Commissioner's Message

The appointment of J. B. Mansfield, Superintendent of Cave City Schools, to the position of Assistant Commissioner of the Kentucky High School Athletic Association represents another forward step in the history of the Association.

It has been evident for some time to all members of the Board of Control that an assistant was needed in the State Office. They have been fortunate in securing the services of Mr. Mansfield. The new Assistant Commissioner is a graduate of the Horse Cave City School and of Western Kentucky State College. A former All-State high school basketball player, he was named assistant basketball coach at Horse Cave where he served in this capacity for three years. He was later principal and head coach at Horse Cave for the same period of time. He has been superintendent at Cave City for the past six years, giving up his coaching a year ago. Mr. Mansfield was a registered official for seven years, working in seven district and five regional tournaments in addition to numerous county and conference tournaments.

Mr. Mansfield can assist greatly in the efforts of the State Office staff to give ever increasing service to the member schools of the K. H. S. A. A. He will assist in preparing the material for the magazine, he will work on the improvement of officiating through the clinics and the examinations, and he will make numerous investigations for the association. His knowledge of Association rules and interpretations, gained through his membership on the board of Control for the past three years, will make it possible for inquiries to be answered promptly when the Commissioner is out of the office on Association business. His experience as Superintendent of a small school system sponsoring six-man football will be of great value if he is called upon to assist in the forming of six-man football leagues. He will be assigned to work on all of the minor sports, in an effort to increase interest in these sports.

J. B. Mansfield

Numerous milestones of progress mark the history of the K. H. S. A. A. Some of these are: the registration and training of officials, the printing of an Association magazine, the affiliation of the K. H. S. A. A. with the National Federation, the formation of the Protection Fund, the establishing of state tournaments in the minor sports, the limitation in the number of athletic contests and the defining of seasons, and the establishing of the State Office with a full-time Commissioner. It is hoped that the work of the new Assistant Commissioner in connection with every phase of Association work will be so effective that his appointment will be considered in years to come as another milestone.

In a letter to the Commissioner, accepting his new position, Mr. Mansfield wrote:

"The K. H. S. A. A. has merited a place of honor among the associations with which it is affiliated. During the past years it has taken a place near the top of this group

1949-50 Membership Dues

Schools will soon receive statements for their 1949-50 membership dues. Principals should indicate the names of coaches only in those sports which will be maintained during the coming school year. It will be appreciated if school executives will hold their checks for dues until the statements are received.

Registration of Officials

Previously registered football officials have already been sent their renewal application cards. Basketball officials who wish to register again should hold their fees till they receive the usual form letter with the enclosed application card. New officials, registering with the Association for the first time, are now required to take an examination. Such officials should write for their application cards at once.

The Insurance Program

The Board of Control, in its July meeting, set the football fee in the K.H.S.A.A. Protection Fund at \$2.00 per player, with the fee in each of the other sports remaining at 50c.

More school men each year are realizing the benefits of the Protection Fund, and are insuring their players. Claims amounting to \$4,588.10 were paid in 1948-1949, with less than 1/3 of the schools holding memberships in the K.H.S.A.A. taking advantage of the insurance offered by the Protection Fund. A few schools probably have other plans of underwriting the costs of injuries which may be sustained by students. The great majority of schools, however, have no protection against injuries in athletics. Interested school executives and coaches should write the State Office for Protection Fund examination cards and summary sheets.

New Association Rules

1. "Monday" has been substituted for "the end" in the second line of By-Law 3. This relates to the time of the week when scholastic eligibility is determined for the succeeding week. It is assumed that eligibility lists will be mailed immediately after this new date.

Carl Hicks

Carl Hicks, Superintendent of the Catlettsburg City Schools, was elected to membership on the K. H. S. A. A. Board of Control for a three-year period, beginning July 1. The Board filled the vacancy created by the resignation of J. Matt Sparkman.

The new Board member did undergraduate work at Centre College and Cumberland University, receiving his A.B. and M.A. degrees from the latter institution. He earned letters in football, basketball and baseball, and later played professional baseball with Vicksburg in the Cotton States League while he was the property of the Louisville Colonels. After serving as baseball coach and assistant in football and basketball at Cumberland, he accepted the coaching position at Catlettsburg, later becoming principal. He was named Superintendent at Catlettsburg in 1938. From October, 1942, until February, 1946, he was in the Navy, being discharged with the rank of Lt. Commander. He has been a vice-president of E. K. E. A., president of the Catlettsburg Rotary Club, and a member of the State Textbook Commission.

2. "A first team game in any sport" has been substituted for "an inter-school contest" in the second line of By-Law 6, Section 1. This is a clarification of the rule involved, as this interpretation of "an inter-school contest" has been given for many years.

3. Swimming, golf, tennis and bowling have been added to the exempted sports, mentioned in the last sentence of By-Law 8.

4. In determining the twenty-four or thirty basketball games, to be played by schools maintaining football teams or those not maintaining football teams respectively, games played in one county, conference, or invitational tournament shall count as only one game (By-Law 21.)

5. By-Law 23 has been amended to provide that officials shall be agreed upon at least ten days before the contest, and that it is the responsibility of the home school principal to instigate proceedings leading to the agreement on officials.

6. An official registering for the first time in a sport is now required to take an examination in that sport and to make an acceptable grade, determined by the Board of Control. All officials are now required to attend clinics to maintain their registration.

7. Military schools are now exempted from the provisions of By-Law 6, Section 1.

8. Tournament Rule 1 has been amended to provide that all regional tournaments shall end on Saturday night.

9. Tournament Rule V has been amended to provide that no official may be used in a district, regional or state tournament who has not officiated in at least twelve basketball games during the current season.

10. Tournament Rule VI-A has been amended to provide that "\$300.00" be substituted for "\$175.00," "twenty cents" for "fifteen cents," and "fifteen per cent" for "twenty-five per cent." These changes refer to the State Plan for the distribution of tournament receipts.

11. Each State Tournament team will receive \$100.00 for incidental expenses instead of the \$60.00 allowed previously.

12. Only teams which have played during the season a regular schedule of at least twelve games with at least six different schools are eligible to compete in district tournaments (Tournament Rule VII-A.)

13. The second paragraph of Track Rule IX has been eliminated. This section had limited the number of distance events in which a contestant might participate. No change was made in the rule which provides that a contestant may compete in not more than three running events.

H. B. Gray

The Board of Control in its July meeting named H. B. Gray, principal of the Bowling Green High School, as a member of the Board for a one year period. Mr. Gray, a former member of the Board, will represent Section 3 and will take the place of Superintendent J. B. Mansfield of Cave City, who recently accepted the position of Assistant Commissioner of the K. H. S. A. A.

Mr. Gray received his A.B. degree from Western Kentucky State College, and his M. A. degree from the University of Kentucky. He was principal at Woodburn High School prior to the time he accepted the Bowling Green principalship in 1937. He is a past president of the Third District Education Association, the Kentucky Association of Colleges and Secondary Schools, the Bowling Green Kiwanis Club and the Warren County Schoolmasters' Club. He teaches the Mens' Bible Class at the Westminster Presbyterian Church, and is chairman of the Bowling Green-Warren County chapter of the American Red Cross.

Football Clinics

The 1949 clinics for football officials will be conducted by K.H.S.A.A. President Lyman V. Ginger. The dates and sites of the clinics are as follows: August 22, Mayfield; August 23, Henderson; August 24, Bowling Green; August 25, Pineville; August 26, Pikeville; August 27, Ashland; August 29, Louisville; August 30, Newport; August 31, Lexington. The Ashland clinic will be held at the Y. M. C. A., and the Louisville clinic at the Armory. All other clinics will be held in the high school buildings. The clinics will begin at 7:30 P. M.

School for Basketball Officials

A three-day school for registered basketball officials will be held at Louisville on September 9-11. Charlie Vettner, veteran Kentucky official, will be the director of the school. Although the purpose of the workshop will be the training of sixteen officials from the various basketball regions, of the state, who will return to their respective areas and conduct weekly or semi-monthly clinics for officials throughout the season, all Kentucky basketball officials are invited to the school. This program will supplement the series of regular K. H. S. A. A. clinics which will be conducted by Mr. Vettner early in November.

REPORT OF AUDIT

Louisville, Ky., July 16, 1949

Mr. Theodore A. Sanford, Secretary & Treasurer
Kentucky High School Athletic Association,
Henderson, Kentucky

Dear Sir:

Pursuant to the instructions received, we have made an audit of the books and records of the KENTUCKY HIGH SCHOOL ATHLETIC ASSOCIATION for the period of one year beginning July 1, 1948 and ended June 30, 1949. In addition, we have prepared and attached hereto statements of the Receipts and Disbursements, which in our opinion reflect the true financial condition of the Association as of June 30, 1949.

The Cash Funds on Hand and U. S. Savings Bonds Accounts were found to be correct and verified by letter from your depositories.

We found the records presented us for purpose of audit to be in agreement and in good condition.

Respectfully submitted,
JOHNSON-FOWLER & COMPANY

FROM THE COMMISSIONER'S OFFICE

because of its continued growth and accomplishments in promoting the athletic program and because of the continually mounting services it renders. It is indeed a challenge as well as an honor to become a part of this organization and be associated with its continued advancement.

"The K. H. S. A. A. with its past record and future plans is a tribute to the school men of Kentucky and to the officers and directors whom these school men have named to carry on the affairs of the Association.

"In assuming the duties of Assistant Commissioner, I do so with the hope that I may perform a satisfactory service to the Association. I pledge my efforts to the advancement of the K. H. S. A. A. and the program outlined by our member schools, our Board of Control, and the Commissioner."

Lafayette Wins State Tournament

The golf team from the Lafayette High School of Lexington, coached by Dr. H. L. Davis, principal of the school, won the K. H. S. A. A. State Tournament held at Fort Knox on May 16-17. Gay Brewer, Jr., Lafayette freshman, won individual honors with an eight-over-par 54-hole total of 224, and led his teammates to victory, with an aggregate score of 977.

Brewer beat out Madisonville's Ches Riddle by two strokes, and Riddle in turn nipped St. Xavier's Bart Brown, Jr., by three.

Shelbyville finished second to the Generals with a combined tally of 1,003. St. Xavier was third with 1,009. The order of finishing for the remaining teams was: Male 1,027; Flaget and College High, 1,037; Anchorage, 1,056; St. Henry, 1,059; University High, 1,061; Manual, 1,067; Fort Knox, 1,089; Bowling Green, 1,108 and Hopkinsville, 1,196.

The tournament was held on the Officers' Club course at Fort Knox, with Supt. William E. Kingsolver in charge. In reporting on the meet, Mr. Kingsolver said: "The weather during the two days was near ideal. The

course was in wonderful condition and both the contestants and the coaches enjoyed the tournament. Colonel Lee S. Read was invaluable help in pairing, starting and scoring."

The driving contest was won by Bill Holton of University High, the distance being 385 yards. Bobby Lawson of Shelbyville was second. First in the approaching contest was Joseph McKune of Flaget, with Ted Phillips of Anchorage the runner-up. Bill Zibart of Male was first in the putting contest, with David Wagenvoord of Lafayette placing second. Fourteen teams entered the tournament, with sixty-seven individual players being present.

Individual scores were as follows: 224 -Brewer, Lafayette; 226-Riddle, Madisonville; 229-Brown, St. Xavier; 234-Lawson, Shelbyville; 241-Rolf, Fort Knox; 243-Fischer, Flaget; Gray, Fort Thomas; 244-Smith, Anchorage; 245-Wagenvoord, Lafayette; 247 -Buckner, Shelbyville; 249 -Coleman, College High; 251 -Foster, Lafayette; 252-Flowers, Shelbyville; Scott, Male; 254-Kloecker, University; 255-Follis, Glasgow; Fussinger, St. Henry; 256-Phillips, Anchorage; Brooks, Male; 257-Jordan, Lafayette; 258-Belring, St. Henry; Breckel, St. Xavier; 259-Muench, St. Xavier; Kirby, Bowling Green; Duggins, Male; Michels, Flaget; Kirchner, Manual; 260-Clark, Manual; Crabtree, Hopkinsville; Kerr, College; Strother, University; Zibart, Male; Kays, Lafayette; 261-Newman, College; 262-Pulford, Manual; 263-Zimmerer, St. Xavier; 264-Schultz, St. Henry; 265-Holton, University; Kemp, Bowling Green; McKune, Flaget; 267-Johnson, College; Gibson, Anchorage; 270-Mahoney, Flaget; C. P. Nash, Jr., Shelbyville; 271-Brown, St. Xavier; 273-Schoo, Manual; 274-Bowden, Male; 278-Baker, Middlesboro; 279-Richardson, Fort Knox; 282-Taylor, University; Cahill, St. Henry; 283-Daine, Fort Knox; 284-Kelly, Bowling Green; 286-Dale, Manual; Johnson, Fort Knox; 289-John, Anchorage; Barr, College; 295-Sparks, Hopkinsville; 299-Travis, Glasgow; 300-Law, Bowling Green; 308-Gerhardt, Hopkinsville; 333-Lawson, Hopkinsville.

Lafayette High School Golf Team

K. H. S. A. A. CHAMPION — 1949

(Left to Right) Front Row: Charles Jordan, Bobby Kays. Second Row: Gay Brewer, Jr., state individual champion; John Foster; Dr. H. L. Davis, Principal and golf coach; David Wagenvoord.

Forty Football Fundamentals

1. A live ball is always in possession of a team.
2. A player cannot fumble without having had possession.
3. A live ball is either in player possession or is loose.
4. A player in possession of a live ball, is a runner.
5. Referee's whistle seldom kill the ball.
6. No foul causes ball to become dead.
7. No foul causes loss of ball.
8. A down begins when ball becomes alive and ends when it becomes dead.
9. No foul automatically causes 1st down (Exception: Pass interference by B.)
10. Whether next down will be 1st, is determined at the time ball becomes dead and after considering any act which occurred during the down.
11. Any foul by the Defense during the last timed down of a period gives the Offense (at the time of the foul) the right to extend the period by an untimed down.
12. If a team declines the penalty for a foul which occurs during the last timed down of a period, the period is never extended.
13. It is always 1st down after R touches a scrimmage-kick (provided no foul occurs).
14. Free-kick lines are always 10 yards apart and scrimmage lines are ball-length apart.

SINGLES WINNER AND RUNNER-UP

15. Catching is always preceded by touching of the ball, hence if touching kills the ball, the securing of possession of it has no significance.
16. Blocking by either team is always permissible unless it is fair catch or pass interference or is unnecessary roughness.
17. All live ball fouls are penalized by the "3 and 1" enforcement principle.
18. All dead ball fouls are enforced at succeeding spot.
19. No penalty directly results in a safety but if a distance penalty leaves the ball behind the offender's goal line, it is a safety.
20. Enforcement for a foul out-of-bounds or in an end zone is the same as enforcement for a foul in the field of play. (Exception: Forward pass interference by A in end zone provided B chooses a touchback.)
21. After a distance penalty ball belongs to team which was in possession at time of foul. (Team possession may then change if new series is involved.)
22. No live ball foul causes Referee to blow his whistle immediately.
23. If at least one foul of a double foul is during live ball, the down is always replayed.
24. Penalty for any single foul may be declined.
25. Distance penalties are either 5 or 15 yards.
26. Any scrimmage-kick or return-kick recovered behind the line may be advanced by K or R.
27. Touching of a scrimmage-kick or return-kick is ignored if in the neutral zone or behind K's line. (But such touching may cause ball to be out-of-bounds.)
28. No kick may be legally batted unless it is an attempt to block the kick in the neutral zone or behind K's line.
29. A free-kick which goes out-of-bounds is never "short."
30. Rules for the 3 free-kicks are alike. (Exception: Kick-off cannot score a field goal.)
31. A free-kick is repeated only after a penalty for a foul.
32. If a kick is caught by any player after any receiver has signalled for a fair catch, ball becomes dead as soon as caught.
33. Fair catch may be made of any free-kick or of any scrimmage-kick or return-kick which is beyond the line.
34. Any scrimmage-kick or return-kick which touches something on or behind R's

—Courtesy Ky.-Times Star
(Left) Billy Evans of Berea Foundation, state singles champion, and Roger Otten, Bellevue, runner-up.

- goal line becomes dead and is a touchback.
35. A kick always ends as soon as any player secures possession.
 36. Penalty for all four illegal forward passes is loss of 5, enforcement is always at spot from which pass was thrown and the down is charged if pass is by A.
 37. Any pass (backward or forward) may be batted in any direction unless it is by an ineligible or is an attempt to gain distance by batting to out-of-bounds.
 38. In a pass, the ball must travel in flight, i.e., a handed ball is not a pass.
 39. Linemen are prohibited from advancing beyond the line only during a forward pass which crosses the line.
 40. Forward pass interference can occur only in advance of the line.

Corrections to Football Publications

CASE BOOK: Play 43 on page 18. This is a loose ball play instead of a running play, hence basic spot is the previous spot. Also applies to first complete play on page 13 of Player Handbook.

Key on page 79. In question 12 of Part I, 1 and 3 are correct.

PLAYER HANDBOOK: Key on page 48. In question 3 of Part 2, only 1 is correct. Also see first Case Book comment on above.

Here And There Over The Nation

Summer Meeting of Secretaries

The summer meeting of State Association Secretaries was held at Gatlinburg, Tennessee, on June 27-29. The program was in charge of Host Secretary A. F. Bridges. The entire group expressed appreciation for the excellent way in which Mr. Bridges administered the program and for the courtesy of the Tennessee Association in entertaining the group.

Twenty-seven states were represented by their executive officers or their assistant executive officers, or by other individuals connected with the state association. Also present were the National Federation Executive Secretary and the Vice-President. Six assistant executive secretaries were in attendance. The Official Sports Film Service was represented by A. A. Schabinger. Many of the men were accompanied by their wives and/or members of their families.

On Monday night, June 27, the conference was called to order by Mr. Bridges. He announced the general plan for the program which called for discussion sessions on Monday night, Tuesday morning, Tuesday night and Wednesday morning. By vote of the group, a Wednesday afternoon session was also held. On Tuesday afternoon, the group was taken on a tour through the Smoky Mountains as guests of the Tennessee Association. On Wednesday night, the entire group were dinner guests of the Tennessee Association.

The business sessions proved to be very informative and instructive. Subjects discussed at the various sessions were: the improving of sportsmanship, crowd control, tournament problems, the registration and training of officials, radio and television, all-star games, tax problems, awards and trophies, athletic benefit programs, athletics in junior high schools, national meets in the minor sports, and the amateur rule. There were brief discussions of numerous other topics.

On Tuesday evening, the group previewed the new motion picture, "King Football." The showing of the picture was in charge of Mr. Schabinger. The film received an enthusiastic reception.

Soccer Activity: The game of soccer is popular in a few of the eastern states and there are a number of teams in metropolitan areas in other parts of the country. The game has not been widely played in smaller communities except in

a few cases where there is a foreign-born population from countries in which soccer has about the same standing as baseball in the United States. For the past couple of years, the Federation has maintained contact with the United States Soccer Association. As a result of these contacts, certain modifications in the game have been discussed. At the last meeting of the joint group, a special committee was set up to make definite recommendation concerning ways in which the game might be modified to be more attractive to high school and grade school students. It has been suggested that the National Federation publish a special set of soccer rules to be included with one of the other rules books such as that for Six-Man Football. Further report by the committee will be relayed as soon as it is ready.

Football Meetings: The first football meeting of the season was held at Little Rock, Arkansas, on May 21st and 22nd. This meeting was originally planned for a group of meeting leaders in Arkansas. Interest developed in surrounding states, and, as a result, there was attendance from the states of Louisiana, Mississippi, Tennessee and Missouri, as well as from Arkansas. The meeting included a thorough analysis of rules fundamentals and a review of the entire code with special emphasis on those sections which are slightly different from those of last year.

Following this meeting, sectional meetings were to be held as follows: Atlanta, Georgia—August 28th; Indianapolis, Indiana—August 13th; Chicago, Illinois—August 16th; Flagstaff, Arizona—August 18; Charleston, West Virginia—August 19th; Augusta, Maine—August 27th; Seattle, Washington—August 24th; Rochester, New York—August 24th.

In addition, nearly all of the states in which the state association is acting in officials' training work held statewide and local meetings. In states such as Iowa, Kansas, Michigan, Minnesota, Nebraska, New Mexico, Oregon and South Dakota, a session of the state coaching clinic is devoted to a discussion of the rules and these clinics are followed by a series of meetings to reach all sections of the state. States such as Missouri, Pennsylvania and Wisconsin hold a preliminary meeting for district leaders and then sponsor a series of local meetings in charge of such leaders.

Welcome To Mississippi and North Dakota State Executives

On July 1st, two additional states joined the other 31 states which have established full-time state association offices.

North Dakota authorized this action at a meeting early in 1949 and they chose Earl Abrahamson as their first full-time executive officer. Mr. Abrahamson has administered the work of the association for the past several years while he attempted, at the same time, to take care of his school superintendency. The work in North Dakota has now expanded to the point where it would be an imposition to ask anyone to do this work on a part-time basis. The new office is at Valley City, North Dakota.

Mississippi took action at a meeting in May. The man chosen to establish the full-time office is W. B. Kenna who has served as secretary of the association for many years. Mr. Kenna will operate temporarily from his office at Lexington.

From the entire Federation family, a cordial welcome is extended to Messrs. Abrahamson and Kenna!

Minnesota Chooses Assistant Secretary

At a spring meeting of the Board of Control of the Minnesota Interscholastic League, an assistant secretary was chosen. He is Kermit Anderson, who has been connected with the school system at Wadena.

Mr. Anderson has had many years of experience in athletic work and has been a prominent athletic official in that state, having officiated at the state final tournament for four years. He graduated from Stout Institute at Menominee, Wisconsin, in 1937 and he has had teaching experience in La Porte, Indiana, and in Oklahoma City, Oklahoma, as well as at Wadena, Minnesota. He began his work in the state office in July.

Minnesota is the tenth state to authorize a full-time assistant secretary. The Federation group is glad to welcome Mr. Anderson to the family circle.

Baseball Rules Activity: At a spring meeting of the Rules Committee of the Professional Baseball Clubs, it was decided that a recodification of the rules used by the Professional Clubs is needed. A committee was appointed for the purpose. This committee is working in cooperation with the National Federation office in an attempt to secure a recodification which will be an improvement of the older Baseball Rules and which can be accepted by the Professional Clubs. Work

on this codification has been in progress during the summer and it will be presented at the next meeting of the baseball group.

Football Experimentation: In a recent issue of the bulletin of the California Southern Section, the editor comments on the advantages of a proposal to have a field-goal in football score 4 points instead of 3. It is contended that this would result in more frequent use of the attempted field-goal since 2 field-goals would then win over one touchdown plus the try-for-point.

It is agreed that the attempted field-goal other than during a try-for-point has almost disappeared from the high school and college game. There is some question as to whether it is possible to stimulate more kicking without changing the conditions which now make it almost impossible for a team to score a field-goal unless they are so near the goal line that there is a chance for a touchdown. The goal posts were placed on the end line partly as a safety measure and partly to keep the end zone clear for forward pass completions. Hence, it is the question of sacrificing forward passing or kicking. We are waiting for some genius to devise some way to "have his cake and to also eat it."

Other groups are experimenting with an extension of the trend toward encouraging more ball handling behind the line. A number of changes of recent years have been in this direction, including the granting of permission to hand the ball forward under specified conditions. It would be worthwhile to experiment with a rule which would treat any forward pass which does not cross the line the same as a handed ball. This would permit any player to touch or catch such pass but it would be necessary for a lineman to turn and be at least a yard back.

Status of Sunday Contests: In the New England states, there have been recent heated discussions concerning the question of whether schools should be permitted to engage in interscholastic contests on Sunday. As far as the records indicate, there is no state association that actually sponsors any interscholastic contest on Sunday but states differ in their attitude as to whether individual schools should be prohibited from playing. During the spring, the states of Nebraska and Idaho adopted definite rules which prohibit such contests. Other states which do not permit contests of this nature include California, Indiana, Mississippi, Nebraska, North Dakota, South Dakota, Utah and Wisconsin.

DON'T DELAY

. . . placing your order for football equipment. Our stock is complete and we can take care of all orders the same day they are received.

For those schools which do not play football now is an ideal time to place your order for basketball uniforms, warm-ups, Converse shoes, molded or Lastbilt basketballs. We are headquarters for practice shoes, supporters and uniforms.

If you are carrying on a physical educational program either for boys or girls, write us. We have the E. R. Moore gym suits for girls and the famous Coach Rupp gym pants, T-shirts, shoes and other supplies for the boys.

If you are building a new gymnasium, write us for prices on locks, lockers, bleachers, electric scoreboards, fanshaped backboards, glass backboards or any form of gymnasium equipment, including chairs, etc.

If you would like to have one of our new Fall and Winter Catalogs No. 149, drop us a card.
