not awarding AI a merited free throw(s) is correctable. AI will be instructed to enter and attempt the one-and-one with no players along the lane. AI will then return to the bench and the

Wrestling Rules Interpretations

PUBLICATION CORRECTIONS

Wrestling Rules Book Rule 8-2-6, Pg. 31 - In the last sentence, place a period after nosabeled" and delete the remainder of the sentence.

Casebook and Manual Part X, #4, Pg. 25 - Delete the entire second sentence and the word "not" in the last sentence. Part X, Item #5, Pg. 26 - In the last sentence, delete the word "not" which is the fifth word from the end of the sentence.

SITUATION #1: Is it permissible for a contestant to wear gloves while wrestling in high school competition?

RULING: Gloves would not be considered as traditional wrestling equipment or uniform. They would not be categorized as "special equipment" because that is primarily for protective reasons. They would be considered as something that would give you an advantage over your opponent and, therefore, would not meet with the spirit of good sportsmanship. (3-1-11)

SITUATION #2: School A has a wrestling match with School B on Tuesday night and with School C on Wednesday night. On Tuesday morning, the coach of School A calls the coach of School C and indicates to him that he has a dual meet that night and, therefore, the dual meet on Wednesday night would be consecutive days of team competition and all contestants would be allowed to have a one-pound allowance.

RULING: In order to be granted a one-pound allowance for all contestants, a minimum of 48 hours advanced notice is required for your opponents. In this case we do not have 48 hours therefore no allowance. **COMMENTS:** The coach of School C cannot grant a one-pound allowance even if he would like to. The rules do not allow for the two coaches to make agreement upon an area that is specifically outlined by rule, therefore, the dual meet on Wednesday night would be at scratch weight. (4-5-4)

SITUATION #3: Wrestler A is ahead of his opponent by a score of 14-4 and both wrestlers are on their feet. Wrestler A is able to initiate a takedown with an upper body move that places Wrestler B on his back when he makes contact with the mat. The referee completes this five-second count and shortly thereafter, Wrestler A is too high on his

opponent and is reversed by Wrestler B. The reversal immediately puts Wrestler A on his back and he is pinned. Would Wrestler B be declared the winner of the match? **RULING:** The match would be won by Wrestler A on a technical fall. As soon as Wrestler A takes Wrestler B to the mat he is awarded two points, which would make the score 16-4 and, as soon as the five second count has been completed and Wrestler B reverses Wrestler A, you would award a three point near fall to Wrestler A, making the score 19-4. At this time, Wrestler A is ahead by 15 points and would win the match. (5-2-7)

SITUATION #4: The 130-pound contestant from School A reports to the mat to wrestle and the referee notices that he has an undergarment that extends below the length of his singlet. What is the proper procedure for the referee to follow in this circumstance?

RULING: It is the desire of the rules committee that situations of this nature be taken care of in the locker room prior to competition. If, however, it presents itself at mat side, the referee needs to follow this guideline: it is a violation of Rule 4-1-1 where it states, "While full-length tights are acceptable under a one-piece uniform, Bermuda-length tights and other accessories that extend beyond the inseam of a one-piece uniform are not permitted." Therefore, in accordance with Rule 8-1-1, the wrestler would have his two-minute injury time to prepare himself to be ready to wrestle on the mat. If this correction cannot be made within the two-minute injury time the individual would be disqualified from competition.

COMMENTS: The high school wrestling uniform can either be full-length tights under a one-piece uniform or you may wear just a one-piece uniform. If you wear a one-piece uniform, it must have a minimum inseam of 4 inches and a maximum length of above the knee. The school uniform is flexible enough that it should be able to satisfy all types of tights and undergarments if the individual wishes to wear them. (4-1-1 & 8-1-1)

SITUATION #5: In a dual meet the 171-pound match concludes with the score tied 5-5. The referee goes to the scorer's table to verify this score and, as

he returns to the center of the mat to notify the contestants, one of the individuals is disgusted with the fact that an overtime must take place and slams his headgear to the mat in disgust. The referee immediately penalizes this as unsportsmanlike conduct. Because wrestling has not concluded, this unsportsmanlike call would be a match point and, therefore, the match would be concluded with the final score 6-5. The overtime would not take place. (6-1-3 & 7-4-2)

SITUATION #6: The 140-pound match appears to end with the score 5-4. At the conclusion of the match, the individual that has scored 4 points immediately expresses himself to the referee in an unsportsmanlike manner. The referee, at that time, signals unsportsmanlike conduct and deducts one team point. The coach of the wrestler that scored 4 points, however, has gone to the scorer's table and request a conference with the referee. The purpose of the conference is that the coach feels there has been a scoring error and the match score should be 5-5 instead of 5-4. After the official checks the scoring, he concludes that the coach is correct and indicates that the match ends in a tie. By rule we now automatically go to overtime, but, instead of starting the match, the referee indicates to the scorer's table that the unsportsmanlike conduct call will now be changed from a team point to a match point and the overtime has concluded with the final score of the match 6-5.

COMMENTS: An unsportsmanlike call is a team point if there is no more wrestling. This unsportsmanlike call, however, occurred when there was wrestling left and, therefore, it is a match point.

SITUATION #7: During the third period, Wrestler A indicates to the referee that he is having trouble breathing and requests a time-out because of his illness. During the time-out, he takes medication from his coach so that he will be able to continue wrestling. Is this a violation of the high school wrestling rules? **RULING:** A contestant is now allowed to take a time-out for an injury or an illness. In the above situation, we would have a time-out for illness and,

(Please See Next Page)

(From Page 12)

during that time-out, it is permissible for the individual to take medication. (8-2-1)

SITUATION #8: In dual meet competition both coaches have weighed-in two contestants for the 145-pound match. For that particular match, School A must send their wrestler to the mat first. However, after the 140-pound match, the coach of School B sends one of his contestants to the center of the mat prior to the coach of School A sending his wrestler out. As soon as the coach from School A sends his wrestler to the mat, the coach of School B withdraws his first wrestler and replaces him with another contestant. Is this permissible?

RULING: Even though, in this situation, the wrestler from School A was required to go to the mat first, if the individual from School B goes to the mat first, he cannot be recalled. Once either contestant is placed on the mat he may not be withdrawn without forfeiting the match. Once you send a wrestler to the mat he must remain there and you no longer have a choice. (6-2-2)

SITUATION #9: Wrestler A has a legal headlock on Wrestler B and, as they go to the mat, Wrestler B is able to work his arm out so that the headlock only has the arm encircled between the elbow and the hand. What is the proper procedure for the referee to follow in this situation? **RULING:** This is a situation where a legal hold is turned into an illegal hold by the defensive wrestler. The referee shall cause the hold to be released as soon as it becomes illegal but he shall not penalize the offensive wrestler. The match does not need to be stopped unless the referee finds it necessary to do so in order to correct the illegal hold. (8-1-5 & 6)

SITUATION #10: Two contestants accidentally butt heads and, as a result, one receives a laceration and the bleeding from it is difficult to control. How much time is allowed for this problem to be resolved? **RULING:** The rules this year now state that all bleeding, other than a nosebleed, shall be counted as injury time. Therefore, this problem must be curtailed within a maximum of two minutes injury time in order for the individual to continue the match. Otherwise the match would be defaulted and his opponent declared the winner.

Basketball Rules (From Page 11)

game will continue as normal following a goal by Team B. If Team A desires, A1 may enter and replace a player and remain in the game. (2-10-1; 8-2)

SITUATION #13: Immediately following a goal by A1, A2 inbounds the ball and: (a) A3 scores a goal followed by a throw-in by Team B; or (b) it is intercepted by B1. In both cases, the ball subsequently becomes dead and the throw-in by A2 is questioned.

RULING: In (a) once the throw-in begins after A3's goal, it is too late to cancel the score or penalize Team A. In (b) the game will resume from the point of interruption. No action will be taken against Team A in either situation. The unauthorized throw-in procedure is limited to discovery before the next throw-in begins, following a score by Team A, or before Team B gains control of the ball. (10-1-8)

SITUATION #14: A1 is making a designated spot throw-in from out-of-bounds, near the division line. A1 lobs the throw-in pass toward A2 who is near the opposite sideline. B1 leaps from B's frontcourt and intercepts the pass. B1 returns to the floor with: (a) the first foot down in B's frontcourt and the other foot then down in backcourt; or (b) the first foot down in B's backcourt and the other foot then down in frontcourt; or (c) both feet in B's frontcourt, but momentum forces B1 to immediately step into backcourt. **RULING:** No violation in (a) and (b). In (c) it is a violation for returning to backcourt. Once both feet have touched the floor in frontcourt, any subsequent touching in backcourt is a violation. (9-9 Exp)

SITUATION #15: A1's throw-in pass bounces off the floor and is caught by A2, while A2 is in the air. A2 has jumped from A's frontcourt and lands with both feet touching in A's backcourt. **RULING:** Legal. Whether or not the ball touched the floor before A2 controlled the throw-in pass has no significance. The exception is in effect when the first player to secure control of the throw-in has both feet off the floor. (9-9 Exp)

SITUATION #16: Erroneously Team A is given a throw-in when A1 should have a one-and-one free throw. A1 inbounds the ball and A2 tries for goal. The unsuccessful try is rebounded by A3 and A3 is holding the ball when the error

is discovered.

RULING: A1 will be given a one-and-one free throw with players along the lane. Play will continue as normal from the made or missed free throw(s) since there had been no change of team possession following the error and until it was discovered. (2-10; 2-12-3a)

SITUATION #17: Team A coaches and substitutes are all off their seats and are standing while yelling encouragement and support for A1 during a free throw situation. The infraction is detected by the covering official. How many technical fouls are assessed?

RULING: One technical foul is charged to Team A and also charged to the head coach. In a situation where similar multiple infractions of this type occur at the same time, it is not the intent of the rules to penalize each individual infraction as a separate technical foul. (10-4-1g; 10-5 Pen)

SITUATION #18: A1 has the ball and prepares to attempt the first of 2 free throws. B1 violates by stepping out of a marked lane space and the covering official gives the appropriate signal. A1 sees the official's signal and is confused. A1 tosses the ball to the official.

RULING: A1 has also committed a violation. A violation by A1 combined with B1's violation results in a double violation. A1 is entitled to attempt the 2nd free throw. (9-1-3 Pen 3)

SITUATION #19: Free thrower A1 is in the act of shooting when B1 fouls A2 along the lane. The contact by B1 forces A2 to step into the lane just before A1 releases the ball in a successful attempt.

RULING: Since the foul caused A2 to violate, the violation should be ignored, the free throw counted, and the foul on B1 enforced. (4-11; 6-7 Exp 3)

SITUATION #20: Following a goal by A1, A2 purposely grabs the ball as it comes through the basket and inbounds it to A3. A3 passes the ball to a teammate and play continues until B1 is called for a blocking foul. At this point, the referee recognizes Team A had an unauthorized throw-in.

RULING: Charge Team A with a technical foul and cancel the common foul charged to B1.-Consumed time is put on the clock and play resumes with the 2 free throws and then a throw-in by Team B. (10-1-8)

Minutes Of The State Soccer Meeting

NOVEMBER 13, 1992

Committee members present were Jeff Lendon, Montgomery County High School, James Weatherly, Murray High School, Nick Brake, Daviess County High School, Valdis Bole, Atherton High School, Byron Perkins, North Hardin High School, John Horton, Covington Catholic High School, Bob Pugh, Lexington Catholic High School, Rick Oschner, Rowan County High School, Kathy Johnston, Bourbon County High School, Geneva Reimer, A.D., Scott High School and Frank Slone, Paul Blazer High School.

The team alignment for 1993 was discussed and several schools have requested re-alignment on the district level for the 1993 soccer season. Motion was made by Frank Slone, and seconded by James Weatherly that any submitted proposals for change in alignment as presented by schools would be decided on by the Board of Control. Motion carried. This includes any changes for boys and girls teams. Mr. Stout stated that the eight regions for girls soccer would not change unless more teams were added. Also, that a referendum would be sent out to all schools in January concerning seasons of play for the boys and girls soccer program for the 93-94 season.

It was reminded that a referendum is mailed to all member schools, not just soccer playing schools. Discussion followed expressing concern for voting again so soon in regard to the soccer season for both boys and girls. Mr. Stout stated that if majority support was shown, in the form of notarized letters, from schools that expressed the desire to keep boys soccer in the fall then the Board of Control may reconsider the referendum that would include the boys program. This information would be made available to the Board of Control at their December meeting by Mr. Stout.

Beginning in 1993, Mr. Stout will be organizing the clinics which will require attendance by all officials and coaches. Mr. Stout also stated that he will have a coach and an official at each

of these clinics to address any questions. Any recommendations for these individuals may be addressed to Mr. Stout at the KHSAA. It was stressed that the rule will be adhered to for any coach or official that does not attend the scheduled clinic. In addition to the scheduled clinics, two (2) regional make-up clinics may be scheduled.

Clinic dates and sites are:

1. Madisonville North-Hopkins, August 7, 11 a.m. CT; Jim Weatherly, will assist.

2. Elizabethtown High School, August 9, 7 p.m. ET; Byron Perkins, will assist.

3. Louisville - Trinity High, August 11, 7 p.m. ET; Valdis Bole, will assist.

4. Lexington - Lexington Catholic High School, August 12, 7 p.m. ET; Bob Pugh, will assist.

5. Northern - Holmes High School, August 16, 7 p.m. ET; John Horton, will assist.

6. Eastern-Rowan County High School, August 17, 7 p.m. ET.

Mr. Stout will meet with the designated officials, coaches and assigning secretaries prior to the clinic dates to discuss procedure and items for the clinics.

Also discussed was the need for training sessions for officials. With nine associations in the state the development of training sessions for officials could bring about some consistency and quality of officiating. A sub-committee was selected to review this recommendation. Mr. Stout recommended that the assigning secretaries be included in this program since they would be responsible for the training within their association. Committee members selected were, Warren Manahan and Bob Pugh as co-chairmen, and Byron Perkins. The committee will report back at the next State Soccer Committee meeting.

John Horton expressed concern about the length of the soccer season and made the suggestion of moving the season back one week. MR. Stout stated that this was a By-Law and can only be

voted on and decided by the Delegate Assembly. District and Regional sites are assigned by the Commissioner's Office. Some district sites are on a rotation basis and some are submitted requests to the KHSAA. It was stated that regional sites should have an adequate facility for hosting all participating teams involved and that if a facility is believed to be inadequate, information should be directed to Mr. Stout, at least one week prior to play. Regional dates have been set for 1993.

Sectional sites for 1993 were discussed. In order to avoid a situation where one school would host both tournaments, a motion was made by Byron Perkins and seconded by John Horton that we operate on an odd and even basis and the boys sectional host for 1993 come from the odd number region and the girls sectional host come from the even number region for 1993. Motion carried. Further discussion of this would also be done by the soccer coaches association.

The following includes changes relating to the Soccer Plan. A) Correction was made that the first game of the season shall not take place before the fourth Monday in August instead of the first Monday in August; B) Re-emphasize that a coach cannot coach any member of his/her team until that current school year is over; C) Cannot make summer participation mandatory for players. F) Motion was made by John Horton and seconded by Rick Oschner that on a yellow card, a player is removed from the remainder of that game. A report is not written and a coach may sub, but that player may not return to that game. Motion carried 10-2.

Motion was made by John Horton and seconded by Nick Brake that a letter be sent to all assigning secretaries in regard to player conduct and behavior. To be aware of and sense any "trouble", undue "roughness" and any unsportsmanlike conduct and that such actions should be reported to the KHSAA and

(Please see, Soccer, Page 17)

Lexington Teams Sweep Soccer Titles

By Brooks Downing

VERSAILLES, Ky. -- The Lafayette Lady Generals and the Paul Dunbar Bulldogs, both Lexington schools, combined to sweep the first soccer championship double-header on Nov. 20.

The championship showcase, originally scheduled for Saturday, Nov. 14, had to be postponed when the field at Community Park in Woodford County became saturated after two days of rain. As it turned out, two inches of snow also fell that Saturday.

Lafayette, playing after a near-two week layoff, used great defense to hold off the Notre Dame Pandas 1-0. The Lady Generals' Sarah Chrisman scored a goal with 30:52 left in the second half to give Lafayette the first sanctioned state soccer championship in Kentucky high school history.

But as important as Chrisman's goal was, goalkeeper Emily Bryan's play determined the outcome. Bryan somehow survived numerous shots on goal late in the contest. During one two-minute stretch, Bryan, a freshman, covered three Notre Dame attacks.

In the boys' final, it was nearly all Tom Morgan. Morgan, a junior, scored two goals to lead Dunbar to a 3-1 state championship victory over Elizabethtown.

Morgan got the Bulldogs on the board before halftime, scoring his first goal with 1:35 left in the opening period.

The Panthers' Wade Barnes tied the game with 27:44 left when Dunbar goalie D.J. Stadnyk fumbled an attempt in front of the goal. But that would be Stadnyk's only miscue. He held Elizabethtown scoreless the rest of the way as Morgan and Matt Weddington finished the Bulldogs' scoring.

It's the third straight season a Lexington boys' soccer team has won the state title. Dunbar, in just its third year of existence, finished the year at 19-6-2. Elizabethtown finished at 20-4.

Lafayette closed out its season with a record of 15-2-2. Notre Dame had a final mark of 19-5-2.

Dunbar junior Joe Paul Reever kicks the ball during championship action. The Bulldogs defeated Elizabethtown 3-1 to win the state title. The victory marks the third straight year a Lexington team has won the boys' championship.

Andrew Brings Out Best In Miami Coach

CHICAGO (November 13, 1992) — Meeting challenges head-on is what high school coaches do best. That's why head football coach Don Soldinger of Southridge High School in Miami moved quickly to help his players pick up the pieces after Hurricane Andrew struck late last summer. In recognition of his care and concern for young people, Soldinger is being featured this month by Coaches Care, the national public service program sponsored by The Gatorade Company.

After weathering the hurricane with his wife Phyllis on August 24, coach Soldinger began the 15-mile drive from his home to Southridge High, situated near the area of Miami hardest hit by the 164 mile-per-hour winds. Soldinger's mission was to learn the fate of his 69 football players, who were preparing to defend the state football co-championship they earned during the 1991 season.

Many of his friends and players, including Southridge assistant coach Rodney Hunter, were among the thousands of people left homeless by the hurricane. At a time when Soldinger expected to have his players on the practice field, he began the process first of finding them, then assisting the local relief effort. He delivered canned food and clothes to people left without power or water, and even opened his home to players in need of a shower and a good night's rest.

"Everywhere you looked there was devastation," Soldinger said. "What had been a beautiful place became a wasteland. I've been through four or five hurricanes, but never anything like this.

"All I wanted to do was help out in any way I could, and I think any coach in my position would have done the same thing. The coaching profession is about giving."

"His love and compassion for people shines through," said Southridge Principal Fred Rodgers. "He's a great role model for coaches and students alike. He has everyone's respect and adoration."

Coach Don Soldinger (right) talks with team linebacker Coemba Jones, while younger brothers clean-up debris left by Hurricane Andrew.

On the football field, Soldinger demands a great deal from his athletes. He was asking even more of his players in light of what happened. Within weeks after many players lost their homes, and nearly their lives, he had them back on the football field.

"Kids respond to adversity," Soldinger said. "They're very resilient. And many of our kids didn't have very much to begin with, even before the hurricane hit. So we expected a lot from them, and they expected a lot of themselves. This school has a tremendous athletic tradition."

The Southridge football team has had only one losing season since the school opened in 1976. It consistently ranks as one of the top teams in south Florida. But Soldinger says the lessons his players learn this fall will be more valuable to them later on in life than any championship trophy.

"Anyone can be a loser," said Soldinger. "But you have to be willing to fight one more round to be a winner."

Soldinger's approach to academics is just as tough. He teaches

(Please see, Coaches, Page 17)

Eligibility

(From Page 7)

ments to the appellants by the East Eligibility Committee, Frank Welch moved that the Board go into closed session to discuss the case. "Ozz" Jackson seconded. Following the closed session, Alvis Johnson moved to waive By-Law 4 and declare Chris McIntosh eligible for the remainder of the 1992-93

school year. Motion failed 4-2. Jack Portwood then moved to uphold the Commissioner's ruling and declare Chris ineligible at Jackson City High School. Frank Welch seconded the motion which passed 4-2.

Chairperson Hicks advised the appellants of the Due Process Procedure.

There being no further business, Frank Welch moved for adjournment. Jack Portwood seconded the motion.

Soccer Minutes

(From Page 14)

the principal of the school involved. Motion Carried.

Concerning red cards, a motion was made by James Weatherly and seconded by Nick Brake that the following be enforced:

One red card - Player misses one game;

Second red card - Player misses three games;

Third red card - Player suspended for remainder of the season;

Spitting Violation - Player misses three games;

Fighting Violation - Player misses three games;

Motion carried.

Mr. Stout asked committee members to review the remainder of the Soccer Plan and submit any changes or concerns to him. State Tournament Sites for 1993 are still undecided. Bids for this are being accepted. Miscellaneous items included officials evaluation and how officials were selected for postseason play.

No other business presented, the meeting was adjourned.

Coaches Care Award

(From Page 16)

health and physical education and took it upon himself to open a study hall for students during the lunch hour. He has enlisted the aid of other teachers to help instill better studying techniques. And he doesn't want kids to just pass their classes so they can play. He wants them to succeed in school, and learn the skills necessary for success in college and later in life. Soldinger's players have had steadily improving grades and SAT scores since he returned to the school several years ago. Southridge's principal, Fred Rodgers, and athletic director Bob Burnside, attribute it to Soldinger's efforts.

"Coaching football involves a lot more than going out and knocking heads," explained Rodney Hunter, who

played for Soldinger in 1983-84. "It's about caring for kids, and giving them something they can hold onto all of their lives."

"High school coaches are frequently recognized for their achievements on the playing field," said Patti Jo Sinopoli, The Gatorade Company's manager of sports communications. "Coaches like Don Soldinger contribute much more to student athletes, and we're proud to pay tribute to him through Coaches Care."

The Gatorade Company created the Coaches Care program in 1990 to bring well-deserved attention to high school coaches who go above and beyond the call of duty and demonstrate a special brand of care and concern for their athletes. Over the past two years, 289 coaches nationwide have been named to the Coaches Care Honor Roll. Periodically, Gatorade

selects a high school coach from somewhere in the U.S. to feature in full-page advertisements that appear in several coaching and athletic management publications.

High school coaches can be nominated for Coaches Care distinction by principals, athletic directors, teachers, fellow coaches, parents and student athletes. Selection criteria and a nomination form may be obtained by writing: Coaches Care, P.O. Box 194, Hinsdale, IL 60522-0194.

Coaches who meet the criteria outlined on the nomination form are permanently placed on Gatorade's Coaches Care Honor Roll and receive a certificate from Gatorade as well as recognition at state and national coaches meetings. The Coaches Care Honor Roll is published in *Scholastic Coach* magazine in September.
